(b) All Protective Advances shall be so much additional Indebtedness, and shall become immediately due and payable without notice and with interest thereon from the date of the advance until paid at the Default Rate.

(c) This Security Instrument shall be a lien for all Protective Advances as to subsequent purchasers and judgment creditors from the time this Security Instrument is recorded pursuant to Subsection (b)(5) of Section 5/15-1302 of the Act.

(d) All Protective Advances shall, except to the extent, if any, that any of the same is clearly contrary to or inconsistent with the provisions of the Act, apply to and be included in the:

- (1) determination of the amount of Indebtedness at any time;
- (2) indebtedness found due and owing to Lender in the judgment of foreclosure and any subsequent supplemental judgments, orders, adjudications or findings by the court of any additional indebtedness becoming due after such entry of judgment, it being agreed that in any foreclosure judgment, the court may reserve jurisdiction for such purpose;
- (3) determination of amounts deductible from sale proceeds pursuant to Section 5/15-1512 of the Act;
- (4) application of income in the hands of any receiver or mortgagee in possession; and
- (5) computation of any deficiency judgment pursuant to Subsections (b)(2) and (e) of Section 5/15-1508 and Section 5/15-1511 of the Act.

5. Default; Acceleration; Remedies.

(a) If an Event of Default has occurred and is continuing, Lender, at its option, may declare the Indebtedness to be immediately due and payable without further demand, and may either with or without entry or taking possession as herein provided or otherwise, proceed by any action at law or suit in equity or any other appropriate proceedings, whether for the specific performance of any agreement contained herein, or for an injunction against the violation of any of the terms hereof, or in aid of the exercise of any power granted hereby or by law (1) to enforce

payment of the Mortgage Loan; (2) to foreclose this Security Instrument judicially or non-judicially; (3) to enforce or exercise any right under any Loan Document; and (4) to pursue any one (1) or more other remedies provided in this Security Instrument or in any other Loan Document or otherwise afforded by applicable law. Each right and remedy provided in this Security Instrument or any other Loan Document is distinct from all other rights or remedies under this Security Instrument or any other Loan Document or otherwise afforded by applicable law, and each shall be cumulative and may be exercised concurrently, independently, or successively, in any order. Borrower has the right to bring an action to assert the nonexistence of an Event of Default or any other defense of Borrower to acceleration and sale.

(b) In connection with any sale made under or by virtue of this Security Instrument, the whole of the Mortgaged Property may be sold in one (1) parcel as an entirety or in separate lots or parcels at the same or different times, all as Lender may determine in its sole discretion. Lender shall have the right to become the purchaser at any such sale. In the event of any such sale, the outstanding principal amount of the Mortgage Loan and the other Indebtedness, if not previously due, shall be and become immediately due and payable without demand or notice of any kind. If the Mortgaged Property is sold for an amount less than the amount outstanding under the Indebtedness, the deficiency shall be determined by the purchase price at the sale or sales. To the extent not prohibited by applicable law, Borrower waives all rights, claims, and defenses with respect to Lender's ability to obtain a deficiency judgment. Borrower acknowledges that the Mortgaged Property does not constitute agricultural real estate, as defined in Section 5/15-1201 of the Act, or residential real estate, as defined in Section 5/15-1219 of the Act.

(c) Borrower acknowledges and agrees that the proceeds of any sale shall be applied as determined by Lender unless otherwise required by applicable law.

(d) In connection with the exercise of Lender's rights and remedies under this Security Instrument and any other Loan Document, there shall be allowed and included as Indebtedness: (1) all expenditures and expenses authorized by applicable law and all other expenditures and expenses which may be paid or incurred by or on behalf of Lender for reasonable legal fees, appraisal fees, outlays for documentary and expert evidence, stenographic charges and publication costs; (2) all expenses of any environmental site assessments, environmental audits, environmental remediation costs, appraisals, surveys, engineering studies, wetlands delineations, flood plain studies, and any other similar testing or investigation deemed necessary or advisable by Lender incurred in preparation for, contemplation of or in connection with the exercise of Lender's rights and remedies under the Loan Documents; and (3) costs (which may be reasonably estimated as to items to be expended in connection with the exercise of Lender's rights and remedies under the Loan Documents) of procuring all abstracts of title, title searches and examinations, title insurance policies, and similar data and assurance with respect to title as Lender may deem reasonably necessary either to prosecute any suit or to evidence the true conditions of the title to or the value of the Mortgaged Property to bidders at any sale which may be held in connection with the exercise of Lender's rights and remedies

under the Loan Documents. All expenditures and expenses of the nature mentioned in this Section 5, and such other expenses and fees as may be incurred in the protection of the Mortgaged Property and rents and income therefrom and the maintenance of the lien of this Security Instrument, including the fees of any attorney employed by Lender in any litigation or proceedings affecting this Security Instrument, the Note, the other Loan Documents, or the Mortgaged Property, including bankruptcy proceedings, any Foreclosure Event, or in preparation of the commencement or defense of any proceedings or threatened suit or proceeding, or otherwise in dealing specifically therewith, shall be so much additional Indebtedness and shall be immediately due and payable by Borrower, with interest thereon at the Default Rate until paid. Without limiting the generality of the foregoing, all expenses incurred by Lender which are of the type referred to in the Act, whether incurred before or after any decree or judgment of foreclosure, and whether or not enumerated in this Security Instrument, shall be added to the Indebtedness and/or by any judgment of foreclosure.

(e) Any action taken by Lender pursuant to the provisions of this Section 5 shall comply with the laws of the Property Jurisdiction including the Act. Such applicable laws shall take precedence over the provisions of this Section 5, but shall not invalidate or render unenforceable any other provision of any Loan Document that can be construed in a manner consistent with any applicable law. If any provision of this Security Instrument shall grant to Lender (including Lender acting as a mortgagee-in-possession), or a receiver appointed pursuant to the provisions of this Security Instrument any powers, rights or remedies prior to, upon, during the continuance of or following an Event of Default that are more limited than the powers, rights, or remedies that would otherwise be vested in such party under any applicable law in the absence of said provision, such party shall be vested with the powers, rights, and remedies granted in such applicable law to the full extent permitted by law.

6. Waiver of Statute of Limitations and Marshaling.

Borrower hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Security Instrument or to any action brought to enforce any Loan Document. Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Mortgaged Property shall be subjected to the remedies provided in this Security Instrument and/or any other Loan Document or by applicable law. Lender shall have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies. Borrower, for itself and all who may claim by, through or under it, and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Security Instrument, waives any and all right to require the marshaling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels (at the same time or different times) in connection with the exercise of any of the remedies provided in this Security Instrument or any other Loan Document, or afforded by applicable law.

7. Waiver of Redemption; Rights of Tenants.

(a) Borrower hereby covenants and agrees that it will not at any time apply for, insist upon, plead, avail itself, or in any manner claim or take any advantage of, any appraisal, stay, exemption or extension law or any so-called "Moratorium Law" now or at any time hereafter enacted or in force in order to prevent or hinder the enforcement or foreclosure of this Security Instrument. Without limiting the foregoing:

(1) Borrower, for itself and all Persons who may claim by, through or under Borrower, hereby expressly waives any so-called "Moratorium Law" and any and all rights of reinstatement and redemption, if any, under any order or decree of foreclosure of this Security Instrument, it being the intent hereof that any and all such "Moratorium Laws", and all rights of reinstatement and redemption of Borrower and of all other Persons claiming by, through or under Borrower are and shall be deemed to be hereby waived to the fullest extent permitted by the laws of the Property Jurisdiction;

(2) Borrower shall not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any right, power remedy herein or otherwise granted or delegated to Lender but will suffer and permit the execution of every such right, power and remedy as though no such law or laws had been made or enacted; and

(3) if Borrower is a trust, Borrower represents that the provisions of this Section 7 (including the waiver of reinstatement and redemption rights) were made at the express direction of Borrower's beneficiaries and the persons having the power of direction over Borrower, and are made on behalf of the trust estate of Borrower and all beneficiaries of Borrower, as well as all other persons mentioned above.

(b) Lender shall have the right and option to commence a civil action to foreclose this Security Instrument and to obtain a decree of foreclosure and sale subject to the rights of any tenant or tenants of the Mortgaged Property having an interest in the Mortgaged Property prior to that of Lender. The failure to join any such tenant or tenants of the Mortgaged Property as party defendant or defendants in any such civil action or the failure of any decree of foreclosure and sale to foreclose their rights shall not be asserted by Borrower as a defense in any civil action instituted to collect the Indebtedness, or any part thereof or any deficiency remaining unpaid after foreclosure and sale of the Mortgaged Property, any statute or rule of law at any time existing to the contrary notwithstanding.

8. Notice.

(a) All notices under this Security Instrument shall be:

(1) in writing, and shall be (A) delivered, in person, (B) mailed, postage prepaid, either by registered or certified delivery, return receipt requested, or (C) sent by overnight express courier;

(2) addressed to the intended recipient at its respective address set forth at the end of this Security Instrument; and

(3) deemed given on the earlier to occur of:

(A) the date when the notice is received by the addressee; or

(B) if the recipient refuses or rejects delivery, the date on which the notice is so refused or rejected, as conclusively established by the records of the United States Postal Service or such express courier service.

(b) Any party to this Security Instrument may change the address to which notices intended for it are to be directed by means of notice given to the other party in accordance with this Section 8.

(c) Any required notice under this Security Instrument which does not specify how notices are to be given shall be given in accordance with this Section 8.

9. Mortgagee-in-Possession.

Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred in this Security Instrument shall not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

10. Release.

Upon payment in full of the Indebtedness, Lender shall cause the release of this Security Instrument and Borrower shall pay Lender's costs incurred in connection with such release.

11. Governing Law; Consent to Jurisdiction and Venue.

This Security Instrument shall be governed by the laws of the Property Jurisdiction without giving effect to any choice of law provisions thereof that would result in the application of the laws of another jurisdiction. Borrower agrees that any controversy arising under or in relation to this Security Instrument shall be litigated exclusively in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction shall have exclusive jurisdiction over all controversies that arise under or in relation to any security for the Indebtedness. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise.

12. Miscellaneous Provisions.

(a) This Security Instrument shall bind, and the rights granted by this Security Instrument shall benefit, the successors and assigns of Lender. This Security Instrument shall bind, and the obligations granted by this Security Instrument shall inure to, any permitted successors and assigns of Borrower under the Loan Agreement. If more than one (1) person or entity signs this Security Instrument as Borrower, the obligations of such persons and entities shall be joint and several. The relationship between Lender and Borrower shall be solely that of creditor and debtor, respectively, and nothing contained in this Security Instrument shall create any other relationship between Lender and Borrower. No creditor of any party to this Security Instrument and no other person shall be a third party beneficiary of this Security Instrument or any other Loan Document.

(b) The invalidity or unenforceability of any provision of this Security Instrument or any other Loan Document shall not affect the validity or enforceability of any other provision of this Security Instrument or of any other Loan Document, all of which shall remain in full force and effect. This Security Instrument contains the complete and entire agreement among the parties as to the matters covered, rights granted and the obligations assumed in this Security Instrument. This Security Instrument may not be amended or modified except by written agreement signed by the parties hereto.

(c) The following rules of construction shall apply to this Security Instrument:

(1) The captions and headings of the sections of this Security Instrument are for convenience only and shall be disregarded in construing this Security Instrument.

(2) Any reference in this Security Instrument to an "Exhibit" or "Schedule" or a "Section" or an "Article" shall, unless otherwise explicitly provided, be construed as referring, respectively, to an exhibit or schedule attached to this Security Instrument or to a Section or Article of this Security Instrument.

(3) Any reference in this Security Instrument to a statute or regulation shall be construed as referring to that statute or regulation as amended from time to time.

(4) Use of the singular in this Security Instrument includes the plural and use of the plural includes the singular.

(5) As used in this Security Instrument, the term "including" means "including, but not limited to" or "including, without limitation," and is for example only, and not a limitation.

(6) Whenever Borrower's knowledge is implicated in this Security Instrument or the phrase "to Borrower's knowledge" or a similar phrase is used in this Security

Instrument, Borrower's knowledge or such phrase(s) shall be interpreted to mean to the best of Borrower's knowledge after reasonable and diligent inquiry and investigation.

(7) Unless otherwise provided in this Security Instrument, if Lender's approval, designation, determination, selection, estimate, action or decision is required, permitted or contemplated hereunder, such approval, designation, determination, selection, estimate, action or decision shall be made in Lender's sole and absolute discretion.

(8) All references in this Security Instrument to a separate instrument or agreement shall include such instrument or agreement as the same may be amended or supplemented from time to time pursuant to the applicable provisions thereof.

(9) "Lender may" shall mean at Lender's discretion, but shall not be an obligation.

13. Time is of the Essence.

Borrower agrees that, with respect to each and every obligation and covenant contained in this Security Instrument and the other Loan Documents, time is of the essence.

14. WAIVER OF TRIAL BY JURY.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EACH OF BORROWER AND LENDER (BY ITS ACCEPTANCE HEREOF) (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS SECURITY INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. 4. Assumption by New Guarantor; Release of Transferor and Original Guarantor.

In reliance on Transferor’s Original Guarantor’s and Transferee’s and New Guarantor’s representations and warranties in this Agreement, Fannie Mae releases Transferor and Original Guarantor from all of its their respective obligations under the Loan Documents other than for any liability pursuant to this Agreement, the Guaranty and the Environmental Indemnity for any liability that relates to the period prior to the date hereof, regardless of when such environmental liability is discovered. If any material element of the representations and warranties made by Transferor and Original Guarantor contained herein is false as of the date of this Agreement, then the release set forth in this Section 4 will be deemed cancelled as of the date of this Agreement and Transferor and Original Guarantor will remain obligated under the Loan Documents as though there had been no such release.

- (b) the Loan Documents require that monthly payments of principal and interest in the amount of \$7,267.47 be made on or before the first (1st) day of each month, continuing to and including January 1, 2024, when all sums due under the Loan Documents will be immediately due and payable in full;
- (c) there are no defenses, offsets or counterclaims to the Note, the Security Instrument, the Loan Agreement, the Guaranty or the other Loan Documents;
- (d) there are no defaults by Transferor under the provisions of the Note, the Security Instrument, the Loan Agreement, the Guaranty or the other Loan Documents;

- (f) there are no subordinate liens covering or relating to the Mortgaged Property, nor are there any mechanics' liens or liens for unpaid taxes or assessments encumbering the Mortgaged Property, nor has notice of a lien or notice of intent to file a lien been received except for mechanics' or materialmen's liens which attach automatically under the laws of the Governmental Authority upon the commencement of any work upon, or delivery of any materials to, the Mortgaged Property and for which Transferor is not delinquent in the payment for any such services or materials.

6. Transferee's and New Guarantor's Representations and Warranties.

Transferee and New Guarantor represent and warrant to Fannie Mae as of the date of this Agreement that neither Transferee nor any New Guarantor has any knowledge that any of the representations made by Transferor and Original Guarantor in Section 5 above are not true and correct.

7. Consent to Transfer.

(a) Fannie Mae hereby consents to the Transfer and to the assumption by Transferee of all of the obligations of Transferor under the Loan Documents, subject to the terms and conditions set forth in this Agreement. Fannie Mae's consent to the transfer of the Mortgaged Property to Transferee is not intended to be and shall not be construed as a consent to any subsequent transfer which requires Lender's consent pursuant to the terms of the Loan Agreement.

(b) Transferor, Transferee, New Guarantor and Original Guarantor understand and intend that Fannie Mae will rely on the representations and warranties contained herein.

8. Consent to Guarantor Assumption.

Fannie Mae hereby consents to the Guarantor Assumption, subject to the terms and conditions set forth in this Agreement. Fannie Mae's consent to the Guarantor Assumption is not intended to be and shall not be construed as a consent to any subsequent transfer which requires Lender's consent pursuant to the terms of the Loan Agreement.

9. Amendment and Modification of Loan Documents.

As additional consideration for Fannie Mae's consent to the Transfer and Guarantor Assumption as provided herein, Transferee, New Guarantor and Fannie Mae hereby agree to a modification and amendment of the Loan Documents as set forth in the Amended Loan Agreement.

10. Consent to Key Principal Change.

The parties hereby agree that the party identified as the Key Principal in the Loan Agreement is hereby changed to Jerome H. Cohen.

11. Limitation of Amendment.

Except as expressly stated herein, all terms and conditions of the Loan Documents, including the Loan Agreement, Note, Security Instrument and Guaranty, shall remain unchanged and in full force and effect.

12. Further Assurances.

Transferee and New Guarantor agree at any time and from time to time upon request by Fannie Mae to take, or cause to be taken, any action and to execute and deliver any additional documents which, in the opinion of Fannie Mae, may be necessary in order to assure to Fannie Mae the full benefits of the amendments contained in this Agreement.

13. Modification.

This Agreement embodies and constitutes the entire understanding among the parties with respect to the transactions contemplated herein, and all prior or contemporaneous agreements, understandings, representations, and statements, oral or written, are merged into this Agreement. Neither this Agreement nor any provision hereof may be waived, modified, amended, discharged, or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, modification, amendment, discharge, or termination is sought, and then only to the extent set forth in such instrument. Except as expressly modified by this Agreement, the Loan Documents shall remain in full force and effect and this Agreement shall have no effect on the priority or validity of the liens set forth in the

Security Instrument or the other Loan Documents, which are incorporated herein by reference. Transferee and New Guarantor hereby ratify the agreements made by Transferor and Original Guarantor to Fannie Mae in connection with the Mortgage Loan and agree that, except to the extent modified hereby, all of such agreements remain in full force and effect.

14. Priority; No Impairment of Lien.

Nothing set forth herein shall affect the priority, validity or extent of the lien of any of the Loan Documents, nor, except as expressly set forth herein, release or change the liability of any party who may now be or after the date of this Agreement, become liable, primarily or secondarily, under the Loan Documents.

15. Costs.

MORTGAGE, ASSIGNMENT OF LEASES AND RENTS, FIXTURE FILING, AND SECURITY AGREEMENT
(Commercial)

THIS DOCUMENT CONSTITUTES A FIXTURE FILING IN ACCORDANCE WITH THE ILLINOIS UNIFORM COMMERCIAL CODE (810 ILCS 5/9-502)

MAXIMUM LIEN. At no time shall the principal amount of Indebtedness secured by this Mortgage, not including sums advanced to protect the security of this Mortgage, exceed \$2,000,000.00.

This Mortgage, Assignment of Leases and Rents, Fixture Filing, and Security Agreement (the "Mortgage") is made as of December 29, 2016, among EquityBuild, Inc., a Florida corporation, as mortgagor ("Borrower"), whose address 1050 8th Avenue North, Naples, Florida 34102; and, Master's Holdings, LLC, a Delaware limited liability company, as mortgagee ("Lender"), whose address is 12121 Wilshire Boulevard, #555, Los Angeles, California 90025.

TRANSFER OF RIGHTS IN THE PROPERTY

To secure the full and timely payment of the Indebtedness and the full and timely performance and discharge of the Obligations, Borrower MORTGAGES, WARRANTS, GRANTS, BARGAINS, SELLS, AND CONVEYS to Lender the Mortgaged Property, with power of sale and right of entry, subject only to the Permitted Encumbrances, to have and to hold the Mortgaged Property to Lender, its successors and assigns forever, and Borrower does hereby bind itself, its successors, and its assigns to warrant and forever defend the title to the Mortgaged Property to Lender against anyone lawfully claiming it or any part of it; provided, however, that if the Indebtedness is paid in full as and when it becomes due and payable and the Obligations are performed on or before the date they are to be performed and discharged, then the liens, security interests, estates, and rights granted by the Loan Documents shall terminate; otherwise, they shall remain in full force and effect. As additional security for the full and timely payment of the Indebtedness

and the full and timely performance and discharge of the Obligations, Borrower grants to Lender a security interest in the Personalty, Fixtures, Leases, and Rents under Article Nine of the Uniform Commercial Code – Secured Transactions in effect in the State of Illinois. Borrower further grants, bargains, conveys, assigns, transfers, and sets over to Lender, a security interest in and to all of Borrower's right, title, and interest in, to, and under the Personalty, Fixtures, Leases, Rents, and Mortgaged Property (to the extent characterized as personal property) to secure the full and timely payment of the Indebtedness and the full and timely performance and discharge of the Obligations.

Borrower agrees to execute and deliver, from time to time, such further instruments, including, but not limited to, security agreements, assignments, and UCC financing statements, as may be requested by Lender to confirm the lien of this Mortgage on any of the Mortgaged Property.

Borrower further irrevocably grants, transfers, and assigns to Lender the Rents. This assignment of Rents is to be effective to create a present security interest in existing and future Rents of the Mortgaged Property under 765 Illinois Compiled Statutes 5/31.5.

TO MAINTAIN AND PROTECT THE SECURITY OF THIS MORTGAGE, TO SECURE THE FULL AND TIMELY PERFORMANCE BY BORROWER OF EACH AND EVERY OBLIGATION, COVENANT, AND AGREEMENT OF BORROWER UNDER THE LOAN DOCUMENTS, AND AS ADDITIONAL CONSIDERATION FOR THE INDEBTEDNESS AND OBLIGATIONS EVIDENCED BY THE LOAN DOCUMENTS, BORROWER HEREBY COVENANTS, REPRESENTS, AND AGREES AS FOLLOWS:

If the Mortgaged Property includes a leasehold estate, all of Borrower's right, title, and interest in and to the lease, more particularly described in Exhibit A attached to this Mortgage (the Leasehold) including, without limitation, the right to surrender, terminate, cancel, waive, change, supplement, grant subleases of, alter, or amend the Leasehold;

1.19.9. All plans and specifications for the Improvements; all contracts and subcontracts relating to the Improvements; all deposits (including tenants' security deposits; provided, however, that if Lender acquires possession or control of tenants' security deposits Lender shall use the tenants' security deposits only for such purposes as Governmental Requirements permit), funds, accounts, contract rights, instruments, documents, general intangibles, and notes or chattel paper arising from or in connection with the Land or other Mortgaged Property; all permits, licenses, certificates, and other rights and privileges obtained in connection with the Land or other Mortgaged Property; all soils reports, engineering reports, land planning maps, drawings, construction contracts, notes, drafts, documents, engineering and architectural drawings, letters of credit, bonds, surety bonds, any other intangible rights relating to the Land and Improvements, surveys, and other reports, exhibits, or plans used or to be used in connection with the construction, planning, operation, or maintenance of the Land and Improvements and all amendments and modifications; all proceeds arising from or by virtue of the sale, lease, grant of option, or other disposition of all or any part of the Land, Fixtures, Personality, or other Mortgaged Property (consent to same is not

granted or implied); and all proceeds (including premium refunds) payable or to be payable under each insurance policy relating to the Land, Fixtures, Personalty, or other Mortgaged Property;

1.19.10. All trade names, trademarks, symbols, service marks, and goodwill associated with the Mortgaged Property and any and all state and federal applications and registrations now or later used in connection with the use or operation of the Mortgaged Property;

1.19.11. All tax refunds, bills, notes, inventories, accounts and charges receivable, credits, claims, securities, and documents of all kinds, and all instruments, contract rights, general intangibles, bonds and deposits, and all proceeds and products of the Mortgaged Property;

1.19.12. All money or other personal property of Borrower (including, without limitation, any instrument, deposit account, general intangible, or chattel paper, as defined in Division 9 of the Illinois Uniform Commercial Code) previously or later delivered to, deposited with, or that otherwise comes into Lender's possession;

1.19.13. All accounts, contract rights, chattel paper, documents, instruments, books, records, claims against third parties, money, securities, drafts, notes, proceeds, and other items relating to the Mortgaged Property;

1.19.14. All construction, supply, engineering, and architectural contracts executed and to be executed by Borrower for the construction of the Improvements; and

1.19.15. All proceeds of any of the foregoing.

As used in this Mortgage, "Mortgaged Property" is expressly defined as meaning all or, when the context permits or requires, any portion of it and all or, when the context permits or requires, any interest in it.

1.20. "**Note.**" The Promissory Note payable by Borrower to the order of Lender in the principal amount of **One Million and 00/100 Dollars (\$1,000,000.00), which matures on January 1, 2018**, evidencing the Loan, in such form as is acceptable to Lender, together with any and all rearrangements, extensions, renewals, substitutions, replacements, modifications, restatements, and amendments to the Promissory Note.

1.21. "**Obligations.**" Any and all of the covenants, warranties, representations, and other obligations (other than to repay the Indebtedness) made or undertaken by Borrower to Lender as set forth in the Loan Documents; any lease, sublease, or other agreement under which Borrower is granted a possessory interest in the Land; each obligation, covenant, and agreement of Borrower in the Loan Documents or in any other document executed by Borrower in connection with the loan(s) secured by this Mortgage whether set forth in or incorporated into the Loan Documents by reference; each and every monetary provision of all covenants, conditions, and restrictions, if any, pertaining to the Mortgaged Property and on Lender's written request, the enforcement by Borrower of any covenant by third parties to pay maintenance or other charges, if they have not been paid, or valid legal steps taken to enforce such payment within 90 days after such written request is made; if the Mortgaged Property consists of or includes a leasehold estate, each obligation, covenant, and agreement of Borrower arising under, or contained in, the instrument(s) creating any such leasehold; all agreements of Borrower to pay fees and charges to Lender whether or not set forth in this Mortgage; and charges, as allowed by law, when they are made for any statement regarding the obligations secured by this Mortgage.

The Obligations specifically exclude the Environmental Indemnity Agreement dated the date of this Mortgage, executed by Borrower and any guarantor of the Loan, which is not secured by this Mortgage.

1.22. "**Permitted Encumbrances.**" At any particular time, (a) liens for taxes, assessments, or governmental charges not then due and payable or not then delinquent; (b) liens, easements, encumbrances, and restrictions on the Mortgaged Property that are allowed by Lender to appear in Schedule B, with Parts I and II of an ALTA title policy to be issued to Lender following recordation of the Mortgage; and (c) liens in favor of or consented to in writing by Lender.

1.23. "**Person.**" Natural persons, corporations, partnerships, unincorporated associations, joint ventures, and any other form of legal entity.

1.24. "Personalty." All of the right, title, and interest of Borrower in and to all tangible and intangible personal property, whether now owned or later acquired by Borrower, including, but not limited to, water rights (to the extent they may constitute personal property), all equipment, inventory, goods, consumer goods, accounts, chattel paper, instruments, money, general intangibles, letter-of-credit rights, deposit accounts, investment property, documents, minerals, crops, and timber (as those terms are defined in the Illinois Uniform Commercial Code) and that are now or at any later time located on, attached to, installed, placed, used on, in connection with, or are required for such attachment, installation, placement, or use on the Land, the Improvements, Fixtures, or on other goods located on the Land or Improvements, together with all additions, accessions, accessories, amendments, modifications to the Land or Improvements, extensions, renewals, and enlargements and proceeds of the Land or Improvements, substitutions for, and income and profits from, the Land or Improvements. The Personalty includes, but is not limited to, all goods, machinery, tools, equipment (including fire sprinklers and alarm systems); building materials, air conditioning, heating, refrigerating, electronic monitoring, entertainment, recreational, maintenance, extermination of vermin or insects, dust removal, refuse and garbage equipment; vehicle maintenance and repair equipment; office furniture (including tables, chairs, planters, desks, sofas, shelves, lockers, and cabinets); safes, furnishings, appliances (including ice-making machines, refrigerators, fans, water heaters, and incinerators); rugs, carpets, other floor coverings, draperies, drapery rods and brackets, awnings, window shades, venetian blinds, curtains, other window coverings; lamps, chandeliers, other lighting fixtures; office maintenance and other supplies; loan commitments, financing arrangements, bonds, construction contracts, leases, tenants' security deposits, licenses, permits, sales contracts, option contracts, lease contracts, insurance policies, proceeds from policies, plans, specifications, surveys, books, records, funds, bank deposits; and all other intangible personal property. Personalty also includes any other portion or items of the Mortgaged Property that constitute personal property under the Illinois Uniform Commercial Code.

1.25. "Rents." All rents, issues, revenues, income, proceeds, royalties, profits, license fees, prepaid municipal and utility fees, bonds, and other benefits to which Borrower or the record title owner of the Mortgaged Property may now or later be entitled from or which are derived from the Mortgaged Property, including, without limitation, sale proceeds of the Mortgaged Property; any room or space sales or rentals from the Mortgaged Property; and other benefits paid or payable for using, leasing, licensing, possessing, operating from or in, residing in, selling, mining, extracting, or otherwise enjoying or using the Mortgaged Property.

1.26. "Water Rights." All water rights of whatever kind or character, surface or underground, appurtenant, decreed, or vested, that are appurtenant to the Mortgaged Property or otherwise used or useful in connection with the intended development of the Mortgaged Property.

Any terms not otherwise defined in this Mortgage shall have the meaning given them in the Note dated of even date herewith between Borrower and Lender.

2. "Repair and Maintenance of Mortgaged Property." Borrower shall (a) keep the Mortgaged Property in good condition and repair; (b) not substantially alter, remove, or demolish the Mortgaged Property or any of the Improvements except when incident to the replacement of Fixtures, equipment, machinery, or appliances with items of like kind; (c) restore and repair to the equivalent of its original condition all or any part of the Mortgaged Property that may be damaged or destroyed, including, but not limited to, damage from termites and dry rot, soil subsidence, and construction defects, whether or not insurance proceeds are available to cover any part of the cost of such restoration and repair, and regardless of whether Lender permits the use of any insurance proceeds to be used for restoration under paragraph 5 of this Mortgage; (d) pay when due all claims for labor performed and materials furnished in connection with the Mortgaged Property and not permit any mechanics' or materialman's lien to arise against the Mortgaged Property or furnish a loss or liability bond against such mechanics' or materialman's lien claims; (e) comply with all laws affecting the Mortgaged Property or requiring that any alterations, repairs, replacements, or improvements be made on it; (f) not commit or permit waste on or to the Mortgaged Property, or commit, suffer, or permit any act or violation of law to occur on it; (g) not abandon the

Mortgaged Property; (h) cultivate, irrigate, fertilize, fumigate, and prune in accordance with prudent agricultural practices; (i) if required by Lender, provide for management satisfactory to Lender under a management contract approved by Lender; (j) notify Lender in writing of any condition at or on the Mortgaged Property that may have a significant and measurable effect on its market value; (k) if the Mortgaged Property is rental property, generally operate and maintain it in such manner as to realize its maximum rental potential; and (l) do all other things that the character or use of the Mortgaged Property may reasonably render necessary to maintain it in the same condition (reasonable wear and tear expected) as existed at the date of this Mortgage.

3. Use of Mortgaged Property. Unless otherwise required by Governmental Requirements or unless Lender otherwise consents in writing, Borrower shall not allow changes in the use of the Mortgaged Property from that which is contemplated by Borrower and Lender at the time of execution of this Mortgage, as specified in the loan application and the Loan Documents. Borrower shall not initiate or acquiesce in a change in the zoning classification of the Mortgaged Property without Lender's prior written consent.

4. Insurance.

4.1. Casualty Insurance. Borrower shall at all times keep the Mortgaged Property insured for the benefit of Lender as follows, despite Governmental Requirements that may detrimentally affect Borrower's ability to obtain or may materially increase the cost of such insurance coverage:

4.1.1. Against damage or loss by fire and such other hazards (including lightning, windstorm, hail, explosion, riot, acts of striking employees, civil commotion, vandalism, malicious mischief, aircraft, vehicle, and smoke) as are covered by the broadest form of extended coverage endorsement available from time to time, in an amount not less than the full insurable value (as defined in paragraph 4.9) of the Mortgaged Property, with a deductible amount not to exceed an amount satisfactory to Lender;

4.1.2. Rent loss or business interruption or use and occupancy insurance on such basis and in such amounts and with such deductibles as are satisfactory to Lender;

4.1.3. Against damage or loss by flood if the Land is located in an area identified by the Secretary of Housing and Urban Development or any successor or other appropriate authority (governmental or private) as an area having special flood hazards and in which flood insurance is available under the National Flood Insurance Act of 1968 or the Flood Disaster Protection Act of 1973, as amended, modified, supplemented, or replaced from time to time, on such basis and in such amounts as Lender may require;

4.1.4. Against damage or loss from (a) sprinkler system leakage and (b) boilers, boiler tanks, heating and air conditioning equipment, pressure vessels, auxiliary piping, and similar apparatus, on such basis and in such amounts as Lender may require;

4.1.5. During any alteration, construction, or replacement of the Improvements, or any substantial portion of it, a Builder's All Risk policy with extended coverage with course of construction and completed value endorsements, for an amount at least equal to the full insurable value of the Improvements, and workers' compensation, in statutory amounts, with provision for replacement with the coverage described in paragraph 4.1, without gaps or lapsed coverage, for any completed portion of the Improvements; and

4.1.6. Against damage or loss by earthquake, in an amount and with a deductible satisfactory to Lender, if such insurance is required by Lender in the exercise of its business judgment in light of the commercial real estate practices existing at the time the insurance is issued and in the County where the Land is located.

4.2. Liability Insurance. Borrower shall procure and maintain workers' compensation insurance for Borrower's employees and comprehensive general liability insurance covering Borrower and Lender against claims for bodily injury or death or for damage occurring in, on, about, or resulting from the Mortgaged Property, or any street, drive, sidewalk, curb, or passageway adjacent to it, in standard form and with such insurance company or companies and in an amount of at least \$5,000,000.00 combined single limit, or such greater amount as Lender may require, which insurance shall include completed operations,

product liability, and blanket contractual liability coverage that insures contractual liability under the indemnifications set forth in this Mortgage and the Loan Documents (but such coverage or its amount shall in no way limit such indemnification).

4.3. Other Insurance. Borrower shall procure and maintain such other insurance or such additional amounts of insurance, covering Borrower or the Mortgaged Property, as (a) may be required by the terms of any construction contract for the Improvements or by any Governmental Authority, (b) may be specified in any other Loan Documents, or (c) may be required by Lender from time to time.

4.4. Form of Policies. All insurance required under this paragraph 4 shall be fully paid for and nonassessable. The policies shall contain such provisions, endorsements, and expiration dates as Lender from time to time reasonably requests and shall be in such form and amounts, and be issued by such insurance companies doing business in the State of Illinois, as Lender shall approve in Lender's sole and absolute discretion. Unless otherwise expressly approved in writing by Lender, each insurer shall have a Best Rating of Class A, Category VIII, or better. All policies shall (a) contain a waiver of subrogation endorsement; (b) provide that the policy will not lapse or be canceled, amended, or materially altered (including by reduction in the scope or limits of coverage) without at least 30 days prior written notice to Lender; (c) with the exception of the comprehensive general liability policy, contain a mortgagee's endorsement (438 BFU Endorsement or equivalent), and name Lender as insured; and (d) include such deductibles as Lender may approve. If a policy required under this paragraph contains a co-insurance or overage clause, the policy shall include a stipulated value or agreed amount endorsement acceptable to Lender.

4.5. Duplicate Originals or Certificates. Duplicate original policies evidencing the insurance required under this paragraph 4 and any additional insurance that may be purchased on the Mortgaged Property by or on behalf of Borrower shall be deposited with and held by Lender and, in addition, Borrower shall deliver to Lender (a) receipts evidencing payment of all premiums on the policies and (b) duplicate original renewal policies or a binder with evidence satisfactory to Lender of payment of all premiums at least 30 days before the policy expires. In lieu of the duplicate original policies to be delivered to Lender under this paragraph 4.5, Borrower may deliver an underlier of any blanket policy, and Borrower may also deliver original certificates from the issuing insurance company, evidencing that such policies are in full force and effect and containing information that, in Lender's reasonable judgment, is sufficient to allow Lender to ascertain whether such policies comply with the requirements of this paragraph.

4.6. Increased Coverage. If Lender determines that the limits of any insurance carried by Borrower are inadequate or that additional coverage is required, Borrower shall, within 10 days after written notice from Lender, procure such additional coverage as Lender may require in Lender's sole and absolute discretion.

4.7. No Separate Insurance. Borrower shall not carry separate or additional insurance concurrent in form or contributing in the event of loss with that required under this paragraph 4 unless endorsed in favor of Lender as required by this paragraph and otherwise approved by Lender in all respects.

4.8. Transfer of Title. In the event of foreclosure of this Mortgage or other transfer of title or assignment of the Mortgaged Property in extinguishment, in whole or in part, of the Obligations and the Indebtedness, all right, title, and interest of Borrower in and to all insurance policies required under this paragraph 4 or otherwise then in force with respect to the Mortgaged Property and all proceeds payable under, and unearned premiums on, such policies shall immediately vest in the purchaser or other transferee of the Mortgaged Property.

4.9. Replacement Cost. For purposes of this paragraph 4, the term "full insurable value" means the actual cost of replacing the Mortgaged Property in question, without allowance for depreciation, as calculated from time to time (but not more often than once every calendar year) by the insurance company or companies holding such insurance or, at Lender's request, by appraisal made by an appraiser, engineer, architect, or contractor proposed by Borrower and approved by said insurance company or companies and Lender. Borrower shall pay the cost of such appraisal.

4.10. Approval Not Warranty. No approval by Lender of any insurer may be construed to be a representation, certification, or warranty of its solvency and no approval by Lender as to the amount, type, or form of any insurance may be construed to be a representation, certification, or warranty of its sufficiency.

4.11. Lender's Right to Obtain. Borrower shall deliver to Lender original policies or certificates evidencing such insurance at least 30 days before the existing policies expire. If any such policy is not so delivered to Lender or if any such policy is canceled, whether or not Lender has the policy in its possession, and no reinstatement or replacement policy is received before termination of insurance, Lender, without notice to or demand on Borrower, may (but is not obligated to) obtain such insurance insuring only Lender with such company as Lender may deem satisfactory, and pay the premium for such policies, and the amount of any premium so paid shall be charged to and promptly paid by Borrower or, at Lender's option, may be added to the Indebtedness. Borrower acknowledges that, if Lender obtains insurance, it is for the sole benefit of Lender, and Borrower shall not rely on any insurance obtained by Lender to protect Borrower in any way.

4.12. Duty to Restore After Casualty. If any act or occurrence of any kind or nature (including any casualty for which insurance was not obtained or obtainable) results in damage to or loss or destruction of the Mortgaged Property, Borrower shall immediately give notice of such loss or damage to Lender and, if Lender so instructs, shall promptly, at Borrower's sole cost and expense, regardless of whether any insurance proceeds will be sufficient for the purpose, commence and continue diligently to completion to restore, repair, replace, and rebuild the Mortgaged Property as nearly as possible to its value, condition, and character immediately before the damage, loss, or destruction.

5. Condemnation and Insurance Proceeds.

5.1. Assignment to Lender. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of or damage or injury to the Mortgaged Property, or any part of it, or for conveyance in lieu of condemnation, are assigned to and shall be paid to Lender, regardless of whether Lender's security is impaired. All causes of action, whether accrued before or after the date of this Mortgage, of all types for damages or injury to the Mortgaged Property or any part of it, or in connection with any transaction financed by funds lent to Borrower by Lender and secured by this Mortgage, or in connection with or affecting the Mortgaged Property or any part of it, including, without limitation, causes of action arising in tort or contract or in equity, are assigned to Lender as additional security, and the proceeds shall be paid to Lender. Lender, at its option, may appear in and prosecute in its own name any action or proceeding to enforce any such cause of action and may make any compromise or settlement of such action. Borrower shall notify Lender in writing immediately on obtaining knowledge of any casualty damage to the Mortgaged Property or damage in any other manner in excess of \$5,000.00 or knowledge of the institution of any proceeding relating to condemnation or other taking of or damage or injury to all or any portion of the Mortgaged Property. Lender, in its sole and absolute discretion, may participate in any such proceedings and may join Borrower in adjusting any loss covered by insurance. Borrower covenants and agrees with Lender, at Lender's request, to make, execute, and deliver, at Borrower's expense, any and all assignments and other instruments sufficient for the purpose of assigning the aforesaid award or awards, causes of action, or claims of damages or proceeds to Lender free, clear, and discharged of any and all encumbrances of any kind or nature.

5.2. Insurance Payments. All compensation, awards, proceeds, damages, claims, insurance recoveries, rights of action, and payments that Borrower may receive or to which Lender may become entitled with respect to the Mortgaged Property if any damage or injury occurs to the Mortgaged Property, other than by a partial condemnation or other partial taking of the Mortgaged Property, shall be paid over to Lender and shall be applied first toward reimbursement of all costs and expenses of Lender in connection with their recovery and disbursement, and shall then be applied as follows:

5.2.1. Lender shall consent to the application of such payments to the restoration of the Mortgaged Property so damaged only if Borrower has met all the following conditions (a breach of one of which shall constitute a default under this Mortgage, the Note, and any Loan Documents): (a) Borrower is

not in default under any of the terms, covenants, and conditions of the Loan Documents; (b) all then-existing Leases affected in any way by such damage will continue in full force and effect; (c) Lender is satisfied that the insurance or award proceeds, plus any sums added by Borrower, shall be sufficient to fully restore and rebuild the Mortgaged Property under then current Governmental Requirements; (d) within 60 days after the damage to the Mortgaged Property, Borrower presents to Lender a restoration plan satisfactory to Lender and any local planning department, which includes cost estimates and schedules; (e) construction and completion of restoration and rebuilding of the Mortgaged Property shall be completed in accordance with plans and specifications and drawings submitted to Lender within 30 days after receipt by Lender of the restoration plan and thereafter approved by Lender, which plans, specifications, and drawings shall not be substantially modified, changed, or revised without Lender's prior written consent; (f) within 3 months after such damage, Borrower and a licensed contractor satisfactory to Lender enter into a fixed price or guaranteed maximum price contract satisfactory to Lender, providing for complete restoration in accordance with such restoration plan for an amount not to exceed the amount of funds held or to be held by Lender; (g) all restoration of the Improvements so damaged or destroyed shall be made with reasonable promptness and shall be of a value at least equal to the value of the Improvements so damaged or destroyed before such damage or destruction; (h) Lender reasonably determines that there is an identified source (whether from income from the Mortgaged Property, rental loss insurance, or another source) sufficient to pay all debt service and operating expenses of the Mortgaged Property during its restoration as required above; and (i) any and all funds that are made available for restoration and rebuilding under this paragraph 5 shall be disbursed, at Lender's sole and absolute discretion to Lender, through Lender or a title insurance or trust company satisfactory to Lender, in accordance with standard construction lending practices, including a reasonable fee payable to Lender from such funds and, if Lender requests, mechanics' lien waivers and title insurance date-downs, and the provision of payment and performance bonds by Borrower, or in any other manner approved by Lender in Lender's sole and absolute discretion; or

5.2.2. If fewer than all conditions (a) through (i) in paragraph 5.2.1 are satisfied, then such payments shall be applied in the sole and absolute discretion of Lender (a) to the payment or prepayment, with any applicable prepayment premium, of any Indebtedness secured by this Mortgage in such order as Lender may determine, or (b) to the reimbursement of Borrower's expenses incurred in the rebuilding and restoration of the Mortgaged Property. If Lender elects under this paragraph 5.2.2 to make any funds available to restore the Mortgaged Property, then all of conditions (a) through (i) in paragraph 5.2.1 shall apply, except for such conditions that Lender, in its sole and absolute discretion, may waive.

5.3. Material Loss Not Covered. If any material part of the Mortgaged Property is damaged or destroyed and the loss, measured by the replacement cost of the Improvements according to then current Governmental Requirements, is not adequately covered by insurance proceeds collected or in the process of collection, Borrower shall deposit with Lender, within 30 days after Lender's request, the amount of the loss not so covered.

5.4. Total Condemnation Payments. All compensation, awards, proceeds, damages, claims, insurance recoveries, rights of action, and payments that Borrower may receive or to which Borrower may become entitled with respect to the Mortgaged Property in the event of a total condemnation or other total taking of the Mortgaged Property shall be paid over to Lender and shall be applied first to reimbursement of all Lender's costs and expenses in connection with their recovery, and shall then be applied to the payment of any Indebtedness secured by this Mortgage in such order as Lender may determine, until the Indebtedness secured by this Mortgage has been paid and satisfied in full. Any surplus remaining after payment and satisfaction of the Indebtedness secured by this Mortgage shall be paid to Borrower as its interest may then appear.

5.5. Partial Condemnation Payments. All compensation, awards, proceeds, damages, claims, insurance recoveries, rights of action, and payments ("funds") that Borrower may receive or to which Borrower may become entitled with respect to the Mortgaged Property in the event of a partial condemnation or other partial taking of the Mortgaged Property, unless Borrower and Lender otherwise agree in writing, shall be divided into two portions, one equal to the principal balance of the Note at the

time of receipt of such funds and the other equal to the amount by which such funds exceed the principal balance of the Note at the time of receipt of such funds. The first such portion shall be applied to the sums secured by this Mortgage, whether or not then due, including but not limited to principal, accrued interest, and advances, and in such order or combination as Lender may determine, with the balance of the funds paid to Borrower. Any dispute as to the fair market value of the Mortgaged Property shall be settled by arbitration in accordance with the Real Estate Valuation Arbitration Rules of the American Arbitration Association.

5.6. No Cure of Waiver of Default. Any application of such amounts or any portion of it to any Indebtedness secured by this Mortgage shall not be construed to cure or waive any default or notice of default under this Mortgage or invalidate any act done under any such default or notice.

6. Taxes and Other Sums Due. Borrower shall promptly pay, satisfy, and discharge: (a) all Impositions affecting the Mortgaged Property before they become delinquent; (b) such other amounts, chargeable against Borrower or the Mortgaged Property, as Lender reasonably deems necessary to protect and preserve the Mortgaged Property, this Mortgage, or Lender's security for the performance of the Obligations; (c) all encumbrances, charges, and liens on the Mortgaged Property, with interest, which in Lender's judgment are, or appear to be, prior or superior to the lien of this Mortgage or all costs necessary to obtain protection against such lien or charge by title insurance endorsement or surety company bond; (d) such other charges as Lender deems reasonable for services rendered by Lender at Borrower's request; and (e) all costs, fees, and expenses incurred by Lender in connection with this Mortgage, whether or not specified in this Mortgage.

On Lender's request, Borrower shall promptly furnish Lender with all notices of sums due for any amounts specified in the preceding clauses 6(a) through (e), and, on payment, with written evidence of such payment. If Borrower fails to promptly make any payment required under this paragraph 6, Lender may (but is not obligated to) make such payment. Borrower shall notify Lender immediately on receipt by Borrower of notice of any increase in the assessed value of the Mortgaged Property and agrees that Lender, in Borrower's name, may (but is not obligated to) contest by appropriate proceedings such increase in assessment. Without Lender's prior written consent, Borrower shall not allow any lien inferior to the lien of this Mortgage to be perfected against the Mortgaged Property and shall not permit any improvement bond for any unpaid special assessment to issue.

7. Leases of Mortgaged Property by Borrower. At Lender's request, Borrower shall furnish Lender with executed copies of all Leases of the Mortgaged Property or any portion of it then in force. If Lender so requires, all Leases later entered into by Borrower are subject to Lender's prior review and approval and must be acceptable to Lender in form and content. Each Lease must specifically provide, inter alia, that (a) it is subordinate to the lien of this Mortgage; (b) the tenant attorns to Lender (and Borrower consents to any such attornment), such attornment to be effective on Lender's acquisition of title to the Mortgaged Property; (c) the tenant agrees to execute such further evidence of attornment as Lender may from time to time request; (d) the tenant's attornment shall not be terminated by foreclosure; and (e) Lender, at Lender's option, may accept or reject such attornment. If Borrower learns that any tenant proposes to do, or is doing, any act that may give rise to any right of setoff against rent, Borrower shall immediately (i) take measures reasonably calculated to prevent the accrual of any such right of setoff; (ii) notify Lender of all measures so taken and of the amount of any setoff claimed by any such tenant; and (iii) within 10 days after the accrual of any right of setoff against rent, reimburse any tenant who has acquired such right, in full, or take other measures that will effectively discharge such setoff and ensure that rents subsequently due shall continue to be payable without claim of setoff or deduction.

At Lender's request, Borrower shall assign to Lender, by written instrument satisfactory to Lender, all Leases of the Mortgaged Property, and all security deposits made by tenants in connection with such Leases. On assignment to Lender of any such Lease, Lender shall succeed to all rights and powers of Borrower with respect to such Lease, and Lender, in Lender's sole and absolute discretion, shall have the right to modify, extend, or terminate such Lease and to execute other further leases with respect to the Mortgaged Property that is the subject of such assigned Lease.

8. Right to Collect and Receive Rents. Despite any other provision of this Mortgage, Lender grants permission to Borrower to collect and retain the Rents of the Mortgaged Property as they become due and payable; however, such permission to Borrower shall be automatically revoked on default by Borrower in payment of any Indebtedness secured by this Mortgage or in the performance of any of the Obligations, and Lender shall have the rights set forth in 765 ILCS 5/31.5 without regard to the adequacy of the security for the Indebtedness secured by this Mortgage. Failure of or discontinuance by Lender at any time, or from time to time, to collect any such Rents shall not in any manner affect the subsequent enforcement by Lender at any time, or from time to time, of the right, power, and authority to collect these Rents. The receipt and application by Lender of all such Rents under this Mortgage, after execution and delivery of declaration of default and demand for sale as provided in this Mortgage or during the pendency of judicial sale proceedings under this Mortgage, shall neither cure such breach or default nor affect such sale proceedings, or any sale made under them, but such Rents, less all costs of operation, maintenance, collection, and Attorney Fees, when received by Lender, may be applied in reduction of the entire Indebtedness from time to time secured by this Mortgage, in such order as Lender may decide. Nothing in this Mortgage, nor the exercise of Lender's right to collect, nor an assumption by Lender of any tenancy, lease, or option, nor an assumption of liability under, nor a subordination of the lien or charge of this Mortgage to, any such tenancy, lease, or option, shall be, or be construed to be, an affirmation by Lender of any tenancy, lease, or option.

If the Rents of the Mortgaged Property are not sufficient to meet the costs, if any, of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes shall become an Indebtedness of Borrower to Lender secured by this Mortgage. Unless Lender and Borrower agree in writing to other terms of payment, such amounts shall be payable on notice from Lender to Borrower requesting such payment and shall bear interest from the date of disbursement at the rate stated in the Note unless payment of interest at such rate would be contrary to Governmental Requirements, in which event the amounts shall bear interest at the highest rate that may be collected from Borrower under Governmental Requirements.

Borrower expressly understands and agrees that Lender will have no liability to Borrower or any other person for Lender's failure or inability to collect Rents from the Mortgaged Property or for failing to collect such Rents in an amount that is equal to the fair market rental value of the Mortgaged Property. Borrower understands and agrees that neither the assignment of Rents to Lender nor the exercise by Lender of any of its rights or remedies under this Mortgage shall be deemed to make Lender a "mortgagee-in-possession" or otherwise responsible or liable in any manner with respect to the Mortgaged Property or the use, occupancy, enjoyment, or operation of all or any portion of it, unless and until Lender, in person or by agent, assumes actual possession of it. Nor shall appointment of a receiver for the Mortgaged Property by any court at the request of Lender or by agreement with Borrower, or the entering into possession of the Mortgaged Property or any part of it by such receiver be deemed to make Lender a mortgagee-in-possession or otherwise responsible or liable in any manner with respect to the Mortgaged Property or the use, occupancy, enjoyment, or operation of all or any portion of it.

During an Event of Default, any and all Rents collected or received by Borrower shall be accepted and held for Lender in trust and shall not be commingled with Borrower's funds and property, but shall be promptly paid over to Lender.

9. Funds for Taxes and Insurance. If Borrower is in default under this Mortgage or any of the Loan Documents, regardless of whether the default has been cured, then Lender may at any subsequent time, at its option to be exercised on 30 days written notice to Borrower, require Borrower to deposit with Lender or its designee, at the time of each payment of an installment of interest or principal under the Note, an additional amount sufficient to discharge the obligations of Borrower under the Note and this Mortgage as they become due. The calculation of the amount payable and of the fractional part of it to be deposited with Lender shall be made by Lender in its sole and absolute discretion. These amounts shall be held by Lender or its designee not in trust and not as agent of Borrower and shall not bear interest, and shall be applied to the payment of any of the Obligations under the Loan Documents in such order or priority as Lender shall determine. If at any time within 30 days before the due date of these obligations the amounts then on deposit

shall be insufficient to pay the obligations under the Note and this Mortgage in full, Borrower shall deposit the amount of the deficiency with Lender within 10 days after Lender's demand. If the amounts deposited are in excess of the actual obligations for which they were deposited, Lender may refund any such excess, or, at its option, may hold the excess in a reserve account, not in trust and not bearing interest, and reduce proportionately the required monthly deposits for the ensuing year. Nothing in this paragraph shall be deemed to affect any right or remedy of Lender under any other provision of this Mortgage or under any statute or rule of law to pay any such amount and to add the amount so paid to the Indebtedness secured by this Mortgage. Lender shall have no obligation to pay insurance premiums or taxes except to the extent the fund established under this paragraph is sufficient to pay such premiums or taxes, to obtain insurance, or to notify Borrower of any matters relative to the insurance or taxes for which the fund is established under this paragraph.

Lender or its designee shall hold all amounts so deposited as additional security for the sums secured by this Mortgage. Lender may, in its sole and absolute discretion and without regard to the adequacy of its security under this Mortgage, apply such amounts or any portion of it to any Indebtedness secured by this Mortgage, and such application shall not be construed to cure or waive any default or notice of default under this Mortgage.

If Lender requires deposits to be made under this paragraph 9, Borrower shall deliver to Lender all tax bills, bond and assessment statements, statements for insurance premiums, and statements for any other obligations referred to above as soon as Borrower receives such documents.

If Lender sells or assigns this Mortgage, Lender shall have the right to transfer all amounts deposited under this paragraph 9 to the purchaser or assignee. After such a transfer, Lender shall be relieved and have no further liability under this Mortgage for the application of such deposits, and Borrower shall look solely to such purchaser or assignee for such application and for all responsibility relating to such deposits.

10. Assignment of Causes of Action, Awards, and Damages. All causes of action, and all sums due or payable to Borrower for injury or damage to the Mortgaged Property, or as damages incurred in connection with the transactions in which the Loan secured by this Mortgage was made, including, without limitation, causes of action and damages for breach of contract, fraud, concealment, construction defects, or other torts, or compensation for any conveyance in lieu of condemnation, are assigned to Lender, and all proceeds from such causes of action and all such sums shall be paid to Lender for credit against the Indebtedness secured by this Mortgage. Borrower shall notify Lender immediately on receipt by Borrower of notice that any such sums have become due or payable and, immediately on receipt of any such sums, shall promptly remit such sums to Lender.

After deducting all expenses, including Attorney Fees, incurred by Lender in recovering or collecting any sums under this paragraph 10, Lender may apply or release the balance of any funds received by it under this paragraph, or any part of such balance, as it elects. Lender, at its option, may appear in and prosecute in its own name any action or proceeding to enforce any cause of action assigned to it under this paragraph and may make any compromise or settlement in such action whatsoever. Borrower covenants that it shall execute and deliver to Lender such further assignments of any such compensation awards, damages, or causes of action as Lender may request from time to time. If Lender fails or does not elect to prosecute any such action or proceeding and Borrower elects to do so, Borrower may conduct the action or proceeding at its own expense and risk.

11. Defense of Mortgage; Litigation. Borrower shall give Lender immediate written notice of any action or proceeding (including, without limitation, any judicial, whether civil, criminal, or probate, or nonjudicial proceeding to foreclose the lien of a junior or senior mortgage or deed of trust) affecting or purporting to affect the Mortgaged Property, this Mortgage, Lender's security for the performance of the Obligations and payment of the Indebtedness, or the rights or powers of Lender under the Loan Documents. Despite any other provision of this Mortgage, Borrower agrees that Lender may (but is not obligated to) commence, appear in, prosecute, defend, compromise, and settle, in Lender's or Borrower's name, and as attorney-in-fact for Borrower, and incur necessary costs and expenses, including Attorney Fees in so doing,

any action or proceeding, whether a civil, criminal, or probate judicial matter, nonjudicial proceeding, arbitration, or other alternative dispute resolution procedure, reasonably necessary to preserve or protect, or affecting or purporting to affect, the Mortgaged Property, this Mortgage, Lender's security for performance of the Obligations and payment of the Indebtedness, or the rights or powers of Lender under the Loan Documents, and that if Lender elects not to do so, Borrower shall commence, appear in, prosecute, and defend any such action or proceeding. Borrower shall pay all costs and expenses of Lender, including costs of evidence of title and Attorney Fees, in any such action or proceeding in which Lender may appear or for which legal counsel is sought, whether by virtue of being made a party defendant or otherwise, and whether or not the interest of Lender in the Mortgaged Property is directly questioned in such action or proceeding, including, without limitation, any action for the condemnation or partition of all or any portion of the Mortgaged Property and any action brought by Lender to foreclose this Mortgage or to enforce any of its terms or provisions.

12. Borrower's Failure to Comply With Mortgage. If Borrower fails to make any payment or do any act required by this Mortgage, or if there is any action or proceeding (including, without limitation, any judicial or nonjudicial proceeding to foreclose the lien of a junior or senior mortgage or deed of trust) affecting or purporting to affect the Mortgaged Property, this Mortgage, Lender's security for the performance of the Obligations and payment of the Indebtedness, or the rights or powers of Lender under the Note or this Mortgage, Lender may (but is not obligated to) (a) make any such payment or do any such act in such manner and to such extent as either deems necessary to preserve or protect the Mortgaged Property, this Mortgage, or Lender's security for the performance of Borrower's Obligations and payment of the Indebtedness, or the rights or powers of Lender under the Loan Documents, Lender being authorized to enter on the Mortgaged Property for any such purpose; and (b) in exercising any such power, pay necessary expenses, retain attorneys, and pay Attorney Fees incurred in connection with such action, without notice to or demand on Borrower and without releasing Borrower from any Obligations or Indebtedness.

13. Sums Advanced to Bear Interest and to Be Secured by Mortgage. At Lender's request, Borrower shall immediately pay any sums advanced or paid by Lender under any provision of this Mortgage or the other Loan Documents. Until so repaid, all such sums and all other sums payable to Lender shall be added to, and become a part of, the Indebtedness secured by this Mortgage and bear interest from the date of advancement or payment by Lender at the same rate as provided in the Note, unless payment of interest at such rate would be contrary to Governmental Requirements. All sums advanced by Lender under this Mortgage or the other Loan Documents, whether or not required to be advanced by Lender under the terms of this Mortgage or the other Loan Documents, shall conclusively be deemed to be mandatory advances required to preserve and protect this Mortgage and Lender's security for the performance of the Obligations and payment of the Indebtedness, and shall be secured by this Mortgage to the same extent and with the same priority as the principal and interest payable under the Note.

14. Inspection of Mortgaged Property. Lender may, or authorize other persons, including, but not limited to, appraisers and prospective purchasers at any foreclosure sale commenced by Lender, to enter on or inspect the Mortgaged Property at reasonable times and for reasonable durations. Borrower shall permit all such entries and inspections to be made as long as Lender has given Borrower written notice of such inspection at least 24 hours before the entry and inspection.

