INTRODUCTION

This Court Authorized The Receiver To Sell Certain Assets Owned By The Receivership Defendants.

1. The United States Securities and Exchange Commission filed this case against EquityBuild, EquityBuild Finance, Jerome Cohen, and Shaun Cohen alleging violations of Section 10(b) of the Securities Exchange Act of 1934 (the "Exchange Act"), 15 U.S.C. § 78j(b), and Rule 10b-5 promulgated thereunder, 17 C.F.R. 240.10b-5, Section 20(a) of the Exchange Act, 15 U.S.C. §78t(a), Sections 5(a) and 5(c) of the Securities Act of 1933 (the "Securities Act"), 15 U.S.C. §77e(a) and (c), and Section 17(a) of the Securities Act, 15 U.S.C. §§77q(a).

2. In the Complaint, the SEC alleged that the defendants operated a Ponzi-scheme that raised at least \$135 million from more than 900 investors by, among other things, making untrue statements of material fact in connection with the sale of promissory notes allegedly secured by residential real estate primarily located on the south side of Chicago.

3. On August 28, 2018, the Court entered a judgment against defendants Jerome Cohen and Shaun Cohen which, among other things, enjoined future violations of federal securities laws. (Docket No. 40)

4. In the August 17, 2018 Order Appointing Receiver, the Court assumed exclusive jurisdiction over, and possession of, the assets of the Receivership Defendants, which defendants were expressly identified as including 1700 Juneway LLC, 4533-37 S. Calumet LLC, 7109 S Calumet LLC, EB South Chicago 3 LLC, and EquityBuild, Inc. (Docket No. 16, ¶ 1), and, by Order dated March 14, 2019, the Court expanded the list of Receivership Defendants to include 5450 S. Indiana LLC, 6437 S Kenwood, LLC, 7749-59 S. Yates LLC, EB South Chicago 4 LLC, SSDF1 4611 S. Drexel LLC, SSDF1 6751 S. Merrill LLC, SSDF1 7110 S Cornell LLC, SSDF2 1139 E 79th LLC, SSDF4 6217 S. Dorchester LLC, SSDF4 6250 S. Mozart LLC, SSDF4 7024 S Paxton LLC, SSDF4 7255 S. Euclid LLC, SSDF5 Portfolio 1 LLC, SSDF7 Portfolio 1 LLC, SSPH 6951 S Merrill LLC and SSPH Portfolio 1 LLC. (Docket No. 290)

5. The August 17, 2018 Order Appointing Receiver erroneously identified 11117 S. Longwood LLC as a Receivership Defendant, when SSPH 11117 S Longwood LLC was the EquityBuild affiliate intended to be named, and the EquityBuild-affiliate SSDF1 S. 4520 Drexel LLC has not yet been named as a Receivership Defendant.

6. In the Order Appointing Receiver, the Court also conferred upon the Receiver (1) "all powers, authorities, rights and privileges" theretofore possessed by the principals of the Receivership Defendants under applicable state and federal law, as well as by the governing

operating and shareholders' agreements and (2) all powers and authority of a receiver at equity, as well as all powers conferred upon a receiver under 28 U.S.C. §§ 754, 959, and 1692, and FRCP 66. (Docket No. 16, ¶ 4)

7. The Court also authorized the Receiver to "take all necessary and reasonable actions to cause the sale" of "all real property in the Receivership Estate, either at public or private sale, on terms and in the manner the Receiver deems most beneficial to the Receivership Estate, and with due regard to the realization of the true and proper value of such real property." (Docket No. 16, ¶ 38)

In his Original Petition (Exhibit 223), the plaintiff complains that he loaned money to an EquityBuild affiliate in connection with the acquisition of a property at 1102 Bingham Street in Houston, Texas, as well as a property at 5201-07 West Washington Boulevard in Chicago, but that, in each instance, the mortgage securing his loan was released by EquityBuild Finance (formerly known as Hard Money Company, LLC) without his consent.

259. Although the plaintiff in the Markwell Action seeks the imposition of a constructive trust on any funds that the defendants received as a result of the alleged wrongdoing, he does not seek any equitable remedy, including specific performance, in connection with any other real estate, and thus the lis pendens he filed against the ten properties subsumed within this motion is not authorized by 735 ILCS 5/2-1901.

260. The plaintiff in the Michigan Shores Action seeks to set aside allegedly fraudulent conveyances of 14 properties by EquityBuild to SSDF7 Portfolio 1 LLC in connection with a *separate, underlying lawsuit* alleging, among other things, fraud, breach of contract, breach of

fiduciary duty, and civil conspiracy, in connection with the conveyance of a property located at 7616-24 South Phillips Avenue in Chicago, Illinois -- and not included within the receivership estate. (Exhibit 224.)

261. The plaintiff in the Michigan Shores Action does not claim any actual right, title, or interest to the properties against which it filed the lis pendens, but instead seeks to have 14 separate conveyances by EquityBuild to SSDF7 Portfolio 1 LLC set aside merely to improve its chances of recovering money damages against EquityBuild in the underlying lawsuit.

Payment Of Transaction Costs & Treatment Of Proceeds

262. At the closings of these sales, certain costs and expenses will be paid from the sales proceeds, including, but not limited to, (1) the cost of a survey, (2) the premiums associated with the delivery of policies of owner's title insurance, (3) the cost of state, local, and municipal transfer taxes, (4) the closing (or escrow) fee assessed by the title company, and (5) a series of ancillary and customary charges relating to, among other things, the need to procure a full payment water certificate from the City of Chicago, the Receiver's obligation to deliver ALTA extended title insurance coverage, closing protection coverage, wire transfer fees (associated with the transfer of sales proceeds to a receivership bank account), expediting fees, a gap risk update, and state regulatory fees.

263. To convey clear title to each property, the Receiver will also be required to (1) pay from the closing proceeds any and all past due or currently pending water charges and/or Cook County property taxes and (2) extend credits in connection with prospective 2019 and pro-rated 2020 Cook County property tax liability.

264. The Receiver will also be required to pay sales commissions to SVN in connection with each conveyance. Pursuant to that certain Exclusive Sales Listing & Asset Management Agreement entered into between SVN and the Receiver, SVN will be entitled to receive a

commission equal to 4.5% of the first \$1,000,000 in sales price and 3.5% of the next \$2,000,000 in sales price, with discounts of 0.5% in transactions where the prospective buyer was not procured through the efforts of a cooperating broker.

265. None of the properties encompassed within this motion requires the payment of a cooperating brokerage commission.

266. Accordingly, the Receiver will pay SVN real estate brokerage commissions in the following amounts in connection with the conveyances of the following properties:

7749-59 S Yates Boulevard	:	\$ 43,750.00
7450 S Luella Avenue	:	\$ 11,120.00
4520-26 S Drexel Boulevard	:	\$169,975.00
6749-59 S Merrill Avenue	:	\$ 54,400.00
7110-16 S Cornell Avenue	:	\$ 47,200.00
7109-19 S Calumet Avenue	:	\$ 43,660.00
7600-10 S Kingston Avenue	:	\$ 66,100.00
7656-58 S Kingston Avenue	:	\$ 20,400.00
8201 S Kingston Avenue	:	\$ 16,000.00
8326-58 S Ellis Avenue	:	\$ 58,300.00
6949-59 S Merrill Avenue	:	\$ 68,056.00
7546-48 S Saginaw Avenue	:	\$ 25,000.00

267. Finally, Andrew E. Porter, an attorney for the Receiver, serves as an agent for the title company through which the sales subsumed within this motion will close and will therefore generate agency fees for the title examination work he performed in connection with each proposed conveyance, such fees to be in the following estimated amounts (subject to modest increases if buyers who acquire with financing purchase with additional title insurance endorsements):

7749-59 S Yates Boulevard	:	\$ 2,974.00
7450 S Luella Avenue	:	\$ 1,552.00
4520-26 S Drexel Boulevard	:	\$ 8,956.00
6749-59 S Merrill Avenue	:	\$ 3,400.00
7110-16 S Cornell Avenue	:	\$ 3,112.00
7109-19 S Calumet Avenue	:	\$ 2,970.40
7600-10 S Kingston Avenue	:	\$ 3,868.00
7656-58 S Kingston Avenue	:	\$ 1,984.00
8201 S Kingston Avenue	:	\$ 1,752.00
8326-58 S Ellis Avenue	:	\$ 3,556.00
6949-59 S Merrill Avenue	:	\$ 3,946.40
7546-48 S Saginaw Avenue	:	\$ 2,176.00

268. The Receiver intends to reduce the fee application ultimately submitted to the Court in connection with the corresponding asset disposition work in an amount equal to the agency fees being paid to Mr. Porter.

269. In the Order Appointing Receiver, this Court vested the Receiver with authority to sell, and transfer clear title to, all real property in the Receivership Estate. (Docket No. 16, ¶ 39) (“Upon further Order of this Court, pursuant to such procedures as may be required by this Court and additional authority such as 28 U.S.C. §§ 2001 and 2004, the Receiver will be authorized to sell, and transfer clear title to, all real property in the Receivership Estate.”)

270. Pending the completion of the claims process and a to-be-approved distribution plan, the proceeds from the sales of the properties subject to this motion will be held in separate subaccounts established by the Receiver (and for which the Receiver will maintain an accounting as to all sums deposited therein) and will not be available to pay operating expenses of the

Receivership, absent further order of Court. The inclusion of such amounts in a subaccount does not constitute an admission that any or all such amounts are subject to a valid security interest. The actual amount of sales proceeds in the subaccount to which the parties claiming the secured interest are entitled will be subject to determination through the claims process. The Receiver reserves all rights to seek a transfer of any such proceeds to the Receiver's operating account by subsequent Order of the Court.

WHEREFORE, the Receiver respectfully requests that this Court grant the Fifth Motion For Approval Of The Sale Of Certain Real Estate And For The Avoidance Of Certain Mortgages, Liens, Claims, And Encumbrances by entering an order in the form attached at Tab C approving the sales of the properties at 7749-59 S Yates Boulevard, 7450 S Luella Avenue, 4520-26 S Drexel Boulevard, 6749-59 S Merrill Avenue, 7110-16 S Cornell Avenue, 7109-19 S Calumet Avenue, 7600-10 S Kingston Avenue, 7656-58 S Kingston Avenue, 8201 S Kingston Avenue, 8326-58 S Ellis Avenue, 6949-59 S Merrill Avenue, and 7546-48 S Saginaw Avenue, with such sales to be free and clear of the mortgages, liens, claims, and encumbrances identified herein, and with all such mortgages, liens, claims, and encumbrances attaching to the sales proceeds with the same force, validity, status, and effect, if any, as they had against the properties being sold.

MOTION TO AMEND
ORDER APPOINTING RECEIVER

271. Before the Receiver can market and sell 11117-19 South Longwood (*see* Paragraphs 188-190, above), the August 17, 2018 Order Appointing Receiver (Docket No. 16) requires modification, and before the Receiver can convey 4520-26 South Drexel, the titleholder of the property, SSDF1 4520 S Drexel LLC, needs to be named as a Receivership Defendant.

272. The Order Appointing Receiver identified 11117 S. Longwood LLC as a Receivership Defendant, although this entity, whose articles of organization were filed with the

Illinois Secretary of State on December 28, 2007, and which was involuntarily dissolved on June 11, 2010, is not an affiliate of Defendants Jerome Cohen or Shaun Cohen.

273. Rather, SSPH 11117 S Longwood LLC is an affiliate of Defendant Jerome Cohen and was clearly the entity intended to be identified as a Receivership Defendant in the Order Appointing Receiver.

274. The articles of organization of SSPH 11117 S Longwood LLC were filed with the Illinois Secretary of State on May 24, 2017 (Exhibit 225), and those articles identified South Shore Property Holdings LLC as the member-manager of the entity.

275. The Operating Agreement for SSPH 11117 S Longwood LLC was executed by Jerome Cohen as managing member of South Shore Property Holdings LLC, the sole member of SSPH 11117 S Longwood LLC. (Exhibit 226.)

276. South Shore Property Holdings LLC was formed as a Delaware limited liability company on March 22, 2017 (Exhibit 227), and the Amended And Restated Operating Limited Liability Company Agreement of South Shore Property Holdings LLC was executed by Jerome H. Cohen as sole and managing member on June 28, 2018 (Exhibit 228).

277. The articles of organization of SSDF1 4520 S. Drexel LLC were filed with the Illinois Secretary of State January 13, 2017, and those articles identified Offsite Asset Management LLC as manager of the entity. (Exhibit 229.)

278. Offsite Asset Management LLC was formed as a Wyoming limited liability company on December 14, 2016, with Jerome Cohen serving as manager. (Exhibits 230, 231.)

WHEREFORE, the Receiver respectfully requests that this Court grant the Motion To Amend Order Appointing Receiver to delete 1117 S. Longwood LLC as a Receivership Defendant and substitute SSPH 1117 S Longwood LLC in place thereof, and to include SSDF1 4520

S. Drexel LLC as a Receivership Defendant, and a proposed order consistent therewith is attached at Tab D.

A good faith offer may also be submitted by credit bid in accordance with Paragraph 11, below. All offers, other than offers submitted by credit bid, shall be delivered to Jeffrey Baasch (“Broker”), SVN Commercial Real Estate, 940 West Adams, Suite 200, Chicago, IL 60607, *jeffrey.baasch@svn.com*, by no later than 5:00 p.m. CST on [_____]. Offers must be transmitted to the Broker by e-mail or enclosed in a sealed envelope and delivered by U.S. mail, nationally-recognized overnight courier, or hand. Untimely and non-conforming offers may be rejected at the sole discretion of the Broker. The Seller strongly recommends that prospective purchasers pre-qualify for financing prior to submitting an offer. No liability shall attach to Seller, Broker, or any other party for failure to receive or open any offer.
 3. Best and Final: Although bidders are encouraged to submit their best offer, at the Seller’s sole discretion, a best and final round or rounds may be conducted. In that event, the Seller will select the most competitive bids and the corresponding bidders will be invited to participate in the best and final round or rounds to be conducted by the Broker. The best and final bidding process will be conducted by telephone and email.
 4. Earnest Money Deposit: The winning bidder, if not a credit bidder, will be required to make an earnest money deposit in an amount equal to ten percent (10%) of the purchase price by wiring funds to a designated title company within three (3) business days after acceptance by the Receiver of the Purchase and Sale Agreement. The earnest money deposit shall become non-refundable at the expiration of the due diligence period (see Paragraph 6 below) and applied toward the purchase price at closing.
 5. Property Tours: Property tours will be available to all bidders at scheduled times, and Property may also be shown by appointment. Prospective bidders will be provided a set of

bid materials, although the accuracy of the information contained in the bid materials cannot be guaranteed, and prospective bidders are therefore encouraged to complete any desired and non-invasive due diligence at their own sole cost and expense.

6. Due Diligence: The winning bidder will be entitled to conduct a second due diligence review of the Property within twenty days following acceptance of its offer.
7. As-Is Sale: All Property is being sold “as-is,” with all faults, as of the closing date. Neither the Seller, the Broker, nor any of their respective agents, contractors, attorneys, officers, or directors (“Agents”) makes any representation or warranty with respect to the physical condition of any Property, nor any of the personalty, fixtures, machinery, or equipment located thereon, including any warranty of merchantability or fitness for a particular purpose, or any other type of warranty, express or implied. The Seller, the Broker, and their Agents specifically disclaim any warranty, guaranty, or representation, oral or written, past or present, express or implied, concerning the physical condition of any Property or any of the personalty, fixtures, machinery, or equipment located thereon. Neither the Seller, the Broker, nor any of their respective agents possesses any authority to make any oral or written representation regarding the condition of any Property or its contents, except as may be set forth in the Purchase and Sale Contract, and no bidder may rely upon any such oral or written representation. The bidders shall conduct their own independent physical inspections of a Property and its contents, shall be charged with full knowledge of all documents made available for inspection, and shall submit offers based solely upon their own independent judgment and conclusions and not in reliance upon any information provided by the Seller, the Broker, or their respective Agents.
8. Broker Participation Invited: A cooperating commission will be paid to a qualified, licensed real estate broker that procures the bidder who closes on the Property, provided that (1) said cooperating real estate broker is not prohibited by law from being paid such commission and, additionally, is not a principal or affiliate of the bidder and (2) no commission shall be considered earned or payable unless the broker registers its client on the Buyer Broker Registration form prior to the client's submission of a bid. Oral registrations will not be accepted. Under no circumstances shall any commission be paid if the sale does not close.
9. Closing: The closing shall be held as soon as practicable after the Receivership Court grants the Receiver's motion to approve the sale, which motion will be filed at such time as the Receiver deems appropriate, but in no event prior to the expiration of any due diligence or financing contingencies contained in the Purchase And Sale Agreement. The Property will be conveyed by receiver's deed, subject to any and all covenants, conditions, and restrictions of record, apparent and actual public utility easements, building lines, if any, encroachments of a minor nature that can be insured over by the purchaser, real estate taxes not yet due and payable, housing court proceedings, building code violations and administrative proceedings, and acts suffered or permitted by the grantee.
10. Other Terms and Conditions:
 - a) The closing of the sale shall remain subject to the approval of the Receivership Court.
 - b) The Seller and the Broker reserve the right, in their sole and absolute discretion, to postpone or cancel the Sealed-Bid Public Sale of Real Estate with or without notice

or to amend or modify these Terms and Conditions prior to the submission of bids. To the extent of any conflict between these Terms and Conditions and the Purchase And Sale Agreement, the terms of the Purchase And Sale Agreement shall control.

- c) These Terms and Conditions create no legal obligation on the part of the Seller or the Broker. If the sale fails to comply with any of these Terms and Conditions for any reason, the Seller and the Broker shall have no liability to any unsuccessful bidder.
11. Special Rules Regarding Credit Bids: A lender claiming a secured interest in any Property (a "Credit Bid Lender") is advised that it may be required to pay, at closing, all closing costs approved by the Court, which may, subject to the Court's ruling, include, but not be limited to, title insurance premiums, applicable transfer taxes, the survey invoice, property management fees accrued through closing, due and unpaid real estate taxes, escrow fees, brokerage commissions, unpaid utilities, title commitment update fees, gap insurance premiums, State of Illinois policy fees, extended coverage premiums, the costs of closing protection coverage, and any and all other expenses required to be paid by the Seller at closing, as well as any and all amounts advanced for the benefit of the Property which are required to be reimbursed and/or any amount required to discharge any Receiver's lien. Each Credit Bid Lender shall use the Purchase And Sale Agreement to convey its offer (modifying such form and/or adding one or more riders to make clear the terms of the offer), and shall submit along with its offer an explanation regarding the computation of the alleged payoff amount as of the date of submission of the credit bid (specifically itemizing principal, contract interest, default rate interest, fees, penalties, or other charges), whether or not the credit bid exceeds the principal balance then allegedly due and owing to the Credit Bid Lender. A Credit Bid Lender must request to participate in the sealed bid auction as a credit bidder by no later than the deadline for submitting offers. If such request has been conveyed to the Broker, the Receiver will advise the Credit Bid Lender as to the amount of the highest and best offer received after completion of the process described in Paragraph 2. The Receiver will then allow the Credit Bid Lender to submit a credit bid, which must be at least 2% higher than the highest offer the Receiver has received through the bid process. If a credit bid is submitted, the Receiver shall offer other bidders the opportunity to improve their bids, provided such new bids exceed the credit bid by at least 2%. The process will continue until either the Credit Bid Lender does not submit a credit bid above the highest offer received or another bidder does not outbid the highest credit bid. In the event that a Credit Bid Lender is selected as the winning bidder, the Credit Bid Lender will be required under certain circumstances established by the Receivership Court, and as a condition of closing, to post an irrevocable letter of credit in the amount of the bid (minus any and all Court approved sale-related expenses), with time being of the essence. Additional details governing the terms and conditions of credit bids, including a good-faith estimate of the Seller's expenses at closing, will be made available by the Receiver upon request. At the reasonable discretion of the Receiver, a Credit Bid Lender may nominate a third party, related or unrelated, to acquire title as the grantee.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on October 9th, 2015. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Six Hundred Eighteen Thousand Six Hundred Three and 00/100 Dollars (U.S. \$618,603.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable October 1st, 2016. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-27-219-018-0000

which has the address of 7304 S St. Lawrence Ave., Chicago, IL 60619 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on June 30th, 2015. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Eight Hundred Ten Thousand and 00/100 Dollars (U.S. \$810,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable July 1st, 2017. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 21-30-403-015-0000

which has the address of 7760 S Coles Ave. Chicago, IL 60649 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

AND, without limiting any of the other provisions of this Mortgage, to the extent permitted by applicable law, Mortgagor expressly grants to Mortgagee, as secured party, a security interest in all of Mortgagor's right, title and interest in and to that portion of the Property which is or may be subject to the provisions of the Uniform Commercial Code which are applicable to secured transactions; it being understood and agreed that the Improvements and Fixtures are part and parcel of the Land (the Land, the Improvements and the Fixtures collectively referred to as the "Real Property") appropriated to the use thereof and, whether affixed or annexed to the Land or not,

shall for the purposes of this Mortgage be deemed conclusively to be real estate and mortgaged hereby.

It is hereby acknowledged and agreed that Mortgagor has granted a security interest to Mortgagee in the Account Collateral pursuant to the Loan Agreement. Notwithstanding anything to the contrary contained herein, Mortgagee's security interest in the Account Collateral shall be governed by the Loan Agreement and not this Mortgage.

Section 1.02 Assignment of Rents.

(a) Mortgagor hereby absolutely and unconditionally assigns to Mortgagee all of Mortgagor's right, title and interest in and to all current and future Leases, Rents, Lease Guaranties and Bankruptcy Claims; it being intended by Mortgagor that this assignment constitutes a present, absolute assignment and not an assignment for additional security only. Nevertheless, subject to any applicable deposit account control agreement, the Loan Agreement and the terms of this Mortgage, Mortgagee grants to Mortgagor, so long as no Event of Default has occurred and is continuing, a revocable license to (and Mortgagor shall have the right to) collect, receive, use and enjoy the Rents, as well as any sums due under the Lease Guaranties. Mortgagor shall hold the Rents, as well as all sums received pursuant to any Lease Guaranty, or a portion thereof sufficient to discharge all current sums due on the Debt, in trust for the benefit of Mortgagee for use in the payment of such sums. This assignment is effective without any further or supplemental assignment documents.

(b) Mortgagor hereby authorizes and directs the lessees named in the Leases, any other future lessees or occupants of the Real Property and all Lease Guarantors to pay over to Mortgagee or to such other party as Mortgagee directs all Rents and all sums due under any Lease Guaranties, upon such lessee's receipt from Mortgagee of written notice to the effect that Mortgagee is then the holder of this assignment. Such Rents shall be disbursed and/or applied in accordance with the terms of the Loan Agreement. In furtherance of the foregoing, Mortgagor hereby grants to Mortgagee an irrevocable power of attorney, coupled with an interest, to execute and deliver, on behalf of Mortgagor, to tenants under current and future Leases and counterparties to Lease Guaranties, direction letters to deliver all Rents and all sums due under any Lease Guaranties directly to Mortgagee. Any exercise of the foregoing power of attorney shall constitute an immediate revocation of the revocable license given pursuant to Section 1.02(a).

Section 1.03 Security Agreement. This Mortgage is both a real property mortgage and a "security agreement" within the meaning of the Uniform Commercial Code. The Property includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Mortgagor in the Property. By executing and delivering this Mortgage, Mortgagor hereby grants to Mortgagee, as security for the Obligations, a security interest in the Fixtures, the Equipment, the Personal Property and the other property constituting the Property to the full extent that the Fixtures, the Equipment, the Personal Property and such other property may be subject to the Uniform Commercial Code (said portion of the Property so subject to the Uniform Commercial Code being called the "*Collateral*"). If an Event of Default shall occur and be continuing, Mortgagee, in addition to any other rights and remedies which it may have, shall have and may exercise immediately and without demand, any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the

generality of the foregoing, the right to take possession of the Collateral or any part thereof, and to take such other measures as Mortgagee may deem necessary for the care, protection and preservation of the Collateral. Upon request or demand of Mortgagee after the occurrence and during the continuance of an Event of Default, Mortgagor shall, at its expense, assemble the Collateral and make it available to Mortgagee at a convenient place (at the Land if tangible property) reasonably acceptable to Mortgagee. Mortgagor shall pay to Mortgagee, on demand, any and all expenses, including reasonable attorneys' fees and costs, incurred or paid by Mortgagee in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral after the occurrence and during the continuance of an Event of Default. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Collateral sent to Mortgagor in accordance with the provisions hereof at least ten (10) days prior to such action, shall, except as otherwise provided by applicable law or the Loan Agreement, constitute reasonable notice to Mortgagor. The proceeds of any disposition of the Collateral, or any part thereof, may, except as otherwise required by applicable law, be applied by Mortgagee to the payment of the Debt in such priority and proportions as Mortgagee in its discretion shall deem proper. The principal place of business of Mortgagor (Debtor) is as set forth in the preamble of this Mortgage and the address of Mortgagee (Secured Party) is as set forth in the preamble of this Mortgage.

Section 1.04 Fixture Filing. Certain of the Property is or will become "fixtures" (as that term is defined in the Uniform Commercial Code) on the Land, described or referred to in this Mortgage, and this Mortgage, upon being filed for record in the real estate records of the city or county wherein such fixtures are situated, shall operate also as a financing statement naming Mortgagor as the Debtor and Mortgagee as the Secured Party filed as a fixture filing in accordance with the applicable provisions of said Uniform Commercial Code upon such of the Property that is or may become fixtures. This Security Instrument constitutes a fixture filing in accordance with the Uniform Commercial Code. For this purpose, the respective addresses of Mortgagor, as debtor, and Mortgagee, as secured party, are as set forth in the preamble to this Security Instrument.

CONDITIONS TO GRANT

TO HAVE AND TO HOLD the above granted and described Property unto and to the use and benefit of Mortgagee and its successors and assigns, forever;

PROVIDED, HOWEVER, these presents are upon the express condition that, if Mortgagor shall well and truly pay and perform the Obligations (including the payment of the Debt) at the time and in the manner provided in this Mortgage, the Note, the Loan Agreement and the other Loan Documents, and shall well and truly abide by and comply with each and every covenant and condition set forth herein and in the Note, the Loan Agreement and the other Loan Documents, these presents and the estate hereby granted shall cease, terminate and be void; provided, however, that, subject to Section 9.06, Mortgagor's obligation to indemnify and hold harmless Mortgagee pursuant to the provisions hereof shall survive any such payment or release.

ARTICLE II.

DEBT AND OBLIGATIONS SECURED

Section 2.01 Obligations. This Mortgage and the grants, assignments and transfers made in Article I are given for the purpose of securing the Obligations, including, but not limited to, the Debt.

Section 2.02 Other Obligations. This Mortgage and the grants, assignments and transfers made in Article I are also given for the purpose of securing the following (collectively, the "**Other Obligations**"):

- (a) the performance of all other obligations of Mortgagor contained herein;
- (b) the performance of each obligation of Mortgagor contained in the Loan Agreement and in each other Loan Document; and
- (c) the performance of each obligation of Mortgagor contained in any renewal, extension, amendment, modification, consolidation, change of, or substitution or replacement for, all or any part of the Note, the Loan Agreement or any other Loan Document.

Section 2.03 Debt and Other Obligations. Mortgagor's obligations for the payment of the Debt and the performance of the Other Obligations shall be referred to collectively herein as the "**Obligations.**"

Section 2.04 Variable Interest Rate. The Loan secured by this Mortgage may be a variable interest rate loan if so provided in the Loan Agreement.

Section 2.05 Loan Repayment. Provided no Event of Default exists, this Mortgage will be satisfied and discharged of record by Mortgagee in accordance with the terms and provisions set forth in the Loan Agreement.

Section 2.06 Other Mortgages; No Election of Remedies.

(a) The Debt is now or may hereafter be secured by one or more other mortgages, deeds to secure debt, deeds of trust and other security agreements (collectively, as the same may be amended, restated, replaced, supplemented, extended, renewed or otherwise modified and in effect from time to time, are herein collectively called the "**Other Mortgages**"), which cover or will hereafter cover other properties that are or may be located in various states and in other Counties in the State (collectively, the "**Other Collateral**"). The Other Mortgages will secure the Debt and the performance of the other covenants and agreements of Mortgagor set forth in the Loan Documents. Upon the occurrence and during the continuance of an Event of Default, Mortgagee may proceed under this Mortgage and/or any or all the Other Mortgages against either the Property and/or any or all the Other Collateral in one or more parcels and in such manner and order as Mortgagee shall elect. Mortgagor hereby irrevocably waives and releases, to the extent permitted by law, and whether now or hereafter in force, any right to have the Property and/or the Other Collateral marshaled upon any foreclosure of this Mortgage or any Other Mortgage.

(b) Without limiting the generality of the foregoing, and without limitation as to any other right or remedy provided to Mortgagee in this Mortgage or the other Loan Documents, in the case and during the continuance of an Event of Default (i) Mortgagee shall have the right to

pursue all of its rights and remedies under this Mortgage and the Loan Documents, at law and/or in equity, in one proceeding, or separately and independently in separate proceedings from time to time, as Mortgagee, in its sole and absolute discretion, shall determine from time to time, (ii) Mortgagee shall not be required to either marshal assets, sell the Property and/or any Other Collateral in any particular order of alienation (and may sell the same simultaneously and together or separately), or be subject to any "one action" or "election of remedies" law or rule with respect to the Property and/or any Other Collateral, (iii) the exercise by Mortgagee of any remedies against any one item of Property and/or any Other Collateral will not impede Mortgagee from subsequently or simultaneously exercising remedies against any other item of Property and/or Other Collateral, (iv) all liens and other rights, remedies or privileges provided to Mortgagee herein shall remain in full force and effect until Mortgagee has exhausted all of its remedies against the Property and all Property has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Debt, and (v) Mortgagee may resort for the payment of the Debt to any security held by Mortgagee in such order and manner as Mortgagee, in its discretion, may elect and Mortgagee may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Mortgagee thereafter to foreclose this Mortgage.

(c) Without notice to or consent of Mortgagor and without impairment of the lien and rights created by this Mortgage, Mortgagee may, at any time (in its sole and absolute discretion, but Mortgagee shall have no obligation to), execute and deliver to Mortgagor a written instrument releasing all or a portion of the lien of this Mortgage as security for any or all of the Obligations now existing or hereafter arising under or in respect of the Note, the Loan Agreement and each of the other Loan Documents, whereupon following the execution and delivery by Mortgagee to Mortgagor of any such written instrument of release, this Mortgage shall no longer secure such Obligations so released.

ARTICLE III

MORTGAGOR COVENANTS

Mortgagor covenants and agrees that throughout the term of the Loan:

Section 3.01 Payment of Debt. Mortgagor will pay the Debt at the time and in the manner provided in the Loan Agreement, the Note and this Mortgage.

Section 3.02 Incorporation by Reference. All the covenants, conditions and agreements contained in (a) the Loan Agreement, (b) the Note, and (c) all and any of the other Loan Documents, are hereby made a part of this Mortgage to the same extent and with the same force as if fully set forth herein. In the event of any inconsistency between any of the terms of this Mortgage (including the terms of Section 1.03 herein) and the Loan Agreement, the terms of the Loan Agreement shall control. Without limiting the generality of the foregoing, Mortgagor (i) agrees to insure, repair, maintain and restore damage to the Property, pay Taxes and Other Charges assessed against the Property, and comply with Legal Requirements, in accordance with the Loan Agreement, and (ii) agrees that the proceeds of insurance and condemnation awards shall be settled, held, applied and/or disbursed in accordance with the Loan Agreement.

Section 3.03 Performance of Other Agreements. Mortgagor shall observe and perform each and every term, covenant and provision to be observed or performed by Mortgagor pursuant to the Loan Agreement, any other Loan Document and any other agreement or recorded instrument affecting or pertaining to the Property, and any amendments, modifications or changes thereto.

ARTICLE IV.

OBLIGATIONS AND RELIANCES

Section 4.01 Relationship of Mortgagor and Mortgagee. The relationship between Mortgagor and Mortgagee is solely that of debtor and creditor, and Mortgagee has no fiduciary or other special relationship with Mortgagor, and no term or condition of any of the Loan Agreement, the Note, this Mortgage or the other Loan Documents shall be construed so as to deem the relationship between Mortgagor and Mortgagee to be other than that of debtor and creditor.

Section 4.02 No Reliance on Mortgagee. The general partners, members, principals and (if Mortgagor is a trust) beneficial owners of Mortgagor, as applicable, are experienced in the ownership and operation of properties similar to the Property, and Mortgagor and Mortgagee are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Mortgagor is not relying on Mortgagee's expertise, business acumen or advice in connection with the Property.

Section 4.03 No Mortgagee Obligations.

(a) Notwithstanding the provisions of Subsections 1.01(h) and (m) or Section 1.02, Mortgagee is not undertaking the performance of (i) any obligations under the Leases, or (ii) any obligations with respect to any other agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses or other documents.

(b) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Mortgagee pursuant to this Mortgage, the Loan Agreement, the Note or the other Loan Documents, including, without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal or insurance policy, Mortgagee shall not be deemed to have warranted, consented to, or affirmed the sufficiency, legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Mortgagee.

Section 4.04 Reliance. Mortgagor recognizes and acknowledges that in accepting the Loan Agreement, the Note, this Mortgage and the other Loan Documents, Mortgagee is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Article V of the Loan Agreement without any obligation to investigate the Property and notwithstanding any investigation of the Property by Mortgagee; that such reliance existed on the part of Mortgagee prior to the date hereof; that the warranties and representations are a material inducement to Mortgagee in making the Loan; and that Mortgagee would not be willing to make the Loan and accept this Mortgage in the absence of the warranties and representations as set forth in Article V of the Loan Agreement.

ARTICLE V.

FURTHER ASSURANCES

Section 5.01 Recording of Mortgage, Etc. Mortgagor forthwith upon the execution and delivery of this Mortgage and thereafter, from time to time, will cause this Mortgage and any of the other Loan Documents creating a Lien or security interest or evidencing the Lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the Lien or security interest hereof upon, and the interest of Mortgagee in, the Property. Mortgagor will pay all taxes, filing, registration or recording fees, and all expenses incident to the preparation, execution, acknowledgment and/or recording of the Note, this Mortgage, the other Loan Documents, any note, deed to secure debt, deed of trust or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of any of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Mortgage, any deed of trust, deed to secure debt or mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of any of the foregoing documents, except where prohibited by law so to do.

Section 5.02 Further Acts, Etc. Mortgagor will, at the cost of Mortgagor, and without expense to Mortgagee, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, deeds of trust, deeds to secure debt, mortgages, assignments, notices of assignments, transfers and assurances as Mortgagee shall, from time to time, reasonably require, for the better assuring, conveying, assigning, transferring, and confirming unto Mortgagee the Property and rights hereby mortgaged, deeded, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred or intended now or hereafter so to be, or which Mortgagor may be or may hereafter become bound to convey or assign to Mortgagee, or for carrying out the intention or facilitating the performance of the terms of this Mortgage or for filing, registering or recording this Mortgage, or for complying with all Legal Requirements. Mortgagor, on demand, will execute and deliver, and in the event it shall fail to so execute and deliver, hereby authorizes Mortgagee to execute in the name of Mortgagor or without the signature of Mortgagor to the extent Mortgagee may lawfully do so, one or more financing statements to evidence more effectively the security interest of Mortgagee in the Property and the Collateral. Financing statements to be filed with the Secretary of State of the State in which the Mortgagor is organized may describe as the collateral covered thereby "all assets of the debtor, whether now owned or hereafter acquired" or words to that effect, notwithstanding that such collateral description may be broader in scope than the collateral described herein. Mortgagee shall provide Mortgagor with copies of any notices and/or instruments of filings executed by Mortgagee in accordance with the immediately preceding sentence. Mortgagor grants to Mortgagee an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Mortgagee at law and in equity, including, without limitation, such rights and remedies available to Mortgagee pursuant to this Section 5.02. Notwithstanding anything to the contrary in the immediately preceding sentence, Mortgagee shall not execute any documents as attorney in fact for Mortgagor unless (i) Mortgagor shall have failed or refused to execute the same within five (5) days after delivery of Mortgagee's request to Mortgagor or (ii) an Event of Default is continuing.

Section 5.03 Changes in Tax, Debt, Credit and Documentary Stamp Laws.

(a) If any law is enacted or adopted or amended after the date of this Mortgage which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Mortgagee's interest in the Property, Mortgagor will pay the tax, with interest and penalties thereon, if any (it being understood that nothing hereunder shall require Mortgagor to pay any income or franchise tax imposed on Mortgagee by reason of Mortgagee's interest in the Property). If Mortgagee is advised by counsel chosen by it that the payment of tax by Mortgagor would be unlawful or taxable to Mortgagee or unenforceable or provide the basis for a defense of usury, then Mortgagee shall have the option, by written notice to Mortgagor, to declare the Debt due and payable no earlier than one hundred twenty (120) days following such notice.

(b) Mortgagor will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Mortgage or the Debt. If such claim, credit or deduction shall be required by law, Mortgagee shall have the option, by written notice to Mortgagor, to declare the Debt due and payable no earlier than one hundred twenty (120) days following such notice.

(c) If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, this Mortgage, or any of the other Loan Documents or shall impose any other tax or charge on the same, Mortgagor will pay for the same, with interest and penalties thereon, if any.

ARTICLE VI**DUE ON SALE/ENCUMBRANCE**

Section 6.01 Mortgagee Reliance. Mortgagor acknowledges that Mortgagee has examined and relied on the experience of Mortgagor and its general partners, members, principals and (if Mortgagor is a trust) beneficial owners in owning and operating properties such as the Property in agreeing to make the Loan, and will continue to rely on Mortgagor's ownership of the Property as a means of maintaining the value of the Property as security for the payment and performance of the Obligations, including the repayment of the Debt. Mortgagor acknowledges that Mortgagee has a valid interest in maintaining the value of the Property so as to ensure that, should Mortgagor default in the payment and/or performance of the Obligations, including the repayment of the Debt, Mortgagee can recover the Debt by a sale or foreclosure of the Property or other sale permitted by applicable law as to the Personal Property, Equipment or Fixtures.

Section 6.02 No Transfer. Mortgagor shall not permit or suffer any Transfer to occur except in accordance with the terms of the Loan Agreement.

ARTICLE VII.**RIGHTS AND REMEDIES UPON DEFAULT**

Section 7.01 Remedies. Upon the occurrence and during the continuance of any Event of Default, Mortgagor agrees that Mortgagee may take such action, without notice or demand, as it deems advisable to protect and enforce its rights against Mortgagor and in and to the Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Mortgagee:

- (a) declare the entire unpaid Debt to be immediately due and payable;
- (b) institute proceedings, judicial or otherwise, for the complete or partial foreclosure of this Mortgage under any applicable provision of law, in which case the Property or any interest therein may be sold for cash or upon credit in one or more parcels or in several interests or portions and in any order or manner;
- (c) with or without entry, to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Mortgage for the portion of the Debt then due and payable, subject to the continuing lien and security interest of this Mortgage for the balance of the Obligations not then due, unimpaired and without loss of priority;
- (d) to the extent permitted by applicable law, sell for cash or upon credit the Property or any part thereof and all estate, claim, demand, right, title and interest of Mortgagor therein and rights of redemption thereof, pursuant to power of sale or otherwise, at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof, all as may be required or permitted by law; and, without limiting the foregoing:
- (i) In connection with any sale or sales hereunder, Mortgagee shall be entitled to elect to treat any of the Property which consists of (x) a right in action, or (y) property that can be severed from the Real Property covered hereby, or (z) any Improvements (without causing structural damage thereto), as if the same were personal property, and dispose of the same in accordance with applicable law, separate and apart from the sale of the Real Property. Where the Property consists of Real Property, Personal Property, Equipment or Fixtures, whether or not such Personal Property or Equipment is located on or within the Real Property, Mortgagee shall be entitled to elect to exercise its rights and remedies against any or all of the Real Property, Personal Property, Equipment and Fixtures in such order and manner as is now or hereafter permitted by applicable law;
- (ii) To the extent permitted by applicable law, Mortgagee shall be entitled to elect to proceed against any or all of the Real Property, Personal Property, Equipment and Fixtures in any manner permitted under applicable law; and if Mortgagee so elects pursuant to applicable law, the power of sale herein granted shall be exercisable (to the extent permitted by applicable law) with respect to all or any of the Real Property, Personal Property, Equipment and Fixtures covered hereby, as designated by Mortgagee and Mortgagee is hereby authorized and empowered to conduct any such sale of any Real Property, Personal Property, Equipment and Fixtures in accordance with applicable law;

(iii) To the extent permitted by applicable law, should Mortgagee elect to sell any portion of the Property which is Real Property or which is Personal Property, Equipment or Fixtures that the Mortgagee has elected under applicable law to sell together with Real Property in accordance with the laws governing a sale of the Real Property, Mortgagee shall give such notice of the occurrence of an Event of Default, if any, and its election to sell such Property, each as may then be required by law. Thereafter, upon the expiration of such time and the giving of such notice of sale as may then be required by law, subject to the terms hereof and of the other Loan Documents, and, to the extent permitted by applicable law, without the necessity of any demand on Mortgagor, Mortgagee at the time and place specified in the notice of sale, shall sell such Real Property or part thereof at public auction to the highest bidder for cash in lawful money of the United States of America. Mortgagee may from time to time postpone any sale hereunder by public announcement thereof at the time and place noticed for any such sale; and

(iv) If the Property consists of several lots, parcels or items of property, Mortgagee shall, subject to applicable law, (A) designate the order in which such lots, parcels or items shall be offered for sale or sold, or (B) elect to sell such lots, parcels or items through a single sale, or through two or more successive sales, or in any other manner Mortgagee designates and Mortgagor waives any right to require otherwise. Any Person, including Mortgagor or Mortgagee, may purchase at any sale hereunder. Should Mortgagee desire that more than one sale or other disposition of the Property be conducted, Mortgagee shall, subject to applicable law, cause such sales or dispositions to be conducted simultaneously, or successively, on the same day, or at such different days or times and in such order as Mortgagee may designate, and no such sale shall terminate or otherwise affect the Lien of this Mortgage on any part of the Property not sold until all the Obligations have been satisfied in full. In the event Mortgagee elects to dispose of the Property through more than one sale, except as otherwise provided by applicable law, Mortgagor agrees to pay the costs and expenses of each such sale and of any judicial proceedings wherein such sale may be made;

(e) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein, in the Note, in the Loan Agreement or in the other Loan Documents;

(f) recover judgment on the Note either before, during or after any proceedings for the enforcement of this Mortgage or the other Loan Documents;

(g) apply for the appointment of a receiver, trustee, liquidator or conservator of the Property, without notice and without regard for the adequacy of the security for the Debt and without regard for the solvency of Mortgagor, any guarantor or indemnitor with respect to the Loan or any Person otherwise liable for the payment of the Debt or any part thereof, and Mortgagor hereby irrevocably consents to such appointment;

(h) subject to applicable law and Section 15.02 hereof, the license granted to Mortgagor under Section 1.02 hereof shall automatically be revoked and Mortgagee may enter into or upon the Property, either personally or by its agents, nominees or attorneys and dispossess Mortgagor and its agents and servants therefrom, without liability for trespass, damages or otherwise and exclude Mortgagor and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Mortgagor agrees to surrender possession

of the Property and of such books, records and accounts to Mortgagee upon demand, and thereupon Mortgagee may do such acts and things as Mortgagee deems necessary or desirable to protect the security hereof, including without limitation, (i) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat on such terms and for such period of time as Mortgagee may deem proper; (ii) complete any construction on the Property in such manner and form as Mortgagee deems advisable; (iii) make alterations, additions, renewals, replacements and improvements to or on the Property; (iv) exercise all rights and powers of Mortgagor with respect to the Property, whether in the name of Mortgagor or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants and demand, sue for or otherwise collect and receive all Rents and all sums due under all Lease Guaranties, including, without limitation, those past due and unpaid; (v) require Mortgagor to pay monthly in advance to Mortgagee, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be occupied by Mortgagor; (vi) require Mortgagor to vacate and surrender possession of the Property to Mortgagee or to such receiver and, in default thereof, Mortgagor may be evicted by summary proceedings or otherwise; and (vii) apply the receipts from the Property to the payment and performance of the Obligations (including, without limitation, the payment of the Debt), in such order, priority and proportions as Mortgagee shall deem appropriate in its sole discretion after deducting therefrom all expenses (including reasonable attorneys' fees and costs) incurred in connection with the aforesaid operations and all amounts necessary to pay the Taxes or Other Charges assessed against the Property, insurance premiums, other expenses and Capital Expenditures incurred in connection with the Property, as well as just and reasonable compensation for the services of Mortgagee, its counsel, agents and employees;

(i) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing: (i) the right to take possession of the Fixtures, the Equipment and/or the Personal Property, or any part thereof, and to take such other measures as Mortgagee may deem necessary for the care, protection and preservation of the Fixtures, the Equipment and the Personal Property, and (ii) request Mortgagor, at its sole cost and expense, to assemble the Fixtures, the Equipment and/or the Personal Property and make it available to Mortgagee at a convenient place acceptable to Mortgagee. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Fixtures, the Equipment and/or the Personal Property sent to Mortgagor in accordance with the provisions hereof at least ten (10) days prior to such action, shall constitute commercially reasonable notice to Mortgagor;

(j) apply any sums then deposited or held in escrow or otherwise by or on behalf of Mortgagee in accordance with the terms of the Loan Agreement, this Mortgage or any other Loan Document to the payment of the following items in any order in its sole discretion:

- (i) Taxes and Other Charges assessed against the Property;
- (ii) Insurance premiums;
- (iii) Other expenses and Capital Expenditures incurred in connection

with the Property;

- (iv) Interest on the unpaid principal balance of the Note;
- (v) Amortization of the unpaid principal balance of the Note; and/or
- (vi) All other sums payable pursuant to the Note, the Loan Agreement, this Mortgage and the other Loan Documents, including, without limitation, the Release Price, if applicable, and advances made by Mortgagee pursuant to the terms of this Mortgage;
- (k) pursue such other remedies as may be available to Mortgagee at law or in equity; and/or
- (l) apply the undisbursed balance of any escrow or other deposits held by or on behalf of the Mortgagee with respect to the Property, to the payment of the Debt in such order, priority and proportions as Mortgagee shall deem to be appropriate in its sole discretion.

In the event of a sale, by foreclosure, power of sale or otherwise, of less than all of Property, this Mortgage shall continue as a Lien and security interest on the remaining portion of the Property unimpaired and without loss of priority.

The exercise by Mortgagee of its rights granted under this Section 7.01 and the collection of the Rents and the sums due under the Lease Guaranties and the application thereof as provided in the Loan Documents shall not be considered a waiver of any Default or Event of Default under the Note, the Loan Agreement, this Mortgage or the other Loan Documents.

Section 7.02 Application of Proceeds. The purchase money proceeds and avails of any disposition of the Property or any part thereof, or any other sums collected by Mortgagee pursuant to the Note, this Mortgage or the other Loan Documents, may be applied by Mortgagee to the payment of the Obligations in such priority and proportions as Mortgagee in its discretion shall deem proper, to the extent consistent with law.

Section 7.03 Right to Cure Defaults. During the continuance of any Event of Default, Mortgagee may, but without any obligation to do so and without notice to or demand on Mortgagor and without releasing Mortgagor from any obligation hereunder, perform the obligations in Default in such manner and to such extent as Mortgagee may deem necessary to protect the security hereof. Mortgagee is authorized to enter upon the Property for such purposes or appear in, defend or bring any action or proceeding to protect its interest in the Property, to foreclose this Mortgage or collect the Debt, and to make any protective advances that Mortgagee may deem necessary to protect the security hereof, and the cost and expense of any of the foregoing (including reasonable attorneys' fees and disbursements to the extent permitted by law), with interest thereon at the Default Rate for the period after notice from Mortgagee that such cost or expense was incurred to the date of payment to Mortgagee, shall constitute a portion of the Debt, shall be secured by this Mortgage and the other Loan Documents and shall be due and payable to Mortgagee upon demand.

Section 7.04 Other Rights, Etc.

(a) The failure of Mortgagee to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Mortgage. Mortgagor shall not be relieved of Mortgagor's obligations hereunder by reason of (i) the failure of Mortgagee to comply

with any request of Mortgagor or any guarantor or indemnitor with respect to the Loan to take any action to foreclose this Mortgage or otherwise enforce any of the provisions hereof or of the Note or the other Loan Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any Person liable for the Obligations or any portion thereof, or (iii) any agreement or stipulation by Mortgagee extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Mortgage or the other Loan Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Mortgagor, and Mortgagee shall have no liability whatsoever for any decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Mortgagee shall not be deemed an election of judicial relief if any such possession is requested or obtained, with respect to any Property or collateral not in Mortgagee's possession.

(c) Mortgagee may resort for the payment and performance of the Obligations (including, but not limited to, the payment of the Debt) to any other security held by Mortgagee in such order and manner as Mortgagee, in its discretion, may elect. Mortgagee may take action to recover the Debt, or any portion thereof, or to enforce the Other Obligations or any covenant hereof, without prejudice to the right of Mortgagee thereafter to enforce any remedy hereunder or under applicable law against Mortgagor, including the right to foreclose this Mortgage. The rights of Mortgagee under this Mortgage shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Mortgagee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Mortgagee shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 7.05 Right to Release Any Portion of the Property. Mortgagee may release any portion of the Property for such consideration as Mortgagee may require without, as to the remainder of the Property, in any way impairing or affecting the Lien or priority of this Mortgage, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the Debt shall have been reduced by the actual monetary consideration, if any, received by Mortgagee for such release, and Mortgagee may accept by assignment, pledge or otherwise any other property in place thereof as Mortgagee may require without being accountable for so doing to any other lienholder. This Mortgage shall continue as a Lien and security interest in the remaining portion of the Property.

Section 7.06 Right of Entry. Subject to the rights of Tenants and upon reasonable prior notice to Mortgagor, Mortgagee and its agents shall have the right to enter and inspect the Property at all reasonable times.

ARTICLE VIII.

INDEMNIFICATION

Section 8.01 Mortgage and/or Intangible Tax. Mortgagor shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless Mortgagee and any Person claiming by or through Mortgagee (collectively with Mortgagee, the "*Indemnified Parties*") and

each, an "*Indemnified Party*") from and against any and all losses, damages, costs, fees, expenses, claims, suits, judgments, awards, liabilities, obligations, debts, fines, penalties or charges imposed upon or incurred by or asserted against any Indemnified Party and directly or indirectly arising out of or in any way relating to any mortgage, recording, stamp, intangible or other similar taxes required to be paid by any Indemnified Party under applicable Legal Requirements in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of this Mortgage or any of the Loan Documents (but excluding any income, franchise or other similar taxes).

Section 8.02 No Liability to Mortgagee. This Mortgage shall not be construed to bind Mortgagee to the performance of any of the covenants, conditions or provisions contained in any Lease or Lease Guaranty or otherwise impose any obligation upon Mortgagee with respect to the Leases. Mortgagee shall not be liable for any loss sustained by Mortgagor resulting from Mortgagee's failure to let the Property after an Event of Default or from any other act or omission of Mortgagee in managing the Property after an Event of Default unless such loss is caused by the willful misconduct, bad faith or gross negligence of Mortgagee. Mortgagee shall not be obligated to perform or discharge any obligation, duty or liability under the Leases or any Lease Guaranties or under or by reason of this Mortgage and Mortgagor shall indemnify Mortgagee for, and hold Mortgagee harmless from and against, (a) any and all liability, loss or damage which may or might be incurred under the Leases, any Lease Guaranties or under or by reason of this Mortgage, and (b) any and all claims and demands whatsoever, including the defense of any such claims or demands which may be asserted against Mortgagee by reason of any alleged obligations and undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases or any Lease Guaranties, unless caused by the willful misconduct or bad faith of Mortgagee. Should Mortgagee incur any such liability, the amount thereof, including costs, expenses and reasonable attorneys' fees and costs, shall be secured by this Mortgage and by the other Loan Documents and Mortgagor shall reimburse Mortgagee therefor within seven (7) Business Days after demand therefor and upon the failure of Mortgagor so to do Mortgagee may, at its option, declare the Obligations to be immediately due and payable. This Mortgage shall not operate to place any obligation or liability for the control, care, management or repair of the Property upon Mortgagee, nor for the carrying out of any of the terms and conditions of the Leases or any Lease Guaranties; nor shall it operate to make Mortgagee responsible or liable for any waste committed on the Property by the tenants or any other parties, or for any dangerous or defective condition of the Property, including, without limitation, the presence of any Hazardous Substances (as defined in the Environmental Indemnity), or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger.

Section 8.03 Duty to Defend; Attorneys' Fees and Other Fees and Expenses. In connection with any indemnification obligations of Mortgagor hereunder, upon written request by any Indemnified Party, Mortgagor shall defend such Indemnified Party (if requested by any Indemnified Party, in the name of the Indemnified Party) by attorneys and other professionals reasonably approved by the Indemnified Parties. Notwithstanding the foregoing, if the defendants in any such claim or proceeding include both Mortgagor and any Indemnified Party and Mortgagor and such Indemnified Party shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Parties that are different from or in addition to those available to Mortgagor, such Indemnified Party shall have the right to select separate counsel to

assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Party. Upon demand, Mortgagor shall pay or, in the sole and absolute discretion of any Indemnified Party, reimburse, such Indemnified Party for the payment of the reasonable fees and disbursements of attorneys, engineers, environmental consultants, laboratories and other professionals in connection therewith.

ARTICLE IX.

WAIVERS

Section 9.01 Waiver of Counterclaim. To the extent permitted by applicable law, Mortgagor hereby waives the right to assert a counterclaim, other than a mandatory or compulsory counterclaim, in any action or proceeding brought against it by Mortgagee arising out of or in any way connected with this Mortgage, the Loan Agreement, the Note, any of the other Loan Documents or the Obligations.

Section 9.02 Marshaling and Other Matters. To the extent permitted by applicable law, Mortgagor hereby waives the benefit of all appraisal, valuation, stay, extension, reinstatement and redemption laws now or hereafter in force and all rights of marshaling in the event of any sale hereunder of the Property or any part thereof or any interest therein. Further, to the extent permitted by applicable law, Mortgagor hereby expressly waives any and all rights of redemption from sale under any order or decree of foreclosure of this Mortgage on behalf of Mortgagor, and on behalf of each and every Person acquiring any interest in or title to the Property subsequent to the date of this Mortgage.