15. Financial Statements; Estoppel Certificates.

15.1. Borrower's Financial Statements. On receipt of Lender's written request and without expense to Lender, Borrower shall furnish to Lender (a) an annual statement of the operation of the Mortgaged Property prepared and certified by Borrower, showing in reasonable detail satisfactory to Lender total Rents received and total expenses together with an annual balance sheet and profit and loss statement, within 90 days after the close of each fiscal year of Borrower, beginning with the fiscal year first ending after the date of recordation of this Mortgage; (b) within 30 days after the end of each calendar quarter (March 31, June 30, September 30, December 31) interim statements of the operation of the Mortgaged Property showing in reasonable detail satisfactory to Lender total Rents and other income and receipts

received and total expenses for the previous quarter, certified by Borrower; and (c) copies of Borrower's annual state and federal income tax returns within 30 days after filing them. Borrower shall keep accurate books and records, and allow Lender, its representatives and agents, on notice, at any time during normal business hours, access to such books and records regarding acquisition, construction, and development of the Mortgaged Property, including any supporting or related vouchers or papers, shall allow Lender to make extracts or copies of any such papers, and shall furnish to Lender and its agents convenient facilities for the audit of any such statements, books, and records.

15.2. Recordkeeping. Borrower shall keep adequate records and books of account in accordance with generally accepted accounting principles and practices and shall permit Lender, by its agents, accountants, and attorneys, to examine Borrower's records and books of account and to discuss the affairs, finances, and accounts of Borrower with the officers of Borrower, at such reasonable times as Lender may request.

15.3. Guarantors' Financial Statements. Except to the extent already required by paragraph 15.1, Borrower, its controlling shareholders, and all guarantors of the Indebtedness, if any, shall deliver to Lender with reasonable promptness after the close of their respective fiscal years a balance sheet and profit and loss statement, prepared by an independent certified public accountant satisfactory to Lender, setting forth in each case, in comparative form, figures for the preceding year, which statements shall be accompanied by the unqualified opinion of such accountant as to their accuracy. Throughout the term of this Mortgage, Borrower and any guarantor shall deliver, with reasonable promptness, to Lender such other information with respect to Borrower or guarantor as Lender may from time to time request. All financial statements of Borrower or guarantor shall be prepared in accordance with generally accepted accounting principles and practices applied on a consistent basis and shall be delivered in duplicate. Documents and information submitted by Borrower to Lender are submitted confidentially, and Lender shall not disclose them to third parties and shall limit access to them to what is necessary to service the loan, accomplish the normal administrative, accounting, tax-reporting, and other necessary functions, to sell all or any part of the loan and to report such information as required to the Comptroller of the Currency, the Federal Deposit Insurance Corporation, the Internal Revenue Service, and similar entities.

15.4. Estoppel Certificates. Within 10 days after Lender's request for such information, Borrower shall execute and deliver to Lender, and to any third party designated by Lender, in recordable form, a certificate of the principal financial or accounting officer of Borrower, dated within 3 days after delivery of such statements, or the date of such request, as the case may be, reciting that the Loan Documents are unmodified and in full force and effect, or that the Loan Documents are in full force and effect as modified and specifying all modifications asserted by Borrower. Such certificate shall also recite the amount of the Indebtedness and cover other matters with respect to the Indebtedness or Obligations as Lender may reasonably require, the date(s) through which payments due on the Indebtedness have been paid and the amount(s) of any payments previously made on the Indebtedness. The certificate shall include a detailed statement of any right of setoff, counterclaim, or other defense that Borrower contends exists against the Indebtedness or the Obligations; a statement that such person knows of no Event of Default or prospective Event of Default that has occurred and is continuing, or, if any Event of Default or prospective Event of Default has occurred and is continuing, a statement specifying the nature and period of its existence and what action Borrower has taken or proposes to take with respect to such matter; and, except as otherwise specified, a statement that Borrower has fulfilled all Obligations that are required to be fulfilled on or before the date of such certificate.

15.5. Failure to Deliver Estoppel Certificate. If Borrower fails to execute and deliver the certificate required by paragraph 15.4 within such 10-day period, (a) the Loan Documents shall, as to Borrower, conclusively be deemed to be either in full force and effect, without modification, or in full force and effect, modified in the manner and to the extent specified by Lender, whichever Lender reasonably and in good faith may represent; (b) the Indebtedness shall, as to Borrower, conclusively be deemed to be in the amount specified by Lender and no setoffs, counterclaims, or other defenses exist against the Indebtedness;

and (c) Borrower shall conclusively be deemed to have irrevocably constituted and appointed Lender as Borrower's special attorney-in-fact to execute and deliver such certificate to any third party.

15.6. Reliance on Estoppel Certificate. Borrower and Lender expressly agree that any certificate executed and delivered by Borrower, or any representation in lieu of a certificate made by Lender under paragraph 15.5, may be relied on by any prospective purchaser or any prospective assignee of any interest of Lender in the Note and other Indebtedness secured by this Mortgage or in the Mortgaged Property, and by any other person, without independent investigation or examination, to verify the accuracy, reasonableness, or good faith of the recitals in the certificate or representation.

15.7. No Waiver of Default or Rights. Lender's exercise of any right or remedy provided by this paragraph 15 shall not constitute a waiver of, or operate to cure, any default by Borrower under this Mortgage, or preclude any other right or remedy that is otherwise available to Lender under this Mortgage or Governmental Requirements.

16. Uniform Commercial Code Security Agreement. This Mortgage is intended to be and shall constitute a security agreement under the Illinois Uniform Commercial Code for any of the Personality specified as part of the Mortgaged Property that, under Governmental Requirements, may be subject to a security interest under the Illinois Uniform Commercial Code, and Borrower grants to Lender a security interest in those items. Borrower authorizes Lender to file financing statements in all states, counties, and other jurisdictions as Lender may elect, without Borrower's signature if permitted by law. Borrower agrees that Lender may file this Mortgage, or a copy of it, in the real estate records or other appropriate index or in the Office of the Secretary of State of the State of Illinois and such other states as the Lender may elect, as a financing statement for any of the items specified above as part of the Mortgaged Property. Any reproduction of this Mortgage or executed duplicate original of this Mortgage, or a copy certified by a County Recorder in the State of Illinois, or of any other security agreement or financing statement, shall be sufficient as a financing statement. In addition, Borrower agrees to execute and deliver to Lender, at Lender's request, any UCC financing statements, as well as any extensions, renewals, and amendments, and copies of this Mortgage in such form as Lender may require to perfect a security interest with respect to the Personality. Borrower shall pay all costs of filing such financing statements and any extensions, renewals, amendments, and releases of such statements, and shall pay all reasonable costs and expenses of any record searches for financing statements that Lender may reasonably require. Without the prior written consent of Lender, Borrower shall not create or suffer to be created any other security interest in the items, including any replacements and additions.

On any Event of Default, Lender shall have the remedies of a secured party under the Illinois Uniform Commercial Code and, at Lender's option, may also invoke the remedies in paragraph 21 of this Mortgage as to such items. In exercising any of these remedies, Lender may proceed against the items of Mortgaged Property and any items of Personality separately or together and in any order whatsoever, without in any way affecting the availability of Lender's remedies under the Illinois Uniform Commercial Code or of the remedies in paragraph 21 of this Mortgage.

17. Fixture Filing. This Mortgage constitutes a financing statement filed as a fixture filing under the Illinois Uniform Commercial Code, as amended or recodified from time to time, covering any portion of the Mortgaged Property that now is or later may become a fixture attached to the Mortgaged Property or to any Improvement.

18. Waiver of Statute of Limitations. Borrower waives the right to assert any statute of limitations as a defense to the Loan Documents and the Obligations secured by this Mortgage, to the fullest extent permitted by Governmental Requirements.

19. Events of Default. The term Event of Default as used in this Mortgage means the occurrence or happening, at any time and from time to time, of any one or more of the following:

19.1. Payment of Indebtedness. Borrower fails to pay any installment of interest and/or principal under the Note or any other Indebtedness when due and such failure continues for more than 5 days after the date such payment was due and payable whether on maturity, the date stipulated in any Loan Document, by acceleration, or otherwise.

19.2. Performance of Obligations. The failure, refusal, or neglect to perform and discharge fully and timely any of the Obligations as and when required, and the continuance of such failure for 30 days after Lender gives written notice of such failure to Borrower.

19.3. Judgment. If any final judgment, order, or decree is rendered against Borrower or a guarantor and is not paid or executed on, or is not stayed by perfection of an appeal or other appropriate action, such as being bonded, or is not otherwise satisfied or disposed of to Lender's satisfaction within 30 days after entry of the judgment, order, or decree.

19.4. Voluntary Bankruptcy. If Borrower or any guarantor (a) seeks entry of an order for relief as a debtor in a proceeding under the Bankruptcy Code; (b) seeks, consents to, or does not contest the appointment of a receiver for itself or for all or any part of its property; (c) files a petition seeking relief under the bankruptcy, arrangement, reorganization, or other debtor relief laws of the United States or any state or any other competent jurisdiction; (d) makes a general assignment for the benefit of its creditors; or (e) states in writing its inability to pay its debts as they mature.

19.5. Involuntary Bankruptcy. If (a) a petition is filed against Borrower or any guarantor seeking relief under any bankruptcy, arrangement, reorganization, or other debtor relief laws of the United States or any state or other competent jurisdiction; or (b) a court of competent jurisdiction enters an order, judgment, or decree appointing, without the consent of Borrower or any guarantor, a receiver for it, or for all or any part of its property; and (c) such petition, order, judgment, or decree is not discharged or stayed within 90 days after its entry.

19.6. Foreclosure of Other Liens. If the holder of any lien or security interest on the Mortgaged Property (without implying Lender's consent to the existence, placing, creating, or permitting of any lien or security interest) institutes foreclosure or other proceedings to enforce its remedies thereunder and any such proceedings are not stayed or discharged within 30 days after institution of such foreclosure proceedings.

19.7. Sale, Lease, Encumbrance, or Other Transfer. Any sale, lease, exchange, assignment, conveyance, encumbrance (other than a Permitted Encumbrance), transfer of possession, or other disposition of all or any portion of the Land or Improvements or any of Borrower's interest in the Land or Improvement without Lender's prior written consent, or any sale, lease, exchange, assignment, conveyance, encumbrance (other than a Permitted Encumbrance), or other disposition of any portion of the Personalty, without Lender's prior written consent, or if there is a sale or transfer of beneficial interests in Borrower equal to 25 percent or more of the beneficial ownership interests of Borrower outstanding at the date of this Mortgage, without Lender's prior written consent.

19.8. Title and Lien Priority. If Borrower's title to any or all of the Mortgaged Property or the status of this Mortgage as a first and prior lien and security interest on the Mortgaged Property is endangered in any manner, and Borrower fails to cure the same on Lender's demand; provided, however, that Borrower shall not be in default under this paragraph if Borrower is diligently pursuing a contest or cure of such title or lien issue and Borrower has posted adequate security to protect Lender's rights, interest, and priority under this Mortgage, as determined by Lender.

19.9. Other Defaults. The occurrence of an Event of Default or any default, as defined or described in the other Loan Documents, or the occurrence of a default on any Indebtedness or Obligations.

19.10. Levy on Assets. A levy on any of the assets of Borrower or any guarantor, and such levy is not stayed or abated within 60 days after such levy.

19.11. Breach of Representations. The breach of any representation, warranty, or covenant in this Mortgage or other Loan Documents.

19.12. Default Under Prior Mortgage, Mortgage, or Lien. The failure to pay on a timely basis, or the occurrence of any other default under any note, deed of trust, mortgage, contract of sale, lien, charge, encumbrance, or security interest encumbering or affecting the Mortgaged Property and having priority over the lien of this Mortgage.

19.13. Material Adverse Change. The occurrence of any event that in Lender's judgment materially adversely affects (i) the ability of Borrower or any guarantor to perform any of its obligations

under this Mortgage, the Note or any of the Loan Documents; (ii) the business or financial condition of Borrower, or of any member of Borrower, or of any guarantor; or (iii) the operation or value of the Mortgaged Property.

20. Acceleration on Transfer or Encumbrance.

20.1. Acceleration on Transfer or Encumbrance of Mortgaged Property. If Borrower sells, contracts to sell, gives an option to purchase, conveys, leases with an option to purchase, encumbers, or alienates the Mortgaged Property, or any interest in it, or suffers its title to, or any interest in, the Mortgaged Property to be divested, whether voluntarily or involuntarily; or if there is a sale or transfer of beneficial interests in Borrower equal to 25 percent or more of the beneficial ownership interests of Borrower outstanding at the date of this Mortgage; or if Borrower changes or permits to be changed the character or use of the Mortgaged Property, or drills or extracts or enters into any lease for the drilling or extracting of oil, gas, or other hydrocarbon substances or any mineral of any kind or character on the Mortgaged Property; or if title to such Mortgaged Property becomes subject to any lien or charge, voluntary or involuntary, contractual or statutory, without Lender's prior written consent, then Lender, at Lender's option, may, without prior notice, declare all sums secured by this Mortgage, regardless of their stated due date(s), immediately due and payable and may exercise all rights and remedies in this Mortgage, including those in paragraph 21.

20.2. Replacement Personalty. Despite the provisions of paragraph 20.1, Borrower may from time to time replace Personalty constituting a part of the Mortgaged Property, as long as (a) the replacements for such Personalty are of equivalent value and quality; (b) Borrower has good and clear title to such replacement Personalty free and clear of any and all liens, encumbrances, security interests, ownership interests, claims of title (contingent or otherwise), or charges of any kind, or the rights of any conditional sellers, vendors, or any other third parties in or to such replacement Personalty have been expressly subordinated to the lien of the Mortgage in a manner satisfactory to Lender and at no cost to Lender; and (c) at Lender's option, Borrower provides at no cost to Lender satisfactory evidence that the Mortgage constitutes a valid and subsisting lien on and security interest in such replacement Personalty of the same priority as this Mortgage has on the Mortgaged Property and is not subject to being subordinated or its priority affected under any Governmental Requirements.

20.3. Permitted Encumbrances. If Lender consents in writing, which consent may not be unreasonably withheld, the due-on-encumbrance provision set forth in paragraph 20.1 shall not apply to a junior voluntary deed of trust or mortgage lien in favor of another lender encumbering the Mortgaged Property (the principal balance of any such junior encumbrance shall be added to the principal balance of the Indebtedness for purposes of determining compliance with the financial covenants of the Note); as long as Borrower gives Lender at least 30 days written notice of the further encumbrance and reimburses Lender for all out-of-pocket costs and expenses incurred in connection with such encumbrance.

21. Rights and Remedies on Default. Upon the occurrence of an Event of Default and at any time thereafter, Lender, at Lender's option may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

Accelerate Indebtedness. Lender shall have the right at its option without notice to Borrower to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Borrower would be required to pay.

UCC Remedies. With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

Collect Rents. Lender shall have the right, without notice to Borrower, to take possession of the Mortgaged Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Mortgaged Property to make payments of rent

or use fees directly to Lender. If the Rents are collected by Lender, then Borrower irrevocably designates Lender as Borrower's attorney-in-fact to endorse instruments received in payment thereof in the name of Borrower and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Mortgagee in Possession. Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Mortgaged Property, with the power to protect and preserve the Mortgaged Property, to operate the Mortgaged Property preceding foreclosure or sale, and to collect the Rents from the Mortgaged Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Mortgaged Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Judicial Foreclosure. Lender may obtain a judicial decree foreclosing Borrower's interest in all or any part of the Mortgaged Property.

Deficiency Judgment. If permitted by applicable law, Lender may obtain a judgment for any deficiency remaining in the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this section.

Other Remedies. Lender shall have all other rights and remedies provided in this Mortgage or the Note or available at law or in equity.

Sale of the Property. To the extent permitted by applicable law, Borrower hereby waives any and all right to have the Mortgaged Property marshaled. In exercising its rights and remedies, Lender shall be free to sell all or any part of the Mortgaged Property together or separately, in one sale or by separate sales. Lender shall be entitled to bid at any public sale on all or any portion of the Mortgaged Property.

Notice of Sale. Lender shall give Borrower reasonable notice of the time and place of any public sale of the Personalty or of the time after which any private sale or other intended disposition of the Personalty is to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition. Any sale of the Personalty may be made in conjunction with any sale of the Land.

Election of Remedies. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Borrower under this Mortgage, after Borrower's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies. Nothing under this Mortgage or otherwise shall be construed so as to limit or restrict the rights and remedies available to Lender following an Event of Default, or in any way to limit or restrict the rights and ability of Lender to proceed directly against Borrower and/or against any other co-maker, guarantor, surety or endorser and/or to proceed against any other collateral directly or indirectly securing the Indebtedness.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Mortgage, Lender shall be entitled to recover such sum as the court may adjudge reasonable as

Licensed to Public Access by Cook County Recorder of Deeds

attorneys fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Note rate from the date of the expenditure until repaid. Expenses covered by this paragraph include without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees and title insurance, to the extent permitted by applicable law. Borrower also will pay any court costs, in addition to all other sums provided by Governmental Requirements.

22. Obligation to Notify Lender of Bankruptcy, Insolvency, Transfer, or Encumbrance.

Borrower shall notify Lender in writing, at or before the time of the occurrence of any event described in paragraphs 19 and 20 of this Mortgage, of such event and shall promptly furnish Lender with any and all information on such event that Lender may request.

23. Waiver of Marshaling. Despite the existence of interests in the Mortgaged Property other than that created by this Mortgage, and despite any other provision of this Mortgage, if Borrower defaults in paying the Indebtedness or in performing any Obligations, Lender shall have the right, in Lender's sole and absolute discretion, to establish the order in which the Mortgaged Property will be subjected to the remedies provided in this Mortgage and to establish the order in which all or any part of the Indebtedness secured by this Mortgage is satisfied from the proceeds realized on the exercise of the remedies provided in this Mortgage. Borrower and any person who now has or later acquires any interest in the Mortgaged Property with actual or constructive notice of this Mortgage waives any and all rights to require a marshaling of assets in connection with the exercise of any of the remedies provided in this Mortgage or otherwise provided by Governmental Requirements.

24. Environmental Matters.

24.1. Borrower's Representations and Warranties. Borrower represents and warrants to Lender that:

24.1.1. The Mortgaged Property and Borrower are not in violation of any Environmental Laws or subject to any existing, pending, or threatened investigation by any Governmental Authority under any Environmental Laws.

24.1.2. Borrower has not obtained and is not required by any Environmental Laws to obtain any permits or licenses to construct or use the Mortgaged Property or the Improvements.

24.1.3. Borrower has conducted an appropriate inquiry into previous uses and ownership of the Mortgaged Property, and after such inquiry determined that no Hazardous Substance has been disposed of, transported, or released on or at the Mortgaged Property.

24.1.4. No part of the Mortgaged Property is being used or, to the knowledge of Borrower, has been used at any previous time, for the disposal, storage, treatment, processing, transporting, or other handling of Hazardous Substances, nor is any part of the Mortgaged Property affected by any Hazardous Substance contamination.

24.1.5. To the best of Borrower's knowledge and belief, no real property adjoining the Mortgaged Property is being used, or has ever been used at any previous time, for the disposal, storage, treatment, processing, or other handling of Hazardous Substances, nor is any other real property adjoining the Mortgaged Property affected by Hazardous Substances contamination.

24.1.6. No investigation, administrative order, consent order or agreement, litigation, or settlement with respect to Hazardous Substances or Hazardous Substances contamination is proposed, threatened, anticipated, or in existence regarding the Mortgaged Property. The Mortgaged Property is not

currently on, and to Borrower's knowledge, after diligent investigation and inquiry, has never been on, any federal or state "Superfund" or "Superlien" list.

24.1.7. Neither Borrower nor, to the best of Borrower's knowledge and belief, any tenant of any portion of the Mortgaged Property has received any notice from any Governmental Authority regarding any violation of any Environmental Laws.

24.1.8. The use that Borrower makes and intends to make of the Mortgaged Property shall not result in the disposal or release of any Hazardous Substances on, in, or to the Mortgaged Property.

24.1.9. Borrower shall not cause any violation of any Environmental Laws, nor permit any tenant of any portion of the Mortgaged Property to cause such a violation, nor permit any environmental liens to be placed on any portion of the Mortgaged Property.

24.1.10. Neither Borrower nor any third party shall use, generate, manufacture, store, release, discharge, or dispose of any Hazardous Substance on, under, or about the Mortgaged Property, or transport any Hazardous Substance to or from the Mortgaged Property.

24.2. Survival of Representations and Warranties. The foregoing representations and warranties shall be continuing and shall be true and correct for the period from the date of this instrument to the release of this Mortgage (whether by payment of the Indebtedness secured by this Mortgage or foreclosure or action in lieu of foreclosure), and these representations and warranties shall survive such release.

24.3. Notice to Lender. Borrower shall give prompt written notice to Lender of:

24.3.1. Any proceeding or inquiry by any Governmental Authority (including, without limitation, the Illinois State Department of Public Health or the Illinois Environmental Protection Agency) regarding the presence or threatened presence of any Hazardous Substance on the Mortgaged Property;

24.3.2. All claims made or threatened by any third party against Borrower or the Mortgaged Property relating to any loss or injury resulting from any Hazardous Substance;

24.3.3. Borrower's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Mortgaged Property that could cause it or any part of it to be subject to any restrictions on the ownership, occupancy, transferability, or use of the Mortgaged Property under any Environmental Laws.

24.4. Lender's Right to Join Legal Actions. Lender shall have the right, at its option, but at Borrower's sole cost and expense, to join and participate in, as a party if it so elects, any legal proceedings or actions initiated by or against Borrower or the Mortgaged Property in connection with any Environmental Laws.

24.5. Borrower's Indemnity. Borrower shall indemnify, defend, and hold harmless Lender, its directors, officers, employees, agents, successors, and assigns from and against any loss, damage, cost, expense, or liability directly or indirectly arising from or attributable to the use, generation, manufacture, production, storage, release, threatened release, discharge, disposal, or presence of a Hazardous Substance on, under, or about the Mortgaged Property, or any order, consent decree, or settlement relating to the cleanup of a Hazardous Substance, or any claims of loss, damage, liability, expense, or injury relating to or arising from, directly or indirectly, any disclosure by Lender to anyone of information, whether true or not, relative to a Hazardous Substance or Environmental Law violation, including, without limitation, Attorney Fees. This indemnity shall survive the release of this Mortgage (whether by payment of the Indebtedness secured by this Mortgage or foreclosure or action in lieu of foreclosure).

25. Reserved.

26. Reserved.

27. Release. Upon payment of all sums secured by this Mortgage, Lender shall release this Mortgage. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Mortgage, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

28. Reserved.

29. No Waiver by Lender. No waiver by Lender of any right or remedy provided by the Loan Documents or Governmental Requirements shall be effective unless such waiver is in writing and signed by two authorized officers of Lender. Waiver by Lender of any right or remedy granted to Lender under the Loan Documents or Governmental Requirements as to any transaction or occurrence shall not be deemed a waiver of any future transaction or occurrence. The acceptance of payment of any sum secured by this Mortgage after its due date, or the payment by Lender of any Indebtedness or the performance by Lender of any Obligations of Borrower under the Loan Documents, on Borrower's failure to do so, or the addition of any payment so made by Lender to the Indebtedness secured by this Mortgage, or the exercise of Lender's right to enter the Mortgaged Property and receive and collect the Rents from it, or the assertion by Lender of any other right or remedy under the Loan Documents, shall not constitute a waiver of Lender's right to require prompt performance of all other Obligations of Borrower under the Loan Documents and payment of the Indebtedness, or to exercise any other right or remedy under the Loan Documents for any failure by Borrower to timely and fully pay the Indebtedness and perform its Obligations under the Loan Documents. Lender may waive any right or remedy under the Loan Documents or Governmental Requirements without notice to or consent from Borrower, any guarantor of the Indebtedness and of Borrower's Obligations under the Loan Documents, or any holder or claimant of a lien or other interest in the Mortgaged Property that is junior to the lien of this Mortgage, and without incurring liability to Borrower or any other person by so doing.

30. Consents and Modifications; Borrower and Lien Not Released. Despite Borrower's default in the payment of any Indebtedness secured by this Mortgage or in the performance of any Obligations under this Mortgage or Borrower's breach of any obligation, covenant, or agreement in the Loan Documents, Lender, at Lender's option, without notice to or consent from Borrower, any guarantor of the Indebtedness and of Borrower's Obligations under the Loan Documents, or any holder or claimant of a lien or interest in the Mortgaged Property that is junior to the lien of this Mortgage, and without incurring liability to Borrower or any other person by so doing, may from time to time (a) extend the time for payment of all or any portion of Borrower's Indebtedness under the Loan Documents; (b) accept a renewal note or notes, or release any person from liability, for all or any portion of such Indebtedness; (c) agree with Borrower to modify the terms and conditions of payment under the Loan Documents; (d) reduce the amount of the monthly installments due under paragraph 9 of this Mortgage; (e) reconvey or release other or additional security for the repayment of Borrower's Indebtedness under the Loan Documents; (f) approve the preparation or filing of any map or plat with respect to the Mortgaged Property; (g) enter into any extension or subordination agreement affecting the Mortgaged Property or the lien of this Mortgage; and (h) agree with Borrower to modify the term, the rate of interest, or the period of amortization of the Note or alter the amount of the monthly installments payable under the Note. No action taken by Lender under this paragraph shall be effective unless it is in writing, subscribed by Lender, and, except as expressly stated in such writing, no such action will impair or affect (i) Borrower's obligation to pay the Indebtedness secured by this Mortgage and to observe all Obligations of Borrower contained in the Loan Documents; (ii) the guaranty of any Person of the payment of the Indebtedness secured by this Mortgage; or (iii) the lien or priority of the lien of this Mortgage. At Lender's request, Borrower shall promptly pay Lender a reasonable service charge, together with all insurance premiums and Attorney Fees as Lender may have advanced, for any action taken by Lender under this paragraph.

Whenever Lender's consent or approval is specified as a condition of any provision of this Mortgage, such consent or approval shall not be effective unless such consent or approval is in writing, signed by two authorized officers of Lender.

31. Waiver of Right of Offset. No portion of the Indebtedness secured by this Mortgage shall be or be deemed to be offset or compensated by all or any part of any claim, cause of action, counterclaim, or cross-claim, whether liquidated or unliquidated, that Borrower may have or claim to have against Lender.

32. Future Advances. On request by Borrower, Lender, at Lender's option, may make future advances to Borrower. All such future advances, with interest, shall be added to and become a part of the Indebtedness

secured by this Mortgage when evidenced by promissory notes reciting that such note(s) are secured by this Mortgage.

33. Prepayment. If the Note secured by this Mortgage provides for a fee or charge as consideration for the acceptance of prepayment of principal, Borrower agrees to pay said fee or charge if the Indebtedness or any part of it shall be paid, whether voluntarily or involuntarily, before the due date stated in the Note, even if Borrower has defaulted in payment or in the performance of any agreement under this Mortgage and Lender, for that reason or by reason of paragraphs 20 and 21 of this Mortgage, shall have declared all sums secured by this Mortgage immediately due and payable.

34. Additional Borrower Representations. To induce Lender to enter into this Mortgage, the Note, and the other Loan Documents and to make the Loan, Borrower makes the following representations and warranties, which are deemed made as of both the date and the recordation of this Mortgage:

34.1. Capacity. Borrower and the individuals executing Loan Documents on Borrower's behalf have the full power, authority, and legal right to execute and deliver, and to perform and observe the provisions of this Mortgage, the Note, the other Loan Documents, and any other document, agreement, certificate, or instrument executed in connection with the Loan, and to carry out the contemplated transactions.

34.2. Authority and Enforceability. Borrower's execution, delivery, and performance of this Mortgage, the Note, the other Loan Documents, and any other document, agreement, certificate, or instrument executed in connection with the Loan have been duly authorized by all necessary corporate or other business entity action and do not and shall not require any registration with, consent, or approval of, notice to, or any action by any Person or Governmental Authority. Borrower has obtained or will obtain on or before the recordation of this Mortgage all necessary Governmental Authority and other approvals necessary for Borrower to comply with the Loan Documents. This Mortgage, the Note, and the other Loan Documents executed in connection with the Loan, when executed and delivered by Borrower, shall constitute the legal, valid, binding, and joint and several obligations of Borrower enforceable in accordance with their respective terms.

34.3. Compliance With Other Instruments. The execution and delivery of this Mortgage and the other Loan Documents, and compliance with their respective terms, and the issuance of the Note and other Loan Documents as contemplated in this Mortgage, shall not result in a breach of any of the terms or conditions of, or result in the imposition of, any lien, charge, or encumbrance (except as created by this Mortgage and the other Loan Documents) on any properties of Borrower, or constitute a default (with due notice or lapse of time or both) or result in an occurrence of an event for which any holder or holders of indebtedness may declare the same due and payable under, any indenture, agreement, order, judgment, or instrument to which Borrower is a party or by which Borrower or its properties may be bound or affected.

34.4. Compliance With Law. The execution and delivery of this Mortgage, the Note, and the other Loan Documents, or any other document, agreement, certificate, or instrument to which Borrower is bound in connection with the Loan, do not conflict with, result in a breach or default under, or create any lien or charge under any provision of any Governmental Requirements to which it is subject and shall not violate any of the Governmental Requirements.

34.5. Material Adverse Events. Since the date of the financial statements delivered to Lender before recordation of this Mortgage, neither the condition (financial or otherwise) nor the business of Borrower and the Mortgaged Property have been materially adversely affected in any way.

34.6. Litigation. There are no actions, suits, investigations, or proceedings pending or, to Borrower's knowledge after due inquiry and investigation, threatened against or affecting Borrower at law or in equity, before or by any Person or Governmental Authority, that, if adversely determined, would have a material adverse effect on the business, properties, or condition (financial or otherwise) of Borrower or on the validity or enforceability of this Mortgage, any of the other Loan Documents, or the ability of Borrower to perform under any of the Loan Documents.

34.7. No Untrue Statements. All statements, representations, and warranties made by Borrower in this Mortgage or any other Loan Document and any other agreement, document, certificate, or instrument

previously furnished or to be furnished by Borrower to Lender under the Loan Documents (a) are and shall be true, correct, and complete in all material respects at the time they were made and on and as of the recordation of this Mortgage, (b) do not and shall not contain any untrue statement of a material fact, and (c) do not and shall not omit to state a material fact necessary to make the information in them neither misleading nor incomplete. Borrower understands that all such statements, representations, and warranties shall be deemed to have been relied on by Lender as a material inducement to make the Loan.

34.8. Policies of Insurance. Each copy of the insurance policies relating to the Mortgaged Property delivered to Lender by Borrower (a) is a true, correct, and complete copy of the respective original policy in effect on the date of this Mortgage, and no amendments or modifications of said documents or instruments not included in such copies have been made, except as stated in this paragraph 34.8 and (b) has not been terminated and is in full force and effect. Borrower is not in default in the observance or performance of its material obligations under said documents or instruments and Borrower has done all things required to be done as of the date of this Mortgage to keep unimpaired its rights thereunder.

34.9. Financial Statements. All financial statements furnished to Lender are true and correct in all material respects, are prepared in accordance with generally accepted accounting principles, and do not omit any material fact the omission of which makes such statement or statements misleading. There are no facts that have not been disclosed to Lender by Borrower in writing that materially or adversely affect or could potentially in the future affect the Mortgaged Property or the business prospects, profits, or condition (financial or otherwise) of Borrower or any guarantor or Borrower's abilities to perform the Obligations and pay the Indebtedness.

34.10. Water Rights. (a) Borrower is the sole owner of record of the Water Rights; (b) the Water Rights are appurtenant to the Mortgaged Property and are free and clear of all liens and encumbrances except as set forth in the title report described in paragraph 1.22; (c) the Water Rights are sufficient to satisfy all water requirements of the development of the Mortgaged Property as presently contemplated; (d) the Water Rights include all water rights appurtenant to the Mortgaged Property; (e) Borrower has received a water service commitment from the applicable local water district, guaranteeing water service for the Mortgaged Property in an amount necessary to satisfy the requirements for such property in its currently contemplated final state of development; and (f) on recordation of this Mortgage with the county recorder, Lender shall have a valid, first priority, perfected security interest in the Water Rights.

34.11. Taxes. Borrower has filed or caused to be filed all tax returns that are required to be filed by Borrower under the Governmental Requirements of each Governmental Authority with taxing power over Borrower, and Borrower has paid, or made provision for the payment of, all taxes, assessments, fees, and other governmental charges that have or may have become due under said returns, or otherwise, or under any assessment received by Borrower except that such taxes, if any, as are being contested in good faith and as to which adequate reserves (determined in accordance with generally accepted accounting principles) have been provided.

34.12. Leases. If the Mortgaged Property includes a leasehold estate, Borrower has not and shall not surrender, terminate, cancel, waive, accept waiver, change, supplement, grant subleases of, alter, surrender, or amend, and shall comply with all terms, covenants, and conditions in the Leasehold.

34.13. Further Acts. Borrower shall, at its sole cost and expense, and without expense to Lender, do, execute, acknowledge, and deliver all and every such further acts, deeds, conveyances, deeds of trust, mortgages, assignments, notices of assignments, transfers, and assurances as Lender shall from time to time require, for the purpose of better assuring, conveying, assigning, transferring, pledging, mortgaging, warranting, and confirming to Lender the Mortgaged Property and rights, and as to Lender the security interest as to the Personalty, conveyed or assigned by this Mortgage or intended now or later so to be, or for carrying out the intention or facilitating the performance of the terms of this Mortgage, or for filing, registering, or recording this Mortgage and, on demand, shall execute and deliver, and authorizes Lender to execute in the name of Borrower, to the extent it may lawfully do so, one or more financing statements, chattel mortgages, or comparable Mortgages, to evidence more effectively the lien of this Mortgage on the Mortgaged Property.

34.14. Filing Fees. Borrower shall pay all filing, registration, or recording fees, all Governmental Authority stamp taxes and other fees, taxes, duties, imposts, assessments, and all other charges incident to, arising from, or in connection with the preparation, execution, delivery, and enforcement of the Note, this Mortgage, the other Loan Documents, any supplemental deed of trust or mortgage, or any instrument of further assurance.

34.15. Entity Compliance. As long as it is the owner of the Mortgaged Property, Borrower, if a corporation, limited liability company, or partnership, shall do all things necessary to preserve and keep in full force and effect its existence, franchises, rights, and privileges as such entity under the laws of the state of its incorporation or formation, and shall comply with all Governmental Requirements of any Governmental Authority applicable to Borrower or to the Mortgaged Property or any part of it.

35. Governing Law; Consent to Jurisdiction and Venue. The validity of this Mortgage and its construction, interpretation, and enforcement, and the parties' rights under this Mortgage and concerning the Mortgaged Property, shall be decided under, governed by, and construed in accordance with the laws of the State of Illinois. The Parties agree that any foreclosure or other remedy under this Mortgage shall be tried and litigated only in the state courts located in the county in which the property is located, or the applicable federal district court that covers said county. Borrower waives any right Borrower may have to assert the doctrine of forum non conveniens or to object to such venue.

Notwithstanding the foregoing, the Promissory Note and all other Loan Documents related to the transaction are, by agreement of the Parties, subject to the laws of the State of California. The Parties agree that jurisdiction and venue for any dispute, claim or controversy arising out of or relating to the Promissory Note and loan documents (other than with respect to the enforcement or foreclosure of this Mortgage) shall be Los Angeles County, California, and Borrower submits to personal jurisdiction in that forum for any and all purposes. Borrower waives any right Borrower may have to assert the doctrine of forum non conveniens or to object to such venue.

36. Taxation of Mortgage. In the event of the enactment of any law deducting from the value of the Mortgaged Property any mortgage lien on it, or imposing on Lender the payment of all or part of the taxes, charges, or assessments previously paid by Borrower under this Mortgage, or changing the law relating to the taxation of mortgages, debts secured by mortgages, or Lender's interest in the Mortgaged Property so as to impose new incidents of tax on Lender, then Borrower shall pay such taxes or assessments or shall reimburse Lender for them; provided, however, that if in the opinion of Lender's counsel such payment cannot lawfully be made by Borrower, then Lender may, at Lender's option, declare all sums secured by this Mortgage to be immediately due and payable without notice to Borrower. Lender may invoke any remedies permitted by this Mortgage.

37. Mechanics' Liens. Borrower shall pay from time to time when due, all lawful claims and demands of mechanics, materialmen, laborers, and others that, if unpaid, might result in, or permit the creation of, a lien on the Mortgaged Property or any part of it, or on the Rents arising therefrom, and in general shall do or cause to be done everything necessary so that the lien and security interest of this Mortgage shall be fully preserved, at Borrower's expense, without expense to Lender; provided, however, that if Governmental Requirements empower Borrower to discharge of record any mechanics', laborer's, materialman's, or other lien against the Mortgaged Property by the posting of a bond or other security, Borrower shall not have to make such payment if Borrower posts such bond or other security on the earlier of (a) 10 days after the filing or recording of same or (b) within the time prescribed by law, so as not to place the Mortgaged Property in jeopardy of a lien or forfeiture.

38. Brokerage. Borrower represents and warrants to Lender that Borrower has not dealt with any Person, other than parties identified in the final settlement statement approved by Lender and Borrower, who is or may be entitled to any finder's fee, brokerage commission, loan commission, or other sum in connection with the execution of this Mortgage, the consummation of the transactions contemplated by this Mortgage, or the making of the Loan secured by this Mortgage by Lender to Borrower, and Borrower indemnifies and agrees to hold Lender harmless from and against any and all loss, liability, or expense,

including court costs and Attorney Fees, that Lender may suffer or sustain if such warranty or representation proves inaccurate in whole or in part.

39. Liability for Acts or Omissions. Lender shall not be liable or responsible for its acts or omissions under this Mortgage, except for Lender's own gross negligence or willful misconduct, or be liable or responsible for any acts or omissions of any agent, attorney, or employee of Lender, if selected with reasonable care.

40. Notices. Except for any notice required by Governmental Requirements to be given in another manner, (a) all notices required or permitted by the Loan Documents shall be in writing; (b) each notice shall be sent (i) for personal delivery by a delivery service that provides a record of the date of delivery, the individual to whom delivery was made, and the address where delivery was made; (ii) by certified United States mail, postage prepaid, return receipt requested; or (iii) by nationally recognized overnight delivery service, marked for next-business-day delivery; and (c) all notices shall be addressed to the appropriate party at its address as follows or such other addresses as may be designated by notice given in compliance with this provision:

Lender: Master's Holdings, LLC
At the address provided above

Borrower: EquityBuild, Inc.
At the address provided above

Notices will be deemed effective on the earliest of (a) actual receipt; (b) rejection of delivery; or (c) if sent by certified mail, the third day on which regular United States mail delivery service is provided after the day of mailing or, if sent by overnight delivery service, on the next day on which such service makes next-business-day deliveries after the day of sending.

To the extent permitted by Governmental Requirements, if there is more than one Borrower, notice to any Borrower shall constitute notice to all Borrowers. For notice purposes, Borrower agrees to keep Lender informed at all times of Borrower's current address(es).

41. Statement of Obligations. Except as otherwise provided by Governmental Requirements, at Lender's request, Borrower shall promptly pay to Lender such fee as may then be provided by law as the maximum charge for each statement of obligations, Lender's statement, Lender's demand, payoff statement, or other statement on the condition of, or balance owed, under the Note or secured by this Mortgage.

42. Application of Payments. Except as otherwise expressly provided by Governmental Requirements or any other provision of this Mortgage, all payments received by Lender from Borrower under the Loan Documents shall be applied by Lender in the following order: (a) costs, fees, charges, and advances paid or incurred by Lender or payable to Lender and interest under any provision of this Note or the Mortgage, in such order as Lender, in its sole and absolute discretion, elects, (b) interest payable under the Note, and (c) principal under the Note.

43. Remedies Are Cumulative. Each remedy in this Mortgage is separate and distinct and is cumulative to all other rights and remedies provided by this Mortgage or by Governmental Requirements, and each may be exercised concurrently, independently, or successively, in any order whatsoever.

44. Obligations of Borrower Joint and Several. If more than one Person is named as Borrower, each obligation of Borrower under this Mortgage shall be the joint and several obligations of each such Person.

45. Severability. If any provision of the Loan Documents, or the application of them to the circumstances, is held void, invalid, or unenforceable by a court of competent jurisdiction, the Loan Documents, and the applications of such provision to other parties or circumstances, shall not be affected thereby, the provisions of the Loan Documents being severable in any such instance.

46. Delegation of Authority. Whenever this Mortgage provides that Borrower authorizes and appoints Lender as Borrower's attorney-in-fact to perform any act for or on behalf of Borrower or in the name, place,

and stead of Borrower, Borrower expressly understands and agrees that this authority shall be deemed a power coupled with an interest and such power shall be irrevocable.

47. General Provisions.

47.1. Successors and Assigns. Subject to paragraphs 19 and 20 of this Mortgage, this Mortgage applies to, inures to the benefit of, and binds, the respective heirs, legatees, devisees, administrators, executors, successors, and assigns of each party to this Mortgage.

47.2. Meaning of Certain Terms. As used in this Mortgage and unless the context otherwise provides, the words "herein," "hereunder" and "hereof" mean and include this Mortgage as a whole, rather than any particular provision of it.

47.3. Authorized Agents. In exercising any right or remedy, or taking any action provided in this Mortgage, Lender may act through its employees, agents, or independent contractors, as Lender expressly authorizes.

47.4. Gender and Number. Wherever the context so requires in this Mortgage, the masculine gender includes the feminine and neuter, the singular number includes the plural, and vice versa.

47.5. Captions. Captions and paragraph headings used in this Mortgage are for convenience of reference only, are not a part of this Mortgage, and shall not be used in construing it.

47.6. Time Is of the Essence. As a material inducement and consideration to the parties entering into this Mortgage, and but for this provision the parties would not enter into this Mortgage, the parties agree that the performance in a timely manner of each deadline set forth in this Mortgage before its expiration is of crucial importance to the parties. Failure by a party to timely perform an obligation before the deadline set forth in this Mortgage (no matter for what reason, nor how soon thereafter it may have been performed, nor the lack of prejudice to the other party as the result of such nonperformance) shall result in a default by the nonperforming party or the failure of a condition, as appropriate. The parties expressly waive any equitable relief with respect to a missed deadline.

48. Leasehold Provisions.

48.1. Leasehold Estate. If the security for this Mortgage is a leasehold estate demised by a lease (the "Leasehold"), this Mortgage shall be a lien on all present and future right, title, estate, and interest of Borrower in the Mortgaged Property and Improvements covered by the Leasehold and on all Mortgaged Property interests acquired by Borrower as a result of the exercise of any option in the Leasehold or as amended, in the same manner and to the same extent as if the Mortgaged Property encompassed in the Leasehold and option agreements had been held in fee by Borrower at the time of the execution of this Mortgage, and Borrower agrees not to amend, change, or modify its leasehold interest, or any of its terms, or to exercise any option to purchase, or agree to do so, without having obtained Lender's prior written consent. In a violation of this provision, Lender may, at its option, declare all sums secured by this Mortgage immediately due and payable. Consent to any amendment, change, or modification, or a waiver of the right to require such consent in one instance, shall not be a waiver of the right to require such consent at a subsequent time. The term "Mortgaged Property" as used in this Mortgage means such leasehold estate or any other present or future interest of Borrower in the Mortgaged Property whenever the context requires.

48.2. Compliance With Leasehold. In the event that the security for this Mortgage is a leasehold estate, Borrower covenants and agrees as follows: (a) to promptly and faithfully observe, perform, and comply with all Leasehold terms, covenants, and provisions on its part to be observed, performed, and complied with, at the times set forth in the Leasehold; (b) not to do, permit, suffer, or refrain from doing anything, as a result of which, there would be a default under or breach of any of the terms of the Leasehold; (c) not to cancel, surrender, modify, amend, or in any way alter or permit the alteration of any of the terms of the Leasehold; (d) to give Lender immediate notice of any default by anyone under the Leasehold and to promptly deliver to Lender copies of each notice of default and all other notices, communications, plans, specifications, and other similar instruments received or delivered by Borrower in this connection; (e) to furnish to Lender such information and evidence as Lender may reasonably require for Borrower's due observance, performance, and compliance with the Leasehold terms, covenants, and provisions; (f) that any default of the tenant under the Leasehold shall constitute an Event of Default under this Mortgage; and (g)

to give immediate written notice to Lender of the commencement of any remedial proceedings under the Leasehold by any party to it and, if required by Lender, to permit Lender as Borrower's attorney-in-fact to control and act for Borrower in any such remedial proceedings. Borrower expressly transfers and assigns to Lender the benefit of all covenants in the Leasehold, whether or not such covenants run with the land, but Lender shall have no liability with respect to such covenants or any other covenants in the Leasehold.

48.3. Borrower's Warranties and Representations. With respect to the Leasehold, Borrower warrants and represents as follows: (a) the Leasehold is in full force and effect, unmodified by any writing or otherwise, except as specifically set forth in Exhibit B; (b) all rent, additional rent, and other charges reserved in the Leasehold have been paid to the extent they are payable to the date of this Mortgage; (c) Borrower enjoys the quiet and peaceful possession of the Mortgaged Property demised by the Leasehold; (d) Borrower is not in default under any Leasehold term and, to the best of its knowledge, there are no circumstances that, with the passage of time or the giving of notice or both, would constitute an Event of Default under the Leasehold; (e) to the best of Borrower's knowledge, the landlord under the Leasehold is not in default under any Leasehold term or provision the landlord is required to observe or perform.

48.4. Assignments to Lender. If Borrower files any petition or action for relief under any bankruptcy, reorganization, insolvency, moratorium law, or any other law or laws for the relief of or relating to debtors, on demand by Lender, Borrower covenants to transfer and assign to Lender its leasehold estate and the Leasehold in lieu of rejection of the Leasehold by Borrower and covenants to assign to Lender its right to accept or reject the Leasehold and to apply for any extension of time within which to accept or reject the Leasehold. These assignments to Lender shall be automatic on Lender's demand. If Lender demands the assignment of the Leasehold under this Mortgage, Lender covenants to cure any defaults outstanding under the Leasehold after the Leasehold is assigned to Lender.

48.5. Default Under Leasehold. If Borrower defaults in performing any of its obligations under the Leasehold, including, without limitation, any default in the payment of rent and other charges and impositions made payable by the tenant under the Leasehold, then, in each and every case, Lender may, at its option and without notice, cause the default or defaults to be remedied and otherwise exercise any and all of the rights of Borrower under the Leasehold in the name of and on behalf of Borrower. Borrower shall, on demand, reimburse Lender for all advances made and expenses incurred by Lender in curing any such default (including, without limitation, reasonable Attorney Fees), together with interest computed at the rate provided for in the Note from the date that an advance is made or expense is incurred, to and including the date the same is paid. Lender shall have no duty to prevent the termination of the leasehold estate by the landlord. If the landlord terminates the leasehold estate, Lender shall have the right, at its option, to declare all sums secured by this Mortgage immediately due and payable and immediately bring an action on the Note, provided there is no other real property security for the Note.

48.6. Options. Borrower shall give Lender notice of its intention to exercise each and every option to extend the term of the Leasehold at least 20 days but not more than 60 days before expiration of the time to exercise such option under the Leasehold. If Borrower intends to extend the term of the Leasehold, it shall deliver to Lender, with the notice of such decision, a copy of the notice of extension delivered to the landlord under the Leasehold. If Borrower does not intend to extend the term of the Leasehold, Lender may, at its option, exercise the option to extend in the name and on behalf of Borrower.

48.7. No Merger/Attorney-in-Fact. It is hereby agreed that the fee title, the leasehold estate, and the subleasehold estate in the Mortgaged Property demised by the Leasehold shall not merge but shall be kept separate and distinct, despite the union of these estates in either the landlord under the Leasehold, Borrower, or a third party, whether by purchase or otherwise. If Borrower acquires the fee title or any other estate, title, or interest in the Mortgaged Property demised by the Leasehold or any part of it, the lien of this Mortgage shall attach to, cover, and be a lien on such acquired estate, title, or interest and it shall simultaneously be and become a part of the Mortgaged Property with the same force and effect as if specifically encumbered in this Mortgage. Borrower agrees to execute all instruments and documents that Lender may reasonably require to ratify, confirm, and further evidence Lender's lien on the acquired estate, title, or interest. Furthermore, Borrower appoints Lender as its true and lawful attorney-in-fact to execute

and deliver all such instruments and documents in the name and on behalf of Borrower. This power, being coupled with an interest, shall be irrevocable as long as any amounts secured by this Mortgage remain unpaid.

48.8. Interests in Successor Leasehold. If the Leasehold is canceled or terminated, and if Lender or its nominee shall acquire an interest in any new lease of the Mortgaged Property demised by the Leasehold, Borrower shall have no right, title, or interest in or to the new lease or the leasehold estate created by such new lease.

48.9. Estoppel Certificate. Borrower shall use its best efforts to obtain and deliver to Lender, within 20 days after written demand by Lender, an estoppel certificate from the landlord under the Leasehold setting forth (a) the name of the tenant under the Leasehold, (b) that the Leasehold has not been modified or, if it has been modified, the date of each modification (together with copies of each such modification), (c) the basic rent payable under the Leasehold, (d) the date to which the tenant paid all rental charges under the Leasehold, and (e) whether there are any alleged defaults of the tenant under the Leasehold and, if there are, setting forth their nature in reasonable detail.

48.10. Limitations on Lender's Liability Under Leasehold. Despite anything to the contrary in this Mortgage, this Mortgage shall not constitute an assignment of the Leasehold within the meaning of any provision of the Leasehold prohibiting its assignment, and Lender shall have no liability or obligation under the Leasehold because of its acceptance of this Mortgage. Lender shall be liable for the tenant's obligations arising under the Leasehold for only that period of time that Lender is in possession of the Mortgaged Property covered by the Leasehold or has acquired, by foreclosure or otherwise, and is holding all of Borrower's right, title, and interest in the Mortgaged Property covered by the Leasehold.

51. Illinois Collateral Protection Act Disclosure.

"Unless you provide us with evidence of the insurance coverage required by your agreement with us, we may purchase insurance at your expense to protect our interests in your collateral. This insurance may, but need not, protect your interests. The coverage that we purchase may not pay any claim that you make or any claim that is made against you in connection with the collateral. You may later cancel any insurance purchased by us, but only after providing us with evidence that you have obtained insurance as required by our agreement. If we purchase insurance for the collateral, you will be responsible for the costs of that insurance, including interest and any other charges we may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to your total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance you may be able to obtain on your own."

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on December 12th, 2016. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Two Million Seven Hundred Fifty Thousand and 00/100 Dollars (U.S. \$2,750,000.00). This debt is evidenced by Borrower's notes dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable June 1st, 2018. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-24-424-011-0000

which has the address of 7024 S Paxton Ave. Chicago, IL 60649 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

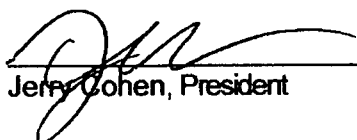

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

“UCC” means the Uniform Commercial Code as promulgated in the applicable jurisdiction.

2. **Uniform Commercial Code Security Agreement.**

- (a) This Instrument is also a security agreement under the UCC for any of the Mortgaged Property which, under applicable law, may be subjected to a security interest under the UCC, for the purpose of securing Borrower’s obligations under this Instrument and to further secure Borrower’s obligations under the Note, this Instrument and other Loan Documents, whether such Mortgaged Property is owned now or acquired in the future, and all products and cash and non-cash proceeds thereof (collectively, **“UCC Collateral”**), and by this Instrument, Borrower grants to Lender a security interest under the UCC in the UCC

Collateral. To the extent necessary under applicable law, Borrower hereby authorizes Lender to prepare and file financing statements, continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest.

- (b) Unless Borrower gives Notice to Lender within 30 days after the occurrence of any of the following, and executes and delivers to Lender modifications or supplements of this Instrument (and any financing statement which may be filed in connection with this Instrument) as Lender may require, Borrower will not (i) change its name, identity, structure or jurisdiction of organization; (ii) change the location of its place of business (or chief executive office if more than one place of business); or (iii) add to or change any location at which any of the Mortgaged Property is stored, held or located.
- (c) If an Event of Default has occurred and is continuing, Lender will have the remedies of a secured party under the UCC, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Lender's other remedies.
- (d) This Instrument also constitutes a financing statement with respect to any part of the Mortgaged Property that is or may become a Fixture, if permitted by applicable law.

3. Assignment of Rents; Appointment of Receiver; Lender in Possession.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Rents.
 - (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower.
 - (ii) Promptly upon request by Lender, Borrower agrees to execute and deliver such further assignments as Lender may from time to time require. Borrower and Lender intend this assignment of Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.
 - (iii) For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, Rents will not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents will be included as a part of the Mortgaged

Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on Rents in favor of Lender, which Lien will be effective as of the date of this Instrument.

- (b) (i) Until the occurrence of an Event of Default, Lender hereby grants to Borrower a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender and to apply all Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including Imposition Reserve Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities, Taxes and insurance premiums (to the extent not included in deposits to Reserve Funds), tenant improvements and other capital expenditures.
- (ii) So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be retained by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Instrument.
- (iii) After the occurrence of an Event of Default, and during the continuance of such Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender. From and after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower's license to collect Rents will automatically terminate and Lender will without Notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Borrower will pay to Lender upon demand all Rents to which Lender is entitled.
- (iv) At any time on or after the date of Lender's demand for Rents, Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender. No tenant will be obligated to inquire further as to the occurrence or continuance of an Event of Default. No tenant will be obligated to pay to Borrower any amounts which are actually paid to Lender in response to such a notice. Any such notice by Lender will be delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Borrower will not interfere with and will cooperate with Lender's collection of such Rents.
- (c) If an Event of Default has occurred and is continuing, then Lender will have each of the following rights and may take any of the following actions:

- (i) Lender may, regardless of the adequacy of Lender's security or the solvency of Borrower and even in the absence of waste, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of Repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing the assignment of Rents pursuant to Section 3(a), protecting the Mortgaged Property or the security of this Instrument, or for such other purposes as Lender in its discretion may deem necessary or desirable.
- (ii) Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender's security, without regard to Borrower's solvency and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte* if permitted by applicable law.
- (iii) If Borrower is a housing cooperative corporation or association, Borrower hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including deposits to Reserve Funds, it being acknowledged and agreed that the Indebtedness is an obligation of Borrower and must be paid out of maintenance charges payable by Borrower's tenant shareholders under their proprietary leases or occupancy agreements.
- (iv) Lender or the receiver, as the case may be, will be entitled to receive a reasonable fee for managing the Mortgaged Property.
- (v) Immediately upon appointment of a receiver or immediately upon Lender's entering upon and taking possession and control of the Mortgaged Property, Borrower will surrender possession of the Mortgaged Property to Lender or the receiver, as the case may be, and will deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys,

plans, and specifications relating to the Mortgaged Property and all security deposits and prepaid Rents.

- (vi) If Lender takes possession and control of the Mortgaged Property, then Lender may exclude Borrower and its representatives from the Mortgaged Property.

Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 3 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

- (d) If Lender enters the Mortgaged Property, Lender will be liable to account only to Borrower and only for those Rents actually received. Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property, by reason of any act or omission of Lender under Section 3(c), and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law.
- (e) If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes will become an additional part of the Indebtedness as provided in Section 7.
- (f) Any entering upon and taking of control of the Mortgaged Property by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument will not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

4. Assignment of Leases; Leases Affecting the Mortgaged Property.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower's right, title and interest in, to and under the Leases, including Borrower's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.
 - (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower's right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.

- (ii) For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases will not be deemed to be a part of the Mortgaged Property.
 - (iii) However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property Jurisdiction, then the Leases will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on the Leases in favor of Lender, which Lien will be effective as of the date of this Instrument.
- (b) Until Lender gives Notice to Borrower of Lender's exercise of its rights under this Section 4, Borrower will have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this Section or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, and during the continuance of such Event of Default, the permission given to Borrower pursuant to the preceding sentence to exercise all rights, power and authority under Leases will automatically terminate. Borrower will comply with and observe Borrower's obligations under all Leases, including Borrower's obligations pertaining to the maintenance and disposition of tenant security deposits.
- (c) (i) Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this Section 4 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements.
- (ii) The acceptance by Lender of the assignment of the Leases pursuant to Section 4(a) will not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses.
- (iii) Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable in any way for any injury or damage to person or property sustained by any Person in or about the Mortgaged Property.
- (iv) Prior to Lender's actual entry into and taking possession of the Mortgaged Property, Lender will not be obligated for any of the following:
- (A) Lender will not be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease).

- (B) Lender will not be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property.
- (C) Lender will not be responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property. The execution of this Instrument by Borrower will constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and will be that of Borrower, prior to such actual entry and taking of possession.
- (d) Upon delivery of Notice by Lender to Borrower of Lender's exercise of Lender's rights under this Section 4 at any time after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately will have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.
- (e) Borrower will, promptly upon Lender's request, deliver to Lender an executed copy of each residential Lease then in effect.
- (f) If Borrower is a cooperative housing corporation or association, notwithstanding anything to the contrary contained in this Instrument, so long as Borrower remains a cooperative housing corporation or association and is not in breach of any covenant of this Instrument, Lender consents to the following:
 - (i) Borrower may execute leases of apartments for a term in excess of 2 years to a tenant shareholder of Borrower, so long as such leases, including proprietary leases, are and will remain subordinate to the Lien of this Instrument.
 - (ii) Borrower may surrender or terminate such leases of apartments where the surrendered or terminated lease is immediately replaced or where Borrower makes its best efforts to secure such immediate replacement by a newly-executed lease of the same apartment to a tenant shareholder of Borrower. However, no consent is given by Lender to any execution, surrender, termination or assignment of a lease under terms that would waive or reduce the obligation of the resulting tenant shareholder under such lease to pay cooperative assessments in full when due or the obligation of the former tenant shareholder to pay any unpaid portion of such assessments.

5. **Prepayment Charge.** Borrower will be required to pay a Prepayment charge in connection with certain prepayments of the Indebtedness, including a payment made after Lender's exercise of any right of acceleration of the Indebtedness, as provided in the Note.
6. **Application of Payments.** If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount that is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized will constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower's obligations under this Instrument, the Note and all other Loan Documents will remain unchanged.
7. **Protection of Lender's Security; Instrument Secures Future Advances.**
- (a) If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including all of the following:
- (i) Lender may pay Attorneys' Fees and Costs.
 - (ii) Lender may pay fees and out-of-pocket expenses of accountants, inspectors and consultants.
 - (iii) Lender may enter upon the Mortgaged Property to make Repairs or secure the Mortgaged Property.
 - (iv) Lender may procure the Insurance required by the Loan Agreement.
 - (v) Lender may pay any amounts which Borrower has failed to pay under the Loan Agreement.
 - (vi) Lender may perform any of Borrower's obligations under the Loan Agreement.

- (vii) Lender may make advances to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a Prior Lien.
 - (b) Any amounts disbursed by Lender under this Section 7, or under any other provision of this Instrument that treats such disbursement as being made under this Section 7, will be secured by this Instrument, will be added to, and become part of, the principal component of the Indebtedness, will be immediately due and payable and will bear interest from the date of disbursement until paid at the Default Annual Interest Rate.
 - (c) Nothing in this Section 7 will require Lender to incur any expense or take any action.
- 8. Events of Default.** An Event of Default under the Loan Agreement will constitute an Event of Default under this Instrument.
- 9. Remedies Cumulative.** Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument, the Loan Agreement or any other Loan Document or afforded by applicable law or equity, and each will be cumulative and may be exercised concurrently, independently or successively, in any order. Lender's exercise of any particular right or remedy will not in any way prevent Lender from exercising any other right or remedy available to Lender. Lender may exercise any such remedies from time to time and as often as Lender chooses.
- 10. Waiver of Statute of Limitations, Offsets and Counterclaims.** Borrower waives the right to assert any statute of limitations as a bar to the enforcement of the Lien of this Instrument or to any action brought to enforce any Loan Document. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations under this Instrument will be a valid defense to, or result in any offset against, any payments that Borrower is obligated to make under any of the Loan Documents.
- 11. Waiver of Marshalling.**
- (a) Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender will have the right to determine the order in which any or all of the Mortgaged Property will be subjected to the remedies provided in this Instrument, the Note, the Loan Agreement or any other Loan Document or under applicable law. Lender will have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies.

- (b) Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

12. Reserved.

- 13. Governing Law; Consent to Jurisdiction and Venue.** This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, will be governed by the laws of the Property Jurisdiction. Borrower agrees that any controversy arising under or in relation to the Note, this Instrument or any other Loan Document may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction will have jurisdiction over all controversies that may arise under or in relation to the Note, any security for the Indebtedness or any other Loan Document. Borrower irrevocably consents to service, jurisdiction and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Section 13 is intended to limit Lender's right to bring any suit, action or proceeding relating to matters under this Instrument in any court of any other jurisdiction.

- 14. Notice.** All Notices, demands and other communications under or concerning this Instrument will be governed by the terms set forth in the Loan Agreement.

- 15. Successors and Assigns Bound.** This Instrument will bind the respective successors and assigns of Borrower and Lender, and the rights granted by this Instrument will inure to Lender's successors and assigns.

- 16. Joint and Several Liability.** If more than one Person signs this Instrument as Borrower, the obligations of such Persons will be joint and several.

17. Relationship of Parties; No Third Party Beneficiary.

- (a) The relationship between Lender and Borrower will be solely that of creditor and debtor, respectively, and nothing contained in this Instrument will create any other relationship between Lender and Borrower. Nothing contained in this Instrument will constitute Lender as a joint venturer, partner or agent of Borrower, or render Lender liable for any debts, obligations, acts, omissions, representations or contracts of Borrower.
- (b) No creditor of any party to this Instrument and no other Person will be a third party beneficiary of this Instrument or any other Loan Document. Without limiting the generality of the preceding sentence, (i) any arrangement ("**Servicing Arrangement**") between Lender and any Loan Servicer for loss sharing or

interim advancement of funds will constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (ii) Borrower will not be a third party beneficiary of any Servicing Arrangement, and (iii) no payment by the Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

18. Severability; Amendments.

- (a) The invalidity or unenforceability of any provision of this Instrument will not affect the validity or enforceability of any other provision, and all other provisions will remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument.
- (b) This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought.

19. Construction.

- (a) The captions and headings of the Sections of this Instrument are for convenience only and will be disregarded in construing this Instrument. Any reference in this Instrument to a "Section" will, unless otherwise explicitly provided, be construed as referring to a Section of this Instrument.
- (b) Any reference in this Instrument to a statute or regulation will be construed as referring to that statute or regulation as amended from time to time.
- (c) Use of the singular in this Instrument includes the plural and use of the plural includes the singular. The use of one gender includes the other gender, as the context may require.
- (d) As used in this Instrument, the term "including" means "including, but not limited to" and the term "includes" means "includes without limitation."
- (e) Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument or other document in this Instrument will be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in this Instrument), and (ii) any reference in this Instrument to any Person will be construed to include such Person's successors and assigns.
- (f) Any reference in this Instrument to "Lender's requirements," "as required by Lender," or similar references will be construed, after Securitization, to mean Lender's requirements or standards as determined in accordance with Lender's and Loan Servicer's obligations under the terms of the Securitization documents.

20. **Subrogation.** If, and to the extent that, the proceeds of the Loan evidenced by the Note, or subsequent advances under Section 7, are used to pay, satisfy or discharge a Prior Lien, such loan proceeds or advances will be deemed to have been advanced by Lender at Borrower's request, and Lender will automatically, and without further action on its part, be subrogated to the rights, including Lien priority, of the owner or holder of the obligation secured by the Prior Lien, whether or not the Prior Lien is released.

END OF UNIFORM COVENANTS; STATE-SPECIFIC PROVISIONS FOLLOW

21-30. Reserved.

31. **Acceleration; Remedies.** At any time during the existence of an Event of Default, Lender, at Lender's option, may declare all of the Indebtedness to be immediately due and payable without further demand, and may foreclose this Instrument by judicial proceeding and may invoke any other remedies permitted by Illinois law or provided in this Instrument, the Loan Agreement or in any other Loan Document. The Indebtedness will include, Lender will be entitled to collect, and any decree which adjudicates the amount secured by this Instrument will include, all costs and expenses incurred in pursuing such remedies, including Attorneys' Fees and Costs, costs of documentary evidence, abstracts and title reports, any of which may be estimated to reflect the costs and expenses to be incurred after the entry of such a decree.
32. **Release.** Upon payment of the Indebtedness, Lender will release this Instrument. Borrower will pay Lender's reasonable costs incurred in releasing this Instrument.
33. **Waiver of Homestead and Redemption.** Borrower releases and waives all rights under the homestead and exemption laws of the State of Illinois. Borrower acknowledges that the Mortgaged Property does not include "agricultural real estate" or "residential real estate" as those terms are defined in 735 ILCS 5/15-1201 and 5/15-1219. Pursuant to 735 ILCS 5/15-1601(b), Borrower waives any and all rights of redemption from sale under any order of foreclosure of this Instrument, or other rights of redemption, which may run to Borrower or any other Owner of Redemption, as that term is defined in 735 ILCS 5/15-1212. Borrower waives all rights of reinstatement under 735 ILCS 5/15-1602 to the fullest extent permitted by Illinois law.
34. **Maximum Amount of Indebtedness.** Notwithstanding any provision to the contrary in this Instrument, the Note or any other Loan Document which permits any additional sums to be advanced on or after the date of this Instrument, whether as additional loans or for any payments authorized by this Instrument, the total amount of the principal component of the Indebtedness will not at any time exceed 300% of the original principal amount of the Note set forth on the first page of this Instrument.
35. **Illinois Collateral Protection Act.** Unless Borrower provides Lender with evidence of the insurance coverage required by the Loan Documents, Lender may purchase insurance

at Borrower's expense to protect Lender's interest in the Mortgaged Property. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower may make or any claim that is made against Borrower in connection with the Mortgaged Property. Borrower may cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by the Loan Documents. If Lender purchases insurance for the Mortgaged Property, Borrower will be responsible for the costs of that insurance, including interest and any other charges that Lender may impose in connection with the placement of such insurance, until the effective date of the cancellation or expiration of such insurance. Without limitation of any other provision of this Instrument, the cost of such insurance will be added to the cost of the Indebtedness secured hereby. The cost of such insurance may be more than the cost of insurance Borrower may be able to obtain on its own.

36. Applicability of Illinois Mortgage Foreclosure Law. To ensure the maximum degree of flexibility of the Loan Documents under the Illinois Mortgage Foreclosure Law, if any provision of this Instrument is inconsistent with any applicable provision of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-101, *et seq.*, as amended from time to time ("Act"), the provisions of the Act will take precedence over the provisions of this Instrument, but the Act will not invalidate or render unenforceable any other provision of this Instrument that can be fairly construed in a manner consistent with the Act. Without in any way limiting any of the Lender's rights, remedies, powers and authorities provided in this Instrument or otherwise, and in addition to all of such rights, remedies, powers and authorities, Lender will also have all rights, remedies, powers and authorities permitted to the holder of a mortgage under the Act. If any provision of this Instrument will grant to Lender any rights, remedies, powers or authorities upon default of the Borrower which are more limited than what would be vested in Lender under the Act in the absence of such provision, Lender will have such rights, remedies, powers and authorities that would be otherwise vested in it under the Act. Without limitation, all expenses (including Attorneys' Fees and Costs) incurred by Lender to the extent reimbursable under 735 ILCS 5/15-1510, 5/15-1512 or any other provision of the Act, whether incurred before or after any judgment of foreclosure, will be added to the Indebtedness and included in the judgment of foreclosure.

37. WAIVER OF TRIAL BY JURY.

- (a) **BORROWER AND LENDER EACH COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY.**
- (b) **BORROWER AND LENDER EACH WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH**

**PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF
COMPETENT LEGAL COUNSEL.**

38. This Instrument Secures Future Advances. If and to the extent that any portion of the Indebtedness is to be advanced from and after the date of the making of the Loan, Lender agrees to make such advances in accordance with the terms and conditions of the Loan Agreement, which has been executed contemporaneously with this Instrument, and such amounts will be a Lien from the date of recordation of this Instrument as provided in 5/15-1302(b)(1) of the Act.

This debt is evidenced by Borrower's notes dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable February 1st, 2018. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-03-317-009-0000

which has the address of 4533 S Calumet Ave. Chicago, IL 60653 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

ANY EVENT OF DEFAULT UNDER THE CONSTRUCTION LOAN AGREEMENT, OR ANY OF THE RELATED DOCUMENTS REFERRED TO THEREIN, SHALL ALSO BE AN EVENT OF DEFAULT UNDER THIS MORTGAGE. THIS MORTGAGE IS GIVEN AND ACCEPTED ON THE FOLLOWING TERMS:

period of Grantor's ownership of the Property, there has been no use, generation, manufacture, storage, treatment, disposal, release or threatened release of any Hazardous Substance by any person on, under, about or from the Property; (2) Grantor has no knowledge of, or reason to believe that there has been, except as previously disclosed to and acknowledged by Lender in writing, (a) any breach or violation of any Environmental Laws, (b) any use, generation, manufacture, storage, treatment, disposal, release or threatened release of any Hazardous Substance on, under, about or from the Property by any prior owners or occupants of the Property, or (c) any actual or threatened litigation or claims of any kind by any person relating to such matters; and (3) Except as previously disclosed to and acknowledged by Lender in writing, (a) neither Grantor nor any tenant, contractor, agent or other authorized user of the Property shall use, generate, manufacture, store, treat, dispose of or release any Hazardous Substance on, under, about or from the Property; and (b) any such activity shall be conducted in compliance with all applicable federal, state and local laws, regulations and ordinances, including without limitation all Environmental Laws. Grantor authorizes Lender and its agents to enter upon the Property to make such inspections and tests, at Grantor's expense, as Lender may deem appropriate to determine compliance of the Property with this section of the Mortgage. Any inspections or tests made by Lender shall be for Lender's purposes only and shall not be construed to create any responsibility or liability on the part of Lender to Grantor or to any other person. The representations and warranties contained herein are based on Grantor's due diligence in investigating the Property for Hazardous Substances. Grantor hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Grantor becomes liable for cleanup or other costs under any such laws; and (2) agrees to indemnify, defend, and hold harmless Lender against any and all claims, losses, liabilities, damages, penalties, and expenses which Lender may directly or indirectly sustain or suffer resulting from a breach of this section of the Mortgage or as a consequence of any use, generation, manufacture, storage, disposal, release or threatened release occurring prior to Grantor's ownership or interest in the Property, whether or not the same was or should have been known to Grantor. The provisions of this section of the Mortgage, including the obligation to indemnify and defend, shall survive the payment of the Indebtedness and the satisfaction and reconveyance of the lien of this Mortgage and shall not be affected by Lender's acquisition of any interest in the Property, whether by foreclosure or otherwise.

Nuisance, Waste. Grantor shall not cause, conduct or permit any nuisance nor commit, permit, or suffer any stripping of or waste on or to the Property or any portion of the Property. Without limiting the generality of the foregoing, Grantor will not remove, or grant to any other party the right to remove, any timber, minerals (including oil and gas), coal, clay, scoria, soil, gravel or rock products without Lender's prior written consent.

Removal of Improvements. Grantor shall not demolish or remove any improvements from the Real Property without Lender's prior written consent. As a condition to the removal of any Improvements, Lender may require Grantor to make arrangements satisfactory to Lender to replace such Improvements with Improvements of at least equal value.

Lender's Right to Enter. Lender and Lender's agents and representatives may enter upon the Real Property at all reasonable times to attend to Lender's interests and to inspect the Real Property for purposes of Grantor's compliance with the terms and conditions of this Mortgage.

Compliance with Governmental Requirements. Grantor shall promptly comply with all laws, ordinances, and regulations, now or hereafter in effect, of all governmental authorities applicable to the use or occupancy of the Property, including without limitation, the Americans With Disabilities Act. Grantor may contest in good faith any such law, ordinance, or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Grantor has notified Lender in writing prior to doing so and so long as, in Lender's sole opinion, Lender's interests in the Property are not jeopardized. Lender may require Grantor to post adequate security or a surety bond, reasonably satisfactory to Lender, to protect Lender's interest.

Duty to Protect. Grantor agrees neither to abandon or leave unattended the Property. Grantor shall do all other acts, in addition to those acts set forth above in this section, which from the character and use of the

Property are reasonably necessary to protect and preserve the Property.

CONSTRUCTION LOAN. If some or all of the proceeds of the loan creating the Indebtedness are to be used to construct or complete construction of any Improvements on the Property, the Improvements shall be completed no later than the maturity date of the Note (or such earlier date as Lender may reasonably establish) and Grantor shall pay in full all costs and expenses in connection with the work. Lender will disburse loan proceeds under such terms and conditions as Lender may deem reasonably necessary to insure that the interest created by this Mortgage shall have priority over all possible liens, including those of material suppliers and workmen. Lender may require, among other things, that disbursement requests be supported by receipted bills, expense affidavits, waivers of liens, construction progress reports, and such other documentation as Lender may reasonably request.

DUE ON SALE - CONSENT BY LENDER. Lender may, at Lender's option, declare immediately due and payable all sums secured by this Mortgage upon the sale or transfer, without Lender's prior written consent, of all or any part of the Real Property, or any interest in the Real Property. A "sale or transfer" means the conveyance of Real Property or any right, title or interest in the Real Property; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three (3) years, lease-option contract, or by sale, assignment, or transfer of any beneficial interest in or to any land trust holding title to the Real Property, or by any other method of conveyance of an interest in the Real Property. If any Grantor is a corporation, partnership or limited liability company, transfer also includes any change in ownership of more than twenty-five percent (25%) of the voting stock, partnership interests or limited liability company interests, as the case may be, of such Grantor. However, this option shall not be exercised by Lender if such exercise is prohibited by federal law or by Illinois law.

TAXES AND LIENS. The following provisions relating to the taxes and liens on the Property are part of this Mortgage:

Payment. Grantor shall pay when due (and in all events prior to delinquency) all taxes, payroll taxes, special taxes, assessments, water charges and sewer service charges levied against or on account of the Property, and shall pay when due all claims for work done on or for services rendered or material furnished to the Property. Grantor shall maintain the Property free of any liens having priority over or equal to the interest of Lender under this Mortgage, except for those liens specifically agreed to in writing by Lender, and except for the lien of taxes and assessments not due as further specified in the Right to Contest paragraph.

Right to Contest. Grantor may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as Lender's interest in the Property is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantor shall within fifteen (15) days after the lien arises or, if a lien is filed, within fifteen (15) days after Grantor has notice of the filing, secure the discharge of the lien, or if requested by Lender, deposit with Lender cash or a sufficient corporate surety bond or other security satisfactory to Lender in an amount sufficient to discharge the lien plus any costs and attorneys' fees, or other charges that could accrue as a result of a foreclosure or sale under the lien. In any contest, Grantor shall defend itself and Lender and shall satisfy any adverse judgment before enforcement against the Property. Grantor shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings.

Evidence of Payment. Grantor shall upon demand furnish to Lender satisfactory evidence of payment of the taxes or assessments and shall authorize the appropriate governmental official to deliver to Lender at any time a written statement of the taxes and assessments against the Property.

Notice of Construction. Grantor shall notify Lender at least fifteen (15) days before any work is commenced, any services are furnished, or any materials are supplied to the Property, if any mechanic's lien, materialmen's lien, or other lien could be asserted on account of the work, services, or materials and the cost exceeds \$10,000.00. Grantor will upon request of Lender furnish to Lender advance assurances satisfactory to Lender that Grantor can and will pay the cost of such improvements.

PROPERTY DAMAGE INSURANCE. The following provisions relating to insuring the Property are a part of this Mortgage:

Maintenance of Insurance. Grantor shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a replacement basis for the full insurable value covering all Improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause in favor of Lender. Grantor shall also procure and maintain comprehensive general liability insurance in such coverage amounts as Lender may request with Lender being named as additional insureds in such liability insurance policies. Additionally, Grantor shall maintain such other insurance, including but not limited to hazard, business interruption and boiler insurance as Lender may require. Policies shall be written by such insurance companies and in such form as may be reasonably acceptable to Lender. Grantor shall deliver to Lender certificates of coverage from each insurer containing a stipulation that coverage will not be cancelled or diminished without a minimum of ten (10) days' prior written notice to Lender and not containing any disclaimer of the insurer's liability for failure to give such notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. Should the Real Property be located in an area designated by the Administrator of the Federal Emergency Management Agency as a special flood hazard area, Grantor agrees to obtain and maintain Federal Flood Insurance, if available, within 45 days after notice is given by Lender that the Property is located in a special flood hazard area, for the full unpaid principal balance of the loan and any prior liens on the property securing the loan, up to the maximum policy limits set under the National Flood Insurance Program, or as otherwise required by Lender, and to maintain such insurance for the term of the loan.

Application of Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Property if the estimated cost of repair or replacement exceeds \$5,000.00. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. Whether or not Lender's security is impaired, Lender may, at Lender's election, receive and retain the proceeds of any insurance and apply the proceeds to the reduction of the Indebtedness, payment of any lien affecting the Property, or the restoration and repair of the Property. If Lender elects to apply the proceeds to restoration and repair, Grantor shall repair or replace the damaged or destroyed Improvements in a manner satisfactory to Lender. Lender shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration if Grantor is not in default under this Mortgage. Any proceeds which have not been disbursed within 180 days after their receipt and which Lender has not committed to the repair or restoration of the Property shall be used first to pay any amount owing to Lender under this Mortgage, then to pay accrued interest, and the remainder, if any, shall be applied to the principal balance of the Indebtedness. If Lender holds any proceeds after payment in full of the Indebtedness, such proceeds shall be paid to Grantor as Grantor's interests may appear.

Grantor's Report on Insurance. Upon request of Lender, however not more than once a year, Grantor shall furnish to Lender a report on each existing policy of insurance showing: (1) the name of the insurer; (2) the risks insured; (3) the amount of the policy; (4) the property insured, the then current replacement value of such property, and the manner of determining that value; and (5) the expiration date of the policy. Grantor shall, upon request of Lender, have an independent appraiser satisfactory to Lender determine the cash value replacement cost of the Property.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Property or if Grantor fails to comply with any provision of this Mortgage or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Mortgage or any Related Documents, Lender on Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Property and paying all costs for insuring, maintaining and preserving the Property. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to

**MORTGAGE
(Continued)**

Page 6

the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Mortgage also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon Default.

WARRANTY; DEFENSE OF TITLE. The following provisions relating to ownership of the Property are a part of this Mortgage:

Title. Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Mortgage, and (b) Grantor has the full right, power, and authority to execute and deliver this Mortgage to Lender.

Defense of Title. Subject to the exception in the paragraph above, Grantor warrants and will forever defend the title to the Property against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Lender under this Mortgage, Grantor shall defend the action at Grantor's expense. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of Lender's own choice, and Grantor will deliver, or cause to be delivered, to Lender such instruments as Lender may request from time to time to permit such participation.

Compliance With Laws. Grantor warrants that the Property and Grantor's use of the Property complies with all existing applicable laws, ordinances, and regulations of governmental authorities.

Survival of Representations and Warranties. All representations, warranties, and agreements made by Grantor in this Mortgage shall survive the execution and delivery of this Mortgage, shall be continuing in nature, and shall remain in full force and effect until such time as Grantor's Indebtedness shall be paid in full.

CONDEMNATION. The following provisions relating to condemnation proceedings are a part of this Mortgage:

Proceedings. If any proceeding in condemnation is filed, Grantor shall promptly notify Lender in writing, and Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of its own choice, and Grantor will deliver or cause to be delivered to Lender such instruments and documentation as may be requested by Lender from time to time to permit such participation.

Application of Net Proceeds. If all or any part of the Property is condemned by eminent domain proceedings or by any proceeding or purchase in lieu of condemnation, Lender may at its election require that all or any portion of the net proceeds of the award be applied to the Indebtedness or the repair or restoration of the Property. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, and attorneys' fees incurred by Lender in connection with the condemnation.

IMPOSITION OF TAXES, FEES AND CHARGES BY GOVERNMENTAL AUTHORITIES. The following provisions relating to governmental taxes, fees and charges are a part of this Mortgage:

Current Taxes, Fees and Charges. Upon request by Lender, Grantor shall execute such documents in addition to this Mortgage and take whatever other action is requested by Lender to perfect and continue Lender's lien on the Real Property. Grantor shall reimburse Lender for all taxes, as described below, together with all expenses incurred in recording, perfecting or continuing this Mortgage, including without limitation all taxes, fees, documentary stamps, and other charges for recording or registering this Mortgage.

Taxes. The following shall constitute taxes to which this section applies: (1) a specific tax upon this type of Mortgage or upon all or any part of the Indebtedness secured by this Mortgage; (2) a specific tax on Grantor which Grantor is authorized or required to deduct from payments on the Indebtedness secured by

this type of Mortgage; (3) a tax on this type of Mortgage chargeable against the Lender or the holder of the Note; and (4) a specific tax on all or any portion of the Indebtedness or on payments of principal and interest made by Grantor.

Subsequent Taxes. If any tax to which this section applies is enacted subsequent to the date of this Mortgage, this event shall have the same effect as an Event of Default, and Lender may exercise any or all of its available remedies for an Event of Default as provided below unless Grantor either (1) pays the tax before it becomes delinquent, or (2) contests the tax as provided above in the Taxes and Liens section and deposits with Lender cash or a sufficient corporate surety bond or other security satisfactory to Lender.

SECURITY AGREEMENT; FINANCING STATEMENTS. The following provisions relating to this Mortgage as a security agreement are a part of this Mortgage:

Security Agreement. This instrument shall constitute a Security Agreement to the extent any of the Property constitutes fixtures, and Lender shall have all of the rights of a secured party under the Uniform Commercial Code as amended from time to time.

Security Interest. Upon request by Lender, Grantor shall take whatever action is requested by Lender to perfect and continue Lender's security interest in the Rents and Personal Property. In addition to recording this Mortgage in the real property records, Lender may, at any time and without further authorization from Grantor, file executed counterparts, copies or reproductions of this Mortgage as a financing statement. Grantor shall reimburse Lender for all expenses incurred in perfecting or continuing this security interest. Upon default, Grantor shall not remove, sever or detach the Personal Property from the Property. Upon default, Grantor shall assemble any Personal Property not affixed to the Property in a manner and at a place reasonably convenient to Grantor and Lender, and make it available to Lender within three (3) days after receipt of written demand from Lender to the extent permitted by applicable law.

Addresses. The mailing addresses of Grantor (debtor) and Lender (secured party) from which information concerning the security interest granted by this Mortgage may be obtained (each as required by the Uniform Commercial Code) are as stated on the first page of this Mortgage.

FURTHER ASSURANCES; ATTORNEY-IN-FACT. The following provisions relating to further assurances and attorney-in-fact are a part of this Mortgage:

Further Assurances. At any time, and from time to time, upon request of Lender, Grantor will make, execute and deliver, or will cause to be made, executed or delivered, to Lender or to Lender's designee, and when requested by Lender, cause to be filed, recorded, refiled, or rerecorded, as the case may be, at such times and in such offices and places as Lender may deem appropriate, any and all such mortgages, deeds of trust, security deeds, security agreements, financing statements, continuation statements, instruments of further assurance, certificates, and other documents as may, in the sole opinion of Lender, be necessary or desirable in order to effectuate, complete, perfect, continue, or preserve (1) Grantor's obligations under the Note, this Mortgage, and the Related Documents, and (2) the liens and security interests created by this Mortgage as first and prior liens on the Property, whether now owned or hereafter acquired by Grantor. Unless prohibited by law or Lender agrees to the contrary in writing, Grantor shall reimburse Lender for all costs and expenses incurred in connection with the matters referred to in this paragraph.

Attorney-in-Fact. If Grantor fails to do any of the things referred to in the preceding paragraph, Lender may do so for and in the name of Grantor and at Grantor's expense. For such purposes, Grantor hereby irrevocably appoints Lender as Grantor's attorney-in-fact for the purpose of making, executing, delivering, filing, recording, and doing all other things as may be necessary or desirable, in Lender's sole opinion, to accomplish the matters referred to in the preceding paragraph.

FULL PERFORMANCE. If Grantor pays all the Indebtedness, including without limitation all future advances, when due, and otherwise performs all the obligations imposed upon Grantor under this Mortgage, Lender shall execute and deliver to Grantor a suitable satisfaction of this Mortgage and suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Rents and the Personal Property.

**MORTGAGE
(Continued)**

Page 8

Grantor will pay, if permitted by applicable law, any reasonable termination fee as determined by Lender from time to time.

REINSTATEMENT OF SECURITY INTEREST. If payment is made by Grantor, whether voluntarily or otherwise, or by guarantor or by any third party, on the indebtedness and thereafter Lender is forced to remit the amount of that payment (A) to Grantor's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, (B) by reason of any judgment, decree or order of any court or administrative body having jurisdiction over Lender or any of Lender's property, or (C) by reason of any settlement or compromise of any claim made by Lender with any claimant (including without limitation Grantor) the indebtedness shall be considered unpaid for the purpose of enforcement of this Mortgage and this Mortgage shall continue to be effective or shall be reinstated, as the case may be, notwithstanding any cancellation of this Mortgage or of any note or other instrument or agreement evidencing the indebtedness and the Property will continue to secure the amount repaid or recovered to the same extent as if that amount never had been originally received by Lender, and Grantor shall be bound by any judgment, decree, order, settlement or compromise relating to the indebtedness or to this Mortgage.

EVENTS OF DEFAULT. Each of the following, at Lender's option, shall constitute an Event of Default under this Mortgage:

Payment Default. Grantor fails to make any payment when due under the Indebtedness.

Default on Other Payments. Failure of Grantor within the time required by this Mortgage to make any payment for taxes or insurance, or any other payment necessary to prevent filing of or to effect discharge of any lien.

Other Defaults. Grantor fails to comply with or to perform any other term, obligation, covenant or condition contained in this Mortgage or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Grantor.

Default in Favor of Third Parties. Should Grantor default under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Grantor's property or Grantor's ability to repay the Indebtedness or Grantor's ability to perform Grantor's obligations under this Mortgage or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Grantor or on Grantor's behalf under this Mortgage or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Defective Collateralization. This Mortgage or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Death or Insolvency. The dissolution of Grantor's (regardless of whether election to continue is made), any member withdraws from the limited liability company, or any other termination of Grantor's existence as a going business or the death of any member, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against any property securing the Indebtedness. This includes a garnishment of any of Grantor's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Grantor gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

**MORTGAGE
(Continued)**

Page 9

Breach of Other Agreement. Any breach by Grantor under the terms of any other agreement between Grantor and Lender that is not remedied within any grace period provided therein, including without limitation any agreement concerning any indebtedness or other obligation of Grantor to Lender, whether existing now or later.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor or any of the Indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Adverse Change. A material adverse change occurs in Grantor's financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

Insecurity. Lender in good faith believes itself insecure.

RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of an Event of Default and at any time thereafter, Lender, at Lender's option, may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

Accelerate Indebtedness. Lender shall have the right at its option without notice to Grantor to declare the entire Indebtedness immediately due and payable, including any prepayment penalty that Grantor would be required to pay.

UCC Remedies. With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

Collect Rents. Lender shall have the right, without notice to Grantor, to take possession of the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Mortgagee in Possession. Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Judicial Foreclosure. Lender may obtain a judicial decree foreclosing Grantor's interest in all or any part of the Property.

Deficiency Judgment. If permitted by applicable law, Lender may obtain a judgment for any deficiency remaining in the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this section.

Other Remedies. Lender shall have all other rights and remedies provided in this Mortgage or the Note or available at law or in equity.

Sale of the Property. To the extent permitted by applicable law, Grantor hereby waives any and all right to have the Property marshalled. In exercising its rights and remedies, Lender shall be free to sell all or any part of the Property together or separately, in one sale or by separate sales. Lender shall be entitled to bid at any public sale on all or any portion of the Property.

**MORTGAGE
(Continued)**

Page 10

Notice of Sale. Lender shall give Grantor reasonable notice of the time and place of any public sale of the Personal Property or of the time after which any private sale or other intended disposition of the Personal Property is to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition. Any sale of the Personal Property may be made in conjunction with any sale of the Real Property.

Election of Remedies. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Mortgage, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies. Nothing under this Mortgage or otherwise shall be construed so as to limit or restrict the rights and remedies available to Lender following an Event of Default, or in any way to limit or restrict the rights and ability of Lender to proceed directly against Grantor and/or against any other co-maker, guarantor, surety or endorser and/or to proceed against any other collateral directly or indirectly securing the Indebtedness.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Mortgage, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Note rate from the date of the expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees and title insurance, to the extent permitted by applicable law. Grantor also will pay any court costs, in addition to all other sums provided by law.

NOTICES. Any notice required to be given under this Mortgage, including without limitation any notice of default and any notice of sale shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Mortgage. All copies of notices of foreclosure from the holder of any lien which has priority over this Mortgage shall be sent to Lender's address, as shown near the beginning of this Mortgage. Any party may change its address for notices under this Mortgage by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Grantor agrees to keep Lender informed at all times of Grantor's current address. Unless otherwise provided or required by law, if there is more than one Grantor, any notice given by Lender to any Grantor is deemed to be notice given to all Grantors.

CONFORMING AMENDMENTS. Notwithstanding any provision of this Mortgage to the contrary, Lender shall have the right to amend this Mortgage without further consent of the Grantor or any other person in order to conform this Mortgage to any modifications made to the terms of the Indebtedness secured hereby, including, without limitation, any modification of the maturity date of any such Indebtedness.

Personal Property in Flood Hazard Area. Notwithstanding any provision of this Mortgage to the contrary, if the Real Property is or becomes located in an area designated by the Administrator of the Federal Emergency Management Agency as a special flood hazard area, the Personal Property subject to the lien of this Mortgage shall not include those items of personal property covered by Coverage B of the standard flood insurance policy issued in accordance with the National Flood Insurance Program unless Coverage B or equivalent coverage similarly issued by a private insurer to satisfy the National Flood Insurance Act (as amended) is obtained.

PREVENTIVE, INVESTIGATORY AND REMEDIAL ACTION. Grantor shall exercise extreme care in handling Hazardous Substances if Grantor uses or encounters any. Grantor, at Grantor's expense, shall undertake any and all preventive, investigatory or remedial action (including emergency response, removal, containment and

**MORTGAGE

other remedial action) (a) required by any applicable Environmental Laws or orders by any governmental authority having jurisdiction under Environmental Laws, or (b) necessary to prevent or minimize any material property damage (including damage to Grantor's own property), personal injury or damage to the environment, or the threat of any such damage or injury, by releases of or exposure to Hazardous Substances in connection with the Property or operations of any occupant on the Property. In the event Grantor fails to perform any of Grantor's obligations under this section of the Agreement, Lender may (but shall not be required to) perform such obligations at Grantor's expense. All such costs and expenses incurred by Lender under this section and otherwise under this Agreement shall be reimbursed by Grantor to Lender upon demand with interest at the Note default rate, or in the absence of a default rate, at the Note interest rate. Lender and Grantor intend that Lender shall have full recourse to Grantor for any sum at any time due to Lender under this Agreement. In performing any such obligations of Grantor, Lender shall at all times be deemed to be the agent of Grantor and shall not by reason of such performance be deemed to be assuming any responsibility of Grantor under any Environmental Law or to any third party. Grantor hereby irrevocably appoints Lender as Grantor's attorney-in-fact with full power to perform such of Grantor's obligations under this section of the Agreement as Lender deems necessary and appropriate.

Notices. Grantor shall immediately notify Lender upon becoming aware of any of the following:

- (1) Any spill, release or disposal of a Hazardous Substance on any of the Property, or in connection with any of its operations if such spill, release or disposal must be reported to any governmental authority under applicable Environmental Laws.
- (2) Any material contamination or imminent threat of contamination, of the Property by Hazardous Substances, or any violation of Environmental Laws in connection with the Property or the operations conducted on the Property.
- (3) Any order, notice of violation, fine or penalty or other similar action by any governmental authority relating to Hazardous Substances or Environmental Laws and the Property or the operations conducted on the Property.
- (4) Any judicial or administrative investigation or proceeding relating to Hazardous Substances or Environmental Laws and to the Property or the operations conducted on the Property.
- (5) Any matters relating to Hazardous Substances or Environmental Laws that would give a reasonably prudent Lender cause to be concerned that the value of Lender's security interest in the Property may be reduced or threatened in any material respect or that may materially impair, or threaten to impair, Grantor's ability to perform any of its obligations under this Agreement when such performance is due.

Access to Records. Upon request, Grantor shall furnish Lender with copies of all environmental permits and authorizations and any amendments or renewals of them. Borrower shall promptly notify Lender of any expiration or revocation of any environmental permits or authorizations the expiration or revocation of which could reasonably be expected to have a material adverse effect upon the operations, business, property, condition (financial or otherwise) or prospects of Borrower.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Mortgage:

and whether recovery upon such amounts may be or hereafter may become barred by any statute of limitations, and whether the obligation to repay such amounts may be or hereafter may become otherwise unenforceable. However, this Agreement does not secure any Swap Obligation of the Borrower if, and to the extent that, all or a portion of the security provided for herein with respect to such Swap Obligation (or any guarantee thereof) is or becomes illegal under the Commodity Exchange Act (7 U.S.C. § 1 et seq.) or any rule, regulation or order of the Commodity Futures Trading Commission (or the application or official interpretation of any thereof) by virtue of the undersigned's failure for any reason to constitute an "eligible contract participant" as defined in the Commodity Exchange Act at the time this Agreement becomes effective with respect to such Swap Obligation. "Swap Obligation" means any obligation of the Borrower to pay or perform under any agreement, contract or transaction that constitutes a "swap" within the meaning of Section 1a(47) of the Commodity Exchange Act.

FUTURE ADVANCES. In addition to the Note, this Assignment secures all future advances made by Lender to Grantor whether or not the advances are made pursuant to a commitment. Specifically, without limitation, this Assignment secures, in addition to the amounts specified in the Note, all future amounts Lender in its discretion may loan to Grantor, together with all interest thereon.

THIS ASSIGNMENT IS GIVEN TO SECURE (1) PAYMENT OF THE INDEBTEDNESS AND (2) PERFORMANCE OF ANY AND ALL OBLIGATIONS OF GRANTOR UNDER THE NOTE, THIS ASSIGNMENT, AND THE RELATED DOCUMENTS. THIS ASSIGNMENT IS GIVEN AND ACCEPTED ON THE FOLLOWING TERMS:

PAYMENT AND PERFORMANCE. Except as otherwise provided in this Assignment or any Related Documents, Grantor shall pay to Lender all amounts secured by this Assignment as they become due, and shall strictly perform all of Grantor's obligations under this Assignment. Unless and until Lender exercises its right to collect the Rents as provided below and so long as there is no default under this Assignment, Grantor may remain in possession and control of and operate and manage the Property and collect the Rents, provided that the granting of the right to collect the Rents shall not constitute Lender's consent to the use of cash collateral in a bankruptcy proceeding.

GRANTOR'S REPRESENTATIONS AND WARRANTIES. Grantor warrants that:

Ownership. Grantor is entitled to receive the Rents free and clear of all rights, loans, liens, encumbrances, and claims except as disclosed to and accepted by Lender in writing.

No Prior Assignment. Grantor has not previously assigned or conveyed the Rents to any other person by any instrument now in force.

No Further Transfer. Grantor will not sell, assign, encumber, or otherwise dispose of any of Grantor's rights in the Rents except as provided in this Assignment.

LENDER'S RIGHT TO RECEIVE AND COLLECT RENTS. Lender shall have the right at any time, and even though no default shall have occurred under this Assignment, to collect and receive the Rents. For this purpose, Lender is hereby given and granted the following rights, powers and authority:

Notice to Tenants. Lender may send notices to any and all tenants of the Property advising them of this Assignment and directing all Rents to be paid directly to Lender or Lender's agent.

Enter the Property. Lender may enter upon and take possession of the Property; demand, collect and receive from the tenants or from any other persons liable therefor, all of the Rents; institute and carry on all legal proceedings necessary for the protection of the Property, including such proceedings as may be necessary to recover possession of the Property; collect the Rents and remove any tenant or tenants or other persons from the Property.

Maintain the Property. Lender may enter upon the Property to maintain the Property and keep the same in

repair; to pay the costs thereof and of all services of all employees, including their equipment, and of all continuing costs and expenses of maintaining the Property in proper repair and condition, and also to pay all taxes, assessments and water utilities, and the premiums on fire and other insurance effected by Lender on the Property.

Compliance with Laws. Lender may do any and all things to execute and comply with the laws of the State of Illinois and also all other laws, rules, orders, ordinances and requirements of all other governmental agencies affecting the Property.

Lease the Property. Lender may rent or lease the whole or any part of the Property for such term or terms and on such conditions as Lender may deem appropriate.

Employ Agents. Lender may engage such agent or agents as Lender may deem appropriate, either in Lender's name or in Grantor's name, to rent and manage the Property, including the collection and application of Rents.

Other Acts. Lender may do all such other things and acts with respect to the Property as Lender may deem appropriate and may act exclusively and solely in the place and stead of Grantor and to have all of the powers of Grantor for the purposes stated above.

No Requirement to Act. Lender shall not be required to do any of the foregoing acts or things, and the fact that Lender shall have performed one or more of the foregoing acts or things shall not require Lender to do any other specific act or thing.

APPLICATION OF RENTS. All costs and expenses incurred by Lender in connection with the Property shall be for Grantor's account and Lender may pay such costs and expenses from the Rents. Lender, in its sole discretion, shall determine the application of any and all Rents received by it; however, any such Rents received by Lender which are not applied to such costs and expenses shall be applied to the Indebtedness. All expenditures made by Lender under this Assignment and not reimbursed from the Rents shall become a part of the Indebtedness secured by this Assignment, and shall be payable on demand, with interest at the Note rate from date of expenditure until paid.

FULL PERFORMANCE. If Grantor pays all of the Indebtedness when due and otherwise performs all the obligations imposed upon Grantor under this Assignment, the Note, and the Related Documents, Lender shall execute and deliver to Grantor a suitable satisfaction of this Assignment and suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Rents and the Property. Any termination fee required by law shall be paid by Grantor, if permitted by applicable law.

REINSTATEMENT OF SECURITY INTEREST. If payment is made by Grantor, whether voluntarily or otherwise, or by guarantor or by any third party, on the Indebtedness and thereafter Lender is forced to remit the amount of that payment (A) to Grantor's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, (B) by reason of any judgment, decree or order of any court or administrative body having jurisdiction over Lender or any of Lender's property, or (C) by reason of any settlement or compromise of any claim made by Lender with any claimant (including without limitation Grantor), the Indebtedness shall be considered unpaid for the purpose of enforcement of this Assignment and this Assignment shall continue to be effective or shall be reinstated, as the case may be, notwithstanding any cancellation of this Assignment or of any note or other instrument or agreement evidencing the Indebtedness and the Property will continue to secure the amount repaid or recovered to the same extent as if that amount never had been originally received by Lender, and Grantor shall be bound by any judgment, decree, order, settlement or compromise relating to the Indebtedness or to this Assignment.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Property or if Grantor fails to comply with any provision of this Assignment or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Assignment or any Related Documents, Lender on Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or

placed on the Rents or the Property and paying all costs for insuring, maintaining and preserving the Property. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Assignment also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon Default.

DEFAULT. Each of the following, at Lender's option, shall constitute an Event of Default under this Assignment:

Payment Default. Grantor fails to make any payment when due under the Indebtedness.

Other Defaults. Grantor fails to comply with or to perform any other term, obligation, covenant or condition contained in this Assignment or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Grantor.

Default on Other Payments. Failure of Grantor within the time required by this Assignment to make any payment for taxes or insurance, or any other payment necessary to prevent filing of or to effect discharge of any lien.

Default in Favor of Third Parties. Any guarantor or Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of any guarantor's or Grantor's property or ability to perform their respective obligations under this Assignment or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Grantor or on Grantor's behalf under this Assignment or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Defective Collateralization. This Assignment or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Death or Insolvency. The dissolution of Grantor's (regardless of whether election to continue is made), any member withdraws from the limited liability company, or any other termination of Grantor's existence as a going business or the death of any member, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against the Rents or any property securing the Indebtedness. This includes a garnishment of any of Grantor's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Grantor gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Property Damage or Loss. The Property is lost, stolen, substantially damaged, sold, or borrowed against.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor or any of the Indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

prospect of payment or performance of the Indebtedness is impaired.

Insecurity. Lender in good faith believes itself insecure.

RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of any Event of Default and at any time thereafter, Lender may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

Accelerate Indebtedness. Lender shall have the right at its option without notice to Grantor to declare the entire Indebtedness immediately due and payable, including any prepayment penalty that Grantor would be required to pay.

Collect Rents. Lender shall have the right, without notice to Grantor, to take possession of the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender shall have all the rights provided for in the Lender's Right to Receive and Collect Rents Section, above. If the Rents are collected by Lender, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Mortgagee in Possession. Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

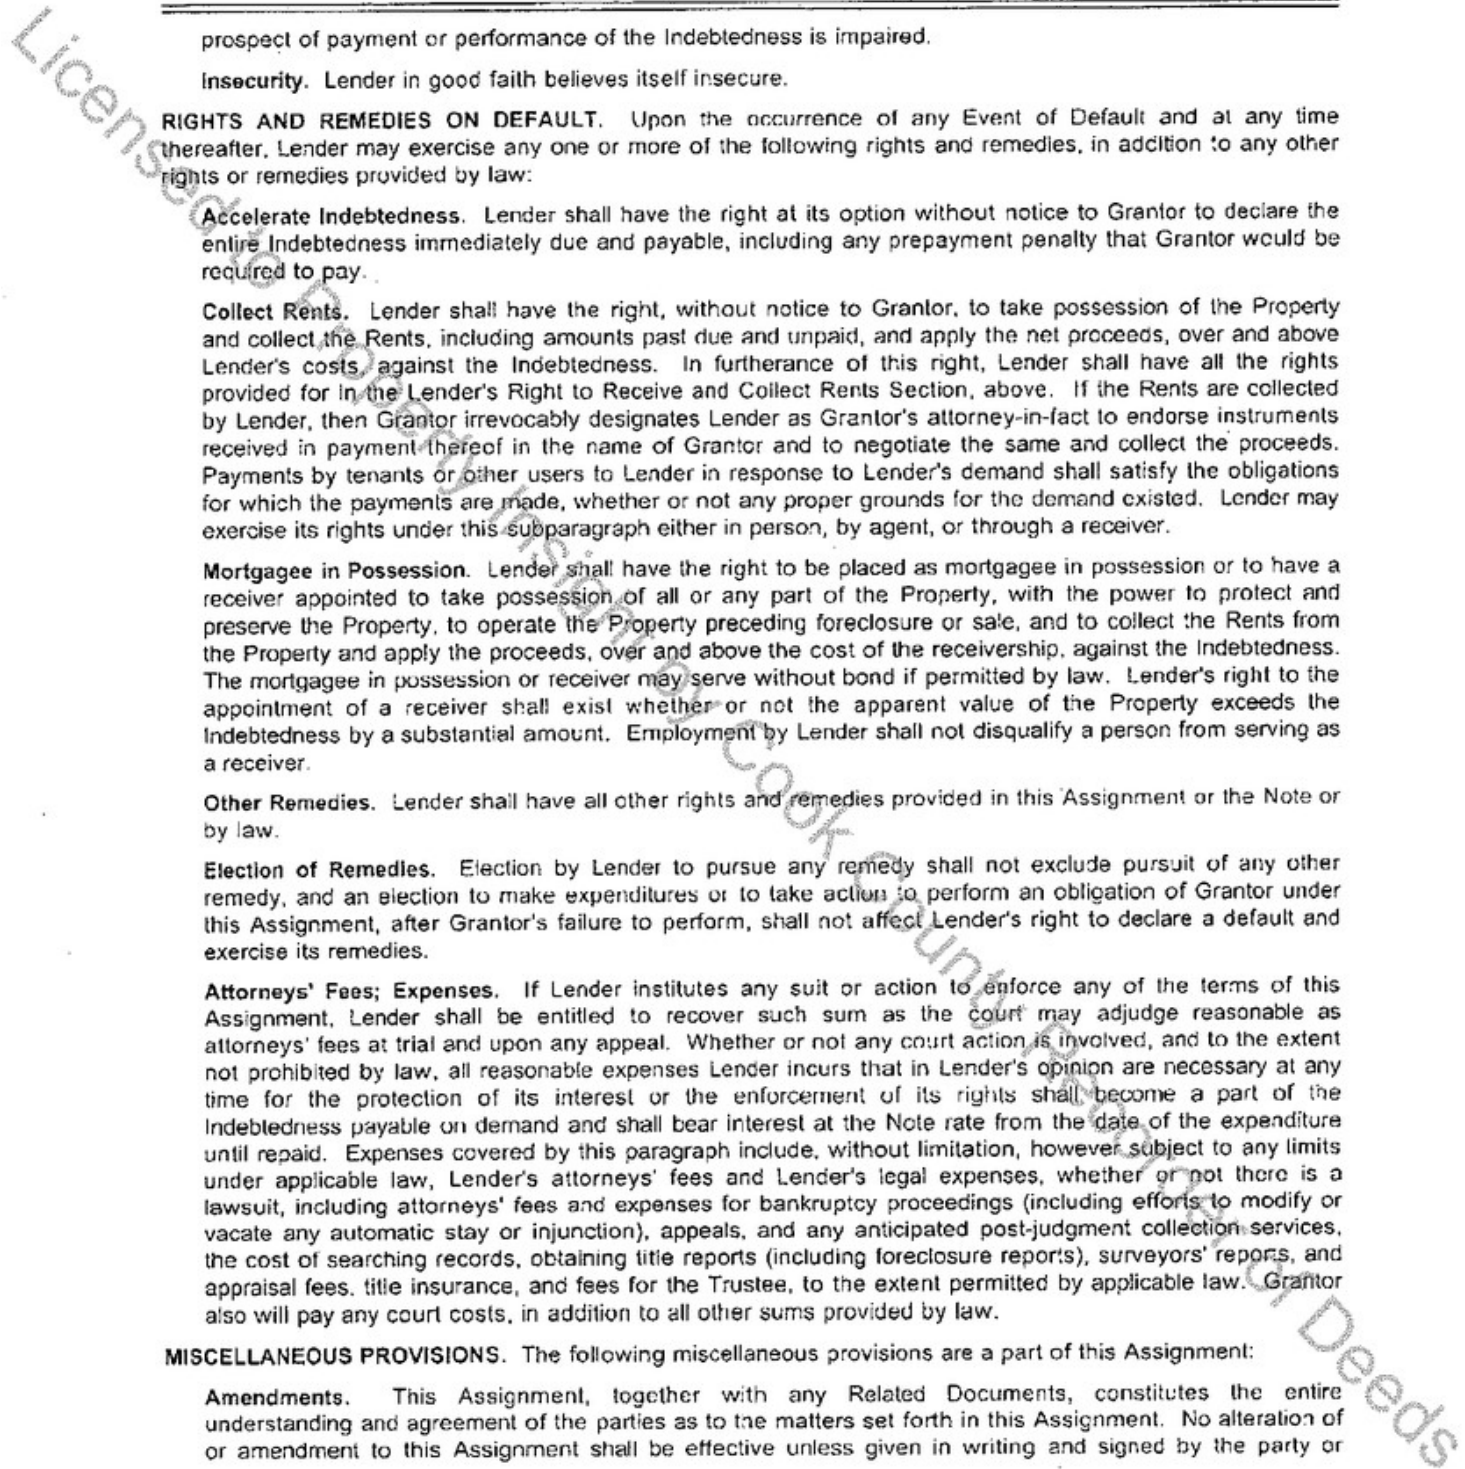

Other Remedies. Lender shall have all other rights and remedies provided in this Assignment or the Note or by law.

Election of Remedies. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Assignment, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Assignment, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Note rate from the date of the expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees, title insurance, and fees for the Trustee, to the extent permitted by applicable law. Grantor also will pay any court costs, in addition to all other sums provided by law.

(iv) Business interruption insurance in an amount equal to at least one hundred percent (100%) of the aggregate annual amount of all revenues generated from the Property, such business interruption insurance to cover losses of revenue for a period of at least one (1) year after the date of the fire or casualty in question and six (6) months of Extended Period of Indemnity coverage covering the shortfall in rental income after the Improvements are restored. The amount of such business interruption insurance shall be determined prior to the date hereof and at least once each year thereafter based on Mortgagee's reasonable estimate of revenues from the operation of the Property for the succeeding twelve (12) month period;

(v) Insurance against loss or damage from explosion of steam boilers, air conditioning equipment, high pressure piping, machinery and equipment, pressure vessels or similar apparatus now or hereafter installed in the Improvements; and

(vi) Such other insurance (including, without limitation, earthquake insurance) as may from time to time be reasonably required by Mortgagee in order to protect its interests.

(b) All policies of insurance (the "Policies") required pursuant to Section 3(a)(i) shall be issued by an insurer satisfactory to Mortgagee with at least an A/VIII rating by A.M. Best Company, (ii) without limiting the required endorsements to the Policies, shall contain a standard non-contributory mortgagee clause naming Mortgagee as the person to which all payments made by such insurance company shall be paid, and specifically referencing Mortgagee under such clause as Thorofare Asset Based Lending REIT Fund IV, LLC, 633 W. Fifth Street, Suite 2200, Los Angeles, California 90071, Attention: Mr. Kevin Miller, as Mortgagee, its successor and assigns, as their interests may appear, (x) as an additional insured under all liability insurance policies excluding worker's compensation policies, (y) as the first Mortgagee on all property insurance policies, and (z) as the loss payee on all loss of rents or loss of business income insurance policies and, if applicable, flood insurance policies, (iii) shall be maintained throughout the term of this Mortgage at the sole cost and expense of Mortgagor without cost or expense to Mortgagee, (iv) shall be delivered to Mortgagee, (v) shall contain an endorsement or agreement by the insurer that any loss shall be payable to Mortgagee in accordance with the terms of such policy notwithstanding any act or negligence of Mortgagor which might otherwise result in forfeiture of such insurance; (vi) shall waive all rights of subrogation against Mortgagee; (vii) shall contain such provisions as Mortgagee deems reasonably necessary or desirable to protect its interest including, without limitation, endorsements providing that neither Mortgagor nor Mortgagee nor any other party shall be a co-insurer under such Policies and that Mortgagee shall receive at least thirty (30) days prior written notice of any modification or cancellation and (viii) shall be satisfactory in form and substance to Mortgagee and shall be approved by Mortgagee as to amounts, form, risk coverage, deductibles, loss payees and insureds. All amounts recoverable thereunder are hereby assigned to Mortgagee. Not later than thirty (30) days prior to the expiration date of each of the Policies, Mortgagor will deliver to Mortgagee satisfactory evidence of the renewal of each of the Policies.

(c) If the Improvements shall be damaged or destroyed, in whole or in part, by fire or other casualty, Mortgagor shall give prompt notice thereof to Mortgagee and prior to the making of any repairs thereto. Following the occurrence of fire or other casualty, Mortgagor, regardless of whether insurance proceeds are payable under the Policies or, if paid, are made available to Mortgagor by Mortgagee, shall promptly proceed with the repair, alteration, restoration, replacement or rebuilding of the Improvements as near as possible to their value, utility, condition and character prior to such damage or destruction. Such repairs, alterations, restoration, replacement and rebuilding are herein collectively referred to as the "**Restoration**". The Restoration shall be performed in accordance with the following provisions:

(i) Mortgagor shall procure, pay for and furnish to Mortgagee true copies of all required governmental permits, certificates and approvals with respect to the Restoration.

(ii) Mortgagor shall furnish Mortgagee, within thirty (30) days of the casualty, evidence reasonably satisfactory to Mortgagee of the cost to complete the Restoration.

(iii) If the Restoration involves structural work or the estimated cost to complete the Restoration exceeds five percent (5%) of the original principal amount of the Loan, if requested by Mortgagee, the Restoration shall be conducted under the supervision of an architect (the "**Architect**") selected by Mortgagor and approved by Mortgagee (which approval shall not be unreasonably withheld), and no such Restoration shall be made except in accordance with detailed plans and specifications, detailed cost estimates and detailed work schedules approved by Mortgagee (which approval shall not be unreasonably withheld).

(iv) If the estimated cost of the Restoration shall exceed ten percent (10%) of the original principal amount of the Loan in the aggregate, at the request of Mortgagee, Mortgagor, before commencing any work, shall cause to be furnished to Mortgagee a surety bond or bonds, in form and substance reasonably satisfactory to Mortgagee, naming Mortgagor and Mortgagee as co-obligees, in an amount that is not less than the estimated cost of the Restoration, issued by a surety company or companies reasonably satisfactory to Mortgagee.

(v) The Restoration shall be prosecuted to completion with all due diligence and in an expeditious and first class workmanlike manner and in compliance with all laws and other governmental requirements, all permits, certificates and approvals, all requirements of fire underwriters and all insurance policies then in force with respect to the Real Property.

(vi) At all times when any work is in progress, Mortgagor shall maintain all insurance then required by law or customary with respect to such work, and, prior to the commencement of any work, shall furnish to Mortgagee duplicate originals or certificates of the policies therefor.

(vii) Upon completion of the Restoration, Mortgagor shall obtain (A) any occupancy permit which may be required for the Improvements and (B) all other governmental permits, certificates and approvals and all permits, certificates and approvals of

fire underwriters which are required for or with respect to the Restoration, and shall furnish true copies thereof to Mortgagee.

(viii) An Event of Default (as hereinafter defined) shall be deemed to have occurred under this Mortgage if Mortgagor, after having commenced demolition or construction of any Improvements, shall abandon such demolition or the construction work or shall fail to complete such demolition and construction within a reasonable time after the commencement thereof.

(d) If the insurance proceeds payable under the Policies or the costs of completing the Restoration are more than \$250,000, Mortgagor and Mortgagee shall jointly adjust and settle all insurance claims, provided, however, if an Event of Default shall have occurred and be continuing, Mortgagee shall have the right to adjust and settle such claims without the prior consent of Mortgagor. In the event of any insured loss, the payment for such loss shall be made directly to Mortgagor unless the insurance proceeds payable under the Policies for such loss are more than \$250,000 in which case the payment for such loss shall be made directly to Mortgagee. Any insurance proceeds under any of the Policies paid directly to Mortgagee in accordance with the terms hereof may, at the option of Mortgagee, be used in one or more of the following ways: (w) applied to the Indebtedness, whether such Indebtedness then be matured or unmatured (such application to be without prepayment fee or premium, except that if an Event of Default has occurred and remains uncured, then such application shall be subject to the applicable premium computed in accordance with the Note), (x) used to fulfill any of the covenants contained herein as Mortgagee may determine, (y) used to replace or restore the property to a condition satisfactory to Mortgagee, or (z) released to Mortgagor. Notwithstanding the foregoing, provided (1) not more than thirty percent (30%) of the gross area of the Improvements is directly affected by such damage, destruction or loss and the amount of the loss does not exceed ten percent (10%) of the original principal amount of the Loan, (2) no Event of Default has occurred hereunder, under the Note or under any of the other Loan Documents and remains uncured at the time of such application, (3) the insurer does not deny liability to any named insured, (4) intentionally deleted, (5) rental loss insurance is available and in force and effect to offset in full any abatement of rent to which any tenant may be entitled as a result of such damage, destruction or loss, (6) the remaining Improvements continue at all times to comply with all applicable building, zoning and other land use laws and regulations, (7) in Mortgagee's judgment, the Restoration is practicable and can be completed within six (6) months after the damage, destruction or loss and at least six (6) months prior to the Maturity Date (as such term is defined in the Note) and (8) rebuilding of the Improvements to substantially identical size, condition and use as existed prior to the casualty is permitted by all applicable laws and ordinances, then all of such proceeds shall be used for Restoration, any application of insurance proceeds to the Indebtedness shall be to the unpaid installments of principal due under the Note in the inverse order of their maturity, such that the regular payments under the Note shall not be reduced or altered in any manner. In the event (A) the above criteria are satisfied (including that no Event of Default has occurred and remains uncured hereunder, under the Note or other Loan Documents) or Mortgagee otherwise elects to allow the use of such proceeds for the Restoration and (B) the insurance proceeds under any of the Policies are paid directly to Mortgagee in accordance with the terms hereof, such proceeds shall be disbursed in accordance with the following provisions:

(i) Each request for an advance of insurance proceeds shall be made on seven (7) days prior notice to Mortgagee and shall be accompanied by a certificate of the Architect, if one be required under Section 3(d)(iii) above, otherwise by an executive officer or managing general partner or managing member of Mortgagor, stating (1) that all work completed to date has been performed in compliance with the approved plans and specifications and in accordance with all provisions of law, (2) the sum requested is properly required to reimburse Mortgagor for payments by Mortgagor to, or is properly due to, the contractor, subcontractors, materialmen, laborers, engineers, architects or other persons rendering services or materials for the Restoration (giving a brief description of such services and materials), and that when added to all sums, if any, previously disbursed by Mortgagee, does not exceed the value of the work done to the date of such certificate and (3) that the amount of such proceeds remaining in the hands of Mortgagee will be sufficient on completion of the work to pay the same in full (giving, in such reasonable detail as Mortgagee may require, an estimate of the cost of such completion).

(ii) Each request for an advance of insurance proceeds shall, to the extent permitted under applicable law, be accompanied by waivers of liens satisfactory to Mortgagee covering that part of the Restoration previously paid for, if any, and by a search prepared by a title company or by other evidence reasonably satisfactory to Mortgagee including without limitation a title endorsement satisfactory to Mortgagee if available in the state where the Real Property is located, that there has not been filed with respect to the Real Property any mechanic's lien or other lien or instrument and that there exist no encumbrances on or affecting the Real Property other than the Permitted Encumbrances or otherwise approved by Mortgagee. In addition to the foregoing, the request for the final advance shall be accompanied by (1) any final occupancy permit which may be required for the Improvements, (2) all other governmental permits, certificates and approvals and all other permits necessary for the occupancy and operation of the Real Property, (3) Tenant estoppels from tenants whose space was affected and (4) final lien waivers from all contractors, subcontractors and materialmen.

(iii) No advance of insurance proceeds shall be made if there exists an Event of Default under this Mortgage, the Note or any other Loan Document.

(iv) If the cost of the Restoration (as reasonably estimated by Mortgagee) at any time shall exceed the amount of the insurance proceeds available therefor, Mortgagee shall provide Mortgagor written notification thereof together with supporting documentation and insurance proceeds shall not be advanced until Mortgagor, before commencing the Restoration or continuing the Restoration, as the case may be, shall deposit the full amount of the deficiency (or other assurances reasonably satisfactory to Mortgagee) with Mortgagee and the amount so deposited shall first be applied toward the cost of the Restoration before any portion of the insurance proceeds is disbursed for such purpose.

Upon completion of the Restoration and payment in full therefor, or upon failure on the part of Mortgagor promptly to commence or diligently to continue the Restoration, or at any time upon request by Mortgagor, Mortgagee may apply the amount of any such proceeds then or thereafter in the hands of Mortgagee to the payment of the Indebtedness; provided, however, that nothing herein contained shall prevent Mortgagee from applying at any time the whole or any part of such proceeds to the curing of any default that has not been cured within the applicable cure period under this Mortgage, the Note or any other Loan Document.