Section 9.03 Waiver of Notice. To the extent permitted by applicable law, Mortgagor shall not be entitled to any notices of any nature whatsoever from Mortgagee, except with respect to matters for which this Mortgage or the Loan Documents specifically and expressly provide for the giving of notice by Mortgagee to Mortgagor, and except with respect to matters for which Mortgagee is required by applicable law to give notice, and Mortgagor hereby expressly waives the right to receive any notice from Mortgagee with respect to any matter for which this Mortgage or any of the other Loan Documents does not specifically and expressly provide for the giving of notice by Mortgagee to Mortgagor.

Section 9.04 Waiver of Statute of Limitations. To the extent permitted by applicable law, Mortgagor hereby expressly waives and releases its right to plead any statute of limitations as a defense to the payment and performance of the Obligations (including, without limitation, the payment of the Debt).

Section 9.05 Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, MORTGAGOR HEREBY AGREES NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND FOREVER WAIVES ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST, WITH REGARD TO THE NOTE, THIS MORTGAGE OR THE OTHER LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND

VOLUNTARILY BY MORTGAGOR AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. MORTGAGEE IS HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER BY MORTGAGOR.

Section 9.06 Survival. Except as otherwise set forth in the other Loan Documents, the indemnifications made pursuant to Article VIII herein and the representations and warranties, covenants, and other obligations arising under the Loan Documents, shall continue indefinitely in full force and effect and shall survive and shall in no way be impaired by (a) any satisfaction, release, or other termination of this Mortgage or any other Loan Document, (b) any assignment or other transfer of all or any portion of this Mortgage or any other Loan Document or Mortgagee's interest in the Property (but, in such case, such indemnifications shall benefit both the Indemnified Parties and any such assignee or transferee), (c) any exercise of Mortgagee's rights and remedies pursuant hereto, including, but not limited to, foreclosure or acceptance of a deed in lieu of foreclosure, any exercise of any rights and remedies pursuant to the Loan Agreement, the Note or any of the other Loan Documents, any transfer of all or any portion of the Property (whether by Mortgagor or by Mortgagee following foreclosure or acceptance of a deed in lieu of foreclosure or at any other time), (d) any amendment to this Mortgage, the Loan Agreement, the Note or any other Loan Document, and/or (e) any act or omission that might otherwise be construed as a release or discharge of Mortgagor from the Obligations or any portion thereof. Notwithstanding the foregoing or anything to the contrary set forth herein, in no event shall Mortgagor be obligated to defend or indemnify any Indemnified Party for any damages, losses, claims and liabilities directly resulting from the gross negligence, bad faith or willful misconduct of such Indemnified Party.

Section 12.03 Provisions Subject to Applicable Law. All rights, powers and remedies provided in this Mortgage may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of law and are intended to be limited to the extent necessary so that they will not render this Mortgage invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law. Section 15.02 Use of Proceeds. (b) If any provision of this Mortgage shall grant to Mortgagee any rights or remedies upon default of Mortgagor which are more limited than the rights that would otherwise be vested in Mortgagee under the Foreclosure Act in the absence of said provision, Mortgagee shall be vested with the rights granted in the Foreclosure Act to the full extent permitted by law.

(c) Without limiting the generality of the foregoing, all expenses incurred by the Mortgagee to the extent reimbursable under Sections 15-1510 and 15-1512 of the Foreclosure Act, whether incurred before or after any decree or judgment of foreclosure, and whether enumerated in this Mortgage, shall be added to the indebtedness secured by this Mortgage or by the judgment of foreclosure.

(d) In addition to any provision of this Mortgage authorizing Mortgagee to take or be placed in possession of the Property, or for the appointment of a receiver, Mortgagee shall have the right, in accordance with Sections 15-1701 and 15-1702 of the Foreclosure Act, to be placed in the possession of the Property or at its request to have a receiver appointed, and such receiver, or Mortgagee, if and when placed in possession, shall have, in addition to any other powers provided in this Mortgage, all rights, powers, immunities, and duties and provisions for in Sections 15-1701, 15-1703 and 15-1704 of the Foreclosure Act.

Section 15.08 Collateral Protection Act. Pursuant to the terms of the Collateral Protection Act, 815 ILCS 180/1 et seq., Mortgagor is hereby notified that unless Mortgagor provides Mortgagee with evidence of the insurance coverage required by this Mortgage, Mortgagee may purchase insurance at Mortgagor's expense to protect Mortgagee's interests in the Property, which insurance may, but need not, protect the interests of Mortgagor. The coverage purchased by Mortgagee may not pay any claim made by Mortgagor or any claim made against Mortgagor in connection with the Property. Mortgagor may later cancel any insurance purchased by Mortgagee, but only after providing Mortgagee with evidence that Mortgagor has obtained the insurance as required hereunder. If Mortgagee purchases insurance for the Property, the Mortgagor will be responsible for the costs of such insurance, including interest and any Other

Charges imposed in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the Obligations secured hereby. The costs of such insurance may be greater than the cost of insurance Mortgagee may be able to obtain for itself.

Section 15.09 Protective Advances. All advances, disbursements and expenditures made by Mortgagee before and during a foreclosure, and before and after judgment of foreclosure, and at any time prior to sale, and, where applicable, after sale, and during the pendency of any related proceedings authorized by this Mortgage or by the Foreclosure Act (collectively, "**Protective Advances**"), shall have the benefit of all applicable provisions of the Foreclosure Act. All Protective Advances shall be so much additional indebtedness secured by this Mortgage, and shall become immediately due and payable without notice and with interest thereon from the date of the advance until paid at the rate due and payable after an Event of Default under the terms of the Note. This Mortgage shall be a lien for all Protective Advances as to subsequent purchasers and judgment creditors from the time this Mortgage is recorded pursuant to Subsection (b) of Section 5/15-1302 of the Foreclosure Act. All Protective Advances shall, except to the extent, if any, that any of the same is clearly contrary to or inconsistent with the provisions of the Foreclosure Act, apply to and be included in:

- (a) determination of the amount of indebtedness secured by this Mortgage at any time;
- (b) the indebtedness found due and owing to Mortgagee in the judgment of foreclosure and any subsequent supplemental judgments, orders, adjudications or findings by the court of any additional indebtedness becoming due after such entry of judgment, it being agreed that in any foreclosure judgment, the court may reserve jurisdiction for such purpose;
- (c) if right of redemption has not been waived by the Mortgagor in this Mortgage, computation of amount required to redeem, pursuant to Subsections (d)(2) and (e) of Section 5/15-1603 of the Foreclosure Act;
- (d) determination of amount deductible from sale proceeds pursuant to Section 5/15-1512 of the Foreclosure Act;
- (e) application of income in the hands of any receiver or Mortgagee in possession; and
- (f) computation of any deficiency judgment pursuant to Subsections (b)(2) and (e) of Sections 5/15-1508 and Section 5/15-1511 of the Foreclosure Act.

Section 15.10 Waiver of Rights of Redemption and Reinstatement. Mortgagor shall not and will not apply for or avail itself of any appraisal, valuation, stay, extension or exemption laws, or any so called "Moratorium Laws," now existing or hereafter enacted, in order to prevent or hinder the enforcement of any rights or remedies of Mortgagee under this Mortgage, but hereby waives the benefit of such laws and the benefit of any homestead or other exemptions which it may now or hereafter from time to time have with respect to the Property or the Obligations. Mortgagor for itself and all creditors, mortgagees, trustees, lienholders and other persons or entities who may claim through or under it waives any and all right to have the property

and estates comprising the Property, or any part thereof, marshaled upon any foreclosure or other disposition (whether or not the entire Property be sold as a unit, and whether or not any parcels thereof be sold as a unit or separately) of any kind or nature of the Property, or any part thereof, or interest therein, and agrees that any court having jurisdiction to foreclose or otherwise enforce the liens granted and security interests created by this Mortgage may order the Property sold as an entirety. On behalf of Mortgagor, and each and every person acquiring any interest in, or title to the Property described herein subsequent to the date of this Mortgage, and on behalf of all other persons to the maximum extent permitted by applicable law, Mortgagor hereby waives any and all rights (x) of redemption from any foreclosure, or other disposition of any kind or nature of the Property, or any part thereof, or interest therein, under or pursuant to rights herein granted to Mortgagee, and (y) to reinstatement of the indebtedness hereby secured, including, without limitation, any right to reverse any acceleration of such indebtedness pursuant to 735 ILCS 5/15-1602. Mortgagor further waives and releases (a) all errors, defects, and imperfections in any proceedings instituted by Mortgagee under the Note, this Mortgage, or any of the Loan Documents, (b) all benefits that might accrue to the Mortgagor by virtue of any present or future laws exempting the Property or any part of the proceeds arising from any sale thereof, from attachment, levy, or sale under civil process, or extension, exemption from civil process, or extension of time for payment, and (c) all notices not specifically required by this Mortgage of default, or of Mortgagee's exercise, or election to exercise, any option under this Mortgage. All waivers by Mortgagor in this Mortgage have been made voluntarily, intelligently and knowingly by Mortgagor after Mortgagor has been afforded an opportunity to be informed by counsel of Mortgagor's choice as to possible alternative rights. Mortgagor's execution of this Mortgage shall be conclusive evidence of the making of such waivers and that such waivers have been voluntarily, intelligently and knowingly made.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on May 21st, 2015. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Eight Hundred Fifty-Five Thousand and 00/100 Dollars (U.S. \$855,000.00). This debt is evidenced by Borrower's notes dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable June 1st, 2017. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-32-108-019-0000

which has the address of 8000 S Justine St. Chicago, IL 60620 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on June 19th, 2015. The mortgage is a Residence Mortgage ("Mortgage") given to Equity Build Finance, LLC ("Lender").

This Security Instrument is given to The Person listed on Exhibit A to the Mortgage ("Mortgage") given to Equity Build Finance, LLC whose address is 5001 West Plano Pkwy., #300 Plano, TX 75093 ("Lender").

This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extensions and modifications; (b) the payment of all other sums, with interest, advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. BORROWER HEREBY WARRANTS that the title to the Property is free of all liens and encumbrances and has the right to mortgage, lease and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with stated variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any balance paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any acceleration of payments to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or come in unsafe. If the Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

nt #: 618-1 Filed: 01/24/20 Pa

4. **Enforcement Remedies.** Lender hereby acknowledges that it is necessary to enforce the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, or condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successors and Assigns Bound, Joint and Several Liability, Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by the Security Instrument; and (c) agrees that Lender and any other Borrower may agree to amend, modify, waive or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in the Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of the Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one confirmed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial interest in Borrower.** If all or any part of this Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice in accordance with the notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument; if Borrower fails to pay these sums prior to the expiration of the period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-RESIDENT GOVERNMENTS, Borrower and Lender further covenant and agree as follows:

10. Release Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 293, as amended by 1968 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and proceeds of all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any event. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-233, MSA 26.1137(1)-(3), and 1968 PA 151 and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or lessee. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of these acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail if Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income. Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with power that the court making the appointment may confer. Mortgagor shall at no time collect advance rent or income of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagor in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in the Security Instrument and in any rider(s) executed by Borrower and recorded with it.

NONPOWER COVENANTS shall constitute a security interest in the real property described herein and shall constitute a lien on the Property and that the Property is unincumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for National use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT: Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter incurred on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sum secured by the Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by the Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments, referred to in paragraphs 1 and 2 or change the amount of the payments, if under paragraph 19 the property is acquired by Lender. Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by the Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property, Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or come in worse, if this Security Instrument is on a leasehold. Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees in the merger or selling.

4. In addition to Lender's Remedies in this Security Instrument, Lender and Borrower shall do nothing to prevent the creation and enforcement of other liens or Security Instruments, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute this Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forgive or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Borrower's Copy. Borrower shall be given one completed copy of the Note and of this Security Instrument.

9. Transfer of the Property or a beneficial interest in Borrower. If all or any part of the Property (or any interest in it) is sold or transferred (or if a beneficial interest in Borrower is sold or transferred) and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if it is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. This notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice or demand on Borrower.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on May 15th, 2015. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Seven Hundred Fifty-Nine Thousand and 00/100 Dollars (U.S. \$759,000.00). This debt is evidenced by Borrower's notes dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable May 1st, 2017. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-35-122-020-0000

which has the address of 8214 S Ingleside Ave. Chicago, IL 60619 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

It is hereby acknowledged and agreed that Mortgagor has granted a security interest to Mortgagee in the Account Collateral pursuant to the Loan Agreement. Notwithstanding anything to the contrary contained herein, Mortgagee's security interest in the Account Collateral shall be governed by the Loan Agreement and not this Mortgage.

Section 1.02 Assignment of Rents.

(a) Mortgagor hereby absolutely and unconditionally assigns to Mortgagee all of Mortgagor's right, title and interest in and to all current and future Leases, Rents, Lease Guaranties and Bankruptcy Claims; it being intended by Mortgagor that this assignment constitutes a present, absolute assignment and not an assignment for additional security only. Nevertheless, subject to any applicable deposit account control agreement, the Loan Agreement and the terms of this Mortgage, Mortgagee grants to Mortgagor, so long as no Event of Default has occurred and is continuing, a revocable license to (and Mortgagor shall have the right to) collect, receive, use and enjoy the Rents, as well as any sums due under the Lease Guaranties. Mortgagor shall hold the Rents, as well as all sums received pursuant to any Lease Guaranty, or a portion thereof sufficient to discharge all current sums due on the Debt, in trust for the benefit of Mortgagee for use in the payment of such sums. This assignment is effective without any further or supplemental assignment documents.

(b) Mortgagor hereby authorizes and directs the lessees named in the Leases, any other future lessees or occupants of the Real Property and all Lease Guarantors to pay over to Mortgagee or to such other party as Mortgagee directs all Rents and all sums due under any Lease Guaranties, upon such lessee's receipt from Mortgagee of written notice to the effect that Mortgagee is then the holder of this assignment. Such Rents shall be disbursed and/or applied in accordance with the terms of the Loan Agreement. In furtherance of the foregoing, Mortgagor hereby grants to Mortgagee an irrevocable power of attorney, coupled with an interest, to execute and deliver, on behalf of Mortgagor, to tenants under current and future Leases and counterparties to Lease Guaranties, direction letters to deliver all Rents and all sums due under any Lease Guaranties directly to Mortgagee. Any exercise of the foregoing power of attorney shall constitute an immediate revocation of the revocable license given pursuant to Section 1.02(a).

Section 1.03 Security Agreement. This Mortgage is both a real property mortgage and a "security agreement" within the meaning of the Uniform Commercial Code. The Property includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Mortgagor in the Property. By executing and delivering this Mortgage, Mortgagor hereby grants to Mortgagee, as security for the Obligations, a security interest in the Fixtures, the Equipment, the Personal Property and the other property constituting the Property to

the full extent that the Fixtures, the Equipment, the Personal Property and such other property may be subject to the Uniform Commercial Code (said portion of the Property so subject to the Uniform Commercial Code being called the "*Collateral*"). If an Event of Default shall occur and be continuing, Mortgagee, in addition to any other rights and remedies which it may have, shall have and may exercise immediately and without demand, any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing, the right to take possession of the Collateral or any part thereof, and to take such other measures as Mortgagee may deem necessary for the care, protection and preservation of the Collateral. Upon request or demand of Mortgagee after the occurrence and during the continuance of an Event of Default, Mortgagor shall, at its expense, assemble the Collateral and make it available to Mortgagee at a convenient place (at the Land if tangible property) reasonably acceptable to Mortgagee. Mortgagor shall pay to Mortgagee, on demand, any and all expenses, including reasonable attorneys' fees and costs, incurred or paid by Mortgagee in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral after the occurrence and during the continuance of an Event of Default. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Collateral sent to Mortgagor in accordance with the provisions hereof at least ten (10) days prior to such action, shall, except as otherwise provided by applicable law or the Loan Agreement, constitute reasonable notice to Mortgagor. The proceeds of any disposition of the Collateral, or any part thereof, may, except as otherwise required by applicable law, be applied by Mortgagee to the payment of the Debt in such priority and proportions as Mortgagee in its discretion shall deem proper. The principal place of business of Mortgagor (Debtor) is as set forth in the preamble of this Mortgage and the address of Mortgagee (Secured Party) is as set forth in the preamble of this Mortgage.

Section 1.04 Fixture Filing. Certain of the Property is or will become "fixtures" (as that term is defined in the Uniform Commercial Code) on the Land, described or referred to in this Mortgage, and this Mortgage, upon being filed for record in the real estate records of the city or county wherein such fixtures are situated, shall operate also as a financing statement naming Mortgagor as the Debtor and Mortgagee as the Secured Party filed as a fixture filing in accordance with the applicable provisions of said Uniform Commercial Code upon such of the Property that is or may become fixtures. This Security Instrument constitutes a fixture filing in accordance with the Uniform Commercial Code. For this purpose, the respective addresses of Mortgagor, as debtor, and Mortgagee, as secured party, are as set forth in the preamble to this Security Instrument.

CONDITIONS TO GRANT

TO HAVE AND TO HOLD the above granted and described Property unto and to the use and benefit of Mortgagee and its successors and assigns, forever;

PROVIDED, HOWEVER, these presents are upon the express condition that, if Mortgagor shall well and truly pay and perform the Obligations (including the payment of the Debt) at the time and in the manner provided in this Mortgage, the Note, the Loan Agreement and the other Loan Documents, and shall well and truly abide by and comply with each and every covenant and condition set forth herein and in the Note, the Loan Agreement and the other Loan Documents, these presents and the estate hereby granted shall cease, terminate and be void; provided, however,

that, subject to Section 9.06, Mortgagor's obligation to indemnify and hold harmless Mortgagee pursuant to the provisions hereof shall survive any such payment or release.

ARTICLE II.

DEBT AND OBLIGATIONS SECURED

Section 2.01 Obligations. This Mortgage and the grants, assignments and transfers made in Article I are given for the purpose of securing the Obligations, including, but not limited to, the Debt.

Section 2.02 Other Obligations. This Mortgage and the grants, assignments and transfers made in Article I are also given for the purpose of securing the following (collectively, the "**Other Obligations**"):

- (a) the performance of all other obligations of Mortgagor contained herein;
- (b) the performance of each obligation of Mortgagor contained in the Loan Agreement and in each other Loan Document; and
- (c) the performance of each obligation of Mortgagor contained in any renewal, extension, amendment, modification, consolidation, change of, or substitution or replacement for, all or any part of the Note, the Loan Agreement or any other Loan Document.

Section 2.03 Debt and Other Obligations. Mortgagor's obligations for the payment of the Debt and the performance of the Other Obligations shall be referred to collectively herein as the "**Obligations**."

Section 2.04 Variable Interest Rate. The Loan secured by this Mortgage may be a variable interest rate loan if so provided in the Loan Agreement.

Section 2.05 Loan Repayment. Provided no Event of Default exists, this Mortgage will be satisfied and discharged of record by Mortgagee in accordance with the terms and provisions set forth in the Loan Agreement.

Section 2.06 Other Mortgages; No Election of Remedies.

(a) The Debt is now or may hereafter be secured by one or more other mortgages, deeds to secure debt, deeds of trust and other security agreements (collectively, as the same may be amended, restated, replaced, supplemented, extended, renewed or otherwise modified and in effect from time to time, are herein collectively called the "**Other Mortgages**"), which cover or will hereafter cover other properties that are or may be located in various states and in other Counties in the State (collectively, the "**Other Collateral**"). The Other Mortgages will secure the Debt and the performance of the other covenants and agreements of Mortgagor set forth in the Loan Documents. Upon the occurrence and during the continuance of an Event of Default, Mortgagee may proceed under this Mortgage and/or any or all the Other Mortgages against either the Property and/or any or all the Other Collateral in one or more parcels and in such

manner and order as Mortgagee shall elect. Mortgagor hereby irrevocably waives and releases, to the extent permitted by law, and whether now or hereafter in force, any right to have the Property and/or the Other Collateral marshaled upon any foreclosure of this Mortgage or any Other Mortgage.

(b) Without limiting the generality of the foregoing, and without limitation as to any other right or remedy provided to Mortgagee in this Mortgage or the other Loan Documents, in the case and during the continuance of an Event of Default (i) Mortgagee shall have the right to pursue all of its rights and remedies under this Mortgage and the Loan Documents, at law and/or in equity, in one proceeding, or separately and independently in separate proceedings from time to time, as Mortgagee, in its sole and absolute discretion, shall determine from time to time, (ii) Mortgagee shall not be required to either marshal assets, sell the Property and/or any Other Collateral in any particular order of alienation (and may sell the same simultaneously and together or separately), or be subject to any "one action" or "election of remedies" law or rule with respect to the Property and/or any Other Collateral, (iii) the exercise by Mortgagee of any remedies against any one item of Property and/or any Other Collateral will not impede Mortgagee from subsequently or simultaneously exercising remedies against any other item of Property and/or Other Collateral, (iv) all liens and other rights, remedies or privileges provided to Mortgagee herein shall remain in full force and effect until Mortgagee has exhausted all of its remedies against the Property and all Property has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Debt, and (v) Mortgagee may resort for the payment of the Debt to any security held by Mortgagee in such order and manner as Mortgagee, in its discretion, may elect and Mortgagee may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Mortgagee thereafter to foreclose this Mortgage.

(c) Without notice to or consent of Mortgagor and without impairment of the lien and rights created by this Mortgage, Mortgagee may, at any time (in its sole and absolute discretion, but Mortgagee shall have no obligation to), execute and deliver to Mortgagor a written instrument releasing all or a portion of the lien of this Mortgage as security for any or all of the Obligations now existing or hereafter arising under or in respect of the Note, the Loan Agreement and each of the other Loan Documents, whereupon following the execution and delivery by Mortgagee to Mortgagor of any such written instrument of release, this Mortgage shall no longer secure such Obligations so released.

ARTICLE III.

MORTGAGOR COVENANTS

Mortgagor covenants and agrees that throughout the term of the Loan:

Section 3.01 Payment of Debt. Mortgagor will pay the Debt at the time and in the manner provided in the Loan Agreement, the Note and this Mortgage.

Section 3.02 Incorporation by Reference. All the covenants, conditions and agreements contained in (a) the Loan Agreement, (b) the Note, and (c) all and any of the other Loan Documents, are hereby made a part of this Mortgage to the same extent and with the same

force as if fully set forth herein. In the event of any inconsistency between any of the terms of this Mortgage (including the terms of Section 1.03 herein) and the Loan Agreement, the terms of the Loan Agreement shall control. Without limiting the generality of the foregoing, Mortgagor (i) agrees to insure, repair, maintain and restore damage to the Property, pay Taxes and Other Charges assessed against the Property, and comply with Legal Requirements, in accordance with the Loan Agreement, and (ii) agrees that the proceeds of insurance and condemnation awards shall be settled, held, applied and/or disbursed in accordance with the Loan Agreement.

Section 3.03 Performance of Other Agreements. Mortgagor shall observe and perform each and every term, covenant and provision to be observed or performed by Mortgagor pursuant to the Loan Agreement, any other Loan Document and any other agreement or recorded instrument affecting or pertaining to the Property, and any amendments, modifications or changes thereto.

ARTICLE IV.

OBLIGATIONS AND RELIANCES

Section 4.01 Relationship of Mortgagor and Mortgagee. The relationship between Mortgagor and Mortgagee is solely that of debtor and creditor, and Mortgagee has no fiduciary or other special relationship with Mortgagor, and no term or condition of any of the Loan Agreement, the Note, this Mortgage or the other Loan Documents shall be construed so as to deem the relationship between Mortgagor and Mortgagee to be other than that of debtor and creditor.

Section 4.02 No Reliance on Mortgagee. The general partners, members, principals and (if Mortgagor is a trust) beneficial owners of Mortgagor, as applicable, are experienced in the ownership and operation of properties similar to the Property, and Mortgagor and Mortgagee are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Mortgagor is not relying on Mortgagee's expertise, business acumen or advice in connection with the Property.

Section 4.03 No Mortgagee Obligations.

(a) Notwithstanding the provisions of Subsections 1.01(h) and (m) or Section 1.02, Mortgagee is not undertaking the performance of (i) any obligations under the Leases, or (ii) any obligations with respect to any other agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses or other documents.

(b) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Mortgagee pursuant to this Mortgage, the Loan Agreement, the Note or the other Loan Documents, including, without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal or insurance policy, Mortgagee shall not be deemed to have warranted, consented to, or affirmed the sufficiency, legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Mortgagee.

Section 4.04 Reliance. Mortgagor recognizes and acknowledges that in accepting the Loan Agreement, the Note, this Mortgage and the other Loan Documents, Mortgagee is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Article V of the Loan Agreement without any obligation to investigate the Property and notwithstanding any investigation of the Property by Mortgagee; that such reliance existed on the part of Mortgagee prior to the date hereof; that the warranties and representations are a material inducement to Mortgagee in making the Loan; and that Mortgagee would not be willing to make the Loan and accept this Mortgage in the absence of the warranties and representations as set forth in Article V of the Loan Agreement.

ARTICLE V.

FURTHER ASSURANCES

Section 5.01 Recording of Mortgage, Etc. Mortgagor forthwith upon the execution and delivery of this Mortgage and thereafter, from time to time, will cause this Mortgage and any of the other Loan Documents creating a Lien or security interest or evidencing the Lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the Lien or security interest hereof upon, and the interest of Mortgagee in, the Property. Mortgagor will pay all taxes, filing, registration or recording fees, and all expenses incident to the preparation, execution, acknowledgment and/or recording of the Note, this Mortgage, the other Loan Documents, any note, deed to secure debt, deed of trust or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of any of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Mortgage, any deed of trust, deed to secure debt or mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of any of the foregoing documents, except where prohibited by law so to do.

Section 5.02 Further Acts, Etc. Mortgagor will, at the cost of Mortgagor, and without expense to Mortgagee, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, deeds of trust, deeds to secure debt, mortgages, assignments, notices of assignments, transfers and assurances as Mortgagee shall, from time to time, reasonably require, for the better assuring, conveying, assigning, transferring, and confirming unto Mortgagee the Property and rights hereby mortgaged, deeded, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred or intended now or hereafter so to be, or which Mortgagor may be or may hereafter become bound to convey or assign to Mortgagee, or for carrying out the intention or facilitating the performance of the terms of this Mortgage or for filing, registering or recording this Mortgage, or for complying with all Legal Requirements. Mortgagor, on demand, will execute and deliver, and in the event it shall fail to so execute and deliver, hereby authorizes Mortgagee to execute in the name of Mortgagor or without the signature of Mortgagor to the extent Mortgagee may lawfully do so, one or more financing statements to evidence more effectively the security interest of Mortgagee in the Property and the Collateral. Financing statements to be filed

with the Secretary of State of the State in which the Mortgagor is organized may describe as the collateral covered thereby "all assets of the debtor, whether now owned or hereafter acquired" or words to that effect, notwithstanding that such collateral description may be broader in scope than the collateral described herein. Mortgagee shall provide Mortgagor with copies of any notices and/or instruments of filings executed by Mortgagee in accordance with the immediately preceding sentence. Mortgagor grants to Mortgagee an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Mortgagee at law and in equity, including, without limitation, such rights and remedies available to Mortgagee pursuant to this Section 5.02. Notwithstanding anything to the contrary in the immediately preceding sentence, Mortgagee shall not execute any documents as attorney in fact for Mortgagor unless (i) Mortgagor shall have failed or refused to execute the same within five (5) days after delivery of Mortgagee's request to Mortgagor or (ii) an Event of Default is continuing.

Section 5.03 Changes in Tax, Debt, Credit and Documentary Stamp Laws.

(a) If any law is enacted or adopted or amended after the date of this Mortgage which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Mortgagee's interest in the Property, Mortgagor will pay the tax, with interest and penalties thereon, if any (it being understood that nothing hereunder shall require Mortgagor to pay any income or franchise tax imposed on Mortgagee by reason of Mortgagee's interest in the Property). If Mortgagee is advised by counsel chosen by it that the payment of tax by Mortgagor would be unlawful or taxable to Mortgagee or unenforceable or provide the basis for a defense of usury, then Mortgagee shall have the option, by written notice to Mortgagor, to declare the Debt due and payable no earlier than one hundred twenty (120) days following such notice.

(b) Mortgagor will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Mortgage or the Debt. If such claim, credit or deduction shall be required by law, Mortgagee shall have the option, by written notice to Mortgagor, to declare the Debt due and payable no earlier than one hundred twenty (120) days following such notice.

(c) If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, this Mortgage, or any of the other Loan Documents or shall impose any other tax or charge on the same, Mortgagor will pay for the same, with interest and penalties thereon, if any.

ARTICLE VI.

DUE ON SALE/ENCUMBRANCE

Section 6.01 Mortgagee Reliance. Mortgagor acknowledges that Mortgagee has examined and relied on the experience of Mortgagor and its general partners, members, principals and (if Mortgagor is a trust) beneficial owners in owning and operating properties such as the

Property in agreeing to make the Loan, and will continue to rely on Mortgagor's ownership of the Property as a means of maintaining the value of the Property as security for the payment and performance of the Obligations, including the repayment of the Debt. Mortgagor acknowledges that Mortgagee has a valid interest in maintaining the value of the Property so as to ensure that, should Mortgagor default in the payment and/or performance of the Obligations, including the repayment of the Debt, Mortgagee can recover the Debt by a sale or foreclosure of the Property or other sale permitted by applicable law as to the Personal Property, Equipment or Fixtures.

Section 6.02 No Transfer. Mortgagor shall not permit or suffer any Transfer to occur except in accordance with the terms of the Loan Agreement.

ARTICLE VII.

RIGHTS AND REMEDIES UPON DEFAULT

Section 7.01 Remedies. Upon the occurrence and during the continuance of any Event of Default, Mortgagor agrees that Mortgagee may take such action, without notice or demand, as it deems advisable to protect and enforce its rights against Mortgagor and in and to the Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Mortgagee:

- (a) declare the entire unpaid Debt to be immediately due and payable;
- (b) institute proceedings, judicial or otherwise, for the complete or partial foreclosure of this Mortgage under any applicable provision of law, in which case the Property or any interest therein may be sold for cash or upon credit in one or more parcels or in several interests or portions and in any order or manner;
- (c) with or without entry, to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Mortgage for the portion of the Debt then due and payable, subject to the continuing lien and security interest of this Mortgage for the balance of the Obligations not then due, unimpaired and without loss of priority;
- (d) to the extent permitted by applicable law, sell for cash or upon credit the Property or any part thereof and all estate, claim, demand, right, title and interest of Mortgagor therein and rights of redemption thereof, pursuant to power of sale or otherwise, at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof, all as may be required or permitted by law; and, without limiting the foregoing:
 - (i) In connection with any sale or sales hereunder, Mortgagee shall be entitled to elect to treat any of the Property which consists of (x) a right in action, or (y) property that can be severed from the Real Property covered hereby, or (z) any Improvements (without causing structural damage thereto), as if the same were personal property, and dispose of the same in accordance with applicable law, separate and apart from the sale of the Real Property. Where

the Property consists of Real Property, Personal Property, Equipment or Fixtures, whether or not such Personal Property or Equipment is located on or within the Real Property, Mortgagee shall be entitled to elect to exercise its rights and remedies against any or all of the Real Property, Personal Property, Equipment and Fixtures in such order and manner as is now or hereafter permitted by applicable law;

(ii) To the extent permitted by applicable law, Mortgagee shall be entitled to elect to proceed against any or all of the Real Property, Personal Property, Equipment and Fixtures in any manner permitted under applicable law; and if Mortgagee so elects pursuant to applicable law, the power of sale herein granted shall be exercisable (to the extent permitted by applicable law) with respect to all or any of the Real Property, Personal Property, Equipment and Fixtures covered hereby, as designated by Mortgagee and Mortgagee is hereby authorized and empowered to conduct any such sale of any Real Property, Personal Property, Equipment and Fixtures in accordance with applicable law;

(iii) To the extent permitted by applicable law, should Mortgagee elect to sell any portion of the Property which is Real Property or which is Personal Property, Equipment or Fixtures that the Mortgagee has elected under applicable law to sell together with Real Property in accordance with the laws governing a sale of the Real Property, Mortgagee shall give such notice of the occurrence of an Event of Default, if any, and its election to sell such Property, each as may then be required by law. Thereafter, upon the expiration of such time and the giving of such notice of sale as may then be required by law, subject to the terms hereof and of the other Loan Documents, and, to the extent permitted by applicable law, without the necessity of any demand on Mortgagor, Mortgagee at the time and place specified in the notice of sale, shall sell such Real Property or part thereof at public auction to the highest bidder for cash in lawful money of the United States of America. Mortgagee may from time to time postpone any sale hereunder by public announcement thereof at the time and place noticed for any such sale; and

(iv) If the Property consists of several lots, parcels or items of property, Mortgagee shall, subject to applicable law, (A) designate the order in which such lots, parcels or items shall be offered for sale or sold, or (B) elect to sell such lots, parcels or items through a single sale, or through two or more successive sales, or in any other manner Mortgagee designates and Mortgagor waives any right to require otherwise. Any Person, including Mortgagor or Mortgagee, may purchase at any sale hereunder. Should Mortgagee desire that more than one sale or other disposition of the Property be conducted, Mortgagee shall, subject to applicable law, cause such sales or dispositions to be conducted simultaneously, or successively, on the same day, or at such different days or times and in such order as Mortgagee may designate, and no such sale shall terminate or otherwise affect the Lien of this Mortgage on any part of the Property not sold until all the Obligations have been satisfied in full. In the event Mortgagee elects to dispose of the Property through more than one sale, except as otherwise provided by applicable law, Mortgagor agrees to pay the costs and expenses of each such sale and of any judicial proceedings wherein such sale may be made;

(e) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein, in the Note, in the Loan Agreement or in the other Loan Documents;

(f) recover judgment on the Note either before, during or after any proceedings for the enforcement of this Mortgage or the other Loan Documents;

(g) apply for the appointment of a receiver, trustee, liquidator or conservator of the Property, without notice and without regard for the adequacy of the security for the Debt and without regard for the solvency of Mortgagor, any guarantor or indemnitor with respect to the Loan or any Person otherwise liable for the payment of the Debt or any part thereof, and Mortgagor hereby irrevocably consents to such appointment;

(h) subject to applicable law and Section 15.02 hereof, the license granted to Mortgagor under Section 1.02 hereof shall automatically be revoked and Mortgagee may enter into or upon the Property, either personally or by its agents, nominees or attorneys and dispossess Mortgagor and its agents and servants therefrom, without liability for trespass, damages or otherwise and exclude Mortgagor and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Mortgagor agrees to surrender possession of the Property and of such books, records and accounts to Mortgagee upon demand, and thereupon Mortgagee may do such acts and things as Mortgagee deems necessary or desirable to protect the security hereof, including without limitation, (i) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat on such terms and for such period of time as Mortgagee may deem proper; (ii) complete any construction on the Property in such manner and form as Mortgagee deems advisable; (iii) make alterations, additions, renewals, replacements and improvements to or on the Property; (iv) exercise all rights and powers of Mortgagor with respect to the Property, whether in the name of Mortgagor or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants and demand, sue for or otherwise collect and receive all Rents and all sums due under all Lease Guaranties, including, without limitation, those past due and unpaid; (v) require Mortgagor to pay monthly in advance to Mortgagee, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be occupied by Mortgagor; (vi) require Mortgagor to vacate and surrender possession of the Property to Mortgagee or to such receiver and, in default thereof, Mortgagor may be evicted by summary proceedings or otherwise; and (vii) apply the receipts from the Property to the payment and performance of the Obligations (including, without limitation, the payment of the Debt), in such order, priority and proportions as Mortgagee shall deem appropriate in its sole discretion after deducting therefrom all expenses (including reasonable attorneys' fees and costs) incurred in connection with the aforesaid operations and all amounts necessary to pay the Taxes or Other Charges assessed against the Property, insurance premiums, other expenses and Capital Expenditures incurred in connection with the Property, as well as just and reasonable compensation for the services of Mortgagee, its counsel, agents and employees;

(i) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing: (i) the right to take possession of the Fixtures, the Equipment and/or the Personal Property, or any part thereof, and to take such other measures as Mortgagee may deem necessary for the care, protection and preservation of the Fixtures, the Equipment and the Personal Property, and (ii) request Mortgagor, at its sole cost and expense, to assemble the Fixtures, the Equipment

and/or the Personal Property and make it available to Mortgagee at a convenient place acceptable to Mortgagee. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Fixtures, the Equipment and/or the Personal Property sent to Mortgagor in accordance with the provisions hereof at least ten (10) days prior to such action, shall constitute commercially reasonable notice to Mortgagor;

(j) apply any sums then deposited or held in escrow or otherwise by or on behalf of Mortgagee in accordance with the terms of the Loan Agreement, this Mortgage or any other Loan Document to the payment of the following items in any order in its sole discretion:

- (i) Taxes and Other Charges assessed against the Property;
- (ii) Insurance premiums;
- (iii) Other expenses and Capital Expenditures incurred in connection with the Property;
- (iv) Interest on the unpaid principal balance of the Note;
- (v) Amortization of the unpaid principal balance of the Note; and/or
- (vi) All other sums payable pursuant to the Note, the Loan Agreement, this Mortgage and the other Loan Documents, including, without limitation, the Release Price, if applicable, and advances made by Mortgagee pursuant to the terms of this Mortgage;

(k) pursue such other remedies as may be available to Mortgagee at law or in equity; and/or

(l) apply the undisbursed balance of any escrow or other deposits held by or on behalf of the Mortgagee with respect to the Property, to the payment of the Debt in such order, priority and proportions as Mortgagee shall deem to be appropriate in its sole discretion.

In the event of a sale, by foreclosure, power of sale or otherwise, of less than all of Property, this Mortgage shall continue as a Lien and security interest on the remaining portion of the Property unimpaired and without loss of priority.

The exercise by Mortgagee of its rights granted under this Section 7.01 and the collection of the Rents and the sums due under the Lease Guaranties and the application thereof as provided in the Loan Documents shall not be considered a waiver of any Default or Event of Default under the Note, the Loan Agreement, this Mortgage or the other Loan Documents.

Section 7.02 Application of Proceeds. The purchase money proceeds and avails of any disposition of the Property or any part thereof, or any other sums collected by Mortgagee pursuant to the Note, this Mortgage or the other Loan Documents, may be applied by Mortgagee to the payment of the Obligations in such priority and proportions as Mortgagee in its discretion shall deem proper, to the extent consistent with law.

Section 7.03 Right to Cure Defaults. During the continuance of any Event of Default, Mortgagee may, but without any obligation to do so and without notice to or demand on Mortgagor and without releasing Mortgagor from any obligation hereunder, perform the obligations in Default in such manner and to such extent as Mortgagee may deem necessary to protect the security hereof. Mortgagee is authorized to enter upon the Property for such purposes or appear in, defend or bring any action or proceeding to protect its interest in the Property, to foreclose this Mortgage or collect the Debt, and to make any protective advances that Mortgagee may deem necessary to protect the security hereof, and the cost and expense of any of the foregoing (including reasonable attorneys' fees and disbursements to the extent permitted by law), with interest thereon at the Default Rate for the period after notice from Mortgagee that such cost or expense was incurred to the date of payment to Mortgagee, shall constitute a portion of the Debt, shall be secured by this Mortgage and the other Loan Documents and shall be due and payable to Mortgagee upon demand.

Section 7.04 Other Rights, Etc.

(a) The failure of Mortgagee to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Mortgage. Mortgagor shall not be relieved of Mortgagor's obligations hereunder by reason of (i) the failure of Mortgagee to comply with any request of Mortgagor or any guarantor or indemnitor with respect to the Loan to take any action to foreclose this Mortgage or otherwise enforce any of the provisions hereof or of the Note or the other Loan Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any Person liable for the Obligations or any portion thereof, or (iii) any agreement or stipulation by Mortgagee extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Mortgage or the other Loan Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Mortgagor, and Mortgagee shall have no liability whatsoever for any decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Mortgagee shall not be deemed an election of judicial relief, if any such possession is requested or obtained, with respect to any Property or collateral not in Mortgagee's possession.

(c) Mortgagee may resort for the payment and performance of the Obligations (including, but not limited to, the payment of the Debt) to any other security held by Mortgagee in such order and manner as Mortgagee, in its discretion, may elect. Mortgagee may take action to recover the Debt, or any portion thereof, or to enforce the Other Obligations or any covenant hereof, without prejudice to the right of Mortgagee thereafter to enforce any remedy hereunder or under applicable law against Mortgagor, including the right to foreclose this Mortgage. The rights of Mortgagee under this Mortgage shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Mortgagee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Mortgagee shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 7.05 Right to Release Any Portion of the Property. Mortgagee may release any portion of the Property for such consideration as Mortgagee may require without, as to the

remainder of the Property, in any way impairing or affecting the Lien or priority of this Mortgage, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the Debt shall have been reduced by the actual monetary consideration, if any, received by Mortgagee for such release, and Mortgagee may accept by assignment, pledge or otherwise any other property in place thereof as Mortgagee may require without being accountable for so doing to any other lienholder. This Mortgage shall continue as a Lien and security interest in the remaining portion of the Property.

Section 7.06 Right of Entry. Subject to the rights of Tenants and upon reasonable prior notice to Mortgagor, Mortgagee and its agents shall have the right to enter and inspect the Property at all reasonable times.

ARTICLE VIII.

INDEMNIFICATION

Section 8.01 Mortgage and/or Intangible Tax. Mortgagor shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless Mortgagee and any Person claiming by or through Mortgagee (collectively with Mortgagee, the "**Indemnified Parties**" and each, an "**Indemnified Party**") from and against any and all losses, damages, costs, fees, expenses, claims, suits, judgments, awards, liabilities, obligations, debts, fines, penalties or charges imposed upon or incurred by or asserted against any Indemnified Party and directly or indirectly arising out of or in any way relating to any mortgage, recording, stamp, intangible or other similar taxes required to be paid by any Indemnified Party under applicable Legal Requirements in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of this Mortgage or any of the Loan Documents (but excluding any income, franchise or other similar taxes).

Section 8.02 No Liability to Mortgagee. This Mortgage shall not be construed to bind Mortgagee to the performance of any of the covenants, conditions or provisions contained in any Lease or Lease Guaranty or otherwise impose any obligation upon Mortgagee with respect to the Leases. Mortgagee shall not be liable for any loss sustained by Mortgagor resulting from Mortgagee's failure to let the Property after an Event of Default or from any other act or omission of Mortgagee in managing the Property after an Event of Default unless such loss is caused by the willful misconduct, bad faith or gross negligence of Mortgagee. Mortgagee shall not be obligated to perform or discharge any obligation, duty or liability under the Leases or any Lease Guaranties or under or by reason of this Mortgage and Mortgagor shall indemnify Mortgagee for, and hold Mortgagee harmless from and against, (a) any and all liability, loss or damage which may or might be incurred under the Leases, any Lease Guaranties or under or by reason of this Mortgage, and (b) any and all claims and demands whatsoever, including the defense of any such claims or demands which may be asserted against Mortgagee by reason of any alleged obligations and undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases or any Lease Guaranties, unless caused by the willful misconduct or bad faith of Mortgagee. Should Mortgagee incur any such liability, the amount thereof, including costs, expenses and reasonable attorneys' fees and costs, shall be secured by this Mortgage and by the other Loan Documents and Mortgagor shall reimburse Mortgagee therefor within seven (7)

Business Days after demand therefor and upon the failure of Mortgagor so to do Mortgagee may, at its option, declare the Obligations to be immediately due and payable. This Mortgage shall not operate to place any obligation or liability for the control, care, management or repair of the Property upon Mortgagee, nor for the carrying out of any of the terms and conditions of the Leases or any Lease Guaranties; nor shall it operate to make Mortgagee responsible or liable for any waste committed on the Property by the tenants or any other parties, or for any dangerous or defective condition of the Property, including, without limitation, the presence of any Hazardous Substances (as defined in the Environmental Indemnity), or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger.

Section 8.03 Duty to Defend; Attorneys' Fees and Other Fees and Expenses. In connection with any indemnification obligations of Mortgagor hereunder, upon written request by any Indemnified Party, Mortgagor shall defend such Indemnified Party (if requested by any Indemnified Party, in the name of the Indemnified Party) by attorneys and other professionals reasonably approved by the Indemnified Parties. Notwithstanding the foregoing, if the defendants in any such claim or proceeding include both Mortgagor and any Indemnified Party and Mortgagor and such Indemnified Party shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Parties that are different from or in addition to those available to Mortgagor, such Indemnified Party shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Party. Upon demand, Mortgagor shall pay or, in the sole and absolute discretion of any Indemnified Party, reimburse, such Indemnified Party for the payment of the reasonable fees and disbursements of attorneys, engineers, environmental consultants, laboratories and other professionals in connection therewith.

ARTICLE IX

WAIVERS

Section 9.01 Waiver of Counterclaim. To the extent permitted by applicable law, Mortgagor hereby waives the right to assert a counterclaim, other than a mandatory or compulsory counterclaim, in any action or proceeding brought against it by Mortgagee arising out of or in any way connected with this Mortgage, the Loan Agreement, the Note, any of the other Loan Documents or the Obligations.

Section 9.02 Marshaling and Other Matters. To the extent permitted by applicable law, Mortgagor hereby waives the benefit of all appraisal, valuation, stay, extension, reinstatement and redemption laws now or hereafter in force and all rights of marshaling in the event of any sale hereunder of the Property or any part thereof or any interest therein. Further, to the extent permitted by applicable law, Mortgagor hereby expressly waives any and all rights of redemption from sale under any order or decree of foreclosure of this Mortgage on behalf of Mortgagor, and on behalf of each and every Person acquiring any interest in or title to the Property subsequent to the date of this Mortgage.

Section 9.03 Waiver of Notice. To the extent permitted by applicable law, Mortgagor shall not be entitled to any notices of any nature whatsoever from Mortgagee, except with respect to matters for which this Mortgage or the Loan Documents specifically and expressly provide for the giving of notice by Mortgagee to Mortgagor, and except with respect to matters for which Mortgagee is required by applicable law to give notice, and Mortgagor hereby expressly waives the right to receive any notice from Mortgagee with respect to any matter for which this Mortgage or any of the other Loan Documents does not specifically and expressly provide for the giving of notice by Mortgagee to Mortgagor.

Section 9.04 Waiver of Statute of Limitations. To the extent permitted by applicable law, Mortgagor hereby expressly waives and releases its right to plead any statute of limitations as a defense to the payment and performance of the Obligations (including, without limitation, the payment of the Debt).

Section 9.05 Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, MORTGAGOR HEREBY AGREES NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND FOREVER WAIVES ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST, WITH REGARD TO THE NOTE, THIS MORTGAGE OR THE OTHER LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY MORTGAGOR AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. MORTGAGEE IS HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER BY MORTGAGOR.

Section 9.06 Survival. ARTICLE XIV.

MISCELLANEOUS PROVISIONS

Section 14.01 No Oral Change. This Mortgage, and any provisions hereof, may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of Mortgagor or Mortgagee, but only by an agreement in writing signed by the party(ies) against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

Section 14.02 Successors and Assigns. This Mortgage shall be binding upon, and shall inure to the benefit of, Mortgagor and Mortgagee and their respective successors and permitted assigns, as set forth in the Loan Agreement.

Section 14.03 Inapplicable Provisions. If any provision of this Mortgage is held to be illegal, invalid or unenforceable under present or future laws effective during the term of this Mortgage, such provision shall be fully severable and this Mortgage shall be construed and

enforced as if such illegal, invalid or unenforceable provision had never comprised a part of this Mortgage, and the remaining provisions of this Mortgage shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from this Mortgage, unless such continued effectiveness of this Mortgage, as modified, would be contrary to the basic understandings and intentions of the parties as expressed herein.

Section 14.04 Headings, Etc. The headings and captions of the various Sections of this Mortgage are for convenience of reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.

Section 14.05 Subrogation. If any or all of the proceeds of the Note have been used to extinguish, extend or renew any Indebtedness heretofore existing against the Property, then, to the extent of the funds so used, Mortgagee shall be subrogated to all of the rights, claims, liens, titles and interests existing against the Property heretofore held by, or in favor of, the holder of such Indebtedness and such former rights, claims, liens, titles and interests, if any, are not waived, but rather are continued in full force and effect in favor of Mortgagee and are merged with the Lien and security interest created herein as cumulative security for the payment, performance and discharge of the Obligations (including, but not limited to, the payment of the Debt).

Section 14.06 Entire Agreement. The Note, the Loan Agreement, this Mortgage and the other Loan Documents constitute the entire understanding and agreement between Mortgagor and Mortgagee with respect to the transactions arising in connection with the Obligations and supersede all prior written or oral understandings and agreements between Mortgagor and Mortgagee with respect thereto. Mortgagor hereby acknowledges that, except as incorporated in writing in the Note, the Loan Agreement, this Mortgage and the other Loan Documents, there are not, and were not, and no Persons are or were authorized by Mortgagee to make, any representations, understandings, stipulations, agreements or promises, oral or written, with respect to the transaction which is the subject of the Note, the Loan Agreement, this Mortgage and the other Loan Documents.

Section 14.07 Limitation on Mortgagee's Responsibility. No provision of this Mortgage shall operate to place any obligation or liability for the control, care, management or repair of the Property upon Mortgagee, nor shall it operate to make Mortgagee responsible or liable for any waste committed on the Property by the Tenants or any other Person, or for any dangerous or defective condition of the Property, or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any Tenant, licensee, employee or stranger. Nothing herein contained shall be construed as constituting Mortgagee a "mortgagee in possession."

Section 14.08 Recitals. The recitals hereof are a part hereof, form a basis for this Mortgage and shall be considered prima facie evidence of the facts and documents referred to therein.

Section 14.09 Time of Essence. Time is of the essence with respect to this Mortgage and each and every provision hereof.

ARTICLE XV.

STATE-SPECIFIC PROVISIONS

Section 15.01 Principles of Construction. Without limiting Section 12.01, to the extent that the laws of the State of Illinois govern the interpretation or enforcement of this Mortgage, (a) the provisions of this Article XV shall apply, and (b) in the event of any inconsistencies between the terms and provisions of this Article XV and the other terms and provisions of this Mortgage, the terms and provisions of this Article XV shall control and be binding.

Section 15.02 Use of Proceeds. Mortgagor hereby covenants, represents and agrees that all of the proceeds of the Loan secured by this Mortgage will be used solely for business purposes and in furtherance of the regular business affairs of Mortgagor, and the entire liabilities and obligations evidenced by the Loan Documents and secured by this Mortgage: (a) constitute a business loan which comes within the purview of 815 ILCS 205/4 as amended; (b) constitute "a loan secured by a mortgage on real estate," within the purview and operation of 815 ILCS 205/4(1)(l); and (c) is an exempt transaction under the Truth-in-Lending Act, 15 U.S.C., §1601 et seq.

Section 15.03 Power of Sale. Each of the remedies set forth herein, including without limitation the remedies involving a power of sale on the part of the Mortgagee and the right of Mortgagee to exercise self-help in connection with the enforcement of the terms of this Mortgage, shall be exercisable if, and to the extent, permitted by the Laws of the State in force at the time of the exercise of such remedies without regard to the enforceability of such remedies at the time of the execution and delivery of this Mortgage.

Section 15.04 Agricultural Real Estate. Mortgagor acknowledges that the Property does not constitute agricultural real estate as defined in Section 15-1201 of the Foreclosure Act or residential real estate as defined in Section 15-1219 of the Foreclosure Act.

Section 15.05 Maximum Principal Indebtedness. Notwithstanding any provision contained herein to the contrary, the liabilities and obligations secured by this Mortgage shall not exceed \$4,852,500.00.

Section 15.06 [Reserved].

Section 15.07 Illinois Mortgage Foreclosure Law.

(a) In the event any provision in this Mortgage shall be inconsistent with any provision of the Illinois Mortgage Foreclosure Law (735 ILCS Sections 5/15-1101 et seq., Illinois Compiled Statutes) (the "**Foreclosure Act**"), the provisions of the Foreclosure Act shall take precedence over the provisions of this Mortgage, but shall not invalidate or render unenforceable any other provision of this Mortgage that can be construed in a manner consistent with the Foreclosure Act.

(b) If any provision of this Mortgage shall grant to Mortgagee any rights or remedies upon default of Mortgagor which are more limited than the rights that would otherwise be vested in Mortgagee under the Foreclosure Act in the absence of said provision, Mortgagee shall be vested with the rights granted in the Foreclosure Act to the full extent permitted by law.

(c) Without limiting the generality of the foregoing, all expenses incurred by the Mortgagee to the extent reimbursable under Sections 15-1510 and 15-1512 of the Foreclosure Act, whether incurred before or after any decree or judgment of foreclosure, and whether enumerated in this Mortgage, shall be added to the indebtedness secured by this Mortgage or by the judgment of foreclosure.

(d) In addition to any provision of this Mortgage authorizing Mortgagee to take or be placed in possession of the Property, or for the appointment of a receiver, Mortgagee shall have the right, in accordance with Sections 15-1701 and 15-1702 of the Foreclosure Act, to be placed in the possession of the Property or at its request to have a receiver appointed, and such receiver, or Mortgagee, if and when placed in possession, shall have, in addition to any other powers provided in this Mortgage, all rights, powers, immunities, and duties and provisions for in Sections 15-1701, 15-1703 and 15-1704 of the Foreclosure Act.

Section 15.08 Collateral Protection Act. Pursuant to the terms of the Collateral Protection Act, 815 ILCS 180/1 et seq., Mortgagor is hereby notified that unless Mortgagor provides Mortgagee with evidence of the insurance coverage required by this Mortgage, Mortgagee may purchase insurance at Mortgagor's expense to protect Mortgagee's interests in the Property, which insurance may, but need not, protect the interests of Mortgagor. The coverage purchased by Mortgagee may not pay any claim made by Mortgagor or any claim made against Mortgagor in connection with the Property. Mortgagor may later cancel any insurance purchased by Mortgagee, but only after providing Mortgagee with evidence that Mortgagor has obtained the insurance as required hereunder. If Mortgagee purchases insurance for the Property, the Mortgagor will be responsible for the costs of such insurance, including interest and any Other Charges imposed in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the Obligations secured hereby. The costs of such insurance may be greater than the cost of insurance Mortgagor may be able to obtain for itself.