(e) Insurance proceeds and any additional funds deposited by Mortgagor with Mortgagee shall constitute additional security for the Indebtedness. Mortgagor shall execute, deliver, file and/or record, at its expense, such documents and instruments as Mortgagee deems necessary or advisable to grant to Mortgagee a perfected, first priority security interest in the insurance proceeds and such additional funds. If Mortgagee elects to have the insurance proceeds applied to Restoration, (i) the insurance proceeds shall be, at Mortgagee's election, disbursed in installments by Mortgagee and (ii) all costs and expenses incurred by Mortgagee in connection with the Restoration, including, without limitation, reasonable counsel fees and costs, shall be paid by Mortgagor.

4. Payment of Taxes, Etc.

(a) Mortgagor shall pay all taxes, assessments, water rates and sewer rents, now or hereafter levied or assessed or imposed against the Property or any part thereof (the "Taxes") and all ground rents, maintenance charges, other governmental impositions, and other charges, including, without limitation, vault charges and license fees (collectively, "Other Charges") for the use of vaults, chutes and similar areas adjoining the Real Property, as the same become due and payable. Mortgagor will deliver to Mortgagee, promptly upon Mortgagee's request, evidence satisfactory to Mortgagee that the Taxes and Other Charges have been so paid and are not then delinquent. Mortgagor shall not suffer or permit any lien or charge (including, without limitation, any mechanic's lien) against all or any part of the Property and Mortgagor shall promptly cause to be paid and discharged any lien or charge whatsoever which may be or become a lien or charge against the Property. Mortgagor shall promptly pay for all utility services provided to the Property. In addition, Mortgagee may, at its option, retain the services of a firm to monitor the payment of Taxes, the cost of which shall be borne by Mortgagor.

(b) Notwithstanding the provisions of subsection (a) of this Section 4, Mortgagor shall have the right to contest in good faith the amount or validity of any such Taxes, liens or Other Charges (including, without limitation, tax liens and mechanics' liens) referred to in subsection (a) above by appropriate legal proceedings and in accordance with all applicable law, after notice to, but without cost or expense to, Mortgagee, provided that (i) no Event of Default under the Note or other Loan Documents has occurred and is continuing, (ii) Mortgagor pays such Taxes, liens or Other Charges as same become due and payable, unless Mortgagor delivers evidence satisfactory to Mortgagee that, as a result of Mortgagor's contest, Mortgagor's obligation to pay such Taxes, liens or Other Charges has been deferred by the appropriate governmental authority, in which event, Mortgagor may defer such payment of such Taxes, liens or Other Charges until the date specified by such governmental authority, (iii) such contest shall be promptly and diligently prosecuted by and at the expense of Mortgagor, (iv) Mortgagee shall not thereby suffer any civil penalty, or be subjected to any criminal penalties or sanctions, (v) such contest shall be discontinued and such Taxes, liens or Other Charges promptly paid if at any time all or any part of the Property shall be in imminent danger of being foreclosed, sold, forfeited or otherwise lost or if the title, lien and security interest created by this Mortgage or the priority thereof shall be in imminent danger of being impaired, (vi) Mortgagor shall have set aside adequate reserves (in Mortgagee's judgment) for the payment of such Taxes, liens or Other Charges, together with all interest and penalties thereon and (vii) Mortgagor shall have furnished such security as may be required in the proceeding or as may be requested by Mortgagee, to

insure the payment of any such Taxes, liens or Other Charges, together with all interest and penalties thereon.

(c) **Tax and Insurance Reserve.**

(i) **Tax and Insurance Escrow Account.** On the date hereof, from the proceeds of Loan, Mortgagor shall deposit with Mortgagee an amount equal to \$10,750.00 (the "**Initial Tax Deposit**") on account of the Taxes (as hereinafter defined) next coming due and \$1,740.00 (the "**Initial Insurance Premiums Deposit**") on account of the premiums for the Policies ("**Insurance Premiums**") next coming due. Additionally, Mortgagor shall pay to Mortgagee on the date each regularly scheduled payment of interest is due (a) one-twelfth of the Taxes that Mortgagee reasonably estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Mortgagee sufficient funds to pay all such Taxes at least thirty (30) days prior to their respective due dates, and (b) one-twelfth of the Insurance Premiums that Mortgagee estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Mortgagee sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (the foregoing amounts so deposited with Mortgagee are hereinafter called the "**Tax and Insurance Escrow Funds**" and the account in which such amounts are held shall hereinafter be referred to as the "**Tax and Insurance Escrow Account**").

(ii) **Disbursements from Tax and Insurance Escrow Funds.** Provided no Event of Default has occurred and is continuing, Mortgagee will apply the Tax and Insurance Escrow Funds to payments of Taxes and Insurance Premiums required to be made by Mortgagor pursuant to Sections 3 and 4 hereof. In making any payment relating to the Tax and Insurance Escrow Funds, Mortgagee may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Funds shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 3 and/or 4 hereof, Mortgagee shall, in its sole discretion, return any excess to Mortgagor or credit such excess against future payments to be made to the Tax and Insurance Escrow Funds. Any amount remaining in the Tax and Insurance Escrow Funds after the Indebtedness has been paid in full shall be returned to Mortgagor or credited against the aggregate payoff amount, as determined by Mortgagee. In allocating such excess, Mortgagee may deal with the Person shown on the records of Mortgagee to be the owner of the Property. If at any time Mortgagee reasonably determines that the Tax and Insurance Escrow Funds are not or will not be sufficient to pay Taxes and Insurance Premiums by the due dates thereof, Mortgagee shall notify Mortgagor of such determination and Mortgagor shall increase its monthly payments to Mortgagee by the amount that Mortgagee estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

(d) **Balance in the Tax and Insurance Escrow Account.** The insufficiency of any funds on deposit in the Tax and Insurance Escrow Account shall not relieve Mortgagor from the obligation to make any payments of Taxes of Insurance Premiums as and when due pursuant to the terms of this Agreement and the other Loan Documents, provided that Mortgagor receives

notice from Mortgagee of the amount of any deficiency in the Tax and Insurance Escrow Account.

5. **Additional Reserves.**

(a) **Delta Interest Reserve.**

(i) One Hundred Sixty Thousand and 00/100 Dollars (\$160,000.00) of the Loan shall be funded on the date hereof to a reserve account controlled by Mortgagee (the "**Delta Interest Reserve**"), which funds shall be utilized by Mortgagee for application to monthly installments of Debt Service pursuant to the terms of this Agreement and for application to the monthly servicing fees payable pursuant to Section 66 of this Mortgage. On each Monthly Payment Date during the initial term of the Loan, Mortgagee shall disburse and apply (i) Twelve Thousand Three Hundred Thirty Three and 33/100 Dollars (\$12,333.33) from the Delta Interest Reserve to the monthly installment of Debt Service payable pursuant to the Note on such Monthly Payment Date (each such Installment, the "**Delta Interest Reserve Monthly Application Amount**") and (ii) One Thousand and 00/100 Dollars (\$1,000.00) from the Delta Interest Reserve in payment of the monthly servicing fee payable; for the avoidance of doubt, Mortgagor shall be responsible for the payment to Mortgagee of the amount by which the monthly debt service on the Loan exceeds the Delta Interest Reserve Monthly Application Amount. In the event that the Maturity Date is extended in accordance with Section 2.1.(c), then Mortgagor shall replenish the Delta Interest Reserve if required by Section 2.1.(c)(iv) of the Note from which Six Thousand and 0/100 Dollars (\$6,000.00) shall be utilized to pay the One Thousand and 00/100 Dollar (\$1,000.00) monthly servicing fee and the balance of the Delta Interest Reserve shall be divided in six (6) equal monthly installments and become the Delta Interest Reserve Monthly Application Amount during the Extension Term (as defined in the Note).

(ii) Mortgagor hereby pledges to Mortgagee, and grants a security interest in, any and all monies now or hereafter deposited in the Delta Interest Reserve as additional security for the payment of the Loan. The Delta Interest Reserve shall be held in Mortgagee's name and may be commingled with Mortgagee's own funds at financial institutions selected by Mortgagee in its reasonable discretion. During the continuance of an Event of Default, Mortgagee may apply any sums then present in the Delta Interest Reserve to the payment of the Indebtedness in any order in its sole discretion. Until expended or applied as above provided, the Delta Interest Reserve shall constitute additional security for the Loan. Mortgagee shall have no obligation to release any of the Delta Interest Reserve during the continuance of an Event of Default. In connection with a repayment of the Loan in full, the monies then remaining on deposit with Mortgagee under this Section 5(a) shall be applied as a credit against the outstanding principal balance of the Loan at the time of such repayment.

(iii) For the avoidance of doubt, from and after the date hereof, interest shall accrue on the entire amount of the Delta Interest Reserve at the Interest Rate (as defined in the Note) or Default Rate (as defined in the Note), as applicable, pursuant to the Note.

(b) **Repair.**

(i) Nineteen Thousand Three Hundred Seventy-Five and 00/100 Dollars (\$19,375.00) of the Loan shall be funded on the date hereof to a reserve account controlled by Mortgagee (the "**Repair Reserve**"), which funds shall be disbursed by Mortgagee

to reimburse Mortgagor for Approved Immediate Repairs. As used herein, “**Approved Immediate Repairs**” means repairs and maintenance set forth on Exhibit C. Disbursement of the Repair Reserve for reimbursement of Approved Immediate Repairs shall be subject to the same terms and conditions as disbursement of proceeds from the Capital Improvement Work Holdback (as defined in that certain Holdback and Disbursement Agreement, of even date herewith by and between Mortgagor and Mortgagee).

(ii) Mortgagor hereby pledges to Mortgagee, and grants a security interest in, any and all monies now or hereafter deposited in the Repair Reserve as additional security for the payment of the Loan. The Repair Reserve shall be held in Mortgagee’s name and may be commingled with Mortgagee’s own funds at financial institutions selected by Mortgagee in its reasonable discretion. During the continuance of an Event of Default, Mortgagee may apply any sums then present in the Repair Reserve to the payment of the Indebtedness in any order in its sole discretion. Until expended or applied as above provided, the Repair Reserve shall constitute additional security for the Loan. Mortgagee shall have no obligation to release any portion of the Repair Reserve during the continuance of an Event of Default. In connection with a repayment of the Loan in full, the monies then remaining on deposit with Mortgagee under this Section 5(b) shall be applied as a credit against the outstanding principal balance of the Loan at the time of such repayment.

(iii) For the avoidance of doubt, from and after the date hereof, interest shall accrue on the entire amount of the Repair Reserve at the Interest Rate (as defined in the Note) or Default Rate (as defined in the Note), as applicable, pursuant to the Note.

6. Condemnation. Mortgagor shall promptly give Mortgagee written notice of the actual or threatened commencement of any condemnation or eminent domain proceeding and shall deliver to Mortgagee copies of any and all papers served in connection with such proceedings. Following the occurrence of a condemnation, Mortgagor, regardless of whether an award is available, shall promptly proceed to restore, repair, replace or rebuild the Improvements to the extent practicable to be of at least equal value and of substantially the same character as prior to such condemnation, all to be effected in accordance with applicable law. Notwithstanding any taking by any public or quasi-public authority through eminent domain or otherwise (including but not limited to any transfer made in lieu of or in anticipation of the exercise of such taking), Mortgagor shall continue to pay the Indebtedness at the time and in the manner provided for its payment in the Note, in this Mortgage and the other Loan Documents and the Indebtedness shall not be reduced until any award or payment therefor shall have been actually received after expenses of collection and applied by Mortgagee to the discharge of the Indebtedness. Mortgagor shall cause the award or payment made in any condemnation or eminent domain proceeding, which is payable to Mortgagor, to be paid directly to Mortgagee. Mortgagee may, at Mortgagee’s election, use the award in any one or more of the following ways: (a) apply any such award or payment (for purposes of this Section 6, the award or payment that may be made in any condemnation or eminent domain proceeding shall mean the entire award allocated to Mortgagor in any capacity) to the discharge of the Indebtedness whether or not then due and payable (such application to be without prepayment fee or premium, except that if an Event of Default, or an event which with notice and/or the passage of time, or both, would constitute an Event of Default, has occurred, then such application shall be subject to the applicable premium computed in accordance with the Note), (b) use the same or any part thereof to fulfill any of the covenants contained herein as Mortgagee may determine, (c) use the

same or any part thereof to replace or restore the Property to a condition satisfactory to Mortgagee, or (d) release the same to Mortgagor. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Mortgagee of such award or payment, Mortgagee shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive said award or payment or a portion thereof sufficient to pay the Indebtedness.

Mortgagor hereby specifically, unconditionally and irrevocably waives all rights of a property owner granted under Illinois law which provides for allocation of condemnation proceeds between a property owner and a lienholder, and any other law, including case law, or successor statute of similar import.

7. Leases and Rents.

(a) Upon the occurrence and during the continuance of an Event of Default, Mortgagor does hereby absolutely and unconditionally assign to Mortgagee its right, title and interest in all current and future Leases and Rents and all proceeds from the sale, cancellation, surrender or other disposition of the Leases. Such assignment to Mortgagee shall not be construed to bind Mortgagee to the performance of any of the covenants, conditions or provisions contained in any such Lease or otherwise to impose any obligation upon Mortgagee. Mortgagor agrees to execute and deliver to Mortgagee such additional instruments in form and substance satisfactory to Mortgagee, as may hereafter be requested by Mortgagee to further evidence and confirm such assignment. Mortgagor shall hold the Rents, or a portion thereof sufficient to discharge all current sums due on the Indebtedness, in trust for the benefit of Mortgagee for use in the payment of such sums. Upon and during the occurrence of an Event of Default, Mortgagee shall immediately be entitled to possession of all Rents, whether or not Mortgagee enters upon or takes control of the Property, provided that any such entry shall be made by Mortgagee in compliance with all applicable laws. Upon the occurrence and during the continuance of an Event of Default, Mortgagee is hereby granted and assigned by Mortgagor the right, at its option, to enter upon the Property in person, by agent or by court-appointed receiver to collect the Rents (provided that such entry shall be made in compliance with all applicable laws). Any Rents collected by or on behalf of Mortgagee during the continuance of an Event of Default may be applied toward payment of the Indebtedness in such priority and proportion as Mortgagee in its discretion shall deem proper.

(b) All Leases executed after the date of this Mortgage shall provide that they are subordinate to this Mortgage and that the lessee agrees to attorn to Mortgagee; provided, however, that nothing herein shall affect Mortgagee's right to designate from time to time any one or more Leases as being superior to this Mortgage and Mortgagor shall execute and deliver to Mortgagee and shall cause to be executed and delivered to Mortgagee from each tenant under such Lease any instrument or agreement as Mortgagee may deem necessary to make such Lease superior to this Mortgage. Upon request, Mortgagor shall promptly furnish Mortgagee with executed copies of all Leases.

(c) So long as there shall exist no Event of Default which shall be continuing under the Loan, Mortgagor may (i) enter into individual apartment leases in the ordinary course of business and without the prior consent of Mortgagee, provided (aa) such lease is on a form approved by Mortgagee in writing, (bb) the rental rate and other concessions, if any, are at or

above market rates, (cc) the term of such lease is not more than twelve (12) months, (dd) not more than one (1) apartment unit is rented to the same occupant, and (ee) the tenant is not an affiliate of Mortgagor, (ii) terminate any individual apartment lease in the ordinary course of business after the default of the tenant thereunder, and (ii) amend any individual apartment lease provided that conditions (bb), (cc) and (ee) in clause (i) above are satisfied. Except as otherwise expressly provided in the previous sentence, Mortgagor shall not, without the prior consent of Mortgagee, (I) lease all or any part of the Property, (II) alter or change the terms of any Lease or cancel or terminate, abridge or otherwise modify the terms of any Lease, (III) consent to any assignment of or subletting under any Lease not in accordance with its terms, (IV) cancel, terminate, abridge or otherwise modify any guaranty of any Lease or the terms thereof, (V) collect or accept prepayments of installments of Rents for a period of more than one (1) month in advance or (VI) further assign the whole or any part of the Leases or the Rents.

(d) With respect to each Lease, Mortgagor shall (i) observe and perform each and every provision thereof on the lessor's part to be fulfilled or performed under each Lease and not do or permit to be done anything to impair the value of the Lease as security for the Loan, including surrender or voluntary termination of any Lease, (ii) promptly send to Mortgagee copies of all notices of default which Mortgagor shall send or receive thereunder, (iii) enforce all of the terms, covenants and conditions contained in such Lease upon the lessee's part to be performed, short of termination thereof, (iv) execute and deliver, at the request of Mortgagee, all such further assurances, confirmations and assignments in connection with the Property as Mortgagee shall, from time to time, require and (v) upon request, furnish Mortgagee with executed copies of all Leases. Upon the occurrence of any Event of Default under this Mortgage, Mortgagor shall pay monthly in advance to Mortgagee, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of the Property or part of the Property as may be occupied by Mortgagor or any one Mortgagor and upon default in any such payment Mortgagor shall vacate and surrender possession of the Property to Mortgagee or to such receiver and, in default thereof, Mortgagor may be evicted by summary proceedings or otherwise.

(e) All security deposits of tenants, whether held in cash or any other form, shall not be commingled with any other funds of Mortgagor and, if cash, shall (i) be deposited by Mortgagor at such commercial or savings bank or banks as may be reasonably satisfactory to Mortgagee. Any bond or other instrument which Mortgagor is permitted to hold in lieu of cash security deposits under any applicable legal requirements shall be maintained in full force and effect in the full amount of such deposits unless replaced by cash deposits as hereinabove described, shall be issued by an institution reasonably satisfactory to Mortgagee, (ii) if permitted pursuant to any legal requirements, name Mortgagee as payee or Mortgagee thereunder (or at Mortgagee's option, be fully assignable to Mortgagee) and (iii) in all respects, comply with any applicable legal requirements and otherwise be reasonably satisfactory to Mortgagee. Mortgagor shall, upon request, provide Mortgagee with evidence reasonably satisfactory to Mortgagee of Mortgagor's compliance with the foregoing. Following the occurrence and during the continuance of any Event of Default, Mortgagor shall, upon Mortgagee's request, if permitted by any applicable legal requirements, turn over to Mortgagee the security deposits (and any interest theretofore earned thereon) with respect to all or any portion of the Property, to be held by Mortgagee subject to the terms of the Leases.

8. **Maintenance and Use of Property.** Mortgagor shall, at its sole cost and expense, keep and maintain the Property, including, without limitation, parking lots and recreational and landscaped portions thereof, if any, in good order and condition. The Improvements and the Equipment shall not be diminished, removed, demolished or materially altered (except for normal replacement of Equipment) and Mortgagor shall not erect any new buildings, structures or building additions on the Property without the prior consent of Mortgagee. So long as no Event of Default shall have occurred and be continuing, Mortgagor shall have the right at any time and from time to time after providing Mortgagee with written notice to make or cause to be made reasonable alterations of and additions to the Property or any part thereof, provided that any alteration or addition (a) shall not change the general character of the Property or reduce the fair market value thereof below its value immediately before such alteration or addition, or impair the usefulness of the Property, (b) is effected with due diligence, in a good and workmanlike manner and in compliance with all applicable laws and with all provisions of any insurance policy covering or applicable to the Property and all requirements of the issuers thereof, (c) is promptly and fully paid for, or caused to be paid for, by Mortgagor, (d) the estimated cost of such alteration or addition does not exceed five percent (5%) of the original principal amount of the Loan, (e) is made under the supervision of a qualified architect or engineer, (f) shall not violate the terms of any Leases, and (g) upon completion, Mortgagor shall provide Mortgagee with (aa) a satisfactory final improvement survey if the footprint of the building has been altered, (bb) any final occupancy permit which may be required for the Improvements, (cc) all other governmental permits, certificates and approvals and all other permits, certificates and approvals of fire underwriters which are required with respect to the alterations and additions and the use and occupancy thereof, and shall furnish true copies thereof to Mortgagee, and (dd) final lien waivers from all contractors, subcontractors and materialmen. Mortgagor shall promptly comply with all laws, orders and ordinances affecting the Property, or the use thereof, provided, however, that nothing in the foregoing clause shall require Mortgagor to comply with any such law, order or ordinance so long as Mortgagor shall in good faith, after notice to, but without cost or expense to, Mortgagee, contest the validity of such law, order or ordinance by appropriate legal proceedings and in accordance with all applicable law, which proceedings must operate to prevent (i) the enforcement thereof, (ii) the payment of any fine, charge or penalty, (iii) the sale or forfeiture of the Property or any part thereof, (iv) the lien of this Mortgage and the priority thereof from being impaired, (v) the imposition of criminal liability on Mortgagee and (vi) the imposition, unless stayed, of civil liability on Mortgagee; provided that during such contest Mortgagor shall, at the option of Mortgagee, provide cash, bonds or other security satisfactory to Mortgagee, indemnifying and protecting Mortgagee against any liability, loss or injury by reason of such non-compliance or contest, and provided further, that such contest shall be promptly and diligently prosecuted by and at the expense of Mortgagor. Mortgagor shall promptly, at its sole cost and expense, repair, replace or rebuild any part of the Property which may be destroyed by any casualty, or become damaged, worn or dilapidated. Mortgagor shall not commit any waste at the Property. Mortgagor shall not initiate, join in, acquiesce in or consent to any change in any private restrictive covenant, zoning law or other public or private restriction, limiting or defining the uses which may be made of the Property or any part thereof. If under applicable zoning provisions the use of all or any portion of the Property is or shall become a nonconforming use, Mortgagor will not cause or permit such nonconforming use to be discontinued or abandoned without the express consent of Mortgagee.

Mortgagor covenants and agrees that it shall operate the Property as a multi-family apartment property.

9. Transfer or Encumbrance of the Property or Interests in Mortgagor; Other Indebtedness.

(a) Mortgagor acknowledges that Mortgagee has examined and relied on the creditworthiness and experience of Mortgagor in owning and operating properties such as the Property in agreeing to make the Loan, and that Mortgagee will continue to rely on Mortgagor's ownership of the Property as a means of maintaining the value of the Property as security for repayment of the Indebtedness. Mortgagor acknowledges that Mortgagee has a valid interest in maintaining the value of the Property so as to ensure that, should Mortgagor default in the repayment of the Indebtedness, Mortgagee can recover the Indebtedness by a sale of the Property. Mortgagor shall not, without the prior written consent of Mortgagee, sell, convey, alienate, mortgage, encumber, pledge or otherwise transfer in trust or otherwise the Property or any part thereof or interest therein or in Mortgagor, or permit the Property or any part thereof or any interest in Mortgagor to be sold, conveyed, alienated, deeded, encumbered, pledged or otherwise transferred.

(b) A sale, conveyance, alienation, deed, encumbrance, pledge or transfer within the meaning of this Section 9 shall be deemed to include (i) an installment sales agreement wherein Mortgagor agrees to sell the Property or any part thereof for a price to be paid in installments, (ii) an agreement by Mortgagor leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Mortgagor's right, title and interest in and to any Leases or any Rents, (iii) if Mortgagor, any guarantor, any indemnitor of environmental liabilities or any general partner or managing member of Mortgagor or of any such guarantor or indemnitor is a corporation, the voluntary or involuntary sale, assignment, conveyance or transfer of such corporation's stock (or the stock of any corporation directly or indirectly controlling such corporation by operation of law or otherwise) or the creation or issuance of new stock in one or a series of transactions by which an aggregate of more than ten percent (10%) of such corporation's stock shall be vested in a party or parties who are not now stockholders or any change in the control of such corporation, (iv) if Mortgagor, any guarantor, any indemnitor of environmental liabilities or any general partner or managing member of Mortgagor or any such guarantor or indemnitor is a limited or general partnership, joint venture or limited liability company, the change, removal, resignation or addition of a general partner, managing partner, manager, limited partner, joint venturer or member or the transfer of the partnership interest of any general partner, managing partner or limited partner or the transfer of the interest of any joint venturer or member, and (v) if Mortgagor, any guarantor or any indemnitor of environmental liabilities is an entity, whether one of the above-mentioned entities or not, any change in the ownership or control of such entity, any merger, consolidation or dissolution or syndication affecting such entity, or the transfer, sale, assignment or pledge of any interest in such entity or in any person, directory or indirectly, controlling such entity or in any general partner or managing member thereof, whether at one time or in a series of related transactions.

(c) Notwithstanding anything to the contrary contained in this Section 9 or any other Section of this Mortgage, the following transfers shall be deemed to be permitted

hereunder without the consent of Mortgagee: One or more transfers of interests in Mortgagor by the holder of an interest in Mortgagor to a trust or other estate planning vehicle established for the benefit of an Immediate Family Member of such holder; provided, however, that (i) no such transfer shall result in a change of control of Mortgagor, (ii) Mortgagor shall give Mortgagee written notice of such transfer promptly following the consummation of such transfer, together with copies of the relevant transfer documentation, and (iii) the single purpose nature and bankruptcy remoteness of Mortgagor after such Transfer shall remain in accordance with the requirements of this Mortgage, and (D) nothing contained in the foregoing provisions of this Section 9(c) shall limit or negate the provisions of Section 20(l) of this Deed of Trust. As used herein, "**Immediate Family Member**" shall mean a sibling, spouse, child, step-child, grandchild and great-grandchild of an interest holder in Mortgagor.

(d) Mortgagee shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Indebtedness immediately due and payable upon Mortgagor's sale, conveyance, alienation, deed, encumbrance, pledge or transfer of the Property without Mortgagee's consent. This provision shall apply to every sale, conveyance, alienation, deed, encumbrance, pledge or transfer in trust or otherwise of the Property regardless of whether voluntary or not, or whether or not Mortgagee has consented to any previous sale, conveyance, alienation, deed, encumbrance, pledge or transfer of the Property.

(e) Mortgagee's consent to a sale, conveyance, alienation, deed, encumbrance, pledge or transfer in trust or otherwise of the Property shall not be deemed to be a waiver of Mortgagee's right to require such consent to any future occurrence of same. Any sale, conveyance, alienation, deed, encumbrance, pledge or transfer in trust or otherwise of the Property made in contravention of this Section 9 shall be null and void and of no force and effect.

(f) Mortgagor agrees to bear and shall pay or reimburse Mortgagee on demand for all reasonable expenses (including, without limitation, reasonable attorneys' fees and disbursements, title search costs and title insurance endorsement premiums) incurred by Mortgagee in connection with the review, approval and documentation of any such sale, conveyance, alienation, deed, encumbrance, pledge or transfer in trust or otherwise.

(g) Notwithstanding anything to the contrary contained in this Section 9 or any other Section of this Mortgage, transfers of passive, non-managing membership interests in South Shore Property Holdings, LLC, a Delaware limited liability company ("**Sole Member**"), shall be permitted without the consent of Lender, provided that (i) in no event shall such transfers exceed eighty (80%) of the total membership interests in Sole Member, (ii) Jerome H. Cohen ("**Cohen**") shall remain the Managing Member of Sole Member, and by virtue of such position, shall continue to control the business and affairs of Sole Member and Borrower, (iii) Cohen shall at all times continue to own at least twenty percent (20%) of the total membership interests in Sole Member, (iv) Lender shall be given notice of any such transfer at least ten (10) days prior to the date of such transfer, and, if requested by Lender, Borrower shall promptly provide an updated organizational chart of Borrower reflecting such transfer, and (v) if, as a result of any such transfers (considered both individually and in aggregate with all other transfers), any transferee's direct or indirect ownership interest in Borrower equals or exceeds

20%, the transferee shall be subject to Lender's customary AML/KYC searches and verifications.

10. Estoppel Certificates; Subordination.

(a) Estoppel Certificates. Mortgagor, within ten (10) business days after request by Mortgagee, shall furnish Mortgagee from time to time with a statement, duly acknowledged and certified, setting forth (i) the amount of the original principal amount of the Note, (ii) the unpaid principal amount of the Note, (iii) the rate of interest in the Note, (iv) the date through which all installments of interest, commitment fees and/or principal have been paid, (v) any offsets or defenses to the payment of the Indebtedness, if any, (vi) that the Note and this Mortgage have not been modified or if modified giving particulars of such modification and (vii) such other information as shall be requested by Mortgagee. Within thirty (30) days following Mortgagee's request for the same, Mortgagor shall use commercially reasonable efforts to provide Mortgagee with estoppel certificates from any tenants under then existing Leases, which certificates shall be in form and substance as required by such Leases, or if no particular form or substance is specified, then in form and substance reasonably satisfactory to Mortgagee.

(b) Intentionally Omitted.

11. No Cooperative or Condominium. Mortgagor represents and warrants that the Property has not been subjected to a cooperative or condominium form of ownership. Mortgagor hereby covenants and agrees that it will not file a declaration of condominium, map or any other document having the effect of subjecting the Property to a condominium or cooperative form of ownership. To the extent that the Declaration (as defined below) could be construed as creating a cooperative or condominium form of ownership, the foregoing representations and warranties shall be deemed to reference the Declaration as an exception to such representations and warranties.

12. Changes in the Laws Regarding Taxation. If any law is enacted or adopted or amended after the date of this Mortgage which deducts the Indebtedness or any portion thereof from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the principal amount of the Note or Mortgagee's interest in the Property, Mortgagor will pay such tax, with interest and penalties thereon, if any. In the event Mortgagee is advised by counsel chosen by it that the payment of such tax or interest and penalties by Mortgagor would be unlawful or taxable to Mortgagee or unenforceable or provide the basis for a defense of usury, then in any such event, Mortgagee shall have the option, by notice of not less than sixty (60) days, to declare the Indebtedness immediately due and payable without prepayment fee or premium, except that if an Event of Default, or an event which with notice and/or the passage of time, or both, would constitute an Event of Default, has occurred, the applicable premium computed in accordance with the Note shall apply.

13. No Credits on Account of the Indebtedness. Mortgagor will not claim or demand or be entitled to any credit or credits on account of the Indebtedness for any part of the Taxes assessed against the Property or any part thereof and no deduction shall otherwise be made or claimed from the taxable value of the Property, or any part thereof, by reason of this Mortgage

or the Indebtedness. In the event such claim, credit or deduction shall be required by law, Mortgagee shall have the option, by notice of not less than sixty (60) days, to declare the Indebtedness immediately due and payable without prepayment fee or premium, except that if an Event of Default, or an event which with notice and/or the passage of time, or both, would constitute an Event of Default, has occurred, the applicable premium computed in accordance with the Note shall apply.

14. Documentary Stamps. If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note or this Mortgage, or impose any other tax or charge on the same, Mortgagor will pay for the same, with interest and penalties thereon, if any.

15. Right of Entry. Mortgagee and its agents shall have the right to enter and inspect the Property at any time during reasonable business hours upon forty-eight (48) hour notice to Mortgagor, except in the case of an emergency, in which event Mortgagee and its agents may enter and inspect the Property at any time. Any such entry and inspection shall be made by Mortgagee and its agents in compliance with applicable laws and in such manner as to minimize disruption of the ordinary operations of the businesses of tenants of the Property.

16. Books and Records

(a) Mortgagor will maintain full, accurate, separate and complete books of accounts and other records reflecting the results of the operations of the Property as well as its other operations and will furnish, or cause to be furnished, to Mortgagee the following:

(i) within forty-five (45) days after the end of each fiscal year, Mortgagor will furnish to Mortgagee, a statement of Mortgagor's financial condition, including a balance sheet and profit and loss statement for the Property, and a statement of annual income and expenses for the Property reasonably satisfactory in form and substance to Mortgagee with respect to the operation of the Property, in detail reasonably satisfactory to Mortgagee, prepared and certified as true and correct in all material respects by the financial officer of Mortgagor who is responsible for the preparation of such annual financial statements (which certification shall be on behalf of Mortgagor and not such financial officer individually), and, in addition, within fifteen (15) days after the end of each calendar month, Mortgagor shall provide the above information and statements for the Property prepared and certified as true and correct in all material respects by the financial officer of Mortgagor who is responsible for the preparation of such annual financial statements.

(ii) within fifteen (15) days after the end of each calendar month, Mortgagor will furnish to Mortgagee, (i) a certified current rent roll for the Property, which shall include, among other things, tenant names, lease commencement and expiration dates, monthly rent, and any and all other fees paid by tenants and security deposits currently held, (ii) an aged schedule of delinquent accounts receivable by tenant and type of charge for the Property, (iii) a copy of the general ledger maintained by Mortgagor's property manager and (iv) bank statements for the operating account for the Property showing all deposits and disbursements (which operating account shall be a separate account solely for Property

operations which is maintained by Mortgagor or Mortgagor's property manager for the benefit of Mortgagor).

(iii) within forty-five (45) days after each calendar quarter, a balance sheet and contingent liabilities report for Guarantor dated as of the end of such quarter, certified as true and correct in all material respects by Guarantor.

(b) In the event that Mortgagor delivers an Extension Notice pursuant to the Note, then promptly thereafter, Mortgagor shall submit to Mortgagee for its approval an operating budget, including all planned capital expenditures, for the Property prepared by Mortgagor for the twelve (12) month period commencing on the initial Maturity Date, which approval shall not be unreasonably withheld, conditioned or delayed.

(c) Mortgagor shall deliver to Mortgagee such additional information regarding Mortgagor, its business, and the Property as Mortgagee may reasonably request within ten (10) business days after Mortgagee's request therefor. Mortgagor shall permit Mortgagee to examine such records, books and papers of Mortgagor which reflect upon its financial condition and the income and expenses of the Property.

(d) If Mortgagor fails to provide to Mortgagee or its designee any of the financial statements, certificates, reports or information (the "**Required Records**") required by this Section 16 within the applicable time periods set forth in this Section 16, Mortgagor shall pay to Mortgagee, at Mortgagee's option and in its discretion, an amount equal to Two Thousand Five Hundred Dollars (\$2,500) for each Required Record that is not delivered within twenty (20) days after written notice thereof. In addition, if Mortgagor fails to deliver any Required Records to Mortgagee within the applicable time periods set forth in this Section 16, Mortgagee shall have the option, upon fifteen (15) days' notice to Mortgagor, to gain access to Mortgagor's books and records and prepare or have prepared at Mortgagor's expense, any Required Records not delivered by Mortgagor. In addition, it shall be an Event of Default if any of the following shall occur: (i) any failure of Mortgagor to provide to Mortgagee any of the Required Records within the applicable time periods set forth in this Section 16, if such failure continues for twenty (20) days after written notice thereof, or (ii) in the event any Required Records shall be materially inaccurate or materially false, or (iii) in the event of the failure of Mortgagor to permit Mortgagee or its representatives to inspect said books, records and accounts upon request of Mortgagee as required by this Section 16.

17. Performance of Other Agreements. Mortgagor shall observe and perform each and every term to be observed or performed by Mortgagor pursuant to the terms of any agreement or recorded instrument affecting or pertaining to the Property.

18. Representations and Covenants Concerning Loan. Mortgagor represents, warrants and covenants as follows:

(a) The Note, this Mortgage and the other Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense, including the defense of usury, nor would the operation of any of the terms of the Note, this Mortgage and the other Loan Documents, or the exercise of any right thereunder, render this Mortgage unenforceable, in

whole or in part, or subject to any right of rescission, set-off, counterclaim or defense, including the defense of usury.

(b) All certifications, permits, licenses and approvals, including, without limitation, certificates of completion and occupancy permits required for the legal use, occupancy of the Property, have been obtained and are in full force and effect. The Property is free of material damage and is in good repair, and there is no proceeding pending for the total or partial condemnation of, or affecting, the Property.

(c) All of the Improvements which were included in determining the appraised value of the Property lie wholly within the boundaries and building restriction lines of the Property, and no improvements on adjoining properties encroach upon the Property, and no easements or other encumbrances upon the Land encroach upon any of the Improvements, so as to affect the value or marketability of the Property except those which are insured against by title insurance. All of the Improvements comply with all requirements of applicable zoning and subdivision laws and ordinances in all material respects.

(d) The Property is not subject to any Leases other than the Leases described in the rent roll delivered to Mortgagee in connection with this Mortgage. No person has any possessory interest in the Property or right to occupy the same except under and pursuant to the provisions of the Leases. Except as otherwise disclosed in writing to Mortgagee, the current Leases are in full force and effect and there are no defaults thereunder by either party and there are no conditions that, with the passage of time or the giving of notice, or both, would constitute defaults thereunder. Except as otherwise disclosed in writing to Mortgagee, all presently existing Leases are subordinate to the Mortgage.

(e) The Property and the Leases are in compliance with all statutes, ordinances, regulations and other governmental or quasi-governmental requirements and private covenants now or hereafter relating to the ownership, construction, use or operation of the Property.

(f) There has not been and shall never be committed by Mortgagor or any other person in occupancy of or involved with the operation or use of the Property any act or omission affording the federal government or any state or local government the right of forfeiture as against the Property or any part thereof or any monies paid in performance of Mortgagor's obligations under any of the Loan Documents. Mortgagor hereby covenants and agrees not to commit, permit or suffer to exist any act or omission affording such right of forfeiture.

(g) All information submitted by Mortgagor to Mortgagee including, but not limited to, all financial statements, rent rolls, reports, certificates and other documents submitted in connection with the Loan or in satisfaction of the terms thereof and all statements of fact made by Mortgagor in this Mortgage or in any other Loan Document, are accurate, complete and correct in all material respects. There has been no material adverse change in any condition, fact, circumstance or event that would make any such information inaccurate, incomplete or otherwise misleading in any material respect or that otherwise materially and adversely affects or might materially and adversely affect the use, operation or value of the Property or the business operations and/or the financial condition of Mortgagor or Guarantor. Mortgagor and Guarantor

have disclosed to Mortgagee all material facts and have not failed to disclose any material fact that could cause any information provided by or on behalf of Mortgagor to Mortgagee or representation or warranty made herein or in the other Loan Documents to be materially misleading.

(h) Improper Financial Transactions.

(i) Mortgagor is, and shall remain at all times, in full compliance with all applicable laws and regulations of the United States of America that prohibit, regulate or restrict financial transactions, and any amendments or successors thereto and any applicable regulations promulgated thereunder (collectively, the “**Financial Control Laws**”), including but not limited to those related to money laundering offenses and related compliance and reporting requirements (including any money laundering offenses prohibited under the Money Laundering Control Act, 18 U.S.C. Sections 1956 and 1957 and the Bank Secrecy Act, 31 U.S.C. Sections 5311 et seq.) and the Foreign Assets Control Regulations, 31 C.F.R. Section 500 et seq.

(iii) Mortgagor represents and warrants that it understands and has been advised by legal counsel on the requirements of the Financial Control Laws.

(iv) Under any provision of this Mortgage or any of the other Loan Documents where Mortgagee shall have the right to approve or consent to any particular action, including without limitation any (A) sale, transfer, assignment of the Property or of any direct or indirect ownership interest in Mortgagor, (B) leasing of the Property, or any portion thereof, or (C) incurring of additional financing secured by Property, or any portion thereof, or by any direct or indirect ownership interest in Mortgagor, Mortgagee shall have the right to withhold such approval or consent, in its sole discretion, if the granting of such approval or consent could be construed as a violation of any of the Financial Control Laws.

(v) Mortgagor covenants and agrees that it will upon request provide Mortgagee with (or cooperate with Mortgagee in obtaining) information required by Mortgagee for purposes of complying with any Financial Control Laws.

As used in this Mortgage, the term “**Barred Person**” shall mean (A) any person, group or entity named as a “Specially Designated National and Blocked Person” or as a person who commits, threatens to commit, supports, or is associated with terrorism as designated by the United States Department of the Treasury’s Office of Foreign Assets Control (“**OFAC**”), (B) any person, group or entity named in the lists maintained by the United States Department of Commerce (Denied Persons and Entities), (C) any government or citizen of any country that is subject to a United States Embargo identified in regulations promulgated by OFAC and (D) any person, group or entity named as a denied or blocked person or terrorist in any other list maintained by any agency of the United States government.

(i) The purpose for which Mortgagor is organized shall be limited to (a) owning, holding, selling, leasing, transferring, exchanging, operating and managing the Property, (b) entering into the Loan, (c) refinancing the Property in connection with a permitted repayment of the Loan, and (d) transacting any and all lawful business that is incident, necessary and appropriate to accomplish the foregoing.

(ii) Mortgagor does not own and will not own any asset or property other than (a) the Property and (a) incidental personal property necessary for and used in connection with the ownership or operation of the same.

(iii) Mortgagor shall not engage in a business other than the ownership, operation and management of the Property.

(iv) Mortgagor will not enter into any contract or agreement with any affiliate, Guarantor or any affiliate of Guarantor.

(v) Mortgagor has not incurred and will not incur any indebtedness, secured or unsecured, other than (a) the Loan and incidental costs and expenses associated therewith, (b) indebtedness incurred in the ordinary course of business to vendors and suppliers of services to the Property (not more than thirty (30) days past due), and (c) non-delinquent property taxes and assessments.

(vi) Mortgagor has not made and will not make any loans or advances to any person or entity and shall not acquire obligations or securities of an affiliate.

(vii) Mortgagor intends to remain solvent and Mortgagor will pay its debts and liabilities (including, as applicable, shared personnel and overhead expenses) from its assets as the same shall become due, provided that this covenant shall not require any capital contribution obligation by any direct or indirect partner, member or shareholder of Mortgagor.

(viii) Mortgagor has done or caused to be done and will do all things necessary to observe organizational formalities and preserve its existence, and Mortgagor will not amend, modify or otherwise change the partnership certificate, partnership agreement, articles of incorporation and bylaws, operating agreement, trust or other organizational documents of Mortgagor without the written consent of Mortgagor.

(ix) Mortgagor shall maintain all of its books, records, financial statements and bank accounts separate from those of its affiliates. Mortgagor's assets will not be listed as assets on the financial statement of any other person. Mortgagor shall have its own separate financial statement. Mortgagor will file its own tax returns and will not file a consolidated federal income tax return with any other entity. Mortgagor shall maintain its books, records, resolutions and agreements as official records.

(x) Mortgagor will be, and at all times will hold itself out to the public as, a legal entity separate and distinct from any other person or entity, shall correct any known misunderstanding regarding its status as a separate entity, shall conduct business in its own name and shall not identify itself or any of its affiliates as a division or part of the other.

(xi) Mortgagor will maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations, provided that this covenant shall not require any capital contribution obligation by any direct or indirect partner, member or shareholder of Mortgagor.

(xii) Neither Mortgagor nor any direct or indirect partner, member or shareholder of Mortgagor will seek the dissolution, winding up, liquidation, consolidation or merger, in whole or in part, or the sale of material assets of Mortgagor.

(xiii) Mortgagor will not participate in a cash management system with any person other than Mortgagee pursuant to the cash management system for the extension term of the Loan as set forth in the Loan Documents.

(xiv) Mortgagor will not commingle its assets with those of any other person and will hold all of its assets in its own name.

(xv) Mortgagor will not guarantee or become obligated for the debts of any other person and does not and will not hold itself out as being responsible for the debts or obligations of any other person.

(xvi) Mortgagor shall not pledge its assets for the benefit of any other person, other than with respect to the Loan.

(xvii) Without the unanimous consent of each of Mortgagor's members, partners or shareholders, as applicable, Mortgagor shall not file a petition for relief under the Bankruptcy Code, or under any other present or future state or federal law regarding bankruptcy, reorganization or other debtor relief law.

19. Intentionally Omitted.

20. Events of Default; Remedies. Each of the following events shall constitute an "Event of Default" hereunder:

(a) In the event of the occurrence of any of the Events of Default described in Section 5.1 of the Note;

(b) if any Taxes payable directly to the billing authority by Mortgagor are not paid before interest becomes payable on the amount due or a penalty is assessed (provided that the foregoing provisions of this clause (b) shall be subject to the right to contest Taxes granted to Mortgagor in Section 4(b) of this Mortgage, but only for so long as the conditions in Section 4(b) of this Mortgage remain satisfied);

(c) if the Policies are not kept in full force and effect and are not delivered to Mortgagee when required hereunder, or if the Policies are not delivered to Mortgagee within ten (10) days after request by Mortgagee;

(d) if any of the provisions of Sections 7, 9, 16 or 39 herein are violated or not complied with in any material respect;

(e) if any of the events described in Section 41 shall occur;

(f) if any mortgagee (or beneficiary) under a mortgage (or deed of trust) on the Property, whether superior or subordinate to this Mortgage (i) demands payment in full or otherwise accelerates any indebtedness of Mortgagor or (ii) otherwise commences the exercise of any remedy available to such party under any such mortgage (or deed of trust) or other loan document related to such mortgage (or deed of trust);

(g) if Mortgagor fails to cure any violation of any law or ordinance affecting the Property within thirty (30) days following the date that Mortgagor first becomes aware of such violation, subject to such additional reasonable period of time as is necessary to effectuate such cure (provided that the foregoing provisions of this clause (g) shall be subject to any right to contest such violation specifically granted to Mortgagor in Section 8 of this Mortgage);

(h) if any guaranty of the Indebtedness or any portion thereof (herein called a "Guaranty") is terminated or any event or condition occurs which, in the sole judgment of Mortgagee, may impair the ability of any Guarantor to perform its obligations under any Guaranty or any Guarantor attempts to withdraw, cancel or disclaim any Guaranty;

(i) if there shall be any breach or default by Mortgagor of the terms of that certain Cash Management Agreement to be entered into during the extension term of the Loan (the "**Cash Management Agreement**");

(k) if Mortgagor votes to change, changes, permits a vote to change or permits a change of the property manager of the Property without the prior written consent of Mortgagee, which shall not be unreasonably withheld, in accordance with the terms of the Loan Documents (hereafter defined) or if a default or Event of Default occurs under the property management agreement, if any;

(l) if Guarantor is a natural person, the death of such Guarantor shall occur (provided, however, that such death shall not result in an Event of Default hereunder provided that, within thirty (30) days following such death, a reputable individual who satisfies the net worth and liquidity requirements in the Guaranty executed by Guarantor and who is otherwise reasonably satisfactory to Mortgagee, executes and delivers to Mortgagee a replacement Guaranty in form and substance identical to the Guaranty executed by such deceased Guarantor

and executes and delivers to Mortgagee any other indemnity documents executed by such deceased Guarantor in form and substance identical to such indemnity documents);

(m) if there shall be an "Event of Default" under any other deed of trust, mortgage or security instrument given by Mortgagor or any affiliate of Mortgagor to Mortgagee as security for the Loan; or

(n) the filing of an action to partition the Property or the occurrence of such partition and any sale pursuant to any such action.

Upon the occurrence of any Event of Default, the Indebtedness shall immediately become due at the option of Mortgagee.

Upon the occurrence of any Event of Default, Mortgagor shall pay interest on the entire unpaid principal balance of the Note, as defined in and provided for in the Note.

Upon the occurrence of any Event of Default, Mortgagee may, to the extent permitted under applicable law, elect to treat the fixtures included in the Property either as real property or as personal property, or both, and proceed to exercise such rights as apply thereto. With respect to any sale of real property included in the Property made under the powers of sale herein granted and conferred, Mortgagee may, to the extent permitted by applicable law, include in such sale any fixtures included in the Property and relating to such real property.

21. Additional Remedies.

(a) Upon the occurrence of any Event of Default, Mortgagee may take such action, without notice or demand, as it shall deem advisable to protect and enforce its rights against Mortgagor and in and to the Property or any part thereof or interest therein, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Mortgagee (i) enter into or upon the Real Property, either personally or by its agents, nominees or attorneys and dispossess Mortgagor and its agents and servants therefrom, and thereupon Mortgagee may (A) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat, (B) complete any construction on the Property in such manner and form as Mortgagee deems advisable, (C) make alterations, additions, renewals, replacements and improvements to or on the Property, (D) exercise all rights and powers of Mortgagor with respect to the Property, whether in the name of Mortgagor or otherwise, including, without limitation, the right to make, cancel, enforce or modify leases, obtain and evict tenants and demand, sue for, collect and receive all earnings, revenues, rents, issues, profits and other income of the Property and every part thereof and (E) apply the receipts from the Property to the payment of the Indebtedness, after deducting therefrom all expenses (including reasonable attorneys' fees and expenses) incurred in connection with the aforesaid operations and all amounts necessary to pay the taxes, assessments, insurance and other charges in connection with the Property, as well as just and reasonable compensation for the services of Mortgagee and its counsel, agents and employees, or (ii) institute proceedings for the complete foreclosure of this Mortgage in which case the Property may be sold for cash or upon credit in

one or more parcels, or (iii) with or without entry, to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Mortgage for the portion of the Indebtedness then due and payable, subject to the continuing lien of this Mortgage for the balance of the Indebtedness not then due, or (iv) sell for cash or upon credit the Property or any part thereof and all or any part of any estate, claim, demand, right, title and interest of Mortgagor therein and rights of redemption thereof, at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law, and in the event of a sale, by foreclosure or otherwise, of less than all of the Property, this Mortgage shall continue as a lien on the remaining portion of or estate in the Property, or (v) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein or in the Note or any other Loan Document, or (vi) recover judgment on the Note or any Guaranty either before, during or after any proceedings for the enforcement of this Mortgage, or (vii) pursue such other remedies as Mortgagee may have under applicable law. Any entry by Mortgagee or its agents pursuant to this Section 21 shall be made by Mortgagee or its agents in accordance with applicable law.

(b) The purchase money proceeds or avails of any sale made under or by virtue of this Section 21, together with any other sums which then may be held by Mortgagee under this Mortgage, whether under the provisions of this Section 21 or otherwise, shall be applied as follows:

First: To the payment of the costs and expenses of any such sale, including reasonable compensation to Mortgagee, their agents and counsel, and of any judicial proceedings wherein the same may be made, and of all expenses, liabilities and advances made or incurred by Mortgagee under this Mortgage, together with interest as provided herein on all advances made by Mortgagee and all taxes or assessments, except any taxes, assessments or other charges subject to which the Property shall have been sold.

Second: To the payment of the whole amount then due, owing or unpaid upon the Note for principal, together with any and all applicable interest, fees and late charges.

Third: To the payment of any other sums required to be paid by Mortgagor pursuant to any provision of this Mortgage or of the Note or of the Guaranty.

Fourth: To the payment of the surplus, if any, to whomsoever may be lawfully entitled to receive the same.

Mortgagee and any receiver of the Property, or any part thereof, shall be liable to account for only those rents, issues and profits actually received by it.

(c) Mortgagee may adjourn from time to time any sale to be made under or by virtue of this Mortgage by announcement at the time and place appointed for such sale or for such adjourned sale or sales; and, except as otherwise provided by any applicable provision of law, Mortgagee, without further notice or publication, may make such sale at the time and place to which the same shall be so adjourned.

(d) Upon the completion of any sale or sales made by Mortgagee under or by virtue of this Section 21, Mortgagee or an officer of any court empowered to do so, as the case may be, shall execute and deliver to the accepted purchaser or purchasers a good and sufficient instrument, or good and sufficient instruments, conveying, assigning and transferring all estate, right, title and interest in and to the property and rights sold. Mortgagee is hereby irrevocably appointed the true and lawful attorney of Mortgagor, in its name and stead, to make all necessary conveyances, assignments, transfers and deliveries of the Property and rights so sold and for that purpose Mortgagee may execute all necessary instruments of conveyance, assignment and transfer, and may substitute one or more persons with like power, Mortgagor hereby ratifying and confirming all that its said attorney or such substitute or substitutes shall lawfully do by virtue hereof. Any such sale or sales made under or by virtue of this Section 21, whether made under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale, shall operate to divest all the estate, right, title, interest, claim and demand whatsoever, whether at law or in equity, of Mortgagor in and to the properties and rights so sold, and shall be a perpetual bar both at law and in equity against Mortgagor and against any and all persons claiming or who may claim the same, or any part thereof from, through or under Mortgagor.

(e) In the event of any sale made under or by virtue of this Section 21 (whether made under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale) the entire Indebtedness, if not previously due and payable, immediately thereupon shall, anything in the Note, this Mortgage, any Guaranty or any other Loan Document to the contrary notwithstanding, become due and payable.

(f) Upon any sale made under or by virtue of this Section 21 (whether made under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale), Mortgagee may bid for and acquire the Property or any part thereof and in lieu of paying cash therefor may make settlement for the purchase price by crediting upon the Indebtedness (including any prepayment premium due thereof) the net sales price after deducting therefrom the expenses of the sale and the costs of the action and any other sums which Mortgagee is authorized to deduct or receive under this Mortgage.

(g) No recovery of any judgment by Mortgagee and no levy of an execution under any judgment upon the Property or upon any other property of Mortgagor shall affect in any manner or to any extent, the lien of this Mortgage upon the Property or any part thereof, or any liens, rights, powers or remedies of Mortgagee hereunder, but such liens, rights, powers and remedies of Mortgagee shall continue unimpaired as before.

22. Right to Cure Defaults. Upon the occurrence of any Event of Default or if Mortgagor fails to make any payment or to do any act as herein provided, Mortgagee may, but without any obligation to do so and without notice to or demand on Mortgagor and without releasing Mortgagor from any obligation hereunder, make or do the same in such manner and to such extent as Mortgagee may deem necessary to protect the security hereof. Without limiting the foregoing, Mortgagee may enter upon the Property for such purposes or appear in, defend, or bring any action or proceeding to protect its interest in the Property, and the cost and expense thereof (including, without limitation, attorneys' fees and disbursements to the extent permitted by law), with interest as provided in this Section 22, shall be immediately due and payable to Mortgagee upon demand by Mortgagee therefor. All such costs and expenses incurred by

Mortgagee in remedying such Event of Default or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate (as such term is defined in the Note), for the period from the date that such cost or expense was incurred to the date of payment to Mortgagee. All such costs and expenses, together with interest thereon at the Default Rate, shall be added to the Indebtedness and shall be secured by this Mortgage. If the principal sum of the Note or any other amount required to be paid on the Maturity Date under the Note shall not be paid on the Maturity Date, interest shall thereafter be computed and paid at the Default Rate.

23. Late Payment Charge. If any interest or principal payment is not paid in accordance with the Note, a late charge (the "**Late Charge**") shall be due as provided in the Note.

24. Prepayment. The Indebtedness may be prepaid only in accordance with the terms of the Note.

25. Prepayment After Event of Default. A tender of the amount necessary to satisfy the entire indebtedness, paid at any time following an Event of Default or acceleration (which acceleration shall be at Mortgagee's sole option), including at a foreclosure sale or during any subsequent redemption period, if any, shall be deemed a voluntary prepayment, which payment shall include a premium, the calculation of which shall be in accordance with the terms of the Note and shall depend upon whether the Event of Default or acceleration first occurred (i) prior to the time, if any, the prepayment of the principal balance is not permitted pursuant to the terms of the Note and prior to the date on which the full amount of the balance of principal and interest then remaining unpaid shall be due or (ii) on or after the date on which prepayment of the principal balance is permitted pursuant to the terms of the Note.

26. Appointment of Receiver. Subject to compliance with applicable law, Mortgagee, upon the occurrence of an Event of Default or in any action to foreclose this Mortgage or upon the actual or threatened waste to any part of the Property, shall be entitled to the appointment of a receiver without notice and without regard to the value or condition of the Property as security for the Indebtedness or the solvency or insolvency of any person liable for the payment of the Indebtedness.

Mortgagor hereby irrevocably consents to such appointment and waives notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases and all the powers and duties of Mortgagee in case of entry as provided herein and shall continue as such and exercise all such powers until the date of confirmation of sale of the Property, unless such receivership is sooner terminated.

27. Security Agreement.

(a) This Mortgage is both a real property mortgage and a "security agreement" within the meaning of the Uniform Commercial Code. The Property includes both real and personal property (to the extent attached to or used exclusively in anyway in connection with the Property or its operations) and all other rights and interests, whether tangible or intangible in nature, of Mortgagor in the Property. Mortgagor, by executing and delivering this Mortgage grants to Mortgagee (to the extent provided herein), as security for the Indebtedness, a

security interest in the Property to the full extent that the Property may be subject to the Uniform Commercial Code (such portion of the Property so subject to the Uniform Commercial Code being called in this Section 27 the “**Collateral**”). Mortgagor hereby authorizes Mortgagee to file financing statements in order to create, perfect, preserve and continue the security interest(s) herein granted. This Mortgage shall also constitute a “fixture filing” for the purposes of the Uniform Commercial Code and shall cover all items of the Collateral that are or are to become fixtures. Information concerning the security interest(s) herein granted may be obtained from Mortgagee upon request.

If an Event of Default shall occur, Mortgagee, in addition to any other rights and remedies which it may have, shall have and may exercise immediately and without demand, any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing, the right to take possession of the Collateral or any part thereof, and to take such other measures as Mortgagee may deem necessary for the care, protection and preservation of the Collateral. Upon request or demand of Mortgagee, Mortgagor shall at its expense assemble the Collateral and make it available to Mortgagee at a convenient place acceptable to Mortgagee. Mortgagor shall pay to Mortgagee on demand any and all expenses, including legal expenses and attorneys’ fees and disbursements, incurred or paid by Mortgagee in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Collateral sent to Mortgagor in accordance with the provisions hereof at least five (5) days prior to such sale, disposition or action shall constitute reasonable notice to Mortgagor. The proceeds of any disposition of the Collateral, or any part thereof, may be applied by Mortgagee to the payment of the Indebtedness in such priority and proportions as Mortgagee in its discretion shall deem proper.

Mortgagor shall notify Mortgagee of any change in name, identity or structure of Mortgagor and shall promptly execute, file and record, at its sole cost and expense, such Uniform Commercial Code forms as are necessary to maintain the priority of the lien of Mortgagee upon and security interest in the Collateral. In addition, Mortgagor shall promptly execute, file and record such additional Uniform Commercial Code forms or continuation statements as Mortgagee shall deem necessary and shall pay all expenses and fees in connection with the filing and recording thereof, provided that no such additional documents shall increase the obligations of Mortgagor under the Note, this Mortgage or the other Loan Documents. Mortgagor hereby grants to Mortgagee an irrevocable power of attorney, coupled with an interest, to file with the appropriate public office on its behalf any financing or other statements signed only by Mortgagee, as secured party, in connection with the Collateral covered by this Mortgage.

(b) That portion of the Property consisting of personal property and equipment, shall be owned by Mortgagor and shall not be the subject matter of any lease or other transaction whereby the ownership or any beneficial interest in any of such property is held by any person or entity other than Mortgagor nor shall Mortgagor create or suffer to be created any security interest covering any such property as it may from time to time be replaced, other than the security interest created herein.

28. Authority.

(a) Mortgagor has full power, authority and legal right to execute this Mortgage, and to deed, give, grant, bargain, sell, alienate, convey, confirm, pledge, hypothecate and assign and grant a security interest in the Property pursuant to the terms hereof and to keep and observe all of the terms of this Mortgage on Mortgagor's part to be performed.

(b) Mortgagor represents and warrants to Mortgagee that Mortgagor is not a "foreign person" and covenants with Mortgagee that Mortgagor will not, throughout the term of the Note, become a "foreign person" within the meaning of §1445 and §7701 of the Internal Revenue Code of 1986 (26 USC §§1445, 7701) and the related Treasury Department regulations, including, without limitation, temporary regulations (hereinafter collectively the "Code"); that is, Mortgagor is not a non-resident alien, foreign corporation, foreign partnership, foreign trust or foreign estate as those terms are defined in the Code.

(c) Mortgagor represents and warrants to Mortgagee that it is a corporation, duly organized and in good standing under the laws of the State of Illinois.

29. Actions and Proceedings. Mortgagee shall have the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Mortgagor, which Mortgagee, in its discretion, shall decide should be brought to protect their respective interests in the Property.