Section 15.09 Protective Advances. All advances, disbursements and expenditures made by Mortgagee before and during a foreclosure, and before and after judgment of foreclosure, and at any time prior to sale, and, where applicable, after sale, and during the pendency of any related proceedings authorized by this Mortgage or by the Foreclosure Act (collectively, "**Protective Advances**"), shall have the benefit of all applicable provisions of the Foreclosure Act. All Protective Advances shall be so much additional indebtedness secured by this Mortgage, and shall become immediately due and payable without notice and with interest thereon from the date of the advance until paid at the rate due and payable after an Event of Default under the terms of the Note. This Mortgage shall be a lien for all Protective Advances as to subsequent purchasers and judgment creditors from the time this Mortgage is recorded pursuant to Subsection (b) of Section 5/15-1302 of the Foreclosure Act. All Protective Advances shall, except to the extent, if any, that

any of the same is clearly contrary to or inconsistent with the provisions of the Foreclosure Act, apply to and be included in:

- (a) determination of the amount of indebtedness secured by this Mortgage at any time;
- (b) the indebtedness found due and owing to Mortgagee in the judgment of foreclosure and any subsequent supplemental judgments, orders, adjudications or findings by the court of any additional indebtedness becoming due after such entry of judgment, it being agreed that in any foreclosure judgment, the court may reserve jurisdiction for such purpose;
- (c) if right of redemption has not been waived by the Mortgagor in this Mortgage, computation of amount required to redeem, pursuant to Subsections (d)(2) and (e) of Section 5/15-1603 of the Foreclosure Act;
- (d) determination of amount deductible from sale proceeds pursuant to Section 5/15-1512 of the Foreclosure Act;
- (e) application of income in the hands of any receiver or Mortgagee in possession; and
- (f) computation of any deficiency judgment pursuant to Subsections (b)(2) and (e) of Sections 5/15-1508 and Section 5/15-1511 of the Foreclosure Act.

Section 15.10 Waiver of Rights of Redemption and Reinstatement. Mortgagor shall not and will not apply for or avail itself of any appraisal, valuation, stay, extension or exemption laws, or any so called "Moratorium Laws," now existing or hereafter enacted, in order to prevent or hinder the enforcement of any rights or remedies of Mortgagee under this Mortgage, but hereby waives the benefit of such laws and the benefit of any homestead or other exemptions which it may now or hereafter from time to time have with respect to the Property or the Obligations. Mortgagor for itself and all creditors, mortgagees, trustees, lienholders and other persons or entities who may claim through or under it waives any and all right to have the property and estates comprising the Property, or any part thereof, marshaled upon any foreclosure or other disposition (whether or not the entire Property be sold as a unit, and whether or not any parcels thereof be sold as a unit or separately) of any kind or nature of the Property, or any part thereof, or interest therein, and agrees that any court having jurisdiction to foreclose or otherwise enforce the liens granted and security interests created by this Mortgage may order the Property sold as an entirety. On behalf of Mortgagor, and each and every person acquiring any interest in, or title to the Property described herein subsequent to the date of this Mortgage, and on behalf of all other persons to the maximum extent permitted by applicable law, Mortgagor hereby waives any and all rights (x) of redemption from any foreclosure, or other disposition of any kind or nature of the Property, or any part thereof, or interest therein, under or pursuant to rights herein granted to Mortgagee, and (y) to reinstatement of the indebtedness hereby secured, including, without limitation, any right to reverse any acceleration of such indebtedness pursuant to 735 ILCS 5/15-1602. Mortgagor further waives and releases (a) all errors, defects, and imperfections in any proceedings instituted by Mortgagee under the Note, this Mortgage, or any of the Loan Documents,

(b) all benefits that might accrue to the Mortgagor by virtue of any present or future laws exempting the Property, or any part of the proceeds arising from any sale thereof, from attachment, levy, or sale under civil process, or extension, exemption from civil process, or extension of time for payment, and (c) all notices not specifically required by this Mortgage of default, or of Mortgagee's exercise, or election to exercise, any option under this Mortgage. All waivers by Mortgagor in this Mortgage have been made voluntarily, intelligently and knowingly by Mortgagor after Mortgagor has been afforded an opportunity to be informed by counsel of Mortgagor's choice as to possible alternative rights. Mortgagor's execution of this Mortgage shall be conclusive evidence of the making of such waivers and that such waivers have been voluntarily, intelligently and knowingly made.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on May 20th, 2016. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of One Million Two Hundred Fifty Thousand and 00/100 Dollars (U.S. \$1,250,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable September 1st, 2017. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-25-122-007-0000

which has the address of 7255 S Euclid Ave., Chicago, IL 60649 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

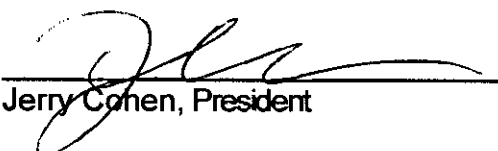

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

Signed, sealed and delivered in the presence of:

2. **Uniform Commercial Code Security Agreement.**

- (a) This Instrument is also a security agreement under the UCC for any of the Mortgaged Property which, under applicable law, may be subjected to a security interest under the UCC, for the purpose of securing Borrower's obligations under

this Instrument and to further secure Borrower's obligations under the Note, this Instrument and other Loan Documents, whether such Mortgaged Property is owned now or acquired in the future, and all products and cash and non-cash proceeds thereof (collectively, "UCC Collateral"), and by this Instrument, Borrower grants to Lender a security interest under the UCC in the UCC Collateral. To the extent necessary under applicable law, Borrower hereby authorizes Lender to prepare and file financing statements, continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest.

- (b) Unless Borrower gives Notice to Lender within 30 days after the occurrence of any of the following, and executes and delivers to Lender modifications or supplements of this Instrument (and any financing statement which may be filed in connection with this Instrument) as Lender may require, Borrower will not (i) change its name, identity, structure or jurisdiction of organization; (ii) change the location of its place of business (or chief executive office if more than one place of business); or (iii) add to or change any location at which any of the Mortgaged Property is stored, held or located.
- (c) If an Event of Default has occurred and is continuing, Lender will have the remedies of a secured party under the UCC, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Lender's other remedies.
- (d) This Instrument also constitutes a financing statement with respect to any part of the Mortgaged Property that is or may become a Fixture, if permitted by applicable law.

3. Assignment of Rents; Appointment of Receiver; Lender in Possession.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Rents.
 - (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower.
 - (ii) Promptly upon request by Lender, Borrower agrees to execute and deliver such further assignments as Lender may from time to time require. Borrower and Lender intend this assignment of Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.

(iii) For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, Rents will not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on Rents in favor of Lender, which Lien will be effective as of the date of this Instrument.

(b) (i) Until the occurrence of an Event of Default, Lender hereby grants to Borrower a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender and to apply all Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including Imposition Reserve Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities, Taxes and insurance premiums (to the extent not included in deposits to Reserve Funds), tenant improvements and other capital expenditures.

(ii) So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be retained by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Instrument.

(iii) After the occurrence of an Event of Default, and during the continuance of such Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender. From and after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower's license to collect Rents will automatically terminate and Lender will without Notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Borrower will pay to Lender upon demand all Rents to which Lender is entitled.

(iv) At any time on or after the date of Lender's demand for Rents, Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender. No tenant will be obligated to inquire further as to the occurrence or continuance of an Event of Default. No tenant will be obligated to pay to Borrower any amounts which are actually paid to Lender in response to such a notice. Any such notice by Lender will be

delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Borrower will not interfere with and will cooperate with Lender's collection of such Rents.

- (c) If an Event of Default has occurred and is continuing, then Lender will have each of the following rights and may take any of the following actions:
- (i) Lender may, regardless of the adequacy of Lender's security or the solvency of Borrower and even in the absence of waste, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of Repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing the assignment of Rents pursuant to Section 3(a), protecting the Mortgaged Property or the security of this Instrument, or for such other purposes as Lender in its discretion may deem necessary or desirable.
 - (ii) Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender's security, without regard to Borrower's solvency and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte* if permitted by applicable law.
 - (iii) If Borrower is a housing cooperative corporation or association, Borrower hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including deposits to Reserve Funds, it being acknowledged and agreed that the Indebtedness is an obligation of Borrower and must be paid out of maintenance charges payable by Borrower's tenant shareholders under their proprietary leases or occupancy agreements.
 - (iv) Lender or the receiver, as the case may be, will be entitled to receive a reasonable fee for managing the Mortgaged Property.

- (v) Immediately upon appointment of a receiver or immediately upon Lender's entering upon and taking possession and control of the Mortgaged Property, Borrower will surrender possession of the Mortgaged Property to Lender or the receiver, as the case may be, and will deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property and all security deposits and prepaid Rents.
- (vi) If Lender takes possession and control of the Mortgaged Property, then Lender may exclude Borrower and its representatives from the Mortgaged Property.

Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 3 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

- (d) If Lender enters the Mortgaged Property, Lender will be liable to account only to Borrower and only for those Rents actually received. Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property, by reason of any act or omission of Lender under Section 3(c), and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law.
- (e) If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes will become an additional part of the Indebtedness as provided in Section 7.
- (f) Any entering upon and taking of control of the Mortgaged Property by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument will not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

4. Assignment of Leases; Leases Affecting the Mortgaged Property.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower's right, title and interest in, to and under the Leases, including Borrower's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.

- (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower's right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.
- (ii) For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases will not be deemed to be a part of the Mortgaged Property.
- (iii) However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property Jurisdiction, then the Leases will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on the Leases in favor of Lender, which Lien will be effective as of the date of this Instrument.
- (b) Until Lender gives Notice to Borrower of Lender's exercise of its rights under this Section 4, Borrower will have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this Section or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, and during the continuance of such Event of Default, the permission given to Borrower pursuant to the preceding sentence to exercise all rights, power and authority under Leases will automatically terminate. Borrower will comply with and observe Borrower's obligations under all Leases, including Borrower's obligations pertaining to the maintenance and disposition of tenant security deposits.
- (c) (i) Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this Section 4 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements.
- (ii) The acceptance by Lender of the assignment of the Leases pursuant to Section 4(a) will not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses.
- (iii) Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable in any way for any injury or damage to person or property sustained by any Person in or about the Mortgaged Property.

- (iv) Prior to Lender's actual entry into and taking possession of the Mortgaged Property, Lender will not be obligated for any of the following:
- (A) Lender will not be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease).
 - (B) Lender will not be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property.
 - (C) Lender will not be responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property. The execution of this Instrument by Borrower will constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and will be that of Borrower, prior to such actual entry and taking of possession.
- (d) Upon delivery of Notice by Lender to Borrower of Lender's exercise of Lender's rights under this Section 4 at any time after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately will have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.
- (e) Borrower will, promptly upon Lender's request, deliver to Lender an executed copy of each residential Lease then in effect.
- (f) If Borrower is a cooperative housing corporation or association, notwithstanding anything to the contrary contained in this Instrument, so long as Borrower remains a cooperative housing corporation or association and is not in breach of any covenant of this Instrument, Lender consents to the following:
- (i) Borrower may execute leases of apartments for a term in excess of 2 years to a tenant shareholder of Borrower, so long as such leases, including proprietary leases, are and will remain subordinate to the Lien of this Instrument.
 - (ii) Borrower may surrender or terminate such leases of apartments where the surrendered or terminated lease is immediately replaced or where Borrower makes its best efforts to secure such immediate replacement by a newly-executed lease of the same apartment to a tenant shareholder of

Borrower. However, no consent is given by Lender to any execution, surrender, termination or assignment of a lease under terms that would waive or reduce the obligation of the resulting tenant shareholder under such lease to pay cooperative assessments in full when due or the obligation of the former tenant shareholder to pay any unpaid portion of such assessments.

5. **Prepayment Charge.** Borrower will be required to pay a Prepayment charge in connection with certain prepayments of the Indebtedness, including a payment made after Lender's exercise of any right of acceleration of the Indebtedness, as provided in the Note.
6. **Application of Payments.** If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount that is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized will constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower's obligations under this Instrument, the Note and all other Loan Documents will remain unchanged.
7. **Protection of Lender's Security; Instrument Secures Future Advances.**
 - (a) If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including all of the following:
 - (i) Lender may pay Attorneys' Fees and Costs.
 - (ii) Lender may pay fees and out-of-pocket expenses of accountants, inspectors and consultants.
 - (iii) Lender may enter upon the Mortgaged Property to make Repairs or secure the Mortgaged Property.
 - (iv) Lender may procure the Insurance required by the Loan Agreement.

- (v) Lender may pay any amounts which Borrower has failed to pay under the Loan Agreement.
- (vi) Lender may perform any of Borrower's obligations under the Loan Agreement.
- (vii) Lender may make advances to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a Prior Lien.
- (b) Any amounts disbursed by Lender under this Section 7, or under any other provision of this Instrument that treats such disbursement as being made under this Section 7, will be secured by this Instrument, will be added to, and become part of, the principal component of the Indebtedness, will be immediately due and payable and will bear interest from the date of disbursement until paid at the Default Annual Interest Rate.
- (c) Nothing in this Section 7 will require Lender to incur any expense or take any action.
8. **Events of Default.** An Event of Default under the Loan Agreement will constitute an Event of Default under this Instrument.
9. **Remedies Cumulative.** Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument, the Loan Agreement or any other Loan Document or afforded by applicable law or equity, and each will be cumulative and may be exercised concurrently, independently or successively, in any order. Lender's exercise of any particular right or remedy will not in any way prevent Lender from exercising any other right or remedy available to Lender. Lender may exercise any such remedies from time to time and as often as Lender chooses.
10. **Waiver of Statute of Limitations, Offsets and Counterclaims.** Borrower waives the right to assert any statute of limitations as a bar to the enforcement of the Lien of this Instrument or to any action brought to enforce any Loan Document. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations under this Instrument will be a valid defense to, or result in any offset against, any payments that Borrower is obligated to make under any of the Loan Documents.
11. **Waiver of Marshalling.**
- (a) Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender will have the right to

determine the order in which any or all of the Mortgaged Property will be subjected to the remedies provided in this Instrument, the Note, the Loan Agreement or any other Loan Document or under applicable law. Lender will have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies.

(b) Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

12. **Reserved.**

13. **Governing Law; Consent to Jurisdiction and Venue.** This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, will be governed by the laws of the Property Jurisdiction. Borrower agrees that any controversy arising under or in relation to the Note, this Instrument or any other Loan Document may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction will have jurisdiction over all controversies that may arise under or in relation to the Note, any security for the Indebtedness or any other Loan Document. Borrower irrevocably consents to service, jurisdiction and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Section 13 is intended to limit Lender's right to bring any suit, action or proceeding relating to matters under this Instrument in any court of any other jurisdiction.

14. **Notice.** All Notices, demands and other communications under or concerning this Instrument will be governed by the terms set forth in the Loan Agreement.

15. **Successors and Assigns Bound.** This Instrument will bind the respective successors and assigns of Borrower and Lender, and the rights granted by this Instrument will inure to Lender's successors and assigns.

16. **Joint and Several Liability.** If more than one Person signs this Instrument as Borrower, the obligations of such Persons will be joint and several.

17. **Relationship of Parties; No Third Party Beneficiary.**

(a) The relationship between Lender and Borrower will be solely that of creditor and debtor, respectively, and nothing contained in this Instrument will create any other relationship between Lender and Borrower. Nothing contained in this

Instrument will constitute Lender as a joint venturer, partner or agent of Borrower, or render Lender liable for any debts, obligations, acts, omissions, representations or contracts of Borrower.

- (b) No creditor of any party to this Instrument and no other Person will be a third party beneficiary of this Instrument or any other Loan Document. Without limiting the generality of the preceding sentence, (i) any arrangement (“**Servicing Arrangement**”) between Lender and any Loan Servicer for loss sharing or interim advancement of funds will constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (ii) Borrower will not be a third party beneficiary of any Servicing Arrangement, and (iii) no payment by the Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

18. Severability; Amendments.

- (a) The invalidity or unenforceability of any provision of this Instrument will not affect the validity or enforceability of any other provision, and all other provisions will remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument.
- (b) This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought.

19. Construction.

- (a) The captions and headings of the Sections of this Instrument are for convenience only and will be disregarded in construing this Instrument. Any reference in this Instrument to a “Section” will, unless otherwise explicitly provided, be construed as referring to a Section of this Instrument.
- (b) Any reference in this Instrument to a statute or regulation will be construed as referring to that statute or regulation as amended from time to time.
- (c) Use of the singular in this Instrument includes the plural and use of the plural includes the singular. The use of one gender includes the other gender, as the context may require.
- (d) As used in this Instrument, the term “including” means “including, but not limited to” and the term “includes” means “includes without limitation.”
- (e) Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument or other document in this Instrument will be construed as referring to such agreement, instrument or other document as from time to time

amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in this Instrument), and (ii) any reference in this Instrument to any Person will be construed to include such Person's successors and assigns.

- (f) Any reference in this Instrument to "Lender's requirements," "as required by Lender," or similar references will be construed, after Securitization, to mean Lender's requirements or standards as determined in accordance with Lender's and Loan Servicer's obligations under the terms of the Securitization documents.

20. **Subrogation.** If, and to the extent that, the proceeds of the Loan evidenced by the Note, or subsequent advances under Section 7, are used to pay, satisfy or discharge a Prior Lien, such loan proceeds or advances will be deemed to have been advanced by Lender at Borrower's request, and Lender will automatically, and without further action on its part, be subrogated to the rights, including Lien priority, of the owner or holder of the obligation secured by the Prior Lien, whether or not the Prior Lien is released.

21-30. **Reserved.**

31. **Acceleration; Remedies.** At any time during the existence of an Event of Default, Lender, at Lender's option, may declare all of the Indebtedness to be immediately due and payable without further demand, and may foreclose this Instrument by judicial proceeding and may invoke any other remedies permitted by Illinois law or provided in this Instrument, the Loan Agreement or in any other Loan Document. The Indebtedness will include, Lender will be entitled to collect, and any decree which adjudicates the amount secured by this Instrument will include, all costs and expenses incurred in pursuing such remedies, including Attorneys' Fees and Costs, costs of documentary evidence, abstracts and title reports, any of which may be estimated to reflect the costs and expenses to be incurred after the entry of such a decree.
32. **Release.** Upon payment of the Indebtedness, Lender will release this Instrument. Borrower will pay Lender's reasonable costs incurred in releasing this Instrument.
33. **Waiver of Homestead and Redemption.** Borrower releases and waives all rights under the homestead and exemption laws of the State of Illinois. Borrower acknowledges that the Mortgaged Property does not include "agricultural real estate" or "residential real estate" as those terms are defined in 735 ILCS 5/15-1201 and 5/15-1219. Pursuant to 735 ILCS 5/15-1601(b), Borrower waives any and all rights of redemption from sale under any order of foreclosure of this Instrument, or other rights of redemption, which may run to Borrower or any other Owner of Redemption, as that term is defined in 735 ILCS 5/15-1212. Borrower waives all rights of reinstatement under 735 ILCS 5/15-1602 to the fullest extent permitted by Illinois law.
34. **Maximum Amount of Indebtedness.** Notwithstanding any provision to the contrary in this Instrument, the Note or any other Loan Document which permits any additional sums

to be advanced on or after the date of this Instrument, whether as additional loans or for any payments authorized by this Instrument, the total amount of the principal component of the Indebtedness will not at any time exceed 300% of the original principal amount of the Note set forth on the first page of this Instrument.

35. Illinois Collateral Protection Act. Unless Borrower provides Lender with evidence of the insurance coverage required by the Loan Documents, Lender may purchase insurance at Borrower's expense to protect Lender's interest in the Mortgaged Property. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower may make or any claim that is made against Borrower in connection with the Mortgaged Property. Borrower may cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by the Loan Documents. If Lender purchases insurance for the Mortgaged Property, Borrower will be responsible for the costs of that insurance, including interest and any other charges that Lender may impose in connection with the placement of such insurance, until the effective date of the cancellation or expiration of such insurance. Without limitation of any other provision of this Instrument, the cost of such insurance will be added to the cost of the Indebtedness secured hereby. The cost of such insurance may be more than the cost of insurance Borrower may be able to obtain on its own.

36. Applicability of Illinois Mortgage Foreclosure Law. To ensure the maximum degree of flexibility of the Loan Documents under the Illinois Mortgage Foreclosure Law, if any provision of this Instrument is inconsistent with any applicable provision of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-101, *et seq.*, as amended from time to time ("Act"), the provisions of the Act will take precedence over the provisions of this Instrument, but the Act will not invalidate or render unenforceable any other provision of this Instrument that can be fairly construed in a manner consistent with the Act. Without in any way limiting any of the Lender's rights, remedies, powers and authorities provided in this Instrument or otherwise, and in addition to all of such rights, remedies, powers and authorities, Lender will also have all rights, remedies, powers and authorities permitted to the holder of a mortgage under the Act. If any provision of this Instrument will grant to Lender any rights, remedies, powers or authorities upon default of the Borrower which are more limited than what would be vested in Lender under the Act in the absence of such provision, Lender will have such rights, remedies, powers and authorities that would be otherwise vested in it under the Act. Without limitation, all expenses (including Attorneys' Fees and Costs) incurred by Lender to the extent reimbursable under 735 ILCS 5/15-1510, 5/15-1512 or any other provision of the Act, whether incurred before or after any judgment of foreclosure, will be added to the Indebtedness and included in the judgment of foreclosure.

37. WAIVER OF TRIAL BY JURY.

(a) **BORROWER AND LENDER EACH COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE**

ARISING OUT OF THIS INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY.

(b) **BORROWER AND LENDER EACH WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.**

38. **This Instrument Secures Future Advances. If and to the extent that any portion of the indebtedness is to be advanced from and after the date of the making of the Loan, Lender agrees to make such advances in accordance with the terms and conditions of the Loan Agreement, which has been executed contemporaneously with this Instrument, and such amounts will be a Lien from the date of recordation of this Instrument as provided in 5/15-1302(b)(1) of the Act.**

39. **Attached Riders. The following Riders are attached to this Instrument: None.**

40. **Attached Exhibits. The following Exhibits, if marked with an "X" in the space provided, are attached to this Instrument:**

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on June 27th, 2016. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of One Million Eight Hundred Twenty-Five Thousand and 00/100 Dollars (U.S. \$1,825,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable January 1st, 2018. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 19-13-330-038-0000

which has the address of 2832 W 63rd St., Chicago, IL 60629 (Also known as 6250 S Mozart) ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

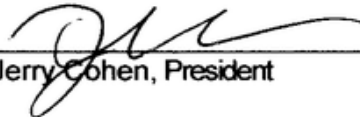

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

3. Assignment of Rents; Appointment of Receiver; Lender in Possession.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Rents.
 - (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower.
 - (ii) Promptly upon request by Lender, Borrower agrees to execute and deliver such further assignments as Lender may from time to time require. Borrower and Lender intend this assignment of Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.

- (iii) For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, Rents will not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on Rents in favor of Lender, which Lien will be effective as of the date of this Instrument.
- (b) (i) Until the occurrence of an Event of Default, Lender hereby grants to Borrower a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender and to apply all Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including Imposition Reserve Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities, Taxes and insurance premiums (to the extent not included in deposits to Reserve Funds), tenant improvements and other capital expenditures.
- (ii) So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be retained by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Instrument.
- (iii) After the occurrence of an Event of Default, and during the continuance of such Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender. From and after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower's license to collect Rents will automatically terminate and Lender will without Notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Borrower will pay to Lender upon demand all Rents to which Lender is entitled.
- (iv) At any time on or after the date of Lender's demand for Rents, Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender. No tenant will be obligated to inquire further as to the occurrence or continuance of an Event of Default. No tenant will be obligated to pay to Borrower any amounts which are actually paid to Lender in response to such a notice. Any such notice by Lender will be

delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Borrower will not interfere with and will cooperate with Lender's collection of such Rents.

- (c) If an Event of Default has occurred and is continuing, then Lender will have each of the following rights and may take any of the following actions:
- (i) Lender may, regardless of the adequacy of Lender's security or the solvency of Borrower and even in the absence of waste, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of Repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing the assignment of Rents pursuant to Section 3(a), protecting the Mortgaged Property or the security of this Instrument, or for such other purposes as Lender in its discretion may deem necessary or desirable.
 - (ii) Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender's security, without regard to Borrower's solvency and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte* if permitted by applicable law.
 - (iii) If Borrower is a housing cooperative corporation or association, Borrower hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including deposits to Reserve Funds, it being acknowledged and agreed that the Indebtedness is an obligation of Borrower and must be paid out of maintenance charges payable by Borrower's tenant shareholders under their proprietary leases or occupancy agreements.
 - (iv) Lender or the receiver, as the case may be, will be entitled to receive a reasonable fee for managing the Mortgaged Property.

- (v) Immediately upon appointment of a receiver or immediately upon Lender's entering upon and taking possession and control of the Mortgaged Property, Borrower will surrender possession of the Mortgaged Property to Lender or the receiver, as the case may be, and will deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property and all security deposits and prepaid Rents.
- (vi) If Lender takes possession and control of the Mortgaged Property, then Lender may exclude Borrower and its representatives from the Mortgaged Property.

Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 3 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

- (d) If Lender enters the Mortgaged Property, Lender will be liable to account only to Borrower and only for those Rents actually received. Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property, by reason of any act or omission of Lender under Section 3(c), and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law.
- (e) If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes will become an additional part of the Indebtedness as provided in Section 7.
- (f) Any entering upon and taking of control of the Mortgaged Property by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument will not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

4. Assignment of Leases; Leases Affecting the Mortgaged Property.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower's right, title and interest in, to and under the Leases, including Borrower's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.

- (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower's right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.
- (ii) For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases will not be deemed to be a part of the Mortgaged Property.
- (iii) However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property Jurisdiction, then the Leases will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on the Leases in favor of Lender, which Lien will be effective as of the date of this Instrument.
- (b) Until Lender gives Notice to Borrower of Lender's exercise of its rights under this Section 4, Borrower will have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this Section or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, and during the continuance of such Event of Default, the permission given to Borrower pursuant to the preceding sentence to exercise all rights, power and authority under Leases will automatically terminate. Borrower will comply with and observe Borrower's obligations under all Leases, including Borrower's obligations pertaining to the maintenance and disposition of tenant security deposits.
- (c) (i) Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this Section 4 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements.
- (ii) The acceptance by Lender of the assignment of the Leases pursuant to Section 4(a) will not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses.
- (iii) Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable in any way for any injury or damage to person or property sustained by any Person in or about the Mortgaged Property.

- (iv) Prior to Lender's actual entry into and taking possession of the Mortgaged Property, Lender will not be obligated for any of the following:
 - (A) Lender will not be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease).
 - (B) Lender will not be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property.
 - (C) Lender will not be responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property. The execution of this Instrument by Borrower will constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and will be that of Borrower, prior to such actual entry and taking of possession.
- (d) Upon delivery of Notice by Lender to Borrower of Lender's exercise of Lender's rights under this Section 4 at any time after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately will have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.
- (e) Borrower will, promptly upon Lender's request, deliver to Lender an executed copy of each residential Lease then in effect.
- (f) If Borrower is a cooperative housing corporation or association, notwithstanding anything to the contrary contained in this Instrument, so long as Borrower remains a cooperative housing corporation or association and is not in breach of any covenant of this Instrument, Lender consents to the following:
 - (i) Borrower may execute leases of apartments for a term in excess of 2 years to a tenant shareholder of Borrower, so long as such leases, including proprietary leases, are and will remain subordinate to the Lien of this Instrument.
 - (ii) Borrower may surrender or terminate such leases of apartments where the surrendered or terminated lease is immediately replaced or where Borrower makes its best efforts to secure such immediate replacement by a newly-executed lease of the same apartment to a tenant shareholder of

Borrower. However, no consent is given by Lender to any execution, surrender, termination or assignment of a lease under terms that would waive or reduce the obligation of the resulting tenant shareholder under such lease to pay cooperative assessments in full when due or the obligation of the former tenant shareholder to pay any unpaid portion of such assessments.

5. **Prepayment Charge.** Borrower will be required to pay a Prepayment charge in connection with certain prepayments of the Indebtedness, including a payment made after Lender's exercise of any right of acceleration of the Indebtedness, as provided in the Note.
6. **Application of Payments.** If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount that is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized will constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower's obligations under this Instrument, the Note and all other Loan Documents will remain unchanged.
7. **Protection of Lender's Security; Instrument Secures Future Advances.**
 - (a) If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including all of the following:
 - (i) Lender may pay Attorneys' Fees and Costs.
 - (ii) Lender may pay fees and out-of-pocket expenses of accountants, inspectors and consultants.
 - (iii) Lender may enter upon the Mortgaged Property to make Repairs or secure the Mortgaged Property.
 - (iv) Lender may procure the Insurance required by the Loan Agreement.

- (v) Lender may pay any amounts which Borrower has failed to pay under the Loan Agreement.
- (vi) Lender may perform any of Borrower's obligations under the Loan Agreement.
- (vii) Lender may make advances to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a Prior Lien.
- (b) Any amounts disbursed by Lender under this Section 7, or under any other provision of this Instrument that treats such disbursement as being made under this Section 7, will be secured by this Instrument, will be added to, and become part of, the principal component of the Indebtedness, will be immediately due and payable and will bear interest from the date of disbursement until paid at the Default Annual Interest Rate.
- (c) Nothing in this Section 7 will require Lender to incur any expense or take any action.
8. **Events of Default.** An Event of Default under the Loan Agreement will constitute an Event of Default under this Instrument.
9. **Remedies Cumulative.** Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument, the Loan Agreement or any other Loan Document or afforded by applicable law or equity, and each will be cumulative and may be exercised concurrently, independently or successively, in any order. Lender's exercise of any particular right or remedy will not in any way prevent Lender from exercising any other right or remedy available to Lender. Lender may exercise any such remedies from time to time and as often as Lender chooses.
10. **Waiver of Statute of Limitations, Offsets and Counterclaims.** Borrower waives the right to assert any statute of limitations as a bar to the enforcement of the Lien of this Instrument or to any action brought to enforce any Loan Document. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations under this Instrument will be a valid defense to, or result in any offset against, any payments that Borrower is obligated to make under any of the Loan Documents.
11. **Waiver of Marshalling.**
- (a) Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender will have the right to

determine the order in which any or all of the Mortgaged Property will be subjected to the remedies provided in this Instrument, the Note, the Loan Agreement or any other Loan Document or under applicable law. Lender will have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies.

- (b) Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

12. **Reserved.**

13. **Governing Law; Consent to Jurisdiction and Venue.** This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, will be governed by the laws of the Property Jurisdiction. Borrower agrees that any controversy arising under or in relation to the Note, this Instrument or any other Loan Document may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction will have jurisdiction over all controversies that may arise under or in relation to the Note, any security for the Indebtedness or any other Loan Document. Borrower irrevocably consents to service, jurisdiction and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Section 13 is intended to limit Lender's right to bring any suit, action or proceeding relating to matters under this Instrument in any court of any other jurisdiction.

14. **Notice.** All Notices, demands and other communications under or concerning this Instrument will be governed by the terms set forth in the Loan Agreement.

15. **Successors and Assigns Bound.** This Instrument will bind the respective successors and assigns of Borrower and Lender, and the rights granted by this Instrument will inure to Lender's successors and assigns.

16. **Joint and Several Liability.** If more than one Person signs this Instrument as Borrower, the obligations of such Persons will be joint and several.

17. **Relationship of Parties; No Third Party Beneficiary.**

- (a) The relationship between Lender and Borrower will be solely that of creditor and debtor, respectively, and nothing contained in this Instrument will create any other relationship between Lender and Borrower. Nothing contained in this

Instrument will constitute Lender as a joint venturer, partner or agent of Borrower, or render Lender liable for any debts, obligations, acts, omissions, representations or contracts of Borrower.

- (b) No creditor of any party to this Instrument and no other Person will be a third party beneficiary of this Instrument or any other Loan Document. Without limiting the generality of the preceding sentence, (i) any arrangement (“**Servicing Arrangement**”) between Lender and any Loan Servicer for loss sharing or interim advancement of funds will constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (ii) Borrower will not be a third party beneficiary of any Servicing Arrangement, and (iii) no payment by the Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

18. Severability; Amendments.

- (a) The invalidity or unenforceability of any provision of this Instrument will not affect the validity or enforceability of any other provision, and all other provisions will remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument.
- (b) This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought.

19. Construction.

- (a) The captions and headings of the Sections of this Instrument are for convenience only and will be disregarded in construing this Instrument. Any reference in this Instrument to a “Section” will, unless otherwise explicitly provided, be construed as referring to a Section of this Instrument.
- (b) Any reference in this Instrument to a statute or regulation will be construed as referring to that statute or regulation as amended from time to time.
- (c) Use of the singular in this Instrument includes the plural and use of the plural includes the singular. The use of one gender includes the other gender, as the context may require.
- (d) As used in this Instrument, the term “including” means “including, but not limited to” and the term “includes” means “includes without limitation.”
- (e) Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument or other document in this Instrument will be construed as referring to such agreement, instrument or other document as from time to time

amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in this Instrument), and (ii) any reference in this Instrument to any Person will be construed to include such Person's successors and assigns.

- (f) Any reference in this Instrument to "Lender's requirements," "as required by Lender," or similar references will be construed, after Securitization, to mean Lender's requirements or standards as determined in accordance with Lender's and Loan Servicer's obligations under the terms of the Securitization documents.

20. Subrogation. If, and to the extent that, the proceeds of the Loan evidenced by the Note, or subsequent advances under Section 7, are used to pay, satisfy or discharge a Prior Lien, such loan proceeds or advances will be deemed to have been advanced by Lender at Borrower's request, and Lender will automatically, and without further action on its part, be subrogated to the rights, including Lien priority, of the owner or holder of the obligation secured by the Prior Lien, whether or not the Prior Lien is released.

21-30. Reserved.

31. Acceleration; Remedies. At any time during the existence of an Event of Default, Lender, at Lender's option, may declare all of the Indebtedness to be immediately due and payable without further demand, and may foreclose this Instrument by judicial proceeding and may invoke any other remedies permitted by Illinois law or provided in this Instrument, the Loan Agreement or in any other Loan Document. The Indebtedness will include, Lender will be entitled to collect, and any decree which adjudicates the amount secured by this Instrument will include, all costs and expenses incurred in pursuing such remedies, including Attorneys' Fees and Costs, costs of documentary evidence, abstracts and title reports, any of which may be estimated to reflect the costs and expenses to be incurred after the entry of such a decree.

32. Release. Upon payment of the Indebtedness, Lender will release this Instrument. Borrower will pay Lender's reasonable costs incurred in releasing this Instrument.

33. Waiver of Homestead and Redemption. Borrower releases and waives all rights under the homestead and exemption laws of the State of Illinois. Borrower acknowledges that the Mortgaged Property does not include "agricultural real estate" or "residential real estate" as those terms are defined in 735 ILCS 5/15-1201 and 5/15-1219. Pursuant to 735 ILCS 5/15-1601(b), Borrower waives any and all rights of redemption from sale under any order of foreclosure of this Instrument, or other rights of redemption, which may run to Borrower or any other Owner of Redemption, as that term is defined in 735 ILCS 5/15-1212. Borrower waives all rights of reinstatement under 735 ILCS 5/15-1602 to the fullest extent permitted by Illinois law.

34. Maximum Amount of Indebtedness. Notwithstanding any provision to the contrary in this Instrument, the Note or any other Loan Document which permits any additional sums

to be advanced on or after the date of this Instrument, whether as additional loans or for any payments authorized by this Instrument, the total amount of the principal component of the Indebtedness will not at any time exceed 300% of the original principal amount of the Note set forth on the first page of this Instrument.

35. Illinois Collateral Protection Act. Unless Borrower provides Lender with evidence of the insurance coverage required by the Loan Documents, Lender may purchase insurance at Borrower's expense to protect Lender's interest in the Mortgaged Property. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower may make or any claim that is made against Borrower in connection with the Mortgaged Property. Borrower may cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by the Loan Documents. If Lender purchases insurance for the Mortgaged Property, Borrower will be responsible for the costs of that insurance, including interest and any other charges that Lender may impose in connection with the placement of such insurance, until the effective date of the cancellation or expiration of such insurance. Without limitation of any other provision of this Instrument, the cost of such insurance will be added to the cost of the Indebtedness secured hereby. The cost of such insurance may be more than the cost of insurance Borrower may be able to obtain on its own.

36. Applicability of Illinois Mortgage Foreclosure Law. To ensure the maximum degree of flexibility of the Loan Documents under the Illinois Mortgage Foreclosure Law, if any provision of this Instrument is inconsistent with any applicable provision of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-101, *et seq.*, as amended from time to time ("Act"), the provisions of the Act will take precedence over the provisions of this Instrument, but the Act will not invalidate or render unenforceable any other provision of this Instrument that can be fairly construed in a manner consistent with the Act. Without in any way limiting any of the Lender's rights, remedies, powers and authorities provided in this Instrument or otherwise, and in addition to all of such rights, remedies, powers and authorities, Lender will also have all rights, remedies, powers and authorities permitted to the holder of a mortgage under the Act. If any provision of this Instrument will grant to Lender any rights, remedies, powers or authorities upon default of the Borrower which are more limited than what would be vested in Lender under the Act in the absence of such provision, Lender will have such rights, remedies, powers and authorities that would be otherwise vested in it under the Act. Without limitation, all expenses (including Attorneys' Fees and Costs) incurred by Lender to the extent reimbursable under 735 ILCS 5/15-1510, 5/15-1512 or any other provision of the Act, whether incurred before or after any judgment of foreclosure, will be added to the Indebtedness and included in the judgment of foreclosure.

37. WAIVER OF TRIAL BY JURY.

(a) **BORROWER AND LENDER EACH COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE**

ARISING OUT OF THIS INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY.

(b) **BORROWER AND LENDER EACH WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.**

38. This Instrument Secures Future Advances. If and to the extent that any portion of the indebtedness is to be advanced from and after the date of the making of the Loan, Lender agrees to make such advances in accordance with the terms and conditions of the Loan Agreement, which has been executed contemporaneously with this Instrument, and such amounts will be a Lien from the date of recordation of this Instrument as provided in 5/15-1302(b)(1) of the Act.

2. Uniform Commercial Code Security Agreement.

- (a) This Instrument is also a security agreement under the UCC for any of the Mortgaged Property which, under applicable law, may be subjected to a security interest under the UCC, for the purpose of securing Borrower's obligations under

this Instrument and to further secure Borrower's obligations under the Note, this Instrument and other Loan Documents, whether such Mortgaged Property is owned now or acquired in the future, and all products and cash and non-cash proceeds thereof (collectively, "UCC Collateral"), and by this Instrument, Borrower grants to Lender a security interest under the UCC in the UCC Collateral. To the extent necessary under applicable law, Borrower hereby authorizes Lender to prepare and file financing statements, continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest.

- (b) Unless Borrower gives Notice to Lender within 30 days after the occurrence of any of the following, and executes and delivers to Lender modifications or supplements of this Instrument (and any financing statement which may be filed in connection with this Instrument) as Lender may require, Borrower will not (i) change its name, identity, structure or jurisdiction of organization; (ii) change the location of its place of business (or chief executive office if more than one place of business); or (iii) add to or change any location at which any of the Mortgaged Property is stored, held or located.
- (c) If an Event of Default has occurred and is continuing, Lender will have the remedies of a secured party under the UCC, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Lender's other remedies.
- (d) This Instrument also constitutes a financing statement with respect to any part of the Mortgaged Property that is or may become a Fixture, if permitted by applicable law.

3. Assignment of Rents; Appointment of Receiver; Lender in Possession.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Rents.
- (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower.
- (ii) Promptly upon request by Lender, Borrower agrees to execute and deliver such further assignments as Lender may from time to time require. Borrower and Lender intend this assignment of Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.

(iii) For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, Rents will not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on Rents in favor of Lender, which Lien will be effective as of the date of this Instrument.

(b) (i) Until the occurrence of an Event of Default, Lender hereby grants to Borrower a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender and to apply all Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including Imposition Reserve Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities, Taxes and insurance premiums (to the extent not included in deposits to Reserve Funds), tenant improvements and other capital expenditures.

(ii) So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be retained by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Instrument.

(iii) After the occurrence of an Event of Default, and during the continuance of such Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender. From and after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower's license to collect Rents will automatically terminate and Lender will without Notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Borrower will pay to Lender upon demand all Rents to which Lender is entitled.

(iv) At any time on or after the date of Lender's demand for Rents, Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender. No tenant will be obligated to inquire further as to the occurrence or continuance of an Event of Default. No tenant will be obligated to pay to Borrower any amounts which are actually paid to Lender in response to such a notice. Any such notice by Lender will be

delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Borrower will not interfere with and will cooperate with Lender's collection of such Rents.

- (c) If an Event of Default has occurred and is continuing, then Lender will have each of the following rights and may take any of the following actions:
- (i) Lender may, regardless of the adequacy of Lender's security or the solvency of Borrower and even in the absence of waste, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of Repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing the assignment of Rents pursuant to Section 3(a), protecting the Mortgaged Property or the security of this Instrument, or for such other purposes as Lender in its discretion may deem necessary or desirable.
 - (ii) Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender's security, without regard to Borrower's solvency and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte* if permitted by applicable law.
 - (iii) If Borrower is a housing cooperative corporation or association, Borrower hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including deposits to Reserve Funds, it being acknowledged and agreed that the Indebtedness is an obligation of Borrower and must be paid out of maintenance charges payable by Borrower's tenant shareholders under their proprietary leases or occupancy agreements.
 - (iv) Lender or the receiver, as the case may be, will be entitled to receive a reasonable fee for managing the Mortgaged Property.

(v) Immediately upon appointment of a receiver or immediately upon Lender's entering upon and taking possession and control of the Mortgaged Property, Borrower will surrender possession of the Mortgaged Property to Lender or the receiver, as the case may be, and will deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property and all security deposits and prepaid Rents.

(vi) If Lender takes possession and control of the Mortgaged Property, then Lender may exclude Borrower and its representatives from the Mortgaged Property.

Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 3 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

- (d) If Lender enters the Mortgaged Property, Lender will be liable to account only to Borrower and only for those Rents actually received. Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property, by reason of any act or omission of Lender under Section 3(c), and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law.
- (e) If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes will become an additional part of the Indebtedness as provided in Section 7.
- (f) Any entering upon and taking of control of the Mortgaged Property by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument will not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

4. Assignment of Leases; Leases Affecting the Mortgaged Property.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower's right, title and interest in, to and under the Leases, including Borrower's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.

- (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower's right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.
- (ii) For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases will not be deemed to be a part of the Mortgaged Property.
- (iii) However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property Jurisdiction, then the Leases will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on the Leases in favor of Lender, which Lien will be effective as of the date of this Instrument.

(b) Until Lender gives Notice to Borrower of Lender's exercise of its rights under this Section 4, Borrower will have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this Section or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, and during the continuance of such Event of Default, the permission given to Borrower pursuant to the preceding sentence to exercise all rights, power and authority under Leases will automatically terminate. Borrower will comply with and observe Borrower's obligations under all Leases, including Borrower's obligations pertaining to the maintenance and disposition of tenant security deposits.

- (c) (i) Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this Section 4 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements.
- (ii) The acceptance by Lender of the assignment of the Leases pursuant to Section 4(a) will not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses.
- (iii) Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable in any way for any injury or damage to person or property sustained by any Person in or about the Mortgaged Property.

- (iv) Prior to Lender's actual entry into and taking possession of the Mortgaged Property, Lender will not be obligated for any of the following:
- (A) Lender will not be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease).
 - (B) Lender will not be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property.
 - (C) Lender will not be responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property. The execution of this Instrument by Borrower will constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and will be that of Borrower, prior to such actual entry and taking of possession.
- (d) Upon delivery of Notice by Lender to Borrower of Lender's exercise of Lender's rights under this Section 4 at any time after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately will have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.
- (e) Borrower will, promptly upon Lender's request, deliver to Lender an executed copy of each residential Lease then in effect.
- (f) If Borrower is a cooperative housing corporation or association, notwithstanding anything to the contrary contained in this Instrument, so long as Borrower remains a cooperative housing corporation or association and is not in breach of any covenant of this Instrument, Lender consents to the following:
- (i) Borrower may execute leases of apartments for a term in excess of 2 years to a tenant shareholder of Borrower, so long as such leases, including proprietary leases, are and will remain subordinate to the Lien of this Instrument.
 - (ii) Borrower may surrender or terminate such leases of apartments where the surrendered or terminated lease is immediately replaced or where Borrower makes its best efforts to secure such immediate replacement by a newly-executed lease of the same apartment to a tenant shareholder of

Borrower. However, no consent is given by Lender to any execution, surrender, termination or assignment of a lease under terms that would waive or reduce the obligation of the resulting tenant shareholder under such lease to pay cooperative assessments in full when due or the obligation of the former tenant shareholder to pay any unpaid portion of such assessments.

5. **Prepayment Charge.** Borrower will be required to pay a Prepayment charge in connection with certain prepayments of the Indebtedness, including a payment made after Lender's exercise of any right of acceleration of the Indebtedness, as provided in the Note.
6. **Application of Payments.** If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount that is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized will constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower's obligations under this Instrument, the Note and all other Loan Documents will remain unchanged.
7. **Protection of Lender's Security; Instrument Secures Future Advances.**
- (a) If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including all of the following:
- (i) Lender may pay Attorneys' Fees and Costs.
 - (ii) Lender may pay fees and out-of-pocket expenses of accountants, inspectors and consultants.
 - (iii) Lender may enter upon the Mortgaged Property to make Repairs or secure the Mortgaged Property.
 - (iv) Lender may procure the Insurance required by the Loan Agreement.

- (v) Lender may pay any amounts which Borrower has failed to pay under the Loan Agreement.
- (vi) Lender may perform any of Borrower's obligations under the Loan Agreement.
- (vii) Lender may make advances to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a Prior Lien.
- (b) Any amounts disbursed by Lender under this Section 7, or under any other provision of this Instrument that treats such disbursement as being made under this Section 7, will be secured by this Instrument, will be added to, and become part of, the principal component of the Indebtedness, will be immediately due and payable and will bear interest from the date of disbursement until paid at the Default Annual Interest Rate.
- (c) Nothing in this Section 7 will require Lender to incur any expense or take any action.
8. **Events of Default.** An Event of Default under the Loan Agreement will constitute an Event of Default under this Instrument.
9. **Remedies Cumulative.** Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument, the Loan Agreement or any other Loan Document or afforded by applicable law or equity, and each will be cumulative and may be exercised concurrently, independently or successively, in any order. Lender's exercise of any particular right or remedy will not in any way prevent Lender from exercising any other right or remedy available to Lender. Lender may exercise any such remedies from time to time and as often as Lender chooses.
10. **Waiver of Statute of Limitations, Offsets and Counterclaims.** Borrower waives the right to assert any statute of limitations as a bar to the enforcement of the Lien of this Instrument or to any action brought to enforce any Loan Document. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations under this Instrument will be a valid defense to, or result in any offset against, any payments that Borrower is obligated to make under any of the Loan Documents.
11. **Waiver of Marshalling.**
- (a) Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender will have the right to

determine the order in which any or all of the Mortgaged Property will be subjected to the remedies provided in this Instrument, the Note, the Loan Agreement or any other Loan Document or under applicable law. Lender will have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies.

(b) Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

12. **Reserved.**

13. **Governing Law; Consent to Jurisdiction and Venue.** This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, will be governed by the laws of the Property Jurisdiction. Borrower agrees that any controversy arising under or in relation to the Note, this Instrument or any other Loan Document may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction will have jurisdiction over all controversies that may arise under or in relation to the Note, any security for the Indebtedness or any other Loan Document. Borrower irrevocably consents to service, jurisdiction and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Section 13 is intended to limit Lender's right to bring any suit, action or proceeding relating to matters under this Instrument in any court of any other jurisdiction.

14. **Notice.** All Notices, demands and other communications under or concerning this Instrument will be governed by the terms set forth in the Loan Agreement.

15. **Successors and Assigns Bound.** This Instrument will bind the respective successors and assigns of Borrower and Lender, and the rights granted by this Instrument will inure to Lender's successors and assigns.

16. **Joint and Several Liability.** If more than one Person signs this Instrument as Borrower, the obligations of such Persons will be joint and several.

17. **Relationship of Parties; No Third Party Beneficiary.**

(a) The relationship between Lender and Borrower will be solely that of creditor and debtor, respectively, and nothing contained in this Instrument will create any other relationship between Lender and Borrower. Nothing contained in this

Instrument will constitute Lender as a joint venturer, partner or agent of Borrower, or render Lender liable for any debts, obligations, acts, omissions, representations or contracts of Borrower.

- (b) No creditor of any party to this Instrument and no other Person will be a third party beneficiary of this Instrument or any other Loan Document. Without limiting the generality of the preceding sentence, (i) any arrangement ("**Servicing Arrangement**") between Lender and any Loan Servicer for loss sharing or interim advancement of funds will constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (ii) Borrower will not be a third party beneficiary of any Servicing Arrangement, and (iii) no payment by the Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

18. Severability; Amendments.

- (a) The invalidity or unenforceability of any provision of this Instrument will not affect the validity or enforceability of any other provision, and all other provisions will remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument.
- (b) This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought.

19. Construction.

- (a) The captions and headings of the Sections of this Instrument are for convenience only and will be disregarded in construing this Instrument. Any reference in this Instrument to a "Section" will, unless otherwise explicitly provided, be construed as referring to a Section of this Instrument.
- (b) Any reference in this Instrument to a statute or regulation will be construed as referring to that statute or regulation as amended from time to time.
- (c) Use of the singular in this Instrument includes the plural and use of the plural includes the singular. The use of one gender includes the other gender, as the context may require.
- (d) As used in this Instrument, the term "including" means "including, but not limited to" and the term "includes" means "includes without limitation."
- (e) Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument or other document in this Instrument will be construed as referring to such agreement, instrument or other document as from time to time

amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in this Instrument), and (ii) any reference in this Instrument to any Person will be construed to include such Person's successors and assigns.

- (f) Any reference in this Instrument to "Lender's requirements," "as required by Lender," or similar references will be construed, after Securitization, to mean Lender's requirements or standards as determined in accordance with Lender's and Loan Servicer's obligations under the terms of the Securitization documents.
20. **Subrogation.** If, and to the extent that, the proceeds of the Loan evidenced by the Note, or subsequent advances under Section 7, are used to pay, satisfy or discharge a Prior Lien, such loan proceeds or advances will be deemed to have been advanced by Lender at Borrower's request, and Lender will automatically, and without further action on its part, be subrogated to the rights, including Lien priority, of the owner or holder of the obligation secured by the Prior Lien, whether or not the Prior Lien is released.
- 21-30. **Reserved.**
31. **Acceleration; Remedies.** At any time during the existence of an Event of Default, Lender, at Lender's option, may declare all of the Indebtedness to be immediately due and payable without further demand, and may foreclose this Instrument by judicial proceeding and may invoke any other remedies permitted by Illinois law or provided in this Instrument, the Loan Agreement or in any other Loan Document. The Indebtedness will include, Lender will be entitled to collect, and any decree which adjudicates the amount secured by this Instrument will include, all costs and expenses incurred in pursuing such remedies, including Attorneys' Fees and Costs, costs of documentary evidence, abstracts and title reports, any of which may be estimated to reflect the costs and expenses to be incurred after the entry of such a decree.
32. **Release.** Upon payment of the Indebtedness, Lender will release this Instrument. Borrower will pay Lender's reasonable costs incurred in releasing this Instrument.
33. **Waiver of Homestead and Redemption.** Borrower releases and waives all rights under the homestead and exemption laws of the State of Illinois. Borrower acknowledges that the Mortgaged Property does not include "agricultural real estate" or "residential real estate" as those terms are defined in 735 ILCS 5/15-1201 and 5/15-1219. Pursuant to 735 ILCS 5/15-1601(b), Borrower waives any and all rights of redemption from sale under any order of foreclosure of this Instrument, or other rights of redemption, which may run to Borrower or any other Owner of Redemption, as that term is defined in 735 ILCS 5/15-1212. Borrower waives all rights of reinstatement under 735 ILCS 5/15-1602 to the fullest extent permitted by Illinois law.
34. **Maximum Amount of Indebtedness.** Notwithstanding any provision to the contrary in this Instrument, the Note or any other Loan Document which permits any additional sums

to be advanced on or after the date of this Instrument, whether as additional loans or for any payments authorized by this Instrument, the total amount of the principal component of the Indebtedness will not at any time exceed 300% of the original principal amount of the Note set forth on the first page of this Instrument.

35. **Illinois Collateral Protection Act.** Unless Borrower provides Lender with evidence of the insurance coverage required by the Loan Documents, Lender may purchase insurance at Borrower's expense to protect Lender's interest in the Mortgaged Property. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower may make or any claim that is made against Borrower in connection with the Mortgaged Property. Borrower may cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by the Loan Documents. If Lender purchases insurance for the Mortgaged Property, Borrower will be responsible for the costs of that insurance, including interest and any other charges that Lender may impose in connection with the placement of such insurance, until the effective date of the cancellation or expiration of such insurance. Without limitation of any other provision of this Instrument, the cost of such insurance will be added to the cost of the Indebtedness secured hereby. The cost of such insurance may be more than the cost of insurance Borrower may be able to obtain on its own.

36. **Applicability of Illinois Mortgage Foreclosure Law.** To ensure the maximum degree of flexibility of the Loan Documents under the Illinois Mortgage Foreclosure Law, if any provision of this Instrument is inconsistent with any applicable provision of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-101, *et seq.*, as amended from time to time ("Act"), the provisions of the Act will take precedence over the provisions of this Instrument, but the Act will not invalidate or render unenforceable any other provision of this Instrument that can be fairly construed in a manner consistent with the Act. Without in any way limiting any of the Lender's rights, remedies, powers and authorities provided in this Instrument or otherwise, and in addition to all of such rights, remedies, powers and authorities, Lender will also have all rights, remedies, powers and authorities permitted to the holder of a mortgage under the Act. If any provision of this Instrument will grant to Lender any rights, remedies, powers or authorities upon default of the Borrower which are more limited than what would be vested in Lender under the Act in the absence of such provision, Lender will have such rights, remedies, powers and authorities that would be otherwise vested in it under the Act. Without limitation, all expenses (including Attorneys' Fees and Costs) incurred by Lender to the extent reimbursable under 735 ILCS 5/15-1510, 5/15-1512 or any other provision of the Act, whether incurred before or after any judgment of foreclosure, will be added to the Indebtedness and included in the judgment of foreclosure.