30. Further Acts, Etc. Mortgagor will, at the sole cost of Mortgagor, and without expense to Mortgagee, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, deeds of trust, assignments, notices of assignments, transfers and assurances as Mortgagee shall, from time to time, require, for the better assuring, conveying, assigning, transferring and confirming unto Mortgagee the property and rights hereby given, granted, bargained, sold, aliened, conveyed, confirmed, pledged, assigned and hypothecated or intended now or hereafter so to be, or which Mortgagor may be or may hereafter become bound to convey or assign to Mortgagee, or for carrying out the intention or facilitating the performance of the terms of this Mortgage or for filing, registering or recording this Mortgage and, on demand, will execute and deliver within five (5) business days after request of Mortgagee, and if Mortgagor fails to so deliver, hereby authorizes Mortgagee thereafter to execute in the name of Mortgagor without the signature of Mortgagor to the extent Mortgagee may lawfully do so, one or more financing statements, chattel mortgages or comparable security instruments, to evidence more effectively the lien hereof upon the Property. Mortgagor grants to Mortgagee an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Mortgagee at law and in equity, including without limitation such rights and remedies available to Mortgagee pursuant to this Section 30.

31. Recording of Mortgage, Etc. Mortgagor forthwith upon the execution and delivery of this Mortgage, will cause this Mortgage, and any security instrument creating a lien or security interest or evidencing the lien hereof upon the Property, to be filed, registered or recorded and, thereafter, from time to time, each such other instrument of further assurance to be filed, registered or recorded, all in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect the lien or security interest hereof upon, and the interests of Mortgagee in, the Property. Mortgagor will pay all filing, registration or recording fees, and all expenses incident to the preparation, execution and

acknowledgment of this Mortgage, any mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and all federal, state, county and municipal, taxes, duties, imposts, assessments and charges arising out of or in connection with the making, execution, delivery and/or recording of this Mortgage, any mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, except where prohibited by law so to do. Mortgagor shall hold harmless and indemnify Mortgagee, its successors and assigns, against any liability incurred by reason of the imposition of any tax on the making, execution, delivery and/or recording of this Mortgage, any mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance.

32. Usury Laws. This Mortgage and the Note are subject to the express condition that at no time shall Mortgagor be obligated or required to pay interest on the principal balance due under the Note at a rate which could subject the holder of the Note to either civil or criminal liability as a result of being in excess of the maximum interest rate which Mortgagor is permitted by law to contract or agree to pay. If by the terms of this Mortgage or the Note, Mortgagor is at any time required or obligated to pay interest on the principal balance due under the Note at a rate in excess of such maximum rate, the rate of interest under the Note shall be deemed to be immediately reduced to such maximum rate and the interest payable shall be computed at such maximum rate and all prior interest payments in excess of such maximum rate shall be applied and shall be deemed to have been payments in reduction of the principal balance of the Note and the principal balance of the Note shall be reduced by such amount in the inverse order of maturity.

33. Sole Discretion of Mortgagee. Wherever pursuant to this Mortgage, Mortgagee exercises any right given to it to approve or disapprove, or any arrangement or term is to be satisfactory to Mortgagee, the decision of Mortgagee to approve or disapprove or to decide that arrangements or terms are satisfactory or not satisfactory shall be in the sole discretion of Mortgagee and shall be final and conclusive, except as may be otherwise specifically provided herein.

34. Recovery of Sums Required To Be Paid. Mortgagee shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Indebtedness as the same become due, without regard to whether or not the balance of the Indebtedness shall be due, and without prejudice to the right of Mortgagee thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Mortgagor existing at the time such earlier action was commenced.

35. Marshalling and Other Matters. Mortgagor waives, to the extent permitted by law, the benefit of all appraisal, valuation, stay, extension, reinstatement and redemption laws now or hereafter in force and all rights of marshalling in the event of any sale hereunder of the Property or any part thereof or any interest therein. Further, Mortgagor expressly waives any and all rights of redemption from sale under any order or decree of foreclosure of this Mortgage on behalf of Mortgagor, and on behalf of each and every person acquiring any interest in or title to the Property subsequent to the date of this Mortgage and on behalf of all persons to the extent permitted by applicable law.

36. **Waiver of Notice.** Mortgagor shall not be entitled to any notices of any nature whatsoever from Mortgagee except with respect to matters for which this Mortgage specifically and expressly provides for the giving of notice by Mortgagee to Mortgagor and except with respect to matters for which Mortgagee is required by applicable law to give notice, and Mortgagor hereby expressly waives the right to receive any notice from Mortgagee with respect to any matter for which this Mortgage does not specifically and expressly provide for the giving of notice by Mortgagee to Mortgagor.

37. **Remedies of Mortgagor.** In the event that a claim or adjudication is made that Mortgagee has acted unreasonably or unreasonably delayed acting in any case where by law or under the Note, this Mortgage or the other Loan Documents, it has an obligation to act reasonably or promptly, Mortgagee shall not be liable for any monetary damages, and Mortgagor's remedies shall be limited to injunctive relief or declaratory judgment.

38. **Reporting Requirements.** At the request of Mortgagee, Mortgagor shall supply or cause to be supplied to Mortgagee either (a) a copy of a completed Form 1099-B, Statement for Recipients of Proceeds from Real Estate, Broker and Barter Exchange Proceeds prepared by Mortgagor's attorney or other person responsible for the preparation of such form, together with a certificate from the person who prepared such form to the effect that such form has, to the best of such person's knowledge, been accurately prepared and that such person will timely file such form or (b) a certification from Mortgagor that the Loan is a refinancing of the Property or is otherwise not required to be reported to the Internal Revenue Service pursuant to Section 6045(e) of the Code. Mortgagor hereby indemnifies, defends and holds Mortgagee harmless from and against all loss, cost, damage and expense (including without limitation, attorneys' fees and disbursements and costs incurred in the investigation, defense and settlement of claims) that Mortgagee may incur, directly or indirectly, as a result of or in connection with the assertion against Mortgagee of any claim relating to the failure of Mortgagee to comply with this Section 38.

39. **Hazardous Materials.**

(a) Mortgagor represents and warrants that (i) the Property is now and at all times during Mortgagor's ownership thereof has been free of contamination from any petroleum product and all hazardous or toxic substances, wastes or substances, any substances which because of their quantitative concentration, chemical, radioactive, flammable, explosive, infectious or other characteristics, constitute or may reasonably be expected to constitute or contribute to a danger or hazard to public health, safety or welfare or to the environment, including, without limitation, any asbestos (whether or not friable) and any asbestos-containing materials, Mold (defined as the presence of any form of (a) multicellular fungi that live on plant or animal matter and an indoor environment (including without limitation Cladosporium, Penicillium, Alternaria, Aspergillus, Fusarium, Trichoderma, Memnoniella, Mucor, and Stachybotrys chartarum (SC) often found in water damaged building materials), (b) spores, scents or byproducts produced or released by fungi, including mycotoxins and (c) microbial matter which reproduces through mold, mildew and viruses, whether or not such microbial matter is living (collectively "Mold")), waste oils, solvents and chlorinated oils, polychlorinated biphenyls (PCBs), toxic metals, etchants, pickling and plating wastes, explosives, reactive metals and compounds, pesticides, herbicides, radon gas, urea formaldehyde foam insulation and

("**RCRA**"); Superfund Amendments and Reauthorization Act of 1986, Public Law No. 99-499 ("**SARA**"); Toxic Substances Control Act, 15 U.S.C. section 2601 et seq. ("**TSCA**"); the Hazardous Materials Transportation Act, 49 U.S.C. section 1801 et seq.; and any other state superlien or environmental clean-up or disclosure statutes (all such laws, rules and regulations being referred to collectively as "**Environmental Laws**"), (ii) Mortgagor has not caused or suffered to occur any discharge, spill, uncontrolled loss or seepage of any Hazardous Materials onto any property adjoining the Property, (iii) Mortgagor has not received any complaint, notice, letter, or other communication from occupants, tenants, guests, employees, licensees or any other person regarding odors, poor indoor air quality, Mold, or any activity, condition, event or omission that causes or facilitates the growth of Mold and Mortgagor further represents to the best of its knowledge that no Mold or any activity, condition, event or omission that causes or facilitates the growth of Mold exists at the Property, and (iv) neither Mortgagor nor any tenant or occupant of all or part of the Property is now or has been involved in operations at the Property which could lead to liability for Mortgagor or any other owner of the Property or the imposition of a lien on the Property under any Environmental Law.

(b) At its sole cost and expense, Mortgagor shall comply with and shall cause all tenants and other occupants of the Property to comply with all Environmental Laws now in effect or hereafter enacted with respect to the discharge, generation, removal, transportation, storage and handling of Hazardous Materials. Mortgagor shall promptly remove all Hazardous Materials from the Property, such removal to be performed in accordance with all applicable federal, state and local laws, statutes, rules and regulations. Mortgagor shall pay immediately when due the cost of removal of any Hazardous Materials and shall keep the Property free of any lien imposed pursuant to any Environmental Laws now in effect or hereinafter enacted.

(c) Mortgagor grants Mortgagee and its employees and agents an irrevocable and non-exclusive license, subject to the rights of tenants, to enter the Property to conduct testing and to remove any Hazardous Materials, and the costs of such testing and removal shall immediately become due to Mortgagee and shall be secured by this Mortgage. (d) Mortgagor shall indemnify Mortgagee and hold Mortgagee harmless from and against all liability, loss, cost, damage and expense (including, without limitation, attorneys' fees and costs incurred in the investigation, defense and settlement of claims) that Mortgagee may incur as a result of or in connection with the assertion against Mortgagee (whether as past or present mortgagee of this Mortgage, as mortgagee in possession or as past or present owner of the Property by virtue of a foreclosure or acceptance of a deed in lieu of foreclosure or otherwise) of any claim relating to the presence and/or release, threatened release, storage, disposal, generating or removal of any Hazardous Materials or compliance with any Environmental Laws now in effect or hereinafter enacted. The obligations and liabilities of Mortgagor under this Section 39 shall survive full payment of the Loan, entry of a judgment of foreclosure or acceptance of a deed in lieu of foreclosure or any subsequent transfer to a third party. It is understood that the presence and/or release of substances referred to in this section hereof does not pertain to a presence and/or release which first occurs solely after (A) repayment of the Loan in full in accordance with the Loan Documents or (B) acquisition of title to the Property by Mortgagee upon a foreclosure or acceptance of a deed in lieu of foreclosure or otherwise and surrender of possession and occupancy of the Property by Mortgagor, its agents, affiliates, employees and independent contractors. (e) Nothing contained herein shall constitute or be construed as a waiver of any statutory or judicial federal, state or local law which may provide rights or remedies to Mortgagee against Mortgagor or others in connection with any claim relating to the Property and pertaining to the presence and/or release, threatened release, storage, disposal, generating or removal of any Hazardous Materials or to the failure to comply with any Environmental Laws now or hereafter enacted.

In the event any asbestos, friable asbestos or asbestos containing material is discovered at the Property, Mortgagor shall obtain a comprehensive asbestos report prepared by a licensed engineer or asbestos consultant acceptable to Mortgagee describing the form, extent, location and condition of such asbestos and recommending methods of removal or abatement. Mortgagor shall promptly comply at its sole cost and expense with the recommendations contained in such report, such compliance to be performed in accordance with all applicable federal, state and local laws, statutes, rules and regulations. Mortgagor shall indemnify Mortgagee and hold Mortgagee harmless from and against all loss, cost, damage and expense (including, without limitation, attorneys' fees and costs incurred in the investigation, defense and settlement of claims) that Mortgagee may incur

as a result of or in connection with the assertion against Mortgagee (whether as past or present mortgagee of this Mortgage, as mortgagee in possession, or as past or present owner of the Property by virtue of a foreclosure or acceptance of a deed in lieu of foreclosure or otherwise) of any claim relating to the presence or removal of any asbestos substance referred to in this Section 40, or compliance with any federal, state or local laws, rules, regulations or orders relating thereto. The obligations and liabilities of Mortgagor under this Section 40 shall survive full payment of the Loan, foreclosure or the acceptance of a deed in lieu of foreclosure.

48. Non-Waiver. The failure of Mortgagee to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Mortgage. Mortgagor shall not be relieved of Mortgagor's obligations hereunder by reason of (a) failure of Mortgagee to comply with any request of Mortgagor or any Guaranty to take any action to foreclose this Mortgage or otherwise enforce any of the provisions hereof or of the Note, any Guaranty or the other Loan Documents, (b) the release, regardless of consideration, of the whole or any part of the Property, or of any person liable for the Indebtedness or portion thereof or (c) any agreement or stipulation by Mortgagee extending the time of payment or otherwise modifying or supplementing the terms of the Note, any Guaranty, this Mortgage or the other Loan Documents. Mortgagee may resort for the payment of the Indebtedness to any other security held by Mortgagee in such order and manner as Mortgagee, in its discretion, may elect. Mortgagee may take action to recover the Indebtedness, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Mortgagee thereafter to foreclose this Mortgage. The rights of Mortgagee under this Mortgage shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Mortgagee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Mortgagee shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded by law.

49. Joint and Several Liability. If there is more than one party comprising Mortgagor, then the obligations and liabilities of each party under this Mortgage shall be joint and several.

50. Severability. If any term, covenant or condition of the Note, any Guaranty or this Mortgage is held to be invalid, illegal or unenforceable in any respect, the Note, any Guaranty and this Mortgage shall be construed without such provision.

51. Duplicate Originals. This Mortgage may be executed in any number of duplicate originals and each such duplicate original shall be deemed to constitute but one and the same instrument.

52. Indemnity and Mortgagee's Costs. Mortgagor agrees to pay all costs, including, without limitation, attorneys' fees and expenses, incurred by Mortgagee in enforcing the terms hereof and/or the terms of any of the other Loan Documents or the Note or any Guaranty, whether or not suit is filed and waives to the full extent permitted by law all right to plead any statute of limitations as a defense to any action hereunder. Mortgagor agrees to indemnify and hold Mortgagee harmless from any and all liability, loss, damage or expense (including, without limitation, attorneys' fees and disbursements) that Mortgagee may or might incur hereunder or in connection with the enforcement of any of their rights or remedies hereunder, any action taken by Mortgagee hereunder, or by reason or in defense of any and all claims and demands whatsoever that may be asserted against Mortgagee arising out of the Property; and should Mortgagee incur any such liability, loss, damage or expense, the amount thereof with interest thereon at the Default Rate shall be payable by Mortgagor immediately without demand, shall be secured by this Mortgage, and shall be a part of the Indebtedness.

53. **No Oral Change.** This Mortgage, and any provisions hereof, may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of Mortgagor or any one Mortgagee, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

56. **Right to Release Any Portion of the Property.** Mortgagee may release or reconvey any portion of the Property for such consideration as Mortgagee may require without, as to the remainder of the Property, in any way impairing or affecting the lien or priority of this Mortgage, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Mortgagee for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Mortgagee may require without being accountable for so doing to any other lienholder. This Mortgage shall continue as a lien and security interest in the remaining portion of the Property.

57. **Subrogation.** Mortgagee shall be subrogated for further security to the lien, although released of record, of any and all encumbrances paid out of the proceeds of the Loan secured by this Mortgage.

58. **Administrative Fees.** Mortgagee may charge administrative fees and be reimbursed for all reasonable costs and expenses, including reasonable attorneys' fees and disbursements, associated with reviewing and processing post-closing requests of Mortgagor.

64. **No Third Party Beneficiaries.** Nothing contained herein is intended or shall be deemed to create or confer any rights upon any third person not a party hereto, whether as a third-party Mortgagee or otherwise, except as expressly provided herein.

66. **Servicer.** Mortgagee may from time to time appoint a servicer (the "Servicer") to administer the Loan, which Servicer shall have the power and authority to exercise all of the rights and remedies of Mortgagee and to act as agent of Mortgagee hereunder. With respect to such Servicer, Mortgagor shall be responsible for (a) payment on first (1st) day of each month during the term of the Loan of a servicing fee in the amount of one thousand and 00/100 dollars (\$1,000.00), (b) payment of the servicing costs identified on **Exhibit B** attached hereto for the items specified therein, and (c) to the extent not specified in Exhibit B, other customary servicing costs and expenses incurred by Mortgagee.

MORTGAGOR AGREES THAT ANY ACTION, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS MORTGAGE MAY BE INITIATED AND PROSECUTED IN THE STATE OR FEDERAL COURTS, AS THE CASE MAY BE, LOCATED IN COOK COUNTY, STATE OF ILLINOIS TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, MORTGAGOR CONSENTS TO AND SUBMIT TO THE EXERCISE OF JURISDICTION OVER THE SUBJECT MATTER, WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS UPON IT AND CONSENTS THAT ALL SUCH SERVICE OF PROCESS BE MADE BY REGISTERED MAIL DIRECTED TO MORTGAGOR AT ITS ADDRESS SET FORTH ABOVE OR TO ANY OTHER ADDRESS AS MAY APPEAR IN THE MORTGAGEE'S RECORDS AS THE ADDRESS OF MORTGAGOR (BUT NOTHING HEREIN SHALL AFFECT THE VALIDITY OR EFFECTIVENESS OF PROCESS SERVED IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW). TO THE MAXIMUM

EXTENT PERMITTED BY APPLICABLE LAW, IN ANY ACTION, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS MORTGAGE, MORTGAGOR WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER IN CONTRACT, TORT OR OTHERWISE, RELATING DIRECTLY OR INDIRECTLY TO THE LOAN SECURED BY THIS MORTGAGE, THE APPLICATION FOR THE LOAN SECURED BY THIS MORTGAGE, THE LOAN DOCUMENTS, OR ANY ACTS OR OMISSIONS OF MORTGAGEE, ITS OFFICERS, EMPLOYEES, DIRECTORS OR AGENTS IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY, INTENTIONALLY AND VOLUNTARILY BY MORTGAGOR AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. MORTGAGOR ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH OF THEM HAS RELIED ON THIS WAIVER IN ENTERING INTO THIS NOTE AND THE OTHER LOAN DOCUMENTS AND THAT EACH OF THEM WILL CONTINUE TO RELY ON THIS WAIVER IN THEIR RELATED FUTURE DEALINGS. 68. **Intentionally Omitted.**

69. **Waiver of Homestead and Redemption.** Mortgagor hereby expressly waives any and all rights of redemption and reinstatement in connection with foreclosure of this Mortgage, it being the intent hereof that any and all such rights of redemption and reinstatement of the Mortgagor and of all other persons, are and shall be deemed to be hereby waived to the full extent permitted by the provisions of the Act (as defined in Section 70 below) or other applicable law or replacement statutes.

70. **Principles of Construction.** In the event of any inconsistencies between the terms and conditions of this Section 70 and the terms and conditions of this Mortgage, the terms and conditions of this Section 70 shall control and be binding.

(a) **Illinois Mortgage Foreclosure Law** It is the intention of Mortgagor and Mortgagee that the enforcement of the terms and provisions of this Mortgage shall be accomplished in accordance with the Illinois Mortgage Foreclosure Law (the "Act"), 735 ILCS 5/15-1101 et seq., and with respect to such Act, Mortgagor agrees and covenants that:

(i) Mortgagee shall have the benefit of all of the provisions of the Act, including all amendments thereto which may become effective from time to time after the date hereof. In the event any provision of the Act which is specifically referred to herein may be

repealed, Mortgagee shall have the benefit of such provision as most recently existing prior to such repeal, as though the same were incorporated herein by express reference. If any provision in this Mortgage shall be inconsistent with any provision of the Act, the provisions of the Act shall take precedence over the provisions of this Mortgage, but shall not invalidate or render unenforceable any other provision of this Mortgage that can be construed in a manner consistent with the Act. If any provision of this Mortgage shall grant to Mortgagee (including Mortgagee acting as a mortgagee-in-possession) or a receiver appointed pursuant to the provisions of this Mortgage any powers, rights or remedies prior to, upon or following the occurrence of a Default which are more limited than the powers, rights or remedies that would otherwise be vested in Mortgagee or in such receiver under the Act in the absence of said provision, Mortgagee and such receiver shall be vested with the powers, rights and remedies granted in the Act to the full extent permitted by law. Without limiting the generality of the foregoing, all expenses incurred by Mortgagee which are of the type referred to in Section 5/15-1510 or 5/15-1512 of the Act, whether incurred before or after any decree or judgment of foreclosure, and whether or not enumerated specifically in this Mortgage, shall be added to the indebtedness secured hereby and/or by the judgment of foreclosure.

(ii) Wherever provision is made in this Mortgage for insurance policies to bear mortgage clauses or other loss payable clauses or endorsements in favor of Mortgagee, or to confer authority upon Mortgagee to settle or participate in the settlement of losses under policies of insurance or to hold and disburse or otherwise control the use of insurance proceeds, from and after the entry of judgment of foreclosure, all such rights and powers of Mortgagee shall continue in Mortgagee as judgment creditor or mortgagee until confirmation of sale.

(iii) In addition to any provision of this Mortgage authorizing Mortgagee to take or be placed in possession of the Property, or for the appointment of a receiver, Mortgagee shall have the right, in accordance with Sections 15-1701 and 15-1702 of the Act, to be placed in the possession of the Property or at its request to have a receiver appointed, and such receiver, or Mortgagee, if and when placed in possession, shall have, in addition to any other powers provided in this Mortgage, all rights, powers, immunities, and duties and provisions for in Sections 15-1701 and 15-1703 of the Act.

(iv) Mortgagor acknowledges that the Property does not constitute agricultural real estate, as said term is defined in Section 15-1201 of the Act or residential real estate as defined in Section 15-1219 of the Act.

(v) Mortgagor hereby expressly waives any and all rights of reinstatement and redemption, if any, under any order or decree of foreclosure of this Mortgage, on its own behalf and on behalf of each and every person, it being the intent hereof that any and all such rights of reinstatement and redemption of Mortgagor and of all other persons are and shall be deemed to be hereby waived to the full extent permitted by the provisions of Section 5/15-1601 of the Act or other applicable law or replacement statutes.

(vi) As provided for in the Note, the interest rate payable in respect of the obligations secured by this Mortgage is (a) for the period commencing on the Effective Date and ending on the initial Maturity Date, an interest rate equal to ten percent (10%) per annum,

and (b) if the term of the Loan is extended pursuant to Section 2.1(c) of the Note, then, for the entire extended term, an interest rate equal to eleven percent (11%) per annum. Interest for any month or fractional part thereof shall be calculated on the basis of a 360-day year and the daily amount so determined shall be multiplied by the actual number of days for which interest is being paid.

(vii) The following notice is provided pursuant to paragraph (3) of 815 ILCS 180/10: Unless Mortgagor provides evidence of the insurance coverage required by the Loan Documents, Mortgagee may purchase insurance at Mortgagor's expense to protect Mortgagee's interests in Mortgagor's Property. This insurance may, but need not, protect Mortgagor's interests. The coverage that Mortgagee purchases may not pay any claim that Mortgagor may make or any claim that is made against Mortgagor in connection with the Property. Mortgagor may later cancel any insurance purchased by Mortgagee, but only after providing evidence that Mortgagor has obtained insurance as required by the parties' agreement. If Mortgagee purchases insurance for the Property, Mortgagor will be responsible for the costs of that insurance, including the insurance premium, interest and any other charges that Mortgagee may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the obligations secured hereby. The costs of the insurance may be more than the cost of insurance that Mortgagor may be able to obtain on Mortgagor's own.

(viii) If certain conditions are satisfied, Mortgagee is obligated under the terms of the Loan Documents to make advances as provided therein, and Mortgagor acknowledges and intends that all such advances, including future advances whenever hereafter made, shall be secured by the lien of this Mortgage, as provided in Section 15-1302(b)(1) of the Act. Mortgagor covenants and agrees that this Mortgage shall secure the payment of all loans and advances made as of the date hereof or at any time in the future, and whether such future advances are obligatory or are to be made at the option of Mortgagee or otherwise (but not advances or loans made more than 20 years after the date hereof), to the same extent as if such future advances were made on the date of the execution of this Mortgage and although there may be no advances made at the time of the execution of this Mortgage and although there may be no other indebtedness outstanding under the Loan Documents at the time any advance is made. The lien of this Mortgage shall be valid as to all such obligations, including future advances, from the time of its filing of record in the office of the Recorder of Deeds of the County in which the Property is located. The total amount of the obligations secured hereby may increase or decrease from time to time. This Mortgage shall be valid and shall have priority over all subsequent liens and encumbrances, including any statutory liens except taxes and assessments levied on the Property or such other liens that shall have priority by operation of law, to the extent of the maximum amount secured hereby.

(ix) All advances, disbursements and expenditures made by Mortgagee in accordance with the terms of this Mortgage and the other Loan Documents, whether before and during a foreclosure of this Mortgage, and before and after judgment of foreclosure therein, and at any time prior to sale of the Property, and, where applicable, after sale of the Property, and during the pendency of any related proceedings, in addition to those otherwise authorized by the Act, shall have the benefit of all applicable provisions of the Act, including without limitation advances, disbursements and expenditures for the following purposes:

(A) all advances by Mortgagee in accordance with the terms of the Mortgage or the other Loan Documents to: (i) preserve, maintain, repair, restore or rebuild the improvements upon the Property; (ii) preserve the lien of the Mortgage or the priority thereof; or (iii) enforce the Mortgage, as referred to in Section 15-1302(b)(5) of the Act;

(B) payments by Mortgagee of (i) principal, interest or other obligations in accordance with the terms of any senior mortgage or other prior lien or encumbrance, (ii) real estate taxes and assessments, general and special, and all other taxes and assessments of any kind or nature whatsoever which are assessed or imposed upon the Property or any part thereof, (iii) other obligations authorized by the Mortgage, or (iv) with court approval, any other amounts in connection with other liens, encumbrances or interests reasonably necessary to preserve the status of title, as referred to in Section 15-1505 of the Act;

(C) advances by Mortgagee in settlement or compromise of any claims asserted by claimants under senior mortgages or any other prior liens;

(D) attorneys' fees and other costs incurred: (i) in connection with the foreclosure of the Mortgage as referred to in Sections 15-1504(d)(2) and 15-1510 of the Act; (ii) in connection with any action, suit or proceeding brought by or against Mortgagee for the enforcement of the Mortgage or arising from the interest of Mortgagee hereunder; or (iii) in preparation for or in connection with the commencement, prosecution or defense of any other action related to the Mortgage or the Property;

(E) Mortgagee's fees and costs, including attorneys' fees, arising between the entry of judgment of foreclosure and the confirmation hearing as referred to in Section 15-1508(b)(1) of the Act;

(F) expenses deductible from proceeds of sale as referred to in Sections 15-1512(a) and (b) of the Act; and

(G) expenses incurred and expenditures made by Mortgagee for any one or more of the following: (i) if the Property or any portion thereof constitutes one or more units under a condominium declaration, assessments imposed upon the unit owner thereof; (ii) if Mortgagor's interest in the Property is a leasehold estate under a lease or sublease, rentals or other payments required to be made by the lessee under the terms of the lease or sublease; (iii) premiums for casualty and liability insurance paid by Mortgagee whether or not Mortgagee or a receiver is in possession, if reasonably required in reasonable amounts, and all renewals thereof, without regard to the limitation to maintaining of existing insurance in effect at the time any receiver or Mortgagee takes possession of the Property imposed by Section 15-1704(e)(1) of the Act; (iv) repair or restoration of damage or destruction in excess of available insurance proceeds or condemnation awards; (v) payments deemed by Mortgagee to be required for the benefit of the Property or required to be made by the owner of the Property under any grant or

declaration of easement, easement agreement, agreement with any adjoining land owners or instruments creating covenants or restrictions for the benefit of or affecting the Property; (vi) shared or common expense assessments payable to any association or corporation in which the owner of the Property is a member in any way affecting the Property; (vii) if any portion of the credit facilities secured hereby is a construction loan, costs incurred by Mortgagee for demolition, preparation for and completion of construction, as may be authorized by the applicable Loan Documents; (viii) payments required to be paid by Mortgagor or Mortgagee pursuant to any lease or other agreement for occupancy of the Property; and (ix) if the Mortgage is insured, payment of FHA or private mortgage insurance required to keep such insurance in force.

(x) Notwithstanding anything contained in the Mortgage to the contrary, the proceeds of any foreclosure sale of the Property shall be distributed and applied in accordance with Section 15-1512 of the Act in the following order of priority: first, on account of all reasonable costs and expenses incident to the foreclosure proceedings or such other remedy, including all such items as are mentioned in subsection (i) above; second, on account of all reasonable costs and expenses in connection with securing possession of the Property prior to such foreclosure sale, and the reasonable costs and expenses incurred by or on behalf of Mortgagee in connection with holding, maintaining and preparing the Property for sale, including all such items as are mentioned in subsection (i) above; third, in satisfaction of all claims in the order of priority adjudicated in the foreclosure judgment or order confirming sale; and fourth, any remainder in accordance with the order of court adjudicating the foreclosure proceeding.

IN WITNESS WHEREOF, Mortgagor has duly executed and delivered this Mortgage as of the day and year first above written.

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Four Million One Hundred Twenty Thousand and 00/100 Dollars (U.S. \$4,120,000.00). This debt is evidenced by Borrower's note(s) as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable January 1st, 2018. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 11-30-205-011-0000

which has the address of 1700 W Juneway Ter. Chicago, IL 60626 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

Signed, sealed and delivered in the presence of:

MORTGAGE, ASSIGNMENT OF LEASES AND RENTS, FIXTURE FILING, AND SECURITY AGREEMENT
(Commercial)

THIS DOCUMENT CONSTITUTES A FIXTURE FILING IN ACCORDANCE WITH THE ILLINOIS UNIFORM COMMERCIAL CODE (810 ILCS 5/9-502)

MAXIMUM LIEN. At no time shall the principal amount of Indebtedness secured by this Mortgage, not including sums advanced to protect the security of this Mortgage, exceed \$3,600,000.00.

This Mortgage, Assignment of Leases and Rents, Fixture Filing, and Security Agreement (the "Mortgage") is made as of March 28, 2017, among 5450 S. Indiana LLC, an Illinois limited liability company, as mortgagor ("Borrower"), whose address 201 North Westshore, Unit 1501, Chicago, Illinois 60601; and, the lenders in the Exhibit "A" attached hereto and incorporated herein, as mortgagee ("Lender"), whose address is c/o Shatar Capital Partners, 12121 Wilshire Boulevard, Suite 555, Los Angeles, California 90025.

TRANSFER OF RIGHTS IN THE PROPERTY

To secure the full and timely payment of the Indebtedness and the full and timely performance and discharge of the Obligations, Borrower MORTGAGES, WARRANTS, GRANTS, BARGAINS, SELLS, AND CONVEYS to Lender the Mortgaged Property, with power of sale and right of entry, subject only to the Permitted Encumbrances, to have and to hold the Mortgaged Property to Lender, its successors and assigns forever, and Borrower does hereby bind itself, its successors, and its assigns to warrant and forever defend the title to the Mortgaged Property to Lender against anyone lawfully claiming it or any part of it; provided, however, that if the Indebtedness is paid in full as and when it becomes due and payable and the Obligations are performed on or before the date they are to be performed and discharged, then the liens, security interests, estates, and rights granted by the Loan Documents shall terminate; otherwise, they shall

remain in full force and effect. As additional security for the full and timely payment of the Indebtedness and the full and timely performance and discharge of the Obligations, Borrower grants to Lender a security interest in the Personalty, Fixtures, Leases, and Rents under Article Nine of the Uniform Commercial Code – Secured Transactions in effect in the State of Illinois. Borrower further grants, bargains, conveys, assigns, transfers, and sets over to Lender, a security interest in and to all of Borrower's right, title, and interest in, to, and under the Personalty, Fixtures, Leases, Rents, and Mortgaged Property (to the extent characterized as personal property) to secure the full and timely payment of the Indebtedness and the full and timely performance and discharge of the Obligations.

Borrower agrees to execute and deliver, from time to time, such further instruments, including, but not limited to, security agreements, assignments, and UCC financing statements, as may be requested by Lender to confirm the lien of this Mortgage on any of the Mortgaged Property.

Borrower further irrevocably grants, transfers, and assigns to Lender the Rents. This assignment of Rents is to be effective to create a present security interest in existing and future Rents of the Mortgaged Property under 765 Illinois Compiled Statutes 5/31.5.

TO MAINTAIN AND PROTECT THE SECURITY OF THIS MORTGAGE, TO SECURE THE FULL AND TIMELY PERFORMANCE BY BORROWER OF EACH AND EVERY OBLIGATION, COVENANT, AND AGREEMENT OF BORROWER UNDER THE LOAN DOCUMENTS, AND AS ADDITIONAL CONSIDERATION FOR THE INDEBTEDNESS AND OBLIGATIONS EVIDENCED BY THE LOAN DOCUMENTS, BORROWER HEREBY COVENANTS, REPRESENTS, AND AGREES AS FOLLOWS:

3. **Use of Mortgaged Property.** Unless otherwise required by Governmental Requirements or unless Lender otherwise consents in writing, Borrower shall not allow changes in the use of the Mortgaged Property from that which is contemplated by Borrower and Lender at the time of execution of this Mortgage, as specified in the loan application and the Loan Documents. Borrower shall not initiate or acquiesce in a change in the zoning classification of the Mortgaged Property without Lender's prior written consent.

4. **Insurance.**

4.1. **Casualty Insurance.** Borrower shall at all times keep the Mortgaged Property insured for the benefit of Lender as follows, despite Governmental Requirements that may detrimentally affect Borrower's ability to obtain or may materially increase the cost of such insurance coverage:

4.1.1. Against damage or loss by fire and such other hazards (including lightning, windstorm, hail, explosion, riot, acts of striking employees, civil commotion, vandalism, malicious mischief, aircraft, vehicle, and smoke) as are covered by the broadest form of extended coverage endorsement available from time to time, in an amount not less than the full insurable value (as defined in paragraph 4.9) of the Mortgaged Property, with a deductible amount not to exceed an amount satisfactory to Lender. Windstorm coverage is included under the extended coverage endorsement of most hazard policies, but in some states it may be excluded. If the hazard policy excludes the windstorm/hail endorsement a separate windstorm policy must be provided. The coverage amounts must equal that of the hazard policy;

4.1.2. Rent loss or business interruption or use and occupancy insurance on such basis and in such amounts and with such deductibles as are satisfactory to Lender;

4.1.3. Against damage or loss by flood if the Land is located in an area identified by the Secretary of Housing and Urban Development or any successor or other appropriate authority (governmental or private) as an area having special flood hazards and in which flood insurance is available under the National Flood Insurance Act of 1968 or the Flood Disaster Protection Act of 1973, as amended, modified, supplemented, or replaced from time to time, on such basis and in the maximum amount of NFIP flood insurance coverage available, or the Note amount;

4.1.4. Against damage or loss from (a) sprinkler system leakage and (b) boilers, boiler tanks, heating and air conditioning equipment, pressure vessels, auxiliary piping, and similar apparatus, on such basis and in such amounts as Lender may require;

4.1.5. During any alteration, construction, or replacement of the Improvements, or any substantial portion of it, a Builder's All Risk policy with extended coverage with course of construction and completed value endorsements, for an amount at least equal to the full insurable value of the Improvements, and workers' compensation, in statutory amounts, with provision for replacement with the coverage described in paragraph 4.1, without gaps or lapsed coverage, for any completed portion of the Improvements;

4.1.6. Against damage or loss by earthquake, in an amount and with a deductible satisfactory to Lender, if such insurance is required by Lender in the exercise of its business judgment in light of the commercial real estate practices existing at the time the insurance is issued and in the County where the Land is located; and

4.1.7. For Attached Condominiums, the master hazard or blanket insurance policy must cover fixtures, equipment, and other personal property inside individual units. Otherwise, evidence of "walls-in" coverage (HO-6 hazard insurance policy) sufficient to repair the condo unit to its condition prior to a loss claim event is required. For properties in a designated flood area, and the flood insurance policies are paid by the HOA, the dwelling coverage must be equal to the building replacement cost on the master hazard insurance policy.

4.2. Liability Insurance. Borrower must obtain a policy of commercial general liability insurance, including a broad form comprehensive general liability endorsement on an occurrence basis against claims for personal injury, bodily injury, death and/or property damage. Policy must cover the following: (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; (4) blanket contractual liability for all legal contracts. The minimum limits of liability applying exclusively to the property shall be a combined limit of not less than \$5,000,000.00 in the aggregate and \$1,000,000.00 per occurrence, with a maximum deductible of \$50,000.

4.3. Other Insurance. Borrower shall procure and maintain such other insurance or such additional amounts of insurance, covering Borrower or the Mortgaged Property, as (a) may be required by the terms of any construction contract for the Improvements or by any Governmental Authority, (b) may be specified in any other Loan Documents, or (c) may be required by Lender from time to time.

4.4. Form of Policies. All insurance required under this paragraph 3 shall be fully paid through the earlier of (i) the Maturity Date, or (ii) one year from the date of this security instrument. Existing policies (refinance transactions only) must have at least six months remaining with the premium paid. The policies shall contain such provisions, endorsements, and expiration dates as Lender from time to time reasonably requests and shall be in such form and amounts, and be issued by such insurance companies doing business in the state where the Mortgaged Property is situated, as Lender shall approve in Lender's sole and absolute discretion. Unless otherwise expressly approved in writing by Lender, each insurer shall have a Best Rating of Class A, Category VIII, or better. All policies shall (a) contain a waiver of subrogation endorsement; (b) provide that the policy will not lapse or be canceled, amended, or materially altered (including by reduction in the scope or limits of coverage) without at least 30 days prior written notice to Lender; (c) with the exception of the comprehensive general liability policy, contain a mortgagee's endorsement (438 BFU Endorsement or equivalent), and name Lender as insured; and (d) include such deductibles as Lender may approve, which shall not exceed five percent (5%) of the face value of the policy. If a policy required under this paragraph contains a co-insurance or overage clause, the policy shall include a stipulated value or agreed amount endorsement acceptable to Lender. The annual premium amount must be disclosed as well as any remaining balance. If the policy is paid in full, the remaining balance should state "\$0" or "paid in full". Existing policies (refinance transactions only) must have at least six months remaining with the premium paid. Quotes and applications are not acceptable. The insurance agent's name, address and phone number must be reflected on the evidence of insurance.

4.5. Duplicate Originals or Certificates. Duplicate original policies evidencing the insurance required under this paragraph 4 and any additional insurance that may be purchased on the Mortgaged Property by or on behalf of Borrower shall be deposited with and held by Lender and, in addition, Borrower shall deliver to Lender (a) receipts evidencing payment of all premiums on the policies and (b) duplicate original renewal policies or a binder with evidence satisfactory to Lender of payment of all premiums at least 30 days before the policy expires. In lieu of the duplicate original policies to be delivered to Lender under this paragraph 4.5, Borrower may deliver an underlier of any blanket policy, and Borrower may also deliver original certificates from the issuing insurance company, evidencing that such policies are in full force and effect and containing information that, in Lender's reasonable judgment, is sufficient to allow Lender to ascertain whether such policies comply with the requirements of this paragraph.

4.6. Increased Coverage. If Lender determines that the limits of any insurance carried by Borrower are inadequate or that additional coverage is required, Borrower shall, within 10 days after written notice from Lender, procure such additional coverage as Lender may require in Lender's sole and absolute discretion.

4.7. No Separate Insurance. Borrower shall not carry separate or additional insurance concurrent in form or contributing in the event of loss with that required under this paragraph 4 unless endorsed in favor of Lender as required by this paragraph and otherwise approved by Lender in all respects.

4.8. Transfer of Title. In the event of foreclosure of this Mortgage or other transfer of title or assignment of the Mortgaged Property in extinguishment, in whole or in part, of the Obligations and the Indebtedness, all right, title, and interest of Borrower in and to all insurance policies required under this

paragraph 4 or otherwise then in force with respect to the Mortgaged Property and all proceeds payable under, and unearned premiums on, such policies shall immediately vest in the purchaser or other transferee of the Mortgaged Property.

4.9. Replacement Cost. For purposes of this paragraph 3, the term "full insurable value" means the lesser of (a) 100% of the full replacement cost for building and improvements as defined by Marshall & Swift "Good" or nationally recognized equivalent or (b) the Indebtness, with a replacement cost endorsement to compensate for the full amount of the damage or loss to improvements. Policy shall include Building Ordinance coverage, Sections A,B,C. In the event that the replacement cost of a building(s) and improvements are less than the value of the loan per Marshall & Swift "GOOD," a waiver from the Lender shall be required.

4.10. Approval Not Warranty. No approval by Lender of any insurer may be construed to be a representation, certification, or warranty of its solvency and no approval by Lender as to the amount, type, or form of any insurance may be construed to be a representation, certification, or warranty of its sufficiency.

4.11. Lender's Right to Obtain. Borrower shall deliver to Lender original policies or certificates evidencing such insurance at least 30 days before the existing policies expire. If any such policy is not so delivered to Lender or if any such policy is canceled, whether or not Lender has the policy in its possession, and no reinstatement or replacement policy is received before termination of insurance, Lender, without notice to or demand on Borrower, may (but is not obligated to) obtain such insurance insuring only Lender with such company as Lender may deem satisfactory, and pay the premium for such policies, and the amount of any premium so paid shall be charged to and promptly paid by Borrower or, at Lender's option, may be added to the Indebtness. Borrower acknowledges that, if Lender obtains insurance, it is for the sole benefit of Lender, and Borrower shall not rely on any insurance obtained by Lender to protect Borrower in any way.

4.12. Duty to Restore After Casualty. If any act or occurrence of any kind or nature (including any casualty for which insurance was not obtained or obtainable) results in damage to or loss or destruction of the Mortgaged Property, Borrower shall immediately give notice of such loss or damage to Lender and, if Lender so instructs, shall promptly, at Borrower's sole cost and expense, regardless of whether any insurance proceeds will be sufficient for the purpose, commence and continue diligently to completion to restore, repair, replace, and rebuild the Mortgaged Property as nearly as possible to its value, condition, and character immediately before the damage, loss, or destruction.

5. Condemnation and Insurance Proceeds.

5.1. Assignment to Lender. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of or damage or injury to the Mortgaged Property, or any part of it, or for conveyance in lieu of condemnation, are assigned to and shall be paid to Lender, regardless of whether Lender's security is impaired. All causes of action, whether accrued before or after the date of this Mortgage, of all types for damages or injury to the Mortgaged Property or any part of it, or in connection with any transaction financed by funds lent to Borrower by Lender and secured by this Mortgage, or in connection with or affecting the Mortgaged Property or any part of it, including, without limitation, causes of action arising in tort or contract or in equity, are assigned to Lender as additional security, and the proceeds shall be paid to Lender. Lender, at its option, may appear in and prosecute in its own name any action or proceeding to enforce any such cause of action and may make any compromise or settlement of such action. Borrower shall notify Lender in writing immediately on obtaining knowledge of any casualty damage to the Mortgaged Property or damage in any other manner in excess of \$5,000.00 or knowledge of the institution of any proceeding relating to condemnation or other taking of or damage or injury to all or any portion of the Mortgaged Property. Lender, in its sole and absolute discretion, may participate in any such proceedings and may join Borrower in adjusting any loss covered by insurance. Borrower covenants and agrees with Lender, at Lender's request, to make, execute, and deliver, at Borrower's expense, any and all assignments and other instruments sufficient for the purpose of

assigning the aforesaid award or awards, causes of action, or claims of damages or proceeds to Lender free, clear, and discharged of any and all encumbrances of any kind or nature.

5.2. Insurance Payments. All compensation, awards, proceeds, damages, claims, insurance recoveries, rights of action, and payments that Borrower may receive or to which Lender may become entitled with respect to the Mortgaged Property if any damage or injury occurs to the Mortgaged Property, other than by a partial condemnation or other partial taking of the Mortgaged Property, shall be paid over to Lender and shall be applied first toward reimbursement of all costs and expenses of Lender in connection with their recovery and disbursement, and shall then be applied as follows:

5.2.1. Lender shall consent to the application of such payments to the restoration of the Mortgaged Property so damaged only if Borrower has met all the following conditions (a breach of one of which shall constitute a default under this Mortgage, the Note, and any Loan Documents): (a) Borrower is not in default under any of the terms, covenants, and conditions of the Loan Documents; (b) all then-existing Leases affected in any way by such damage will continue in full force and effect; (c) Lender is satisfied that the insurance or award proceeds, plus any sums added by Borrower, shall be sufficient to fully restore and rebuild the Mortgaged Property under then current Governmental Requirements; (d) within 60 days after the damage to the Mortgaged Property, Borrower presents to Lender a restoration plan satisfactory to Lender and any local planning department, which includes cost estimates and schedules; (e) construction and completion of restoration and rebuilding of the Mortgaged Property shall be completed in accordance with plans and specifications and drawings submitted to Lender within 30 days after receipt by Lender of the restoration plan and thereafter approved by Lender, which plans, specifications, and drawings shall not be substantially modified, changed, or revised without Lender's prior written consent; (f) within 3 months after such damage, Borrower and a licensed contractor satisfactory to Lender enter into a fixed price or guaranteed maximum price contract satisfactory to Lender, providing for complete restoration in accordance with such restoration plan for an amount not to exceed the amount of funds held or to be held by Lender; (g) all restoration of the Improvements so damaged or destroyed shall be made with reasonable promptness and shall be of a value at least equal to the value of the Improvements so damaged or destroyed before such damage or destruction; (h) Lender reasonably determines that there is an identified source (whether from income from the Mortgaged Property, rental loss insurance, or another source) sufficient to pay all debt service and operating expenses of the Mortgaged Property during its restoration as required above; and (i) any and all funds that are made available for restoration and rebuilding under this paragraph 5 shall be disbursed, at Lender's sole and absolute discretion to Lender, through Lender or a title insurance or trust company satisfactory to Lender, in accordance with standard construction lending practices, including a reasonable fee payable to Lender from such funds and, if Lender requests, mechanics' lien waivers and title insurance date-downs, and the provision of payment and performance bonds by Borrower, or in any other manner approved by Lender in Lender's sole and absolute discretion; or

5.2.2. If fewer than all conditions (a) through (i) in paragraph 5.2.1 are satisfied, then such payments shall be applied in the sole and absolute discretion of Lender (a) to the payment or prepayment, with any applicable prepayment premium, of any Indebtedness secured by this Mortgage in such order as Lender may determine, or (b) to the reimbursement of Borrower's expenses incurred in the rebuilding and restoration of the Mortgaged Property. If Lender elects under this paragraph 5.2.2 to make any funds available to restore the Mortgaged Property, then all of conditions (a) through (i) in paragraph 5.2.1 shall apply, except for such conditions that Lender, in its sole and absolute discretion, may waive.

5.3. Material Loss Not Covered. If any material part of the Mortgaged Property is damaged or destroyed and the loss, measured by the replacement cost of the Improvements according to then current Governmental Requirements, is not adequately covered by insurance proceeds collected or in the process of collection, Borrower shall deposit with Lender, within 30 days after Lender's request, the amount of the loss not so covered.

5.4. Total Condemnation Payments. All compensation, awards, proceeds, damages, claims, insurance recoveries, rights of action, and payments that Borrower may receive or to which Borrower may become entitled with respect to the Mortgaged Property in the event of a total condemnation or other total

taking of the Mortgaged Property shall be paid over to Lender and shall be applied first to reimbursement of all Lender's costs and expenses in connection with their recovery, and shall then be applied to the payment of any Indebtedness secured by this Mortgage in such order as Lender may determine, until the Indebtedness secured by this Mortgage has been paid and satisfied in full. Any surplus remaining after payment and satisfaction of the Indebtedness secured by this Mortgage shall be paid to Borrower as its interest may then appear.

5.5. Partial Condemnation Payments. All compensation, awards, proceeds, damages, claims, insurance recoveries, rights of action, and payments ("funds") that Borrower may receive or to which Borrower may become entitled with respect to the Mortgaged Property in the event of a partial condemnation or other partial taking of the Mortgaged Property, unless Borrower and Lender otherwise agree in writing, shall be divided into two portions, one equal to the principal balance of the Note at the time of receipt of such funds and the other equal to the amount by which such funds exceed the principal balance of the Note at the time of receipt of such funds. The first such portion shall be applied to the sums secured by this Mortgage, whether or not then due, including but not limited to principal, accrued interest, and advances, and in such order or combination as Lender may determine, with the balance of the funds paid to Borrower. Any dispute as to the fair market value of the Mortgaged Property shall be settled by arbitration in accordance with the Real Estate Valuation Arbitration Rules of the American Arbitration Association.

5.6. No Cure of Waiver of Default. Any application of such amounts or any portion of it to any Indebtedness secured by this Mortgage shall not be construed to cure or waive any default or notice of default under this Mortgage or invalidate any act done under any such default or notice.

6. Taxes and Other Sums Due. Borrower shall promptly pay, satisfy, and discharge: (a) all Impositions affecting the Mortgaged Property before they become delinquent; (b) such other amounts, chargeable against Borrower or the Mortgaged Property, as Lender reasonably deems necessary to protect and preserve the Mortgaged Property, this Mortgage, or Lender's security for the performance of the Obligations; (c) all encumbrances, charges, and liens on the Mortgaged Property, with interest, which in Lender's judgment are, or appear to be, prior or superior to the lien of this Mortgage or all costs necessary to obtain protection against such lien or charge by title insurance endorsement or surety company bond; (d) such other charges as Lender deems reasonable for services rendered by Lender at Borrower's request; and (e) all costs, fees, and expenses incurred by Lender in connection with this Mortgage, whether or not specified in this Mortgage.

On Lender's request, Borrower shall promptly furnish Lender with all notices of sums due for any amounts specified in the preceding clauses 6(a) through (e), and, on payment, with written evidence of such payment. If Borrower fails to promptly make any payment required under this paragraph 6, Lender may (but is not obligated to) make such payment. Borrower shall notify Lender immediately on receipt by Borrower of notice of any increase in the assessed value of the Mortgaged Property and agrees that Lender, in Borrower's name, may (but is not obligated to) contest by appropriate proceedings such increase in assessment. Without Lender's prior written consent, Borrower shall not allow any lien inferior to the lien of this Mortgage to be perfected against the Mortgaged Property and shall not permit any improvement bond for any unpaid special assessment to issue.

7. Leases of Mortgaged Property by Borrower. At Lender's request, Borrower shall furnish Lender with executed copies of all Leases of the Mortgaged Property or any portion of it then in force. If Lender so requires, all Leases later entered into by Borrower are subject to Lender's prior review and approval and must be acceptable to Lender in form and content. Each Lease must specifically provide, inter alia, that (a) it is subordinate to the lien of this Mortgage; (b) the tenant attorns to Lender (and Borrower consents to any such attornment), such attornment to be effective on Lender's acquisition of title to the Mortgaged Property; (c) the tenant agrees to execute such further evidence of attornment as Lender may from time to time request; (d) the tenant's attornment shall not be terminated by foreclosure; and (e) Lender, at Lender's option, may accept or reject such attornment. If Borrower learns that any tenant proposes to do, or is doing, any act that may give rise to any right of setoff against rent, Borrower shall immediately (i) take measures

reasonably calculated to prevent the accrual of any such right of setoff; (ii) notify Lender of all measures so taken and of the amount of any setoff claimed by any such tenant; and (iii) within 10 days after the accrual of any right of setoff against rent, reimburse any tenant who has acquired such right, in full, or take other measures that will effectively discharge such setoff and ensure that rents subsequently due shall continue to be payable without claim of setoff or deduction.

At Lender's request, Borrower shall assign to Lender, by written instrument satisfactory to Lender, all Leases of the Mortgaged Property, and all security deposits made by tenants in connection with such Leases. On assignment to Lender of any such Lease, Lender shall succeed to all rights and powers of Borrower with respect to such Lease, and Lender, in Lender's sole and absolute discretion, shall have the right to modify, extend, or terminate such Lease and to execute other further leases with respect to the Mortgaged Property that is the subject of such assigned Lease.

8. Right to Collect and Receive Rents. Despite any other provision of this Mortgage, Lender grants permission to Borrower to collect and retain the Rents of the Mortgaged Property as they become due and payable; however, such permission to Borrower shall be automatically revoked on default by Borrower in payment of any Indebtedness secured by this Mortgage or in the performance of any of the Obligations, and Lender shall have the rights set forth in 765 ILCS 5/31.5 without regard to the adequacy of the security for the Indebtedness secured by this Mortgage. Failure of or discontinuance by Lender at any time, or from time to time, to collect any such Rents shall not in any manner affect the subsequent enforcement by Lender at any time, or from time to time, of the right, power, and authority to collect these Rents. The receipt and application by Lender of all such Rents under this Mortgage, after execution and delivery of declaration of default and demand for sale as provided in this Mortgage or during the pendency of judicial sale proceedings under this Mortgage, shall neither cure such breach or default nor affect such sale proceedings, or any sale made under them, but such Rents, less all costs of operation, maintenance, collection, and Attorney Fees, when received by Lender, may be applied in reduction of the entire Indebtedness from time to time secured by this Mortgage, in such order as Lender may decide. Nothing in this Mortgage, nor the exercise of Lender's right to collect, nor an assumption by Lender of any tenancy, lease, or option, nor an assumption of liability under, nor a subordination of the lien or charge of this Mortgage to, any such tenancy, lease, or option, shall be, or be construed to be, an affirmation by Lender of any tenancy, lease, or option.

If the Rents of the Mortgaged Property are not sufficient to meet the costs, if any, of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes shall become an Indebtedness of Borrower to Lender secured by this Mortgage. Unless Lender and Borrower agree in writing to other terms of payment, such amounts shall be payable on notice from Lender to Borrower requesting such payment and shall bear interest from the date of disbursement at the rate stated in the Note unless payment of interest at such rate would be contrary to Governmental Requirements, in which event the amounts shall bear interest at the highest rate that may be collected from Borrower under Governmental Requirements.

Borrower expressly understands and agrees that Lender will have no liability to Borrower or any other person for Lender's failure or inability to collect Rents from the Mortgaged Property, or for failing to collect such Rents in an amount that is equal to the fair market rental value of the Mortgaged Property. Borrower understands and agrees that neither the assignment of Rents to Lender nor the exercise by Lender of any of its rights or remedies under this Mortgage shall be deemed to make Lender a "mortgagee-in-possession" or otherwise responsible or liable in any manner with respect to the Mortgaged Property or the use, occupancy, enjoyment, or operation of all or any portion of it, unless and until Lender, in person or by agent, assumes actual possession of it. Nor shall appointment of a receiver for the Mortgaged Property by any court at the request of Lender or by agreement with Borrower, or the entering into possession of the Mortgaged Property or any part of it by such receiver be deemed to make Lender a mortgagee-in-possession or otherwise responsible or liable in any manner with respect to the Mortgaged Property or the use, occupancy, enjoyment, or operation of all or any portion of it.

During an Event of Default, any and all Rents collected or received by Borrower shall be accepted and held for Lender in trust and shall not be commingled with Borrower's funds and property, but shall be promptly paid over to Lender.

9. Funds for Taxes and Insurance. If Borrower is in default under this Mortgage or any of the Loan Documents, regardless of whether the default has been cured, then Lender may at any subsequent time, at its option to be exercised on 30 days written notice to Borrower, require Borrower to deposit with Lender or its designee, at the time of each payment of an installment of interest or principal under the Note, an additional amount sufficient to discharge the obligations of Borrower under the Note and this Mortgage as they become due. The calculation of the amount payable and of the fractional part of it to be deposited with Lender shall be made by Lender in its sole and absolute discretion. These amounts shall be held by Lender or its designee not in trust and not as agent of Borrower and shall not bear interest, and shall be applied to the payment of any of the Obligations under the Loan Documents in such order or priority as Lender shall determine. If at any time within 30 days before the due date of these obligations the amounts then on deposit shall be insufficient to pay the obligations under the Note and this Mortgage in full, Borrower shall deposit the amount of the deficiency with Lender within 10 days after Lender's demand. If the amounts deposited are in excess of the actual obligations for which they were deposited, Lender may refund any such excess, or, at its option, may hold the excess in a reserve account, not in trust and not bearing interest, and reduce proportionately the required monthly deposits for the ensuing year. Nothing in this paragraph shall be deemed to affect any right or remedy of Lender under any other provision of this Mortgage or under any statute or rule of law to pay any such amount and to add the amount so paid to the Indebtedness secured by this Mortgage. Lender shall have no obligation to pay insurance premiums or taxes except to the extent the fund established under this paragraph is sufficient to pay such premiums or taxes, to obtain insurance, or to notify Borrower of any matters relative to the insurance or taxes for which the fund is established under this paragraph.

Lender or its designee shall hold all amounts so deposited as additional security for the sums secured by this Mortgage. Lender may, in its sole and absolute discretion and without regard to the adequacy of its security under this Mortgage, apply such amounts or any portion of it to any Indebtedness secured by this Mortgage, and such application shall not be construed to cure or waive any default or notice of default under this Mortgage.

If Lender requires deposits to be made under this paragraph 9, Borrower shall deliver to Lender all tax bills, bond and assessment statements, statements for insurance premiums, and statements for any other obligations referred to above as soon as Borrower receives such documents.

If Lender sells or assigns this Mortgage, Lender shall have the right to transfer all amounts deposited under this paragraph 9 to the purchaser or assignee. After such a transfer, Lender shall be relieved and have no further liability under this Mortgage for the application of such deposits, and Borrower shall look solely to such purchaser or assignee for such application and for all responsibility relating to such deposits.

10. Assignment of Causes of Action, Awards, and Damages. All causes of action, and all sums due or payable to Borrower for injury or damage to the Mortgaged Property, or as damages incurred in connection with the transactions in which the Loan secured by this Mortgage was made, including, without limitation, causes of action and damages for breach of contract, fraud, concealment, construction defects, or other torts, or compensation for any conveyance in lieu of condemnation, are assigned to Lender, and all proceeds from such causes of action and all such sums shall be paid to Lender for credit against the Indebtedness secured by this Mortgage. Borrower shall notify Lender immediately on receipt by Borrower of notice that any such sums have become due or payable and, immediately on receipt of any such sums, shall promptly remit such sums to Lender.

After deducting all expenses, including Attorney Fees, incurred by Lender in recovering or collecting any sums under this paragraph 10, Lender may apply or release the balance of any funds received by it under this paragraph, or any part of such balance, as it elects. Lender, at its option, may appear in and prosecute in its own name any action or proceeding to enforce any cause of action assigned to it under this

paragraph and may make any compromise or settlement in such action whatsoever. Borrower covenants that it shall execute and deliver to Lender such further assignments of any such compensation awards, damages, or causes of action as Lender may request from time to time. If Lender fails or does not elect to prosecute any such action or proceeding and Borrower elects to do so, Borrower may conduct the action or proceeding at its own expense and risk.

11. Defense of Mortgage; Litigation. Borrower shall give Lender immediate written notice of any action or proceeding (including, without limitation, any judicial, whether civil, criminal, or probate, or nonjudicial proceeding to foreclose the lien of a junior or senior mortgage or deed of trust) affecting or purporting to affect the Mortgaged Property, this Mortgage, Lender's security for the performance of the Obligations and payment of the Indebtedness, or the rights or powers of Lender under the Loan Documents. Despite any other provision of this Mortgage, Borrower agrees that Lender may (but is not obligated to) commence, appear in, prosecute, defend, compromise, and settle, in Lender's or Borrower's name, and as attorney-in-fact for Borrower, and incur necessary costs and expenses, including Attorney Fees in so doing, any action or proceeding, whether a civil, criminal, or probate judicial matter, nonjudicial proceeding, arbitration, or other alternative dispute resolution procedure, reasonably necessary to preserve or protect, or affecting or purporting to affect, the Mortgaged Property, this Mortgage, Lender's security for performance of the Obligations and payment of the Indebtedness, or the rights or powers of Lender under the Loan Documents, and that if Lender elects not to do so, Borrower shall commence, appear in, prosecute, and defend any such action or proceeding. Borrower shall pay all costs and expenses of Lender, including costs of evidence of title and Attorney Fees, in any such action or proceeding in which Lender may appear or for which legal counsel is sought, whether by virtue of being made a party defendant or otherwise, and whether or not the interest of Lender in the Mortgaged Property is directly questioned in such action or proceeding, including, without limitation, any action for the condemnation or partition of all or any portion of the Mortgaged Property and any action brought by Lender to foreclose this Mortgage or to enforce any of its terms or provisions.