37. **WAIVER OF TRIAL BY JURY.**

(b) **BORROWER AND LENDER EACH WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.**

38. **This Instrument Secures Future Advances. If and to the extent that any portion of the Indebtedness is to be advanced from and after the date of the making of the Loan, Lender agrees to make such advances in accordance with the terms and conditions of the Loan Agreement, which has been executed contemporaneously with this Instrument, and such amounts will be a Lien from the date of recordation of this Instrument as provided in 5/15-1302(b)(1) of the Act.**

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on December 15th, 2016. The mortgagor is 4611-17 S Drexel, LLC ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Five Million Two Hundred Fifty Thousand and 00/100 Dollars (U.S. \$5,250,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable June 1st, 2018. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-02-316-003-0000

which has the address of 4611-15 S Drexel Blvd., Chicago, IL 60653 ("Property Address"),

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

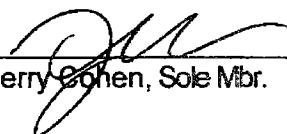

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

2. **Uniform Commercial Code Security Agreement.**

- (a) This Instrument is also a security agreement under the UCC for any of the Mortgaged Property which, under applicable law, may be subjected to a security interest under the UCC, for the purpose of securing Borrower’s obligations under

this Instrument and to further secure Borrower's obligations under the Note, this Instrument and other Loan Documents, whether such Mortgaged Property is owned now or acquired in the future, and all products and cash and non-cash proceeds thereof (collectively, "UCC Collateral"), and by this Instrument, Borrower grants to Lender a security interest under the UCC in the UCC Collateral. To the extent necessary under applicable law, Borrower hereby authorizes Lender to prepare and file financing statements, continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest.

- (b) Unless Borrower gives Notice to Lender within 30 days after the occurrence of any of the following, and executes and delivers to Lender modifications or supplements of this Instrument (and any financing statement which may be filed in connection with this Instrument) as Lender may require, Borrower will not (i) change its name, identity, structure or jurisdiction of organization; (ii) change the location of its place of business (or chief executive office if more than one place of business); or (iii) add to or change any location at which any of the Mortgaged Property is stored, held or located.
- (c) If an Event of Default has occurred and is continuing, Lender will have the remedies of a secured party under the UCC, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Lender's other remedies.
- (d) This Instrument also constitutes a financing statement with respect to any part of the Mortgaged Property that is or may become a Fixture, if permitted by applicable law.

3. Assignment of Rents; Appointment of Receiver; Lender in Possession.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Rents.
 - (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower.
 - (ii) Promptly upon request by Lender, Borrower agrees to execute and deliver such further assignments as Lender may from time to time require. Borrower and Lender intend this assignment of Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.

- (iii) For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, Rents will not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on Rents in favor of Lender, which Lien will be effective as of the date of this Instrument.
- (b) (i) Until the occurrence of an Event of Default, Lender hereby grants to Borrower a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender and to apply all Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including Imposition Reserve Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities, Taxes and insurance premiums (to the extent not included in deposits to Reserve Funds), tenant improvements and other capital expenditures.
- (ii) So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be retained by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Instrument.
- (iii) After the occurrence of an Event of Default, and during the continuance of such Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender. From and after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower's license to collect Rents will automatically terminate and Lender will without Notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Borrower will pay to Lender upon demand all Rents to which Lender is entitled.
- (iv) At any time on or after the date of Lender's demand for Rents, Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender. No tenant will be obligated to inquire further as to the occurrence or continuance of an Event of Default. No tenant will be obligated to pay to Borrower any amounts which are actually paid to Lender in response to such a notice. Any such notice by Lender will be

delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Borrower will not interfere with and will cooperate with Lender's collection of such Rents.

- (c) If an Event of Default has occurred and is continuing, then Lender will have each of the following rights and may take any of the following actions:
- (i) Lender may, regardless of the adequacy of Lender's security or the solvency of Borrower and even in the absence of waste, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of Repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing the assignment of Rents pursuant to Section 3(a), protecting the Mortgaged Property or the security of this Instrument, or for such other purposes as Lender in its discretion may deem necessary or desirable.
 - (ii) Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender's security, without regard to Borrower's solvency and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte* if permitted by applicable law.
 - (iii) If Borrower is a housing cooperative corporation or association, Borrower hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including deposits to Reserve Funds, it being acknowledged and agreed that the Indebtedness is an obligation of Borrower and must be paid out of maintenance charges payable by Borrower's tenant shareholders under their proprietary leases or occupancy agreements.
 - (iv) Lender or the receiver, as the case may be, will be entitled to receive a reasonable fee for managing the Mortgaged Property.

- (v) Immediately upon appointment of a receiver or immediately upon Lender's entering upon and taking possession and control of the Mortgaged Property, Borrower will surrender possession of the Mortgaged Property to Lender or the receiver, as the case may be, and will deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property and all security deposits and prepaid Rents.
- (vi) If Lender takes possession and control of the Mortgaged Property, then Lender may exclude Borrower and its representatives from the Mortgaged Property.

Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 3 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

- (d) If Lender enters the Mortgaged Property, Lender will be liable to account only to Borrower and only for those Rents actually received. Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property, by reason of any act or omission of Lender under Section 3(c), and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law.
- (e) If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes will become an additional part of the Indebtedness as provided in Section 7.
- (f) Any entering upon and taking of control of the Mortgaged Property by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument will not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

4. Assignment of Leases; Leases Affecting the Mortgaged Property.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower's right, title and interest in, to and under the Leases, including Borrower's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.

- (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower's right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.
- (ii) For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases will not be deemed to be a part of the Mortgaged Property.
- (iii) However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property Jurisdiction, then the Leases will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on the Leases in favor of Lender, which Lien will be effective as of the date of this Instrument.
- (b) Until Lender gives Notice to Borrower of Lender's exercise of its rights under this Section 4, Borrower will have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this Section or any other provision of this Instrument) including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, and during the continuance of such Event of Default, the permission given to Borrower pursuant to the preceding sentence to exercise all rights, power and authority under Leases will automatically terminate. Borrower will comply with and observe Borrower's obligations under all Leases, including Borrower's obligations pertaining to the maintenance and disposition of tenant security deposits.
- (c) (i) Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this Section 4 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements.
- (ii) The acceptance by Lender of the assignment of the Leases pursuant to Section 4(a) will not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses.
- (iii) Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable in any way for any injury or damage to person or property sustained by any Person in or about the Mortgaged Property.

- (iv) Prior to Lender's actual entry into and taking possession of the Mortgaged Property, Lender will not be obligated for any of the following:
- (A) Lender will not be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease).
 - (B) Lender will not be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property.
 - (C) Lender will not be responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property. The execution of this Instrument by Borrower will constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and will be that of Borrower, prior to such actual entry and taking of possession.
- (d) Upon delivery of Notice by Lender to Borrower of Lender's exercise of Lender's rights under this Section 4 at any time after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately will have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.
- (e) Borrower will, promptly upon Lender's request, deliver to Lender an executed copy of each residential Lease then in effect.
- (f) If Borrower is a cooperative housing corporation or association, notwithstanding anything to the contrary contained in this Instrument, so long as Borrower remains a cooperative housing corporation or association and is not in breach of any covenant of this Instrument, Lender consents to the following:
- (i) Borrower may execute leases of apartments for a term in excess of 2 years to a tenant shareholder of Borrower, so long as such leases, including proprietary leases, are and will remain subordinate to the Lien of this Instrument.
 - (ii) Borrower may surrender or terminate such leases of apartments where the surrendered or terminated lease is immediately replaced or where Borrower makes its best efforts to secure such immediate replacement by a newly-executed lease of the same apartment to a tenant shareholder of

Borrower. However, no consent is given by Lender to any execution, surrender, termination or assignment of a lease under terms that would waive or reduce the obligation of the resulting tenant shareholder under such lease to pay cooperative assessments in full when due or the obligation of the former tenant shareholder to pay any unpaid portion of such assessments.

5. **Prepayment Charge.** Borrower will be required to pay a Prepayment charge in connection with certain prepayments of the Indebtedness, including a payment made after Lender's exercise of any right of acceleration of the Indebtedness, as provided in the Note.

6. **Application of Payments.** If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount that is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized will constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower's obligations under this Instrument, the Note and all other Loan Documents will remain unchanged.

7. **Protection of Lender's Security; Instrument Secures Future Advances.**

(a) If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including all of the following:

- (i) Lender may pay Attorneys' Fees and Costs.
- (ii) Lender may pay fees and out-of-pocket expenses of accountants, inspectors and consultants.
- (iii) Lender may enter upon the Mortgaged Property to make Repairs or secure the Mortgaged Property.
- (iv) Lender may procure the Insurance required by the Loan Agreement.

- (v) Lender may pay any amounts which Borrower has failed to pay under the Loan Agreement.
 - (vi) Lender may perform any of Borrower's obligations under the Loan Agreement.
 - (vii) Lender may make advances to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a Prior Lien.
- (b) Any amounts disbursed by Lender under this Section 7, or under any other provision of this Instrument that treats such disbursement as being made under this Section 7, will be secured by this Instrument, will be added to, and become part of, the principal component of the Indebtedness, will be immediately due and payable and will bear interest from the date of disbursement until paid at the Default Annual Interest Rate.
- (c) Nothing in this Section 7 will require Lender to incur any expense or take any action.

8. **Events of Default.** An Event of Default under the Loan Agreement will constitute an Event of Default under this Instrument.

9. **Remedies Cumulative.** Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument, the Loan Agreement or any other Loan Document or afforded by applicable law or equity, and each will be cumulative and may be exercised concurrently, independently or successively, in any order. Lender's exercise of any particular right or remedy will not in any way prevent Lender from exercising any other right or remedy available to Lender. Lender may exercise any such remedies from time to time and as often as Lender chooses.

10. **Waiver of Statute of Limitations, Offsets and Counterclaims.** Borrower waives the right to assert any statute of limitations as a bar to the enforcement of the Lien of this Instrument or to any action brought to enforce any Loan Document. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations under this Instrument will be a valid defense to, or result in any offset against, any payments that Borrower is obligated to make under any of the Loan Documents.

11. **Waiver of Marshalling.**

- (a) Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender will have the right to

determine the order in which any or all of the Mortgaged Property will be subjected to the remedies provided in this Instrument, the Note, the Loan Agreement or any other Loan Document or under applicable law. Lender will have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies.

(b) Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

12. **Reserved.**

13. **Governing Law; Consent to Jurisdiction and Venue.** This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, will be governed by the laws of the Property Jurisdiction. Borrower agrees that any controversy arising under or in relation to the Note, this Instrument or any other Loan Document may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction will have jurisdiction over all controversies that may arise under or in relation to the Note, any security for the Indebtedness or any other Loan Document. Borrower irrevocably consents to service, jurisdiction and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Section 13 is intended to limit Lender's right to bring any suit, action or proceeding relating to matters under this Instrument in any court of any other jurisdiction.

14. **Notice.** All Notices, demands and other communications under or concerning this Instrument will be governed by the terms set forth in the Loan Agreement.

15. **Successors and Assigns Bound.** This Instrument will bind the respective successors and assigns of Borrower and Lender, and the rights granted by this Instrument will inure to Lender's successors and assigns.

16. **Joint and Several Liability.** If more than one Person signs this Instrument as Borrower, the obligations of such Persons will be joint and several.

17. **Relationship of Parties; No Third Party Beneficiary.**

(a) The relationship between Lender and Borrower will be solely that of creditor and debtor, respectively, and nothing contained in this Instrument will create any other relationship between Lender and Borrower. Nothing contained in this

Instrument will constitute Lender as a joint venturer, partner or agent of Borrower, or render Lender liable for any debts, obligations, acts, omissions, representations or contracts of Borrower.

- (b) No creditor of any party to this Instrument and no other Person will be a third party beneficiary of this Instrument or any other Loan Document. Without limiting the generality of the preceding sentence, (i) any arrangement (“**Servicing Arrangement**”) between Lender and any Loan Servicer for loss sharing or interim advancement of funds will constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (ii) Borrower will not be a third party beneficiary of any Servicing Arrangement, and (iii) no payment by the Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

18. Severability; Amendments.

- (a) The invalidity or unenforceability of any provision of this Instrument will not affect the validity or enforceability of any other provision, and all other provisions will remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument.
- (b) This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought.

19. Construction.

- (a) The captions and headings of the Sections of this Instrument are for convenience only and will be disregarded in construing this Instrument. Any reference in this Instrument to a “Section” will, unless otherwise explicitly provided, be construed as referring to a Section of this Instrument.
- (b) Any reference in this Instrument to a statute or regulation will be construed as referring to that statute or regulation as amended from time to time.
- (c) Use of the singular in this Instrument includes the plural and use of the plural includes the singular. The use of one gender includes the other gender, as the context may require.
- (d) As used in this Instrument, the term “including” means “including, but not limited to” and the term “includes” means “includes without limitation.”
- (e) Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument or other document in this Instrument will be construed as referring to such agreement, instrument or other document as from time to time

amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in this Instrument), and (ii) any reference in this Instrument to any Person will be construed to include such Person's successors and assigns.

- (f) Any reference in this Instrument to "Lender's requirements," "as required by Lender," or similar references will be construed, after Securitization, to mean Lender's requirements or standards as determined in accordance with Lender's and Loan Servicer's obligations under the terms of the Securitization documents.

20. **Subrogation.** If, and to the extent that, the proceeds of the Loan evidenced by the Note, or subsequent advances under Section 7, are used to pay, satisfy or discharge a Prior Lien, such loan proceeds or advances will be deemed to have been advanced by Lender at Borrower's request, and Lender will automatically, and without further action on its part, be subrogated to the rights, including Lien priority, of the owner or holder of the obligation secured by the Prior Lien, whether or not the Prior Lien is released.

21-30. **Reserved.**

31. **Acceleration; Remedies.** At any time during the existence of an Event of Default, Lender, at Lender's option, may declare all of the Indebtedness to be immediately due and payable without further demand, and may foreclose this Instrument by judicial proceeding and may invoke any other remedies permitted by Illinois law or provided in this Instrument, the Loan Agreement or in any other Loan Document. The Indebtedness will include, Lender will be entitled to collect, and any decree which adjudicates the amount secured by this Instrument will include, all costs and expenses incurred in pursuing such remedies, including Attorneys' Fees and Costs, costs of documentary evidence, abstracts and title reports, any of which may be estimated to reflect the costs and expenses to be incurred after the entry of such a decree.

32. **Release.** Upon payment of the indebtedness, Lender will release this Instrument. Borrower will pay Lender's reasonable costs incurred in releasing this Instrument.

33. **Waiver of Homestead and Redemption.** Borrower releases and waives all rights under the homestead and exemption laws of the State of Illinois. Borrower acknowledges that the Mortgaged Property does not include "agricultural real estate" or "residential real estate" as those terms are defined in 735 ILCS 5/15-1201 and 5/15-1219. Pursuant to 735 ILCS 5/15-1601(b), Borrower waives any and all rights of redemption from sale under any order of foreclosure of this Instrument, or other rights of redemption, which may run to Borrower or any other Owner of Redemption, as that term is defined in 735 ILCS 5/15-1212. Borrower waives all rights of reinstatement under 735 ILCS 5/15-1602 to the fullest extent permitted by Illinois law.

34. **Maximum Amount of Indebtedness.** Notwithstanding any provision to the contrary in this Instrument, the Note or any other Loan Document which permits any additional sums

to be advanced on or after the date of this Instrument, whether as additional loans or for any payments authorized by this Instrument, the total amount of the principal component of the Indebtedness will not at any time exceed 300% of the original principal amount of the Note set forth on the first page of this Instrument.

35. Illinois Collateral Protection Act. Unless Borrower provides Lender with evidence of the insurance coverage required by the Loan Documents, Lender may purchase insurance at Borrower's expense to protect Lender's interest in the Mortgaged Property. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower may make or any claim that is made against Borrower in connection with the Mortgaged Property. Borrower may cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by the Loan Documents. If Lender purchases insurance for the Mortgaged Property, Borrower will be responsible for the costs of that insurance, including interest and any other charges that Lender may impose in connection with the placement of such insurance, until the effective date of the cancellation or expiration of such insurance. Without limitation of any other provision of this Instrument, the cost of such insurance will be added to the cost of the Indebtedness secured hereby. The cost of such insurance may be more than the cost of insurance Borrower may be able to obtain on its own.

36. Applicability of Illinois Mortgage Foreclosure Law. To ensure the maximum degree of flexibility of the Loan Documents under the Illinois Mortgage Foreclosure Law, if any provision of this Instrument is inconsistent with any applicable provision of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-101, *et seq.*, as amended from time to time ("Act"), the provisions of the Act will take precedence over the provisions of this Instrument, but the Act will not invalidate or render unenforceable any other provision of this Instrument that can be fairly construed in a manner consistent with the Act. Without in any way limiting any of the Lender's rights, remedies, powers and authorities provided in this Instrument or otherwise, and in addition to all of such rights, remedies, powers and authorities, Lender will also have all rights, remedies, powers and authorities permitted to the holder of a mortgage under the Act. If any provision of this Instrument will grant to Lender any rights, remedies, powers or authorities upon default of the Borrower which are more limited than what would be vested in Lender under the Act in the absence of such provision, Lender will have such rights, remedies, powers and authorities that would be otherwise vested in it under the Act. Without limitation, all expenses (including Attorneys' Fees and Costs) incurred by Lender to the extent reimbursable under 735 ILCS 5/15-1510, 5/15-1512 or any other provision of the Act, whether incurred before or after any judgment of foreclosure, will be added to the Indebtedness and included in the judgment of foreclosure.

37. WAIVER OF TRIAL BY JURY.

(a) **BORROWER AND LENDER EACH COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE**

ARISING OUT OF THIS INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY.

(b) **BORROWER AND LENDER EACH WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.**

38. **This Instrument Secures Future Advances.** If and to the extent that any portion of the Indebtedness is to be advanced from and after the date of the making of the Loan, Lender agrees to make such advances in accordance with the terms and conditions of the Loan Agreement, which has been executed contemporaneously with this Instrument, and such amounts will be a Lien from the date of recordation of this Instrument as provided in 5/15-1302(b)(1) of the Act.

40. **Attached Exhibits.** The following Exhibits, if marked with an "X" in the space provided, are attached to this Instrument:

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on December 30th, 2015. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Seven Hundred Fifty Thousand and 00/100 Dollars (U.S. \$750,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable January 1st, 2017 unless otherwise specified on the respective note. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 19-24-107-037-0000

which has the address of 6356 S California Ave., Chicago, IL 60629 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

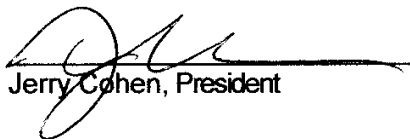

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on June 16th, 2016. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of One Million One Hundred Thousand and 00/100 Dollars (U.S. \$1,100,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable January 1st, 2018. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 19-24-203-023-0000

which has the address of 6355 S Talman Ave., Chicago, IL 60629 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

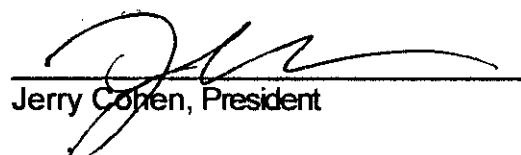

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on March 27th, 2015. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of One Million Two Hundred Fifteen Thousand and 00/100 Dollars (U.S. \$1,215,000.00). This debt is evidenced by Borrower's notes dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable April 1st, 2017 and October 1st, 2015, respectively. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-24-328-011-0000

which has the address of 7051 S Bennett Ave. Chicago, IL 60649 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

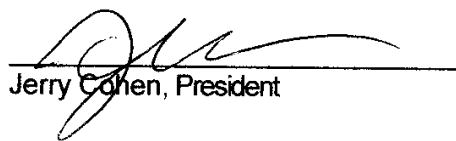

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on March 30th, 2016. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of One Million One Hundred Thousand and 00/100 Dollars (U.S. \$1,100,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable April 1st, 2017. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-26-210-001-0000

which has the address of 7201-07 S Dorchester Ave., Chicago, IL 60619 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

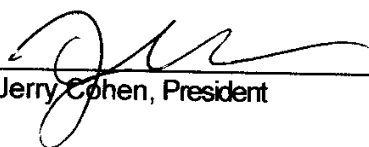

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on January 20th, 2016. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Nine Hundred Ninety Thousand and 00/100 Dollars (U.S. \$990,000.00). This debt is evidenced by Borrower's two notes dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable February 1st, 2017 unless otherwise specified on the respective notes. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-03-302-002-0000

which has the address of 4317-4319 S Michigan Ave., Chicago, IL 60653 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

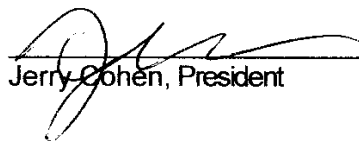

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on February 23, 2015. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Seven Hundred Forty Thousand and 00/100 Dollars (U.S. \$740,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument, which provides for a final payment of the full debt, if not paid earlier, due and payable March 1st, 2017. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Notes, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Notes. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 19-24-200-029-0000

which has the address of 2736 W 64th St. Chicago, IL 60629 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Notes and any prepayment and late charges due under the Notes.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Notes: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Notes without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Notes conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Notes which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Notes are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Notes and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable May 1st, 2017. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Licensed to Property Insight by Cook County Recorder of Deeds

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on October 31st, 2016. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of One Million One Hundred Fifty Thousand and 00/100 Dollars (U.S. \$1,150,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable May 1st, 2018. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-23-112-028-0000

which has the address of 816-820 E Marquette Rd., Chicago, IL 60637 ("Property Address"),

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

(hereinafter "Mortgagee").

For value received, Mortgagor mortgages and warrants to Mortgagee the property situated in Chicago, Cook County, Illinois, with a common street address of 7701 S Essex Ave., CHICAGO, IL 60649, and legally described as shown on the attached EXHIBIT A, said Exhibit incorporated herein, together with the easements, rights-of-way, licenses, privileges, hereditaments, and appurtenances belonging to the property, and all the rents, issues, leases, and profits, the interest of Mortgagor in the property, either at law or in equity, all buildings, structures, and improvements, and all fixtures located in, on, or affixed to the property, and used or usable in connection with the operation of the property (all of the above-stated property are collectively referred to in this Mortgage as the "Premises" or the "Mortgaged Property").

This Mortgage is given to secure the following:

- a. payment of the Indebtedness evidenced by a promissory Note dated the same date hereof, and made and delivered by Mortgagor to Mortgagee, in the principal sum of EIGHT HUNDRED NINETY THOUSAND and 00/100 DOLLARS (\$890,000.00), payable with interest (hereinafter the "Note");
- b. payment by Mortgagor to Mortgagee of all sums expended or advanced by Mortgagee pursuant to any term or provision of this Mortgage;
- c. performance of the covenants, conditions, and agreements contained in this Mortgage, in the Note, in any security agreement given in connection with this transaction, and in any other documents or agreements securing the indebtedness shown above;
- d. all other indebtedness and obligations of Mortgagor presently or subsequently owing to Mortgagee, including but not limited to all future advances under this Mortgage or on the Note and under all notes, loan agreements, security agreements, pledge agreements, assignments, mortgages, leases, guarantees, and any other agreements, instruments, or documents previously or subsequently signed by Mortgagor, whether the indebtedness or obligations are direct or indirect, absolute or contingent, primary or secondary, or related or unrelated to the Premises or the transaction of which this Mortgage is a part, and any and all partial or full extensions or renewals of this indebtedness or other indebtedness and obligations (all of the foregoing are collectively referred to as the "Indebtedness").

Mortgagor warrants, covenants, and agrees that

1. Title. Mortgagor warrants it is seized of the Premises in fee simple. Mortgagor warrants it had the right and power to Mortgage and warrants the Premises as set forth in this Mortgage. Mortgagor warrants that this mortgage shall be a **first** lien against the Premises and there are no other superior liens or encumbrances against the Property than this Mortgage. The Premises are free from all liens and encumbrances except easements and restrictions of record disclosed in **COMMONWEALTH LAND TITLE INSURANCE COMPANY** commitment no. **CL133063**, with an effective date of **SEPTEMBER 10TH, 2013** relating to the Premises. Mortgagor will defend the Premises against all claims and demands.

2. Payment of Indebtedness. Mortgagor will pay all Indebtedness when due, including the principal and interest, as provided in the Note.

3. Taxes and Assessments. Until the Indebtedness is fully satisfied, Mortgagor will pay all taxes, assessments, and other similar charges and encumbrances levied on the Premises before they become delinquent, and will promptly deliver to Mortgagee, without demand, receipts showing the payment.

4. Tax and Insurance Escrow. On request, and at the sole and exclusive option of Mortgagee, Mortgagor will pay to Mortgagee monthly, in addition to each monthly payment required by this Mortgage or under the Note, a sum equivalent to one-twelfth of the amount estimated by Mortgagee to be sufficient to enable Mortgagee to pay, at least 30 days before they become due, all taxes, assessments, and other similar charges levied against the Premises, and all insurance premiums on any policy or policies of insurance required by this Mortgage. The additional payments may be commingled with the general funds of Mortgagee, and no interest shall be payable on those payments. On demand by Mortgagee, Mortgagor will deliver and pay over to Mortgagee any additional sums necessary to make up any deficiency in the amount necessary to enable Mortgagee to fully pay when due any of the preceding items. In the event of any default by Mortgagor in performing any of the terms of this Mortgage, Mortgagee may apply against the Indebtedness, in the manner that Mortgagee may determine, any funds of Mortgagor then held by Mortgagee under this paragraph.

5. Change of Law. If, after the date of this Mortgage, any statute or ordinance is passed that changes in any way the laws now in force for the taxation of mortgages or mortgaged debts or the manner in which those taxes are collected, so as to affect this Mortgage or the interest of Mortgagee, the whole of the principal sum secured by this Mortgage, with all interest and charges, if any, at the option of Mortgagee, shall become due and payable.

6. Insurance. Mortgagor will procure, deliver to, and maintain for the benefit of Mortgagee during the term of this Mortgage:

- a. a policy of builder's risk insurance during construction, and thereafter hazard insurance, providing an all-risk extended coverage endorsement, in an amount equal to the highest replacement value of the Premises;
- b. a policy of comprehensive public liability insurance insuring against bodily injury, with a coverage limit of at least \$1,000,000, and against property damage, with a coverage limit of at least \$250,000, from any accident or occurrence with respect to the Premises.

All policies of insurance required by this paragraph shall be in a form, with companies, and in amounts acceptable to Mortgagee, and shall contain a mortgagee endorsement clause acceptable to Mortgagee, with loss payable to Mortgagee. Mortgagor will pay when due the premiums on any policy of insurance required by Mortgagee, and will deliver to Mortgagee renewals of all policies at least 10 days before their expiration date(s). Duplicates of all policies shall be delivered to Mortgagee.

In the event of any loss or damage to the Premises, Mortgagor will give immediate written notice to Mortgagee, and Mortgagee may then make proof of the loss or damage, if it is not promptly made by Mortgagor. All proceeds of insurance shall be payable to Mortgagee, and any affected insurance company is authorized and directed to make payment directly to Mortgagee. Mortgagee is authorized to settle, adjust, or compromise any claims for loss, damage, or destruction under any policy of insurance.

7. **Maintenance and Repair.** Mortgagor will not cause or permit the commission of waste on the Premises and will keep the Premises in good condition and repair. No building or other improvement on the Premises shall be removed, demolished, or materially altered without the prior written consent of Mortgagee. Mortgagor will comply with all laws, ordinances, regulations, and orders of all public authorities having jurisdiction over the Premises. If the Premises, in the sole judgment of Mortgagee, require inspection or repair, Mortgagee may enter upon the Premises and inspect and/or repair the Premises as Mortgagee may deem advisable, and may take other action as Mortgagee may deem appropriate to preserve the Premises. Mortgagor will pay when due all charges for utilities or services contracted for by Mortgagor.

8. **Waste.** The failure of Mortgagor to meet its maintenance obligations or to pay any taxes assessed against the Premises or any insurance premium on policies covering any property located on the Premises shall constitute waste as provided by MCLA 600.2927, MSA 27A.2927, and shall entitle Mortgagee to appoint a receiver of the property for the purpose of preventing the waste. The receiver may collect the rents and income from the Premises.

9. **Condemnation.** If the Premises, or any part, are taken under the power of eminent domain, the entire award, to the full extent of the indebtedness, shall be paid to Mortgagee. Mortgagee is empowered in the name of Mortgagor to receive and give acquittance for any award, whether it is joint or several. However, Mortgagee shall not be held responsible for failing to collect any award.

10. **Mortgagee Expenses.** If Mortgagor fails to meet any of its obligations under this Mortgage, Mortgagee shall have the right, but not the obligation, to perform in the place of Mortgagor. If Mortgagee incurs or expends any sums, including reasonable attorney fees, whether or not in connection with any action or proceeding, to (a) sustain the lien of this Mortgage or its priority, (b) protect or enforce any of Mortgagee's rights, (c) recover any part of the indebtedness, (d) meet an obligation of Mortgagor under this Mortgage, or (e) collect insurance or condemnation proceeds, then those sums shall become immediately due and payable by Mortgagor with interest at the default rate set forth in the Note from the date of Mortgagee's payment until paid by Mortgagor. The sums expended in this manner by Mortgagee shall be secured by this Mortgage and be a lien on the Premises prior to any right, title, or interest on the Premises attaching or accruing subsequent to the lien of this Mortgage.

11. **Assignment of Contracts and Licenses.** Mortgagor assigns to Mortgagee, as further security for payment of the indebtedness, Mortgagor's interest in all agreements, contracts (including any contracts for the lease or sale of the Premises), licenses, and permits affecting the Premises. The assignment shall not be construed as a consent by Mortgagee to any agreement, contract, license or permit so assigned, or to impose any obligations on Mortgagee. Mortgagor shall not cancel, amend, permit, or cause a default or termination of any of the agreements, contracts, licenses, and permits used in conjunction with the operation of the Premises without the written approval of Mortgagee.

12. **Assignment of Rents and Leases.** As additional security for the payment of the indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases.

In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may

deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser.

Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail.

If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer.

Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

13. Performance of Leases. Mortgagor shall observe and perform all obligations contained in any lease affecting the Premises. Mortgagor shall not default in performing any of the obligations imposed on Mortgagor by any lease. Such a default gives the lessee the right to terminate or cancel the lease or offset against rentals. Upon request, Mortgagor shall furnish to Mortgagee a statement, in any reasonable detail that Mortgagee may request, of all leases relating to the Premises and executed counterparts of any and all leases.

14. Records. Borrower will at all times keep proper books of record and account in which full, true and correct entries shall be made in accordance with generally accepted accounting principles and will deliver to Lender, within ninety (90) days after the end of each fiscal year of Borrower, a copy of the annual financial statements of Borrower relating to such fiscal year, such statement to include (i) the balance sheet of Borrower as at the end of such fiscal year end (ii) the related income statement, statement of retained earnings and statement of cash flow of Borrower for such fiscal year, prepared by such certified public accountants as may be reasonably satisfactory to Lender. Borrower also agrees to deliver to Lender within fifteen (15) days after filing same, a copy of Borrower's income tax returns and also, from time to time, such other financial information with respect to Borrower as Lender may request. In addition, In addition, Mortgagor shall furnish to Mortgagee, in a form acceptable to Mortgagee, interim financial statements that Mortgagee may request, certified by Mortgagor.

15. Waiver. If Mortgagee (a) grants any extension of time with respect to the payment of any part of the Indebtedness, (b) takes other or additional security for the payment of the Indebtedness, (c) waives or fails to exercise any right granted by this Mortgage or the Note, (d) grants any release on any part of the security held for the payment of the Indebtedness, or (e) amends any of the terms and provisions of this Mortgage or of the Note, that act or omission shall not release Mortgagor under any covenant of this Mortgage or of the Note, nor preclude Mortgagee from exercising any right or power granted, nor impair the lien or priority of this Mortgage.

16. Use of Premises. Mortgagor shall use the premises for commercial purposes and shall not make, or permit, without the prior written consent of Mortgagee, (a) any use of the Premises for any purpose other than for residential or commercial lease; (b) any alterations of the buildings, improvements, and fixtures located on the Premises; (c) any purchase, lease of, or agreement for any fixtures to be placed on the Premises under which title is reserved in the vendor. Mortgagor shall execute and deliver documents that may be requested by Mortgagee to confirm the lien of this Mortgage on any fixtures, machinery, and equipment.

17. Events of Default. The occurrences listed below shall be deemed events of default and shall entitle Mortgagee, at its option and without notice except as required by law, to exercise any one or any combination of remedies under this Mortgage or permitted by law:

- a. the failure by Mortgagor to (i) make any payment when due under the Note or (ii) fail to perform any of the other terms, covenants, or conditions of this Mortgage within a period of 10 days after written notice from Mortgagee of Mortgagor's failure to perform an obligation;
- b. the institution of foreclosure or other proceedings to enforce any junior lien or encumbrance on the Premises;
- c. the appointment by a court of a receiver or trustee of Mortgagor or for any property of Mortgagor;
- d. a decree by a court adjudicating Mortgagor as bankrupt or insolvent, or for the sequestration of any of Mortgagor's property;
- e. the filing of a petition in bankruptcy by or against Mortgagor under the federal Bankruptcy Code or any similar statute that is in effect;
- f. an assignment by Mortgagor for the benefit of creditors or a written admission by Mortgagor of the inability to pay debts generally as they become due;
- g. the failure to comply with all of the terms and covenants of any leases or other agreements, documents, or restrictions that now encumber, affect, or pertain to the Premises;
- h. Mortgagor, without the written consent of Mortgagee, sells, conveys, or transfers the Premises, any interest in the Premises, or any rents or profits from the Premises, or causes or allows any Mortgage, lien, or other encumbrance, or any writ of attachment, garnishment, execution, or other legal process to be placed on the Premises, or any part of the Premises is transferred by operation of law;
- i. all or any part of the Premises is damaged or destroyed by fire or other casualty, regardless of insurance coverage, or is taken by power of eminent domain;
- j. without the prior written consent of Mortgagee, Mortgagor allows for the creation or permits to be created or filed against the Premises, any mortgage lien or other lien or security interest superior or inferior to the lien of this Mortgage, or in any way modify or amend any prior lien on the Mortgaged Property;
- k. failure of Mortgagor to comply with any of the terms or conditions set forth in the Note or this Mortgage.

18. Default Remedies. Upon the occurrence of any event of default of this Mortgage, Mortgagee shall have the option, in addition to and not in lieu of all other rights and remedies provided by law, to do any or all of the following:

- a. Without notice, except as expressly required by law, to declare the principal sum secured by the Mortgage, together with all interest and all other sums secured by this Mortgage, to be immediately due and payable; to demand any installment payment due under the Note; and to institute any proceedings that Mortgagee deems necessary to collect and otherwise to enforce the Indebtedness and obligations secured by this Mortgage and to protect the lien of this Mortgage. Mortgagee shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 18, including, but not limited to, reasonable attorneys' fees.
- b. Commence foreclosure proceedings against the Premises pursuant to applicable laws. Mortgagee's commencement of a foreclosure shall be deemed an exercise by Mortgagee of its option to accelerate the due date of all sums secured by this Mortgage. Mortgagor also grants to Mortgagee, in the event of the occurrence of an event of default, the power of sale. If the Mortgagee invokes the power of sale, i.e., the power to sell the Premises at public auction by advertisement, Mortgagee shall give notice of sale to Mortgagor in the manner provided in Section 27. Mortgagee shall publish and post the notice of sale, and

the Premises shall be sold in a manner prescribed by Illinois statutes. Mortgagee or its designee may purchase the Premises at any sale.

- c. To enter into peaceful possession of the Premises and/or to receive the rent, income, and profits, and to apply those in accordance with paragraph 12.

Mortgagor acknowledges having been advised that Mortgagee believes that the value of the security covered by this Mortgage is inextricably intertwined with the effectiveness of the management, maintenance, and general operation of the Premises, and that Mortgagee would not make the loan secured by this Mortgage unless it could be assured that it would have the right to take possession of the Premises in order to manage, control management, and enjoy the income, rents, and profits, immediately upon default by Mortgagor, notwithstanding that foreclosure proceedings may not have been instituted, or are pending, or that the redemption period may not have expired. Accordingly, Mortgagor knowingly and voluntarily waives all right to possession of the Premises from and after the date of default, upon demand for possession by Mortgagee.

19. Sale of Premises as a Whole or in Parcels. Upon any foreclosure sale of the Premises, the Premises may be sold either as a whole or in parcels, as Mortgagee may elect, and if in parcels, to be divided as Mortgagee may elect, or, at the election of Mortgagee, the Premises may be offered first in parcels and then as a whole, with the offer producing the highest price for the entire property to prevail.

20. Assignment. Mortgagor shall not make a conveyance of any interest in the Premises. A "conveyance" of Mortgagor's interest in the Premises shall include without limitation any voluntary or involuntary disposition or dilution of legal or beneficial title to the Premises by any means. If ownership of the Premises, or any part, becomes vested in a person other than Mortgagor (with or without Mortgagee's consent), Mortgagee may, without notice to Mortgagor, deal with the successors in interest with reference to this Mortgage and the Note, without in any way releasing or otherwise affecting Mortgagor's liability under this Note and Mortgage.

21. Application of Proceeds. In the event of the payment to Mortgagee, pursuant to this Mortgage, of any rents or profits, or proceeds of any insurance or condemnation award, or proceeds from the sale of the Premises upon foreclosure, Mortgagee shall have the right to apply the rents, profits, or proceeds, in amounts and proportions that Mortgagee shall, in its sole discretion, determine, against the cost and expenses incurred by Mortgagee in exercising its rights under this Mortgage, payment of the interest and principal due under the Note, payment of any other portion of the Indebtedness, and payment of expenses incurred in preserving the Premises. Application by Mortgagee of any proceeds toward the last maturing installments of principal and interest to become due under the Note shall not excuse Mortgagor from making the regularly scheduled payments due under the Note and this Mortgage, nor shall the application reduce the amount of the payments. In the event of the payment of proceeds as a result of an insurance or condemnation award, Mortgagee shall have the right, but not the obligation, to require all or part of the proceeds of any insurance or condemnation award to be used to restore any part of the Premises damaged or taken by reason of the occurrence which gave rise to the payment of the proceeds.

22. Required Notices. Mortgagor shall notify Mortgagee promptly of the occurrence of any of the following:

- a. a fire or other casualty causing damage to all or any part of the Premises;
- b. receipt of notice of eminent domain proceedings or condemnation of all or any part of the Premises and Mortgagor hereby grants Mortgagee an irrevocable power of attorney to appear in fact for and on behalf of Mortgagor in any and all such proceedings;
- c. receipt of notice from any governmental authority relating to the structure, use or occupancy of the Premises or any real property adjacent to the Premises;
- d. receipt of any notice from the holder of any lien or security interest in all or any part of the Premises; or

e. commencement of any litigation affecting the Premises.

CAUTION: PARAGRAPH 23 CONTAINS A WAIVER OF IMPORTANT LEGAL RIGHTS

23. Waiver of Rights. This Mortgage contains a power of sale which permits Mortgagee to cause the Premises to be sold in the event of a default. Mortgagee may elect to cause the Premises to be sold by advertisement rather than pursuant to court action, and Mortgagor voluntarily and knowingly waives any right Mortgagor may have by virtue of any applicable constitutional provision or statute to any notice or court hearing prior to the exercise of the power of sale, except as may be expressly required by the Illinois statute governing foreclosures by advertisement. In addition, Mortgagor knowingly and voluntarily waives any right Mortgagor may have to remain in possession of the Premises or to collect any rents or income from the Premises during the pendency of any foreclosure proceedings and during any applicable redemption period. Also, paragraphs 17 and 18 above entitle Mortgagee to require immediate payment of the balance of the Indebtedness in full if the Premises are sold or otherwise transferred. By execution of this Mortgage, Mortgagor represents and acknowledges that the meaning and consequences of these paragraphs have been discussed as fully as desired by Mortgagor with Mortgagor's legal counsel.

24. Environmental Matters. Mortgagor agrees to indemnify Mortgagee against, and hold it harmless from, all obligations and liabilities relating to the Premises arising out of claims made or suits brought for investigation, study, remedial work, monitoring, or other costs and expenses arising from or associated with response to any environmental matters, including but not limited to any (a) water pollution, air pollution, noise, odor, spills, leaks, or inadvertent discharges, emissions, or releases, or the generation, transportation, storage, treatment, or disposal of solid waste, including hazardous waste, hazardous substances, pollutants and contaminants; (b) injury, sickness, disease, or death of any person; or (c) damage to any property, regardless of whether the cause of the injury or damage occurred before or after the date of this Mortgage. Mortgagor further agrees that Mortgagee shall have no liability for any environmental contamination associated with Mortgagor's business or the Premises, and that any involvement of Mortgagee with Mortgagor's business to protect its security interest in the Premises shall not constitute Mortgagor as an "owner or operator" of Mortgagor's business for purposes of determining environmental liability. In any event, if Mortgagee becomes obligated, by judicial or administrative judgment or settlement of a claim, to pay any amounts for response to any environmental contamination associated or connected with Mortgagor's business or the Premises, any payment by Mortgagee shall be deemed additional Indebtedness secured by the lien of this Mortgage, shall be immediately due and payable to Mortgagee, and shall bear interest until paid at the default interest rate specified in the Note.

25. Covenants Run with Land. All of the terms and covenants of this Mortgage shall run with the land and shall be binding on and inure to the benefit of the respective legal representatives and successors of the parties.

26. Release of Mortgage. If Mortgagor pays to Mortgagee the money required by the Note, in the manner and at the times provided in the Note, and all other sums of the Indebtedness payable by Mortgagor to Mortgagee, and keeps and performs the terms, covenants, and agreements of Mortgagor with Mortgagee, then this Mortgage shall be satisfied, and Mortgagee shall release the Mortgage.

27. Notice and Communications. All notices, communications, demands, and requests required or permitted to be given to Mortgagor or by law shall be deemed delivered when deposited in the United States mail, with postage prepaid, addressed to Mortgagor at its last known addresses.

All notices, communications demands, and requests required or permitted to be given to Mortgagee or by law, to be effective, shall be delivered or sent by registered mail, postage prepaid, return receipt requested, addressed to Mortgagee at the address set forth above or at such other address as the Mortgagee may hereafter designate in writing in the manner herein provided.

28. Severability. If any provision of this Mortgage is in conflict with any statute or rule of law of the State of Illinois or is otherwise unenforceable for any reason, then that provision shall be deemed null and void to the

extent of the conflict or unenforceability, but shall be deemed separable from and shall not invalidate any other provision of this Mortgage.

29. **Mortgagor's Waivers.** Mortgagor hereby waives and releases to the extent permitted by law:

- a. All errors, defects and imperfections in any proceeding instituted by Mortgagee under the Note or this Mortgage, and/or the accompanying loan documents;
- b. All benefits that might accrue to the Mortgagor by virtue of any present or future law exempting the Premises, or any part of the proceeds arising from any sale thereof, from attachment, levy or sale on execution, or providing for any stay of execution, exemption from civil process or extension of time for payment; and
- c. Unless specifically required herein, all notices of Mortgagor's default or of Mortgagee's election to exercise, or Mortgagee's actual exercise of any option under the Note or this Mortgage.

Signed on the date set forth above.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on May 12th, 2015. The mortgagor is Property Solutions, LLC ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Eight Hundred Eighty-Seven Thousand and 00/100 Dollars (U.S. \$887,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable May 1st, 2017. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 21-31-106-024-0000

which has the address of 7957-7959 S Marquette Ave. Chicago, IL 60617 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

AND without limiting any of the other provisions of this Mortgage, to the extent permitted by applicable law, Mortgagor expressly grants to Mortgagee, as secured party, a security interest in the portion of the Property which is or may be subject to the provisions of the Uniform Commercial Code which are applicable to secured transactions; it being understood and agreed that the Improvements and Fixtures are part and parcel of the Land (the Land, the Improvements and the Fixtures collectively referred to as the "Real Property") appropriated to the use thereof and, whether affixed or annexed to the Real Property or not, shall for the purposes of this Mortgage be deemed conclusively to be real estate and mortgaged hereby.

Section 1.2 Assignment of Rents. Mortgagor hereby absolutely and unconditionally assigns to Mortgagee all of Mortgagor's right, title and interest in and to all current and future Leases and Rents; it being intended by Mortgagor that this assignment constitutes a present, absolute assignment and not an assignment for additional security only. Nevertheless, subject to the terms of the Assignment of Leases and Section 7.1(h) of this Mortgage, Mortgagee grants to Mortgagor a revocable license to collect, receive, use and enjoy the Rents. Mortgagor shall hold the Rents, or a portion thereof sufficient to discharge all current sums due on the Debt, for use in the payment of such sums.

Section 1.3 Security Agreement. This Mortgage is both a real property mortgage and a "security agreement" within the meaning of the Uniform Commercial Code. The Property includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Mortgagor in the Property. By executing and delivering this Mortgage, Mortgagor hereby grants to Mortgagee, as security for the Obligations (hereinafter defined), a security interest in the Fixtures, the Equipment, the Personal Property and other property constituting the Property to the full extent that the Fixtures, the Equipment, the Personal Property and such other property may be subject to the Uniform Commercial Code (said portion of the Property so subject to the Uniform Commercial Code being called the "Collateral"). If an Event of Default shall occur and be continuing, Mortgagee, in addition to any other rights and remedies which it may have, shall have and may exercise immediately and without demand, any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code,

including, without limiting the generality of the foregoing, the right to take possession of the Collateral or any part thereof, and to take such other measures as Mortgagee may deem necessary for the care, protection and preservation of the Collateral. Upon request or demand of Mortgagee after the occurrence and during the continuance of an Event of Default, Mortgagor shall, at its expense, assemble the Collateral or cause the Collateral to be assembled and make it available to Mortgagee at a convenient place (at the Land if tangible property) reasonably acceptable to Mortgagee. Mortgagor shall pay to Mortgagee on demand any and all expenses, including reasonable legal expenses and attorneys' fees, incurred or paid by Mortgagee in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral after the occurrence and during the continuance of an Event of Default. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Collateral sent to Mortgagor in accordance with the provisions hereof at least ten (10) days prior to such action, shall, except as otherwise provided by applicable law, constitute reasonable notice to Mortgagor. The proceeds of any disposition of the Collateral, or any part thereof, may, except as otherwise required by applicable law, be applied by Mortgagee to the payment of the Debt in such priority and proportions as Mortgagee in its discretion shall deem proper. The principal place of business of Mortgagor (Debtor) is as set forth on page one hereof and the address of Mortgagee (Secured Party) is as set forth on page one hereof.

Mortgagor will not, without the prior written consent of Mortgagee, permit any drilling or exploration for or extraction, removal or production of any minerals from the surface or the subsurface of the Land, regardless of the depth thereof or the method of mining or extraction thereof.

Section 3.6 Payment for Labor and Materials.

(b) After prior written notice to Mortgagee, Mortgagor, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any of the Labor and Material Costs, provided that (i) no Event of Default has occurred and is continuing under the Loan Agreement, the Note, this Mortgage or any of the other Loan Documents, (ii) Mortgagor is permitted to do so under the provisions of any other mortgage, deed of trust or deed to secure debt affecting the Property, (iii) such proceeding shall suspend the collection of the Labor and Material Costs from Mortgagor and from the Property or Mortgagor shall have paid all of the Labor and Material Costs under protest, (iv) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Mortgagor is subject and shall not constitute a default thereunder, (v) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, canceled or lost, and (vi) Mortgagor shall have furnished the security as may be required in the proceeding, or as may be reasonably requested by Mortgagee to insure the payment of any contested Labor and Material Costs, together with all interest and penalties thereon.

ARTICLE 4

OBLIGATIONS AND RELIANCES

Section 4.1 Relationship of Mortgagor and Mortgagee. The relationship between Mortgagor, on the one hand, and Mortgagee, on the other, is solely that of debtor and creditor, and Mortgagee has no fiduciary or other special relationship with Mortgagor, and no term or condition of any of the Loan Agreement, the Note, this Mortgage and the other Loan Documents shall be construed so as to deem the relationship between Mortgagor, on the one hand, and Mortgagee, on the other, to be other than that of debtor and creditor.

Section 4.2 No Reliance on Mortgagee. The general partners, members, principals and (if Mortgagor is a trust) beneficial owners of Mortgagor, as applicable, are experienced in the ownership and operation of properties similar to the Property, and Mortgagor and Mortgagee are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Mortgagor is not relying on Mortgagee's expertise, business acumen or advice in connection with the Property.

Section 4.3 No Mortgagee Obligations.

(a) Notwithstanding the provisions of Subsections 1.1(h) and (m) or Section 1.2, Mortgagee is not undertaking the performance of (i) any obligations under the Leases; or (ii) any obligations with respect to such agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses and other documents.

(b) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Mortgagee pursuant to this Mortgage, the Loan Agreement, the Note or the other Loan Documents, including, without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or insurance policy, Mortgagee shall not be deemed to have warranted, consented to, or affirmed the sufficiency, the legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Mortgagee.

Section 4.4 Reliance. Mortgagor recognizes and acknowledges that in accepting the Loan Agreement, the Note, this Mortgage and the other Loan Documents, Mortgagee is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Section 8 of the Loan Agreement without any obligation to investigate the Property and notwithstanding any investigation of the Property by Mortgagee; that such reliance existed on the part of Mortgagee prior to the date hereof, that the warranties and representations are a material inducement to Mortgagee in making the Loan; and that Mortgagee would not be willing to make the Loan and accept this Mortgage in the absence of the warranties and representations as set forth in Section 8 of the Loan Agreement.

ARTICLE 5

FURTHER ASSURANCES

Section 5.1 Recording of Mortgage, etc. Mortgagor forthwith upon the execution and delivery of this Mortgage and thereafter, from time to time, will cause this Mortgage and any of the other Loan Documents creating a lien or security interest or evidencing the lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the lien or security interest hereof upon, and the interest of Mortgagee in, the Property. Mortgagor will pay all taxes, filing, registration or recording fees, and all expenses incident to the preparation, execution, acknowledgment and/or recording of the Note, this Mortgage, the other Loan Documents, any note or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Mortgage, any deed of trust or mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law so to do.

Section 5.2 Further Acts, etc. Mortgagor will, at the cost of Mortgagor, and without expense to Mortgagee, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, deeds of trust, mortgages, assignments, notices of assignments, transfers and assurances as Mortgagee shall, from time to time, reasonably require, for the better conveying, assigning or transferring unto Mortgagee the property and rights hereby mortgaged, deeded, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred or intended now or hereafter so to be, or which Mortgagor may be or may hereafter become bound to convey or assign to Mortgagee, or for carrying out the intention or facilitating the performance of the terms of this Mortgage or for filing, registering or recording this Mortgage, or for complying with all Legal Requirements relating to Mortgagor's grant of this Mortgage to Mortgagee. Mortgagor, on demand, will execute and deliver, and in the event it shall fail to so execute and deliver, hereby authorizes Mortgagee to execute in the name of Mortgagor or without the signature of Mortgagor to the extent Mortgagee may lawfully do so, one or more financing statements (including, without limitation, initial financing statements and amendments thereto and continuation statements) with or without the signature of Mortgagor as authorized by applicable law, to evidence more effectively the security interest of Mortgagee in the Property. Mortgagor also ratifies its authorization for Mortgagee to have filed any like initial financing statements, amendments thereto and continuation statements, if filed prior to the date of this Mortgage. Mortgagor grants to Mortgagee an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Mortgagee at law and in equity, including without limitation such rights and remedies available to Mortgagee pursuant to this Section 5.2. To the extent not prohibited by applicable law, Mortgagor hereby ratifies all acts Mortgagee has lawfully done in the past or shall lawfully do or cause to be done in the future by virtue of such power of attorney.

Section 5.3 Changes in Tax, Debt, Credit and Documentary Stamp Laws.

(a) If any law is enacted or adopted or amended after the date of this Mortgage which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Mortgagee's interest in the Property, Mortgagor will pay the tax, with interest and penalties thereon, if any. If Mortgagee is advised by counsel chosen by it that the payment of tax by Mortgagor would be unlawful or taxable to Mortgagee or unenforceable or provide the basis for a defense of usury then Mortgagee shall have the option by written notice of not less than one hundred twenty (120) days to declare the Debt immediately due and payable.

(b) Mortgagor will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Mortgage or the Debt. If such claim, credit or deduction shall be required by law, Mortgagee shall have the option by written notice of not less than one hundred twenty (120) days to declare the Debt immediately due and payable.

(c) If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, this Mortgage, or any of the other Loan Documents or impose any other tax or charge on the same, Mortgagor will pay for the same, with interest and penalties thereon, if any.

Section 5.4 Splitting of Mortgage This Mortgage and the Note shall, at any time until the same shall be fully paid and satisfied, at the sole election of Mortgagee, be split or divided into two or more Notes and two or more security instruments, each of which shall cover all or a portion of the Property to be more particularly described therein. To that end, Mortgagor, upon written request of Mortgagee, shall execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered by the then owner of the Property, to Mortgagee and/or its designee or designees substitute Notes and security instruments in

such principal amounts, aggregating not more than the then unpaid principal amount of the Note, and containing terms, provisions and clauses similar to those contained herein and in the Note, and such other documents and instruments as may be required by Mortgagee.

Section 5.5 Replacement Documents. Upon receipt of an affidavit of an officer of Mortgagee as to the loss, theft, destruction or mutilation of the Note or any other Loan Document which is not of public record, and, in the case of any such mutilation, upon surrender and cancellation of such Note or other Loan Document, Mortgagor will issue, in lieu thereof, a replacement Note or other Loan Document, dated the date of such lost, stolen, destroyed or mutilated Note or other Loan Document in the same principal amount thereof and otherwise of like tenor.

ARTICLE 6

DUE ON SALE/ENCUMBRANCE

Section 6.1 Mortgagee Reliance. Mortgagor acknowledges that Mortgagee has examined and relied on the experience of Mortgagor and its general partners, members, principals and (if Mortgagor is a trust) beneficial owners, as applicable, in owning and operating properties such as the Property in agreeing to make the Loan, and will continue to rely on Mortgagor's ownership of the Property as a means of maintaining the value of the Property as security for repayment of the Debt and the performance of the Other Obligations. Mortgagor acknowledges that Mortgagee has a valid interest in maintaining the value of the Property so as to ensure that, should Mortgagor default in the repayment of the Debt or the performance of the Other Obligations, Mortgagee can recover the Debt by a sale of the Property.

Section 6.2 No Transfer. Mortgagor shall not permit or suffer any Transfer to occur, unless permitted by the Loan Agreement or unless Mortgagee shall consent thereto in writing.

Section 6.3 Mortgagee's Rights. Without obligating Mortgagee to grant any consent under Section 6.2 hereof which Mortgagee may grant or withhold in its sole discretion, Mortgagee reserves the right to condition the consent required hereunder upon: (a) a modification of the terms hereof and of the Loan Agreement, the Note or the other Loan Documents; (b) an assumption of the Loan Agreement, the Note, this Mortgage and the other Loan Documents as so modified by the proposed transferee; (c) payment of all of Mortgagee's expenses incurred in connection with such transfer; (d) Reserved; (e) Reserved; (f) Reserved; (g) the delivery of evidence satisfactory to Mortgagee that the single purpose nature and bankruptcy remoteness of Mortgagor, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the Loan Documents; (h) the proposed transferee's ability to satisfy Mortgagee's then-current underwriting standards; or (i) such other conditions as Mortgagee shall determine in its reasonable discretion to be in the interest of Mortgagee, including, without limitation, the creditworthiness, reputation and qualifications of the transferee with respect to the Loan and the Property. Mortgagee shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer without Mortgagee's consent. This provision shall apply to every Transfer, other than any Transfer permitted pursuant to the Loan Agreement, regardless of whether voluntary or not, or whether or not Mortgagee has consented to any previous Transfer.

ARTICLE 7

RIGHTS AND REMEDIES UPON DEFAULT

Section 7.1 Remedies. Upon the occurrence and during the continuance of any Event of Default, Mortgagor agrees that Mortgagee may take such action, without notice or demand, as it deems

advisable to protect and enforce its rights against Mortgagor and in and to the Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Mortgagee:

- (a) declare the entire unpaid Debt to be immediately due and payable;

- (d) sell for cash or upon credit the Property or any part thereof and all estate, claim, demand, right, title and interest of Mortgagor therein and rights of redemption thereof, pursuant to foreclosure or otherwise, at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law;
- (e) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein, in the Note, the Loan Agreement or in the other Loan Documents;

The purchase money, proceeds and avails of any disposition of the Property, and or any part thereof, or any other sums collected by Mortgagee pursuant to the Note, this Mortgage or the other Loan Documents may be applied by Mortgagee to the payment of the Debt in such priority and proportions as Mortgagee in its discretion shall deem proper.

Section 7.3 Right to Cure Defaults. Upon the occurrence and during the continuance of any Event of Default or if Mortgagor fails to make any payment or to do any act as herein provided, Mortgagee may, but without any obligation to do so and without notice to or demand on Mortgagor and without releasing Mortgagor from any obligation hereunder, make or do the same in such manner and to such extent as Mortgagee may deem necessary to protect the security hereof. Mortgagee is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Mortgage or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 7.3, shall constitute a portion of the Debt and shall be due and payable to Mortgagee upon demand. All such costs and expenses incurred by Mortgagee in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate, for the period after notice from Mortgagee that such cost or expense was incurred to the date of payment to Mortgagee. All such costs and expenses incurred by Mortgagee together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by this Mortgage and the other Loan Documents and shall be immediately due and payable upon demand by Mortgagee therefor.

Section 7.4 Actions and Proceedings. Mortgagee has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Mortgagor, which Mortgagee, in its discretion, decides should be brought to protect its interest in the Property.

Section 7.5 Recovery of Sums Required to Be Paid. Mortgagee shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Mortgagee thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Mortgagor existing at the time such earlier action was commenced.

Section 7.6 Examination of Books and Records. At reasonable times and upon reasonable notice, Mortgagee, its agents, accountants and attorneys shall have the right to examine the records, books, management and other papers of Mortgagor which reflect upon its financial condition, at the Property or at any office regularly maintained by Mortgagor where the books and records are located. Mortgagee and its agents shall have the right to make copies and extracts from the foregoing records and other papers. In addition, at reasonable times and upon reasonable notice, Mortgagee, its agents, accountants and attorneys shall have the right to examine and audit the books and records of Mortgagor pertaining to the income, expenses and operation of the Property during reasonable business hours at any office of Mortgagor where the books and records are located. This Section 7.6 shall apply throughout the term of the Note and without regard to whether an Event of Default has occurred or is continuing.

Section 7.7 Other Rights, etc.

(a) The failure of Mortgagee to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Mortgage. Mortgagor shall not be relieved of Mortgagor's obligations hereunder by reason of (i) the failure of Mortgagee to comply with any request of Mortgagor or any guarantor or indemnitor with respect to the Loan to take any action to foreclose this Mortgage or otherwise enforce any of the provisions hereof or of the Note or the other Loan Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any Person liable for the Debt or any portion thereof, or (iii) any agreement or stipulation by Mortgagee extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Mortgage or the other Loan Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Mortgagor, and Mortgagee shall have no liability whatsoever for decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Mortgagee shall not be deemed an election of judicial relief, if any such possession is requested or obtained, with respect to any Property or collateral not in Mortgagee's possession.

(c) Mortgagee may resort for the payment of the Debt to any other security held by Mortgagee in such order and manner as Mortgagee, in its discretion, may elect. Mortgagee may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Mortgagee thereafter to foreclose this Mortgage. The rights of Mortgagee under this Mortgage shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Mortgagee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Mortgagee shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 7.8 Right to Release Any Portion of the Property. Mortgagee may release any portion of the Property for such consideration as Mortgagee may require without, as to the remainder of the Property, in any way impairing or affecting the lien or priority of this Mortgage, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Mortgagee for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Mortgagee may require without being accountable for so doing to any other lienholder. This Mortgage shall continue as a lien and security interest in the remaining portion of the Property.

Section 7.9 Violation of Laws. If the Property is not in material compliance with Legal Requirements, Mortgagee may impose additional requirements upon Mortgagor in connection herewith including, without limitation, monetary reserves or financial equivalents.

Section 7.10 Recourse and Choice of Remedies. Notwithstanding any other provision of this Mortgage or the Loan Agreement, Mortgagee is entitled to enforce the obligations of Mortgagor contained in Sections 9.2 and 9.3 herein without first resorting to or exhausting any security or collateral and without first having recourse to the Note or any of the Property, through foreclosure or acceptance of a deed in lieu of foreclosure or otherwise, and in the event Mortgagee commences a foreclosure action against the Property, Mortgagee is entitled to pursue a deficiency judgment with respect to such obligations against Mortgagor with respect to the Loan. The provisions of Sections 9.2 and 9.3 herein and are exceptions to any non-recourse or exculpation provisions in the Loan Agreement, the Note, this Mortgage or the other Loan Documents, and Mortgagor and any guarantor or indemnitor with respect to the Loan are fully and personally liable for the obligations pursuant to Sections 9.2 and 9.3 herein. The liability of Mortgagor with respect to the Loan pursuant to Sections 9.2 and 9.3 herein is not limited to the original principal amount of the Note. Notwithstanding the foregoing, nothing herein shall inhibit or prevent Mortgagee from foreclosing or exercising any other rights and remedies pursuant to the Loan Agreement, the Note, this Mortgage and the other Loan Documents, whether simultaneously with foreclosure proceedings or in any other sequence. A separate action or actions may be brought and prosecuted against Mortgagor pursuant to Sections 9.2 and 9.3 herein, whether or not action is brought against any other Person or whether or not any other Person is joined in the action or actions. In addition, Mortgagee shall have the right but not the obligation to join and participate in, as a party if it so elects, any administrative or judicial proceedings or actions initiated in connection with any matter addressed in the ADA and Environmental Indemnity.

Section 7.11 Right of Entry. Upon reasonable notice to Mortgagor, Mortgagee and its agents shall have the right to enter and inspect the Property at all reasonable times.

Mortgagor hereby acknowledges that, except as incorporated in writing in the Note, the Loan Agreement, this Mortgage and the other Loan Documents, there are not, and were not, and no Persons are or were authorized by Mortgagee to make any representations, understandings, stipulations, agreements or promises, oral or written, with respect to the transaction which is the subject of the Note, the Loan Agreement, this Mortgage and the other Loan Documents.

Section 15.9 Limitation on Mortgagee's Responsibility. No provision of this Mortgage shall operate to place any obligation or liability for the control, care, management or repair of the Property upon Mortgagee, nor shall it operate to make Mortgagee responsible or liable for any waste committed on the Property by the tenants or any other Person, or for any dangerous or defective condition of the Property, or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger. Nothing herein contained shall be construed as constituting Mortgagee a "mortgagee in possession."

Section 15.10 Loan Agreement. This Mortgage is made pursuant to the Loan Agreement and is subject to all of the provisions of the Loan Agreement including, without limitation, the provisions thereof entitling Mortgagee to declare the entire indebtedness secured hereby to be immediately due and payable, all of which provisions are incorporated herein with the same force and with like effect as if they were fully set forth herein at length and made a part hereof.

ARTICLE 16

STATE-SPECIFIC PROVISIONS

Section 16.1 Inconsistencies. In the event of any inconsistencies between the terms and conditions of this Article 16 and the other provisions of this Mortgage, the terms and conditions of this Article 16 shall control and be binding.

Section 16.2 Compliance with Illinois Mortgage Foreclosure Law.

(a) In the event that any provision in this Mortgage shall be inconsistent with any provisions of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-1101 *et. seq.* (as amended from time to time the "IMF Law"), the provision of the IMF Law shall take precedence over the provisions of this Mortgage, but shall not invalidate or render unenforceable any other provision of this Mortgage that can be construed in a manner consistent with the IMF Law.

(b) Mortgagor and Mortgagee shall have the benefit of all of the provisions of the IMF Law, including all amendments thereto which may become effective from time to time after the date hereof. In the event any provision of the IMF Law which is specifically referred to herein may be repealed, Mortgagee shall have the benefit of such provision as most recently existing prior to such repeal, as though the same were incorporated herein by express reference.

(c) If any provision of this Mortgage shall grant to Mortgagee any rights or remedies upon default of Mortgagor which are more limited than the rights that would otherwise be vested in Mortgagee under the IMF Law in the absence of said provision, Mortgagee shall be vested with the rights granted in the IMF Law to the full extent not prohibited by law.

(d) In addition to any provision of this Mortgage authorizing Mortgagee to take or be placed in possession of the Property, or for the appointment of a receiver, Mortgagee shall have the right, in accordance with Sections 15-1701 and 15-1702 of the IMF Law, to be placed in possession of the Property or at its request to have a receiver appointed, and such receiver, or Mortgagee, if and when placed in possession, shall have, in addition to any other powers provided in this Mortgage, all rights, powers, immunities and duties as provided for in Sections 15-1701, 15-1703 and 15-1704 of the IMF Law.

Section 16.3 Waiver of Right of Redemption and Other Rights. To the full extent permitted by law, Mortgagor agrees that it will not at any time or in any manner whatsoever take any advantage of any stay, exemption or extension law or any so-called "Moratorium Law" now or at any time hereafter in force, nor take any advantage of any law now or hereafter in force providing for the valuation or appraisal of the Property, or any part thereof, prior to any sale thereof to be made pursuant to any provisions herein contained, or to any decree, judgment or order of any court of competent jurisdiction; or after such sale, claim or exercise any rights under any statute now or hereafter in force to redeem the Property so sold, or any part thereof, or relating to the marshalling thereof, upon foreclosure sale or other enforcement hereof. To the full extent permitted by law, Mortgagor hereby expressly waives any and all rights it may have to require that the Property be sold as separate tracts or units in the event of foreclosure. To the full extent permitted by law, Mortgagor hereby expressly waives any and all rights of redemption and reinstatement under the IMF Law, on its own behalf, on behalf of all persons claiming or having an interest (direct or indirect) by, through or under Mortgagor and on behalf of each and every person acquiring any interest in or title to the Property subsequent to the date hereof, it being the intent hereof that any and all such rights of redemption of Mortgagor and such other persons are and shall be deemed to be hereby waived to the full extent permitted by applicable law. To the full extent permitted by law, Mortgagor agrees that it will not, by invoking or utilizing any applicable law or laws or otherwise, hinder, delay or impede

the exercise of any right, power or remedy herein or otherwise granted or delegated to Mortgagee, but will permit the exercise of every such right, power and remedy as though no such law or laws have been or will have been made or enacted. To the full extent permitted by law, Mortgagor hereby agrees that no action for the enforcement of the lien or any provision hereof shall be subject to any defense which would not be good and valid in an action at law upon the Note. Mortgagor acknowledges that the Property does not constitute agricultural real estate as defined in Section 5/15-1201 of the IMF Law or residential real estate as defined in Section 5/15-1219 of the IMF Law.

Section 16.4 Use of Proceeds. Mortgagor represents and warrants to Mortgagee (i) that the proceeds of the Note secured by this Mortgage will be used for the purposes specified in 815 ILCS 205/4(1)(I) (or any substitute, amended or replacement statute), and that the indebtedness secured hereby constitutes a business loan to a business entity which comes within the purview of said 815 ILCS 205/4(1)(I), and (ii) that the Loan evidenced by the Note is an exempted transaction under the Truth In Lending Act, 15 U.S.C. §1601 *et seq.*

Section 16.5 Interest Laws. It being the intention of Mortgagee and Mortgagor to comply with the laws of the State of Illinois, it is agreed that notwithstanding any provision to the contrary in the Note, this Mortgage or any of the other Loan Documents, no such provision shall require the payment or permit the collection of any amount ("Excess Interest") in excess of the maximum amount of interest permitted by law to be charged for the use or detention, or the forbearance in the collection, of all or any portion of the indebtedness evidenced by the Note. If any Excess Interest is provided for, or is adjudicated to be provided for, in the Note, this Mortgage or any of the other Loan Documents, then in such event: (a) the provisions of this Section 16.5 shall govern and control; (b) neither Mortgagor nor any other party obligated under the terms of the Note or any of the other Loan Documents shall be obligated to pay any Excess Interest; (c) any Excess Interest that Mortgagee may have received hereunder shall, at the option of Mortgagee, be (i) applied as a credit against the then unpaid principal balance under the Note, accrued and unpaid interest thereon not to exceed the maximum amount permitted by law, or both, (ii) refunded to the payor thereof, or (iii) any combination of the foregoing; (d) the Interest Rate (as that term is defined in the Note) shall be subject to automatic reduction to the maximum lawful contract rate allowed under the applicable usury laws of the aforesaid State, and the Note, this Mortgage and the other Loan Documents shall be deemed to be automatically reformed and modified to reflect such reduction in the Interest Rate; and (e) neither Mortgagor nor any other party obligated under the terms of the Note or any of the other Loan Documents shall have any action against Mortgagee for any damages whatsoever arising out of the payment or collection of any Excess Interest.

Section 16.6 Other Amounts Secured; Maximum Indebtedness. Mortgagor acknowledges and agrees that this Mortgage secures the entire principal amount of the Note and interest accrued thereon, regardless of whether any or all of the loan proceeds are disbursed on or after the date hereof, and regardless of whether the outstanding principal is repaid in whole or part or any future advances made at a later date, any and all litigation and other expenses and any other amounts as provided herein or in any of the other Loan Documents, including, without limitation, the payment of any and all loan commissions, service charges, liquidated damages, expenses and advances due to or paid or incurred by Mortgagee in connection with the Loan, all in accordance with the loan commitment issued in connection with this transaction and the Loan Documents. Notwithstanding anything in this Mortgage to the contrary under no circumstances shall the maximum principal indebtedness secured hereby exceed EIGHTEEN MILLION FOUR HUNDRED THOUSAND AND NO/100 DOLLARS (\$18,400,000), plus interest thereon and any disbursements made for the payment of taxes, special assessments, or insurance on the Property, with interest on such disbursements. It is agreed that any future advances made by Mortgagee for the benefit of Mortgagor from time to time under this Mortgage or the other Loan Documents and whether or not such advances are obligatory or are made at the option of Mortgagee, made at any time from and after the date of this Mortgage, and all interest accruing thereon, shall be equally secured by this

Mortgage and shall have the same priority as all amounts, if any, advanced as of the date hereof and shall be subject to all of the terms and provisions of this Mortgage. This Mortgage shall be valid and have priority to the extent of the full amount of the indebtedness secured hereby over all subsequent liens and encumbrances, including statutory liens, excepting solely taxes and assessments levied on the Property given priority by law.

Section 16.7 Adjustable Mortgage Loan Provisions. The Note which this Mortgage secures is an adjustable note on which the interest rate may be adjusted from time to time in accordance with the terms and provisions set forth in the Note.

Section 16.8 Deed of Trust. If title to the Property or any part thereof is now or hereafter becomes vested in a trustee, any prohibition or restriction contained herein against the creation of any lien on the Property shall be construed as a similar prohibition or restriction against the creation of any lien on or security interest in the beneficial interest of such trust.

Section 16.9 Collateral Protection Act. Unless Mortgagor provides Mortgagee with evidence of the insurance required by this Mortgage or any other Loan Document, Mortgagee may purchase insurance at Mortgagor's expense to protect Mortgagee's interest in the Property or any other collateral for the indebtedness secured hereby. This insurance may, but need not, protect Mortgagor's interests. The coverage Mortgagee purchases may not pay any claim that Mortgagor makes or any claim that is made against Mortgagor in connection with the Property or any other collateral for the indebtedness secured hereby. Mortgagor may later cancel any insurance purchased by Mortgagee, but only after providing Mortgagee with evidence that Mortgagor has obtained insurance as required under this Mortgage or any other Loan Document. If Mortgagee purchases insurance for the Property or any other collateral for the indebtedness secured hereby, Mortgagor shall be responsible for the costs of that insurance, including interest in any other charges that Mortgagee may lawfully impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the indebtedness secured hereby. The costs of the insurance may be more than the cost of insurance that Mortgagor may be able to obtain on its own. For purposes of the Illinois Collateral Protection Act, 815 ILCS 180/1 *et. seq.*, Mortgagor hereby acknowledges Mortgagee's right pursuant to this paragraph to obtain collateral protection insurance.

Section 16.10 Rights of Tenants. Mortgagee shall have the right and option to commence a civil action to foreclose this Mortgage and to obtain a decree of foreclosure and sale subject to the rights of any tenant or tenants of the Property having an interest in the Property prior to that of Mortgagee. The failure to join any such tenant or tenants of the Property as party defendant or defendants in any such civil action or the failure of any decree of foreclosure and sale to foreclose their rights shall not be asserted by Mortgagor as a defense in any civil action instituted to collect the Obligations, or any part thereof or any deficiency remaining unpaid after foreclosure and sale of the Property, any statute or rule of law at any time existing to the contrary notwithstanding.

AND without limiting any of the other provisions of this Mortgage, to the extent permitted by applicable law, Mortgagor expressly grants to Mortgagee, as secured party, a security interest in the portion of the Property which is or may be subject to the provisions of the Uniform Commercial Code which are applicable to secured transactions; it being understood and agreed that the Improvements and Fixtures are part and parcel of the Land (the Land, the Improvements and the Fixtures collectively referred to as the "Real Property") appropriated to the use thereof and, whether affixed or annexed to the Real Property or not, shall for the purposes of this Mortgage be deemed conclusively to be real estate and mortgaged hereby.

Section 1.2 Assignment of Rents. Mortgagor hereby absolutely and unconditionally assigns to Mortgagee all of Mortgagor's right, title and interest in and to all current and future Leases and Rents; it being intended by Mortgagor that this assignment constitutes a present, absolute assignment and not an assignment for additional security only. Nevertheless, subject to the terms of the Assignment of Leases and Section 7.1(h) of this Mortgage, Mortgagee grants to Mortgagor a revocable license to collect, receive, use and enjoy the Rents. Mortgagor shall hold the Rents, or a portion thereof sufficient to discharge all current sums due on the Debt, for use in the payment of such sums.

Section 1.3 Security Agreement. This Mortgage is both a real property mortgage and a "security agreement" within the meaning of the Uniform Commercial Code. The Property includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Mortgagor in the Property. By executing and delivering this Mortgage, Mortgagor hereby grants to Mortgagee, as security for the Obligations (hereinafter defined), a security interest in the Fixtures, the Equipment, the Personal Property and other property constituting the Property to the full extent that the Fixtures, the Equipment, the Personal Property and such other property may be subject to the Uniform Commercial Code (said portion of the Property so subject to the Uniform Commercial Code being called the "Collateral"). If an Event of Default shall occur and be continuing, Mortgagee, in addition to any other rights and remedies which it may have, shall have and may exercise immediately and without demand, any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code,

including, without limiting the generality of the foregoing, the right to take possession of the Collateral or any part thereof, and to take such other measures as Mortgagee may deem necessary for the care, protection and preservation of the Collateral. Upon request or demand of Mortgagee after the occurrence and during the continuance of an Event of Default, Mortgagor shall, at its expense, assemble the Collateral or cause the Collateral to be assembled and make it available to Mortgagee at a convenient place (at the Land if tangible property) reasonably acceptable to Mortgagee. Mortgagor shall pay to Mortgagee on demand any and all expenses, including reasonable legal expenses and attorneys' fees, incurred or paid by Mortgagee in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral after the occurrence and during the continuance of an Event of Default. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Collateral sent to Mortgagor in accordance with the provisions hereof at least ten (10) days prior to such action, shall, except as otherwise provided by applicable law, constitute reasonable notice to Mortgagor. The proceeds of any disposition of the Collateral, or any part thereof, may, except as otherwise required by applicable law, be applied by Mortgagee to the payment of the Debt in such priority and proportions as Mortgagee in its discretion shall deem proper. The principal place of business of Mortgagor (Debtor) is as set forth on page one hereof and the address of Mortgagee (Secured Party) is as set forth on page one hereof.

Section 3.5 Waste. Mortgagor shall not commit or suffer any waste of the Property or make any change in the use of the Property which will in any way materially increase the risk of fire or other hazard arising out of the operation of the Property, or take any action that might invalidate or allow the cancellation of any Policy, or do or permit to be done thereon anything that may in any way materially impair the value of the Property or the security of this Mortgage. Mortgagor will not, without the prior written consent of Mortgagee, permit any drilling or exploration for or extraction, removal, or production of any minerals from the surface or the subsurface of the Land, regardless of the depth thereof or the method of mining or extraction thereof.

Section 3.6 Payment for Labor and Materials.

(a) Mortgagor will promptly pay when due all bills and costs for labor, materials, and specifically fabricated materials (collectively, "Labor and Material Costs") incurred in connection with the Property and never permit to exist beyond the due date thereof in respect of the Property or any part thereof any lien or security interest, even though inferior to the liens and the security interests hereof, and in any event never permit to be created or exist in respect of the Property or any part thereof any other or

additional lien or security interest other than the liens or security interests hereof except for the Permitted Encumbrances.

(b) After prior written notice to Mortgagee, Mortgagor, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any of the Labor and Material Costs, provided that (i) no Event of Default has occurred and is continuing under the Loan Agreement, the Note, this Mortgage or any of the other Loan Documents, (ii) Mortgagor is permitted to do so under the provisions of any other mortgage, deed of trust or deed to secure debt affecting the Property, (iii) such proceeding shall suspend the collection of the Labor and Material Costs from Mortgagor and from the Property or Mortgagor shall have paid all of the Labor and Material Costs under protest, (iv) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Mortgagor is subject and shall not constitute a default thereunder, (v) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, canceled or lost, and (vi) Mortgagor shall have furnished the security as may be required in the proceeding, or as may be reasonably requested by Mortgagee to insure the payment of any contested Labor and Material Costs, together with all interest and penalties thereon.

Section 3.7 Performance of Other Agreements. ARTICLE 4

OBLIGATIONS AND RELIANCES

Section 4.1 Relationship of Mortgagor and Mortgagee. The relationship between Mortgagor, on the one hand, and Mortgagee, on the other, is solely that of debtor and creditor, and Mortgagee has no fiduciary or other special relationship with Mortgagor, and no term or condition of any of the Loan Agreement, the Note, this Mortgage and the other Loan Documents shall be construed so as to deem the relationship between Mortgagor, on the one hand, and Mortgagee, on the other, to be other than that of debtor and creditor.

Section 4.2 No Reliance on Mortgagee. The general partners, members, principals and (if Mortgagor is a trust) beneficial owners of Mortgagor, as applicable, are experienced in the ownership and operation of properties similar to the Property, and Mortgagor and Mortgagee are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Mortgagor is not relying on Mortgagee's expertise, business acumen or advice in connection with the Property.

Section 4.3 No Mortgagee Obligations.

(a) Notwithstanding the provisions of Subsections 1.1(h) and (m) or Section 1.2, Mortgagee is not undertaking the performance of (i) any obligations under the Leases; or (ii) any obligations with respect to such agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses and other documents.

(b) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Mortgagee pursuant to this Mortgage, the Loan Agreement, the Note or the other Loan Documents, including, without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or insurance policy, Mortgagee shall not be deemed to have warranted, consented to, or affirmed the sufficiency, the legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Mortgagee.

Section 4.4 Reliance. Mortgagor recognizes and acknowledges that in accepting the Loan Agreement, the Note, this Mortgage and the other Loan Documents, Mortgagee is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Section 8 of the Loan Agreement without any obligation to investigate the Property and notwithstanding any investigation of the Property by Mortgagee; that such reliance existed on the part of Mortgagee prior to the date hereof, that the warranties and representations are a material inducement to Mortgagee in making the Loan; and that Mortgagee would not be willing to make the Loan and accept this Mortgage in the absence of the warranties and representations as set forth in Section 8 of the Loan Agreement.

ARTICLE 5

FURTHER ASSURANCES

Section 5.1 Recording of Mortgage, etc. Mortgagor forthwith upon the execution and delivery of this Mortgage and thereafter, from time to time, will cause this Mortgage and any of the other Loan Documents creating a lien or security interest or evidencing the lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the lien or security interest hereof upon, and the interest of Mortgagee in, the Property. Mortgagor will pay all taxes, filing, registration or recording fees, and all expenses incident to the preparation, execution, acknowledgment and/or recording of the Note, this Mortgage, the other Loan Documents, any note or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Mortgage, any deed of trust or mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law so to do.

Section 5.2 Further Acts, etc. Mortgagor will, at the cost of Mortgagor, and without expense to Mortgagee, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, deeds of trust, mortgages, assignments, notices of assignments, transfers and assurances as Mortgagee shall, from time to time, reasonably require, for the better conveying, assigning or transferring unto Mortgagee the property and rights hereby mortgaged, deeded, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred or intended now or hereafter so to be, or which Mortgagor may be or may hereafter become bound to convey or assign to Mortgagee, or for carrying out the intention or facilitating the performance of the terms of this Mortgage or for filing, registering or recording this Mortgage, or for complying with all Legal Requirements relating to Mortgagor's grant of this Mortgage to Mortgagee. Mortgagor, on demand, will execute and deliver, and in the event it shall fail to so execute and deliver, hereby authorizes Mortgagee to execute in the name of Mortgagor or without the signature of Mortgagor to the extent Mortgagee may lawfully do so, one or more financing statements (including, without limitation, initial financing statements and amendments thereto and continuation statements) with or without the signature of Mortgagor as authorized by applicable law, to evidence more effectively the security interest of Mortgagee in the Property. Mortgagor also ratifies its authorization for Mortgagee to have filed any like initial financing statements, amendments thereto and continuation statements, if filed prior to the date of this Mortgage. Mortgagor grants to Mortgagee an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Mortgagee at law and in equity, including without limitation such rights and remedies available to Mortgagee pursuant to this Section 5.2. To the extent not prohibited by applicable law, Mortgagor hereby ratifies all acts Mortgagee has lawfully done in the past or shall lawfully do or cause to be done in the future by virtue of such power of attorney.

Section 5.3 Changes in Tax, Debt, Credit and Documentary Stamp Laws.

(a) If any law is enacted or adopted or amended after the date of this Mortgage which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Mortgagee's interest in the Property, Mortgagor will pay the tax, with interest and penalties thereon, if any. If Mortgagee is advised by counsel chosen by it that the payment of tax by Mortgagor would be unlawful or taxable to Mortgagee or unenforceable or provide the basis for a defense of usury then Mortgagee shall have the option by written notice of not less than one hundred twenty (120) days to declare the Debt immediately due and payable.

(b) Mortgagor will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Mortgage or the Debt. If such claim, credit or deduction shall be required by law, Mortgagee shall have the option by written notice of not less than one hundred twenty (120) days to declare the Debt immediately due and payable.

(c) If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, this Mortgage, or any of the other Loan Documents or impose any other tax or charge on the same, Mortgagor will pay for the same, with interest and penalties thereon, if any.

Section 5.4 Splitting of Mortgage This Mortgage and the Note shall, at any time until the same shall be fully paid and satisfied, at the sole election of Mortgagee, be split or divided into two or more Notes and two or more security instruments, each of which shall cover all or a portion of the Property to be more particularly described therein. To that end, Mortgagor, upon written request of Mortgagee, shall execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered by the then owner of the Property, to Mortgagee and/or its designee or designees substitute Notes and security instruments in

such principal amounts, aggregating not more than the then unpaid principal amount of the Note, and containing terms, provisions and clauses similar to those contained herein and in the Note, and such other documents and instruments as may be required by Mortgagee.

Section 5.5 Replacement Documents. Upon receipt of an affidavit of an officer of Mortgagee as to the loss, theft, destruction or mutilation of the Note or any other Loan Document which is not of public record, and, in the case of any such mutilation, upon surrender and cancellation of such Note or other Loan Document, Mortgagor will issue, in lieu thereof, a replacement Note or other Loan Document, dated the date of such lost, stolen, destroyed or mutilated Note or other Loan Document in the same principal amount thereof and otherwise of like tenor.

ARTICLE 6

DUE ON SALE/ENCUMBRANCE

Section 6.1 Mortgagee Reliance. Mortgagor acknowledges that Mortgagee has examined and relied on the experience of Mortgagor and its general partners, members, principals and (if Mortgagor is a trust) beneficial owners, as applicable, in owning and operating properties such as the Property in agreeing to make the Loan, and will continue to rely on Mortgagor's ownership of the Property as a means of maintaining the value of the Property as security for repayment of the Debt and the performance of the Other Obligations. Mortgagor acknowledges that Mortgagee has a valid interest in maintaining the value of the Property so as to ensure that, should Mortgagor default in the repayment of the Debt or the performance of the Other Obligations, Mortgagee can recover the Debt by a sale of the Property.

Section 6.2 No Transfer. Mortgagor shall not permit or suffer any Transfer to occur, unless permitted by the Loan Agreement or unless Mortgagee shall consent thereto in writing.

Section 6.3 Mortgagee's Rights. Without obligating Mortgagee to grant any consent under Section 6.2 hereof which Mortgagee may grant or withhold in its sole discretion, Mortgagee reserves the right to condition the consent required hereunder upon: (a) a modification of the terms hereof and of the Loan Agreement, the Note or the other Loan Documents; (b) an assumption of the Loan Agreement, the Note, this Mortgage and the other Loan Documents as so modified by the proposed transferee; (c) payment of all of Mortgagee's expenses incurred in connection with such transfer; (d) Reserved; (e) Reserved; (f) Reserved; (g) the delivery of evidence satisfactory to Mortgagee that the single purpose nature and bankruptcy remoteness of Mortgagor, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the Loan Documents; (h) the proposed transferee's ability to satisfy Mortgagee's then-current underwriting standards; or (i) such other conditions as Mortgagee shall determine in its reasonable discretion to be in the interest of Mortgagee, including, without limitation, the creditworthiness, reputation and qualifications of the transferee with respect to the Loan and the Property. Mortgagee shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer without Mortgagee's consent. This provision shall apply to every Transfer, other than any Transfer permitted pursuant to the Loan Agreement, regardless of whether voluntary or not, or whether or not Mortgagee has consented to any previous Transfer.

ARTICLE 7

RIGHTS AND REMEDIES UPON DEFAULT

Section 7.1 Remedies. Upon the occurrence and during the continuance of any Event of Default, Mortgagor agrees that Mortgagee may take such action, without notice or demand, as it deems

advisable to protect and enforce its rights against Mortgagor and in and to the Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Mortgagee:

- (a) declare the entire unpaid Debt to be immediately due and payable;

- (d) sell for cash or upon credit the Property or any part thereof and all estate, claim, demand, right, title and interest of Mortgagor therein and rights of redemption thereof, pursuant to foreclosure or otherwise, at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law;

- (g) right to the appointment of a receiver, trustee, liquidator or conservator of the Property, without notice and without regard for the adequacy of the security for the Debt and without regard for the solvency of Mortgagor, any guarantor, indemnitor with respect to the Loan or of any Person liable for the payment of the Debt; further, forthwith either before or after declaring the unpaid principal of the Note to be due and payable, and Mortgagor hereby consents to the appointment of such receiver or receivers, trustee, liquidator or conservator of the Property, as applicable;
- (h) the license granted to Mortgagor under Section 1.2 hereof shall automatically be revoked and Mortgagee may enter into or upon the Property, either personally or by its agents, nominees or attorneys and dispossess Mortgagor and its agents and servants therefrom, without liability for trespass, damages or otherwise and exclude Mortgagor and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Mortgagor agrees to surrender possession of the Property and of such books, records and accounts to Mortgagee upon demand, and thereupon Mortgagee may: (i) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat; (ii) complete any construction on the Property in such manner and form as Mortgagee deems advisable; (iii) make alterations, additions, renewals, replacements and improvements to or on the Property; (iv) exercise all rights and powers of Mortgagor with respect to the Property, whether in the name of Mortgagor or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents of the Property and every part thereof; (v) require Mortgagor to pay monthly in advance to Mortgagee, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be occupied by Mortgagor;

(vi) require Mortgagor to vacate and surrender possession of the Property to Mortgagee or to such receiver and, in default thereof, Mortgagor may be evicted by summary proceedings or otherwise; and (vii) apply the receipts from the Property to the payment of the Debt, in such order, priority and proportions as Mortgagee shall deem appropriate in its sole discretion after deducting therefrom all expenses (including reasonable attorneys' fees) incurred in connection with the aforesaid operations and all amounts necessary to pay the Taxes, Other Charges, insurance and other expenses in connection with the Property, as well as just and reasonable compensation for the services of Mortgagee, its counsel, agents and employees;

(i) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing: (i) the right to take possession of the Fixtures, the Equipment and the Personal Property, or any part thereof, and to take such other measures as Mortgagee may deem necessary for the care, protection and preservation of the Fixtures, the Equipment and the Personal Property, and (ii) request Mortgagor at its expense to assemble the Fixtures, the Equipment and the Personal Property and make it available to Mortgagee at a convenient place acceptable to Mortgagee. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Fixtures, the Equipment and/or the Personal Property sent to Mortgagor in accordance with the provisions hereof at least ten (10) days prior to such action, shall constitute commercially reasonable notice to Mortgagor;

(j) apply any sums then deposited or held in escrow or otherwise by or on behalf of Mortgagee in accordance with the terms of the Loan Agreement, this Mortgage or any other Loan Document to the payment of the following items in any order in its uncontrolled discretion:

(k) pursue such other remedies as Mortgagee may have under applicable law;

(l) apply the undisbursed balance of any Net Proceeds Deficiency deposit, together with interest thereon, to the payment of the Debt in such order, priority and proportions as Mortgagee shall deem to be appropriate in its discretion; and/or

The purchase money, proceeds and avails of any disposition of the Property, and or any part thereof, or any other sums collected by Mortgagee pursuant to the Note, this Mortgage or the other Loan Documents may be applied by Mortgagee to the payment of the Debt in such priority and proportions as Mortgagee in its discretion shall deem proper.

Section 7.3 Right to Cure Defaults. Upon the occurrence and during the continuance of any Event of Default or if Mortgagor fails to make any payment or to do any act as herein provided, Mortgagee may, but without any obligation to do so and without notice to or demand on Mortgagor and without releasing Mortgagor from any obligation hereunder, make or do the same in such manner and to such extent as Mortgagee may deem necessary to protect the security hereof. Mortgagee is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Mortgage or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 7.3, shall constitute a portion of the Debt and shall be due and payable to Mortgagee upon demand. All such costs and expenses incurred by Mortgagee in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate, for the period after notice from Mortgagee that such cost or expense was incurred to the date of payment to Mortgagee. All such costs and expenses incurred by Mortgagee together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by this Mortgage and the other Loan Documents and shall be immediately due and payable upon demand by Mortgagee therefor.

Section 7.4 Actions and Proceedings. Mortgagee has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Mortgagor, which Mortgagee, in its discretion, decides should be brought to protect its interest in the Property.

Section 7.5 Recovery of Sums Required to Be Paid. Mortgagee shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Mortgagee thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Mortgagor existing at the time such earlier action was commenced.

Section 7.6 Examination of Books and Records. At reasonable times and upon reasonable notice, Mortgagee, its agents, accountants and attorneys shall have the right to examine the records, books, management and other papers of Mortgagor which reflect upon its financial condition, at the Property or at any office regularly maintained by Mortgagor where the books and records are located. Mortgagee and its agents shall have the right to make copies and extracts from the foregoing records and other papers. In addition, at reasonable times and upon reasonable notice, Mortgagee, its agents, accountants and attorneys shall have the right to examine and audit the books and records of Mortgagor pertaining to the income, expenses and operation of the Property during reasonable business hours at any office of Mortgagor where the books and records are located. This Section 7.6 shall apply throughout the term of the Note and without regard to whether an Event of Default has occurred or is continuing.

Section 7.7 Other Rights, etc.

(a) The failure of Mortgagee to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Mortgage. Mortgagor shall not be relieved of Mortgagor's obligations hereunder by reason of (i) the failure of Mortgagee to comply with any request of Mortgagor or any guarantor or indemnitor with respect to the Loan to take any action to foreclose this Mortgage or otherwise enforce any of the provisions hereof or of the Note or the other Loan Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any Person liable for the Debt or any portion thereof, or (iii) any agreement or stipulation by Mortgagee extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Mortgage or the other Loan Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Mortgagor, and Mortgagee shall have no liability whatsoever for decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Mortgagee shall not be deemed an election of judicial relief, if any such possession is requested or obtained, with respect to any Property or collateral not in Mortgagee's possession.

(c) Mortgagee may resort for the payment of the Debt to any other security held by Mortgagee in such order and manner as Mortgagee, in its discretion, may elect. Mortgagee may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Mortgagee thereafter to foreclose this Mortgage. The rights of Mortgagee under this Mortgage shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Mortgagee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Mortgagee shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 7.8 Right to Release Any Portion of the Property. Mortgagee may release any portion of the Property for such consideration as Mortgagee may require without, as to the remainder of the Property, in any way impairing or affecting the lien or priority of this Mortgage, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Mortgagee for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Mortgagee may require without being accountable for so doing to any other lienholder. This Mortgage shall continue as a lien and security interest in the remaining portion of the Property.

Section 7.9 Violation of Laws. If the Property is not in material compliance with Legal Requirements, Mortgagee may impose additional requirements upon Mortgagor in connection herewith including, without limitation, monetary reserves or financial equivalents.

Section 7.10 Recourse and Choice of Remedies. Notwithstanding any other provision of this Mortgage or the Loan Agreement, Mortgagee is entitled to enforce the obligations of Mortgagor contained in Sections 9.2 and 9.3 herein without first resorting to or exhausting any security or collateral and without first having recourse to the Note or any of the Property, through foreclosure or acceptance of a deed in lieu of foreclosure or otherwise, and in the event Mortgagee commences a foreclosure action against the Property, Mortgagee is entitled to pursue a deficiency judgment with respect to such obligations against Mortgagor with respect to the Loan. The provisions of Sections 9.2 and 9.3 herein and are exceptions to any non-recourse or exculpation provisions in the Loan Agreement, the Note, this Mortgage or the other Loan Documents, and Mortgagor and any guarantor or indemnitor with respect to the Loan are fully and personally liable for the obligations pursuant to Sections 9.2 and 9.3 herein. The liability of Mortgagor with respect to the Loan pursuant to Sections 9.2 and 9.3 herein is not limited to the original principal amount of the Note. Notwithstanding the foregoing, nothing herein shall inhibit or prevent Mortgagee from foreclosing or exercising any other rights and remedies pursuant to the Loan Agreement, the Note, this Mortgage and the other Loan Documents, whether simultaneously with foreclosure proceedings or in any other sequence. A separate action or actions may be brought and prosecuted against Mortgagor pursuant to Sections 9.2 and 9.3 herein, whether or not action is brought against any other Person or whether or not any other Person is joined in the action or actions. In addition, Mortgagee shall have the right but not the obligation to join and participate in, as a party if it so elects, any administrative or judicial proceedings or actions initiated in connection with any matter addressed in the ADA and Environmental Indemnity.

Section 7.11 Right of Entry. Upon reasonable notice to Mortgagor, Mortgagee and its agents shall have the right to enter and inspect the Property at all reasonable times.

Mortgagor hereby acknowledges that, except as incorporated in writing in the Note, the Loan Agreement, this Mortgage and the other Loan Documents, there are not, and were not, and no Persons are or were authorized by Mortgagee to make any representations, understandings, stipulations, agreements or promises, oral or written, with respect to the transaction which is the subject of the Note, the Loan Agreement, this Mortgage and the other Loan Documents.

Section 15.9 Limitation on Mortgagee's Responsibility. Section 15.10 Loan Agreement. This Mortgage is made pursuant to the Loan Agreement and is subject to all of the provisions of the Loan Agreement including, without limitation, the provisions thereof entitling Mortgagee to declare the entire indebtedness secured hereby to be immediately due and payable, all of which provisions are incorporated herein with the same force and with like effect as if they were fully set forth herein at length and made a part hereof.

Section 15.11 Intentionally Omitted.

Section 15.12 Receipt of Mortgage.

MORTGAGOR CERTIFIES AND ACKNOWLEDGES THAT IT HAS RECEIVED A TRUE AND CORRECT COPY OF THIS MORTGAGE WITHOUT CHARGE.

ARTICLE 16

STATE-SPECIFIC PROVISIONS

Section 16.1 Inconsistencies. In the event of any inconsistencies between the terms and conditions of this Article 16 and the other provisions of this Mortgage, the terms and conditions of this Article 16 shall control and be binding.

Section 16.2 Compliance with Illinois Mortgage Foreclosure Law.

(a) In the event that any provision in this Mortgage shall be inconsistent with any provisions of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-1101 *et. seq.* (as amended from time to time the "IMF Law"), the provision of the IMF Law shall take precedence over the provisions of this Mortgage, but shall not invalidate or render unenforceable any other provision of this Mortgage that can be construed in a manner consistent with the IMF Law.

(b) Mortgagor and Mortgagee shall have the benefit of all of the provisions of the IMF Law, including all amendments thereto which may become effective from time to time after the date hereof. In the event any provision of the IMF Law which is specifically referred to herein may be repealed, Mortgagee shall have the benefit of such provision as most recently existing prior to such repeal, as though the same were incorporated herein by express reference.

(c) If any provision of this Mortgage shall grant to Mortgagee any rights or remedies upon default of Mortgagor which are more limited than the rights that would otherwise be vested in Mortgagee under the IMF Law in the absence of said provision, Mortgagee shall be vested with the rights granted in the IMF Law to the full extent not prohibited by law.

(d) In addition to any provision of this Mortgage authorizing Mortgagee to take or be placed in possession of the Property, or for the appointment of a receiver, Mortgagee shall have the right, in accordance with Sections 15-1701 and 15-1702 of the IMF Law, to be placed in possession of the Property or at its request to have a receiver appointed, and such receiver, or Mortgagee, if and when placed in possession, shall have, in addition to any other powers provided in this Mortgage, all rights, powers, immunities and duties as provided for in Sections 15-1701, 15-1703 and 15-1704 of the IMF Law.

Section 16.3 Waiver of Right of Redemption and Other Rights. To the full extent permitted by law, Mortgagor agrees that it will not at any time or in any manner whatsoever take any advantage of any stay, exemption or extension law or any so-called "Moratorium Law" now or at any time hereafter in force, nor take any advantage of any law now or hereafter in force providing for the valuation or appraisal of the Property, or any part thereof, prior to any sale thereof to be made pursuant to any provisions herein contained, or to any decree, judgment or order of any court of competent jurisdiction; or after such sale, claim or exercise any rights under any statute now or hereafter in force to redeem the Property so sold, or any part thereof, or relating to the marshalling thereof, upon foreclosure sale or other enforcement hereof. To the full extent permitted by law, Mortgagor hereby expressly waives any and all rights it may have to require that the Property be sold as separate tracts or units in the event of foreclosure. To the full extent permitted by law, Mortgagor hereby expressly waives any and all rights of redemption and reinstatement under the IMF Law, on its own behalf, on behalf of all persons claiming or having an interest (direct or indirect) by, through or under Mortgagor and on behalf of each and every person acquiring any interest in or title to the Property subsequent to the date hereof, it being the intent hereof that any and all such rights of redemption of Mortgagor and such other persons are and shall be deemed to be hereby waived to the full extent permitted by applicable law. To the full extent permitted by law, Mortgagor agrees that it will not, by invoking or utilizing any applicable law or laws or otherwise, hinder, delay or impede

the exercise of any right, power or remedy herein or otherwise granted or delegated to Mortgagee, but will permit the exercise of every such right, power and remedy as though no such law or laws have been or will have been made or enacted. To the full extent permitted by law, Mortgagor hereby agrees that no action for the enforcement of the lien or any provision hereof shall be subject to any defense which would not be good and valid in an action at law upon the Note. Mortgagor acknowledges that the Property does not constitute agricultural real estate as defined in Section 5/15-1201 of the IMF Law or residential real estate as defined in Section 5/15-1219 of the IMF Law.

Section 16.4 Use of Proceeds. Mortgagor represents and warrants to Mortgagee (i) that the proceeds of the Note secured by this Mortgage will be used for the purposes specified in 815 ILCS 205/4(1)(I) (or any substitute, amended or replacement statute), and that the indebtedness secured hereby constitutes a business loan to a business entity which comes within the purview of said 815 ILCS 205/4(1)(I), and (ii) that the Loan evidenced by the Note is an exempted transaction under the Truth In Lending Act, 15 U.S.C. §1601 *et seq.*

Section 16.5 Interest Laws. It being the intention of Mortgagee and Mortgagor to comply with the laws of the State of Illinois, it is agreed that notwithstanding any provision to the contrary in the Note, this Mortgage or any of the other Loan Documents, no such provision shall require the payment or permit the collection of any amount ("**Excess Interest**") in excess of the maximum amount of interest permitted by law to be charged for the use or detention, or the forbearance in the collection, of all or any portion of the indebtedness evidenced by the Note. If any Excess Interest is provided for, or is adjudicated to be provided for, in the Note, this Mortgage or any of the other Loan Documents, then in such event: (a) the provisions of this **Section 16.5** shall govern and control; (b) neither Mortgagor nor any other party obligated under the terms of the Note or any of the other Loan Documents shall be obligated to pay any Excess Interest; (c) any Excess Interest that Mortgagee may have received hereunder shall, at the option of Mortgagee, be (i) applied as a credit against the then unpaid principal balance under the Note, accrued and unpaid interest thereon not to exceed the maximum amount permitted by law, or both, (ii) refunded to the payor thereof, or (iii) any combination of the foregoing; (d) the Interest Rate (as that term is defined in the Note) shall be subject to automatic reduction to the maximum lawful contract rate allowed under the applicable usury laws of the aforesaid State, and the Note, this Mortgage and the other Loan Documents shall be deemed to be automatically reformed and modified to reflect such reduction in the Interest Rate; and (e) neither Mortgagor nor any other party obligated under the terms of the Note or any of the other Loan Documents shall have any action against Mortgagee for any damages whatsoever arising out of the payment or collection of any Excess Interest.

Section 16.6 Other Amounts Secured; Maximum Indebtedness. Mortgagor acknowledges and agrees that this Mortgage secures the entire principal amount of the Note and interest accrued thereon, regardless of whether any or all of the loan proceeds are disbursed on or after the date hereof, and regardless of whether the outstanding principal is repaid in whole or part or are future advances made at a later date, any and all litigation and other expenses and any other amounts as provided herein or in any of the other Loan Documents, including, without limitation, the payment of any and all loan commissions, service charges, liquidated damages, expenses and advances due to or paid or incurred by Mortgagee in connection with the Loan, all in accordance with the loan commitment issued in connection with this transaction and the Loan Documents. Notwithstanding anything in this Mortgage to the contrary, under no circumstances shall the maximum principal indebtedness secured hereby exceed EIGHTEEN MILLION FOUR HUNDRED THOUSAND AND NO/100 DOLLARS (\$18,400,000), plus interest thereon and any disbursements made for the payment of taxes, special assessments, or insurance on the Property, with interest on such disbursements. It is agreed that any future advances made by Mortgagee for the benefit of Mortgagor from time to time under this Mortgage or the other Loan Documents and whether or not such advances are obligatory or are made at the option of Mortgagee, made at any time from and after the date of this Mortgage, and all interest accruing thereon, shall be equally secured by this

Mortgage and shall have the same priority as all amounts, if any, advanced as of the date hereof and shall be subject to all of the terms and provisions of this Mortgage. This Mortgage shall be valid and have priority to the extent of the full amount of the indebtedness secured hereby over all subsequent liens and encumbrances, including statutory liens, excepting solely taxes and assessments levied on the Property given priority by law.

Section 16.7 Adjustable Mortgage Loan Provisions. The Note which this Mortgage secures is an adjustable note on which the interest rate may be adjusted from time to time in accordance with the terms and provisions set forth in the Note.

Section 16.8 Deed of Trust. If title to the Property or any part thereof is now or hereafter becomes vested in a trustee, any prohibition or restriction contained herein against the creation of any lien on the Property shall be construed as a similar prohibition or restriction against the creation of any lien on or security interest in the beneficial interest of such trust.

Section 16.9 Collateral Protection Act. Unless Mortgagor provides Mortgagee with evidence of the insurance required by this Mortgage or any other Loan Document, Mortgagee may purchase insurance at Mortgagor's expense to protect Mortgagee's interest in the Property or any other collateral for the indebtedness secured hereby. This insurance may, but need not, protect Mortgagor's interests. The coverage Mortgagee purchases may not pay any claim that Mortgagor makes or any claim that is made against Mortgagor in connection with the Property or any other collateral for the indebtedness secured hereby. Mortgagor may later cancel any insurance purchased by Mortgagee, but only after providing Mortgagee with evidence that Mortgagor has obtained insurance as required under this Mortgage or any other Loan Document. If Mortgagee purchases insurance for the Property or any other collateral for the indebtedness secured hereby, Mortgagor shall be responsible for the costs of that insurance, including interest in any other charges that Mortgagee may lawfully impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the indebtedness secured hereby. The costs of the insurance may be more than the cost of insurance that Mortgagor may be able to obtain on its own. For purposes of the Illinois Collateral Protection Act, 815 ILCS 180/1 *et. seq.*, Mortgagor hereby acknowledges Mortgagee's right pursuant to this paragraph to obtain collateral protection insurance.

Section 16.10 Rights of Tenants. Mortgagee shall have the right and option to commence a civil action to foreclose this Mortgage and to obtain a decree of foreclosure and sale subject to the rights of any tenant or tenants of the Property having an interest in the Property prior to that of Mortgagee. The failure to join any such tenant or tenants of the Property as party defendant or defendants in any such civil action or the failure of any decree of foreclosure and sale to foreclose their rights shall not be asserted by Mortgagor as a defense in any civil action instituted to collect the Obligations, or any part thereof or any deficiency remaining unpaid after foreclosure and sale of the Property, any statute or rule of law at any time existing to the contrary notwithstanding.

For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-23-404-016-0000

which has the address of 1422 E 68th St. Chicago, IL 60637 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on December 31, 2014. The mortgagor is 7823 ESSEX, LLC & 1422 E68, LLC ("Borrower").

This Security Instrument is given to Barry Gelber, Rona Gelber, Lonnie Gelber & Karen Timko whose address is 17 Robbins Rd. Avon, CT 06001 ("Lender").

Borrower owes Lender the principal sum of One Hundred Sixty-Three Thousand Nine Hundred Seventeen and 88/100 Dollars (U.S. \$163,917.88). This debt is evidenced by Borrower's note dated the same date as this Security Instrument ("Note"), which provides for a final payment of the full debt, if not paid earlier, due and payable April 25th, 2015. This Security Instrument secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

- d. all other indebtedness and obligations of Mortgagor presently or subsequently owing to Mortgagee, including but not limited to all future advances under this Mortgage or on the Note and under all notes, loan agreements, security agreements, pledge agreements, assignments, mortgages, leases, guarantees, and any other agreements, instruments, or documents previously or subsequently signed by Mortgagor, whether the indebtedness or obligations are direct or indirect, absolute or contingent, primary or secondary, or related or unrelated to the Premises or the transaction of which this Mortgage is a part, and any and all partial or full extensions or renewals of this indebtedness or other Indebtedness and obligations (all of the foregoing are collectively referred to as the "Indebtedness").

Mortgagor warrants, covenants, and agrees that

IL: Fixed Rate Mortgage

1

1. Title. Mortgagor warrants it is seized of the Premises in fee simple. Mortgagor warrants it had the right and power to Mortgage and warrants the Premises as set forth in this Mortgage. Mortgagor warrants that this mortgage shall be a **first** lien against the Premises and there are no other superior liens or encumbrances against the Property than this Mortgage. The Premises are free from all liens and encumbrances except easements and restrictions of record disclosed in City Suburban Title title commitment no. **1228020**, dated **November 15, 2012** relating to the Premises. Mortgagor will defend the Premises against all claims and demands.

2. Payment of Indebtedness. Mortgagor will pay all Indebtedness when due, including the principal and interest, as provided in the Note.