12. Borrower's Failure to Comply With Mortgage. If Borrower fails to make any payment or do any act required by this Mortgage, or if there is any action or proceeding (including, without limitation, any judicial or nonjudicial proceeding to foreclose the lien of a junior or senior mortgage or deed of trust) affecting or purporting to affect the Mortgaged Property, this Mortgage, Lender's security for the performance of the Obligations and payment of the Indebtedness, or the rights or powers of Lender under the Note or this Mortgage, Lender may (but is not obligated to) (a) make any such payment or do any such act in such manner and to such extent as either deems necessary to preserve or protect the Mortgaged Property, this Mortgage, or Lender's security for the performance of Borrower's Obligations and payment of the Indebtedness, or the rights or powers of Lender under the Loan Documents, Lender being authorized to enter on the Mortgaged Property for any such purpose; and (b) in exercising any such power, pay necessary expenses, retain attorneys, and pay Attorney Fees incurred in connection with such action, without notice to or demand on Borrower and without releasing Borrower from any Obligations or Indebtedness.

13. Sums Advanced to Bear Interest and to Be Secured by Mortgage. At Lender's request, Borrower shall immediately pay any sums advanced or paid by Lender under any provision of this Mortgage or the other Loan Documents. Until so repaid, all such sums and all other sums payable to Lender shall be added to, and become a part of, the Indebtedness secured by this Mortgage and bear interest from the date of advancement or payment by Lender at the same rate as provided in the Note, unless payment of interest at such rate would be contrary to Governmental Requirements. All sums advanced by Lender under this Mortgage or the other Loan Documents, whether or not required to be advanced by Lender under the terms of this Mortgage or the other Loan Documents, shall conclusively be deemed to be mandatory advances required to preserve and protect this Mortgage and Lender's security for the performance of the Obligations and payment of the Indebtedness, and shall be secured by this Mortgage to the same extent and with the same priority as the principal and interest payable under the Note.

14. Inspection of Mortgaged Property. Lender may, or authorize other persons, including, but not limited to, appraisers and prospective purchasers at any foreclosure sale commenced by Lender, to enter on or inspect the Mortgaged Property at reasonable times and for reasonable durations. Borrower shall permit all such entries and inspections to be made as long as Lender has given Borrower written notice of such inspection at least 24 hours before the entry and inspection.

15. Financial Statements; Estoppel Certificates.

15.1. Borrower's Financial Statements. On receipt of Lender's written request and without expense to Lender, Borrower shall furnish to Lender (a) an annual statement of the operation of the Mortgaged Property prepared and certified by Borrower, showing in reasonable detail satisfactory to Lender total Rents received and total expenses together with an annual balance sheet and profit and loss statement, within 90 days after the close of each fiscal year of Borrower, beginning with the fiscal year first ending after the date of recordation of this Mortgage; (b) within 30 days after the end of each calendar quarter (March 31, June 30, September 30, December 31) interim statements of the operation of the Mortgaged Property showing in reasonable detail satisfactory to Lender total Rents and other income and receipts received and total expenses for the previous quarter; certified by Borrower; and (c) copies of Borrower's annual state and federal income tax returns within 30 days after filing them. Borrower shall keep accurate books and records, and allow Lender, its representatives and agents, on notice, at any time during normal business hours, access to such books and records regarding acquisition, construction, and development of the Mortgaged Property, including any supporting or related vouchers or papers, shall allow Lender to make extracts or copies of any such papers, and shall furnish to Lender and its agents convenient facilities for the audit of any such statements, books, and records.

15.2. Recordkeeping. Borrower shall keep adequate records and books of account in accordance with generally accepted accounting principles and practices and shall permit Lender, by its agents, accountants, and attorneys, to examine Borrower's records and books of account and to discuss the affairs, finances, and accounts of Borrower with the officers of Borrower, at such reasonable times as Lender may request.

15.3. Guarantors' Financial Statements. Except to the extent already required by paragraph 15.1, Borrower, its controlling shareholders, and all guarantors of the Indebtedness, if any, shall deliver to Lender with reasonable promptness after the close of their respective fiscal years a balance sheet and profit and loss statement, prepared by an independent certified public accountant satisfactory to Lender, setting forth in each case, in comparative form, figures for the preceding year, which statements shall be accompanied by the unqualified opinion of such accountant as to their accuracy. Throughout the term of this Mortgage, Borrower and any guarantor shall deliver, with reasonable promptness, to Lender such other information with respect to Borrower or guarantor as Lender may from time to time request. All financial statements of Borrower or guarantor shall be prepared in accordance with generally accepted accounting principles and practices applied on a consistent basis and shall be delivered in duplicate. Documents and information submitted by Borrower to Lender are submitted confidentially, and Lender shall not disclose them to third parties and shall limit access to them to what is necessary to service the loan, accomplish the normal administrative, accounting, tax-reporting, and other necessary functions, to sell all or any part of the loan and to report such information as required to the Comptroller of the Currency, the Federal Deposit Insurance Corporation, the Internal Revenue Service, and similar entities.

15.4. Estoppel Certificates. Within 10 days after Lender's request for such information, Borrower shall execute and deliver to Lender, and to any third party designated by Lender, in recordable form, a certificate of the principal financial or accounting officer of Borrower, dated within 3 days after delivery of such statements, or the date of such request, as the case may be, reciting that the Loan Documents are unmodified and in full force and effect, or that the Loan Documents are in full force and effect as modified and specifying all modifications asserted by Borrower. Such certificate shall also recite the amount of the Indebtedness and cover other matters with respect to the Indebtedness or Obligations as Lender may reasonably require, the date(s) through which payments due on the Indebtedness have been paid and the amount(s) of any payments previously made on the Indebtedness. The certificate shall include

a detailed statement of any right of setoff, counterclaim, or other defense that Borrower contends exists against the Indebtedness or the Obligations; a statement that such person knows of no Event of Default or prospective Event of Default that has occurred and is continuing, or, if any Event of Default or prospective Event of Default has occurred and is continuing, a statement specifying the nature and period of its existence and what action Borrower has taken or proposes to take with respect to such matter; and, except as otherwise specified, a statement that Borrower has fulfilled all Obligations that are required to be fulfilled on or before the date of such certificate.

15.5. Failure to Deliver Estoppel Certificate. If Borrower fails to execute and deliver the certificate required by paragraph 15.4 within such 10-day period, (a) the Loan Documents shall, as to Borrower, conclusively be deemed to be either in full force and effect, without modification, or in full force and effect, modified in the manner and to the extent specified by Lender, whichever Lender reasonably and in good faith may represent; (b) the Indebtedness shall, as to Borrower, conclusively be deemed to be in the amount specified by Lender and no setoffs, counterclaims, or other defenses exist against the Indebtedness; and (c) Borrower shall conclusively be deemed to have irrevocably constituted and appointed Lender as Borrower's special attorney-in-fact to execute and deliver such certificate to any third party.

15.6. Reliance on Estoppel Certificate. Borrower and Lender expressly agree that any certificate executed and delivered by Borrower, or any representation in lieu of a certificate made by Lender under paragraph 15.5, may be relied on by any prospective purchaser or any prospective assignee of any interest of Lender in the Note and other Indebtedness secured by this Mortgage or in the Mortgaged Property, and by any other person, without independent investigation or examination, to verify the accuracy, reasonableness, or good faith of the recitals in the certificate or representation.

15.7. No Waiver of Default of Rights. Lender's exercise of any right or remedy provided by this paragraph 15 shall not constitute a waiver of, or operate to cure, any default by Borrower under this Mortgage, or preclude any other right or remedy that is otherwise available to Lender under this Mortgage or Governmental Requirements.

16. Uniform Commercial Code Security Agreement. This Mortgage is intended to be and shall constitute a security agreement under the Illinois Uniform Commercial Code for any of the Personalty specified as part of the Mortgaged Property that, under Governmental Requirements, may be subject to a security interest under the Illinois Uniform Commercial Code, and Borrower grants to Lender a security interest in those items. Borrower authorizes Lender to file financing statements in all states, counties, and other jurisdictions as Lender may elect, without Borrower's signature if permitted by law. Borrower agrees that Lender may file this Mortgage, or a copy of it, in the real estate records or other appropriate index or in the Office of the Secretary of State of the State of Illinois and such other states as the Lender may elect, as a financing statement for any of the items specified above as part of the Mortgaged Property. Any reproduction of this Mortgage or executed duplicate original of this Mortgage, or a copy certified by a County Recorder in the State of Illinois, or of any other security agreement or financing statement, shall be sufficient as a financing statement. In addition, Borrower agrees to execute and deliver to Lender, at Lender's request, any UCC financing statements, as well as any extensions, renewals, and amendments, and copies of this Mortgage in such form as Lender may require to perfect a security interest with respect to the Personalty. Borrower shall pay all costs of filing such financing statements and any extensions, renewals, amendments, and releases of such statements, and shall pay all reasonable costs and expenses of any record searches for financing statements that Lender may reasonably require. Without the prior written consent of Lender, Borrower shall not create or suffer to be created any other security interest in the items, including any replacements and additions.

On any Event of Default, Lender shall have the remedies of a secured party under the Illinois Uniform Commercial Code and, at Lender's option, may also invoke the remedies in paragraph 21 of this Mortgage as to such items. In exercising any of these remedies, Lender may proceed against the items of Mortgaged Property and any items of Personalty separately or together and in any order whatsoever, without in any way affecting the availability of Lender's remedies under the Illinois Uniform Commercial Code or of the remedies in paragraph 21 of this Mortgage.

17. **Fixture Filing.** This Mortgage constitutes a financing statement filed as a fixture filing under the Illinois Uniform Commercial Code, as amended or recodified from time to time, covering any portion of the Mortgaged Property that now is or later may become a fixture attached to the Mortgaged Property or to any Improvement.

18. **Waiver of Statute of Limitations.** Borrower waives the right to assert any statute of limitations as a defense to the Loan Documents and the Obligations secured by this Mortgage, to the fullest extent permitted by Governmental Requirements.

19. **Events of Default.** The term Event of Default as used in this Mortgage means the occurrence or happening, at any time and from time to time, of any one or more of the following:

19.1. **Payment of Indebtedness.** Borrower fails to pay any installment of interest and/or principal under the Note or any other Indebtedness when due and such failure continues for more than 5 days after the date such payment was due and payable whether on maturity, the date stipulated in any Loan Document, by acceleration, or otherwise.

19.2. **Performance of Obligations.** The failure, refusal, or neglect to perform and discharge fully and timely any of the Obligations as and when required, and the continuance of such failure for 30 days after Lender gives written notice of such failure to Borrower.

19.3. **Judgment.** If any final judgment, order, or decree is rendered against Borrower or a guarantor and is not paid or executed on, or is not stayed by perfection of an appeal or other appropriate action, such as being bonded, or is not otherwise satisfied or disposed of to Lender's satisfaction within 30 days after entry of the judgment, order, or decree:

19.4. **Voluntary Bankruptcy.** If Borrower or any guarantor (a) seeks entry of an order for relief as a debtor in a proceeding under the Bankruptcy Code; (b) seeks, consents to, or does not contest the appointment of a receiver for itself or for all or any part of its property; (c) files a petition seeking relief under the bankruptcy, arrangement, reorganization, or other debtor relief laws of the United States or any state or any other competent jurisdiction; (d) makes a general assignment for the benefit of its creditors; or (e) states in writing its inability to pay its debts as they mature.

19.5. **Involuntary Bankruptcy.** If (a) a petition is filed against Borrower or any guarantor seeking relief under any bankruptcy, arrangement, reorganization, or other debtor relief laws of the United States or any state or other competent jurisdiction; or (b) a court of competent jurisdiction enters an order, judgment, or decree appointing, without the consent of Borrower or any guarantor, a receiver for it, or for all or any part of its property; and (c) such petition, order, judgment, or decree is not discharged or stayed within 90 days after its entry.

19.6. **Foreclosure of Other Liens.** If the holder of any lien or security interest on the Mortgaged Property (without implying Lender's consent to the existence, placing, creating, or permitting of any lien or security interest) institutes foreclosure or other proceedings to enforce its remedies thereunder and any such proceedings are not stayed or discharged within 30 days after institution of such foreclosure proceedings.

19.7. **Sale, Lease, Encumbrance, or Other Transfer.** Any sale, lease, exchange, assignment, conveyance, encumbrance (other than a Permitted Encumbrance), transfer of possession, or other disposition of all or any portion of the Land or Improvements or any of Borrower's interest in the Land or Improvement without Lender's prior written consent, or any sale, lease, exchange, assignment, conveyance, encumbrance (other than a Permitted Encumbrance), or other disposition of any portion of the Personalty, without Lender's prior written consent, or if there is a sale or transfer of beneficial interests in Borrower equal to 25 percent or more of the beneficial ownership interests of Borrower outstanding at the date of this Mortgage, without Lender's prior written consent.

19.8. **Title and Lien Priority.** If Borrower's title to any or all of the Mortgaged Property or the status of this Mortgage as a first and prior lien and security interest on the Mortgaged Property is endangered in any manner, and Borrower fails to cure the same on Lender's demand; provided, however, that Borrower shall not be in default under this paragraph if Borrower is diligently pursuing a contest or cure of such title

or lien issue and Borrower has posted adequate security to protect Lender's rights, interest, and priority under this Mortgage, as determined by Lender.

19.9. Other Defaults. The occurrence of an Event of Default or any default, as defined or described in the other Loan Documents, or the occurrence of a default on any Indebtedness or Obligations.

19.10. Levy on Assets. A levy on any of the assets of Borrower or any guarantor, and such levy is not stayed or abated within 60 days after such levy.

19.11. Breach of Representations. The breach of any representation, warranty, or covenant in this Mortgage or other Loan Documents.

19.12. Default Under Prior Mortgage, Mortgage, or Lien. The failure to pay on a timely basis, or the occurrence of any other default under any note, deed of trust, mortgage, contract of sale, lien, charge, encumbrance, or security interest encumbering or affecting the Mortgaged Property and having priority over the lien of this Mortgage.

20. Acceleration on Transfer or Encumbrance.

20.1. Acceleration on Transfer or Encumbrance of Mortgaged Property. If Borrower sells, contracts to sell, gives an option to purchase, conveys, leases with an option to purchase, encumbers, or alienates the Mortgaged Property, or any interest in it, or suffers its title to, or any interest in, the Mortgaged Property to be divested, whether voluntarily or involuntarily; or if there is a sale or transfer of beneficial interests in Borrower equal to 25 percent or more of the beneficial ownership interests of Borrower outstanding at the date of this Mortgage; or if Borrower changes or permits to be changed the character or use of the Mortgaged Property, or drills or extracts or enters into any lease for the drilling or extracting of oil, gas, or other hydrocarbon substances or any mineral of any kind or character on the Mortgaged Property; or if title to such Mortgaged Property becomes subject to any lien or charge, voluntary or involuntary, contractual or statutory, without Lender's prior written consent, then Lender, at Lender's option, may, without prior notice, declare all sums secured by this Mortgage, regardless of their stated due date(s), immediately due and payable and may exercise all rights and remedies in this Mortgage, including those in paragraph 21.

20.2. Replacement Personalty. Despite the provisions of paragraph 20.1, Borrower may from time to time replace Personalty constituting a part of the Mortgaged Property, as long as (a) the replacements for such Personalty are of equivalent value and quality; (b) Borrower has good and clear title to such replacement Personalty free and clear of any and all liens, encumbrances, security interests, ownership interests, claims of title (contingent or otherwise), or charges of any kind, or the rights of any conditional sellers, vendors, or any other third parties in or to such replacement Personalty have been expressly subordinated to the lien of the Mortgage in a manner satisfactory to Lender and at no cost to Lender; and (c) at Lender's option, Borrower provides at no cost to Lender satisfactory evidence that the Mortgage constitutes a valid and subsisting lien on and security interest in such replacement Personalty of the same priority as this Mortgage has on the Mortgaged Property and is not subject to being subordinated or its priority affected under any Governmental Requirements.

20.3. Permitted Encumbrances. If Lender consents in writing, which consent may not be unreasonably withheld, the due-on-encumbrance provision set forth in paragraph 20.1 shall not apply to a junior voluntary deed of trust or mortgage lien in favor of another lender encumbering the Mortgaged Property (the principal balance of any such junior encumbrance shall be added to the principal balance of the Indebtedness for purposes of determining compliance with the financial covenants of the Note), as long as Borrower gives Lender at least 30 days written notice of the further encumbrance and reimburses Lender for all out-of-pocket costs and expenses incurred in connection with such encumbrance.

21. Rights and Remedies on Default. Upon the occurrence of an Event of Default and at any time thereafter, Lender, at Lender's option may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

Accelerate Indebtedness. Lender shall have the right at its option without notice to Borrower to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Borrower would be required to pay.

UCC Remedies. With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

Collect Rents. Lender shall have the right, without notice to Borrower, to take possession of the Mortgaged Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Mortgaged Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Borrower irrevocably designates Lender as Borrower's attorney-in-fact to endorse instruments received in payment thereof in the name of Borrower and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Mortgagee in Possession. Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Mortgaged Property, with the power to protect and preserve the Mortgaged Property, to operate the Mortgaged Property preceding foreclosure or sale, and to collect the Rents from the Mortgaged Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Mortgaged Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Judicial Foreclosure. Lender may obtain a judicial decree foreclosing Borrower's interest in all or any part of the Mortgaged Property.

Deficiency Judgment. If permitted by applicable law, Lender may obtain a judgment for any deficiency remaining in the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this section.

Other Remedies. Lender shall have all other rights and remedies provided in this Mortgage or the Note or available at law or in equity.

Sale of the Property. To the extent permitted by applicable law, Borrower hereby waives any and all right to have the Mortgaged Property marshaled. In exercising its rights and remedies, Lender shall be free to sell all or any part of the Mortgaged Property together or separately, in one sale or by separate sales. Lender shall be entitled to bid at any public sale on all or any portion of the Mortgaged Property.

Notice of Sale. Lender shall give Borrower reasonable notice of the time and place of any public sale of the Personalty or of the time after which any private sale or other intended disposition of the Personalty is to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition. Any sale of the Personalty may be made in conjunction with any sale of the Land.

Election of Remedies. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Borrower under this Mortgage, after Borrower's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies. Nothing under this Mortgage or otherwise shall be construed so as to limit or restrict the rights and remedies available to Lender following an Event of Default, or in any way to limit or restrict the rights and ability of Lender to proceed directly against Borrower and/or against any other co-maker, guarantor, surety or endorser and/or to proceed against any other collateral directly or indirectly securing the Indebtedness.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Mortgage, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Note rate from the date of the expenditure until repaid. Expenses covered by this paragraph include without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees and title insurance, to the extent permitted by applicable law. Borrower also will pay any court costs, in addition to all other sums provided by Governmental Requirements.

22. Obligation to Notify Lender of Bankruptcy, Insolvency, Transfer, or Encumbrance.

Borrower shall notify Lender in writing, at or before the time of the occurrence of any event described in paragraphs 19 and 20 of this Mortgage, of such event and shall promptly furnish Lender with any and all information on such event that Lender may request.

23. Waiver of Marshaling. Despite the existence of interests in the Mortgaged Property other than that created by this Mortgage, and despite any other provision of this Mortgage, if Borrower defaults in paying the Indebtedness or in performing any Obligations, Lender shall have the right, in Lender's sole and absolute discretion, to establish the order in which the Mortgaged Property will be subjected to the remedies provided in this Mortgage and to establish the order in which all or any part of the Indebtedness secured by this Mortgage is satisfied from the proceeds realized on the exercise of the remedies provided in this Mortgage. Borrower and any person who now has or later acquires any interest in the Mortgaged Property with actual or constructive notice of this Mortgage waives any and all rights to require a marshaling of assets in connection with the exercise of any of the remedies provided in this Mortgage or otherwise provided by Governmental Requirements.

24. Environmental Matters.

24.1. Borrower's Representations and Warranties. Borrower represents and warrants to Lender that:

24.1.1. The Mortgaged Property and Borrower are not in violation of any Environmental Laws or subject to any existing, pending, or threatened investigation by any Governmental Authority under any Environmental Laws.

24.1.2. Borrower has not obtained and is not required by any Environmental Laws to obtain any permits or licenses to construct or use the Mortgaged Property or the Improvements.

24.1.3. Borrower has conducted an appropriate inquiry into previous uses and ownership of the Mortgaged Property, and after such inquiry determined that no Hazardous Substance has been disposed of, transported, or released on or at the Mortgaged Property.

24.1.4. No part of the Mortgaged Property is being used or, to the knowledge of Borrower, has been used at any previous time, for the disposal, storage, treatment, processing, transporting, or other handling of Hazardous Substances, nor is any part of the Mortgaged Property affected by any Hazardous Substance contamination.

24.1.5. To the best of Borrower's knowledge and belief, no real property adjoining the Mortgaged Property is being used, or has ever been used at any previous time, for the disposal, storage, treatment, processing, or other handling of Hazardous Substances, nor is any other real property adjoining the Mortgaged Property affected by Hazardous Substances contamination.

24.1.6. No investigation, administrative order, consent order or agreement, litigation, or settlement with respect to Hazardous Substances or Hazardous Substances contamination is proposed, threatened, anticipated, or in existence regarding the Mortgaged Property. The Mortgaged Property is not currently on, and to Borrower's knowledge, after diligent investigation and inquiry, has never been on, any federal or state "Superfund" or "Superlien" list.

24.1.7. Neither Borrower nor, to the best of Borrower's knowledge and belief, any tenant of any portion of the Mortgaged Property has received any notice from any Governmental Authority regarding any violation of any Environmental Laws.

24.1.8. The use that Borrower makes and intends to make of the Mortgaged Property shall not result in the disposal or release of any Hazardous Substances on, in, or to the Mortgaged Property.

24.1.9. Borrower shall not cause any violation of any Environmental Laws, nor permit any tenant of any portion of the Mortgaged Property to cause such a violation, nor permit any environmental liens to be placed on any portion of the Mortgaged Property.

24.1.10. Neither Borrower nor any third party shall use, generate, manufacture, store, release, discharge, or dispose of any Hazardous Substance on, under, or about the Mortgaged Property, or transport any Hazardous Substance to or from the Mortgaged Property.

24.2. Survival of Representations and Warranties. The foregoing representations and warranties shall be continuing and shall be true and correct for the period from the date of this instrument to the release of this Mortgage (whether by payment of the Indebtedness secured by this Mortgage or foreclosure or action in lieu of foreclosure), and these representations and warranties shall survive such release.

24.3. Notice to Lender. Borrower shall give prompt written notice to Lender of:

24.3.1. Any proceeding or inquiry by any Governmental Authority (including, without limitation, the Illinois State Department of Public Health or the Illinois Environmental Protection Agency) regarding the presence or threatened presence of any Hazardous Substance on the Mortgaged Property;

24.3.2. All claims made or threatened by any third party against Borrower or the Mortgaged Property relating to any loss or injury resulting from any Hazardous Substance;

24.3.3. Borrower's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Mortgaged Property that could cause it or any part of it to be subject to any restrictions on the ownership, occupancy, transferability, or use of the Mortgaged Property under any Environmental Laws.

24.4. Lender's Right to Join Legal Actions. Lender shall have the right, at its option, but at Borrower's sole cost and expense, to join and participate in, as a party if it so elects, any legal proceedings or actions initiated by or against Borrower or the Mortgaged Property in connection with any Environmental Laws.

24.5. Borrower's Indemnity. Borrower shall indemnify, defend, and hold harmless Lender, its directors, officers, employees, agents, successors, and assigns from and against any loss, damage, cost, expense, or liability directly or indirectly arising from or attributable to the use, generation, manufacture, production, storage, release, threatened release, discharge, disposal, or presence of a Hazardous Substance on, under, or about the Mortgaged Property, or any order, consent decree, or settlement relating to the cleanup of a Hazardous Substance, or any claims of loss, damage, liability, expense, or injury relating to or arising from, directly or indirectly, any disclosure by Lender to anyone of information, whether true or not,

relative to a Hazardous Substance or Environmental Law violation, including, without limitation, Attorney Fees. This indemnity shall survive the release of this Mortgage (whether by payment of the Indebtedness secured by this Mortgage or foreclosure or action in lieu of foreclosure).

25. **Reserved.**

26. **Reserved.**

27. **Release.** Upon payment of all sums secured by this Mortgage, Lender shall release this Mortgage. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Mortgage, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

28. **Reserved.**

29. **No Waiver by Lender.** No waiver by Lender of any right or remedy provided by the Loan Documents or Governmental Requirements shall be effective unless such waiver is in writing and signed by two authorized officers of Lender. Waiver by Lender of any right or remedy granted to Lender under the Loan Documents or Governmental Requirements as to any transaction or occurrence shall not be deemed a waiver of any future transaction or occurrence. The acceptance of payment of any sum secured by this Mortgage after its due date, or the payment by Lender of any Indebtedness or the performance by Lender of any Obligations of Borrower under the Loan Documents, on Borrower's failure to do so, or the addition of any payment so made by Lender to the Indebtedness secured by this Mortgage, or the exercise of Lender's right to enter the Mortgaged Property and receive and collect the Rents from it, or the assertion by Lender of any other right or remedy under the Loan Documents, shall not constitute a waiver of Lender's right to require prompt performance of all other Obligations of Borrower under the Loan Documents and payment of the Indebtedness, or to exercise any other right or remedy under the Loan Documents for any failure by Borrower to timely and fully pay the Indebtedness and perform its Obligations under the Loan Documents. Lender may waive any right or remedy under the Loan Documents or Governmental Requirements without notice to or consent from Borrower, any guarantor of the Indebtedness and of Borrower's Obligations under the Loan Documents, or any holder or claimant of a lien or other interest in the Mortgaged Property that is junior to the lien of this Mortgage, and without incurring liability to Borrower or any other person by so doing.

30. **Consents and Modifications; Borrower and Lien Not Released.** Despite Borrower's default in the payment of any Indebtedness secured by this Mortgage or in the performance of any Obligations under this Mortgage or Borrower's breach of any obligation, covenant, or agreement in the Loan Documents, Lender, at Lender's option, without notice to or consent from Borrower, any guarantor of the Indebtedness and of Borrower's Obligations under the Loan Documents, or any holder or claimant of a lien or interest in the Mortgaged Property that is junior to the lien of this Mortgage, and without incurring liability to Borrower or any other person by so doing, may from time to time (a) extend the time for payment of all or any portion of Borrower's Indebtedness under the Loan Documents; (b) accept a renewal note or notes, or release any person from liability, for all or any portion of such Indebtedness; (c) agree with Borrower to modify the terms and conditions of payment under the Loan Documents; (d) reduce the amount of the monthly installments due under paragraph 9 of this Mortgage; (e) reconvey or release other or additional security for the repayment of Borrower's Indebtedness under the Loan Documents; (f) approve the preparation or filing of any map or plat with respect to the Mortgaged Property; (g) enter into any extension or subordination agreement affecting the Mortgaged Property or the lien of this Mortgage; and (h) agree with Borrower to modify the term, the rate of interest, or the period of amortization of the Note or alter the amount of the monthly installments payable under the Note. No action taken by Lender under this paragraph shall be effective unless it is in writing, subscribed by Lender, and, except as expressly stated in such writing, no such action will impair or affect (i) Borrower's obligation to pay the Indebtedness secured by this Mortgage and to observe all Obligations of Borrower contained in the Loan Documents; (ii) the guaranty of any Person of the payment of the Indebtedness secured by this Mortgage; or (iii) the lien or priority of the lien of this Mortgage. At Lender's request, Borrower shall promptly pay Lender a reasonable

service charge, together with all insurance premiums and Attorney Fees as Lender may have advanced, for any action taken by Lender under this paragraph.

Whenever Lender's consent or approval is specified as a condition of any provision of this Mortgage, such consent or approval shall not be effective unless such consent or approval is in writing, signed by two authorized officers of Lender.

31. Waiver of Right of Offset. No portion of the Indebtedness secured by this Mortgage shall be or be deemed to be offset or compensated by all or any part of any claim, cause of action, counterclaim, or cross-claim, whether liquidated or unliquidated, that Borrower may have or claim to have against Lender.

32. Future Advances. On request by Borrower, Lender, at Lender's option, may make future advances to Borrower. All such future advances, with interest, shall be added to and become a part of the Indebtedness secured by this Mortgage when evidenced by promissory notes reciting that such note(s) are secured by this Mortgage.

33. Prepayment. If the Note secured by this Mortgage provides for a fee or charge as consideration for the acceptance of prepayment of principal, Borrower agrees to pay said fee or charge if the Indebtedness or any part of it shall be paid, whether voluntarily or involuntarily, before the due date stated in the Note, even if Borrower has defaulted in payment or in the performance of any agreement under this Mortgage and Lender, for that reason or by reason of paragraphs 20 and 21 of this Mortgage, shall have declared all sums secured by this Mortgage immediately due and payable.

34. Additional Borrower Representations. To induce Lender to enter into this Mortgage, the Note, and the other Loan Documents and to make the Loan, Borrower makes the following representations and warranties, which are deemed made as of both the date and the recordation of this Mortgage:

34.1. Capacity. Borrower and the individuals executing Loan Documents on Borrower's behalf have the full power, authority, and legal right to execute and deliver, and to perform and observe the provisions of this Mortgage, the Note, the other Loan Documents, and any other document, agreement, certificate, or instrument executed in connection with the Loan, and to carry out the contemplated transactions.

34.2. Authority and Enforceability. Borrower's execution, delivery, and performance of this Mortgage, the Note, the other Loan Documents, and any other document, agreement, certificate, or instrument executed in connection with the Loan have been duly authorized by all necessary corporate or other business entity action and do not and shall not require any registration with, consent, or approval of, notice to, or any action by any Person or Governmental Authority. Borrower has obtained or will obtain on or before the recordation of this Mortgage all necessary Governmental Authority and other approvals necessary for Borrower to comply with the Loan Documents. This Mortgage, the Note, and the other Loan Documents executed in connection with the Loan, when executed and delivered by Borrower, shall constitute the legal, valid, binding, and joint and several obligations of Borrower enforceable in accordance with their respective terms.

34.3. Compliance With Other Instruments. The execution and delivery of this Mortgage and the other Loan Documents, and compliance with their respective terms, and the issuance of the Note and other Loan Documents as contemplated in this Mortgage, shall not result in a breach of any of the terms or conditions of, or result in the imposition of, any lien, charge, or encumbrance (except as created by this Mortgage and the other Loan Documents) on any properties of Borrower, or constitute a default (with due notice or lapse of time or both) or result in an occurrence of an event for which any holder or holders of indebtedness may declare the same due and payable under, any indenture, agreement, order, judgment, or instrument to which Borrower is a party or by which Borrower or its properties may be bound or affected.

34.4. Compliance With Law. The execution and delivery of this Mortgage, the Note, and the other Loan Documents, or any other document, agreement, certificate, or instrument to which Borrower is bound in connection with the Loan, do not conflict with, result in a breach or default under, or create any lien or charge under any provision of any Governmental Requirements to which it is subject and shall not violate any of the Governmental Requirements.

34.5. Material Adverse Events. Since the date of the financial statements delivered to Lender before recordation of this Mortgage, neither the condition (financial or otherwise) nor the business of Borrower and the Mortgaged Property have been materially adversely affected in any way.

34.6. Litigation. There are no actions, suits, investigations, or proceedings pending or, to Borrower's knowledge after due inquiry and investigation, threatened against or affecting Borrower at law or in equity, before or by any Person or Governmental Authority, that, if adversely determined, would have a material adverse effect on the business, properties, or condition (financial or otherwise) of Borrower or on the validity or enforceability of this Mortgage, any of the other Loan Documents, or the ability of Borrower to perform under any of the Loan Documents.

34.7. No Untrue Statements. All statements, representations, and warranties made by Borrower in this Mortgage or any other Loan Document and any other agreement, document, certificate, or instrument previously furnished or to be furnished by Borrower to Lender under the Loan Documents (a) are and shall be true, correct, and complete in all material respects at the time they were made and on and as of the recordation of this Mortgage, (b) do not and shall not contain any untrue statement of a material fact, and (c) do not and shall not omit to state a material fact necessary to make the information in them neither misleading nor incomplete. Borrower understands that all such statements, representations, and warranties shall be deemed to have been relied on by Lender as a material inducement to make the Loan.

34.8. Policies of Insurance. Each copy of the insurance policies relating to the Mortgaged Property delivered to Lender by Borrower (a) is a true, correct, and complete copy of the respective original policy in effect on the date of this Mortgage, and no amendments or modifications of said documents or instruments not included in such copies have been made, except as stated in this paragraph 34.8 and (b) has not been terminated and is in full force and effect. Borrower is not in default in the observance or performance of its material obligations under said documents or instruments and Borrower has done all things required to be done as of the date of this Mortgage to keep unimpaired its rights thereunder.

34.9. Financial Statements. All financial statements furnished to Lender are true and correct in all material respects, are prepared in accordance with generally accepted accounting principles, and do not omit any material fact the omission of which makes such statement or statements misleading. There are no facts that have not been disclosed to Lender by Borrower in writing that materially or adversely affect or could potentially in the future affect the Mortgaged Property or the business prospects, profits, or condition (financial or otherwise) of Borrower or any guarantor or Borrower's abilities to perform the Obligations and pay the Indebtedness.

34.10. Water Rights. (a) Borrower is the sole owner of record of the Water Rights; (b) the Water Rights are appurtenant to the Mortgaged Property and are free and clear of all liens and encumbrances except as set forth in the title report described in paragraph 1.22; (c) the Water Rights are sufficient to satisfy all water requirements of the development of the Mortgaged Property, as presently contemplated; (d) the Water Rights include all water rights appurtenant to the Mortgaged Property; (e) Borrower has received a water service commitment from the applicable local water district, guaranteeing water service for the Mortgaged Property in an amount necessary to satisfy the requirements for such property in its currently contemplated final state of development; and (f) on recordation of this Mortgage with the county recorder, Lender shall have a valid, first priority, perfected security interest in the Water Rights.

34.11. Taxes. Borrower has filed or caused to be filed all tax returns that are required to be filed by Borrower under the Governmental Requirements of each Governmental Authority with taxing power over Borrower, and Borrower has paid, or made provision for the payment of, all taxes, assessments, fees, and other governmental charges that have or may have become due under said returns, or otherwise, or under any assessment received by Borrower except that such taxes, if any, as are being contested in good faith and as to which adequate reserves (determined in accordance with generally accepted accounting principles) have been provided.

34.12. Leases. If the Mortgaged Property includes a leasehold estate, Borrower has not and shall not surrender, terminate, cancel, waive, accept waiver, change, supplement, grant subleases of, alter, surrender, or amend, and shall comply with all terms, covenants, and conditions in the Leasehold.

34.13. Further Acts. Borrower shall, at its sole cost and expense, and without expense to Lender, do, execute, acknowledge, and deliver all and every such further acts, deeds, conveyances, deeds of trust, mortgages, assignments, notices of assignments, transfers, and assurances as Lender shall from time to time require, for the purpose of better assuring, conveying, assigning, transferring, pledging, mortgaging, warranting, and confirming to Lender the Mortgaged Property and rights, and as to Lender the security interest as to the Personalty, conveyed or assigned by this Mortgage or intended now or later so to be, or for carrying out the intention or facilitating the performance of the terms of this Mortgage, or for filing, registering, or recording this Mortgage and, on demand, shall execute and deliver, and authorizes Lender to execute in the name of Borrower, to the extent it may lawfully do so, one or more financing statements, chattel mortgages, or comparable Mortgages, to evidence more effectively the lien of this Mortgage on the Mortgaged Property.

34.14. Filing Fees. Borrower shall pay all filing, registration, or recording fees, all Governmental Authority stamp taxes and other fees, taxes, duties, imposts, assessments, and all other charges incident to, arising from, or in connection with the preparation, execution, delivery, and enforcement of the Note, this Mortgage, the other Loan Documents, any supplemental deed of trust or mortgage, or any instrument of further assurance.

34.15. Entity Compliance. As long as it is the owner of the Mortgaged Property, Borrower, if a corporation, limited liability company, or partnership, shall do all things necessary to preserve and keep in full force and effect its existence, franchises, rights, and privileges as such entity under the laws of the state of its incorporation or formation and shall comply with all Governmental Requirements of any Governmental Authority applicable to Borrower or to the Mortgaged Property or any part of it.

35. Governing Law; Consent to Jurisdiction and Venue. The validity of this Mortgage and its construction, interpretation, and enforcement and the parties' rights under such documents and concerning the Mortgaged Property, shall be decided under and governed by, and construed in accordance with the laws of the State of Illinois. The Parties agree that all actions or proceedings arising in connection with this Mortgage shall be tried and litigated only in the state courts located in the county in which the property is located, or the applicable federal district court that covers said county. Borrower waives any right Borrower may have to assert the doctrine of forum non conveniens or to object to such venue.

Notwithstanding the foregoing, the Promissory Note and all other documents related to the transaction are, by agreement of the Parties, subject to the laws of the State of California. The Parties agree that jurisdiction and venue for any dispute, claim or controversy arising out of or relating to the Promissory Note and loan documents (other than with respect to the enforcement or foreclosure of this Mortgage) shall be Los Angeles County, California, and Borrower submits to personal jurisdiction in that forum for any and all purposes. Borrower waives any right Borrower may have to assert the doctrine of forum non conveniens or to object to such venue.

36. Taxation of Mortgage. In the event of the enactment of any law deducting from the value of the Mortgaged Property any mortgage lien on it, or imposing on Lender the payment of all or part of the taxes, charges, or assessments previously paid by Borrower under this Mortgage, or changing the law relating to the taxation of mortgages, debts secured by mortgages, or Lender's interest in the Mortgaged Property so as to impose new incidents of tax on Lender, then Borrower shall pay such taxes or assessments or shall reimburse Lender for them; provided, however, that if in the opinion of Lender's counsel such payment cannot lawfully be made by Borrower, then Lender may, at Lender's option, declare all sums secured by this Mortgage to be immediately due and payable without notice to Borrower. Lender may invoke any remedies permitted by this Mortgage.

37. Mechanics' Liens. Borrower shall pay from time to time when due, all lawful claims and demands of mechanics, materialmen, laborers, and others that, if unpaid, might result in, or permit the creation of, a lien on the Mortgaged Property or any part of it, or on the Rents arising therefrom, and in general shall do or cause to be done everything necessary so that the lien and security interest of this Mortgage shall be fully preserved, at Borrower's expense, without expense to Lender; provided, however, that if Governmental Requirements empower Borrower to discharge of record any mechanics', laborer's, materialman's, or other

lien against the Mortgaged Property by the posting of a bond or other security, Borrower shall not have to make such payment if Borrower posts such bond or other security on the earlier of (a) 10 days after the filing or recording of same or (b) within the time prescribed by law, so as not to place the Mortgaged Property in jeopardy of a lien or forfeiture.

38. **Brokerage.** Borrower represents and warrants to Lender that Borrower has not dealt with any Person, other than parties identified in the final settlement statement approved by Lender and Borrower, who is or may be entitled to any finder's fee, brokerage commission, loan commission, or other sum in connection with the execution of this Mortgage, the consummation of the transactions contemplated by this Mortgage, or the making of the Loan secured by this Mortgage by Lender to Borrower, and Borrower indemnifies and agrees to hold Lender harmless from and against any and all loss, liability, or expense, including court costs and Attorney Fees, that Lender may suffer or sustain if such warranty or representation proves inaccurate in whole or in part.

39. **Liability for Acts or Omissions.** Lender shall not be liable or responsible for its acts or omissions under this Mortgage, except for Lender's own gross negligence or willful misconduct, or be liable or responsible for any acts or omissions of any agent, attorney, or employee of Lender, if selected with reasonable care.

40. **Notices.** Except for any notice required by Governmental Requirements to be given in another manner, (a) all notices required or permitted by the Loan Documents shall be in writing; (b) each notice shall be sent (i) for personal delivery by a delivery service that provides a record of the date of delivery, the individual to whom delivery was made, and the address where delivery was made; (ii) by certified United States mail, postage prepaid, return receipt requested; or (iii) by nationally recognized overnight delivery service, marked for next-business-day delivery; and (c) all notices shall be addressed to the appropriate party at its address as follows or such other addresses as may be designated by notice given in compliance with this provision:

Lender:	See Exhibit "A" At the address provided above
Borrower:	5450 S. Indiana LLC At the address provided above

Notices will be deemed effective on the earliest of (a) actual receipt; (b) rejection of delivery; or (c) if sent by certified mail, the third day on which regular United States mail delivery service is provided after the day of mailing or, if sent by overnight delivery service, on the next day on which such service makes next-business-day deliveries after the day of sending.

To the extent permitted by Governmental Requirements, if there is more than one Borrower, notice to any Borrower shall constitute notice to all Borrowers. For notice purposes, Borrower agrees to keep Lender informed at all times of Borrower's current address(es).

41. **Statement of Obligations.** Except as otherwise provided by Governmental Requirements, at Lender's request, Borrower shall promptly pay to Lender such fee as may then be provided by law as the maximum charge for each statement of obligations, Lender's statement, Lender's demand, payoff statement, or other statement on the condition of, or balance owed, under the Note or secured by this Mortgage.

42. **Application of Payments.** Except as otherwise expressly provided by Governmental Requirements or any other provision of this Mortgage, all payments received by Lender from Borrower under the Loan Documents shall be applied by Lender in the following order: (a) costs, fees, charges, and advances paid or incurred by Lender or payable to Lender and interest under any provision of this Note or the Mortgage, in such order as Lender, in its sole and absolute discretion, elects, (b) interest payable under the Note, and (c) principal under the Note.

43. Remedies Are Cumulative. Each remedy in this Mortgage is separate and distinct and is cumulative to all other rights and remedies provided by this Mortgage or by Governmental Requirements, and each may be exercised concurrently, independently, or successively, in any order whatsoever.

44. Obligations of Borrower Joint and Several. If more than one Person is named as Borrower, each obligation of Borrower under this Mortgage shall be the joint and several obligations of each such Person.

45. Severability. If any provision of the Loan Documents, or the application of them to the circumstances, is held void, invalid, or unenforceable by a court of competent jurisdiction, the Loan Documents, and the applications of such provision to other parties or circumstances, shall not be affected thereby, the provisions of the Loan Documents being severable in any such instance.

46. Delegation of Authority. Whenever this Mortgage provides that Borrower authorizes and appoints Lender as Borrower's attorney-in-fact to perform any act for or on behalf of Borrower or in the name, place, and stead of Borrower, Borrower expressly understands and agrees that this authority shall be deemed a power coupled with an interest and such power shall be irrevocable.

47. General Provisions.

47.1. Successors and Assigns. Subject to paragraphs 19 and 20 of this Mortgage, this Mortgage applies to, inures to the benefit of, and binds, the respective heirs, legatees, devisees, administrators, executors, successors, and assigns of each party to this Mortgage.

47.2. Meaning of Certain Terms. As used in this Mortgage and unless the context otherwise provides, the words "herein," "hereunder" and "hereof" mean and include this Mortgage as a whole, rather than any particular provision of it.

47.3. Authorized Agents. In exercising any right or remedy, or taking any action provided in this Mortgage, Lender may act through its employees, agents, or independent contractors, as Lender expressly authorizes.

47.4. Gender and Number. Wherever the context so requires in this Mortgage, the masculine gender includes the feminine and neuter, the singular number includes the plural, and vice versa.

47.5. Captions. Captions and paragraph headings used in this Mortgage are for convenience of reference only, are not a part of this Mortgage, and shall not be used in construing it.

47.6. Time Is of the Essence. As a material inducement and consideration to the parties entering into this Mortgage, and but for this provision the parties would not enter into this Mortgage, the parties agree that the performance in a timely manner of each deadline set forth in this Mortgage before its expiration is of crucial importance to the parties. Failure by a party to timely perform an obligation before the deadline set forth in this Mortgage (no matter for what reason, nor how soon thereafter it may have been performed, nor the lack of prejudice to the other party as the result of such nonperformance) shall result in a default by the nonperforming party or the failure of a condition, as appropriate. The parties expressly waive any equitable relief with respect to a missed deadline.

48. Leasehold Provisions.

48.1. Leasehold Estate. If the security for this Mortgage is a leasehold estate demised by a lease (the "Leasehold"), this Mortgage shall be a lien on all present and future right, title, estate, and interest of Borrower in the Mortgaged Property and Improvements covered by the Leasehold and on all Mortgaged Property interests acquired by Borrower as a result of the exercise of any option in the Leasehold or as amended, in the same manner and to the same extent as if the Mortgaged Property encompassed in the Leasehold and option agreements had been held in fee by Borrower at the time of the execution of this Mortgage, and Borrower agrees not to amend, change, or modify its leasehold interest, or any of its terms, or to exercise any option to purchase, or agree to do so, without having obtained Lender's prior written consent. In a violation of this provision, Lender may, at its option, declare all sums secured by this Mortgage immediately due and payable. Consent to any amendment, change, or modification, or a waiver of the right to require such consent in one instance, shall not be a waiver of the right to require such consent at a subsequent time. The term "Mortgaged Property" as used in this Mortgage means such leasehold estate or any other present or future interest of Borrower in the Mortgaged Property whenever the context requires.

48.2. Compliance With Leasehold. In the event that the security for this Mortgage is a leasehold estate, Borrower covenants and agrees as follows: (a) to promptly and faithfully observe, perform, and comply with all Leasehold terms, covenants, and provisions on its part to be observed, performed, and complied with, at the times set forth in the Leasehold; (b) not to do, permit, suffer, or refrain from doing anything, as a result of which, there would be a default under or breach of any of the terms of the Leasehold; (c) not to cancel, surrender, modify, amend, or in any way alter or permit the alteration of any of the terms of the Leasehold; (d) to give Lender immediate notice of any default by anyone under the Leasehold and to promptly deliver to Lender copies of each notice of default and all other notices, communications, plans, specifications, and other similar instruments received or delivered by Borrower in this connection; (e) to furnish to Lender such information and evidence as Lender may reasonably require for Borrower's due observance, performance, and compliance with the Leasehold terms, covenants, and provisions; (f) that any default of the tenant under the Leasehold shall constitute an Event of Default under this Mortgage; and (g) to give immediate written notice to Lender of the commencement of any remedial proceedings under the Leasehold by any party to it and, if required by Lender, to permit Lender as Borrower's attorney-in-fact to control and act for Borrower in any such remedial proceedings. Borrower expressly transfers and assigns to Lender the benefit of all covenants in the Leasehold, whether or not such covenants run with the land, but Lender shall have no liability with respect to such covenants or any other covenants in the Leasehold.

48.3. Borrower's Warranties and Representations. With respect to the Leasehold, Borrower warrants and represents as follows: (a) the Leasehold is in full force and effect, unmodified by any writing or otherwise, except as specifically set forth in Exhibit B; (b) all rent, additional rent, and other charges reserved in the Leasehold have been paid to the extent they are payable to the date of this Mortgage; (c) Borrower enjoys the quiet and peaceful possession of the Mortgaged Property demised by the Leasehold; (d) Borrower is not in default under any Leasehold term and, to the best of its knowledge, there are no circumstances that, with the passage of time or the giving of notice or both, would constitute an Event of Default under the Leasehold; (e) to the best of Borrower's knowledge, the landlord under the Leasehold is not in default under any Leasehold term or provision the landlord is required to observe or perform.

48.4. Assignments to Lender. If Borrower files any petition or action for relief under any bankruptcy, reorganization, insolvency, moratorium law, or any other law or laws for the relief of or relating to debtors, on demand by Lender, Borrower covenants to transfer and assign to Lender its leasehold estate and the Leasehold in lieu of rejection of the Leasehold by Borrower and covenants to assign to Lender its right to accept or reject the Leasehold and to apply for any extension of time within which to accept or reject the Leasehold. These assignments to Lender shall be automatic on Lender's demand. If Lender demands the assignment of the Leasehold under this Mortgage, Lender covenants to cure any defaults outstanding under the Leasehold after the Leasehold is assigned to Lender.

48.5. Default Under Leasehold. If Borrower defaults in performing any of its obligations under the Leasehold, including, without limitation, any default in the payment of rent and other charges and impositions made payable by the tenant under the Leasehold, then, in each and every case, Lender may, at its option and without notice, cause the default or defaults to be remedied and otherwise exercise any and all of the rights of Borrower under the Leasehold in the name of and on behalf of Borrower. Borrower shall, on demand, reimburse Lender for all advances made and expenses incurred by Lender in curing any such default (including, without limitation, reasonable Attorney Fees), together with interest computed at the rate provided for in the Note from the date that an advance is made or expense is incurred, to and including the date the same is paid. Lender shall have no duty to prevent the termination of the leasehold estate by the landlord. If the landlord terminates the leasehold estate, Lender shall have the right, at its option, to declare all sums secured by this Mortgage immediately due and payable and immediately bring an action on the Note, provided there is no other real property security for the Note.

48.6. Options. Borrower shall give Lender notice of its intention to exercise each and every option to extend the term of the Leasehold at least 20 days but not more than 60 days before expiration of the time to exercise such option under the Leasehold. If Borrower intends to extend the term of the Leasehold, it shall deliver to Lender, with the notice of such decision, a copy of the notice of extension

delivered to the landlord under the Leasehold. If Borrower does not intend to extend the term of the Leasehold, Lender may, at its option, exercise the option to extend in the name and on behalf of Borrower.

48.7. No Merger/Attorney-in-Fact. It is hereby agreed that the fee title, the leasehold estate, and the subleasehold estate in the Mortgaged Property demised by the Leasehold shall not merge but shall be kept separate and distinct, despite the union of these estates in either the landlord under the Leasehold, Borrower, or a third party, whether by purchase or otherwise. If Borrower acquires the fee title or any other estate, title, or interest in the Mortgaged Property demised by the Leasehold or any part of it, the lien of this Mortgage shall attach to, cover, and be a lien on such acquired estate, title, or interest and it shall simultaneously be and become a part of the Mortgaged Property with the same force and effect as if specifically encumbered in this Mortgage. Borrower agrees to execute all instruments and documents that Lender may reasonably require to ratify, confirm, and further evidence Lender's lien on the acquired estate, title, or interest. Furthermore, Borrower appoints Lender as its true and lawful attorney-in-fact to execute and deliver all such instruments and documents in the name and on behalf of Borrower. This power, being coupled with an interest, shall be irrevocable as long as any amounts secured by this Mortgage remain unpaid.

48.8. Interests in Successor Leasehold. If the Leasehold is canceled or terminated, and if Lender or its nominee shall acquire an interest in any new lease of the Mortgaged Property demised by the Leasehold, Borrower shall have no right, title, or interest in or to the new lease or the leasehold estate created by such new lease.

48.9. Estoppel Certificate. Borrower shall use its best efforts to obtain and deliver to Lender, within 20 days after written demand by Lender, an estoppel certificate from the landlord under the Leasehold setting forth (a) the name of the tenant under the Leasehold, (b) that the Leasehold has not been modified or, if it has been modified, the date of each modification (together with copies of each such modification), (c) the basic rent payable under the Leasehold, (d) the date to which the tenant paid all rental charges under the Leasehold, and (e) whether there are any alleged defaults of the tenant under the Leasehold and, if there are, setting forth their nature in reasonable detail.

48.10. Limitations on Lender's Liability Under Leasehold. Despite anything to the contrary in this Mortgage, this Mortgage shall not constitute an assignment of the Leasehold within the meaning of any provision of the Leasehold prohibiting its assignment, and Lender shall have no liability or obligation under the Leasehold because of its acceptance of this Mortgage. Lender shall be liable for the tenant's obligations arising under the Leasehold for only that period of time that Lender is in possession of the Mortgaged Property covered by the Leasehold or has acquired, by foreclosure or otherwise, and is holding all of Borrower's right, title, and interest in the Mortgaged Property covered by the Leasehold.

49. Contractual Right to Appoint a Receiver Upon Default. Upon an Event of Default under this Mortgage or a breach of any clause of any agreement signed in connection with the loan to Trustor, Trustor agrees that Lender may appoint a receiver to control the Mortgaged Property within seven (7) days of any default. Trustor agrees to cooperate with the receiver and turn over all control to said receiver and otherwise cooperate with the receiver appointed by Lender.

50. Dispute Resolution: Waiver of Right to Jury Trial

50.1 WAIVER OF RIGHT TO JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, BORROWER AND LENDER AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED ON OR ARISING FROM THIS MORTGAGE. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. BORROWER AND, BY ITS ACCEPTANCE OF THE BENEFITS OF THIS MORTGAGE, LENDER EACH (A) ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT FOR BORROWER AND LENDER TO ENTER INTO A BUSINESS RELATIONSHIP, THAT BORROWER AND LENDER HAVE ALREADY RELIED ON

THIS WAIVER BY ENTERING INTO THIS MORTGAGE OR ACCEPTING ITS BENEFITS, AS THE CASE MAY BE, AND THAT EACH SHALL CONTINUE TO RELY ON THIS WAIVER IN THEIR RELATED FUTURE DEALINGS, AND (B) FURTHER WARRANTS AND REPRESENTS THAT EACH HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS, OR MODIFICATIONS TO THIS MORTGAGE.

BORROWER'S INITIALS: *JL*

50.2 ARBITRATION. TO THE EXTENT A PREDISPUTE WAIVER OF THE RIGHT TO TRIAL BY JURY IS NOT ENFORCEABLE UNDER APPLICABLE LAW, ANY AND ALL DISPUTES, CONTROVERSIES OR CLAIMS ARISING OUT OF OR RELATING TO THIS MORTGAGE AND OTHER LOAN DOCUMENTS OR TRANSACTIONS CONTEMPLATED THEREBY, INCLUDING, WITHOUT LIMITATION, THE MAKING, PERFORMANCE, OR INTERPRETATION OF THIS MORTGAGE OR OTHER LOAN DOCUMENTS, SHALL BE RESOLVED BY BINDING ARBITRATION. UNLESS OTHERWISE AGREED ON, THE ARBITRATION SHALL BE CONDUCTED IN ACCORDANCE WITH THE THEN-CURRENT ARBITRATION PROCEDURES SET FORTH IN THE ILLINOIS RULES OF CIVIL PROCEDURE AND LOCAL SUPPLEMENTARY RULES THEN IN EFFECT. JUDGMENT ON THE ARBITRATION AWARD MAY BE ENTERED IN ANY COURT HAVING JURISDICTION UNLESS OTHERWISE AGREED BY THE PARTIES, THE ARBITRATION SHALL BE HELD BEFORE A SINGLE ARBITRATOR SELECTED AS FOLLOWS: THE DISPUTING PARTIES SHALL, WITHIN TEN (10) BUSINESS DAYS FROM THE DATE ARBITRATION IS REQUESTED BY EITHER PARTY, AGREE UPON AN ARBITRATOR. IF THE PARTIES CANNOT SO AGREE, THEN EACH PARTY, WITHIN FIVE (5) BUSINESS DAYS THEREAFTER, SHALL NAME AN ARBITRATOR WHO SHALL BE AN ATTORNEY LICENSED TO PRACTICE IN ILLINOIS AND EXPERIENCED AND QUALIFIED IN REAL ESTATE MATTERS OF THE TYPE CONTEMPLATED BY THIS MORTGAGE AND OTHER LOAN DOCUMENTS OR A RETIRED ILLINOIS SUPERIOR OR APPELLATE COURT JUDGE. THOSE TWO NAMED ARBITRATORS SHALL THEN, WITHIN FIVE (5) BUSINESS DAYS, SELECT A THIRD ARBITRATOR WHO SHALL BE QUALIFIED AS DEFINED ABOVE, AND SUCH THIRD ARBITRATOR SHALL BE THE SOLE ARBITRATOR TO HEAR AND DETERMINE THE DISPUTE. IF ANY PARTY HERETO FAILS TO NAME AN ARBITRATOR WITHIN THE TIME LIMIT PROVIDED IN THIS PARAGRAPH, THEN THE ARBITRATOR TIMELY NAMED BY THE OTHER PARTY SHALL HEAR AND DECIDE THE DISPUTE. IF THE ARBITRATION IS COMMENCED, THE PARTIES AGREE TO PERMIT DISCOVERY PROCEEDINGS OF THE TYPE PROVIDED BY THE ILLINOIS CODE OF CIVIL PROCEDURE BOTH IN ADVANCE OF, AND DURING RECESSES OF, THE ARBITRATION HEARINGS. ALL FACTS AND OTHER INFORMATION RELATING TO ANY ARBITRATION ARISING UNDER THIS DECLARATION SHALL BE KEPT CONFIDENTIAL TO THE FULLEST EXTENT PERMITTED BY LAW. THE DECISION OR THE ARBITRATOR(S) SHALL FOLLOW THE LAW, SHALL BE RENDERED WITHIN TEN (10) BUSINESS DAYS FOLLOWING THE CONCLUSION OF THE ARBITRATION, AND SHALL BE SET FORTH IN A WRITTEN OPINION STATING THE FINDINGS OF FACT OR THE ARBITRATOR(S) AND LEGAL AUTHORITIES THAT ARE THE BASIS OF THE DECISION. THE VENUE FOR ANY SUCH ARBITRATION SHALL BE THE COUNTY IN WHICH BENEFICIARY'S OFFICE AT THE ADDRESS SET FORTH HEREIN IS SITUATED. THE COSTS OF THE ARBITRATOR(S) SHALL BE SPLIT EQUALLY BY THE PARTIES BUT SHALL BE A RECOVERABLE COST FOR THE PARTY PREVAILING IN THE ARBITRATION.

50.3 PROVISIONAL REMEDIES; FORECLOSURE AND INJUNCTIVE RELIEF.

Nothing in Section 50.2, above, shall be deemed to apply to or limit the right of Lender to: (a) exercise self help remedies, (b) foreclose judicially or nonjudicially against any real or personal property collateral, or to exercise judicial or nonjudicial power of sale rights, (c) obtain from a court provisional or ancillary remedies (including, but not limited to, injunctive relief, a writ of possession, prejudgment attachment, a protective order or the appointment of a receiver) or (d) pursue rights against Borrower or any other party in a third party proceeding in any action brought against Lender (including, but not limited to, actions in bankruptcy court). Lender may exercise the rights set forth in the foregoing clauses (a) through (d), inclusive, before, during, or after the pendency of any proceeding referred to in Section 50.2, above. Neither the exercise of self help remedies nor the institution or maintenance of an action for foreclosure or provisional or ancillary remedies or the opposition to any such provisional remedies shall constitute a waiver of the right of any Borrower, Lender or any other party, including, but not limited to, the claimant in any such action, to require submission the dispute, claim or controversy occasioning resort to such remedies to any proceeding referred to in Section 50.2, above.

51. Illinois Collateral Protection Act Disclosure.

"Unless you provide us with evidence of the insurance coverage required by your agreement with us, we may purchase insurance at your expense to protect our interests in your collateral. This insurance may, but need not, protect your interests. The coverage that we purchase may not pay any claim that you make or any claim that is made against you in connection with the collateral. You may later cancel any insurance purchased by us, but only after providing us with evidence that you have obtained insurance as required by our agreement. If we purchase insurance for the collateral, you will be responsible for the costs of that insurance, including interest and any other charges we may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to your total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance you may be able to obtain on your own."

52. Waiver of Homestead Exemption. Borrower hereby releases and waives all rights and benefits of the homestead exemption laws of the State of Illinois as to all Indebtedness secured by this Mortgage.