3. Taxes and Assessments. Until the Indebtedness is fully satisfied, Mortgagor will pay all taxes, assessments, and other similar charges and encumbrances levied on the Premises before they become delinquent, and will promptly deliver to Mortgagee, without demand, receipts showing the payment.

4. Tax and Insurance Escrow. On request, and at the sole and exclusive option of Mortgagee, Mortgagor will pay to Mortgagee monthly, in addition to each monthly payment required by this Mortgage or under the Note, a sum equivalent to one-twelfth of the amount estimated by Mortgagee to be sufficient to enable Mortgagee to pay, at least 30 days before they become due, all taxes, assessments, and other similar charges levied against the Premises, and all insurance premiums on any policy or policies of insurance required by this Mortgage. The additional payments may be commingled with the general funds of Mortgagee, and no interest shall be payable on those payments. On demand by Mortgagee, Mortgagor will deliver and pay over to Mortgagee any additional sums necessary to make up any deficiency in the amount necessary to enable Mortgagee to fully pay when due any of the preceding items. In the event of any default by Mortgagor in performing any of the terms of this Mortgage, Mortgagee may apply against the Indebtedness, in the manner that Mortgagee may determine, any funds of Mortgagor then held by Mortgagee under this paragraph.

5. Change of Law. If, after the date of this Mortgage, any statute or ordinance is passed that changes in any way the laws now in force for the taxation of mortgages or mortgaged debts or the manner in which those taxes are collected, so as to affect this Mortgage or the interest of Mortgagee, the whole of the principal sum secured by this Mortgage, with all interest and charges, if any, at the option of Mortgagee, shall become due and payable.

6. Insurance. Mortgagor will procure, deliver to, and maintain for the benefit of Mortgagee during the term of this Mortgage:

- a. a policy of builder's risk insurance during construction, and thereafter hazard insurance, providing an all-risk extended coverage endorsement, in an amount equal to the highest replacement value of the Premises;
- b. a policy of comprehensive public liability insurance insuring against bodily injury, with a coverage limit of at least \$1,000,000, and against property damage, with a coverage limit of at least \$250,000, from any accident or occurrence with respect to the Premises.

All policies of insurance required by this paragraph shall be in a form, with companies, and in amounts acceptable to Mortgagee, and shall contain a mortgagee endorsement clause acceptable to Mortgagee, with loss payable to Mortgagee. Mortgagor will pay when due the premiums on any policy of insurance required by Mortgagee, and will deliver to Mortgagee renewals of all policies at least 10 days before their expiration date(s). Duplicates of all policies shall be delivered to Mortgagee.

In the event of any loss or damage to the Premises, Mortgagor will give immediate written notice to Mortgagee, and Mortgagee may then make proof of the loss or damage, if it is not promptly made by Mortgagor. All proceeds of insurance shall be payable to Mortgagee, and any affected insurance company is authorized and directed to

make payment directly to Mortgagee. Mortgagee is authorized to settle, adjust, or compromise any claims for loss, damage, or destruction under any policy of insurance.

7. Maintenance and Repair. Mortgagor will not cause or permit the commission of waste on the Premises and will keep the Premises in good condition and repair. No building or other improvement on the Premises shall be removed, demolished, or materially altered without the prior written consent of Mortgagee. Mortgagor will comply with all laws, ordinances, regulations, and orders of all public authorities having jurisdiction over the Premises. If the Premises, in the sole judgment of Mortgagee, require inspection or repair, Mortgagee may enter upon the Premises and inspect and/or repair the Premises as Mortgagee may deem advisable, and may take other action as Mortgagee may deem appropriate to preserve the Premises. Mortgagor will pay when due all charges for utilities or services contracted for by Mortgagor.

8. Waste. The failure of Mortgagor to meet its maintenance obligations or to pay any taxes assessed against the Premises or any insurance premium on policies covering any property located on the Premises shall constitute waste as provided by MCLA 600.2927, MSA 27A.2927, and shall entitle Mortgagee to appoint a receiver of the property for the purpose of preventing the waste. The receiver may collect the rents and income from the Premises.

9. Condemnation. If the Premises, or any part, are taken under the power of eminent domain, the entire award, to the full extent of the Indebtedness, shall be paid to Mortgagee. Mortgagee is empowered in the name of Mortgagor to receive and give acquittance for any award, whether it is joint or several. However, Mortgagee shall not be held responsible for failing to collect any award.

10. Mortgagee Expenses. If Mortgagor fails to meet any of its obligations under this Mortgage, Mortgagee shall have the right, but not the obligation, to perform in the place of Mortgagor. If Mortgagee incurs or expends any sums, including reasonable attorney fees, whether or not in connection with any action or proceeding, to (a) sustain the lien of this Mortgage or its priority, (b) protect or enforce any of Mortgagee's rights, (c) recover any part of the Indebtedness, (d) meet an obligation of Mortgagor under this Mortgage, or (e) collect insurance or condemnation proceeds, then those sums shall become immediately due and payable by Mortgagor with interest at the default rate set forth in the Note from the date of Mortgagee's payment until paid by Mortgagor. The sums expended in this manner by Mortgagee shall be secured by this Mortgage and be a lien on the Premises prior to any right, title, or interest on the Premises attaching or accruing subsequent to the lien of this Mortgage.

11. Assignment of Contracts and Licenses. Mortgagor assigns to Mortgagee, as further security for payment of the Indebtedness, Mortgagor's interest in all agreements, contracts (including any contracts for the lease or sale of the Premises), licenses, and permits affecting the Premises. The assignment shall not be construed as a consent by Mortgagee to any agreement, contract, license or permit so assigned, or to impose any obligations on Mortgagee. Mortgagor shall not cancel, amend, permit, or cause a default or termination of any of the agreements, contracts, licenses, and permits used in conjunction with the operation of the Premises without the written approval of Mortgagee.

12. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases.

In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the

rights and benefits of MCLA 554.231--233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser.

Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail.

If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer.

Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

13. Performance of Leases. Mortgagor shall observe and perform all obligations contained in any lease affecting the Premises. Mortgagor shall not default in performing any of the obligations imposed on Mortgagor by any lease. Such a default gives the lessee the right to terminate or cancel the lease or offset against rentals. Upon request, Mortgagor shall furnish to Mortgagee a statement, in any reasonable detail that Mortgagee may request, of all leases relating to the Premises and executed counterparts of any and all leases.

14. Records. Borrower will at all times keep proper books of record and account in which full, true and correct entries shall be made in accordance with generally accepted accounting principles and will deliver to Lender, within ninety (90) days after the end of each fiscal year of Borrower, a copy of the annual financial statements of Borrower relating to such fiscal year, such statement to include (i) the balance sheet of Borrower as at the end of such fiscal year end (ii) the related income statement, statement of retained earnings and statement of cash flow of Borrower for such fiscal year, prepared by such certified public accountants as may be reasonably satisfactory to Lender. Borrower also agrees to deliver to Lender within fifteen (15) days after filing same, a copy of Borrower's income tax returns and also, from time to time, such other financial information with respect to Borrower as Lender may request. In addition, Mortgagor shall furnish to Mortgagee, in a form acceptable to Mortgagee, interim financial statements that Mortgagee may request, certified by Mortgagor.

15. Waiver. If Mortgagee (a) grants any extension of time with respect to the payment of any part of the indebtedness, (b) takes other or additional security for the payment of the indebtedness, (c) waives or fails to exercise any right granted by this Mortgage or the Note, (d) grants any release on any part of the security held for the payment of the indebtedness, or (e) amends any of the terms and provisions of this Mortgage or of the Note, that act or omission shall not release Mortgagor under any covenant of this Mortgage or of the Note, nor preclude Mortgagee from exercising any right or power granted, nor impair the lien or priority of this Mortgage.

16. Use of Premises. Mortgagor shall use the premises for commercial purposes and shall not make, or permit, without the prior written consent of Mortgagee, (a) any use of the Premises for any purpose other than for residential or commercial lease; (b) any alterations of the buildings, improvements, and fixtures located on the Premises; (c) any purchase, lease of, or agreement for any fixtures to be placed on the Premises under which title is reserved in the vendor. Mortgagor shall execute and deliver documents that may be requested by Mortgagee to confirm the lien of this Mortgage on any fixtures, machinery, and equipment.

17. Events of Default. The occurrences listed below shall be deemed events of default and shall entitle Mortgagee, at its option and without notice except as required by law, to exercise any one or any combination of remedies under this Mortgage or permitted by law:

- a. the failure by Mortgagor to (i) make any payment when due under the Note or (ii) fail to perform any of the other terms, covenants, or conditions of this Mortgage within a period of 10 days after written notice from Mortgagee of Mortgagor's failure to perform an obligation;
- b. the institution of foreclosure or other proceedings to enforce any junior lien or encumbrance on the Premises;
- c. the appointment by a court of a receiver or trustee of Mortgagor or for any property of Mortgagor;
- d. a decree by a court adjudicating Mortgagor as bankrupt or insolvent, or for the sequestration of any of Mortgagor's property;
- e. the filing of a petition in bankruptcy by or against Mortgagor under the federal Bankruptcy Code or any similar statute that is in effect;
- f. an assignment by Mortgagor for the benefit of creditors or a written admission by Mortgagor of the inability to pay debts generally as they become due;
- g. the failure to comply with all of the terms and covenants of any leases or other agreements, documents, or restrictions that now encumber, affect, or pertain to the Premises;
- h. Mortgagor, without the written consent of Mortgagee, sells, conveys, or transfers the Premises, any interest in the Premises, or any rents or profits from the Premises, or causes or allows any Mortgage, lien, or other encumbrance, or any writ of attachment, garnishment, execution, or other legal process to be placed on the Premises, or any part of the Premises is transferred by operation of law;
- i. all or any part of the Premises is damaged or destroyed by fire or other casualty, regardless of insurance coverage, or is taken by power of eminent domain;
- j. without the prior written consent of Mortgagee, Mortgagor allows for the creation or permits to be created or filed against the Premises, any mortgage lien or other lien or security interest superior or inferior to the lien of this Mortgage, or in any way modify or amend any prior lien on the Mortgaged Property;
- k. failure of Mortgagor to comply with any of the terms or conditions set forth in the Note or this Mortgage.

18. **Default Remedies.** Upon the occurrence of any event of default of this Mortgage, Mortgagee shall have the option, in addition to and not in lieu of all other rights and remedies provided by law, to do any or all of the following:

- a. Without notice, except as expressly required by law, to declare the principal sum secured by the Mortgage, together with all interest and all other sums secured by this Mortgage, to be immediately due and payable; to demand any installment payment due under the Note; and to institute any proceedings that Mortgagee deems necessary to collect and otherwise to enforce the Indebtedness and obligations secured by this Mortgage and to protect the lien of this Mortgage. Mortgagee shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 18, including, but not limited to, reasonable attorneys' fees.
- b. Commence foreclosure proceedings against the Premises pursuant to applicable laws. Mortgagee's commencement of a foreclosure shall be deemed an exercise by Mortgagee of its option to accelerate the due date of all sums secured by this Mortgage. Mortgagor also grants to Mortgagee, in the event of the occurrence of an event of default, the power of sale. If the Mortgagee invokes the power of sale, i.e., the power to sell the Premises at public auction by advertisement, Mortgagee shall give notice of sale to

Mortgagor in the manner provided in Section 27. Mortgagee shall publish and post the notice of sale, and the Premises shall be sold in a manner prescribed by Illinois statutes. Mortgagee or its designee may purchase the Premises at any sale.

- c. To enter into peaceful possession of the Premises and/or to receive the rent, income, and profits, and to apply those in accordance with paragraph 12.

Mortgagor acknowledges having been advised that Mortgagee believes that the value of the security covered by this Mortgage is inextricably intertwined with the effectiveness of the management, maintenance, and general operation of the Premises, and that Mortgagee would not make the loan secured by this Mortgage unless it could be assured that it would have the right to take possession of the Premises in order to manage, control management, and enjoy the income, rents, and profits, immediately upon default by Mortgagor, notwithstanding that foreclosure proceedings may not have been instituted, or are pending, or that the redemption period may not have expired. Accordingly, Mortgagor knowingly and voluntarily waives all right to possession of the Premises from and after the date of default, upon demand for possession by Mortgagee.

19. Sale of Premises as a Whole or in Parcels. Upon any foreclosure sale of the Premises, the Premises may be sold either as a whole or in parcels, as Mortgagee may elect, and if in parcels, to be divided as Mortgagee may elect, or, at the election of Mortgagee, the Premises may be offered first in parcels and then as a whole, with the offer producing the highest price for the entire property to prevail.

20. Assignment. Mortgagor shall not make a conveyance of any interest in the Premises. A "conveyance" of Mortgagor's interest in the Premises shall include without limitation any voluntary or involuntary disposition or dilution of legal or beneficial title to the Premises by any means. If ownership of the Premises, or any part, becomes vested in a person other than Mortgagor (with or without Mortgagee's consent), Mortgagee may, without notice to Mortgagor, deal with the successors in interest with reference to this Mortgage and the Note, without in any way releasing or otherwise affecting Mortgagor's liability under this Note and Mortgage.

21. Application of Proceeds. In the event of the payment to Mortgagee, pursuant to this Mortgage, of any rents or profits, or proceeds of any insurance or condemnation award, or proceeds from the sale of the Premises upon foreclosure, Mortgagee shall have the right to apply the rents, profits, or proceeds, in amounts and proportions that Mortgagee shall, in its sole discretion, determine, against the cost and expenses incurred by Mortgagee in exercising its rights under this Mortgage, payment of the interest and principal due under the Note, payment of any other portion of the Indebtedness, and payment of expenses incurred in preserving the Premises. Application by Mortgagee of any proceeds toward the last maturing installments of principal and interest to become due under the Note shall not excuse Mortgagor from making the regularly scheduled payments due under the Note and this Mortgage, nor shall the application reduce the amount of the payments. In the event of the payment of proceeds as a result of an insurance or condemnation award, Mortgagee shall have the right, but not the obligation, to require all or part of the proceeds of any insurance or condemnation award to be used to restore any part of the Premises damaged or taken by reason of the occurrence which gave rise to the payment of the proceeds.

22. Required Notices. Mortgagor shall notify Mortgagee promptly of the occurrence of any of the following:

- a. a fire or other casualty causing damage to all or any part of the Premises;
- b. receipt of notice of eminent domain proceedings or condemnation of all or any part of the Premises and Mortgagor hereby grants Mortgagee an irrevocable power of attorney to appear in fact for and on behalf of Mortgagor in any and all such proceedings;
- c. receipt of notice from any governmental authority relating to the structure, use or occupancy of the Premises or any real property adjacent to the Premises;

- d. receipt of any notice from the holder of any lien or security interest in all or any part of the Premises; or
- e. commencement of any litigation affecting the Premises.

CAUTION: PARAGRAPH 23 CONTAINS A WAIVER OF IMPORTANT LEGAL RIGHTS

23. Waiver of Rights. This Mortgage contains a power of sale which permits Mortgagee to cause the Premises to be sold in the event of a default. Mortgagee may elect to cause the Premises to be sold by advertisement rather than pursuant to court action, and Mortgagor voluntarily and knowingly waives any right Mortgagor may have by virtue of any applicable constitutional provision or statute to any notice or court hearing prior to the exercise of the power of sale, except as may be expressly required by the Illinois statute governing foreclosures by advertisement. In addition, Mortgagor knowingly and voluntarily waives any right Mortgagor may have to remain in possession of the Premises or to collect any rents or income from the Premises during the pendency of any foreclosure proceedings and during any applicable redemption period. Also, paragraphs 17 and 18 above entitle Mortgagee to require immediate payment of the balance of the Indebtedness in full if the Premises are sold or otherwise transferred. By execution of this Mortgage, Mortgagor represents and acknowledges that the meaning and consequences of these paragraphs have been discussed as fully as desired by Mortgagor with Mortgagor's legal counsel.

24. Environmental Matters. Mortgagor agrees to indemnify Mortgagee against, and hold it harmless from, all obligations and liabilities relating to the Premises arising out of claims made or suits brought for investigation, study, remedial work, monitoring, or other costs and expenses arising from or associated with response to any environmental matters, including but not limited to any (a) water pollution, air pollution, noise, odor, spills, leaks, or inadvertent discharges, emissions, or releases, or the generation, transportation, storage, treatment, or disposal of solid waste, including hazardous waste, hazardous substances, pollutants and contaminants; (b) injury, sickness, disease, or death of any person; or (c) damage to any property, regardless of whether the cause of the injury or damage occurred before or after the date of this Mortgage. Mortgagor further agrees that Mortgagee shall have no liability for any environmental contamination associated with Mortgagor's business or the Premises, and that any involvement of Mortgagee with Mortgagor's business to protect its security interest in the Premises shall not constitute Mortgagor as an "owner or operator" of Mortgagor's business for purposes of determining environmental liability. In any event, if Mortgagee becomes obligated, by judicial or administrative judgment or settlement of a claim, to pay any amounts for response to any environmental contamination associated or connected with Mortgagor's business or the Premises, any payment by Mortgagee shall be deemed additional Indebtedness secured by the lien of this Mortgage, shall be immediately due and payable to Mortgagee, and shall bear interest until paid at the default interest rate specified in the Note.

25. Covenants Run with Land. All of the terms and covenants of this Mortgage shall run with the land and shall be binding on and inure to the benefit of the respective legal representatives and successors of the parties.

26. Release of Mortgage. If Mortgagor pays to Mortgagee the money required by the Note, in the manner and at the times provided in the Note, and all other sums of the Indebtedness payable by Mortgagor to Mortgagee, and keeps and performs the terms, covenants, and agreements of Mortgagor with Mortgagee, then this Mortgage shall be satisfied, and Mortgagee shall release the Mortgage.

27. Notice and Communications. All notices, communications, demands, and requests required or permitted to be given to Mortgagor or by law shall be deemed delivered when deposited in the United States mail, with postage prepaid, addressed to Mortgagor at its last known addresses.

All notices, communications demands, and requests required or permitted to be given to Mortgagee or by law, to be effective, shall be delivered or sent by registered mail, postage prepaid, return receipt requested, addressed to Mortgagee at the address set forth above or at such other address as the Mortgagee may hereafter designate in writing in the manner herein provided.

28. Severability. If any provision of this Mortgage is in conflict with any statute or rule of law of the State of

Illinois or is otherwise unenforceable for any reason, then that provision shall be deemed null and void to the extent of the conflict or unenforceability, but shall be deemed separable from and shall not invalidate any other provision of this Mortgage.

29. **Mortgagor's Waivers.** Mortgagor hereby waives and releases to the extent permitted by law:

- a. All errors, defects and imperfections in any proceeding instituted by Mortgagee under the Note or this Mortgage, and/or the accompanying loan documents;
- b. All benefits that might accrue to the Mortgagor by virtue of any present or future law exempting the Premises, or any part of the proceeds arising from any sale thereof, from attachment, levy or sale on execution, or providing for any stay of execution, exemption from civil process or extension of time for payment; and
- c. Unless specifically required herein, all notices of Mortgagor's default or of Mortgagee's election to exercise, or Mortgagee's actual exercise of any option under the Note or this Mortgage.

Signed on the date set forth above.

MORTGAGE

THIS MORTGAGE is made this **8th** day of **November** 2013, between, **EQUITYBUILD, INC.**, with an address of **1083 N COLLIER BLVD. #132 MARCO ISLAND, FL 34145** (hereinafter "Mortgagor"), and **THE PERSONS LISTED ON EXHIBIT B c/o HARD MONEY COMPANY, LLC**, a Florida limited liability company, address is **5068 West Plano Pkwy. #300 Plano, TX 75093**. (hereinafter "Mortgagee").

For value received, Mortgagor mortgages and warrants to Mortgagee the property situated in Chicago, **Cook County**, Illinois, with a common street address of **4750 S Indiana Ave., CHICAGO, IL 60615**, and legally described as shown on the attached **EXHIBIT A**, said Exhibit incorporated herein, together with the easements, rights-of-way, licenses, privileges, hereditaments, and appurtenances belonging to the property, and all the rents, issues, leases, and profits, the interest of Mortgagor in the property, either at law or in equity, all buildings, structures, and improvements, and all fixtures located in, on, or affixed to the property, and used or usable in connection with the operation of the property (all of the above-stated property are collectively referred to in this Mortgage as the "Premises" or the "Mortgaged Property").

This Mortgage is given to secure the following:

- a. payment of the Indebtedness evidenced by a promissory Note dated the same date hereof, and made and delivered by Mortgagor to Mortgagee, in the principal sum of **THREE HUNDRED TWENTY-FIVE THOUSAND and 00/100 DOLLARS (\$325,000.00)**, payable with interest (hereinafter the "Note");
- b. payment by Mortgagor to Mortgagee of all sums expended or advanced by Mortgagee pursuant to any term or provision of this Mortgage;
- c. performance of the covenants, conditions, and agreements contained in this Mortgage, in the Note, in any security agreement given in connection with this transaction, and in any other documents or agreements securing the indebtedness shown above;
- d. all other indebtedness and obligations of Mortgagor presently or subsequently owing to Mortgagee, including but not limited to all future advances under this Mortgage or on the Note and under all notes, loan agreements, security agreements, pledge agreements, assignments, mortgages, leases, guarantees, and any other agreements, instruments, or documents previously or subsequently signed by Mortgagor, whether the indebtedness or obligations are direct or indirect, absolute or contingent, primary or secondary, or related or unrelated to the Premises or the transaction of which this Mortgage is a part, and any and all partial or full extensions or renewals of this indebtedness or other Indebtedness and obligations (all of the foregoing are collectively referred to as the "Indebtedness").

Mortgagor warrants, covenants, and agrees that

1. Title. Mortgagor warrants it is seized of the Premises in fee simple. Mortgagor warrants it had the right and power to Mortgage and warrants the Premises as set forth in this Mortgage. Mortgagor warrants that this mortgage shall be a **first** lien against the Premises and there are no other superior liens or encumbrances against the Property than this Mortgage. The Premises are free from all liens and encumbrances except easements and restrictions of record disclosed in **COMMONWEALTH LAND TITLE INSURANCE COMPANY** commitment no. **CL133073**, with an effective date of **OCTOBER 15TH, 2013** relating to the Premises. Mortgagor will defend the Premises against all claims and demands.

2. Payment of Indebtedness. Mortgagor will pay all Indebtedness when due, including the principal and interest, as provided in the Note.

3. Taxes and Assessments. Until the Indebtedness is fully satisfied, Mortgagor will pay all taxes, assessments, and other similar charges and encumbrances levied on the Premises before they become delinquent, and will promptly deliver to Mortgagee, without demand, receipts showing the payment.

4. Tax and Insurance Escrow. On request, and at the sole and exclusive option of Mortgagee, Mortgagor will pay to Mortgagee monthly, in addition to each monthly payment required by this Mortgage or under the Note, a sum equivalent to one-twelfth of the amount estimated by Mortgagee to be sufficient to enable Mortgagee to pay, at least 30 days before they become due, all taxes, assessments, and other similar charges levied against the Premises, and all insurance premiums on any policy or policies of insurance required by this Mortgage. The additional payments may be commingled with the general funds of Mortgagee, and no interest shall be payable on those payments. On demand by Mortgagee, Mortgagor will deliver and pay over to Mortgagee any additional sums necessary to make up any deficiency in the amount necessary to enable Mortgagee to fully pay when due any of the preceding items. In the event of any default by Mortgagor in performing any of the terms of this Mortgage, Mortgagee may apply against the Indebtedness, in the manner that Mortgagee may determine, any funds of Mortgagor then held by Mortgagee under this paragraph.

5. Change of Law. If, after the date of this Mortgage, any statute or ordinance is passed that changes in any way the laws now in force for the taxation of mortgages or mortgaged debts or the manner in which those taxes are collected, so as to affect this Mortgage or the interest of Mortgagee, the whole of the principal sum secured by this Mortgage, with all interest and charges, if any, at the option of Mortgagee, shall become due and payable.

6. Insurance. Mortgagor will procure, deliver to, and maintain for the benefit of Mortgagee during the term of this Mortgage:

- a. a policy of builder's risk insurance during construction, and thereafter hazard insurance, providing an all-risk extended coverage endorsement, in an amount equal to the highest replacement value of the Premises;
- b. a policy of comprehensive public liability insurance insuring against bodily injury, with a coverage limit of at least \$1,000,000, and against property damage, with a coverage limit of at least \$250,000, from any accident or occurrence with respect to the Premises.

All policies of insurance required by this paragraph shall be in a form, with companies, and in amounts acceptable to Mortgagee, and shall contain a mortgagee endorsement clause acceptable to Mortgagee, with loss payable to Mortgagee. Mortgagor will pay when due the premiums on any policy of insurance required by Mortgagee, and will deliver to Mortgagee renewals of all policies at least 10 days before their expiration date(s). Duplicates of all policies shall be delivered to Mortgagee.

In the event of any loss or damage to the Premises, Mortgagor will give immediate written notice to Mortgagee, and Mortgagee may then make proof of the loss or damage, if it is not promptly made by Mortgagor. All proceeds of insurance shall be payable to Mortgagee, and any affected insurance company is authorized and directed to make payment directly to Mortgagee. Mortgagee is authorized to settle, adjust, or compromise any claims for loss, damage, or destruction under any policy of insurance.

7. **Maintenance and Repair.** Mortgagor will not cause or permit the commission of waste on the Premises and will keep the Premises in good condition and repair. No building or other improvement on the Premises shall be removed, demolished, or materially altered without the prior written consent of Mortgagee. Mortgagor will comply with all laws, ordinances, regulations, and orders of all public authorities having jurisdiction over the Premises. If the Premises, in the sole judgment of Mortgagee, require inspection or repair, Mortgagee may enter upon the Premises and inspect and/or repair the Premises as Mortgagee may deem advisable, and may take other action as Mortgagee may deem appropriate to preserve the Premises. Mortgagor will pay when due all charges for utilities or services contracted for by Mortgagor.

8. **Waste.** The failure of Mortgagor to meet its maintenance obligations or to pay any taxes assessed against the Premises or any insurance premium on policies covering any property located on the Premises shall constitute waste as provided by MCLA 600.2927, MSA 27A.2927, and shall entitle Mortgagee to appoint a receiver of the property for the purpose of preventing the waste. The receiver may collect the rents and income from the Premises.

9. **Condemnation.** If the Premises, or any part, are taken under the power of eminent domain, the entire award, to the full extent of the Indebtedness, shall be paid to Mortgagee. Mortgagee is empowered in the name of Mortgagor to receive and give acquittance for any award, whether it is joint or several. However, Mortgagee shall not be held responsible for failing to collect any award.

10. **Mortgagee Expenses.** If Mortgagor fails to meet any of its obligations under this Mortgage, Mortgagee shall have the right, but not the obligation, to perform in the place of Mortgagor. If Mortgagee incurs or expends any sums, including reasonable attorney fees, whether or not in connection with any action or proceeding, to (a) sustain the lien of this Mortgage or its priority, (b) protect or enforce any of Mortgagee's rights, (c) recover any part of the Indebtedness, (d) meet an obligation of Mortgagor under this Mortgage, or (e) collect insurance or condemnation proceeds, then those sums shall become immediately due and payable by Mortgagor with interest at the default rate set forth in the Note from the date of Mortgagee's payment until paid by Mortgagor. The sums expended in this manner by Mortgagee shall be secured by this Mortgage and be a lien on the Premises prior to any right, title, or interest on the Premises attaching or accruing subsequent to the lien of this Mortgage.

11. **Assignment of Contracts and Licenses.** Mortgagor assigns to Mortgagee, as further security for payment of the Indebtedness, Mortgagor's interest in all agreements, contracts (including any contracts for the lease or sale of the Premises), licenses, and permits affecting the Premises. The assignment shall not be construed as a consent by Mortgagee to any agreement, contract, license or permit so assigned, or to impose any obligations on Mortgagee. Mortgagor shall not cancel, amend, permit, or cause a default or termination of any of the agreements, contracts, licenses, and permits used in conjunction with the operation of the Premises without the written approval of Mortgagee.

12. **Assignment of Rents and Leases.** As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases.

In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231–.233, MSA 26.1137(1)–(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may

deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser.

Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail.

If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer.

Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

13. Performance of Leases. Mortgagor shall observe and perform all obligations contained in any lease affecting the Premises. Mortgagor shall not default in performing any of the obligations imposed on Mortgagor by any lease. Such a default gives the lessee the right to terminate or cancel the lease or offset against rentals. Upon request, Mortgagor shall furnish to Mortgagee a statement, in any reasonable detail that Mortgagee may request, of all leases relating to the Premises and executed counterparts of any and all leases.

14. Records. Borrower will at all times keep proper books of record and account in which full, true and correct entries shall be made in accordance with generally accepted accounting principles and will deliver to Lender, within ninety (90) days after the end of each fiscal year of Borrower, a copy of the annual financial statements of Borrower relating to such fiscal year, such statement to include (i) the balance sheet of Borrower as at the end of such fiscal year end (ii) the related income statement, statement of retained earnings and statement of cash flow of Borrower for such fiscal year, prepared by such certified public accountants as may be reasonably satisfactory to Lender. Borrower also agrees to deliver to Lender within fifteen (15) days after filing same, a copy of Borrower's income tax returns and also, from time to time, such other financial information with respect to Borrower as Lender may request. In addition, In addition, Mortgagor shall furnish to Mortgagee, in a form acceptable to Mortgagee, interim financial statements that Mortgagee may request, certified by Mortgagor.

15. Waiver. If Mortgagee (a) grants any extension of time with respect to the payment of any part of the Indebtedness, (b) takes other or additional security for the payment of the Indebtedness, (c) waives or fails to exercise any right granted by this Mortgage or the Note, (d) grants any release on any part of the security held for the payment of the Indebtedness, or (e) amends any of the terms and provisions of this Mortgage or of the Note, that act or omission shall not release Mortgagor under any covenant of this Mortgage or of the Note, nor preclude Mortgagee from exercising any right or power granted, nor impair the lien or priority of this Mortgage.

16. Use of Premises. Mortgagor shall use the premises for commercial purposes and shall not make, or permit, without the prior written consent of Mortgagee, (a) any use of the Premises for any purpose other than for residential or commercial lease; (b) any alterations of the buildings, improvements, and fixtures located on the Premises; (c) any purchase, lease of, or agreement for any fixtures to be placed on the Premises under which title is reserved in the vendor. Mortgagor shall execute and deliver documents that may be requested by Mortgagee to confirm the lien of this Mortgage on any fixtures, machinery, and equipment.

17. Events of Default. The occurrences listed below shall be deemed events of default and shall entitle Mortgagee, at its option and without notice except as required by law, to exercise any one or any combination of remedies under this Mortgage or permitted by law:

- a. the failure by Mortgagor to (i) make any payment when due under the Note or (ii) fail to perform any of the other terms, covenants, or conditions of this Mortgage within a period of 10 days after written notice from Mortgagee of Mortgagor's failure to perform an obligation;
- b. the institution of foreclosure or other proceedings to enforce any junior lien or encumbrance on the Premises;
- c. the appointment by a court of a receiver or trustee of Mortgagor or for any property of Mortgagor;
- d. a decree by a court adjudicating Mortgagor as bankrupt or insolvent, or for the sequestration of any of Mortgagor's property;
- e. the filing of a petition in bankruptcy by or against Mortgagor under the federal Bankruptcy Code or any similar statute that is in effect;
- f. an assignment by Mortgagor for the benefit of creditors or a written admission by Mortgagor of the inability to pay debts generally as they become due;
- g. the failure to comply with all of the terms and covenants of any leases or other agreements, documents, or restrictions that now encumber, affect, or pertain to the Premises;
- h. Mortgagor, without the written consent of Mortgagee, sells, conveys, or transfers the Premises, any interest in the Premises, or any rents or profits from the Premises, or causes or allows any Mortgage, lien, or other encumbrance, or any writ of attachment, garnishment, execution, or other legal process to be placed on the Premises, or any part of the Premises is transferred by operation of law;
- i. all or any part of the Premises is damaged or destroyed by fire or other casualty, regardless of insurance coverage, or is taken by power of eminent domain;
- j. without the prior written consent of Mortgagee, Mortgagor allows for the creation or permits to be created or filed against the Premises, any mortgage lien or other lien or security interest superior or inferior to the lien of this Mortgage, or in any way modify or amend any prior lien on the Mortgaged Property;
- k. failure of Mortgagor to comply with any of the terms or conditions set forth in the Note or this Mortgage.

18. **Default Remedies.** Upon the occurrence of any event of default of this Mortgage, Mortgagee shall have the option, in addition to and not in lieu of all other rights and remedies provided by law, to do any or all of the following:

- a. Without notice, except as expressly required by law, to declare the principal sum secured by the Mortgage, together with all interest and all other sums secured by this Mortgage, to be immediately due and payable; to demand any installment payment due under the Note; and to institute any proceedings that Mortgagee deems necessary to collect and otherwise to enforce the Indebtedness and obligations secured by this Mortgage and to protect the lien of this Mortgage. Mortgagee shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 18, including, but not limited to, reasonable attorneys' fees.
- b. Commence foreclosure proceedings against the Premises pursuant to applicable laws. Mortgagee's commencement of a foreclosure shall be deemed an exercise by Mortgagee of its option to accelerate the due date of all sums secured by this Mortgage. Mortgagor also grants to Mortgagee, in the event of the occurrence of an event of default, the power of sale. If the Mortgagee invokes the power of sale, i.e., the power to sell the Premises at public auction by advertisement, Mortgagee shall give notice of sale to Mortgagor in the manner provided in Section 27. Mortgagee shall publish and post the notice of sale, and

the Premises shall be sold in a manner prescribed by Illinois statutes. Mortgagee or its designee may purchase the Premises at any sale.

- c. To enter into peaceful possession of the Premises and/or to receive the rent, income, and profits, and to apply those in accordance with paragraph 12.

Mortgagor acknowledges having been advised that Mortgagee believes that the value of the security covered by this Mortgage is inextricably intertwined with the effectiveness of the management, maintenance, and general operation of the Premises, and that Mortgagee would not make the loan secured by this Mortgage unless it could be assured that it would have the right to take possession of the Premises in order to manage, control management, and enjoy the income, rents, and profits, immediately upon default by Mortgagor, notwithstanding that foreclosure proceedings may not have been instituted, or are pending, or that the redemption period may not have expired. Accordingly, Mortgagor knowingly and voluntarily waives all right to possession of the Premises from and after the date of default, upon demand for possession by Mortgagee.

19. Sale of Premises as a Whole or in Parcels. Upon any foreclosure sale of the Premises, the Premises may be sold either as a whole or in parcels, as Mortgagee may elect, and if in parcels, to be divided as Mortgagee may elect, or, at the election of Mortgagee, the Premises may be offered first in parcels and then as a whole, with the offer producing the highest price for the entire property to prevail.

20. Assignment. Mortgagor shall not make a conveyance of any interest in the Premises. A "conveyance" of Mortgagor's interest in the Premises shall include without limitation any voluntary or involuntary disposition or dilution of legal or beneficial title to the Premises by any means. If ownership of the Premises, or any part, becomes vested in a person other than Mortgagor (with or without Mortgagee's consent), Mortgagee may, without notice to Mortgagor, deal with the successors in interest with reference to this Mortgage and the Note, without in any way releasing or otherwise affecting Mortgagor's liability under this Note and Mortgage.

21. Application of Proceeds. In the event of the payment to Mortgagee, pursuant to this Mortgage, of any rents or profits, or proceeds of any insurance or condemnation award, or proceeds from the sale of the Premises upon foreclosure, Mortgagee shall have the right to apply the rents, profits, or proceeds, in amounts and proportions that Mortgagee shall, in its sole discretion, determine, against the cost and expenses incurred by Mortgagee in exercising its rights under this Mortgage, payment of the interest and principal due under the Note, payment of any other portion of the Indebtedness, and payment of expenses incurred in preserving the Premises. Application by Mortgagee of any proceeds toward the last maturing installments of principal and interest to become due under the Note shall not excuse Mortgagor from making the regularly scheduled payments due under the Note and this Mortgage, nor shall the application reduce the amount of the payments. In the event of the payment of proceeds as a result of an insurance or condemnation award, Mortgagee shall have the right, but not the obligation, to require all or part of the proceeds of any insurance or condemnation award to be used to restore any part of the Premises damaged or taken by reason of the occurrence which gave rise to the payment of the proceeds.

22. Required Notices. Mortgagor shall notify Mortgagee promptly of the occurrence of any of the following:

- a. a fire or other casualty causing damage to all or any part of the Premises;
- b. receipt of notice of eminent domain proceedings or condemnation of all or any part of the Premises and Mortgagor hereby grants Mortgagee an irrevocable power of attorney to appear in fact for and on behalf of Mortgagor in any and all such proceedings;
- c. receipt of notice from any governmental authority relating to the structure, use or occupancy of the Premises or any real property adjacent to the Premises;
- d. receipt of any notice from the holder of any lien or security interest in all or any part of the Premises; or

e. commencement of any litigation affecting the Premises.

CAUTION: PARAGRAPH 23 CONTAINS A WAIVER OF IMPORTANT LEGAL RIGHTS

23. Waiver of Rights. This Mortgage contains a power of sale which permits Mortgagee to cause the Premises to be sold in the event of a default. Mortgagee may elect to cause the Premises to be sold by advertisement rather than pursuant to court action, and Mortgagor voluntarily and knowingly waives any right Mortgagor may have by virtue of any applicable constitutional provision or statute to any notice or court hearing prior to the exercise of the power of sale, except as may be expressly required by the Illinois statute governing foreclosures by advertisement. In addition, Mortgagor knowingly and voluntarily waives any right Mortgagor may have to remain in possession of the Premises or to collect any rents or income from the Premises during the pendency of any foreclosure proceedings and during any applicable redemption period. Also, paragraphs 17 and 18 above entitle Mortgagee to require immediate payment of the balance of the Indebtedness in full if the Premises are sold or otherwise transferred. By execution of this Mortgage, Mortgagor represents and acknowledges that the meaning and consequences of these paragraphs have been discussed as fully as desired by Mortgagor with Mortgagor's legal counsel.

24. Environmental Matters. Mortgagor agrees to indemnify Mortgagee against, and hold it harmless from, all obligations and liabilities relating to the Premises arising out of claims made or suits brought for investigation, study, remedial work, monitoring, or other costs and expenses arising from or associated with response to any environmental matters, including but not limited to any (a) water pollution, air pollution, noise, odor, spills, leaks, or inadvertent discharges, emissions, or releases, or the generation, transportation, storage, treatment, or disposal of solid waste, including hazardous waste, hazardous substances, pollutants and contaminants; (b) injury, sickness, disease, or death of any person; or (c) damage to any property, regardless of whether the cause of the injury or damage occurred before or after the date of this Mortgage. Mortgagor further agrees that Mortgagee shall have no liability for any environmental contamination associated with Mortgagor's business or the Premises, and that any involvement of Mortgagee with Mortgagor's business to protect its security interest in the Premises shall not constitute Mortgagor as an "owner or operator" of Mortgagor's business for purposes of determining environmental liability. In any event, if Mortgagee becomes obligated, by judicial or administrative judgment or settlement of a claim, to pay any amounts for response to any environmental contamination associated or connected with Mortgagor's business or the Premises, any payment by Mortgagee shall be deemed additional Indebtedness secured by the lien of this Mortgage, shall be immediately due and payable to Mortgagee, and shall bear interest until paid at the default interest rate specified in the Note.

25. Covenants Run with Land. All of the terms and covenants of this Mortgage shall run with the land and shall be binding on and inure to the benefit of the respective legal representatives and successors of the parties.

26. Release of Mortgage. If Mortgagor pays to Mortgagee the money required by the Note, in the manner and at the times provided in the Note, and all other sums of the Indebtedness payable by Mortgagor to Mortgagee, and keeps and performs the terms, covenants, and agreements of Mortgagor with Mortgagee, then this Mortgage shall be satisfied, and Mortgagee shall release the Mortgage.

27. Notice and Communications. All notices, communications, demands, and requests required or permitted to be given to Mortgagor or by law shall be deemed delivered when deposited in the United States mail, with postage prepaid, addressed to Mortgagor at its last known addresses.

All notices, communications demands, and requests required or permitted to be given to Mortgagee or by law, to be effective, shall be delivered or sent by registered mail, postage prepaid, return receipt requested, addressed to Mortgagee at the address set forth above or at such other address as the Mortgagee may hereafter designate in writing in the manner herein provided.

28. Severability. If any provision of this Mortgage is in conflict with any statute or rule of law of the State of Illinois or is otherwise unenforceable for any reason, then that provision shall be deemed null and void to the

extent of the conflict or unenforceability, but shall be deemed separable from and shall not invalidate any other provision of this Mortgage.

29. **Mortgagor's Waivers.** Mortgagor hereby waives and releases to the extent permitted by law:

- a. All errors, defects and imperfections in any proceeding instituted by Mortgagee under the Note or this Mortgage, and/or the accompanying loan documents;
- b. All benefits that might accrue to the Mortgagor by virtue of any present or future law exempting the Premises, or any part of the proceeds arising from any sale thereof, from attachment, levy or sale on execution, or providing for any stay of execution, exemption from civil process or extension of time for payment; and
- c. Unless specifically required herein, all notices of Mortgagor's default or of Mortgagee's election to exercise, or Mortgagee's actual exercise of any option under the Note or this Mortgage.

Signed on the date set forth above.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on March 6, 2015. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Eight Hundred Sixty-Five Thousand and 00/100 Dollars (U.S. \$865,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument, which provides for a final payment of the full debt, if not paid earlier, due and payable March 1st, 2017. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Notes, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Notes. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-15-112-018-0000

PIN: 20-15-112-019-0000

which has the address of 5618-5620 S Martin Luther King Dr. Chicago, IL 60637 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Notes and any prepayment and late charges due under the Notes.

2. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Notes: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Notes without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Notes conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Notes which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Notes are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Notes and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

Signed, sealed and delivered in the presence of:

Mortgagor warrants that this mortgage shall be a **first** lien against the Premises and there are no other superior liens or encumbrances against the Property than this Mortgage. The Premises are free from all liens and encumbrances except easements and restrictions of record disclosed in City Suburban Title title commitment no. **1228168**, dated **August 31, 2012** relating to the Premises. Mortgagor will defend the Premises against all claims and demands.

2. Payment of Indebtedness. Mortgagor will pay all Indebtedness when due, including the principal and interest, as provided in the Note.

3. Taxes and Assessments. Until the Indebtedness is fully satisfied, Mortgagor will pay all taxes, assessments, and other similar charges and encumbrances levied on the Premises before they become delinquent, and will promptly deliver to Mortgagee, without demand, receipts showing the payment.

4. Tax and Insurance Escrow. On request, and at the sole and exclusive option of Mortgagee, Mortgagor will pay to Mortgagee monthly, in addition to each monthly payment required by this Mortgage or under the Note, a sum equivalent to one-twelfth of the amount estimated by Mortgagee to be sufficient to enable Mortgagee to pay, at least 30 days before they become due, all taxes, assessments, and other similar charges levied against the Premises, and all insurance premiums on any policy or policies of insurance required by this Mortgage. The additional payments may be commingled with the general funds of Mortgagee, and no interest shall be payable on those payments. On demand by Mortgagee, Mortgagor will deliver and pay over to Mortgagee any additional sums necessary to make up any deficiency in the amount necessary to enable Mortgagee to fully pay when due any of the preceding items. In the event of any default by Mortgagor in performing any of the terms of this Mortgage, Mortgagee may apply against the Indebtedness, in the manner that Mortgagee may determine, any funds of Mortgagor then held by Mortgagee under this paragraph.

5. Change of Law. If, after the date of this Mortgage, any statute or ordinance is passed that changes in any way the laws now in force for the taxation of mortgages or mortgaged debts or the manner in which those taxes are collected, so as to affect this Mortgage or the interest of Mortgagee, the whole of the principal sum secured by this Mortgage, with all interest and charges, if any, at the option of Mortgagee, shall become due and payable.

6. Insurance. Mortgagor will procure, deliver to, and maintain for the benefit of Mortgagee during the term of this Mortgage:

- a. a policy of builder's risk insurance during construction, and thereafter hazard insurance, providing an all-risk extended coverage endorsement, in an amount equal to the highest replacement value of the Premises;
- b. a policy of comprehensive public liability insurance insuring against bodily injury, with a coverage limit of at least \$1,000,000, and against property damage, with a coverage limit of at least \$250,000, from any accident or occurrence with respect to the Premises.

All policies of insurance required by this paragraph shall be in a form, with companies, and in amounts acceptable to Mortgagee, and shall contain a mortgagee endorsement clause acceptable to Mortgagee, with loss payable to Mortgagee. Mortgagor will pay when due the premiums on any policy of insurance required by Mortgagee, and will deliver to Mortgagee renewals of all policies at least 10 days before their expiration date(s). Duplicates of all policies shall be delivered to Mortgagee.

In the event of any loss or damage to the Premises, Mortgagor will give immediate written notice to Mortgagee, and Mortgagee may then make proof of the loss or damage, if it is not promptly made by Mortgagor. All proceeds of insurance shall be payable to Mortgagee, and any affected insurance company is authorized and directed to make payment directly to Mortgagee. Mortgagee is authorized to settle, adjust, or compromise any claims for

loss, damage, or destruction under any policy of insurance.

7. Maintenance and Repair. Mortgagor will not cause or permit the commission of waste on the Premises and will keep the Premises in good condition and repair. No building or other improvement on the Premises shall be removed, demolished, or materially altered without the prior written consent of Mortgagee. Mortgagor will comply with all laws, ordinances, regulations, and orders of all public authorities having jurisdiction over the Premises. If the Premises, in the sole judgment of Mortgagee, require inspection or repair, Mortgagee may enter upon the Premises and inspect and/or repair the Premises as Mortgagee may deem advisable, and may take other action as Mortgagee may deem appropriate to preserve the Premises. Mortgagor will pay when due all charges for utilities or services contracted for by Mortgagor.

8. Waste. The failure of Mortgagor to meet its maintenance obligations or to pay any taxes assessed against the Premises or any insurance premium on policies covering any property located on the Premises shall constitute waste as provided by MCLA 600.2927, MSA 27A.2927, and shall entitle Mortgagee to appoint a receiver of the property for the purpose of preventing the waste. The receiver may collect the rents and income from the Premises.

9. Condemnation. If the Premises, or any part, are taken under the power of eminent domain, the entire award, to the full extent of the Indebtedness, shall be paid to Mortgagee. Mortgagee is empowered in the name of Mortgagor to receive and give acquittance for any award, whether it is joint or several. However, Mortgagee shall not be held responsible for failing to collect any award.

10. Mortgage Expenses. If Mortgagor fails to meet any of its obligations under this Mortgage, Mortgagee shall have the right, but not the obligation, to perform in the place of Mortgagor. If Mortgagee incurs or expends any sums, including reasonable attorney fees, whether or not in connection with any action or proceeding, to (a) sustain the lien of this Mortgage or its priority, (b) protect or enforce any of Mortgagee's rights, (c) recover any part of the Indebtedness, (d) meet an obligation of Mortgagor under this Mortgage, or (e) collect insurance or condemnation proceeds, then those sums shall become immediately due and payable by Mortgagor with interest at the default rate set forth in the Note from the date of Mortgagee's payment until paid by Mortgagor. The sums expended in this manner by Mortgagee shall be secured by this Mortgage and be a lien on the Premises prior to any right, title, or interest on the Premises attaching or accruing subsequent to the lien of this Mortgage.

11. Assignment of Contracts and Licenses. Mortgagor assigns to Mortgagee, as further security for payment of the Indebtedness, Mortgagor's interest in all agreements, contracts (including any contracts for the lease or sale of the Premises), licenses, and permits affecting the Premises. The assignment shall not be construed as a consent by Mortgagee to any agreement, contract, license or permit so assigned, or to impose any obligations on Mortgagee. Mortgagor shall not cancel, amend, permit, or cause a default or termination of any of the agreements, contracts, licenses, and permits used in conjunction with the operation of the Premises without the written approval of Mortgagee.

12. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases.

In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be

2

entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser.

Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail.

If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer.

Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

13. Performance of Leases. Mortgagor shall observe and perform all obligations contained in any lease affecting the Premises. Mortgagor shall not default in performing any of the obligations imposed on Mortgagor by any lease. Such a default gives the lessee the right to terminate or cancel the lease or offset against rentals. Upon request, Mortgagor shall furnish to Mortgagee a statement, in any reasonable detail that Mortgagee may request, of all leases relating to the Premises and executed counterparts of any and all leases.

14. Records. Borrower will at all times keep proper books of record and account in which full, true and correct entries shall be made in accordance with generally accepted accounting principles and will deliver to Lender, within ninety (90) days after the end of each fiscal year of Borrower, a copy of the annual financial statements of Borrower relating to such fiscal year, such statement to include (i) the balance sheet of Borrower as at the end of such fiscal year end (ii) the related income statement, statement of retained earnings and statement of cash flow of Borrower for such fiscal year, prepared by such certified public accountants as may be reasonably satisfactory to Lender. Borrower also agrees to deliver to Lender within fifteen (15) days after filing same, a copy of Borrower's income tax returns and also, from time to time, such other financial information with respect to Borrower as Lender may request. In addition, Mortgagor shall furnish to Mortgagee, in a form acceptable to Mortgagee, interim financial statements that Mortgagee may request, certified by Mortgagor.

15. Waiver. If Mortgagee (a) grants any extension of time with respect to the payment of any part of the Indebtedness, (b) takes other or additional security for the payment of the Indebtedness, (c) waives or fails to exercise any right granted by this Mortgage or the Note, (d) grants any release on any part of the security held for the payment of the Indebtedness, or (e) amends any of the terms and provisions of this Mortgage or of the Note, that act or omission shall not release Mortgagor under any covenant of this Mortgage or of the Note, nor preclude Mortgagee from exercising any right or power granted, nor impair the lien or priority of this Mortgage.

16. Use of Premises. Mortgagor shall use the premises for commercial purposes and shall not make, or permit, without the prior written consent of Mortgagee, (a) any use of the Premises for any purpose other than for residential or commercial lease; (b) any alterations of the buildings, improvements, and fixtures located on the Premises; (c) any purchase, lease of, or agreement for any fixtures to be placed on the Premises under which title is reserved in the vendor. Mortgagor shall execute and deliver documents that may be requested by Mortgagee to confirm the lien of this Mortgage on any fixtures, machinery, and equipment.

17. Events of Default. The occurrences listed below shall be deemed events of default and shall entitle Mortgagee, at its option and without notice except as required by law, to exercise any one or any combination of remedies under this Mortgage or permitted by law:

2

- a. the failure by Mortgagor to (i) make any payment when due under the Note or (ii) fail to perform any of the other terms, covenants, or conditions of this Mortgage within a period of 10 days after written notice from Mortgagee of Mortgagor's failure to perform an obligation;
- b. the institution of foreclosure or other proceedings to enforce any junior lien or encumbrance on the Premises;
- c. the appointment by a court of a receiver or trustee of Mortgagor or for any property of Mortgagor;
- d. a decree by a court adjudicating Mortgagor as bankrupt or insolvent, or for the sequestration of any of Mortgagor's property;
- e. the filing of a petition in bankruptcy by or against Mortgagor under the federal Bankruptcy Code or any similar statute that is in effect;
- f. an assignment by Mortgagor for the benefit of creditors or a written admission by Mortgagor of the inability to pay debts generally as they become due;
- g. the failure to comply with all of the terms and covenants of any leases or other agreements, documents, or restrictions that now encumber, affect, or pertain to the Premises;
- h. Mortgagor, without the written consent of Mortgagee, sells, conveys, or transfers the Premises, any interest in the Premises, or any rents or profits from the Premises, or causes or allows any Mortgage, lien, or other encumbrance, or any writ of attachment, garnishment, execution, or other legal process to be placed on the Premises, or any part of the Premises is transferred by operation of law;
- i. all or any part of the Premises is damaged or destroyed by fire or other casualty, regardless of insurance coverage, or is taken by power of eminent domain;
- j. without the prior written consent of Mortgagee, Mortgagor allows for the creation or permits to be created or filed against the Premises, any mortgage lien or other lien or security interest superior or inferior to the lien of this Mortgage, or in any way modify or amend any prior lien on the Mortgaged Property;
- k. failure of Mortgagor to comply with any of the terms or conditions set forth in the Note or this Mortgage.

18. **Default Remedies.** Upon the occurrence of any event of default of this Mortgage, Mortgagee shall have the option, in addition to and not in lieu of all other rights and remedies provided by law, to do any or all of the following:

- a. Without notice, except as expressly required by law, to declare the principal sum secured by the Mortgage, together with all interest and all other sums secured by this Mortgage, to be immediately due and payable; to demand any installment payment due under the Note; and to institute any proceedings that Mortgagee deems necessary to collect and otherwise to enforce the Indebtedness and obligations secured by this Mortgage and to protect the lien of this Mortgage. Mortgagee shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 18, including, but not limited to, reasonable attorneys' fees.
- b. Commence foreclosure proceedings against the Premises pursuant to applicable laws. Mortgagee's commencement of a foreclosure shall be deemed an exercise by Mortgagee of its option to accelerate the due date of all sums secured by this Mortgage. Mortgagor also grants to Mortgagee, in the event of the occurrence of an event of default, the power of sale. If the Mortgagee invokes the power of sale, i.e., the power to sell the Premises at public auction by advertisement, Mortgagee shall give notice of sale to Mortgagor in the manner provided in Section 27. Mortgagee shall publish and post the notice of sale, and

2

the Premises shall be sold in a manner prescribed by Illinois statutes. Mortgagee or its designee may purchase the Premises at any sale.

- c. To enter into peaceful possession of the Premises and/or to receive the rent, income, and profits, and to apply those in accordance with paragraph 12.

Mortgagor acknowledges having been advised that Mortgagee believes that the value of the security covered by this Mortgage is inextricably intertwined with the effectiveness of the management, maintenance, and general operation of the Premises, and that Mortgagee would not make the loan secured by this Mortgage unless it could be assured that it would have the right to take possession of the Premises in order to manage, control management, and enjoy the income, rents, and profits, immediately upon default by Mortgagor, notwithstanding that foreclosure proceedings may not have been instituted, or are pending, or that the redemption period may not have expired. Accordingly, Mortgagor knowingly and voluntarily waives all right to possession of the Premises from and after the date of default, upon demand for possession by Mortgagee.

19. Sale of Premises as a Whole or in Parcels. Upon any foreclosure sale of the Premises, the Premises may be sold either as a whole or in parcels, as Mortgagee may elect, and if in parcels, to be divided as Mortgagee may elect, or, at the election of Mortgagee, the Premises may be offered first in parcels and then as a whole, with the offer producing the highest price for the entire property to prevail.

20. Assignment. Mortgagor shall not make a conveyance of any interest in the Premises. A "conveyance" of Mortgagor's interest in the Premises shall include without limitation any voluntary or involuntary disposition or dilution of legal or beneficial title to the Premises by any means. If ownership of the Premises, or any part, becomes vested in a person other than Mortgagor (with or without Mortgagee's consent), Mortgagee may, without notice to Mortgagor, deal with the successors in interest with reference to this Mortgage and the Note, without in any way releasing or otherwise affecting Mortgagor's liability under this Note and Mortgage.

21. Application of Proceeds. In the event of the payment to Mortgagee, pursuant to this Mortgage, of any rents or profits, or proceeds of any insurance or condemnation award, or proceeds from the sale of the Premises upon foreclosure, Mortgagee shall have the right to apply the rents, profits, or proceeds, in amounts and proportions that Mortgagee shall, in its sole discretion, determine, against the cost and expenses incurred by Mortgagee in exercising its rights under this Mortgage, payment of the interest and principal due under the Note, payment of any other portion of the Indebtedness, and payment of expenses incurred in preserving the Premises. Application by Mortgagee of any proceeds toward the last maturing installments of principal and interest to become due under the Note shall not excuse Mortgagor from making the regularly scheduled payments due under the Note and this Mortgage, nor shall the application reduce the amount of the payments. In the event of the payment of proceeds as a result of an insurance or condemnation award, Mortgagee shall have the right, but not the obligation, to require all or part of the proceeds of any insurance or condemnation award to be used to restore any part of the Premises damaged or taken by reason of the occurrence which gave rise to the payment of the proceeds.

22. Required Notices. Mortgagor shall notify Mortgagee promptly of the occurrence of any of the following:

- a. a fire or other casualty causing damage to all or any part of the Premises;
- b. receipt of notice of eminent domain proceedings or condemnation of all or any part of the Premises and Mortgagor hereby grants Mortgagee an irrevocable power of attorney to appear in fact for and on behalf of Mortgagor in any and all such proceedings;
- c. receipt of notice from any governmental authority relating to the structure, use or occupancy of the Premises or any real property adjacent to the Premises;
- d. receipt of any notice from the holder of any lien or security interest in all or any part of the Premises; or

2

e. commencement of any litigation affecting the Premises.

CAUTION: PARAGRAPH 23 CONTAINS A WAIVER OF IMPORTANT LEGAL RIGHTS

23. Waiver of Rights. This Mortgage contains a power of sale which permits Mortgagee to cause the Premises to be sold in the event of a default. Mortgagee may elect to cause the Premises to be sold by advertisement rather than pursuant to court action, and Mortgagor voluntarily and knowingly waives any right Mortgagor may have by virtue of any applicable constitutional provision or statute to any notice or court hearing prior to the exercise of the power of sale, except as may be expressly required by the Illinois statute governing foreclosures by advertisement. In addition, Mortgagor knowingly and voluntarily waives any right Mortgagor may have to remain in possession of the Premises or to collect any rents or income from the Premises during the pendency of any foreclosure proceedings and during any applicable redemption period. Also, paragraphs 17 and 18 above entitle Mortgagee to require immediate payment of the balance of the Indebtedness in full if the Premises are sold or otherwise transferred. By execution of this Mortgage, Mortgagor represents and acknowledges that the meaning and consequences of these paragraphs have been discussed as fully as desired by Mortgagor with Mortgagor's legal counsel.

24. Environmental Matters. Mortgagor agrees to indemnify Mortgagee against, and hold it harmless from, all obligations and liabilities relating to the Premises arising out of claims made or suits brought for investigation, study, remedial work, monitoring, or other costs and expenses arising from or associated with response to any environmental matters, including but not limited to any (a) water pollution, air pollution, noise, odor, spills, leaks, or inadvertent discharges, emissions, or releases, or the generation, transportation, storage, treatment, or disposal of solid waste, including hazardous waste, hazardous substances, pollutants and contaminants; (b) injury, sickness, disease, or death of any person; or (c) damage to any property, regardless of whether the cause of the injury or damage occurred before or after the date of this Mortgage. Mortgagor further agrees that Mortgagee shall have no liability for any environmental contamination associated with Mortgagor's business or the Premises, and that any involvement of Mortgagee with Mortgagor's business to protect its security interest in the Premises shall not constitute Mortgagor as an "owner or operator" of Mortgagor's business for purposes of determining environmental liability. In any event, if Mortgagee becomes obligated, by judicial or administrative judgment or settlement of a claim, to pay any amounts for response to any environmental contamination associated or connected with Mortgagor's business or the Premises, any payment by Mortgagee shall be deemed additional Indebtedness secured by the lien of this Mortgage, shall be immediately due and payable to Mortgagee, and shall bear interest until paid at the default interest rate specified in the Note.

25. Covenants Run with Land. All of the terms and covenants of this Mortgage shall run with the land and shall be binding on and inure to the benefit of the respective legal representatives and successors of the parties.

26. Release of Mortgage. If Mortgagor pays to Mortgagee the money required by the Note, in the manner and at the times provided in the Note, and all other sums of the Indebtedness payable by Mortgagor to Mortgagee, and keeps and performs the terms, covenants, and agreements of Mortgagor with Mortgagee, then this Mortgage shall be satisfied, and Mortgagee shall release the Mortgage.

27. Notice and Communications. All notices, communications, demands, and requests required or permitted to be given to Mortgagor or by law shall be deemed delivered when deposited in the United States mail, with postage prepaid, addressed to Mortgagor at its last known addresses.

All notices, communications demands, and requests required or permitted to be given to Mortgagee or by law, to be effective, shall be delivered or sent by registered mail, postage prepaid, return receipt requested, addressed to Mortgagee at the address set forth above or at such other address as the Mortgagee may hereafter designate in writing in the manner herein provided.

28. Severability. If any provision of this Mortgage is in conflict with any statute or rule of law of the State of Illinois or is otherwise unenforceable for any reason, then that provision shall be deemed null and void to the extent of the conflict or unenforceability, but shall be deemed separable from and shall not invalidate any other

2

provision of this Mortgage.

29. **Mortgagor's Waivers.** Mortgagor hereby waives and releases to the extent permitted by law:

- a. All errors, defects and imperfections in any proceeding instituted by Mortgagee under the Note or this Mortgage, and/or the accompanying loan documents;
- b. All benefits that might accrue to the Mortgagor by virtue of any present or future law exempting the Premises, or any part of the proceeds arising from any sale thereof, from attachment, levy or sale on execution, or providing for any stay of execution, exemption from civil process or extension of time for payment; and
- c. Unless specifically required herein, all notices of Mortgagor's default or of Mortgagee's election to exercise, or Mortgagee's actual exercise of any option under the Note or this Mortgage.

Signed on the date set forth above.

AND without limiting any of the other provisions of this Security Instrument, to the extent permitted by applicable law, Borrower expressly grants to Lender, as secured party, a security interest in the portion of the Property which is or may be subject to the provisions of the Uniform Commercial Code which are applicable to secured transactions; it being understood and agreed that the Improvements and Fixtures are part and parcel of the Land (the Land, the Improvements and the Fixtures collectively referred to as the "Real Property") appropriated to the use thereof and, whether affixed or annexed to the Real Property or not, shall for the purposes of this Security Instrument be deemed conclusively to be real estate and mortgaged hereby.

Section 1.2 ASSIGNMENT OF RENTS. Borrower hereby absolutely and unconditionally assigns to Lender all of Borrower's right, title and interest in and to all current and future Leases and Rents; it being intended by Borrower that this assignment constitutes a present, absolute assignment and not an assignment for additional security only. Nevertheless, subject to the terms of the Assignment of Leases, the Cash Management Agreement, and Section 7.1(h) of this Security Instrument, Lender grants to Borrower a revocable license to collect, receive, use and enjoy the Rents. Borrower shall hold the Rents, or a portion thereof sufficient to discharge all current sums due on the Debt, for use in the payment of such sums.

Section 1.3 SECURITY AGREEMENT. This Security Instrument is both a real property mortgage and a "security agreement" within the meaning of the Uniform Commercial Code. The Property includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Borrower in the Property. By executing and delivering this Security Instrument, Borrower hereby grants to Lender, as security for the Obligations (hereinafter defined), a security interest in the Fixtures, the Equipment, the Personal Property and other property constituting the Property to the full extent that the Fixtures, the Equipment, the Personal Property and such other property may be subject to the Uniform Commercial Code (said portion of the Property so subject to the Uniform Commercial Code being called the "Collateral"). If an Event of Default shall occur and be continuing, Lender, in addition to any other rights and remedies which it may have, shall have and may exercise immediately and without demand, any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing, the right to take possession of the Collateral or any part thereof, and to take such other measures as Lender may deem necessary for the care, protection and preservation of the Collateral. Upon request or demand of Lender after the occurrence and during the continuance of an Event of Default, Borrower shall, at its expense, assemble the Collateral and make it available to Lender at a convenient place (at the Land if tangible property) reasonably acceptable to Lender. Borrower shall pay to Lender on demand any and all expenses, including reasonable legal expenses and attorneys' fees, incurred or paid by Lender in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral after the occurrence and during the continuance of an Event of Default. Any notice of sale, disposition or other intended action by Lender with respect to the Collateral sent to Borrower in accordance with the provisions hereof at least ten (10) business days prior to such action, shall, except as otherwise provided by applicable law, constitute reasonable notice to Borrower. The proceeds of any disposition of the Collateral, or any part thereof, may, except as otherwise required by applicable law, be applied by Lender to the payment of the Debt in such priority and proportions as Lender in its discretion shall deem proper. The principal place of business of Borrower (Debtor) is as set forth on page one hereof and the address of Lender (Secured Party) is as set forth on page one hereof.

Section 1.4 FIXTURE FILING. Certain of the Property is or will become "fixtures" (as that term is defined in the Uniform Commercial Code) on the Land, described or referred to in this Security Instrument, and this Security Instrument, upon being filed for record in the real estate records of the city or county wherein such fixtures are situated, shall operate also as a financing statement filed as a fixture filing in accordance with the applicable provisions of said Uniform Commercial Code upon such of the Property that is or may become fixtures.

Section 1.5 PLEDGES OF MONIES HELD. Borrower hereby pledges to Lender any and all monies now or hereafter held by Lender or on behalf of Lender in connection with the Loan, including, without limitation, any Reserve Funds, any sums deposited in the Clearing Account or the Cash Management Account and Net Proceeds, as additional security for the Obligations until expended or applied as provided in this Security Instrument.

CONDITIONS TO GRANT

TO HAVE AND TO HOLD the above granted and described Property unto and to the use and benefit of Lender and its successors and assigns, forever;

PROVIDED, HOWEVER, these presents are upon the express condition that, if Borrower shall well and truly pay to Lender the Debt at the time and in the manner provided in the Note, the Loan Agreement and this Security Instrument, shall well and truly perform the Other Obligations as set forth in this Security Instrument and shall well and truly abide by and comply with each and every covenant and condition set forth herein and in the Note, the Loan Agreement and the other Loan Documents, these presents and the estate hereby granted shall cease, terminate and be void; provided, however, that Borrower's obligation to indemnify and hold harmless Lender pursuant to the provisions hereof shall survive any such payment or release.

Article 2 - DEBT AND OBLIGATIONS SECURED

Section 2.1 DEBT. This Security Instrument and the grants, assignments and transfers made in Article 1 are given for the purpose of securing the Debt.

Section 2.2 OTHER OBLIGATIONS. This Security Instrument and the grants, assignments and transfers made in Article 1 are also given for the purpose of securing the following (the "Other Obligations"):

- (a) the performance of all other obligations of Borrower contained herein;
- (b) the performance of each obligation of Borrower contained in the Loan Agreement and any other Loan Document; and
- (c) the performance of each obligation of Borrower contained in any renewal, extension, amendment, modification, consolidation, change of, or substitution or replacement for, all or any part of the Note, the Loan Agreement or any other Loan Document.

Section 2.3 DEBT AND OTHER OBLIGATIONS. Borrower's obligations for the payment of the Debt and the performance of the Other Obligations shall be referred to collectively herein as the "Obligations."

Article 3 - BORROWER COVENANTS

Borrower covenants and agrees that:

Section 3.1 PAYMENT OF DEBT. Borrower will pay the Debt at the time and in the manner provided in the Loan Agreement, the Note and this Security Instrument.

Section 3.2 INCORPORATION BY REFERENCE. All the covenants, conditions and agreements contained in (a) the Loan Agreement, (b) the Note and (c) all and any of the other

Loan Documents, are hereby made a part of this Security Instrument to the same extent and with the same force as if fully set forth herein.

Section 3.3 INSURANCE. Borrower shall obtain and maintain, or cause to be maintained, in full force and effect at all times insurance with respect to Borrower and the Property as required pursuant to the Loan Agreement.

Section 3.4 MAINTENANCE OF PROPERTY. Borrower shall cause the Property to be maintained in a good and safe condition and repair. The Improvements, the Fixtures, the Equipment and the Personal Property shall not be removed, demolished or materially altered (except for normal replacement of the Fixtures, the Equipment or the Personal Property, tenant finish and refurbishment of the Improvements) without the consent of Lender. Borrower shall promptly repair, replace or rebuild any part of the Property which may be destroyed by any Casualty or become damaged, worn or dilapidated or which may be affected by any Condemnation, and shall complete and pay for any structure at any time in the process of construction or repair on the Land.

Section 3.5 WASTE. Borrower shall not commit or suffer any waste of the Property or make any change in the use of the Property which will in any way materially increase the risk of fire or other hazard arising out of the operation of the Property, or take any action that might invalidate or allow the cancellation of any Policy, or do or permit to be done thereon anything that may in any way materially impair the value of the Property or the security of this Security Instrument. Borrower will not, without the prior written consent of Lender, permit any drilling or exploration for or extraction, removal, or production of any minerals from the surface or the subsurface of the Land, regardless of the depth thereof or the method of mining or extraction thereof.

Section 3.6 PAYMENT FOR LABOR AND MATERIALS. (a) Borrower will promptly pay when due all bills and costs for labor, materials, and specifically fabricated materials ("Labor and Material Costs") incurred in connection with the Property and never permit to exist beyond the due date thereof in respect of the Property or any part thereof any lien or security interest, even though inferior to the liens and the security interests hereof, and in any event never permit to be created or exist in respect of the Property or any part thereof any other or additional lien or security interest other than the liens or security interests hereof except for the Permitted Encumbrances.

(b) After prior written notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any of the Labor and Material Costs, provided that (i) no Event of Default has occurred and is continuing under the Loan Agreement, the Note, this Security Instrument or any of the other Loan Documents (ii) Borrower is permitted to do so under the provisions of any other mortgage, deed of trust or deed to secure debt affecting the Property, (iii) such proceeding shall suspend the collection of the Labor and Material Costs from Borrower and from the Property or Borrower shall have paid all of the Labor and Material Costs under protest, (iv) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder, (v) neither the Property nor any part thereof

or interest therein will be in danger of being sold, forfeited, terminated, canceled or lost, and (vi) Borrower shall have furnished the security as may be required in the proceeding, or as may be reasonably requested by Lender to insure the payment of any contested Labor and Material Costs, together with all interest and penalties thereon.

Section 3.7 PERFORMANCE OF OTHER AGREEMENTS. Borrower shall observe and perform each and every term, covenant and provision to be observed or performed by Borrower pursuant to the Loan Agreement, any other Loan Document and any other agreement or recorded instrument affecting or pertaining to the Property and any amendments, modifications or changes thereto.

Section 3.8 CHANGE OF NAME, IDENTITY OR STRUCTURE. Borrower shall not change Borrower's name, identity (including its trade name or names) or, if not an individual, Borrower's corporate, partnership or other structure without first (a) notifying Lender of such change in writing at least thirty (30) days prior to the effective date of such change, (b) taking all action required by Lender for the purpose of perfecting or protecting the lien and security interest of Lender and (c) in the case of a change in Borrower's structure, without first obtaining the prior written consent of Lender. Borrower shall promptly notify Lender in writing of any change in its organizational identification number. If Borrower does not now have an organizational identification number and later obtains one, Borrower shall promptly notify Lender in writing of such organizational identification number. Borrower shall execute and deliver to Lender, prior to or contemporaneously with the effective date of any such change, any financing statement or financing statement change required by Lender to establish or maintain the validity, perfection and priority of the security interest granted herein. At the request of Lender, Borrower shall execute a certificate in form satisfactory to Lender listing the trade names under which Borrower intends to operate the Property, and representing and warranting that Borrower does business under no other trade name with respect to the Property.

Article 4 - OBLIGATIONS AND RELIANCES

Section 4.1 RELATIONSHIP OF BORROWER AND LENDER. The relationship between Borrower and Lender is solely that of debtor and creditor, and Lender has no fiduciary or other special relationship with Borrower, and no term or condition of any of the Loan Agreement, the Note, this Security Instrument and the other Loan Documents shall be construed so as to deem the relationship between Borrower and Lender to be other than that of debtor and creditor.

Section 4.2 NO RELIANCE ON LENDER. The general partners, officers, shareholders, members, principals and/or other beneficial owners of Borrower are experienced in the ownership and operation of properties similar to the Property, and Borrower and Lender are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Borrower is not relying on Lender's expertise, business acumen or advice in connection with the Property.

Section 4.3 NO LENDER OBLIGATIONS. (a) Notwithstanding the provisions of Subsections 1.1(h) and (n) or Section 1.2, Lender is not undertaking the performance of (i) any obligations under the Leases; or (ii) any obligations with respect to such agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses and other documents.

(b) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Lender pursuant to this Security Instrument, the Loan Agreement, the Note or the other Loan Documents, including, without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or insurance policy, Lender shall not be deemed to have warranted, consented to, or affirmed the sufficiency, the legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Lender.

Section 4.4 RELIANCE. Borrower recognizes and acknowledges that in accepting the Loan Agreement, the Note, this Security Instrument and the other Loan Documents, Lender is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Article III of the Loan Agreement without any obligation to investigate the Property and notwithstanding any investigation of the Property by Lender; that such reliance existed on the part of Lender prior to the date hereof, that the warranties and representations are a material inducement to Lender in making the Loan; and that Lender would not be willing to make the Loan and accept this Security Instrument in the absence of the warranties and representations as set forth in Article III of the Loan Agreement.

Article 5 - FURTHER ASSURANCES

Section 5.1 RECORDING OF SECURITY INSTRUMENT, ETC. Borrower forthwith upon the execution and delivery of this Security Instrument and thereafter, from time to time, will cause this Security Instrument and any of the other Loan Documents creating a lien or security interest or evidencing the lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the lien or security interest hereof upon, and the interest of Lender in, the Property. Borrower will pay all taxes, filing, registration or recording fees, and all expenses incident to the preparation, execution, acknowledgment and/or recording of the Note, this Security Instrument, the other Loan Documents, any note, deed of trust or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Security Instrument, any deed of trust or mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law so to do.

Section 5.2 FURTHER ACTS, ETC. Borrower will, at the cost of Borrower, and without expense to Lender, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, deeds of trust, mortgages, assignments, notices of assignments, transfers and assurances as Lender shall, from time to time, reasonably require, for the better assuring, conveying, assigning, transferring, and confirming unto Lender the property and rights hereby mortgaged, deeded, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred or intended now or hereafter so to be, or which Borrower may be or may hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Security Instrument or for filing, registering or

recording this Security Instrument, or for complying with all Legal Requirements. Borrower, on demand, will execute and deliver, and in the event it shall fail to so execute and deliver, hereby authorizes Lender to execute in the name of Borrower or without the signature of Borrower to the extent Lender may lawfully do so, one or more financing statements (including, without limitation, initial financing statements and amendments thereto and continuation statements) with or without the signature of Borrower as authorized by applicable law, to evidence more effectively the security interest of Lender in the Property. Borrower also ratifies its authorization for Lender to have filed any like initial financing statements, amendments thereto and continuation statements, if filed prior to the date of this Security Instrument. Borrower grants to Lender an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Lender at law and in equity, including without limitation such rights and remedies available to Lender pursuant to this Section 5.2. To the extent not prohibited by applicable law, Borrower hereby ratifies all acts Lender has lawfully done in the past or shall lawfully do or cause to be done in the future by virtue of such power of attorney.

Section 5.3 CHANGES IN TAX, DEBT, CREDIT AND DOCUMENTARY STAMP LAWS. (a)

If any law is enacted or adopted or amended after the date of this Security Instrument which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Lender's interest in the Property, Borrower will pay the tax, with interest and penalties thereon, if any. If Lender is advised by counsel chosen by it that the payment of tax by Borrower would be unlawful or taxable to Lender or unenforceable or provide the basis for a defense of usury then Lender shall have the option, by written notice of not less than one hundred twenty (120) days, to declare the Debt immediately due and payable.

(b) Borrower will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Security Instrument or the Debt. If such claim, credit or deduction shall be required by law, Lender shall have the option, by written notice of not less than one hundred twenty (120) days, to declare the Debt immediately due and payable.

(c) If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, this Security Instrument, or any of the other Loan Documents or impose any other tax or charge on the same, Borrower will pay for the same, with interest and penalties thereon, if any.

Section 5.4 SPLITTING OF MORTGAGE. This Security Instrument and the Note shall, at any time until the same shall be fully paid and satisfied, at the sole election of Lender, be split or divided into two or more notes and two or more security instruments, each of which shall cover all or a portion of the Property to be more particularly described therein. To that end, Borrower, upon written request of Lender, shall execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered by the then owner of the Property, to Lender and/or its designee or designees substitute notes and security instruments in such principal amounts, aggregating not more than the then unpaid principal amount of the Note, and containing terms, provisions and

clauses similar to those contained herein and in the Note, and such other documents and instruments as may be required by Lender.

Section 5.5 REPLACEMENT DOCUMENTS. Upon receipt of an affidavit of an officer of Lender as to the loss, theft, destruction or mutilation of the Note or any other Loan Document which is not of public record, and, in the case of any such mutilation, upon surrender and cancellation of such Note or other Loan Document, Borrower will issue, in lieu thereof, a replacement Note or other Loan Document, dated the date of such lost, stolen, destroyed or mutilated Note or other Loan Document in the same principal amount thereof and otherwise of like tenor.

Article 6 - DUE ON SALE/ENCUMBRANCE

Section 6.1 LENDER RELIANCE. Borrower acknowledges that Lender has examined and relied on the experience of Borrower and its general partners, members, principals and (if Borrower is a trust) beneficial owners in owning and operating properties such as the Property in agreeing to make the Loan, and will continue to rely on Borrower's ownership of the Property as a means of maintaining the value of the Property as security for repayment of the Debt and the performance of the Other Obligations. Borrower acknowledges that Lender has a valid interest in maintaining the value of the Property so as to ensure that, should Borrower default in the repayment of the Debt or the performance of the Other Obligations, Lender can recover the Debt by a sale of the Property.

Section 6.2 NO TRANSFER. Borrower shall not permit or suffer any Transfer to occur, unless specifically permitted by Article 8 of the Loan Agreement or unless Lender shall consent thereto in writing.

Section 6.3 TRANSFER DEFINED. As used in this Article 6 "Transfer" shall mean any voluntary or involuntary sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment, or transfer of: (a) all or any part of the Property or any estate or interest therein including, but not be limited to, (i) an installment sales agreement wherein Borrower agrees to sell the Property or any part thereof for a price to be paid in installments, (ii) an agreement by Borrower leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder and its affiliates or (iii) a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Leases or any Rents; or (b) any ownership interest in (i) Borrower or (ii) any indemnitor or guarantor of any Obligations or (iii) any corporation, partnership, limited liability company, trust or other entity owning, directly or indirectly, any interest in Borrower or any indemnitor or guarantor of any Obligations.

Section 6.4 LENDER'S RIGHTS. Without obligating Lender to grant any consent under Section 6.2 hereof which Lender may grant or withhold in its sole discretion, Lender reserves the right to condition the consent required hereunder upon (a) a modification of the terms hereof and of the Loan Agreement, the Note or the other Loan Documents; (b) an assumption of the Loan Agreement, the Note, this Security Instrument and the other Loan Documents as so modified by the proposed transferee, subject to the provisions of Section 11.22 of the Loan Agreement; (c) payment of all of Lender's expenses incurred in connection with such transfer; (d) the

confirmation in writing by the applicable Rating Agencies that the proposed transfer will not, in and of itself, result in a downgrade, qualification or withdrawal of the initial, or, if higher, then current ratings assigned in connection with any Securitization; (e) the delivery of a nonconsolidation opinion reflecting the proposed transfer satisfactory in form and substance to Lender; (f) the proposed transferee's continued compliance with the representations and covenants set forth in Section 3.1.24 and 4.2.11 of the Loan Agreement; (g) the delivery of evidence satisfactory to Lender that the single purpose nature and bankruptcy remoteness of Borrower, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the standards of the Rating Agencies; (h) the proposed transferee's ability to satisfy Lender's then-current underwriting standards; or (i) such other conditions as Lender shall determine in its reasonable discretion to be in the interest of Lender, including, without limitation, the creditworthiness, reputation and qualifications of the transferee with respect to the Loan and the Property. Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer without Lender's consent. This provision shall apply to every Transfer, other than any Transfer permitted pursuant to the Loan Agreement, regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer.

Article 7 - **RIGHTS AND REMEDIES UPON DEFAULT**

Section 7.1 **REMEDIES.** Upon the occurrence and during the continuance of any Event of Default, Borrower agrees that Lender may take such action, without notice or demand, as it deems advisable to protect and enforce its rights against Borrower and in and to the Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Lender may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Lender:

- (a) declare the entire unpaid Debt to be immediately due and payable;
- (b) institute proceedings, judicial or otherwise, for the complete foreclosure of this Security Instrument under any applicable provision of law, in which case the Property or any interest therein may be sold for cash or upon credit in one or more parcels or in several interests or portions and in any order or manner;
- (c) with or without entry, to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Security Instrument for the portion of the Debt then due and payable, subject to the continuing lien and security interest of this Security Instrument for the balance of the Debt not then due, unimpaired and without loss of priority;
- (d) sell for cash or upon credit the Property or any part thereof and all estate, claim, demand, right, title and interest of Borrower therein and rights of redemption thereof, pursuant to power of sale or otherwise, at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law;

(e) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein, in the Note, the Loan Agreement or in the other Loan Documents;

(f) recover judgment on the Note either before, during or after any proceedings for the enforcement of this Security Instrument or the other Loan Documents;

(g) apply for the appointment of a receiver, trustee, liquidator or conservator of the Property, without notice and without regard for the adequacy of the security for the Debt and without regard for the solvency of Borrower, any guarantor, indemnitor with respect to the Loan or of any Person liable for the payment of the Debt;

(h) the license granted to Borrower under Section 1.2 hereof shall automatically be revoked and Lender may enter into or upon the Property, either personally or by its agents, nominees or attorneys and dispossess Borrower and its agents and servants therefrom, without liability for trespass, damages or otherwise and exclude Borrower and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Borrower agrees to surrender possession of the Property and of such books, records and accounts to Lender upon demand, and thereupon Lender may (i) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat; (ii) complete any construction on the Property in such manner and form as Lender deems advisable; (iii) make alterations, additions, renewals, replacements and improvements to or on the Property; (iv) exercise all rights and powers of Borrower with respect to the Property, whether in the name of Borrower or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents of the Property and every part thereof; (v) require Borrower to pay monthly in advance to Lender, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be occupied by Borrower; (vi) require Borrower to vacate and surrender possession of the Property to Lender or to such receiver and, in default thereof, Borrower may be evicted by summary proceedings or otherwise; and (vii) apply the receipts from the Property to the payment of the Debt, in such order, priority and proportions as Lender shall deem appropriate in its sole discretion after deducting therefrom all expenses (including reasonable attorneys' fees) incurred in connection with the aforesaid operations and all amounts necessary to pay the Taxes, Other Charges, insurance and other expenses in connection with the Property, as well as just and reasonable compensation for the services of Lender, its counsel, agents and employees;

(i) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing: (i) the right to take possession of the Fixtures, the Equipment and the Personal Property, or any part thereof, and to take such other measures as Lender may deem necessary for the care, protection and preservation of the Fixtures, the Equipment and the Personal Property, and (ii) request Borrower at its expense to assemble the Fixtures, the Equipment and the Personal Property and make it available to Lender at a convenient place acceptable to Lender. Any notice of sale, disposition or other intended action by Lender with respect to the Fixtures, the Equipment and/or the Personal Property sent to Borrower in accordance with the provisions

hereof at least five (5) days prior to such action, shall constitute commercially reasonable notice to Borrower;

(j) apply any sums then deposited or held in escrow or otherwise by or on behalf of Lender in accordance with the terms of the Loan Agreement, this Security Instrument or any other Loan Document to the payment of the following items in any order in its uncontrolled discretion:

- (i) Taxes and Other Charges;
- (ii) Insurance Premiums;
- (iii) Interest on the unpaid principal balance of the Note;
- (iv) Amortization of the unpaid principal balance of the Note;

(v) All other sums payable pursuant to the Note, the Loan Agreement, this Security Instrument and the other Loan Documents, including without limitation advances made by Lender pursuant to the terms of this Security Instrument;

(k) pursue such other remedies as Lender may have under applicable law; or

(l) apply the undisbursed balance of any Net Proceeds Deficiency deposit, together with interest thereon, to the payment of the Debt in such order, priority and proportions as Lender shall deem to be appropriate in its discretion.

In the event of a sale, by foreclosure, power of sale or otherwise, of less than all of Property, this Security Instrument shall continue as a lien and security interest on the remaining portion of the Property unimpaired and without loss of priority.

Section 7.2 APPLICATION OF PROCEEDS. The purchase money, proceeds and avails of any disposition of the Property, and or any part thereof, or any other sums collected by Lender pursuant to the Note, this Security Instrument or the other Loan Documents, may be applied by Lender to the payment of the Debt in such priority and proportions as Lender in its discretion shall deem proper.

Section 7.3 RIGHT TO CURE DEFAULTS. Upon the occurrence and during the continuance of any Event of Default or if Borrower fails to make any payment or to do any act as herein provided, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder, make or do the same in such manner and to such extent as Lender may deem necessary to protect the security hereof. Lender is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Security Instrument or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 7.3, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall

bear interest at the Default Rate, for the period after notice from Lender that such cost or expense was incurred to the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by this Security Instrument and the other Loan Documents and shall be immediately due and payable upon demand by Lender therefor.

Section 7.4 ACTIONS AND PROCEEDINGS. Lender has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Borrower, which Lender, in its discretion, decides should be brought to protect its interest in the Property.

Section 7.5 RECOVERY OF SUMS REQUIRED TO BE PAID. Lender shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Lender thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Borrower existing at the time such earlier action was commenced.

Section 7.6 EXAMINATION OF BOOKS AND RECORDS. At reasonable times and upon reasonable notice, Lender, its agents, accountants and attorneys shall have the right to examine the records, books, management and other papers of Borrower which reflect upon its financial condition, at the Property or at any office regularly maintained by Borrower where the books and records are located. Lender and its agents shall have the right to make copies and extracts from the foregoing records and other papers. In addition, at reasonable times and upon reasonable notice, Lender, its agents, accountants and attorneys shall have the right to examine and audit the books and records of Borrower pertaining to the income, expenses and operation of the Property during reasonable business hours at any office of Borrower where the books and records are located. This Section 7.6 shall apply throughout the term of the Note and without regard to whether an Event of Default has occurred or is continuing.

Section 7.7 OTHER RIGHTS, ETC. (a) The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Security Instrument. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (i) the failure of Lender to comply with any request of Borrower or any guarantor or indemnitor with respect to the Loan to take any action to foreclose this Security Instrument or otherwise enforce any of the provisions hereof or of the Note or the other Loan Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any person liable for the Debt or any portion thereof, or (iii) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Security Instrument or the other Loan Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Borrower, and Lender shall have no liability whatsoever for decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Lender shall not be deemed an election of judicial relief, if any such possession is requested or obtained, with respect to any Property or collateral not in Lender's possession.

(c) Lender may resort for the payment of the Debt to any other security held by Lender in such order and manner as Lender, in its discretion, may elect. Lender may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Lender thereafter to foreclose this Security Instrument. The rights of Lender under this Security Instrument shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Lender shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 7.8 RIGHT TO RELEASE ANY PORTION OF THE PROPERTY. Lender may release any portion of the Property for such consideration as Lender may require without, as to the remainder of the Property, in any way impairing or affecting the lien or priority of this Security Instrument, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Lender for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Lender may require without being accountable for so doing to any other lienholder. This Security Instrument shall continue as a lien and security interest in the remaining portion of the Property.

Section 7.9 VIOLATION OF LAWS. If the Property is not in material compliance with Legal Requirements, Lender may impose additional requirements upon Borrower in connection herewith including, without limitation, monetary reserves or financial equivalents.

Section 7.10 RECOURSE AND CHOICE OF REMEDIES. Notwithstanding any other provision of this Security Instrument or the Loan Agreement, including, without limitation, Section 11.22 of the Loan Agreement, Lender and other Indemnified Parties (as hereinafter defined) are entitled to enforce the obligations of Borrower, any guarantor and indemnitor contained in Sections 9.2 and 9.3 herein and Section 9.2 of the Loan Agreement without first resorting to or exhausting any security or collateral and without first having recourse to the Note or any of the Property, through foreclosure or acceptance of a deed in lieu of foreclosure or otherwise, and in the event Lender commences a foreclosure action against the Property, Lender is entitled to pursue a deficiency judgment with respect to such obligations against Borrower and any guarantor or indemnitor with respect to the Loan. The provisions of Sections 9.2 and 9.3 herein and Section 9.2 of the Loan Agreement are exceptions to any non-recourse or exculpation provisions in the Loan Agreement, the Note, this Security Instrument or the other Loan Documents, and Borrower and any guarantor or indemnitor with respect to the Loan are fully and personally liable for the obligations pursuant to Sections 9.2 and 9.3 herein and Section 9.2 of the Loan Agreement. The liability of Borrower and any guarantor or indemnitor with respect to the Loan pursuant to Sections 9.2 and 9.3 herein and Section 9.2 of the Loan Agreement is not limited to the original principal amount of the Note. Notwithstanding the foregoing, nothing herein shall inhibit or prevent Lender from foreclosing or exercising any other rights and remedies pursuant to the Loan Agreement, the Note, this Security Instrument and the other Loan Documents, whether simultaneously with foreclosure proceedings or in any other sequence. A separate action or actions may be brought and prosecuted against Borrower pursuant to Sections 9.2 and 9.3 herein and Section 9.2 of the Loan Agreement, whether or not action is brought against any other Person or whether or not any other Person is joined in the action or actions. In

addition, Lender shall have the right but not the obligation to join and participate in, as a party if it so elects, any administrative or judicial proceedings or actions initiated in connection with any matter addressed in the Environmental Indemnity.

Section 7.11 RIGHT OF ENTRY. Upon reasonable notice to Borrower, Lender and its agents shall have the right to enter and inspect the Property at all reasonable times.

Section 15.4 HEADINGS, ETC. The headings and captions of various Sections of this Security Instrument are for convenience of reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.

Section 15.5 NUMBER AND GENDER. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns and pronouns shall include the plural and vice versa.

Section 15.6 SUBROGATION. If any or all of the proceeds of the Note have been used to extinguish, extend or renew any indebtedness heretofore existing against the Property, then, to the extent of the funds so used, Lender shall be subrogated to all of the rights, claims, liens, titles, and interests existing against the Property heretofore held by, or in favor of, the holder of such indebtedness and such former rights, claims, liens, titles, and interests, if any, are not waived but rather are continued in full force and effect in favor of Lender and are merged with the lien and security interest created herein as cumulative security for the repayment of the Debt, the performance and discharge of Borrower's obligations hereunder, under the Loan Agreement, the Note and the other Loan Documents and the performance and discharge of the Other Obligations.

Section 15.7 ENTIRE AGREEMENT. The Note, the Loan Agreement, this Security Instrument and the other Loan Documents constitute the entire understanding and agreement between Borrower and Lender with respect to the transactions arising in connection with the Debt and supersede all prior written or oral understandings and agreements between Borrower and Lender with respect thereto. Borrower hereby acknowledges that, except as incorporated in writing in the Note, the Loan Agreement, this Security Instrument and the other Loan Documents, there are not, and were not, and no persons are or were authorized by Lender to make, any representations, understandings, stipulations, agreements or promises, oral or written, with respect to the transaction which is the subject of the Note, the Loan Agreement, this Security Instrument and the other Loan Documents.

Section 15.8 LIMITATION ON LENDER'S RESPONSIBILITY. No provision of this Security Instrument shall operate to place any obligation or liability for the control, care, management or repair of the Property upon Lender, nor shall it operate to make Lender responsible or liable for any waste committed on the Property by the tenants or any other Person, or for any dangerous or defective condition of the Property, or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger. Nothing herein contained shall be construed as constituting Lender a "mortgagee in possession."

Article 16 - STATE-SPECIFIC PROVISIONS

Section 16.1 PRINCIPLES OF CONSTRUCTION. In the event of any inconsistencies between the terms and conditions of this Article 16 and the other terms and conditions of this Security Instrument, the terms and conditions of this Article 16 shall control and be binding.

Section 16.2 The words "and accessions to and substitutions and replacements for;" are hereby added after the words "all proceeds and products of" in subsection (e) entitled "Fixtures and Personal Property" of Section 1.01 of this Security Instrument entitled "Property Mortgaged."

Section 16.3 The text of Section 1.03 of this Security Instrument entitled "Security Agreement" is hereby deleted and the following is substituted therefore:

"Security Agreement. Borrower and Lender agree that this Security Instrument shall constitute a Security Agreement within the meaning of the Illinois Uniform Commercial Code (the "Illinois UCC") with respect to (i) all sums at any time on deposit for the benefit of Lender or held by Lender (whether deposited by or on behalf of Borrower or anyone else) pursuant to any of the provisions of the Note, the Loan Agreement, this Security Instrument or the other Loan Documents and (ii) with respect to the Personal Property, which Personal Property may not be deemed to be affixed to the Property or may not constitute a "fixture" (within the meaning of Section 9-313 of the Illinois UCC) and all replacements of, substitutions for, additions to, and the proceeds thereof (all of said Personal Property and the replacements, substitutions and additions thereto and the proceeds thereof being sometimes hereinafter collectively referred to as the "Collateral"), and that a security interest in and to the Collateral is hereby granted to the Lender, and the Collateral and all of Borrower's right, title and interest therein are hereby assigned to Lender, all to secure payment of the Debt. All of the provisions contained in this Security Instrument pertain and apply to the Collateral as fully and to the same extent as to any other property comprising the Property; and the following provisions of this Section shall not limit the applicability of any other provision of this Security Instrument but shall be in addition thereto:

(a) Borrower (being the Debtor as that term is used in the Illinois UCC) is and will be the true and lawful owner of the Collateral, subject to no liens, charges or encumbrances other than the lien hereof, other liens and encumbrances benefitting Lender and no other party, and liens and encumbrances, if any, expressly permitted by the other Loan Documents;

(b) The Collateral is to be used by Borrower solely for business purposes;

(c) The Collateral will be kept at the Property and will not be removed therefrom (except for normal replacement of Personal Property) without the consent of Lender (being the Secured Party as that term is used in the Illinois UCC). The Collateral may be affixed to the Property but will not be affixed to any other real estate;

(d) The only persons having any interest in the Property are Borrower, Lender and holders of interests, if any, expressly permitted hereby;

(e) No financing statement (other than financing statements showing Lender as the sole secured party, or with respect to liens or encumbrances, if any, expressly permitted hereby) covering any of the Collateral or any proceeds thereof is on file in any public office except pursuant hereto; and Borrower at its own cost and expense, upon demand, will furnish to Lender such further information and will execute and deliver to Lender such financing statements and other documents in form satisfactory to Lender and will do all such acts as Lender may request at any time or from time to time or as may be necessary or appropriate to establish and maintain a perfected security interest in the Collateral as security for the Debt,

subject to no other liens or encumbrances, other than liens or encumbrances benefitting Lender and no other party and liens and encumbrances, if any, expressly permitted hereby; and Borrower will pay the cost of filing or recording such financing statements or other documents, and this Security Instrument in all public offices wherever filing or recording is deemed by Lender to be desirable;

(f) Upon an Event of Default, Lender shall have the remedies of a secured party under the Illinois UCC, including, without limitation, the right to take immediate and exclusive possession of the Collateral, or any part thereof, and for that purpose, so far as Borrower can give authority therefor, with or without judicial process, may enter (if this can be done without breach of the peace) upon any place which the Collateral or any part thereof may be situated and remove the same therefrom (provided that if the Collateral is affixed to real estate, such removal shall be subject to the conditions stated in the Illinois UCC); and Lender shall be entitled to hold, maintain, preserve and prepare the Collateral for sale, until disposed of, or may propose to retain the Collateral subject to Borrower's right of redemption in satisfaction of Borrower's obligations, as provided in the Illinois UCC. Lender may render the Collateral unusable without removal and may dispose of the Collateral on the Property. Lender may require Borrower to assemble the Collateral and make it available to Lender for its possession at a place to be designated by Lender which is reasonably convenient to both parties. Lender will give Borrower at least twenty (20) days' notice of the time and place of any public sale of the Collateral or of the time after which any private sale or any other intended disposition thereof is made. The requirements of reasonable notice shall be met if such notice is delivered in accordance with Article 14 of the Loan Agreement at least twenty (20) days before the time of the sale or disposition. Lender may buy at any public sale. Lender may buy at private sale if the Collateral is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations. Any such sale may be held in conjunction with any foreclosure sale of the Property. If Lender so elects, the Property and the Collateral may be sold as one lot. The net proceeds realized upon any such disposition, after deduction for the expenses of retaking, holding, preparing for sale, selling and the reasonable attorneys' fees and legal expenses incurred by Lender, shall be applied against the Debt in such order or manner as Lender shall select. Lender will account to Borrower for any surplus realized on such disposition;

(g) The terms and provisions contained in this Section 1.03, unless the context otherwise requires, shall have the meanings and be construed as provided in the Illinois UCC;

(h) This Security Instrument is intended to be a financing statement within the purview of Section 9-402(6) of the Illinois UCC with respect to the Collateral and the goods described herein, which goods are or may become fixtures relating to the Property. The addresses of Borrower (Debtor) and Lender (Secured Party) are hereinabove set forth. This Security Instrument is to be filed for recording with the recorder of deeds of the county or counties where the Property is located. Borrower is the record owner of the Property;

(i) To the extent permitted by applicable law, the security interest created hereby is specifically intended to cover all Leases between Borrower or its agents as lessor, and various tenants named therein, as lessee, including all extended terms and all extensions and

renewals of the terms thereof, as well as any amendments to or replacement of said Leases, together with all of the right, title and interest of Borrower, as lessor thereunder; and

(j) The address of Borrower, from which information concerning the security interests in the Collateral may be obtained, is set forth on page 1 of this Security Instrument."

Section 16.4 Remedies Upon Default. (a) In Subsection 9.01(h) of this Security Instrument entitled "Remedies", the following parenthetical shall be added following the words "counsel, agents and employees":

"(the provisions for the appointment of a receiver and assignment of rents being an express condition upon which the loan secured hereby is made)"

Section 16.5 Waivers. Section 11.02 of this Security Instrument entitled "Marshalling and Other Matters" is hereby deleted and the following is substituted therefor:

"Waiver of Appraisal, Valuation, Stay, Extension and Redemption Laws. Borrower agrees, to the full extent permitted by law, that at all times following an Event of Default, neither Borrower nor anyone claiming through or under it shall or will set up, claim or seek to take advantage of any appraisal, valuation, stay, or extension laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Security Instrument or the absolute sale of the Property or the final and absolute putting into possession thereof, immediately after such sale, of the purchaser thereat; and Borrower, for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may lawfully so do, the benefit of all such laws and any and all right to have the assets comprising the Property marshalled upon any foreclosure of the lien hereof and agrees that Lender or any court having jurisdiction to foreclosure such lien may sell the Property in part or as an entirety. To the full extent permitted by law, Borrower hereby waives any and all statutory or other rights of redemption from sale under any order or decree of foreclosure of this Security Instrument, on its own behalf and on behalf of each and every person acquiring any interest in or title to the Property subsequent to the date hereof."

Section 16.6 The following section is hereby added at the end of Article XI:

"Waiver of Jury Trial. **BORROWER HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER IN CONTRACT, TORT OR OTHERWISE, RELATING DIRECTLY OR INDIRECTLY TO THE LOAN**

EVIDENCED BY THE NOTE, THE LOAN AGREEMENT, THIS SECURITY INSTRUMENT OR THE OTHER LOAN DOCUMENTS OR ANY ACTS OR OMISSIONS OF LENDER, ITS OFFICERS, EMPLOYEES, DIRECTORS OR AGENTS IN CONNECTION THEREWITH.”

Section 16.7 Use of Proceeds. Borrower hereby represents and agrees that the proceeds of the Note secured by this Security Instrument will be used for the purposes specified in the Illinois Interest Act, 815 ILCS §205/4(I), and the indebtedness secured hereby constitutes a business loan which comes within the purview of said Section 205/4(c).

Section 16.8 Maturity Date. The Stated Maturity Date of the Note is November 6, 2026.

Section 16.9 Illinois Mortgage Foreclosure Law.

(a) In the event any provision in this Security Instrument shall be inconsistent with any provision of the Illinois Mortgage Foreclosure Law (735 ILCS Sections 5/15-1101 et. seq., Illinois Compiled Statutes) (the “**Foreclosure Act**”), the provisions of the Foreclosure Act shall take precedence over the provisions of this Security Instrument, but shall not invalidate or render unenforceable any other provision of this Security Instrument that can be construed in a manner consistent with the Foreclosure Act.

(b) If any provision of this Security Instrument shall grant to Lender any rights or remedies upon default of Borrower which are more limited than the rights that would otherwise be vested in Lender under the Foreclosure Act in the absence of said provision, Lender shall be vested with the rights granted in the Foreclosure Act to the full extent permitted by law.

(c) Without limiting the generality of the foregoing, all expenses incurred by Lender to the extent reimbursable under Sections 15-1510 and 15-1512 of the Foreclosure Act, whether incurred before or after any decree or judgment of foreclosure, and whether enumerated in Article IX of this Security Instrument, shall be added to the indebtedness secured by this Security Instrument or by the judgment of foreclosure.

Section 16.10 Maximum Principal Indebtedness. This Security Instrument is intended to and shall be valid and have priority over all subsequent liens and encumbrances, including statutory liens, excepting solely taxes and assessments levied on the real estate, to the extent of the maximum amount secured hereby; provided, however, that the maximum amount secured by this Security Instrument shall not exceed an amount equal to two times the face amount of the Note plus protective advances and other costs and expenses which the Lender is entitled to add to the Debt pursuant to the terms of this Security Instrument. Notwithstanding any provision contained herein to the contrary, and subject to Section 16.14 below, the maximum principal indebtedness secured by this Security Instrument shall not exceed \$4,000,000.00 plus any accrued and unpaid interest (whether at the Interest Rate or the Default Rate) and protective advances made by Lender (or any Servicer).

Section 16.11 POWER OF SALE. Any references to “power of sale” in this Security Instrument are permitted only to the extent allowed by law.

Section 16.12 Miscellaneous. Borrower acknowledges that the Property does not constitute agricultural real estate as defined in Section 15-1201 of the Foreclosure Act or residential real estate as defined in Section 15-1219 of the Foreclosure Act, and to the fullest extent permitted by law, Borrower hereby voluntarily and knowingly waives its rights to reinstatement and redemption as allowed under Section 15-601(b) of the Act, and to the fullest extent permitted by law, the benefits of all present and future valuation, appraisal, homestead, exemption, stay, redemption and moratorium law, under any state or federal law.

Section 16.13 Future Advances. This Security Instrument is given for the purpose of securing loan advances which Lender may make to or for Borrower pursuant and subject to the terms and provisions of the Loan Agreement. The parties hereto intend that, in addition to any other debt or obligation secured hereby, this Security Instrument shall secure unpaid balances of loan advances made after this Security Instrument is delivered to the Office of the Recorder of the County in which the Property is located, whether made pursuant to an obligation of Lender or otherwise, provided that such advances are within twenty (20) years from the date hereof and in such event, such advances shall be secured to the same extent as if such future advances were made on the date hereof, although there may be no advance made at the time of execution hereof and although there may be no indebtedness outstanding at the time any advance is made. Such loan advances may or may not be evidenced by notes executed pursuant to the Loan Agreement.

Section 16.14 Optional Subordination. At the option of Lender, this Security Instrument shall become subject and subordinate, in whole or in part (but not with respect to priority of entitlement to insurance proceeds or any Condemnation Proceeds), to any and all leases of all or any part of the Property upon the execution by Lender and recording thereof, at any time hereafter in the appropriate official records of the County wherein the Property is situated, of a unilateral declaration to that effect.

Section 16.15 Interest Rate. The Loan bears interest at the rate of 4.9% pursuant to the terms of the Note. The Default Rate shall mean a rate equal to the lesser of (i) the maximum non-usurious interest rate under the laws of the State of Illinois, or (ii) the sum of the interest rate set forth above and five percent (5%).

Section 16.16 ILLINOIS COLLATERAL PROTECTION ACT. If at any time the Borrower fails to provide the Lender with evidence of the insurance coverage required by this Security Instrument and the other Loan Documents, the Lender may purchase insurance at the Borrower's expense to protect the Lender's interest in the Property. This insurance may, but need not, protect the Borrower's interests. The coverage that the Lender purchases may not pay any claim that the Borrower may make or any claim that is made against the Borrower in connection with the Property. The Borrower may later cancel any insurance purchased by the Lender, but only after providing the Lender with evidence that the Borrower has obtained insurance as required by this Security Instrument and the other Loan Documents. If the Lender purchases insurance for the Property, the Borrower will be responsible for the costs of that insurance, including interest and any other charges that the Lender imposes in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the Borrower's total outstanding balance or obligation secured hereby. The costs of the insurance may be more than the costs of insurance that the Borrower may be able to obtain through the Borrower's own efforts. For purposes of the Illinois Collateral

Protection Act, 815 ILCS 180/1 et seq., Borrower hereby acknowledges Lender's right pursuant to this paragraph to obtain collateral protection insurance.

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Two Million Two Hundred Thousand and 00/100 Dollars (U.S. \$2,200,000.00). This debt is evidenced by Borrower's notes dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable January 1st, 2018. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 21-30-414-040-0000

which has the address of 3074 E Cheltenham Pl. Chicago, IL 60649 ("Property Address"), (also known as 7836 S South Shore Drive, Chicago, IL, 60649);

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

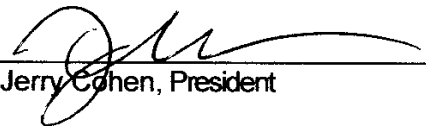

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on July 22nd, 2015. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Two Million Two Hundred Fifty Thousand and 00/100 Dollars (U.S. \$2,250,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable August 1st, 2017. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-25-119-001-0000

which has the address of 7201 S Constance Ave. Chicago, IL 60649 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

INDEBTEDNESS SECURED BY THIS MORTGAGE

This Mortgage is made to secure all of the following (individually and collectively, the "Indebtedness"):

I. Payment of Five Million Three Hundred Twenty-Eight Thousand Four Hundred Thirty-Three and 43/100 (\$5,328,433.43) Dollars, together with interest, costs and all other sums payable on that amount, to be paid according to the \$5,328,433.43 Promissory Note dated on even date herewith made by Mortgagor payable to Lender and all extensions, renewals, modifications, substitutions or replacements (collectively, the "Note") and the Loan Agreement dated on even date herewith made by and between Mortgagor and Lender and all amendments, modifications, renewals, substitutions or replacements thereof (collectively, the "Loan Agreement") and any other note(s), guaranty(ies), loan agreement(s), indemnity agreement(s) or other evidence(s) of indebtedness to Lender made as of the date of this Mortgage by the Mortgagor and any and all extensions, renewals, modifications, substitutions or replacements thereof. This reference to a particular dollar amount does not in any way limit the dollar amount secured by this Mortgage.

II. The payment of any and all amounts of any kind now owing or later to become due to the Lender from the Mortgagor during the term of this Mortgage, however created or arising, whether under the obligations specified above or under any other existing or future instrument or agreement between the Mortgagor and the Lender, or otherwise, and whether direct, indirect, primary, secondary, fixed, contingent, joint or several, due or to become due, together with interest, costs and all other sums on that amount and including, without limit, all present and future indebtedness or obligations of third parties to the Lender which is guaranteed by the Mortgagor, and the present or future indebtedness originally owing by the Mortgagor, to third parties and assigned by third parties to the Lender, and any and all renewals, extensions, modifications, substitutions or replacements of any of them.

III. Payment of \$2,776,576.95 together with interest, costs and all other sums payable on that amount pursuant to that certain Promissory Note dated December 15, 2016 and made by 4611-17 S Drexel LLC, an Illinois limited liability company in favor of Lender (as amended and/or restated from time to time, "Affiliate Note")

IV. The performance of the covenants and obligations of Mortgagor due or to become due to the Lender, including, without limit, those due under this Mortgage, and the repayment of all sums expended by the Lender in connection with performance of those covenants and obligations and the enforcement of this Mortgage.

This Mortgage secures the payment of the entire Indebtedness secured hereby; provided, however, that the total amount secured by this Mortgage (excluding interest, costs, expenses, charges, fees, protective advances and indemnification obligations, all of any type or nature) shall not exceed an amount equal to 200% of the face amount of the Note.

COVENANTS AND AGREEMENTS

1. **COVENANTS AND WARRANTIES.** The Mortgagor covenants and warrants to the Lender, as long as the Indebtedness remains outstanding, as follows:

1.1 **Authority; No Conflict.** The Mortgagor has the power and authority to execute, deliver and perform its obligations under this Mortgage. The execution, delivery and performance of this Mortgage by the Mortgagor does not, and will not violate or conflict with any provision of its organizational or charter documents or any agreement, court order or consent decree to which the Mortgagor is a party or by which the Mortgagor may be bound.