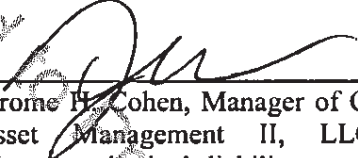

53. Waiver of Right of Redemption. NOTWITHSTANDING ANY OF THE PROVISIONS TO THE CONTRARY CONTAINED IN THIS MORTGAGE, BORROWER HEREBY WAIVES, TO THE EXTENT PERMITTED UNDER 735 ILCS 5/15-1601(b) OR ANY SIMILAR LAW EXISTING AFTER THE DATE OF THIS MORTGAGE, ANY AND ALL RIGHTS OF REDEMPTION ON BORROWER'S BEHALF AND ON BEHALF OF ANY OTHER PERSONS PERMITTED TO REDEEM THE MORTGAGED PROPERTY.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on March 31st, 2017. The mortgagor is 5450 S. Indiana, LLC ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Three Million Fifty Thousand and 00/100 Dollars (U.S. \$3,050,000.00). This debt is evidenced by Borrower's notes dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable October 1st, 2018. This Security Instrument secures to Lender:

- (a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications;
 - (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and
 - (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note.
- For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-10-310-056-0000

which has the address of 5450 S Indiana Ave. Chicago, IL 60615 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on March 31st, 2017. The mortgagor is 5450 S. Indiana, LLC ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Three Million Fifty Thousand and 00/100 Dollars (U.S. \$3,050,000.00). This debt is evidenced by Borrower's notes dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable October 1st, 2018. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-10-310-056-0000

which has the address of 5450 S Indiana Ave. Chicago, IL 60615 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

MORTGAGORS COVENANT that Mortgagor lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Mortgagor warrant and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Mortgagor and Mortgagee covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Mortgagor shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note.

Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Mortgagee as payment under the Note or this Security Instrument is returned to Mortgagee unpaid, Mortgagee may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Mortgagee: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Mortgagee when received at the location and in the manner designated in the Note or at such other location as may be designated by Mortgagee in accordance with the notice provisions in Section 15. Mortgagee may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Mortgagee may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Mortgagee is not obligated to apply such payments at the time such payments are accepted. If Periodic Payments exist, they will be applied as of its scheduled due date, then Mortgagee need not pay interest on unapplied funds. Mortgagee may hold such unapplied funds until Mortgagor makes payment to bring the Loan current. If Mortgagor do not do so within a reasonable period of time, Mortgagee shall either apply such funds or return them to Mortgagor. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Mortgagor might have now or in the future against Mortgagee shall relieve Mortgagor from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Mortgagee shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Mortgagee receives a payment from Mortgagor for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Mortgagee may apply any payment received from Mortgagor to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Mortgagor shall pay to Mortgagee on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Mortgagee under Section 5, if any; and (d) Mortgage Insurance premiums or any sums payable by Mortgagor to Mortgagee in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10, if any. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Mortgagee may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Mortgagor and such dues, fees and assessments shall be an Escrow Item. Mortgagor shall promptly furnish to Mortgagee all notices of amounts to be paid under this Section. Mortgagor shall pay Mortgagee the Funds for Escrow Items unless Mortgagee waives Mortgagor's obligation to pay the Funds for any or all Escrow Items. Mortgagee may waive Mortgagor's obligation to pay to Mortgagee Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Mortgagor shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Mortgagee and, if Mortgagee requires, shall furnish to Mortgagee receipts evidencing such payment within such time period as Mortgagee may require. Mortgagor's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Mortgagor is obligated to pay Escrow Items directly, pursuant to a waiver, and Mortgagor fails to pay the amount due for an Escrow Item, Mortgagee may exercise its rights under Section 9 and pay such amount and Mortgagor shall then be obligated under Section 9 to repay to Mortgagee any such amount. Mortgagee may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Mortgagor shall pay to Mortgagee all Funds, and in such amounts, that are then required under this Section 3.

Mortgagee may, at any time, collect and hold Funds in an amount (a) sufficient to permit Mortgagee to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a Mortgagee can require under RESPA. Mortgagee shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Mortgagee, if Mortgagee is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Mortgagee shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Mortgagee shall not charge Mortgagor for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Mortgagee pays Mortgagor interest on the Funds and Applicable Law permits Mortgagee to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Mortgagee shall not be required to pay Mortgagor any interest or earnings on the Funds. Mortgagor and Mortgagee can agree in writing, however, that interest shall be paid on the Funds. Mortgagee shall give to Mortgagor, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Mortgagee shall account to Mortgagor for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Mortgagee shall notify Mortgagor as required by RESPA, and Mortgagor shall pay to Mortgagee the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Mortgagee shall notify Mortgagor as required by RESPA, and Mortgagor shall pay to Mortgagee the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Mortgagee shall promptly refund to Mortgagor any Funds held by Mortgagee.

4. Charges; Liens. Mortgagor shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Mortgagor shall pay them in the manner provided in Section 3.

Mortgagor shall promptly discharge any lien which has priority over this Security Instrument unless Mortgagor: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Mortgagee, but only so long as Mortgagor is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Mortgagee's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Mortgagee subordinating the lien to this Security Instrument. If Mortgagee determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Mortgagee may give Mortgagor a notice identifying the lien. Within 10 days of the date on which that notice is given, Mortgagor shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Mortgagee may require Mortgagor to pay a one-time charge for a real estate tax verification and/or reporting service used by Mortgagee in connection with this Loan.

5. Property Insurance. Mortgagor shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Mortgagee requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Mortgagee requires. What Mortgagee requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Mortgagor subject to Mortgagee's right to disapprove Mortgagor's choice, which right shall not be exercised unreasonably. Mortgagee may require Mortgagor to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent

charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Mortgagor shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Mortgagor.

If Mortgagor fails to maintain any of the coverages described above, Mortgagee may obtain insurance coverage, at Mortgagee's option and Mortgagor's expense. Mortgagee is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Mortgagee, but might or might not protect Mortgagor, Mortgagor's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Mortgagor acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Mortgagor could have obtained. Any amounts disbursed by Mortgagee under this Section 5 shall become additional debt of Mortgagor secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Mortgagee to Mortgagor requesting payment.

All insurance policies required by Mortgagee and renewals of such policies shall be subject to Mortgagee's right to disapprove such policies, shall include a standard mortgage clause, and shall name Mortgagee as mortgagee and/or as an additional loss payee. Mortgagee shall have the right to hold the policies and renewal certificates. If Mortgagee requires, Mortgagor shall promptly give to Mortgagee all receipts of paid premiums and renewal notices. If Mortgagor obtains any form of insurance coverage, not otherwise required by Mortgagee, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Mortgagee as mortgagee and/or as an additional loss payee.

In the event of loss, Mortgagor shall give prompt notice to the insurance carrier and Mortgagee. Mortgagee may make proof of loss if not made promptly by Mortgagor. Unless Mortgagee and Mortgagor otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Mortgagee, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Mortgagee's security is not lessened. During such repair and restoration period, Mortgagee shall have the right to hold such insurance proceeds until Mortgagee has had an opportunity to inspect such Property to ensure the work has been completed to Mortgagee's satisfaction, provided that such inspection shall be undertaken promptly. Mortgagee may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Mortgagee shall not be required to pay Mortgagor any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Mortgagor shall not be paid out of the insurance proceeds and shall be the sole obligation of Mortgagor. If the restoration or repair is not economically feasible or Mortgagee's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Mortgagor. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Mortgagor abandons the Property, Mortgagee may file, negotiate and settle any available insurance claim and related matters. If Mortgagor does not respond within 30 days to a notice from Mortgagee that the insurance carrier has offered to settle a claim, then Mortgagee may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Mortgagee acquires the Property under Section 22 or otherwise, Mortgagor hereby assigns to Mortgagee (a) Mortgagor's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Mortgagor's rights (other than the right to any refund of unearned premiums paid by Mortgagor) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Mortgagee may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Omitted.

7. Preservation, Maintenance and Protection of the Property; Inspections. Mortgagor shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Mortgagor is residing in the Property, Mortgagor shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Mortgagor shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Mortgagor shall be responsible for repairing or restoring the Property only if Mortgagee has released proceeds for such purposes. Mortgagee may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Mortgagor is not relieved of Mortgagor's obligation for the completion of such repair or restoration.

Mortgagee or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Mortgagee may inspect the interior of the improvements on the Property. Mortgagee shall give Mortgagor notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Deed in Escrow. Upon execution of this Mortgage, Mortgagor shall deliver to Mortgagee an executed Warranty Deed ("Deed") to the Property. Mortgagee, or his assignee as approved by Mortgagor, shall hold the Deed in escrow and shall not record the Deed unless and until Mortgagors are in default under the terms of the Promissory Note. Upon the occurrence of a default by Mortgagor under this Agreement, which default is not cured within Five (5) business days of written notice of default from Mortgagee to Mortgagor, Mortgagee may record at its own option, record the Deed and transfer title to the Property from Mortgagor to Mortgagee. Once Mortgagee records the Deed in accordance with this paragraph, Mortgagor shall have no further obligations to Mortgagee pursuant to this Mortgage and the Promissory Note and Mortgagee shall seek any action against Mortgagor, including the seeking of any deficiency of Mortgagor for paid amounts. The recording of the Deed functions as full

payment and full satisfaction of any and all outstanding amounts due and owing from Mortgagor to Mortgagee.

9. Protection of Mortgagee's Interest in the Property and Rights Under this Security Instrument. If (a) Mortgagor fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Mortgagee's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Mortgagor has abandoned the Property, then Mortgagee may do and pay for whatever is reasonable or appropriate to protect Mortgagee's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Mortgagee's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Mortgagee may take action under this Section 9, Mortgagee does not have to do so and is not under any duty or obligation to do so. It is agreed that Mortgagee incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Mortgagee under this Section 9 shall become additional debt of Mortgagor secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Mortgagee to Mortgagor requesting payment.

If this Security Instrument is on a leasehold, Mortgagor shall comply with all the provisions of the lease. If Mortgagor acquires fee title to the Property, the leasehold and the fee title shall not merge unless Mortgagee agrees to the merger in writing.

10. Mortgage Insurance. *Omitted.*

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Mortgagee.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Mortgagee's security is not lessened. During such repair and restoration period, Mortgagee shall have the right to hold such Miscellaneous Proceeds until Mortgagee has had an opportunity to inspect such Property to ensure the work has been completed to Mortgagee's satisfaction, provided that such inspection shall be undertaken promptly. Mortgagee may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be

paid on such Miscellaneous Proceeds, Mortgagee shall not be required to pay Mortgagor any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Mortgagee's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Mortgagor. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Mortgagor.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Mortgagor and Mortgagee otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Mortgagor.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Mortgagor and Mortgagee otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Mortgagor, or if, after notice by Mortgagee to Mortgagor that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Mortgagor fails to respond to Mortgagee within 30 days after the date the notice is given, Mortgagee is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Mortgagor Miscellaneous Proceeds or the party against whom Mortgagor has a right of action in regard to Miscellaneous Proceeds.

Mortgagor shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Mortgagee's judgment, could result in forfeiture of the Property or other material impairment of Mortgagee's interest in the Property or rights under this Security Instrument. Mortgagor can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Mortgagee's judgment, precludes forfeiture of the Property or other material impairment of Mortgagee's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Mortgagee's interest in the Property are hereby assigned and shall be paid to Mortgagee.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Mortgagor Not Released; Forbearance By Mortgagee Not a Waiver.

Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Mortgagee to Mortgagor or any Successor in Interest of Mortgagor shall not operate to release the liability of Mortgagor or any Successors in Interest of Mortgagor. Mortgagee shall not be required to commence proceedings against any Successor in Interest of Mortgagor or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Mortgagor or any Successors in Interest of Mortgagor. Any forbearance by Mortgagee in exercising any right or remedy including, without limitation, Mortgagee's acceptance of payments from third persons, entities or Successors in Interest of Mortgagor or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound.

Mortgagor covenants and agrees that Mortgagor's obligations and liability shall be joint and several. However, any Mortgagor who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Mortgagee and any other Mortgagor can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Any Successor in Interest of Mortgagor who assumes Mortgagor's obligations under this Security Instrument in writing, and is approved by Mortgagee, shall obtain all of Mortgagor's rights and benefits under this Security Instrument. Mortgagor shall not be released from Mortgagor's obligations and liability under this Security Instrument unless Mortgagee agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Mortgagee.

14. Loan Charges. Mortgagee may charge Mortgagor fees for services performed in connection with Mortgagor's default, for the purpose of protecting Mortgagee's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Mortgagor shall not be construed as a prohibition on the charging of such fee. Mortgagee may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already

collected from Mortgagor which exceeded permitted limits will be refunded to Mortgagor. Mortgagee may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Mortgagor. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Mortgagor's acceptance of any such refund made by direct payment to Mortgagor will constitute a waiver of any right of action Mortgagor might have arising out of such overcharge.

15. Notices. All notices given by Mortgagor or Mortgagee in connection with this Security Instrument must be in writing. Any notice to Mortgagor in connection with this Security Instrument shall be deemed to have been given to Mortgagor when mailed by first class mail or when actually delivered to Mortgagor's notice address if sent by other means. Notice to any one Mortgagor shall constitute notice to all Mortgagor unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Mortgagor has designated a substitute notice address by notice to Mortgagee. Mortgagor shall promptly notify Mortgagee of Mortgagor's change of address. If Mortgagee specifies a procedure for reporting Mortgagor's change of address, then Mortgagor shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Mortgagee shall be given by delivering it or by mailing it by first class mail to Mortgagee's address stated herein unless Mortgagee has designated another address by notice to Mortgagor. Any notice in connection with this Security Instrument shall not be deemed to have been given to Mortgagee until actually received by Mortgagee. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Omitted.

18. Omitted.

19. Mortgagor's Right to Reinstate After Acceleration. If Mortgagor meets certain conditions, Mortgagor shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the expiration of the cure period as defined in the Escrow Agreement and Promissory Note. Those conditions are that Mortgagor: (a) pays Mortgagee all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Mortgagee's interest in the Property and rights under this Security Instrument; and (d) takes such action as Mortgagee may reasonably require to assure that Mortgagee's interest in the Property and rights under this Security Instrument, and Mortgagor's obligation to pay the sums secured by this Security Instrument, shall continue unchanged unless as otherwise provided under Applicable Law. Mortgagee may require that Mortgagor pay such reinstatement sums and expenses in one or more of the following forms, as selected by Mortgagee: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Mortgagor, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Mortgagor. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Mortgagor will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Mortgagor will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Mortgagor nor Mortgagee may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Mortgagor or Mortgagee has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Mortgagor shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Mortgagor shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Mortgagor shall promptly give Mortgagee written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Mortgagor has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Mortgagor learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Mortgagor shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Mortgagee for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Mortgagor and Mortgagee further covenant and agree as follows:

22. Acceleration; Remedies. Mortgagee shall give notice to Mortgagor prior to acceleration following Mortgagor's breach of any covenant or agreement in this Security Instrument. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 5 days from the date the notice is given to Mortgagor, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Mortgagor of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of

Mortgagor to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Mortgagee at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Mortgagee shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

23. Release. Upon payment of all sums secured by this Security Instrument, Mortgagee shall release this Security Instrument. Mortgagor shall pay any recordation costs. Mortgagee may charge Mortgagor a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

24. Waiver of Homestead. In accordance with Illinois law, the Mortgagor hereby releases and waives all rights under and by virtue of the Illinois homestead exemption laws.

25. Placement of Collateral Protection Insurance. Unless Mortgagor provides Mortgagee with evidence of the insurance coverage required by Mortgagor's agreement with Mortgagee, Mortgagee may purchase insurance at Mortgagor's expense to protect Mortgagee's interests in Mortgagor's collateral. This insurance may, but need not, protect Mortgagor's interests. The coverage that Mortgagee purchases may not pay any claim that Mortgagor makes or any claim that is made against Mortgagor in connection with the collateral. Mortgagor may later cancel any insurance purchased by Mortgagee, but only after providing Mortgagee with evidence that Mortgagor has obtained insurance as required by Mortgagor's and Mortgagee's agreement. If Mortgagee purchases insurance for the collateral, Mortgagor will be responsible for the costs of that insurance, including interest and any other charges Mortgagee may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to Mortgagor's total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance Mortgagor may be able to obtain on its own.

26. Liens and Stop Notices. If a claim of lien is recorded which affects the property or improvement or a bonded stop notice is served upon Mortgagee, Mortgagor shall, within twenty (20) calendar days of such recording or service or within five (5) calendar days of Mortgagee's demand, whichever occurs first: (a) pay and discharge the claim of lien or bonded stop notice; (b) effect the release thereof recording or delivering to Mortgagee a surety bond in sufficient form and amount; or (c) provide Mortgagee with other assurances which Mortgagee deems, in its sole discretion.

27. Taxes. Mortgagor shall pay all Taxes (as hereinafter defined) levied, assessed or imposed upon the Property or any part thereof payable during the Term of this Note. As used herein, the term "Taxes" shall mean real estate taxes, assessments, sewer, rates and charges, permit and license fees, transit taxes, taxes based upon the receipt of rent, special service area assessments and any other federal, state or local governmental charge, general, special, ordinary or extraordinary, which may now or hereafter be assessed against the Property or any portion thereof in any year during the term of this Note hereof, and shall also

include any personal property taxes (attributable to the year in which paid) imposed upon the furniture, fixtures, machinery, equipment, apparatus, systems and appurtenances used in connection with the operation of the Property.

Nothing contained herein shall be construed to require Mortgagee to pay any franchise, inheritance, estate, succession or transfer tax of Mortgagor or any income or excess profits tax assessed upon or in respect of all income of Mortgagor or chargeable to or required to be paid by Mortgagor.

28. Assessment and Community Facilities Districts. Without Mortgagee's prior written consent, Mortgagor shall not cause or suffer to become effective or otherwise consent to the formation of any assessment district or community facilities district which includes all or any part of the Property, nor shall Mortgagor cause or otherwise consent to the levying of special taxes or assessments against the Property by any such assessment district or community facilities district. Mortgagor shall immediately give notice to Mortgagee of any notification or advice that Mortgagor may receive from any municipality or other third party of any intent or proposal to include the Property in a community facilities district or to levy any such special taxes or assessments. Mortgagee shall have the right to file a written objection to the inclusion of all or any part of the Property and Improvements in a community facilities district, or to the levy of any such special taxes or assessments, either in its own name or in the name of Mortgagor, and to appear at, and participate in, any hearing with respect to the information of any such district or the levy or such special taxes or assessments.

29. Venue. MORTGAGOR, AND EACH OF THEM, FOR GOOD AND VALUABLE CONSIDERATION, THE RECEIPT AND SUFFICIENCY OF WHICH ARE HEREBY ACKNOWLEDGED, AGREES THAT ALL ACTIONS OR PROCEEDINGS ARISING DIRECTLY, INDIRECTLY OR OTHERWISE IN CONNECTION WITH, OUT OF, RELATED TO OR FROM THIS NOTE SHALL BE LITIGATED, AT MORTGAGEE'S SOLE DISCRETION AND ELECTION, ONLY IN COURTS HAVING A SITUS WITHIN THE COUNTY OF COOK, STATE OF ILLINOIS, MAKER HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURT LOCATED WITHIN SAID COUNTIES AND STATE. MAKER HEREBY WAIVES ANY RIGHT MAKER MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST MAKER BY MORTGAGEE ON THIS NOTE IN ACCORDANCE WITH THIS SECTION.

30. Omitted.

31. Business Loan. Mortgagor represents and agrees that the proceeds of the Note, subject to the mortgage, will be used for the purposes specified in 815 ILCS 205/4 and that the loan evidenced hereby constitutes a "business loan" which comes within the purview of said 815 ILCS 205/4. Mortgagor and Mortgagee agree that no payment of interest or other consideration made or agreed to be made by Mortgagor to Mortgagee pursuant to this Note shall, at any time, be deemed to have been computed at an interest rate in excess of the maximum rate of interest permissible by law, if any. In the event such payments of interest or other consideration provided for in the Note shall result in payment of an effective rate of

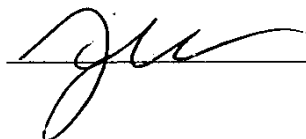

interest which, for any period of time, is in excess of the limit of the usury law or any other law applicable to the loan evidenced hereby, all sums in excess of those lawfully collectible as interest for the period in question shall, without further Note or notice between or by any party or parties hereto, be applied to the Principal balance immediately upon receipt of such monies by Mortgagee with the same force and effect as though Mortgagor had specifically designated, and Mortgagee had agreed to accept, such extra payments as a Principal payment, without premium or penalty. If Principal has been fully paid, any such excess amount shall be refunded to Mortgagor. This provision shall control over every other obligation of Mortgagor and Mortgagee hereunder.

Mortgagor confirms that Mortgagee's Note to make the loan evidenced by this Note at the interest rates and on the other terms set forth herein and in the other Loan Documents constitutes adequate and valuable consideration, given individual weight by Mortgagor, for this Note. Mortgagor understands that Mortgagee has made the Loan in reliance on the Notes and waiver of Mortgagor and that Mortgagee would not have made the loan without such Notes and waiver of Mortgagor.

32. Assignment. Mortgagee shall not assign this Mortgage.

BY SIGNING BELOW, Mortgagor accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Mortgagor and recorded with it.

ARTICLE I.
REPRESENTATIONS, WARRANTIES,
COVENANTS AND AGREEMENTS OF THE GRANTOR

The GRANTOR represents, warrants, covenants and agrees as follows:

Section 1.1. Payment of Obligations. The GRANTOR shall pay punctually all of the OBLIGATIONS, together with interest thereon and any penalty, fee, charge, deposit, escrow or assessment, at the times and in the manner and amounts set forth in the NOTE and any amendment, substitution, extension or renewal thereof, this MORTGAGE, or as set forth in any other agreement or writing between the BENEFICIARIES and the GRANTOR relating or pertaining to any of the OBLIGATIONS.

Section 1.2. Performance. The GRANTOR shall perform fully all duties, obligations, and requirements and comply in all respects with the OBLIGATIONS, including without limitation each of the terms, covenants, conditions, representations and warranties of this MORTGAGE and the NOTE.

Section 1.3 Impositions. The GRANTOR shall pay and discharge, when and as due: (a) all taxes of every kind and nature, including without limitation all real property taxes and all personal property taxes; (b) all general and special assessments and levies; (c) all water, sewer and other utility charges, rents, and assessments; and (d) any and all other public charges, dues, levies, impositions, or assessments of a like or different nature, imposed upon or assessed against the SECURED PROPERTY or the rents, issues, income or profits thereof, and which are or may become liens against the same, as well as any ground rent to which the REAL PROPERTY may be subject (all of the foregoing items described in clauses (a), (b), (c) and (d) are collectively referred to herein as "IMPOSITIONS"). The GRANTOR shall not permit to exist any lien or security interest for any IMPOSITION other than (i) liens for taxes, assessments, levies, fees, rents, ground rents, and public charges not yet delinquent, and (ii) liens and security interests to which the BENEFICIARIES has specifically and in writing consented and

with respect to which the GRANTOR has paid currently all sums secured thereby. The GRANTOR, promptly upon the request of the BENEFICIARIES, shall deliver to the BENEFICIARIES receipts evidencing the payment of all IMPOSITIONS.

Section 1.4 Insurance. The GRANTOR shall maintain the following insurance coverages:

1.4.1 Casualty And Flood Insurance.

(a) Casualty Insurance. The GRANTOR shall obtain and at all times maintain "all-risk" casualty insurance insuring the SECURED PROPERTY against all risks which are customarily insured under "all-risk" insurance, in amounts equal to the greater of (i) the full replacement value of the SECURED PROPERTY, or (ii) an amount sufficient to prevent co-insurance liability. The coverage provided by such policy or policies shall include coverage for any and all loss or damage caused by fire, collapse, vandalism, malicious mischief, water damage, damage from rain, snow, sleet or ice, use of defective materials or methods in construction and such other risks as the BENEFICIARIES may reasonably require.

(b) Flood Insurance. If at any time all or any portion of the IMPROVEMENTS are determined to be located in an area designated as a special flood hazard area or as otherwise having special flood or mudslide hazards ("FLOOD HAZARD AREA") by the Secretary of Housing and Urban Development or the Director of the Federal Emergency Management Agency, pursuant to the National Flood Insurance Act of 1968, as amended by the Flood Disaster Protection Act of 1973, as amended by the National Flood Insurance Reform Act of 1994, 42 U.S.C. Sections 4001-4129, as amended, the GRANTOR shall obtain and thereafter shall maintain flood hazard insurance in the full insurable value of the IMPROVEMENTS and the PERSONALTY located in or on such FLOOD HAZARD AREA, or the full amount of coverage available, if less than the full insurable value of such property. The GRANTOR shall be required to provide flood hazard insurance as described unless the GRANTOR'S insurance broker or a substitute therefor acceptable to the BENEFICIARIES certifies to the BENEFICIARIES in writing that the REAL PROPERTY is not in a FLOOD HAZARD AREA.

(c) General Requirements. No policy of casualty, builder's risk, environmental, or flood insurance, if applicable, shall be subject to an aggregate loss deductible which exceeds any amount designated by the BENEFICIARIES as the permitted deductible with respect thereto. Duplicate originals or certified true copies of all policies of casualty insurance and, if applicable, builder's risk, environmental, and flood insurance, shall be delivered to and retained by the BENEFICIARIES. The BENEFICIARIES shall be named under each such policy as first mortgagee, under a standard mortgage clause, and as sole loss payee. All casualty, builder's risk, environmental, and flood insurance shall be written on forms which are reasonably satisfactory to the BENEFICIARIES, and which bear an endorsement prohibiting cancellation, material modification or termination, unless thirty (30) calendar days prior written notice thereof is provided to the BENEFICIARIES. Promptly after any casualty loss, the GRANTOR shall give the BENEFICIARIES notice of the same and the BENEFICIARIES shall have the right to join the GRANTOR in adjusting any loss resulting from such casualty. The proceeds arising from any casualty loss shall be payable to the GRANTOR, to be applied in accordance with paragraph 1.4.1 (d) below.

(d) Application of Insurance Proceeds. All insurance proceeds paid for each casualty loss to collateral securing any of the OBLIGATIONS shall be paid directly to the BENEFICIARIES to be applied, at the BENEFICIARIES'S option, either (i) to the repayment of the OBLIGATIONS (whether or not otherwise then due), with the balance of any such proceeds, if any, payable to or otherwise for the account of the GRANTOR, or (ii) to the payment of charges or expenses actually incurred by the GRANTOR in the restoration, reconstruction, repair, renovation or replacement

of the damaged or destroyed collateral, pursuant to terms and conditions reasonably acceptable to the BENEFICIARIES in its sole discretion. Provided that no event or circumstance has occurred and is continuing which is, or which with the giving of notice, the passage of time, or both, would be an "EVENT OF DEFAULT" (as hereinafter defined), the GRANTOR shall be permitted to use the insurance proceeds paid for each casualty loss securing the OBLIGATIONS to restore, reconstruct, or repair the loss, provided that the following conditions are satisfied: (A) no EVENT OF DEFAULT subsequently occurs during the course of the restoration, reconstruction, repair, renovation or replacement, (B) the applicable insurer has waived any right of subrogation against the GRANTOR regarding any insurance proceeds paid in connection with the insured casualty loss, (C) the amount of insurance proceeds, together with any separate funds set aside by the GRANTOR, are sufficient to accomplish the required restoration, reconstruction, repair, renovation, or replacement in a manner reasonably satisfactory to the BENEFICIARIES, (D) the GRANTOR submits a construction schedule, budget, and plans and specifications for the restoration or reconstruction which are reasonably satisfactory to the BENEFICIARIES, (E) the restoration, reconstruction, repair, renovation or replacement is diligently pursued in a workmanlike manner reasonably satisfactory to the BENEFICIARIES, and (F) the GRANTOR submits to the BENEFICIARIES an appraisal of the REAL PROPERTY, in form and substance acceptable to the BENEFICIARIES. Any insurance proceeds which are made available for paying the cost of repairing, replacing, restoring or reconstructing any damaged or destroyed collateral, as well as any additional sums to be contributed by the GRANTOR, shall be retained by the BENEFICIARIES, as additional security for the OBLIGATIONS, to be advanced to the GRANTOR over the course of such restoration, reconstruction, repair, renovation or replacement, under conditions and in accordance with procedures reasonably satisfactory to the BENEFICIARIES.

1.4.2 Commercial Liability. The GRANTOR shall obtain and at all times maintain commercial general liability insurance in amounts and upon policy forms satisfactory to the BENEFICIARIES, insuring against liability of the GRANTOR for damages (and actions for damages) as a result of any bodily injury, property damage or personal injury. The commercial liability insurance shall also provide products and completed operations and owner's protective liability coverages. The BENEFICIARIES shall be named as an additional insured under each commercial liability insurance policy, and the amounts of such insurance shall be at least equal to that customarily maintained by persons under similar circumstances and having facilities and providing services similar to those of the GRANTOR (or the GRANTOR'S general contractor, as the case may be), but in any event the amounts of coverage for bodily injury shall not be less than One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000.00) in the aggregate. On the reasonable request of BENEFICIARIES, the GRANTOR shall supply the BENEFICIARIES with certificates summarizing the terms of such liability insurance policy and paid receipts indicating the payment of premiums due thereon.

1.4.3 Other Insurance Coverages. The GRANTOR shall maintain such other insurance coverages as are customarily maintained by persons in similar circumstances having facilities of comparable size and offering comparable services or products as those of the GRANTOR.

1.4.4 Qualification of Insurers. The insurance coverages required by this MORTGAGE shall be issued by insurers qualified to issue insurance in the state where the REAL PROPERTY is located (and, where necessary to provide the required coverages, any other jurisdiction in which property of the GRANTOR may be located or the GRANTOR may conduct operations or provide services). The insurers shall each be otherwise reasonably satisfactory to the BENEFICIARIES.

Section 1.5 Condition and Use of Improvements. The GRANTOR shall not abandon the SECURED PROPERTY at any time, nor commit any waste on the SECURED PROPERTY, nor make any change in the use of the SECURED PROPERTY which will in any way increase any ordinary fire or

other hazard insurance risk arising out of the operation of, or the construction of IMPROVEMENTS on, the SECURED PROPERTY. The GRANTOR shall maintain and keep the SECURED PROPERTY in good operating order and condition at all times and shall promptly make, from time to time, all repairs, renewals, replacements, additions, and improvements in connection therewith which are needed or desirable. The IMPROVEMENTS shall not be removed, demolished or substantially altered, nor shall any PERSONALTY be removed therefrom, without the prior written consent of the BENEFICIARIES, except where appropriate replacements, free of superior title, liens, security interests, or claims, are immediately made of a value at least equal to the value of the PERSONALTY removed. The GRANTOR shall permit the BENEFICIARIES, or their agents or employees, at all reasonable times to enter and inspect the SECURED PROPERTY.

Section 1.6 Title To Real Property; Permitted Liens. The GRANTOR warrants to the BENEFICIARIES that as of the date hereof the GRANTOR has good and marketable title to the SECURED PROPERTY free and clear of any and all liens, charges, restrictions, encumbrances, security interests and adverse claims whatsoever, other than liens, charges, restrictions, encumbrances or security interests which are: (a) set forth as exceptions to any commitment for title insurance or any title insurance policy accepted by the BENEFICIARIES; (b) expressly permitted as a prior lien or encumbrance pursuant to another provision of this MORTGAGE; or (c) otherwise expressly consented to in writing by the BENEFICIARIES (the items described in the foregoing clauses (a), (b) and (c) are collectively referred to herein as "PERMITTED LIENS"). The GRANTOR covenants and agrees that, at all times until the full payment, performance and satisfaction of the OBLIGATIONS, the GRANTOR shall (i) maintain good and marketable title to the SECURED PROPERTY free and clear of any and all liens, charges, restrictions, encumbrances, security interests and adverse claims whatsoever, excepting only PERMITTED LIENS and any subordinate liens on the SECURED PROPERTY which are consented to in writing by the BENEFICIARIES from time to time such consent not to be unreasonably withheld, (ii) take all steps and do all things reasonably necessary to establish, protect, preserve, and maintain the priorities and status of the liens and security interests in the SECURED PROPERTY established or intended to be established by this MORTGAGE; and (iii) forever warrant and defend the GRANTOR'S title to the SECURED PROPERTY and the validity and priorities of the liens and security interests of the MORTGAGE against the claims of any and all other persons. The GRANTOR agrees that the GRANTOR will execute such other and further assurances as may be reasonably required by the BENEFICIARIES.

Section 1.7 Transfer or Encumbrance. Title to all or any portion of the SECURED PROPERTY shall not be acquired by any person or entity other than the GRANTOR, by voluntary or involuntary conveyance, transfer, grant or assignment, by operation of law, or in any other manner, or, except for PERMITTED LIENS, become encumbered or charged with a lien or security interest of any kind or variety, whether voluntary or involuntary, including any mechanic's or materialman's lien or judgment lien, without the prior written consent of the BENEFICIARIES. The transfer or pledge of any ownership, equity, or voting interests in the GRANTOR, or the creation or issuance of additional ownership, equity, or voting interests which have the effect of diluting the then existing ownership, equity, or voting interests in the GRANTOR, shall constitute a prohibited transfer hereunder. The contrary notwithstanding, if the ownership of the SECURED PROPERTY becomes vested in any person or entity other than the GRANTOR, the or the BENEFICIARIES may, without notice to or consent from the GRANTOR, deal with such successor or successors in interest with reference to this MORTGAGE and the OBLIGATIONS in the same manner as with the GRANTOR, and any extension of the time of payment or performance of any of the OBLIGATIONS or any other modifications of the terms of the OBLIGATIONS thereafter shall not relieve the GRANTOR of the GRANTOR'S duties and liabilities to pay and perform the OBLIGATIONS when and as required by the terms of the NOTE and this MORTGAGE.

Section 1.8 Condemnation. The GRANTOR shall promptly notify the BENEFICIARIES of: (a) the institution of any proceedings for the condemnation of the SECURED PROPERTY or any portion thereof; or (b) any offer by any governmental authority, public utility or other PERSON having the power to exercise any right or power of condemnation, to purchase the SECURED PROPERTY or any portion thereof in lieu of the institution of condemnation proceedings. The GRANTOR shall promptly provide to the BENEFICIARIES copies of all pleadings and papers filed in any condemnation or other proceedings involving the SECURED PROPERTY. The BENEFICIARIES may participate in any such proceedings and the GRANTOR from time to time shall deliver to the BENEFICIARIES all instruments requested by them to permit such participation. All condemnation awards and other compensation are hereby assigned by the GRANTOR to the BENEFICIARIES, and upon receipt shall be paid to the BENEFICIARIES for application to the OBLIGATIONS. The BENEFICIARIES shall be under no obligation to question or contest the amount of any proposed condemnation award or compensation. The BENEFICIARIES shall have the right to have their interests represented in any condemnation proceedings by counsel selected by them at the sole expense of the GRANTOR.

Section 1.9 Zoning, Etc.; Restrictive Covenants. The GRANTOR shall comply in all material respects in the use and ownership of the SECURED PROPERTY with all applicable laws, rules and regulations of any federal, state, and local governmental authorities having jurisdiction over the SECURED PROPERTY, including but not limited to all zoning, subdivision, land use, and development laws, rules and regulations. The GRANTOR shall further comply in all material respects with all restrictions, covenants, easements, set-backs and other limitations on the use of the SECURED PROPERTY contained in documents of public record.

Section 1.10 Security Agreement. This MORTGAGE is intended to constitute a security agreement from the GRANTOR to the BENEFICIARIES in accordance with the District of Columbia UNIFORM COMMERCIAL CODE. The GRANTOR agrees to execute and deliver to the BENEFICIARIES for filing with the appropriate filing offices such financing and continuation statements as may be reasonably required by the BENEFICIARIES to perfect or continue as perfected the security interests created by this MORTGAGE.

Section 1.11 Environmental Requirements. The GRANTOR shall operate the SECURED PROPERTY in compliance with all federal, state, or local law, statute, ordinance or regulation, or court or administrative order or decree, or private agreement (collectively, "ENVIRONMENTAL REQUIREMENTS"). The GRANTOR shall defend, indemnify and hold harmless the BENEFICIARIES from all claims, actions, proceedings, losses, liabilities, damages, costs and expenses, including without limitation reasonable attorney's fees, for any failure or alleged failure of the SECURED PROPERTY to comply in all respects with all ENVIRONMENTAL REQUIREMENTS, and against all claims, actions, or proceedings which are based on or allege any failure of the GRANTOR, the BENEFICIARIES or the SECURED PROPERTY to comply in all respects with all applicable ENVIRONMENTAL REQUIREMENTS. The provisions of this Section and the duties of indemnification and to defend owed by the GRANTOR to the BENEFICIARIES shall survive payoff, release, or foreclosure of this MORTGAGE.

ARTICLE 2 EVENTS OF DEFAULT

The occurrence of any of the following events after the expiration of any applicable written notice, grace, and/or cure rights set forth in Section 2.8 hereof shall constitute an event of default ("EVENT OF DEFAULT") under this MORTGAGE and during the continuance thereof, shall entitle the BENEFICIARIES to exercise all rights and remedies provided in Article 3 hereof:

Section 2.1. Failure To Pay Or Perform Obligations. A failure by the GRANTOR to pay or perform any of the OBLIGATIONS set forth in the NOTE and MORTGAGE, when and as due.

The term "INSOLVENCY PROCEEDINGS" means, with respect to any referenced person, any case or proceeding commenced by or against such person, under 11 U.S.C. Section 101, *et seq.*, as amended ("UNITED STATES BANKRUPTCY CODE"), or under any other federal or state bankruptcy or insolvency law, or any assignments for the benefit of creditors, formal or informal moratoriums, receiverships, compositions or extensions with some or all creditors with respect to any indebtedness of such person.

Section 2.3. Voluntary Bankruptcy. The commencement by the GRANTOR of a voluntary INSOLVENCY PROCEEDINGS.

Section 2.4. Notice and Cure Rights. The contrary notwithstanding, no EVENT OF DEFAULT shall be deemed to have occurred until after the expiration of the applicable grace, notice, and/or cure period, if any.

ARTICLE 3 RIGHTS ON EVENT OF DEFAULT

Upon the occurrence and during the continuance of an EVENT OF DEFAULT, the BENEFICIARIES may accelerate and declare immediately due and payable all or any portion of the OBLIGATIONS, and institute foreclosure proceedings as provided below and may, with or without declaring the OBLIGATIONS immediately due and payable, and with or without foreclosing, exercise any other right or remedy provided for herein or in the NOTE, or as otherwise provided by applicable laws.

Section 3.1. Foreclosure. Upon the occurrence of an EVENT OF DEFAULT, the GRANTOR further authorizes and grants to the BENEFICIARIES the right to sell the SECURED PROPERTY by judicial proceeding. Any sale of the SECURED PROPERTY shall be made in accordance with laws of Illinois and shall require the joinder of all BENEFICIARIES as parties to the judicial foreclosure action. The terms of the sale may be cash upon settlement of the sale or upon such other and additional terms except as specifically limited by applicable law or court rule. TERMS AND CONDITIONS

The Seller agrees to sell the Property, and the Buyer agrees to purchase the Property, on the following terms and conditions:

1. **Purchase Price.** The purchase price for the Property shall be \$ 6,110,000.00 (the "Purchase Price"). The Buyer shall pay the Purchase Price as follows:
 - a. An earnest money deposit (the "Earnest Money") in an amount equal to ten percent (10%) of the Purchase Price within three (3) business days following the date of acceptance of the Agreement by the Seller (the "Acceptance Date").
 - b. The balance of the Purchase Price, subject to any applicable credits and prorations, at Closing.

[Note: If the Buyer desires to enter into this Agreement subject to a financing contingency, then Rider A should be completed. Otherwise, Rider A should be left blank.]

[Note: If the Buyer purports to hold a mortgage interest in the Property and tenders this Agreement in connection with a credit bid, then Rider B should be completed. Otherwise, Rider B should be left blank.]

2. **Earnest Money**. The Earnest Money shall be held by First American Title Company ("First American Title") in a segregated escrow account. In connection with said Earnest Money deposit, the Buyer shall execute and deliver to the Seller a copy of that certain strict joint order escrow agreement in the form attached hereto as Exhibit A.

3. **Court Approval**. As soon as practicable after the Acceptance Date, the Seller shall move before the Honorable John Z. Lee or any judge sitting in his stead or to whom he has made a referral in the SEC Action (the "Receivership Court") for approval of the sale of the Property pursuant to this Agreement. In the event that the Receivership Court does not issue the requisite approval, then the Agreement shall become null and void and all Earnest Money shall be promptly refunded to the Buyer.

4. **Escrow Closing**. This sale shall be closed through an escrow with First American Title in accordance with the general provisions of the usual form of deed and money escrow agreement then furnished and in use by said title company. Payment of the Purchase Price and delivery of the receiver's deed shall be made through the escrow. The cost of the escrow shall be divided equally between the Buyer and the Seller unless the Buyer acquires the Property with financing, in which event that portion of the cost of the escrow relating to the financing shall be borne by the Buyer. Unless otherwise specified herein, all other closing costs shall be paid in accordance with custom for apartment investment sales transactions in Cook County, Illinois.

5. **Irrevocable Offer**. This Agreement when executed by the Buyer and delivered to the Seller shall constitute an irrevocable offer to purchase the Property until October 31st, 2019 (the "Offer Expiration Date"). In the event that the offer is not accepted by the Seller before the Offer Expiration Date, then the offer shall be deemed withdrawn.

6. **Personal Property**. At Closing, the Seller shall tender to the Buyer a bill of sale for the personal property appurtenant to the Property (the "Personal Property") warranting only that Seller is the absolute owner of said Personalty, that said Personalty is free and clear of all liens, charges, and encumbrances, and that the Seller has the full right, power, and authority to sell said Personalty and to deliver the bill of sale. The Seller shall neither make nor adopt any warranty whatsoever with respect to the Personal Property and shall specifically disclaim any implied warranty of merchantability or fitness for a particular purpose. The price of the Personal Property shall be included in the Purchase Price, and the Buyer agrees to accept all such Personal Property in "as is" condition.

7. **The Closing Date**. The closing shall be held on a date (the "Closing Date") to be designated by the Seller after the Receivership Court approves the sale of the Property pursuant to this Agreement, provided, however, that the Buyer shall be entitled to five business days' advance Notice of the Closing Date.

8. **Conveyance of Title**. At Closing, the Seller shall convey title to the Property by a recordable form receiver's deed subject only to (a) general real estate taxes not yet due and payable at the time of Closing; (b) covenants, conditions, restrictions, or building lines and

easements of record, if any; (c) public and utility easements; (d) applicable zoning and building laws and ordinances; (f) acts done by or suffered through Buyer or anyone claiming by, through, or under Buyer; (g) governmental actions or proceedings concerning or affecting the Property; and (h) encroachments of a minor nature, if any, that can be insured over at closing (the "Permitted Exceptions"). The Seller agrees to surrender possession of the Property at the time of Closing.

9. **Commitment For Title Insurance.** Within ten (10) business days after the Acceptance Date, the Seller shall deliver to the Buyer evidence of merchantable title by delivering a commitment for title insurance with extended coverage from First American Title in the amount of the Purchase Price with a commitment date not earlier than July 1, 2019, subject only to general exceptions, the Permitted Exceptions, and exceptions pertaining to liens or encumbrances of a definite and ascertainable amount which may be removed by the payment of money by Seller, endorsed over by First American Title at the Seller's sole expense, or which will be extinguished by order of the Receivership Court. Such title commitment shall be conclusive evidence of good and merchantable title, subject only to the foregoing exceptions. If the commitment for title insurance discloses title exceptions other than the general exceptions, Permitted Exceptions, exceptions waivable through the payment of money or the issuance of an endorsement, or exceptions to be extinguished by Receivership Court order, the Seller shall have thirty (30) calendar days from the Closing Date to cure, or insure over, the unpermitted exceptions and the Closing shall be postponed until said unpermitted exceptions are cured or insured over. If the Seller fails to timely secure the removal of the unpermitted exceptions or obtain an endorsement insuring over the unpermitted exceptions, the Purchaser may terminate this Contract with a full refund of Earnest Money upon Notice to the Seller within ten (10) business days after the expiration of the thirty (30) day period. In such event, this Agreement shall become null and void and neither party shall thereafter have any rights against the other, and the Seller may not be held liable for direct, indirect, incidental, or consequential damages.

10. **Survey.** At least five (5) business days prior to the Closing Date, the Seller shall provide the Buyer with a survey by a licensed land surveyor dated not more than six months prior to the date of Closing, indicating the present location of all improvements. If the Buyer or the Buyer's mortgagee desires a more recent or extensive survey, the survey shall be obtained at the Buyer's expense.

11. **Assignment And Assumption Of Leases.** At Closing, the Seller shall deliver to the Buyer, and the Seller and Buyer shall execute, an assignment and assumption of leases (in the form attached hereto as Exhibit B) pursuant to which the Seller shall convey all right, title, and interest in and to any leases in effect at the Property to the Buyer, and the Buyer shall agree to assume all of the Seller's obligations under said leases.

12. **Prorations.** Prepaid service contracts and other similar items shall be credited ratably at Closing. Any and all rents collected from or on behalf of tenants until the date of the Closing shall be applied by the Seller first to past due balances and then to currently scheduled monthly rent. Each tenant's scheduled monthly rent shall then be prorated for the month of Closing. To

the extent that any tenant has paid all rent through and including the month prior to the Closing, then all additional rent received from such tenant shall be applied by the Seller first to rent for the period between the first day of the month in which the Closing occurs and the date of the Closing, and the balance of said rent, if any, shall be paid to the Buyer. Any and all rents that remain delinquent as of the Closing Date shall belong to the Buyer upon collection. Notwithstanding the foregoing, real estate taxes associated with the ownership of the Property shall be prorated as of the Closing Date based on 105% of the most recently ascertainable tax bill.

13. **Inspection Period.** The Buyer acknowledges that it was afforded the opportunity to conduct a limited tour of the Property prior to submitting its offer. Within three (3) calendar days following the Acceptance Date, the Seller shall produce the following documents to the Buyer (the "Due Diligence Materials"):

- a. Current Rent Roll. A current rent roll for the Property generated by the management company.
- b. Utility Bills. Copies of all utility bills relating to the Property, to the extent available, for the twelve calendar months preceding the month of the Acceptance Date.
- c. Leases. Copies of all existing leases affecting the Property.
- d. Profit & Loss Statement. A current trailing twelve-month profit and loss statement reflecting all categories of operating income and expenses associated with the Property, as generated by the management company.
- e. Litigation Documents. Copies of documents, including notices of violation, orders, judgments, and other pleadings, pertaining to any known litigation or proceedings currently affecting the Property.

In addition, the Seller shall allow the Buyer reasonable access to the Property for twenty days from and after the Acceptance Date (the "Inspection Period") for the purpose of conducting an inspection of the major structural and mechanical components of the Property. A major structural or mechanical component shall be deemed to be in acceptable operating condition if it substantially performs the function for which it is intended, regardless of age, and does not pose a threat to health or safety. In the event that the Buyer possesses sound evidence that any major structural or mechanical component of the Property does not substantially perform the function for which it is intended, then the Buyer shall have the right to terminate this Agreement upon the delivery of Notice to the Seller on or before the conclusion of the Inspection Period, such notice to be accompanied by the relevant pages of an inspection report prepared by a licensed or certified inspector and identifying the defect justifying the termination. Upon receipt by the Seller of the notice of termination, this Agreement shall be considered null and void and the parties shall be discharged of any and all obligations hereunder (except those obligations which survive termination) and First American Title shall

release the Earnest Money to the Buyer. In the event that the Buyer does not terminate the Agreement on or prior to the conclusion of the Inspection Period, the Property shall be considered accepted by the Buyer and the Earnest Money shall thereafter be non-refundable. In connection with its inspection of the Property, the Buyer shall keep the Property free and clear of liens, shall indemnify and hold Seller harmless from any and all liability, loss, cost, damage, or expense relating to its inspection of the Property, and shall repair any and all damage arising from the inspection. These obligations shall survive termination of the Agreement.

14. **Entry Into Or Renewal Of Contracts & Material Changes.** Following the expiration of the Inspection Period, the Seller shall not without the prior written consent of the Buyer, said consent not to be unreasonably withheld, conditioned, or delayed, enter into or renew any service contract or lease affecting or concerning the Property. In addition, the Seller shall not make any material changes to the Property, perform or engage in any act, or enter into any agreement that materially changes the value of the Property or the rights of the Buyer relating to the Property.

15. **Material Destruction.** Risk of loss to the Property shall be borne by the Seller until title has been conveyed to Buyer. If, prior to Closing, a material portion of the Property shall be destroyed or materially damaged by fire or other casualty, then the Seller shall provide prompt notice of said fire or other casualty to the Buyer and this Agreement shall thereafter, at the option of the Buyer, exercised by Notice to the Seller within five (5) business days after receipt of notice of such material damage, be null and void, and all Earnest Money shall be refunded to the Buyer. Failure of the Buyer to provide timely notice shall constitute a waiver of the right to terminate.

16. **Condition Of Property.** The Buyer understands and agrees that the Property is being sold "as is" and "with all faults" and that neither the Seller nor any agent or attorney of the Seller, makes, or has made, any representation or warranty as to the physical condition or value of the Property or its suitability for the Buyer's intended use. The Seller has no obligation to repair or correct any alleged patent or latent defect at the Property, or to compensate the Buyer for any such defect, and, upon closing, the Buyer waives, releases, acquits, and forever discharges the Seller, and all of the Seller's agents and attorneys, to the maximum extent permitted by law, from any and all claims, actions, causes or action, demands, rights, liabilities, losses, damages, costs, or expenses, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or which may arise in the future on account of or in any way arising from or relating to any alleged patent or latent defect at the Property.

17. **Buyer Default.** The Buyer and Seller agree that it would be difficult to ascertain the actual damages to be suffered by the Seller in the event of a default by the Buyer and that the amount of the Earnest Money deposited by the Buyer hereunder constitutes the parties' reasonable estimate of the Seller's damages in the event of the Buyer's default, and that upon any such default not caused by the Seller, the Seller shall be entitled to retain the Earnest

Money as liquidated damages, which shall constitute the Seller's sole and exclusive remedy in law or at equity in connection with said default.

18. **Seller Default.** In the event that the Seller shall fail to sell, transfer, and assign the Property to Purchaser in violation of the terms of this Agreement and/or fail to perform any other material obligation of Seller hereunder, then the Buyer may give Notice to the Seller specifying the nature of the default. The Seller shall thereafter have five (5) business days from receipt of said Notice, but in no event beyond the Closing Date, within which to cure the alleged default. If the Seller fails to cure the default within the cure period, then the Buyer shall be entitled to the return of all Earnest Money and (a) to declare the Agreement null and void and sue for reasonable out-of-pocket expenses incurred in connection with this Agreement prior to the alleged default or (b) to sue for specific performance, the parties recognizing that the Property is unique and that the Buyer otherwise lacks an adequate remedy at law. In the latter event, the Buyer is advised that Section VIII of the Order Appointing Receiver entered in the SEC Action enjoins the filing or prosecution of all civil proceedings against the Receiver, in his capacity as Receiver, until further order of the court.

19. **Representations and Warranties.** As a material inducement to the Buyer to enter into this Agreement, the Seller hereby makes the following representations and warranties, each of which shall remain true and correct as of the Closing Date:

a. The Seller has the full right, power, and authority to convey the Property to the Buyer as provided in this Agreement and to carry out its obligations hereunder. In addition, the individual executing this Agreement on behalf of the Seller has the legal right, power, and authority to bind the Seller to the terms hereof.

b. The Seller will not take any action affecting title to the Property following the Acceptance Date.

c. To the best of the Seller's knowledge, there are no actions, investigations, suits, or proceedings, pending or threatened, that affect the Property, or the ownership or operation thereof, other than the SEC Action and the following:

City of Chicago v. 4520-26 S. Drexel LLC n/k/a SSDF1 4520 S Drexel LLC, Department of Administrative Hearings, Docket No. 19DS29257L.

City of Chicago v. 4520-26 S. Drexel LLC n/k/a SSDF1 4520 S Drexel LLC, Department of Administrative Hearings, Docket No. 19DS29346L.

d. To the best of the Seller's knowledge, the Property is not in violation, nor has been under investigation for violation, of any federal, state, or local law, ordinance, or regulation regulating environmental conditions in, at, on, under, or about the Property, including but not limited to, soil and groundwater conditions.

20. **Notices.** All notices required or permitted under this Agreement shall be in writing and served by registered or certified United States mail, return receipt requested; nationally recognized overnight mail courier (signature required); or electronic mail (evidenced by competent and authentic proof of transmission). Any notices given to the Seller shall be delivered to the Seller's counsel, at the following physical or e-mail addresses:

“UCC” means the Uniform Commercial Code as promulgated in the applicable jurisdiction.

2. Uniform Commercial Code Security Agreement.

- (a) This Instrument is also a security agreement under the UCC for any of the Mortgaged Property which, under applicable law, may be subjected to a security interest under the UCC, for the purpose of securing Borrower’s obligations under this Instrument and to further secure Borrower’s obligations under the Note, this Instrument and other Loan Documents, whether such Mortgaged Property is owned now or acquired in the future, and all products and cash and non-cash proceeds thereof (collectively, “UCC Collateral”), and by this Instrument, Borrower grants to Lender a security interest under the UCC in the UCC Collateral. To the extent necessary under applicable law, Borrower hereby authorizes Lender to prepare and file financing statements, continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest.
- (b) Unless Borrower gives Notice to Lender within 30 days after the occurrence of any of the following, and executes and delivers to Lender modifications or supplements of this Instrument (and any financing statement which may be filed in connection with this Instrument) as Lender may require, Borrower will not (i) change its name, identity, structure or jurisdiction of organization; (ii) change the location of its place of business (or chief executive office if more than one place of business); or (iii) add to or change any location at which any of the Mortgaged Property is stored, held or located.
- (c) If an Event of Default has occurred and is continuing, Lender will have the remedies of a secured party under the UCC, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Lender’s other remedies.

- (d) This Instrument also constitutes a financing statement with respect to any part of the Mortgaged Property that is or may become a Fixture, if permitted by applicable law.

3. Assignment of Rents; Appointment of Receiver; Lender in Possession.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Rents.
 - (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower.
 - (ii) Promptly upon request by Lender, Borrower agrees to execute and deliver such further assignments as Lender may from time to time require. Borrower and Lender intend this assignment of Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.
 - (iii) For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, Rents will not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on Rents in favor of Lender, which Lien will be effective as of the date of this Instrument.
- (b)
 - (i) Until the occurrence of an Event of Default, Lender hereby grants to Borrower a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender and to apply all Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including Imposition Reserve Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities, Taxes and insurance premiums (to the extent not included in deposits to Reserve Funds), tenant improvements and other capital expenditures.
 - (ii) So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be

retained by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Instrument.

- (iii) After the occurrence of an Event of Default, and during the continuance of such Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender. From and after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower's license to collect Rents will automatically terminate and Lender will without Notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Borrower will pay to Lender upon demand all Rents to which Lender is entitled.
 - (iv) At any time on or after the date of Lender's demand for Rents, Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender. No tenant will be obligated to inquire further as to the occurrence or continuance of an Event of Default. No tenant will be obligated to pay to Borrower any amounts which are actually paid to Lender in response to such a notice. Any such notice by Lender will be delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Borrower will not interfere with and will cooperate with Lender's collection of such Rents.
- (c) If an Event of Default has occurred and is continuing, then Lender will have each of the following rights and may take any of the following actions:
- (i) Lender may, regardless of the adequacy of Lender's security or the solvency of Borrower and even in the absence of waste, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of Repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing the assignment of Rents pursuant to Section 3(a), protecting the Mortgaged Property or the security of this Instrument, or for such other purposes as Lender in its discretion may deem necessary or desirable.

- (ii) Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender's security, without regard to Borrower's solvency and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte* if permitted by applicable law.
- (iii) If Borrower is a housing cooperative corporation or association, Borrower hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including deposits to Reserve Funds, it being acknowledged and agreed that the Indebtedness is an obligation of Borrower and must be paid out of maintenance charges payable by Borrower's tenant shareholders under their proprietary leases or occupancy agreements.
- (iv) Lender or the receiver, as the case may be, will be entitled to receive a reasonable fee for managing the Mortgaged Property.
- (v) Immediately upon appointment of a receiver or immediately upon Lender's entering upon and taking possession and control of the Mortgaged Property, Borrower will surrender possession of the Mortgaged Property to Lender or the receiver, as the case may be, and will deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property and all security deposits and prepaid Rents.
- (vi) If Lender takes possession and control of the Mortgaged Property then Lender may exclude Borrower and its representatives from the Mortgaged Property.

Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 3 will not be construed to make Lender a

mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

- (d) If Lender enters the Mortgaged Property, Lender will be liable to account only to Borrower and only for those Rents actually received. Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property, by reason of any act or omission of Lender under Section 3(c), and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law.
- (e) If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes will become an additional part of the Indebtedness as provided in Section 7.
- (f) Any entering upon and taking of control of the Mortgaged Property by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument will not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

4. Assignment of Leases; Leases Affecting the Mortgaged Property.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower's right, title and interest in, to and under the Leases, including Borrower's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.
 - (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower's right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.
 - (ii) For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases will not be deemed to be a part of the Mortgaged Property.
 - (iii) However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property

Jurisdiction, then the Leases will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on the Leases in favor of Lender, which Lien will be effective as of the date of this Instrument.

- (b) Until Lender gives Notice to Borrower of Lender's exercise of its rights under this Section 4, Borrower will have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this Section or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, and during the continuance of such Event of Default, the permission given to Borrower pursuant to the preceding sentence to exercise all rights, power and authority under Leases will automatically terminate. Borrower will comply with and observe Borrower's obligations under all Leases, including Borrower's obligations pertaining to the maintenance and disposition of tenant security deposits.
- (c) (i) Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this Section 4 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements.
- (ii) The acceptance by Lender of the assignment of the Leases pursuant to Section 4(a) will not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses.
- (iii) Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable in any way for any injury or damage to person or property sustained by any Person in or about the Mortgaged Property.
- (iv) Prior to Lender's actual entry into and taking possession of the Mortgaged Property, Lender will not be obligated for any of the following:
- (A) Lender will not be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease).
- (B) Lender will not be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property.

(C) Lender will not be responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property. The execution of this Instrument by Borrower will constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and will be that of Borrower, prior to such actual entry and taking of possession.

(d) Upon delivery of Notice by Lender to Borrower of Lender's exercise of Lender's rights under this Section 4 at any time after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately will have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.

(e) Borrower will, promptly upon Lender's request, deliver to Lender an executed copy of each residential Lease then in effect.

(f) If Borrower is a cooperative housing corporation or association, notwithstanding anything to the contrary contained in this Instrument, so long as Borrower remains a cooperative housing corporation or association and is not in breach of any covenant of this Instrument, Lender consents to the following:

(i) Borrower may execute leases of apartments for a term in excess of 2 years to a tenant shareholder of Borrower, so long as such leases, including proprietary leases, are and will remain subordinate to the Lien of this Instrument.

(ii) Borrower may surrender or terminate such leases of apartments where the surrendered or terminated lease is immediately replaced or where Borrower makes its best efforts to secure such immediate replacement by a newly-executed lease of the same apartment to a tenant shareholder of Borrower. However, no consent is given by Lender to any execution, surrender, termination or assignment of a lease under terms that would waive or reduce the obligation of the resulting tenant shareholder under such lease to pay cooperative assessments in full when due or the obligation of the former tenant shareholder to pay any unpaid portion of such assessments.