1.2 **Title to Mortgaged Property.** The Mortgagor is the owner and is lawfully seized and possessed of the Mortgaged Property. The Mortgagor has good right, full power and authority to mortgage the Mortgaged Property to Lender in accordance with the terms of this Mortgage. The Mortgaged Property is and shall remain free and clear of any liens and encumbrances save and except as may be set forth on Schedule B in that certain marked up commitment for title insurance issued by Near North National Title LLC, as agent for Chicago Title Insurance Company, Commitment No. IL-1706750 delivered to Lender concurrent with the execution hereof. The Mortgagor shall pay when due all obligations which, if unpaid, may become a lien on the Mortgaged Property or which are secured by a lien on the Mortgaged Property with the Lender's consent.

1.3 **Payment of Indebtedness.** The Mortgagor will pay and perform the Indebtedness when due, whether by maturity, acceleration or otherwise.

1.4 **Maintenance of Mortgaged Property; Maintenance Reserve Account; and Waste.**

1.4.1 The Mortgagor shall preserve and maintain the Mortgaged Property in good repair, working order and condition, excepting ordinary wear and tear, shall replace any Equipment which requires replacement, shall procure all necessary utility services, and shall not commit or permit the commission of waste against the Mortgaged Property. The Mortgagor shall promptly protect, repair, replace or rebuild any part of the Mortgaged Property that is damaged or destroyed by fire or other casualty, or that may be affected by any eminent domain or condemnation proceedings.

1.4.2 In addition to reserve requirements, if any, set forth in the Loan Agreement, in this Mortgage or any other document entered into in connection herewith, if the Lender determines that the Mortgagor is not maintaining the Mortgaged Property as required herein, in addition to all of the Lender's other remedies, the Lender may require the Mortgagor to pay into a non-interest bearing reserve account ("Maintenance Reserve Account") an amount estimated by the Lender to be sufficient to enable the Mortgagor to maintain the Mortgaged Property. If required by the Lender, such amount shall be payable in monthly installments (payable in addition to any other sums due under the Indebtedness) subject to adjustment, up or down, annually on the anniversary of the date hereof by the Lender at the Lender's sole discretion. The Maintenance Reserve Account shall be under the Lender's sole control and shall be additional security for the Indebtedness. The Lender shall make disbursements from the Maintenance Reserve Account for maintenance of the Mortgaged Property, or as otherwise provided by this Mortgage, at the Lender's sole discretion.

1.4.3 Failure, refusal or neglect of the Mortgagor to comply with subsection 1.4.1 or to pay any taxes or assessment or any utility rates levied, assessed or imposed upon the Mortgaged Property, and/or nonpayment of any premiums for insurance, shall constitute waste, and shall entitle the Lender to exercise the remedies provided in this Mortgage, as well as those afforded by law.

1.5 **Payment of Taxes; Discharge of Liens.** The Mortgagor shall pay to the Lender, in advance on the tenth day of each month, a pro rata portion (as determined by the Lender in accordance with the terms of the Loan Agreement and this Mortgage) of all Imposition(s) levied, assessed or existing on the Mortgaged Property. In the event that sufficient funds have been deposited with the Lender to cover the amount of these Imposition(s) when they become due and payable, the Lender shall pay them subject to Mortgagor's satisfaction of the conditions set

forth in Section 4 of the Loan Agreement. In the event that sufficient funds have not been deposited to cover the amount of these Imposition(s) at least thirty (30) days prior to the time when they become due and payable, the Mortgagor shall immediately pay the amount of the deficiency to the Lender. The Lender shall not be required to keep a separate account or to pay the Mortgagor any interest on the funds held by the Lender for the payment of the Imposition(s) pursuant to this Section 1.5 or for the payment of insurance premiums under Section 1.7 below, or on any other funds deposited with the Lender in connection with this Mortgage. The funds on deposit with the Lender are further security for the Indebtedness and if an Event of Default occurs under this Mortgage, any funds remaining on deposit with the Lender may be applied against the Indebtedness at any time after the Event of Default occurs, and without notice to the Mortgagor.

1.6 Sale or Transfer of Mortgaged Property. Without the prior written consent of the Lender, except as permitted in the Loan Agreement, the Mortgagor will not (i) sell, assign, transfer or encumber all or any interest in the Mortgaged Property or (ii) enter into any agreement or grant an option for such purpose, or (iii) permit or suffer any change in the ownership of the Mortgaged Property. In the event ownership of the Mortgaged Property, or any part, becomes vested in any person(s) other than the Mortgagor, the Lender may deal with and may enter into any contract or agreement with the successor(s) in interest with reference to this Mortgage in the same manner as with the Mortgagor, without discharging or otherwise affecting the lien of this Mortgage or the Mortgagor's obligations under this Mortgage.

1.7 Insurance.

1.7.1 The Mortgagor shall keep the buildings and all other improvements on the Mortgaged Property insured for the benefit of the Lender against fire and other hazards and risks, including, without limit, vandalism and malicious mischief, as the Lender may require and shall further provide flood insurance (if the Mortgaged Property is situated in an area which is considered a flood risk area by the United States Department of Housing and Urban Development, and for which flood insurance is available under the National Flood Insurance Act of 1968, as amended), loss of rents insurance, public liability and product liability insurance and any other insurance as the Lender may reasonably require from time to time. All insurance shall be in amounts and in forms and with companies satisfactory to the Lender, and in the case of fire and extended coverage (or builder's risk) insurance shall not be for less than 100% of the full insurable value of the Mortgaged Property. The Mortgagor shall deliver to the Lender the policies evidencing the required insurance with premiums fully paid for one year in advance, and with standard mortgagee clauses (making all losses payable to the Lender). Renewals of the required insurance (together with evidence of premium prepayment for one (1) year in advance) shall be delivered to the Lender at least ten (10) days before the expiration of any existing policies. All policies and renewals shall provide that they may not be canceled or amended without giving the Lender thirty (30) days prior written notice of cancellation or amendment. The foregoing insurance requirements are in addition to those contained in the Loan Agreement and in the event of any conflict or inconsistency in the insurance requirements herein or in the Loan Agreement, the requirements move favorable to the Lender, as determined by the Lender, in its sole and absolute discretion, shall apply.

1.7.2 Should the Mortgagor fail to insure or fail to pay the premiums on any required insurance or fail to deliver the policies or renewals as provided above, the Lender may have the insurance issued or renewed (and pay the premiums on it for the account of the Mortgagor) in amounts and with companies and at premiums as the Lender deems appropriate. If the Lender elects to have insurance issued or renewed to insure the Lender's interest, the Lender shall have no duty or obligation of any kind to also insure the Mortgagor's interest or to notify the Mortgagor of the Lender's actions. Any sums paid by the Lender for insurance, as provided above, shall be a lien upon the Mortgaged Property, added to the amount secured by this Mortgage, and payable immediately by the Mortgagor to the Lender, with interest on those sums at the highest rate charged by the Lender on any of the Indebtedness (but not to exceed the maximum interest rate permitted by law).

1.7.3 In the event of loss or damage, the proceeds of all required insurance shall be paid to the Lender. No loss or damage shall itself reduce the Indebtedness. The Lender or any of its employees is each

irrevocably appointed attorney-in-fact for the Mortgagor and is authorized to adjust and compromise each loss without the consent of the Mortgagor, to collect, receive and receipt for the insurance proceeds in the name of the Lender and the Mortgagor and to endorse the Mortgagor's name upon any check in payment of the loss. The proceeds shall be applied first toward reimbursement of all costs and expenses of the Lender in collecting the proceeds (including, without limit, court costs and reasonable attorneys' fees), and then toward payment of the Indebtedness or any portion of it, whether or not then due or payable and in whatever order of maturity as the Lender may elect, or the Lender, at its option, may consent to the application of the insurance proceeds, or any part of them, to the repair or rebuilding of the Mortgaged Property. If the Lender elects to allow the use of insurance proceeds to restore or repair the Mortgaged Property, the Mortgagor and the Lender shall enter into a written agreement satisfactory to the Lender providing for the terms under which the insurance proceeds shall be released. Application of proceeds by the Lender toward later maturing installments of the Indebtedness shall not excuse the Mortgagor from making the regularly scheduled installment payments nor shall such application extend or reduce the amount of any of these payments.

1.7.4 In the event of a foreclosure of this Mortgage, or the giving of a deed in lieu of foreclosure, the purchaser or grantee of the Mortgaged Property shall succeed to all of the rights of the Mortgagor under the insurance policies including, without limit, any right to unearned premiums and to receive the proceeds.

1.7.5 The Mortgagor shall pay to the Lender, in advance on the tenth day of each month, a pro rata portion of the annual premiums due (as estimated by the Lender in accordance with the terms of the Loan Agreement and this Mortgage) on the required insurance. In the event that sufficient funds have been deposited with the Lender to cover the amount of the insurance premiums when the premiums become due and payable, the Lender shall pay the premiums subject to Mortgagor's satisfaction of the other conditions set forth in Section 4 of the Loan Agreement. In the event that sufficient funds have not been deposited with the Lender to pay the insurance premiums at least thirty (30) days prior to the time when they become due and payable, the Mortgagor shall immediately pay the amount of the deficiency to the Lender.

1.7.6 The foregoing requirements regarding insurance are in addition to any other similar requirements in any other document entered into by Mortgagor in connection with the Indebtedness and in the event of any conflict in such requirements the requirement(s) more favorable to Lender (determined by Lender in its sole and absolute discretion) shall govern and be applicable.

1.8 **Compliance With Law and Other Matters.** The Mortgagor will comply with all federal, state and local laws, ordinances, rules, regulations and restrictions relating to the ownership, use, occupancy and operation of the Mortgaged Property and will not permit the use of the Mortgaged Property for unlawful purposes. Further, the Mortgagor will comply with, perform the Mortgagor's obligations under, and enforce the obligations of all other parties to all building and use restrictions, ground leases, leases, reservation and/or purchase agreements, condominium documents and/or other instruments, as applicable, affecting or relating to the use and/or occupancy of the Mortgaged Property.

1.9 **No Removal of Improvements.** Without the prior written consent of the Lender, the Mortgagor will not remove, demolish or materially alter or add to any building, structure or other improvement forming part of the Mortgaged Property nor otherwise reduce the value or usefulness of the Mortgaged Property, except as otherwise permitted in the Loan Agreement.

1.10 **Recording.** The Mortgagor will cause this Mortgage, any supplemental mortgage and any financing and continuation statements required by the applicable Uniform Commercial Code to be recorded and filed at the Mortgagor's expense in such manner and in such place as may, in the Lender's opinion, be necessary or proper.

1.11 **Additional Assurances.** The Mortgagor will execute and deliver additional instruments and take additional actions as Lender may reasonably request to carry out the terms and conditions of this Mortgage.

1.12 **Books and Records; Inspection Rights.** The Mortgagor will at all times maintain accurate and complete books and records, and copies of all building and use restrictions, ground leases, leases, reservation and/or

purchase agreements, condominium documents, contracts and/or other instruments with respect to the Mortgaged Property. The Lender may inspect and make copies of those books and records and any other data relating to the Mortgaged Property. The Lender may inspect and test the Mortgaged Property at such reasonable times as Lender shall determine, and the Mortgagor will permit the Lender and its representatives and inspectors all necessary access to the Mortgaged Property. The Mortgagor will promptly provide to the Lender reports concerning the income, expenses and financial and other conditions of the Mortgaged Property as may be required from time to time by the Lender as more particularly set forth in the Loan Agreement.

1.13 **Environmental Representation, Warranty and Indemnification.** Notwithstanding anything in this Mortgage to the contrary, the Mortgagor represents, covenants and warrants to the Lender as follows:

1.13.1 For the purpose of this Section the following terms shall have the given meanings:

1.13.1.1 "Relevant Environmental Laws" shall mean all applicable federal, state and local laws, rules, regulations, orders, judicial determinations and decisions or determinations by any judicial, legislative or executive body of any governmental or quasi-governmental entity, whether in the past, the present or the future, with respect to: (i) the installation, existence or removal of, or exposure to, Asbestos on the Mortgaged Property; (ii) the existence on, discharge from, or removal from the Mortgaged Property of Hazardous Materials; and/or (iii) the effects on the environment of the Mortgaged Property or of any activity now, previously, or hereafter conducted on the Mortgaged Property.

1.13.1.2 "Asbestos" shall have the meanings provided under the Relevant Environmental Laws, and shall include, without limited, asbestos fibers and friable asbestos, as such terms are defined under the Relevant Environmental Laws.

1.13.1.3 "Hazardous Materials" shall mean any of the following (as defined by the Relevant Environmental Laws): solid wastes; toxic or hazardous substances, wastes, or contaminants, including, without limit, polychlorinated biphenyls, paint containing lead, and urea formaldehyde foam insulation; and discharges of sewage or effluent.

1.13.2 At all times since Mortgagor has acquired any interest or rights in the Mortgaged Property, whether through lease, land contract, deed or otherwise and, to Mortgagor's knowledge, after due inquiry, at all times prior to Mortgagor's acquisition of such interest or rights in the Mortgaged Property: there are no and have been no violations of the Relevant Environmental Laws at the Mortgaged Property and no consent orders have been entered with respect to the Mortgaged Property; there are no and have been no Hazardous Materials or Asbestos either at, upon, under or within, or released, discharged or emitted at or from, the Mortgaged Property; no Hazardous Materials or Asbestos have released, emitted or otherwise become present at the Mortgaged Property from neighboring land; and no Hazardous Materials or Asbestos have been removed from the Mortgaged Property, except in compliance with the Relevant Environmental Laws.

1.13.3 The Mortgagor, after due inquiry, is not aware of any claims of litigation, and has not received any communication, concerning the presence or possible presence of Hazardous Materials or Asbestos at the Mortgaged Property or concerning any violation or alleged violation of the Relevant Environmental Laws respecting the Mortgaged Property. The Mortgagor shall promptly notify the Lender of any such claims and shall furnish the Lender with a copy of any such communications received after the date of this Mortgage.

1.13.4 The Mortgagor shall ensure that the Mortgaged Property complies in all respects with the Relevant Environmental Laws, shall notify Lender promptly and in reasonable detail in the event that the Mortgagor becomes aware of the presence of Hazardous Materials or Asbestos or a violation of the Relevant Environmental Laws at the Mortgaged Property, and shall conduct all required clean-up, closure or other remediation of any condition necessary to maintain compliance with the Relevant Environmental Laws.

1.13.5 Should the Mortgagor use or permit the Mortgaged Property to be used or maintained so as to subject the Mortgagor, the Lender or the use of the Mortgaged Property to a claim of violation of the Relevant Environmental Laws (unless contested in good faith by appropriate proceedings satisfactory to the Lender), the Mortgagor shall immediately remedy and fully cure, at its own cost and expense, any conditions arising therefrom.

1.13.6 The Mortgagor shall pay immediately when due the cost of compliance with the Relevant Environmental Laws. Further, the Mortgagor shall keep the Mortgaged Property free of any lien imposed pursuant to the Relevant Environmental Laws.

1.13.7 In the event that the Mortgagor fails to comply with any of the requirements of this Section 1.13, after notice to the Mortgagor and the earlier of the expiration of any applicable cure period under this Mortgage or the expiration of the cure period permitted under the Relevant Environmental Laws, if any, the Lender may exercise its right to do one or more of the following: (i) elect that such failure constitutes a default under this Mortgage; and/or (ii) take any and all actions, at the Mortgagor's expense, that the Lender deems necessary or desirable to cure such failure of compliance. Any costs incurred the Lender pursuant to this Section 1.13, shall become immediately due and payable without notice and with interest thereon at a rate equal to the highest interest rate charged on the Indebtedness (but not to exceed the maximum interest rate permitted by law), and such amount, including interest, shall, if incurred prior to the foreclosure of this Mortgage or the delivery of a deed in lieu of foreclosure, be added to amounts owing under the Indebtedness and shall be secured by this Mortgage.

1.13.8 The Lender shall not be liable for and the Mortgagor shall immediately pay to and indemnify, defend and hold the Lender harmless from and against, all loss, cost, liability, damage and expense (including, without limit, attorneys' fees and costs incurred in the investigation, defense and settlement of claims) that the Lender may suffer or incur (as holder of this Mortgage, as mortgagee in possession or as successor in interest to the Mortgagor as owner of the Mortgaged Property by virtue of foreclosure or acceptance of a deed in lieu of foreclosure) as a result of or in connection in any way with the Mortgagor's failure to comply with the terms and provisions of this Section 1.13.

1.13.9 The provisions of this Section 1.13 shall survive the repayment of the Indebtedness and the performance of all duties and obligations related thereto, the foreclosure of this Mortgage, the delivery of a deed in lieu of foreclosure and/or the discharge of this Mortgage.

1.13.10 The provisions of this Section 1.13 are in addition to any similar provisions in any other documentation evidencing, securing or governing the Indebtedness, including, but not limited to, any environmental indemnification agreement executed in connection with the Indebtedness ("Indemnity"), and in the event of any conflict or inconsistency between the terms and conditions hereof and the Indemnity, the document containing the terms and conditions more favorable to Lender, as determined by Lender, in its sole and absolute discretion, shall be given priority and shall apply.

1.14 **Reporting Requirements.** The Mortgagor shall certify and furnish to the Lender, in form and detail satisfactory to the Lender those financial reports of the Mortgagor as required pursuant to the Loan Agreement.

2. **APPLICATION OF CONDEMNATION AWARDS.**

2.1 **Condemnation Award.** Any eminent domain or condemnation proceeds shall be paid directly to the Lender and applied toward reimbursement of all the Lender's costs and expenses incurred in connection with collecting the award (including, without limit, court costs and reasonable attorneys' fees), and the balance applied upon the Indebtedness whether or not then due or payable in whatever manner the Lender deems advisable. Application by the Lender of any condemnation award or portion of it toward the last maturing installments of the Indebtedness shall not excuse the Mortgagor from making the regularly scheduled payments nor extend or reduce the amount of these payments.

2.2 **Appointment of Lender.** The Lender or any of its employees is each irrevocably appointed attorney-in-fact for the Mortgagor and is authorized to receive, receipt for, discharge and satisfy any condemnation

award or judgment, whether joint or several, on behalf of the Mortgagor, the Mortgagor's legal representatives, successors and assigns; provided, however, that the Lender shall not be liable for failure to collect any condemnation award.

3. **ADDITIONAL SECURITY.**

3.1 **Security Interest in Personal Property.** The Mortgagor grants the Lender a security interest in any present and future Equipment, fixtures, accounts, general intangibles, instruments, and other personal property included within the definition of Mortgaged Property. The Mortgagor agrees, upon request of the Lender, to promptly furnish a list of personal property owned by the Mortgagor and subject to this Mortgage and, upon request by the Lender, to immediately execute, deliver and/or file any mortgage and any amendments to this Mortgage, any separate security agreement and any financing statements to include specifically this list of personal property. The Lender or any of its employees is each irrevocably appointed attorney-in-fact and is authorized to execute, deliver and/or file any mortgage and any amendments to this Mortgage, any separate security agreement and any financing statements to include specifically the personal property described above.

3.2 **Licenses and Permits.** As additional security for the Indebtedness, the Mortgagor assigns to the Lender all of the Mortgagor's rights and interest in all licenses or permits affecting the Mortgaged Property. This assignment shall not impose upon the Lender any obligations with respect to any license or permit. The Mortgagor shall not cancel or amend any of the licenses or permits assigned (nor permit any of them to terminate if they are necessary or desirable for the operation of the Mortgaged Property) without first obtaining the written approval of the Lender.

3.3 **Contracts.** As additional security for payment of the Indebtedness, the Mortgagor assigns to and grants the Lender a security interest in all existing and future agreements and contracts for the design, development, improvement, construction, maintenance, alteration, repair, testing, operation and management of the Mortgaged Property.

3.4 **Deposits and Accounts.** As additional security for the payment of the Indebtedness and performance of this Mortgage, the Mortgagor grants a security interest to the Lender in all deposits or other accounts with the Lender.

3.5 **Assignment of Rents and Leases.**

3.5.1 As additional security for the payment of the Indebtedness and performance of this Mortgage, the Mortgagor assigns to the Lender all of the Mortgagor's right, title and interest in and to all existing and future written and oral leases and occupancy agreements covering the Mortgaged Property or any part of it (collectively, the "Leases") (but without an assumption by the Lender of liabilities of the Mortgagor under any of these Leases or occupancy agreements by virtue of this assignment), and the Mortgagor assigns to the Lender the leases, rents, issues and profits of the Mortgaged Property and any guaranties of any of the Leases. This is a present and absolute assignment, not an assignment for security purposes only, and Lender's right to the Leases, rents, issues and profits is not contingent, upon and may be exercised without, possession of the Mortgaged Property.

3.5.2 At least annually, and more frequently if requested by the Lender or required by the terms of the Loan Agreement, the Mortgagor shall provide the Lender with a certified rent roll and such other information regarding the Leases as the Lender may reasonably require.

3.5.3 Subject to the license granted in the Assignment (hereinafter defined) to Mortgagor ("License") to collect and retain the rents, issues and profits as they become due and payable, upon an Event of Default, such License shall be automatically revoked and Lender may receive and collect the rents, issues and profits personally, or through a receiver, so long as the Event of Default exists and during the pendency of any foreclosure proceedings and during any redemption period. The Mortgagor consents to the appointment of a receiver.

3.5.4 The Lender shall at no time have any obligation whatever to attempt to collect rents or other amounts from any tenant of the Mortgaged Property. Further, the Lender shall have no obligation to

enforce any other obligations owed by any tenant of the Mortgaged Property. No action taken by the Lender under this Mortgage shall make the Lender a "mortgagee in possession."

3.5.5 The Mortgagor shall not collect advance rent under any of the Leases in excess of one month (other than as a security deposit) and the Lender shall not be bound by any prepayment made or received in violation of this prohibition.

3.5.6 At the option of the Lender, this Mortgage shall become subordinate, in whole or in part (but not with respect to priority as to insurance proceeds or any condemnation award) to any or all Leases upon the execution and recording by the Lender of an affidavit to that effect.

3.5.7 The Mortgagor shall timely perform the obligations under the Leases and not permit or suffer any event or condition which gives any tenant a right to cancel, terminate, or assert any defense or offset under any of the Leases. Mortgagor shall cause each tenant under the Lease to deliver estoppel certificates and subordination agreements in form satisfactory to Lender, upon request.

3.5.8 Without the Lender's prior written consent, the Mortgagor shall not modify or amend or enter into any Leases (except for residential leases on the standard form approved by Lender subject to the conditions set forth in the Loan Agreement).

3.5.9 The provisions of this Section 3.5 are in addition to any similar provisions in any documentation evidencing, securing or governing the Indebtedness, including, but not limited to, that certain Assignment of Leases and Rents executed by Mortgagor in favor of Lender concurrently herewith (the "Assignment"), and in the event of any conflict or inconsistency between the terms and conditions hereof and the Assignment, the document containing the terms and conditions more favorable to Lender, as determined by Lender, in its sole and absolute discretion, shall be given priority and shall apply.

3.5.10 The foregoing assignment shall not cause Lender to be: (a) a mortgagee in possession; (b) responsible or liable for the control, care, management or repair of the Mortgaged Property or for performing any of the terms, agreements, undertakings, obligations, representations, warranties, covenants and conditions of the Leases; (c) responsible or liable for any waste committed on the Mortgaged Property by the tenants under any of the Leases or any other parties, for any dangerous or defective condition of the Mortgaged Property, or for any negligence in the management, upkeep, repair or control of the Mortgaged Property resulting in loss or injury or death to any tenant, licensee, employee, invitee or other person; (d) responsible for or under any duty to produce rents or profits; or (e) directly or indirectly liable to Mortgagor or any other person as a consequence of the exercise or failure to exercise any of the rights, remedies or powers granted to Lender hereunder or to perform or discharge any obligation, duty or liability of Mortgagor arising under the Leases.

3.5.11 So long as the License is in effect, Mortgagor shall indemnify and hold Lender harmless from and against any and all liability, loss, cost, damage or expense which Lender incurs under or by reason of the foregoing assignment, or for any action taken by Lender hereunder in accordance with the terms hereof, or by reason of or in defense of any and all claims and demands whatsoever which are asserted against Lender arising out of the Leases. In the event Lender incurs any such liability, loss, cost, damage or expense, the amount thereof together with all attorneys' fees and interest thereon at the default rate of interest as set forth in the Note shall be payable by Mortgagor to Lender, within 10 days after demand by Lender, and shall be secured by this Mortgage, provided that Mortgagor shall have no duty or liability hereunder to indemnify and hold Lender harmless from matters resulting from the willful misconduct or gross negligence of Lender.

4. **EVENTS OF DEFAULT AND REMEDIES.**

4.1 **Events of Default.** Any of the following events shall, for purposes of this Mortgage, constitute an "Event of Default":

4.1.1 Any amount owing on part of the Indebtedness is not paid when due whether by maturity, acceleration or otherwise.

4.1.2 Any failure to comply with, or breach of, any of the terms, provisions, warranties or covenants of this Mortgage, or any other agreement or instrument which is part of the Indebtedness, any guaranty of any of the Indebtedness, or any other agreement or commitment between the Mortgagor or any guarantor and the Lender.

4.1.3 The occurrence of an Event of Default, as such term is defined in the Loan Agreement.

4.2 **Remedies Upon Event of Default.** Upon the occurrence of any Event of Default, the Lender shall have the following rights, power and authority:

4.2.1 With or without notice, declare all or part of the Indebtedness immediately due and payable.

4.2.2 Demand that the Mortgagor immediately surrender the possession of the Mortgaged Property to the Lender and the Mortgagor consents to the Lender taking possession of the Mortgaged Property and the books and records relating to the Mortgaged Property.

4.2.3 Commence and maintain an action or actions in any court of competent jurisdiction to foreclose this Mortgage or to obtain specific enforcement of the covenants of Mortgage hereunder, and Mortgagor agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy and that for the purposes of any suit brought under this subparagraph, Mortgagor waives the defense of laches and any applicable statute of limitations. Commencement of such an action shall be deemed a declaration of acceleration pursuant to clause 4.2.1 above.

4.2.4 Enter upon, possess, manage and operate the Property or any part thereof.

4.2.5 Collect and receive all payments, rents, profits and other amounts that are due or shall subsequently become due under the terms of any leases, land contract, or other agreements by which the Mortgagor is leasing or selling the Mortgaged Property or any interest in the Mortgaged Property. The Lender may also exercise any other rights or remedies of the Mortgagor under any or any lease, land contract or other agreement, and the costs and expenses thereof shall be for the account and expense of the Mortgagor. However, the Lender shall have no obligation to make any demand or inquiry as to the nature of sufficiency of any payment received or to present or file any claim or take any other action to collect or enforce the payment of any amounts to which the Lender may become entitled under this Mortgage. Similarly, the Lender shall not be liable for any of the Mortgagor's obligations under any such lease, land contract or other agreement.

4.2.6 Exercise all rights, remedies and privileges afforded a "secured party" under Article 9 of the Illinois Uniform Commercial Code. Require the Mortgagor to assemble the personal property subject to this Mortgage and make it available to the Lender at a place to be designated by the Lender which is reasonably convenient to both parties. Collect all accounts receivable, take possession of the personal property with or without demand and with or without process of law, and sell and dispose of it and distribute the proceeds according to law. For these purposes, the Mortgagor agrees that any requirement of reasonable notice, if any, shall be met if the Lender sends notice to the Mortgagor at least five (5) days prior to the date of sale, disposition or other event giving rise to the required notice.

4.2.7 With or without notice, and without releasing Mortgagor from the Indebtedness, and without becoming a mortgagee in possession, cure any breach or Event of Default of Mortgagor and, in connection therewith, to enter upon the Mortgaged Property and do such acts and things as Lender deems necessary or desirable to protect the security hereof, including, without limitation: (i) to appear in and defend any action or proceeding purporting to affect the security of this Mortgage or the rights or powers of Lender under this Mortgage; (ii) to pay, purchase, contest or compromise any encumbrance, charge, lien or claim of lien which, in the sole judgment of Lender, is or may be senior in priority to this Mortgage, the judgment of Lender being conclusive as between the parties hereto; (iii) to obtain insurance and to pay any premiums or charges with respect to insurance required to be carried under this Mortgage; (iv) to employ counsel, accountants, contractors and other appropriate; (iv) to inspect, repair, protect or preserve the Mortgaged Property; (v) to investigate or test for the presence of any Hazardous Materials; and/or (vi) to

appraise the Mortgaged Property. All of the Lender's expenditures for these purposes shall be part of the Indebtedness and shall bear interest at the highest rate applicable to any of the Indebtedness.

4.2.8 Pursue any other available remedy at law or equity to enforce the payment of the Indebtedness.

Upon sale of the Mortgaged Property at any foreclosure, Lender may credit bid (as determined by Lender in its sole and absolute discretion) all or any portion of the Indebtedness. In determining such credit bid, Lender may, but is not obligated to, take into account all or any of the following: (i) appraisals of the Mortgaged Property as such appraisals may be discounted or adjusted by Lender in its sole and absolute underwriting discretion; (ii) expenses and costs incurred by Lender with respect to the Mortgaged Property prior to foreclosure; (iii) expenses and costs which Lender anticipates will be incurred with respect to the Mortgaged Property after foreclosure, but prior to resale, including, without limitation, the costs of any structural reports, hazardous waste reports or any remediation costs related thereto; (iv) anticipated discounts upon resale of the Mortgaged Property as a distressed or foreclosed property; and (v) such other factors or matters that Lender deems appropriate. In regard to the above, Mortgagor acknowledges and agrees that: (w) Lender is not required to use any or all of the foregoing factors to determine the amount of its credit bid; (x) this paragraph does not impose upon Lender any additional obligations that are not imposed by law at the time the credit bid is made; (y) the amount of Lender's credit bid need not have any relation to any loan-to-value ratios specified in the Loan Documents or previously discussed between Mortgagor and Lender; and (z) Lender's credit bid may be higher or lower than any appraised value of the Mortgaged Property.

4.3 Remedies Generally.

4.3.1 All remedies provided for in Section 4.2 shall be available to the extent not prohibited by law. Each remedy shall be cumulative and additional to any other remedy of the Lender at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of, or acquiescence in, any such default or Event of Default.

4.3.2 The Lender may waive any Event of Default and may rescind any declaration of maturity of payments on the Indebtedness. In case of such waiver or rescission the Mortgagor and the Lender shall be restored to their respective former positions and rights under this Mortgage. Any waiver by the Lender of any default or Event of Default shall be in writing and shall be limited to the particular default waived and shall not be deemed to waive any other default.

4.3.3 The Lender may release the obligation of any person liable for any of the Indebtedness and may extend time for payment or otherwise modify any terms of any of the Indebtedness without notice to or consent of the Mortgagor or any other person and without impairing the lien or priority of lien of this Mortgage.

4.4 Receivers. Upon an Event of Default and commencement of foreclosure proceedings to enforce the rights of the Lender under this Mortgage, the Lender shall be entitled to the appointment of a receiver or receivers of the Mortgaged Property and of the rents, issues and profits of the Mortgaged Property, pending such proceedings.

4.5 Application of Proceeds. Any proceeds received by the Lender from the exercise of remedies pursuant to Section 4.2 of this Mortgage shall be applied as follows:

4.5.1 First, to pay all costs and expenses incidental to the leasing, foreclosure, sale or other disposition of the Mortgaged Property. These costs and expenses shall include, without limit, reasonable compensation to the Lender, its agents and attorneys and any taxes and assessments or other liens and encumbrances prior to the lien of this Mortgage.

4.5.2 Second, to all sums expended or incurred by the Lender directly or indirectly in carrying out any term, covenant or agreement under this Mortgage or any related document, together with interest as provided in this Mortgage.

4.5.3 Third, to the payment of the Indebtedness. If the proceeds are insufficient to fully pay the Indebtedness, then application shall be made first to late charges and interest accrued and unpaid, then to any applicable prepayment premiums, then to unpaid fees and other charges, and then to the outstanding principal balance.

4.5.4 Fourth, any surplus remaining shall be paid to the Mortgagor or to whomsoever may be lawfully entitled.

4.6 **Marshalling.** In the event of foreclosure of this Mortgage or the enforcement by the Lender of any other rights and remedies under this Mortgage, the Mortgagor waives any right in respect to marshalling of assets which secure the Indebtedness or to require the Lender to pursue its remedies against any other assets or any other party which may be liable for any of the Indebtedness.

4.7 **Further Actions.** Promptly upon the request of the Lender, the Mortgagor shall execute, acknowledge and deliver any and all further conveyances, documents, mortgages and assurances, and do or cause to be done all further acts as the Lender may require to confirm and protect the lien of this Mortgage or otherwise to accomplish the purposes of this Mortgage.

4.8 **Attorneys Fees.** Any reference in this Mortgage to attorneys' fees shall refer to fees, charges, costs and expenses of in-house and outside attorneys and paralegals, whether or not a suit or proceeding is instituted, and whether incurred at the trial court level, on appeal, in a bankruptcy, administrative or probate proceeding, in consultation with counsel, or otherwise. All costs, expenses and fees of any nature for which the Mortgagor is obligated to reimburse or indemnify the Lender are part of the Indebtedness secured by this Mortgage and are payable upon demand, unless expressly provided otherwise, with interest until repaid at the highest rate charged on any of the Indebtedness (but not to exceed the maximum rate permitted by law).

4.9 **Mortgagor Waivers.**

4.9.1 Except to the extent contrary to law, Mortgagor agrees that upon the occurrence and during the continuation of an Event of Default, Mortgagor will not at any time insist upon or plead or in any manner whatsoever claim the benefit of any valuation, stay, extension, or exemption law now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Mortgage or the absolute sale of the Mortgaged Property or the possession thereof by any purchaser at any sale made pursuant to any provision hereof, or pursuant to the decree of any court of competent jurisdiction; but Mortgagor, for Mortgagor and all who may claim through or under Mortgagor, so far as Mortgagor or those claiming through or under Mortgagor now or hereafter lawfully may, hereby waives upon the occurrence and during the continuation of an Event of Default the benefit of all such laws. If any law now or hereafter in force referred to in this paragraph of which the parties or their successors might take advantage despite the provisions hereof, shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the operation or application of the provisions of this paragraph, to the extent not prohibited by law.

4.9.2 In the event of the commencement of judicial proceedings to foreclose this Mortgage, Mortgagor, on behalf of Mortgagor, its successors and assigns, and each and every person or entity they may legally bind acquiring any interest in or title to the Mortgaged Property subsequent to the date of this Mortgage, to the extent permitted by applicable law, agrees that when sale is had under any decree of foreclosure of this Mortgage, upon confirmation of such sale, the officer making such sale, or his successor in office, shall be and is authorized immediately to execute and deliver to any purchaser at such sale a deed conveying the Mortgaged Property, showing the amount paid therefor, or if purchased by the person in whose favor the order or decree is entered, the amount of his bid therefor.

4.10 **Illinois Mortgage Foreclosure Law.** It is the intention of Mortgagor and Lender that the enforcement of the terms and provisions of this Mortgage shall be accomplished in accordance with the Illinois Mortgage Foreclosure Law (the "Act"), 735 ILCS 5/15-1101 et seq., and with respect to such Act, Mortgagor agrees and covenants that:

4.10.1 Lender shall have the benefit of all of the provisions of the Act, including all amendments thereto which may become effective from time to time after the date hereof. In the event any provision of the Act which is specifically referred to herein may be repealed, Lender shall have the benefit of such provision as most recently existing prior to such repeal, as though the same were incorporated herein by express reference. If any provision in this Mortgage shall be inconsistent with any provision of the Act, provisions of the Act shall take precedence over the provisions of this Mortgage, but shall not invalidate or render unenforceable any other provision of this Mortgage that can be construed in a manner consistent with the Act. If any provision of this Mortgage shall grant to Lender (including Lender acting as a mortgagee-in-possession) or a receiver appointed pursuant to this Article 4 any powers, rights or remedies prior to, upon or following the occurrence of an Event of Default which are more limited than the powers, rights or remedies that would otherwise be vested in Lender or in such receiver under the Act in the absence of said provision, Lender and such receiver shall be vested with the powers, rights and remedies granted in the Act to the full extent permitted by law. Without limiting the generality of the foregoing, all expenses incurred by Lender which are of the type referred to in Section 5/15-1510 or 5/15-1512 of the Act, whether incurred before or after any decree or judgment of foreclosure, and whether or not enumerated specifically in this Mortgage, shall be added to the indebtedness secured hereby and/or by the judgment of foreclosure.

4.10.2 Wherever provision is made in this Mortgage or the Loan Agreement for insurance policies to bear mortgage clauses or other loss payable clauses or endorsements in favor of Lender, or to confer authority upon Lender to settle or participate in the settlement of losses under policies of insurance or to hold and disburse or otherwise control the use of insurance proceeds, from and after the entry of judgment of foreclosure, all such rights and powers of Lender shall continue in Lender as judgment creditor or mortgagee until confirmation of sale.

4.10.3 In addition to any provision of this Mortgage authorizing Lender to take or be placed in possession of the Mortgaged Property, or for the appointment of a receiver, Lender shall have the right, in accordance with Sections 15-1701 and 15-1702 of the Act, to be placed in the possession of the Mortgaged Property or at its request to have a receiver appointed, and such receiver, or Lender, if and when placed in possession, shall have, in addition to any other powers provided in this Mortgage, all rights, powers, immunities, and duties and provisions for in Sections 15-1701, 15-1702 and 15-1703 of the Act.

4.10.4 Mortgagor acknowledges that the Mortgaged Property does not constitute agricultural real estate, as said term is defined in Section 15-1201 of the Act or residential real estate as defined in Section 15-1219 of the Act.

4.10.5 Mortgagor hereby expressly waives any and all rights of reinstatement and redemption, if any, under any order or decree of foreclosure of this Mortgage, on its own behalf and on behalf of each and every person, it being the intent hereof that any and all such rights of reinstatement and redemption of Mortgagor and of all other persons are and shall be deemed to be hereby waived to the full extent permitted by the provisions of Section 5/15-1601 of the Act or other applicable law or replacement statutes. Mortgagor hereby expressly waives, to the full extent permitted by law, the benefits of all present and future valuation, appraisal, homestead, exemption, stay, redemption and moratorium laws under any state or federal law.

4.10.6 All advances, disbursements and expenditures made by Lender in accordance with the terms of this Mortgage or the other Loan Documents, either before and during a foreclosure, and before and after judgment of foreclosure therein, and at any time prior to sale of the Mortgaged Property, and, where applicable, after sale of the Mortgaged Property, and during the pendency of any related proceedings, in addition to those otherwise authorized by the Act, shall have the benefit of all applicable provisions of the Act.

5.6 **Inspections.** Any inspection, audit, appraisal or examination by the Lender or its agents of the Mortgaged Property or of information or documents pertaining to the Mortgaged Property is for the sole purpose of protecting the Lender's interests under this Mortgage and is not for the benefit or protection of the Mortgagor or any third party.

5.7 **Joint and Several Liability.** In the event that more than one person or entity executes this Mortgage, the obligations of each person or entity shall be joint and several.

5.8 **Automatic Reinstatement.** Notwithstanding any prior revocation, termination, surrender or discharge of this Mortgage, the effectiveness of this Mortgage shall automatically continue or be reinstated, as the case may be, in the event that:

5.8.1 Any payment received or credit given by the Lender in respect of the Indebtedness is returned, disgorged or rescinded as a preference, impermissible setoff, fraudulent conveyance, diversion of trust funds, or otherwise under any applicable state or federal law, including, without limit, laws pertaining to bankruptcy or insolvency, in which case this Mortgage shall be enforceable as if the returned, disgorged or rescinded payment or credit had not been received or given, whether or not the Lender relied upon this payment or credit or changed its position as a consequence of it.

5.8.2 Any liability is imposed, or sought to be imposed, against the Lender relating to the environmental condition of, or the presence of Hazardous Materials on, in or about the Real Estate, whether this condition is known or unknown, now exists or subsequently arises (excluding only conditions which arise after any acquisition by the Lender of any such property, by foreclosure, in lieu of foreclosure or otherwise, to the extent due to the wrongful acts or omissions of the Lender), in which case this Mortgage shall be enforceable to the extent of all liability, costs and expenses (including without limit reasonable attorneys fees) incurred by the Lender as the direct or indirect result of any environmental condition or Hazardous Materials.

5.8.3 In the event of continuation or reinstatement of this Mortgage, Mortgagor agrees upon demand by the Lender to execute and deliver to the Lender those documents which the Lender determines are appropriate to further evidence (in the public records or otherwise) this continuation or reinstatement, although the failure of the Mortgagor to do so shall not affect in any way the reinstatement or continuation. If Mortgagor does not execute and deliver to the Lender upon demand such documents, the Lender and each officer of the Mortgage is irrevocably appointed (which appointment is coupled with an interest) the

true and lawful attorney of the Mortgagor (with full power of substitution) to execute and deliver such documents in the name and on behalf of the Mortgagor.

5.9 **WAIVER OF JURY TRIAL.** MORTGAGOR HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (a) ARISING UNDER THIS MORTGAGE, INCLUDING, WITHOUT LIMITATION, ANY PRESENT OR FUTURE MODIFICATION HEREOF OR THEREOF OR (b) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF MORTGAGOR AND LENDER OR ANY OF THEM WITH RESPECT TO THIS MORTGAGE (AS NOW OR HEREAFTER MODIFIED) OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION IS NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE; AND MORTGAGOR HEREBY AGREES AND CONSENTS THAT LENDER MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF MORTGAGOR TO THE WAIVER OF ANY RIGHT MORTGAGOR MIGHT OTHERWISE HAVE TO TRIAL BY JURY.

5.10 **Utilities.** Mortgagor shall pay or cause to be paid when due any and all charges for utilities, whether public or private, with respect to the Mortgaged Property or any part thereof, and all license fees, rents or other charges for the use of any appurtenance to the Mortgaged Property.

5.11 **Liens.** Other than Permitted Encumbrances (as defined in the Loan Agreement) the Mortgaged Property shall be kept free and clear of all liens and encumbrances of every nature or description, including, without limitation, liens and encumbrances arising from past due taxes or assessments and from charges for labor, materials, supplies or services.

6. **SPECIAL PROVISIONS.** In the event of any inconsistencies between the terms and conditions of this Article 6 and the terms and conditions of this Mortgage, the terms and conditions of this Article 6 shall control and be binding.

6.1 **Collateral Protection Act.** Pursuant to the terms of the Illinois Collateral Protection Act, 815 ILCS 180/1 et seq., Mortgagor acknowledges that is hereby notified that unless Mortgagor provides Lender with evidence of the insurance coverage required by the Loan Documents, Lender may purchase insurance at Mortgagor's expense to protect Lender's interests in the Real Estate or any portion thereof, which insurance may, but need not, protect the interests of Mortgagor. The coverage purchased by Lender may not pay any claim made by Mortgagor or any claim made against Mortgagor in connection with the Real Estate or any portion thereof. Mortgagor may later cancel any insurance purchased by Lender, but only after providing Lender with evidence that Mortgagor has obtained the insurance as required hereunder. If Lender purchases insurance, Mortgagor will be responsible for the costs of such insurance, including interest and any other charges imposed in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the total obligation secured by this Mortgage. The costs of such insurance may be greater than the cost of insurance Mortgagor may be able to obtain for itself.

6.2 **Subordination of Property Manager's Lien.** Any property management agreement for the Real Estate or any portion thereof entered into hereafter with a property manager shall contain a provision whereby the property manager agrees that any and all lien rights, including without limitation mechanics lien rights, that the property manager or anyone claiming by, through or under the property manager may have in the Real Estate or any portion thereof shall be subject and subordinate to the lien of this Mortgage and shall provide that Lender may terminate such agreement at any time after the occurrence of an Event of Default hereunder. Such property management agreement or a short form thereof, at Lender's request, shall be recorded with the County Recorder of the county where the applicable Real Estate is located. In addition, if the property management agreement in existence as of the date hereof does not contain a subordination provision, Mortgagor shall cause the property manager under such agreement to enter into a subordination of the management agreement with Lender, in recordable form and otherwise acceptable to Lender, whereby such property manager subordinates present and

future lien rights and those of any party claiming by, through or under such property manager to the lien of this Mortgage.

6.3 **Merger.** No merger shall occur as a result of Lender's acquiring any other estate in, or any other lien on, the Real Estate unless Lender consents to a merger in writing.

6.4 **No Commencement.** As of the date of this Mortgage, Mortgagor represents and warrants that no steps to commence new construction on the Real Estate, including steps to clear or otherwise prepare the Real Estate for construction thereon or the delivery of material for use in construction of the Improvements, have been taken. No contract for services or materials for improvements to any portion of the Real Estate shall be entered into prior to the recording of this Mortgage.

6.5 **Fixture Filing.** This Mortgage constitutes a "fixture filing" for the purposes of Chapter 9 of the Illinois Uniform Commercial Code. This Mortgage shall also be effective as a financing statement covering as-extracted collateral and is to be filed for record in the real estate records of the county where the Property is situated. All or part of the Mortgaged Property are or are to become fixtures; information concerning the security interest herein granted may be obtained at the addresses set forth on the first page hereof. For purposes of the security interest herein granted, the address of Debtor (Mortgagor) and of the Secured Party (Lender) are set forth in this Mortgage. A description of the land which relates to the fixtures is set forth in Schedule A attached hereto. Mortgagor is the record owner of such land.

6.6 **Future Advance; Protective Advances.** Lender is obligated under the terms of the Loan Agreement to make advances as provided therein, and Mortgagor acknowledges and intends that all such advances, including future advances whenever hereafter made, shall be a lien from the time this Mortgage is recorded, as provided in Section 5/15-1302(b)(1) of the Act (defined below). Mortgagor covenants and agrees that this Mortgage shall secure the payment of the Indebtedness and other advances made pursuant to the terms and provisions of the Loan Agreement, whether such Indebtedness and advances are made as of the date hereof or at any time in the future, and whether such future advances are obligatory or are to be made at the option of Lender or otherwise (but not Indebtedness or advances made more than 20 years after the date hereof), to the same extent as if such future advances were made on the date of the execution of this Mortgage and although there may be no advances made at the time of the execution of this Mortgage and although there may be no other Indebtedness outstanding at the time any advance is made. The lien of this Mortgage shall be valid as to all Indebtedness, including future advances, from the time of its filing of record in the office of the Recorder of Deeds of the County in which the Real Estate is located. This Mortgage shall be valid and shall have priority over all subsequent liens and encumbrances, including statutory liens, except taxes and assessments levied on the Mortgaged Property. All advances, disbursements and expenditure made or incurred by Lender before and during a foreclosure, and before and after judgment of foreclosure, and at any time prior to sale, and, where applicable, after sale, and during the pendency of any related proceedings, for the following purposes, in addition to those otherwise authorized by the Security Instrument or the Loan Agreement or by the Act (collectively "Mortgage Protective Advances"), shall have the benefit of all applicable provisions of the Act. All Mortgage Protective Advances shall be so much additional indebtedness secured by this Mortgage, and shall become immediately due and payable without notice and with interest thereon from the date of this advance until paid at the rate of interest payable after default under the terms of the Loan Agreement. This Mortgage shall be a lien for all Mortgage Protective Advances as to subsequent purchasers and judgment creditors from the time this Security Instrument is recorded pursuant to Subsection (b)(5) of Section 5/15-1302 of the Act.

This Security Instrument constitutes

a security agreement and a financing statement under the UCC. This Security Instrument also constitutes a financing statement pursuant to the terms of the UCC with respect to any part of the Mortgaged Property that is or may become a Fixture under applicable law, and will be recorded as a "fixture filing" in accordance with the UCC. Borrower hereby authorizes Lender to file financing statements, continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest without the signature of Borrower. If an Event of Default has occurred and is continuing, Lender shall have the remedies of a secured party under the UCC or otherwise provided at law or in equity, in addition to all remedies provided by this Security Instrument and in any Loan Document. Lender may exercise any or all of its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability or validity of Lender's other remedies. For purposes of the UCC, the debtor is Borrower and the secured party is Lender. The name and address of the debtor and secured party are set forth after Borrower's signature below which are the addresses from which information on the security interest may be obtained.

Nevertheless, Borrower shall execute, acknowledge, deliver and record or file, as appropriate, all and every such further deeds of trust, mortgages, deeds to secure debt, security agreements, financing statements, assignments and assurances as Lender shall require for accomplishing the purposes of this Security Instrument and to comply with the rerecording requirements of the UCC.

3. Assignment of Leases and Rents; Appointment of Receiver; Lender in Possession.

(a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Leases and Rents. It is the intention of Borrower to establish present, absolute and irrevocable transfers and assignments to Lender of all

Leases and Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower. Borrower and Lender intend the assignments of Leases and Rents to be effective immediately and to constitute absolute present assignments, and not assignments for additional security only. Only for purposes of giving effect to these absolute assignments of Leases and Rents, and for no other purpose, the Leases and Rents shall not be deemed to be a part of the Mortgaged Property. However, if these present, absolute and unconditional assignments of Leases and Rents are not enforceable by their terms under the laws of the Property Jurisdiction, then each of the Leases and Rents shall be included as part of the Mortgaged Property, and it is the intention of Borrower, in such circumstance, that this Security Instrument create and perfect a lien on each of the Leases and Rents in favor of Lender, which liens shall be effective as of the date of this Security Instrument.

(b) Until an Event of Default has occurred and is continuing, but subject to the limitations set forth in the Loan Documents, Borrower shall have a revocable license to exercise all rights, power and authority granted to Borrower under the Leases (including the right, power and authority to modify the terms of any Lease, extend or terminate any Lease, or enter into new Leases, subject to the limitations set forth in the Loan Documents), and to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender, and to apply all Rents to pay the Monthly Debt Service Payments and the other amounts then due and payable under the other Loan Documents, including Imposition Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities and Impositions (to the extent not included in Imposition Deposits), tenant improvements and other capital expenditures. So long as no Event of Default has occurred and is continuing (and no event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default has occurred and is continuing), the Rents remaining after application pursuant to the preceding sentence may be retained and distributed by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Security Instrument.

(c) If an Event of Default has occurred and is continuing, without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, the revocable license granted to Borrower pursuant to Section 3(b) shall automatically terminate, and Lender shall immediately have all rights, powers and authority granted to Borrower under any Lease (including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease) and, without notice, Lender shall be entitled to all Rents as they become due and payable, including Rents then due and unpaid. During the continuance of an Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender, and Borrower shall, upon Borrower's receipt of any Rents from any sources, pay the total amount of such receipts to Lender. Although the foregoing rights of Lender are self-effecting, at any time during the continuance of an Event of Default, Lender may make demand for all Rents, and Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to

Lender. No tenant shall be obligated to inquire further as to the occurrence or continuance of an Event of Default, and no tenant shall be obligated to pay to Borrower any amounts that are actually paid to Lender in response to such a notice. Any such notice by Lender shall be delivered to each tenant personally, by mail or by delivering such demand to each rental unit.

(d) If an Event of Default has occurred and is continuing, Lender may, regardless of the adequacy of Lender's security or the solvency of Borrower, and even in the absence of waste, enter upon, take and maintain full control of the Mortgaged Property, and may exclude Borrower and its agents and employees therefrom, in order to perform all acts that Lender, in its discretion, determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents (including through use of a lockbox, at Lender's election), the making of repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing this assignment of Rents, protecting the Mortgaged Property or the security of this Security Instrument and the Mortgage Loan, or for such other purposes as Lender in its discretion may deem necessary or desirable.

(e) Notwithstanding any other right provided Lender under this Security Instrument or any other Loan Document, if an Event of Default has occurred and is continuing, and regardless of the adequacy of Lender's security or Borrower's solvency, and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in Section 3. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Security Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte*, if permitted by applicable law. Borrower consents to shortened time consideration of a motion to appoint a receiver. Lender or the receiver, as applicable, shall be entitled to receive a reasonable fee for managing the Mortgaged Property and such fee shall become an additional part of the Indebtedness. Immediately upon appointment of a receiver or Lender's entry upon and taking possession and control of the Mortgaged Property, possession of the Mortgaged Property and all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property, and all security deposits and prepaid Rents, shall be surrendered to Lender or the receiver, as applicable. If Lender or receiver takes possession and control of the Mortgaged Property, Lender or receiver may exclude Borrower and its representatives from the Mortgaged Property.

(f) The acceptance by Lender of the assignments of the Leases and Rents pursuant to this Section 3 shall not at any time or in any event obligate Lender to take any action under any Loan Document or to expend any money or to incur any expense. Lender shall not be liable in any way for any injury or damage to person or property sustained by any Person in, on or about

the Mortgaged Property. Prior to Lender's actual entry upon and taking possession and control of the Land and Improvements, Lender shall not be:

- (1) obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease);
- (2) obligated to appear in or defend any action or proceeding relating to any Lease or the Mortgaged Property; or
- (3) responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property.

The execution of this Security Instrument shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and shall be that of Borrower, prior to such actual entry and taking possession and control by Lender of the Land and Improvements.

(g) Lender shall be liable to account only to Borrower and only for Rents actually received by Lender. Lender shall not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property by reason of any act or omission of Lender under this Section 3, and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law, provided that Lender shall not be released from liability that occurs as a result of Lender's gross negligence or willful misconduct as determined by a court of competent jurisdiction pursuant to a final, non-appealable court order. If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes shall be added to, and become a part of, the principal balance of the Indebtedness, be immediately due and payable, and bear interest at the Default Rate from the date of disbursement until fully paid. Any entering upon and taking control of the Mortgaged Property by Lender or the receiver, and any application of Rents as provided in this Security Instrument, shall not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Security Instrument or any Loan Document.

4. Protection of Lender's Security.

(a) Advances, disbursements and expenditures made by Lender for the following purposes, whether before and during a foreclosure, and at any time prior to sale, and, where applicable, after sale, and during the pendency of any related proceedings, for the following purposes, shall, in addition to those otherwise authorized by this Security Instrument, constitute "Protective Advances":

- (1) all advances by Lender in accordance with the terms of this Security Instrument to: (A) preserve or maintain, repair, restore or rebuild the improvements upon the Mortgaged Property; (B) preserve the lien of this Security Instrument or the priority

thereof; or (C) enforce this Security Instrument, as referred to in Subsection (b)(5) of Section 5/15-1302 of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-1101 et seq., as from time to time amended (the "Act");