5. **Prepayment Charge.** Borrower will be required to pay a Prepayment charge in connection with certain prepayments of the Indebtedness, including a payment made after Lender's exercise of any right of acceleration of the Indebtedness, as provided in the Note.
6. **Application of Payments.** If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount that is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized will constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower's obligations under this Instrument, the Note and all other Loan Documents will remain unchanged.
7. **Protection of Lender's Security; Instrument Secures Future Advances.**
- (a) If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including all of the following:
- (i) Lender may pay Attorneys' Fees and Costs.
 - (ii) Lender may pay fees and out-of-pocket expenses of accountants, inspectors and consultants.
 - (iii) Lender may enter upon the Mortgaged Property to make Repairs or secure the Mortgaged Property.
 - (iv) Lender may procure the Insurance required by the Loan Agreement.
 - (v) Lender may pay any amounts which Borrower has failed to pay under the Loan Agreement.

- (vi) Lender may perform any of Borrower's obligations under the Loan Agreement.
- (vii) Lender may make advances to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a Prior Lien.

(b) Any amounts disbursed by Lender under this Section 7, or under any other provision of this Instrument that treats such disbursement as being made under this Section 7, will be secured by this Instrument, will be added to, and become part of, the principal component of the Indebtedness, will be immediately due and payable and will bear interest from the date of disbursement until paid at the Default Annual Interest Rate.

(c) Nothing in this Section 7 will require Lender to incur any expense or take any action.

8. **Events of Default.** An Event of Default under the Loan Agreement will constitute an Event of Default under this Instrument.
9. **Remedies Cumulative.** Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument, the Loan Agreement or any other Loan Document or afforded by applicable law or equity, and each will be cumulative and may be exercised concurrently, independently or successively, in any order. Lender's exercise of any particular right or remedy will not in any way prevent Lender from exercising any other right or remedy available to Lender. Lender may exercise any such remedies from time to time and as often as Lender chooses.
10. **Waiver of Statute of Limitations, Offsets and Counterclaims.** Borrower waives the right to assert any statute of limitations as a bar to the enforcement of the Lien of this Instrument or to any action brought to enforce any Loan Document. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations under this Instrument will be a valid defense to, or result in any offset against, any payments that Borrower is obligated to make under any of the Loan Documents.
11. **Waiver of Marshalling.**
- (a) Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender will have the right to determine the order in which any or all of the Mortgaged Property will be

subjected to the remedies provided in this Instrument, the Note, the Loan Agreement or any other Loan Document or under applicable law. Lender will have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies.

(b) Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

12. **Reserved.**

13. **Governing Law; Consent to Jurisdiction and Venue.** This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, will be governed by the laws of the Property Jurisdiction. Borrower agrees that any controversy arising under or in relation to the Note, this Instrument or any other Loan Document may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction will have jurisdiction over all controversies that may arise under or in relation to the Note, any security for the Indebtedness or any other Loan Document. Borrower irrevocably consents to service, jurisdiction and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Section 13 is intended to limit Lender's right to bring any suit, action or proceeding relating to matters under this Instrument in any court of any other jurisdiction.

14. **Notice.** All Notices, demands and other communications under or concerning this Instrument will be governed by the terms set forth in the Loan Agreement.

15. **Successors and Assigns Bound.** This Instrument will bind the respective successors and assigns of Borrower and Lender, and the rights granted by this Instrument will inure to Lender's successors and assigns.

16. **Joint and Several Liability.** If more than one Person signs this Instrument as Borrower, the obligations of such Persons will be joint and several.

17. **Relationship of Parties; No Third Party Beneficiary.**

- (a) The relationship between Lender and Borrower will be solely that of creditor and debtor, respectively, and nothing contained in this Instrument will create any other relationship between Lender and Borrower. Nothing contained in this Instrument will constitute Lender as a joint venturer, partner or agent of Borrower, or render Lender liable for any debts, obligations, acts, omissions, representations or contracts of Borrower.
- (b) No creditor of any party to this Instrument and no other Person will be a third party beneficiary of this Instrument or any other Loan Document. Without limiting the generality of the preceding sentence, (i) any arrangement ("**Servicing Arrangement**") between Lender and any Loan Servicer for loss sharing or interim advancement of funds will constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (ii) Borrower will not be a third party beneficiary of any Servicing Arrangement, and (iii) no payment by the Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

18. Severability; Amendments.

- (a) The invalidity or unenforceability of any provision of this Instrument will not affect the validity or enforceability of any other provision, and all other provisions will remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument.
- (b) This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought.

19. Construction.

- (a) The captions and headings of the Sections of this Instrument are for convenience only and will be disregarded in construing this Instrument. Any reference in this Instrument to a "Section" will, unless otherwise explicitly provided, be construed as referring to a Section of this Instrument.
- (b) Any reference in this Instrument to a statute or regulation will be construed as referring to that statute or regulation as amended from time to time.
- (c) Use of the singular in this Instrument includes the plural and use of the plural includes the singular. The use of one gender includes the other gender, as the context may require.

- (d) As used in this Instrument, the term “including” means “including, but not limited to” and the term “includes” means “includes without limitation.”
- (e) Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument or other document in this Instrument will be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in this Instrument), and (ii) any reference in this Instrument to any Person will be construed to include such Person’s successors and assigns.
- (f) Any reference in this Instrument to “Lender’s requirements,” “as required by Lender,” or similar references will be construed, after Securitization, to mean Lender’s requirements or standards as determined in accordance with Lender’s and Loan Servicer’s obligations under the terms of the Securitization documents.

20. **Subrogation.** If, and to the extent that, the proceeds of the Loan evidenced by the Note, or subsequent advances under Section 7, are used to pay, satisfy or discharge a Prior Lien, such loan proceeds or advances will be deemed to have been advanced by Lender at Borrower’s request, and Lender will automatically, and without further action on its part, be subrogated to the rights, including Lien priority, of the owner or holder of the obligation secured by the Prior Lien, whether or not the Prior Lien is released.

END OF UNIFORM COVENANTS; STATE-SPECIFIC PROVISIONS FOLLOW

- 21-30. **Reserved.**

31. **Acceleration; Remedies.** At any time during the existence of an Event of Default, Lender, at Lender’s option, may declare all of the Indebtedness to be immediately due and payable without further demand, and may foreclose this Instrument by judicial proceeding and may invoke any other remedies permitted by Illinois law or provided in this Instrument, the Loan Agreement or in any other Loan Document. The Indebtedness will include, Lender will be entitled to collect, and any decree which adjudicates the amount secured by this Instrument will include, all costs and expenses incurred in pursuing such remedies, including Attorneys’ Fees and Costs, costs of documentary evidence, abstracts and title reports, any of which may be estimated to reflect the costs and expenses to be incurred after the entry of such a decree.
32. **Release.** Upon payment of the Indebtedness, Lender will release this Instrument. Borrower will pay Lender’s reasonable costs incurred in releasing this Instrument.

33. **Waiver of Homestead and Redemption.** Borrower releases and waives all rights under the homestead and exemption laws of the State of Illinois. Borrower acknowledges that the Mortgaged Property does not include "agricultural real estate" or "residential real estate" as those terms are defined in 735 ILCS 5/15-1201 and 5/15-1219. Pursuant to 735 ILCS 5/15-1601(b), Borrower waives any and all rights of redemption from sale under any order of foreclosure of this Instrument, or other rights of redemption, which may run to Borrower or any other Owner of Redemption, as that term is defined in 735 ILCS 5/15-1212. Borrower waives all rights of reinstatement under 735 ILCS 5/15-1602 to the fullest extent permitted by Illinois law.
34. **Maximum Amount of Indebtedness.** Notwithstanding any provision to the contrary in this Instrument, the Note or any other Loan Document which permits any additional sums to be advanced on or after the date of this Instrument, whether as additional loans or for any payments authorized by this Instrument, the total amount of the principal component of the Indebtedness will not at any time exceed 300% of the original principal amount of the Note set forth on the first page of this Instrument.
35. **Illinois Collateral Protection Act.** Unless Borrower provides Lender with evidence of the insurance coverage required by the Loan Documents, Lender may purchase insurance at Borrower's expense to protect Lender's interest in the Mortgaged Property. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower may make or any claim that is made against Borrower in connection with the Mortgaged Property. Borrower may cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by the Loan Documents. If Lender purchases insurance for the Mortgaged Property, Borrower will be responsible for the costs of that insurance, including interest and any other charges that Lender may impose in connection with the placement of such insurance, until the effective date of the cancellation or expiration of such insurance. Without limitation of any other provision of this Instrument, the cost of such insurance will be added to the cost of the Indebtedness secured hereby. The cost of such insurance may be more than the cost of insurance Borrower may be able to obtain on its own.
36. **Applicability of Illinois Mortgage Foreclosure Law.** To ensure the maximum degree of flexibility of the Loan Documents under the Illinois Mortgage Foreclosure Law, if any provision of this Instrument is inconsistent with any applicable provision of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-101, *et seq.*, as amended from time to time ("Act"), the provisions of the Act will take precedence over the provisions of this Instrument, but the Act will not invalidate or render unenforceable any other provision of this Instrument that can be fairly construed in a manner consistent with the Act. Without in any way limiting any of the Lender's rights, remedies, powers and authorities provided in this Instrument or otherwise, and in addition to all of such rights, remedies, powers and

authorities, Lender will also have all rights, remedies, powers and authorities permitted to the holder of a mortgage under the Act. If any provision of this Instrument will grant to Lender any rights, remedies, powers or authorities upon default of the Borrower which are more limited than what would be vested in Lender under the Act in the absence of such provision, Lender will have such rights, remedies, powers and authorities that would be otherwise vested in it under the Act. Without limitation, all expenses (including Attorneys' Fees and Costs) incurred by Lender to the extent reimbursable under 735 ILCS 5/15-1510, 5/15-1512 or any other provision of the Act, whether incurred before or after any judgment of foreclosure, will be added to the Indebtedness and included in the judgment of foreclosure.

37. **WAIVER OF TRIAL BY JURY.**

- (a) **BORROWER AND LENDER EACH COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY.**
- (b) **BORROWER AND LENDER EACH WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.**

38. **This Instrument Secures Future Advances.** If and to the extent that any portion of the Indebtedness is to be advanced from and after the date of the making of the Loan, Lender agrees to make such advances in accordance with the terms and conditions of the Loan Agreement, which has been executed contemporaneously with this Instrument, and such amounts will be a Lien from the date of recordation of this Instrument as provided in 5/15-1302(b)(1) of the Act.

In connection with said Earnest Money deposit, the Buyer shall execute and deliver to the Seller a copy of that certain strict joint order escrow agreement in the form attached hereto as Exhibit A.

3. **Court Approval.** As soon as practicable after the Acceptance Date, the Seller shall move before the Honorable John Z. Lee or any judge sitting in his stead or to whom he has made a referral in the SEC Action (the "Receivership Court") for approval of the sale of the Property pursuant to this Agreement. In the event that the Receivership Court does not issue the requisite approval, then the Agreement shall become null and void and all Earnest Money shall be promptly refunded to the Buyer.

4. **Escrow Closing.** This sale shall be closed through an escrow with First American Title in accordance with the general provisions of the usual form of deed and money escrow agreement then furnished and in use by said title company. Payment of the Purchase Price and delivery of the receiver's deed shall be made through the escrow. The cost of the escrow shall be divided equally between the Buyer and the Seller unless the Buyer acquires the Property with financing, in which event that portion of the cost of the escrow relating to the financing shall be borne by the Buyer. Unless otherwise specified herein, all other closing costs shall be paid in accordance with custom for apartment investment sales transactions in Cook County, Illinois.

5. **Irrevocable Offer.** This Agreement when executed by the Buyer and delivered to the Seller shall constitute an irrevocable offer to purchase the Property until August 28, 2019 (the "Offer Expiration Date"). In the event that the offer is not accepted by the Seller before the Offer Expiration Date, then the offer shall be deemed withdrawn.

Handwritten notes: "KD" at the top right, "OCT 17th 2019" written below it.

6. **Personal Property.** At Closing, the Seller shall tender to the Buyer a bill of sale for the personal property appurtenant to the Property (the "Personal Property") warranting only that Seller is the absolute owner of said Personalty, that said Personalty is free and clear of all liens, charges, and encumbrances, and that the Seller has the full right, power, and authority to sell said Personalty and to deliver the bill of sale. The Seller shall neither make nor adopt any warranty whatsoever with respect to the Personal Property and shall specifically disclaim any implied warranty of merchantability or fitness for a particular purpose. The price of the Personal Property shall be included in the Purchase Price, and the Buyer agrees to accept all such Personal Property in "as is" condition.

7. **The Closing Date.** The closing shall be held on a date (the "Closing Date") to be designated by the Seller after the Receivership Court approves the sale of the Property pursuant to this Agreement, provided, however, that the Buyer shall be entitled to five business days' advance Notice of the Closing Date.

8. **Conveyance of Title.** At Closing, the Seller shall convey title to the Property by a recordable form receiver's deed subject only to (a) general real estate taxes not yet due and payable at the time of Closing; (b) covenants, conditions, restrictions, or building lines and

easements of record, if any; (c) public and utility easements; (d) applicable zoning and building laws and ordinances; (f) acts done by or suffered through Buyer or anyone claiming by, through, or under Buyer; (g) governmental actions or proceedings concerning or affecting the Property; and (h) encroachments of a minor nature, if any, that can be insured over at closing (the "Permitted Exceptions"). The Seller agrees to surrender possession of the Property at the time of Closing.

9. **Commitment For Title Insurance.** Within ten (10) business days after the Acceptance Date, the Seller shall deliver to the Buyer evidence of merchantable title by delivering a commitment for title insurance with extended coverage from First American Title in the amount of the Purchase Price with a commitment date not earlier than July 1, 2019, subject only to general exceptions, the Permitted Exceptions, and exceptions pertaining to liens or encumbrances of a definite and ascertainable amount which may be removed by the payment of money by Seller, endorsed over by First American Title at the Seller's sole expense, or which will be extinguished by order of the Receivership Court. Such title commitment shall be conclusive evidence of good and merchantable title, subject only to the foregoing exceptions. If the commitment for title insurance discloses title exceptions other than the general exceptions, Permitted Exceptions, exceptions waivable through the payment of money or the issuance of an endorsement, or exceptions to be extinguished by Receivership Court order, the Seller shall have thirty (30) calendar days from the Closing Date to cure, or insure over, the unpermitted exceptions and the Closing shall be postponed until said unpermitted exceptions are cured or insured over. If the Seller fails to timely secure the removal of the unpermitted exceptions or obtain an endorsement insuring over the unpermitted exceptions, the Purchaser may terminate this Contract with a full refund of Earnest Money upon Notice to the Seller within ten (10) business days after the expiration of the thirty (30) day period. In such event, this Agreement shall become null and void and neither party shall thereafter have any rights against the other, and the Seller may not be held liable for direct, indirect, incidental, or consequential damages.

10. **Survey.** At least five (5) business days prior to the Closing Date, the Seller shall provide the Buyer with a survey by a licensed land surveyor dated not more than six months prior to the date of Closing, indicating the present location of all improvements. If the Buyer or the Buyer's mortgagee desires a more recent or extensive survey, the survey shall be obtained at the Buyer's expense.

11. **Assignment And Assumption Of Leases.** At Closing, the Seller shall deliver to the Buyer, and the Seller and Buyer shall execute, an assignment and assumption of leases (in the form attached hereto as Exhibit B) pursuant to which the Seller shall convey all right, title, and interest in and to any leases in effect at the Property to the Buyer, and the Buyer shall agree to assume all of the Seller's obligations under said leases.

12. **Prorations.** Prepaid service contracts and other similar items shall be credited ratably at Closing. Any and all rents collected from or on behalf of tenants until the date of the Closing shall be applied by the Seller first to past due balances and then to currently scheduled monthly rent. Each tenant's scheduled monthly rent shall then be prorated for the month of Closing. To

the extent that any tenant has paid all rent through and including the month prior to the Closing, then all additional rent received from such tenant shall be applied by the Seller first to rent for the period between the first day of the month in which the Closing occurs and the date of the Closing, and the balance of said rent, if any, shall be paid to the Buyer. Any and all rents that remain delinquent as of the Closing Date shall belong to the Buyer upon collection. Notwithstanding the foregoing, real estate taxes associated with the ownership of the Property shall be prorated as of the Closing Date based on 105% of the most recently ascertainable tax bill.

13. Inspection Period. The Buyer acknowledges that it was afforded the opportunity to conduct a limited tour of the Property prior to submitting its offer. Within three (3) calendar days following the Acceptance Date, the Seller shall produce the following documents to the Buyer (the "Due Diligence Materials"):

- a. Current Rent Roll. A current rent roll for the Property generated by the management company.
- b. Utility Bills. Copies of all utility bills relating to the Property, to the extent available, for the twelve calendar months preceding the month of the Acceptance Date.
- c. Leases. Copies of all existing leases affecting the Property.
- d. Profit & Loss Statement. A current trailing twelve-month profit and loss statement reflecting all categories of operating income and expenses associated with the Property, as generated by the management company.
- e. Litigation Documents. Copies of documents, including notices of violation, orders, judgments, and other pleadings, pertaining to any known litigation or proceedings currently affecting the Property.

In addition, the Seller shall allow the Buyer reasonable access to the Property for twenty days from and after the Acceptance Date (the "Inspection Period") for the purpose of conducting an inspection of the major structural and mechanical components of the Property. A major structural or mechanical component shall be deemed to be in acceptable operating condition if it substantially performs the function for which it is intended, regardless of age, and does not pose a threat to health or safety. In the event that the Buyer possesses sound evidence that any major structural or mechanical component of the Property does not substantially perform the function for which it is intended, then the Buyer shall have the right to terminate this Agreement upon the delivery of Notice to the Seller on or before the conclusion of the Inspection Period, such notice to be accompanied by the relevant pages of an inspection report prepared by a licensed or certified inspector and identifying the defect justifying the termination. Upon receipt by the Seller of the notice of termination, this Agreement shall be considered null and void and the parties shall be discharged of any and all obligations hereunder (except those obligations which survive termination) and First American Title shall

release the Earnest Money to the Buyer. In the event that the Buyer does not terminate the Agreement on or prior to the conclusion of the Inspection Period, the Property shall be considered accepted by the Buyer and the Earnest Money shall thereafter be non-refundable. In connection with its inspection of the Property, the Buyer shall keep the Property free and clear of liens, shall indemnify and hold Seller harmless from any and all liability, loss, cost, damage, or expense relating to its inspection of the Property, and shall repair any and all damage arising from the inspection. These obligations shall survive termination of the Agreement.

14. **Entry Into Or Renewal Of Contracts & Material Changes.** Following the expiration of the Inspection Period, the Seller shall not without the prior written consent of the Buyer, said consent not to be unreasonably withheld, conditioned, or delayed, enter into or renew any service contract or lease affecting or concerning the Property. In addition, the Seller shall not make any material changes to the Property, perform or engage in any act, or enter into any agreement that materially changes the value of the Property or the rights of the Buyer relating to the Property.

15. **Material Destruction.** Risk of loss to the Property shall be borne by the Seller until title has been conveyed to Buyer. If, prior to Closing, a material portion of the Property shall be destroyed or materially damaged by fire or other casualty, then the Seller shall provide prompt notice of said fire or other casualty to the Buyer and this Agreement shall thereafter, at the option of the Buyer, exercised by Notice to the Seller within five (5) business days after receipt of notice of such material damage, be null and void, and all Earnest Money shall be refunded to the Buyer. Failure of the Buyer to provide timely notice shall constitute a waiver of the right to terminate.

16. **Condition Of Property.** The Buyer understands and agrees that the Property is being sold "as is" and "with all faults" and that neither the Seller nor any agent or attorney of the Seller, makes, or has made, any representation or warranty as to the physical condition or value of the Property or its suitability for the Buyer's intended use. The Seller has no obligation to repair or correct any alleged patent or latent defect at the Property, or to compensate the Buyer for any such defect, and, upon closing, the Buyer waives, releases, acquits, and forever discharges the Seller, and all of the Seller's agents and attorneys, to the maximum extent permitted by law, from any and all claims, actions, causes or action, demands, rights, liabilities, losses, damages, costs, or expenses, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or which may arise in the future on account of or in any way arising from or relating to any alleged patent or latent defect at the Property.

17. **Buyer Default.** The Buyer and Seller agree that it would be difficult to ascertain the actual damages to be suffered by the Seller in the event of a default by the Buyer and that the amount of the Earnest Money deposited by the Buyer hereunder constitutes the parties' reasonable estimate of the Seller's damages in the event of the Buyer's default, and that upon any such default not caused by the Seller, the Seller shall be entitled to retain the Earnest

Money as liquidated damages, which shall constitute the Seller's sole and exclusive remedy in law or at equity in connection with said default.

18. **Seller Default.** In the event that the Seller shall fail to sell, transfer, and assign the Property to Purchaser in violation of the terms of this Agreement and/or fail to perform any other material obligation of Seller hereunder, then the Buyer may give Notice to the Seller specifying the nature of the default. The Seller shall thereafter have five (5) business days from receipt of said Notice, but in no event beyond the Closing Date, within which to cure the alleged default. If the Seller fails to cure the default within the cure period, then the Buyer shall be entitled to the return of all Earnest Money and (a) to declare the Agreement null and void and sue for reasonable out-of-pocket expenses incurred in connection with this Agreement prior to the alleged default or (b) to sue for specific performance, the parties recognizing that the Property is unique and that the Buyer otherwise lacks an adequate remedy at law. In the latter event, the Buyer is advised that Section VIII of the Order Appointing Receiver entered in the SEC Action enjoins the filing or prosecution of all civil proceedings against the Receiver, in his capacity as Receiver, until further order of the court.

19. **Representations and Warranties.** As a material inducement to the Buyer to enter into this Agreement, the Seller hereby makes the following representations and warranties, each of which shall remain true and correct as of the Closing Date:

- a. The Seller has the full right, power, and authority to convey the Property to the Buyer as provided in this Agreement and to carry out its obligations hereunder. In addition, the individual executing this Agreement on behalf of the Seller has the legal right, power, and authority to bind the Seller to the terms hereof.
- b. The Seller will not take any action affecting title to the Property following the Acceptance Date.
- c. To the best of the Seller's knowledge, there are no actions, investigations, suits, or proceedings, pending or threatened, that affect the Property, or the ownership or operation thereof, other than the SEC Action and the following:

[None.]
- d. To the best of the Seller's knowledge, the Property is not in violation, nor has been under investigation for violation, of any federal, state, or local law, ordinance, or regulation regulating environmental conditions in, at, on, under, or about the Property, including but not limited to, soil and groundwater conditions.

20. **Notices.** All notices required or permitted under this Agreement shall be in writing and served by registered or certified United States mail, return receipt requested; nationally recognized overnight mail courier (signature required); or electronic mail (evidenced by

competent and authentic proof of transmission). Any notices given to the Seller shall be delivered to the Seller's counsel, at the following physical or e-mail addresses:

21. **Like-Kind Exchange**. The Seller agrees to cooperate if the Buyer elects to acquire the Property as part of a like-kind exchange under Section 1031 of the Internal Revenue Code. The Buyer's contemplated exchange shall not impose upon the Seller any additional liability or financial obligation, and the Buyer agrees to hold the Seller harmless from any liability that might arise from such exchange. This Agreement is neither subject to nor contingent upon the Buyer's ability to dispose of its exchange property or to effectuate an exchange. In the event any exchange contemplated by the Buyer should fail to occur, for whatever reason, the sale of the Property shall nonetheless be consummated as provided herein.

22. **Real Estate Agents**. Purchaser represents and warrants that, other than Seller's Agent and Buyer's Agent, if any, no other putative real estate agent or broker was involved in submitting, showing, marketing, or selling the Property to the Buyer, and the Buyer agrees to indemnify and hold Seller, and its successors and assigns, harmless from and against any and all liability, loss, damages, cost, or expense, including reasonable attorneys' fees, arising from or relating to any claim for a commission, fee, or other form of payment or compensation asserted by a putative real estate agent or broker purporting to have procured the Buyer in connection with this Agreement.

23. **Foreign Investor Disclosure.** The Seller and the Buyer agree to execute and deliver any instrument, affidavit, or statement, and to perform any act reasonably necessary to carry out the provisions of the Foreign Investment in Real Property Tax Act and regulations promulgated thereunder. The Seller represents that the Seller is not a foreign person as defined in Section 1445 of the Internal Revenue Code.

24. **Merger.** This Agreement expresses the entire agreement of the parties and supersedes any and all previous agreements or understandings between them with regard to the Property. There are no other understandings, oral or written, which in any way alter or enlarge the terms of this Agreement, and there are no warranties or representations of any nature whatsoever, either express or implied, except as set forth herein. This Agreement may be modified only by a written instrument signed by the party to be charged.

25. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on June 26th, 2015. The mortgagor is Revital, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Five Hundred Ninety-Four Thousand and 00/100 Dollars (U.S. \$594,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable July 1st, 2017. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-25-225-027-0000

which has the address of 2220-26 E 75th St. Chicago, IL 60649 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

(p) Other Rights. Any and all other rights of Borrower in and to the items set forth in Subsections (a) through (o) above.

AND without limiting any of the other provisions of this Security Instrument, to the extent permitted by applicable law, Borrower expressly grants to Lender, as secured party, a security interest in the portion of the Property which is or may be subject to the provisions of the Uniform Commercial Code which are applicable to secured transactions; it being understood and agreed that the Improvements and Fixtures are part and parcel of the Land (the Land, the Improvements and the Fixtures collectively referred to as the "Real Property") appropriated to the use thereof and, whether affixed or annexed to the Real Property or not, shall for the purposes of this Security Instrument be deemed conclusively to be real estate and mortgaged hereby.

Section 1.2 ASSIGNMENT OF RENTS. Borrower hereby absolutely and unconditionally assigns to Lender all of Borrower's right, title and interest in and to all current and future Leases and Rents; it being intended by Borrower that this assignment constitutes a present, absolute assignment and not an assignment for additional security only. Nevertheless, subject to the terms of the Assignment of Leases, the Cash Management Agreement, and Section 7.1(h) of this Security Instrument, Lender grants to Borrower a revocable license to collect, receive, use and enjoy the Rents. Borrower shall hold the Rents, or a portion thereof sufficient to discharge all current sums due on the Debt, for use in the payment of such sums.

Section 1.3 SECURITY AGREEMENT. This Security Instrument is both a real property mortgage and a "security agreement" within the meaning of the Uniform Commercial Code. The Property includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Borrower in the Property. By executing and delivering this Security Instrument, Borrower hereby grants to Lender, as security for the Obligations (hereinafter defined), a security interest in the Fixtures, the Equipment, the Personal Property and other property constituting the Property to the full extent that the Fixtures, the Equipment, the Personal Property and such other property may be subject to the Uniform Commercial Code (said portion of the Property so subject to the Uniform Commercial Code being called the "Collateral"). If an Event of Default shall occur and be continuing, Lender, in addition to any other rights and remedies which it may have, shall have and may exercise immediately and without demand, any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing, the right to take possession of the Collateral or any part thereof, and to take such other measures as Lender may deem necessary for the care, protection and preservation of the Collateral. Upon request or demand of Lender after the occurrence and during the continuance of an Event of Default, Borrower shall, at its expense, assemble the Collateral and make it available to Lender at a convenient place (at the Land if tangible property) reasonably acceptable to Lender. Borrower shall pay to Lender on demand any and all expenses, including reasonable legal expenses and attorneys' fees, incurred or paid by Lender in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral after the occurrence and during the continuance of an Event of Default. Any notice of sale, disposition or other intended action by Lender with respect to the Collateral sent to Borrower in accordance with the provisions hereof at least ten (10) business days prior to such action, shall, except as otherwise provided by applicable law, constitute reasonable notice to Borrower. The proceeds of any disposition of the Collateral, or any part thereof, may, except as otherwise required by applicable law, be applied by Lender to the payment of the Debt in such priority and proportions as Lender in its discretion shall deem proper. The principal place of business of Borrower (Debtor) is as set forth on page one hereof and the address of Lender (Secured Party) is as set forth on page one hereof.

Section 1.4 FIXTURE FILING. Certain of the Property is or will become "fixtures" (as that term is defined in the Uniform Commercial Code) on the Land, described or referred to in this Security Instrument, and this Security Instrument, upon being filed for record in the real estate records of the city or county wherein such fixtures are situated, shall operate also as a financing statement filed as a fixture filing in accordance with the applicable provisions of said Uniform Commercial Code upon such of the Property that is or may become fixtures.

Section 1.5 PLEDGES OF MONIES HELD. Borrower hereby pledges to Lender any and all monies now or hereafter held by Lender or on behalf of Lender in connection with the Loan, including, without limitation, any Reserve Funds, any sums deposited in the Clearing Account or the Cash Management Account and Net Proceeds, as additional security for the Obligations until expended or applied as provided in this Security Instrument.

CONDITIONS TO GRANT

TO HAVE AND TO HOLD the above granted and described Property unto and to the use and benefit of Lender and its successors and assigns, forever;

PROVIDED, HOWEVER, these presents are upon the express condition that, if Borrower shall well and truly pay to Lender the Debt at the time and in the manner provided in the Note, the Loan Agreement and this Security Instrument, shall well and truly perform the Other Obligations as set forth in this Security Instrument and shall well and truly abide by and comply with each and every covenant and condition set forth herein and in the Note, the Loan Agreement and the other Loan Documents, these presents and the estate hereby granted shall cease, terminate and be void; provided, however, that Borrower's obligation to indemnify and hold harmless Lender pursuant to the provisions hereof shall survive any such payment or release.

Section 3.1 PAYMENT OF DEBT. Borrower will pay the Debt at the time and in the manner provided in the Loan Agreement, the Note and this Security Instrument.

Section 3.2 INCORPORATION BY REFERENCE. All the covenants, conditions and agreements contained in (a) the Loan Agreement, (b) the Note and (c) all and any of the other

Loan Documents, are hereby made a part of this Security Instrument to the same extent and with the same force as if fully set forth herein.

Section 3.3 INSURANCE. Borrower shall obtain and maintain, or cause to be maintained, in full force and effect at all times insurance with respect to Borrower and the Property as required pursuant to the Loan Agreement.

Section 3.4 MAINTENANCE OF PROPERTY. Borrower shall cause the Property to be maintained in a good and safe condition and repair. The Improvements, the Fixtures, the Equipment and the Personal Property shall not be removed, demolished or materially altered (except for normal replacement of the Fixtures, the Equipment or the Personal Property, tenant finish and refurbishment of the Improvements) without the consent of Lender. Borrower shall promptly repair, replace or rebuild any part of the Property which may be destroyed by any Casualty or become damaged, worn or dilapidated or which may be affected by any Condemnation, and shall complete and pay for any structure at any time in the process of construction or repair on the Land.

Section 3.5 WASTE. Borrower shall not commit or suffer any waste of the Property or make any change in the use of the Property which will in any way materially increase the risk of fire or other hazard arising out of the operation of the Property, or take any action that might invalidate or allow the cancellation of any Policy, or do or permit to be done thereon anything that may in any way materially impair the value of the Property or the security of this Security Instrument. Borrower will not, without the prior written consent of Lender, permit any drilling or exploration for or extraction, removal, or production of any minerals from the surface or the subsurface of the Land, regardless of the depth thereof or the method of mining or extraction thereof.

Section 3.6 PAYMENT FOR LABOR AND MATERIALS. (a) Borrower will promptly pay when due all bills and costs for labor, materials, and specifically fabricated materials ("Labor and Material Costs") incurred in connection with the Property and never permit to exist beyond the due date thereof in respect of the Property or any part thereof any lien or security interest, even though inferior to the liens and the security interests hereof, and in any event never permit to be created or exist in respect of the Property or any part thereof any other or additional lien or security interest other than the liens or security interests hereof except for the Permitted Encumbrances.

(b) After prior written notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any of the Labor and Material Costs, provided that (i) no Event of Default has occurred and is continuing under the Loan Agreement, the Note, this Security Instrument or any of the other Loan Documents (ii) Borrower is permitted to do so under the provisions of any other mortgage, deed of trust or deed to secure debt affecting the Property, (iii) such proceeding shall suspend the collection of the Labor and Material Costs from Borrower and from the Property or Borrower shall have paid all of the Labor and Material Costs under protest, (iv) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder, (v) neither the Property nor any part thereof

or interest therein will be in danger of being sold, forfeited, terminated, canceled or lost, and (vi) Borrower shall have furnished the security as may be required in the proceeding, or as may be reasonably requested by Lender to insure the payment of any contested Labor and Material Costs, together with all interest and penalties thereon.

Section 3.7 PERFORMANCE OF OTHER AGREEMENTS. Borrower shall observe and perform each and every term, covenant and provision to be observed or performed by Borrower pursuant to the Loan Agreement, any other Loan Document and any other agreement or recorded instrument affecting or pertaining to the Property and any amendments, modifications or changes thereto.

Section 3.8 CHANGE OF NAME, IDENTITY OR STRUCTURE. Borrower shall not change Borrower's name, identity (including its trade name or names) or, if not an individual, Borrower's corporate, partnership or other structure without first (a) notifying Lender of such change in writing at least thirty (30) days prior to the effective date of such change, (b) taking all action required by Lender for the purpose of perfecting or protecting the lien and security interest of Lender and (c) in the case of a change in Borrower's structure, without first obtaining the prior written consent of Lender. Borrower shall promptly notify Lender in writing of any change in its organizational identification number. If Borrower does not now have an organizational identification number and later obtains one, Borrower shall promptly notify Lender in writing of such organizational identification number. Borrower shall execute and deliver to Lender, prior to or contemporaneously with the effective date of any such change, any financing statement or financing statement change required by Lender to establish or maintain the validity, perfection and priority of the security interest granted herein. At the request of Lender, Borrower shall execute a certificate in form satisfactory to Lender listing the trade names under which Borrower intends to operate the Property, and representing and warranting that Borrower does business under no other trade name with respect to the Property.

Article 4 - OBLIGATIONS AND RELIANCES

Section 4.1 RELATIONSHIP OF BORROWER AND LENDER. The relationship between Borrower and Lender is solely that of debtor and creditor, and Lender has no fiduciary or other special relationship with Borrower, and no term or condition of any of the Loan Agreement, the Note, this Security Instrument and the other Loan Documents shall be construed so as to deem the relationship between Borrower and Lender to be other than that of debtor and creditor.

Section 4.2 NO RELIANCE ON LENDER. The general partners, officers, shareholders, members, principals and/or other beneficial owners of Borrower are experienced in the ownership and operation of properties similar to the Property, and Borrower and Lender are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Borrower is not relying on Lender's expertise, business acumen or advice in connection with the Property.

Section 4.3 NO LENDER OBLIGATIONS. (a) Notwithstanding the provisions of Subsections 1.1(h) and (n) or Section 1.2, Lender is not undertaking the performance of (i) any obligations under the Leases; or (ii) any obligations with respect to such agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses and other documents.

(b) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Lender pursuant to this Security Instrument, the Loan Agreement, the Note or the other Loan Documents, including, without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or insurance policy, Lender shall not be deemed to have warranted, consented to, or affirmed the sufficiency, the legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Lender.

Section 4.4 RELIANCE. Borrower recognizes and acknowledges that in accepting the Loan Agreement, the Note, this Security Instrument and the other Loan Documents, Lender is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Article III of the Loan Agreement without any obligation to investigate the Property and notwithstanding any investigation of the Property by Lender; that such reliance existed on the part of Lender prior to the date hereof, that the warranties and representations are a material inducement to Lender in making the Loan; and that Lender would not be willing to make the Loan and accept this Security Instrument in the absence of the warranties and representations as set forth in Article III of the Loan Agreement.

Article 5 - FURTHER ASSURANCES

Section 5.1 RECORDING OF SECURITY INSTRUMENT, ETC. Borrower forthwith upon the execution and delivery of this Security Instrument and thereafter, from time to time, will cause this Security Instrument and any of the other Loan Documents creating a lien or security interest or evidencing the lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the lien or security interest hereof upon, and the interest of Lender in, the Property. Borrower will pay all taxes, filing, registration or recording fees, and all expenses incident to the preparation, execution, acknowledgment and/or recording of the Note, this Security Instrument, the other Loan Documents, any note, deed of trust or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Security Instrument, any deed of trust or mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law so to do.

Section 5.2 FURTHER ACTS, ETC. Borrower will, at the cost of Borrower, and without expense to Lender, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, deeds of trust, mortgages, assignments, notices of assignments, transfers and assurances as Lender shall, from time to time, reasonably require, for the better assuring, conveying, assigning, transferring, and confirming unto Lender the property and rights hereby mortgaged, deeded, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred or intended now or hereafter so to be, or which Borrower may be or may hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Security Instrument or for filing, registering or

recording this Security Instrument, or for complying with all Legal Requirements. Borrower, on demand, will execute and deliver, and in the event it shall fail to so execute and deliver, hereby authorizes Lender to execute in the name of Borrower or without the signature of Borrower to the extent Lender may lawfully do so, one or more financing statements (including, without limitation, initial financing statements and amendments thereto and continuation statements) with or without the signature of Borrower as authorized by applicable law, to evidence more effectively the security interest of Lender in the Property. Borrower also ratifies its authorization for Lender to have filed any like initial financing statements, amendments thereto and continuation statements, if filed prior to the date of this Security Instrument. Borrower grants to Lender an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Lender at law and in equity, including without limitation such rights and remedies available to Lender pursuant to this Section 5.2. To the extent not prohibited by applicable law, Borrower hereby ratifies all acts Lender has lawfully done in the past or shall lawfully do or cause to be done in the future by virtue of such power of attorney.

Section 5.3 CHANGES IN TAX, DEBT, CREDIT AND DOCUMENTARY STAMP LAWS. (a)

If any law is enacted or adopted or amended after the date of this Security Instrument which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Lender's interest in the Property, Borrower will pay the tax, with interest and penalties thereon, if any. If Lender is advised by counsel chosen by it that the payment of tax by Borrower would be unlawful or taxable to Lender or unenforceable or provide the basis for a defense of usury then Lender shall have the option, by written notice of not less than one hundred twenty (120) days, to declare the Debt immediately due and payable.

(b) Borrower will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Security Instrument or the Debt. If such claim, credit or deduction shall be required by law, Lender shall have the option, by written notice of not less than one hundred twenty (120) days, to declare the Debt immediately due and payable.

(c) If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, this Security Instrument, or any of the other Loan Documents or impose any other tax or charge on the same, Borrower will pay for the same, with interest and penalties thereon, if any.

Section 5.4 SPLITTING OF MORTGAGE. This Security Instrument and the Note shall, at any time until the same shall be fully paid and satisfied, at the sole election of Lender, be split or divided into two or more notes and two or more security instruments, each of which shall cover all or a portion of the Property to be more particularly described therein. To that end, Borrower, upon written request of Lender, shall execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered by the then owner of the Property, to Lender and/or its designee or designees substitute notes and security instruments in such principal amounts, aggregating not more than the then unpaid principal amount of the Note, and containing terms, provisions and

clauses similar to those contained herein and in the Note, and such other documents and instruments as may be required by Lender.

Section 5.5 REPLACEMENT DOCUMENTS. Upon receipt of an affidavit of an officer of Lender as to the loss, theft, destruction or mutilation of the Note or any other Loan Document which is not of public record, and, in the case of any such mutilation, upon surrender and cancellation of such Note or other Loan Document, Borrower will issue, in lieu thereof, a replacement Note or other Loan Document, dated the date of such lost, stolen, destroyed or mutilated Note or other Loan Document in the same principal amount thereof and otherwise of like tenor.

Article 6 - DUE ON SALE/ENCUMBRANCE

Section 6.1 LENDER RELIANCE. Borrower acknowledges that Lender has examined and relied on the experience of Borrower and its general partners, members, principals and (if Borrower is a trust) beneficial owners in owning and operating properties such as the Property in agreeing to make the Loan, and will continue to rely on Borrower's ownership of the Property as a means of maintaining the value of the Property as security for repayment of the Debt and the performance of the Other Obligations. Borrower acknowledges that Lender has a valid interest in maintaining the value of the Property so as to ensure that, should Borrower default in the repayment of the Debt or the performance of the Other Obligations, Lender can recover the Debt by a sale of the Property.

Section 6.2 NO TRANSFER. Borrower shall not permit or suffer any Transfer to occur, unless specifically permitted by Article 8 of the Loan Agreement or unless Lender shall consent thereto in writing.

Section 6.3 TRANSFER DEFINED. As used in this Article 6 "Transfer" shall mean any voluntary or involuntary sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment, or transfer of: (a) all or any part of the Property or any estate or interest therein including, but not be limited to, (i) an installment sales agreement wherein Borrower agrees to sell the Property or any part thereof for a price to be paid in installments, (ii) an agreement by Borrower leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder and its affiliates or (iii) a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Leases or any Rents; or (b) any ownership interest in (i) Borrower or (ii) any indemnitor or guarantor of any Obligations or (iii) any corporation, partnership, limited liability company, trust or other entity owning, directly or indirectly, any interest in Borrower or any indemnitor or guarantor of any Obligations.

Section 6.4 LENDER'S RIGHTS. Without obligating Lender to grant any consent under Section 6.2 hereof which Lender may grant or withhold in its sole discretion, Lender reserves the right to condition the consent required hereunder upon (a) a modification of the terms hereof and of the Loan Agreement, the Note or the other Loan Documents; (b) an assumption of the Loan Agreement, the Note, this Security Instrument and the other Loan Documents as so modified by the proposed transferee, subject to the provisions of Section 11.22 of the Loan Agreement; (c) payment of all of Lender's expenses incurred in connection with such transfer; (d) the

confirmation in writing by the applicable Rating Agencies that the proposed transfer will not, in and of itself, result in a downgrade, qualification or withdrawal of the initial, or, if higher, then current ratings assigned in connection with any Securitization; (e) the delivery of a nonconsolidation opinion reflecting the proposed transfer satisfactory in form and substance to Lender; (f) the proposed transferee's continued compliance with the representations and covenants set forth in Section 3.1.24 and 4.2.11 of the Loan Agreement; (g) the delivery of evidence satisfactory to Lender that the single purpose nature and bankruptcy remoteness of Borrower, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the standards of the Rating Agencies; (h) the proposed transferee's ability to satisfy Lender's then-current underwriting standards; or (i) such other conditions as Lender shall determine in its reasonable discretion to be in the interest of Lender, including, without limitation, the creditworthiness, reputation and qualifications of the transferee with respect to the Loan and the Property. Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Transfer without Lender's consent. This provision shall apply to every Transfer, other than any Transfer permitted pursuant to the Loan Agreement, regardless of whether voluntary or not, or whether or not Lender has consented to any previous Transfer.

Article 7 - **RIGHTS AND REMEDIES UPON DEFAULT**

Section 7.1 **REMEDIES.** Upon the occurrence and during the continuance of any Event of Default, Borrower agrees that Lender may take such action, without notice or demand, as it deems advisable to protect and enforce its rights against Borrower and in and to the Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Lender may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Lender:

- (a) declare the entire unpaid Debt to be immediately due and payable;
- (b) institute proceedings, judicial or otherwise, for the complete foreclosure of this Security Instrument under any applicable provision of law, in which case the Property or any interest therein may be sold for cash or upon credit in one or more parcels or in several interests or portions and in any order or manner;
- (c) with or without entry, to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Security Instrument for the portion of the Debt then due and payable, subject to the continuing lien and security interest of this Security Instrument for the balance of the Debt not then due, unimpaired and without loss of priority;
- (d) sell for cash or upon credit the Property or any part thereof and all estate, claim, demand, right, title and interest of Borrower therein and rights of redemption thereof, pursuant to power of sale or otherwise, at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law;

(e) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein, in the Note, the Loan Agreement or in the other Loan Documents;

(f) recover judgment on the Note either before, during or after any proceedings for the enforcement of this Security Instrument or the other Loan Documents;

(g) apply for the appointment of a receiver, trustee, liquidator or conservator of the Property, without notice and without regard for the adequacy of the security for the Debt and without regard for the solvency of Borrower, any guarantor, indemnitor with respect to the Loan or of any Person liable for the payment of the Debt;

(h) the license granted to Borrower under Section 1.2 hereof shall automatically be revoked and Lender may enter into or upon the Property, either personally or by its agents, nominees or attorneys and dispossess Borrower and its agents and servants therefrom, without liability for trespass, damages or otherwise and exclude Borrower and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Borrower agrees to surrender possession of the Property and of such books, records and accounts to Lender upon demand, and thereupon Lender may (i) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat; (ii) complete any construction on the Property in such manner and form as Lender deems advisable; (iii) make alterations, additions, renewals, replacements and improvements to or on the Property; (iv) exercise all rights and powers of Borrower with respect to the Property, whether in the name of Borrower or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents of the Property and every part thereof; (v) require Borrower to pay monthly in advance to Lender, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be occupied by Borrower; (vi) require Borrower to vacate and surrender possession of the Property to Lender or to such receiver and, in default thereof, Borrower may be evicted by summary proceedings or otherwise; and (vii) apply the receipts from the Property to the payment of the Debt, in such order, priority and proportions as Lender shall deem appropriate in its sole discretion after deducting therefrom all expenses (including reasonable attorneys' fees) incurred in connection with the aforesaid operations and all amounts necessary to pay the Taxes, Other Charges, insurance and other expenses in connection with the Property, as well as just and reasonable compensation for the services of Lender, its counsel, agents and employees;

(i) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing: (i) the right to take possession of the Fixtures, the Equipment and the Personal Property, or any part thereof, and to take such other measures as Lender may deem necessary for the care, protection and preservation of the Fixtures, the Equipment and the Personal Property, and (ii) request Borrower at its expense to assemble the Fixtures, the Equipment and the Personal Property and make it available to Lender at a convenient place acceptable to Lender. Any notice of sale, disposition or other intended action by Lender with respect to the Fixtures, the Equipment and/or the Personal Property sent to Borrower in accordance with the provisions

hereof at least five (5) days prior to such action, shall constitute commercially reasonable notice to Borrower;

(j) apply any sums then deposited or held in escrow or otherwise by or on behalf of Lender in accordance with the terms of the Loan Agreement, this Security Instrument or any other Loan Document to the payment of the following items in any order in its uncontrolled discretion:

- (i) Taxes and Other Charges;
- (ii) Insurance Premiums;
- (iii) Interest on the unpaid principal balance of the Note;
- (iv) Amortization of the unpaid principal balance of the Note;

(v) All other sums payable pursuant to the Note, the Loan Agreement, this Security Instrument and the other Loan Documents, including without limitation advances made by Lender pursuant to the terms of this Security Instrument;

(k) pursue such other remedies as Lender may have under applicable law; or

(l) apply the undisbursed balance of any Net Proceeds Deficiency deposit, together with interest thereon, to the payment of the Debt in such order, priority and proportions as Lender shall deem to be appropriate in its discretion.

In the event of a sale, by foreclosure, power of sale or otherwise, of less than all of Property, this Security Instrument shall continue as a lien and security interest on the remaining portion of the Property unimpaired and without loss of priority.

Section 7.2 APPLICATION OF PROCEEDS. The purchase money, proceeds and avails of any disposition of the Property, and or any part thereof, or any other sums collected by Lender pursuant to the Note, this Security Instrument or the other Loan Documents, may be applied by Lender to the payment of the Debt in such priority and proportions as Lender in its discretion shall deem proper.

Section 7.3 RIGHT TO CURE DEFAULTS. Upon the occurrence and during the continuance of any Event of Default or if Borrower fails to make any payment or to do any act as herein provided, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder, make or do the same in such manner and to such extent as Lender may deem necessary to protect the security hereof. Lender is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Security Instrument or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 7.3, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall

bear interest at the Default Rate, for the period after notice from Lender that such cost or expense was incurred to the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by this Security Instrument and the other Loan Documents and shall be immediately due and payable upon demand by Lender therefor.

Section 7.4 ACTIONS AND PROCEEDINGS. Lender has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Borrower, which Lender, in its discretion, decides should be brought to protect its interest in the Property.

Section 7.5 RECOVERY OF SUMS REQUIRED TO BE PAID. Lender shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Lender thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Borrower existing at the time such earlier action was commenced.

Section 7.6 EXAMINATION OF BOOKS AND RECORDS. At reasonable times and upon reasonable notice, Lender, its agents, accountants and attorneys shall have the right to examine the records, books, management and other papers of Borrower which reflect upon its financial condition, at the Property or at any office regularly maintained by Borrower where the books and records are located. Lender and its agents shall have the right to make copies and extracts from the foregoing records and other papers. In addition, at reasonable times and upon reasonable notice, Lender, its agents, accountants and attorneys shall have the right to examine and audit the books and records of Borrower pertaining to the income, expenses and operation of the Property during reasonable business hours at any office of Borrower where the books and records are located. This Section 7.6 shall apply throughout the term of the Note and without regard to whether an Event of Default has occurred or is continuing.

Section 7.7 OTHER RIGHTS, ETC. (a) The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Security Instrument. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (i) the failure of Lender to comply with any request of Borrower or any guarantor or indemnitor with respect to the Loan to take any action to foreclose this Security Instrument or otherwise enforce any of the provisions hereof or of the Note or the other Loan Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any person liable for the Debt or any portion thereof, or (iii) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Security Instrument or the other Loan Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Borrower, and Lender shall have no liability whatsoever for decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Lender shall not be deemed an election of judicial relief, if any such possession is requested or obtained, with respect to any Property or collateral not in Lender's possession.

(c) Lender may resort for the payment of the Debt to any other security held by Lender in such order and manner as Lender, in its discretion, may elect. Lender may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Lender thereafter to foreclose this Security Instrument. The rights of Lender under this Security Instrument shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Lender shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 7.8 RIGHT TO RELEASE ANY PORTION OF THE PROPERTY. Lender may release any portion of the Property for such consideration as Lender may require without, as to the remainder of the Property, in any way impairing or affecting the lien or priority of this Security Instrument, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Lender for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Lender may require without being accountable for so doing to any other lienholder. This Security Instrument shall continue as a lien and security interest in the remaining portion of the Property.

Section 7.9 VIOLATION OF LAWS. If the Property is not in material compliance with Legal Requirements, Lender may impose additional requirements upon Borrower in connection herewith including, without limitation, monetary reserves or financial equivalents.

Section 7.10 RECOURSE AND CHOICE OF REMEDIES. Notwithstanding any other provision of this Security Instrument or the Loan Agreement, including, without limitation, Section 11.22 of the Loan Agreement, Lender and other Indemnified Parties (as hereinafter defined) are entitled to enforce the obligations of Borrower, any guarantor and indemnitor contained in Sections 9.2 and 9.3 herein and Section 9.2 of the Loan Agreement without first resorting to or exhausting any security or collateral and without first having recourse to the Note or any of the Property, through foreclosure or acceptance of a deed in lieu of foreclosure or otherwise, and in the event Lender commences a foreclosure action against the Property, Lender is entitled to pursue a deficiency judgment with respect to such obligations against Borrower and any guarantor or indemnitor with respect to the Loan. The provisions of Sections 9.2 and 9.3 herein and Section 9.2 of the Loan Agreement are exceptions to any non-recourse or exculpation provisions in the Loan Agreement, the Note, this Security Instrument or the other Loan Documents, and Borrower and any guarantor or indemnitor with respect to the Loan are fully and personally liable for the obligations pursuant to Sections 9.2 and 9.3 herein and Section 9.2 of the Loan Agreement. The liability of Borrower and any guarantor or indemnitor with respect to the Loan pursuant to Sections 9.2 and 9.3 herein and Section 9.2 of the Loan Agreement is not limited to the original principal amount of the Note. Notwithstanding the foregoing, nothing herein shall inhibit or prevent Lender from foreclosing or exercising any other rights and remedies pursuant to the Loan Agreement, the Note, this Security Instrument and the other Loan Documents, whether simultaneously with foreclosure proceedings or in any other sequence. A separate action or actions may be brought and prosecuted against Borrower pursuant to Sections 9.2 and 9.3 herein and Section 9.2 of the Loan Agreement, whether or not action is brought against any other Person or whether or not any other Person is joined in the action or actions. In

addition, Lender shall have the right but not the obligation to join and participate in, as a party if it so elects, any administrative or judicial proceedings or actions initiated in connection with any matter addressed in the Environmental Indemnity.

Section 7.11 RIGHT OF ENTRY. Upon reasonable notice to Borrower, Lender and its agents shall have the right to enter and inspect the Property at all reasonable times.

Borrower in this Security Instrument or any other Loan Document. Any amounts payable to Lender by reason of the application of this Section 9.1 shall become immediately due and payable and shall bear interest at the Default Rate from the date loss or damage is sustained by Lender until paid. For purposes of this Article 9, the term "**Indemnified Parties**" means Lender and any Person who is or will have been involved in the origination of the Loan, any Person who is or will have been involved in the servicing of the Loan secured hereby, any Person in whose name the encumbrance created by this Security Instrument is or will have been recorded, persons and entities who may hold or acquire or will have held a full or partial interest in the Loan secured hereby (including, but not limited to, investors or prospective investors in the Securities, as well as custodians, trustees and other fiduciaries who hold or have held a full or partial interest in the Loan secured hereby for the benefit of third parties) as well as the respective directors, officers, shareholders, partners, employees, agents, servants, representatives, contractors, subcontractors, affiliates, subsidiaries, participants, successors and assigns of any and all of the foregoing (including but not limited to any other Person who holds or acquires or will have held a participation or other full or partial interest in the Loan, whether during the term of the Loan or as a part of or following a foreclosure of the Loan and including, but not limited to, any successors by merger, consolidation or acquisition of all or a substantial portion of Lender's assets and business).

Section 9.2 MORTGAGE AND/OR INTANGIBLE TAX. Borrower shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless the Indemnified Parties from and against any and all Losses imposed upon or incurred by or asserted against any Indemnified Parties and directly or indirectly arising out of or in any way relating to any tax on the making and/or recording of this Security Instrument, the Note or any of the other Loan Documents, but excluding any income, franchise or other similar taxes.

Section 9.3 ERISA INDEMNIFICATION. Borrower shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless the Indemnified Parties from and against any and all Losses (including, without limitation, reasonable attorneys' fees and costs incurred in the investigation, defense, and settlement of Losses incurred in correcting any prohibited transaction or in the sale of a prohibited loan, and in obtaining any individual prohibited transaction exemption under ERISA that may be required, in Lender's sole discretion) that Lender may incur, directly or indirectly, as a result of a default under Sections 3.1.8 or 4.2.10 of the Loan Agreement.

Section 9.4 INTENTIONALLY OMITTED

Section 9.5 DUTY TO DEFEND; ATTORNEYS' FEES AND OTHER FEES AND EXPENSES. Upon written request by any Indemnified Party, Borrower shall defend such Indemnified Party (if requested by any Indemnified Party, in the name of the Indemnified Party) by attorneys and other professionals approved by the Indemnified Parties. Notwithstanding the foregoing, if the defendants in any such claim or proceeding include both Borrower and any Indemnified Party and Borrower and such Indemnified Party shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Parties that are different from or additional to those available to Borrower, such Indemnified Party shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Party, provided that no compromise or settlement shall be entered

without Borrower's consent, which consent shall not be unreasonably withheld. Upon demand, Borrower shall pay or, in the sole and absolute discretion of the Indemnified Parties, reimburse, the Indemnified Parties for the payment of reasonable fees and disbursements of attorneys, engineers, environmental consultants, laboratories and other professionals in connection therewith.

Article 10 - WAIVERS

Section 10.1 WAIVER OF COUNTERCLAIM. To the extent permitted by applicable law, Borrower hereby waives the right to assert a counterclaim, other than a mandatory or compulsory counterclaim, in any action or proceeding brought against it by Lender arising out of or in any way connected with this Security Instrument, the Loan Agreement, the Note, any of the other Loan Documents, or the Obligations.

Section 10.2 MARSHALLING AND OTHER MATTERS. To the extent permitted by applicable law, Borrower hereby waives the benefit of all appraisal, valuation, stay, extension, reinstatement and redemption laws now or hereafter in force and all rights of marshalling in the event of any sale hereunder of the Property or any part thereof or any interest therein. Further, Borrower hereby expressly waives any and all rights of redemption from sale under any order or decree of foreclosure of this Security Instrument on behalf of Borrower, and on behalf of each and every person acquiring any interest in or title to the Property subsequent to the date of this Security Instrument and on behalf of all persons to the extent permitted by applicable law.

Section 10.3 WAIVER OF NOTICE. To the extent permitted by applicable law, Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Security Instrument specifically and expressly provides for the giving of notice by Lender to Borrower and except with respect to matters for which Lender is required by applicable law to give notice, and Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Security Instrument does not specifically and expressly provide for the giving of notice by Lender to Borrower.

Section 10.5 SURVIVAL. The indemnifications made pursuant to Section 9.3 herein and the representations and warranties, covenants, and other obligations arising under the Environmental Indemnity, shall continue indefinitely in full force and effect and shall survive and shall in no way be impaired by: any satisfaction or other termination of this Security Instrument, any assignment or other transfer of all or any portion of this Security Instrument or Lender's interest in the Property (but, in such case, shall benefit both Indemnified Parties and any assignee or transferee), any exercise of Lender's rights and remedies pursuant hereto including but not limited to foreclosure or acceptance of a deed in lieu of foreclosure, any exercise of any rights and remedies pursuant to the Loan Agreement, the Note or any of the other Loan Documents, any transfer of all or any portion of the Property (whether by Borrower or by

Lender following foreclosure or acceptance of a deed in lieu of foreclosure or at any other time), any amendment to this Security Instrument, the Loan Agreement, the Note or the other Loan Documents, and any act or omission that might otherwise be construed as a release or discharge of Borrower from the obligations pursuant hereto.

Article 11 - EXCULPATION

Section 15.1 NO ORAL CHANGE. This Security Instrument, and any provisions hereof, may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of Borrower or Lender, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

Section 15.2 SUCCESSORS AND ASSIGNS. This Security Instrument shall be binding upon and inure to the benefit of Borrower and Lender and their respective successors and assigns forever.

Section 15.3 INAPPLICABLE PROVISIONS. If any term, covenant or condition of the Loan Agreement, the Note or this Security Instrument is held to be invalid, illegal or unenforceable in any respect, the Loan Agreement, the Note and this Security Instrument shall be construed without such provision.

Section 15.4 HEADINGS, ETC. The headings and captions of various Sections of this Security Instrument are for convenience of reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.

Section 15.5 NUMBER AND GENDER. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns and pronouns shall include the plural and vice versa.

Section 15.6 SUBROGATION. If any or all of the proceeds of the Note have been used to extinguish, extend or renew any indebtedness heretofore existing against the Property, then, to the extent of the funds so used, Lender shall be subrogated to all of the rights, claims, liens, titles, and interests existing against the Property heretofore held by, or in favor of, the holder of such indebtedness and such former rights, claims, liens, titles, and interests, if any, are not waived but rather are continued in full force and effect in favor of Lender and are merged with the lien and security interest created herein as cumulative security for the repayment of the Debt, the performance and discharge of Borrower's obligations hereunder, under the Loan Agreement, the Note and the other Loan Documents and the performance and discharge of the Other Obligations.

Nothing herein contained shall be construed as constituting Lender a "mortgagee in possession."

Article 16 - STATE-SPECIFIC PROVISIONS

Section 16.1 PRINCIPLES OF CONSTRUCTION. In the event of any inconsistencies between the terms and conditions of this Article 16 and the other terms and conditions of this Security Instrument, the terms and conditions of this Article 16 shall control and be binding.

Section 16.2 The words ", and accessions to and substitutions and replacements for;" are hereby added after the words "all proceeds and products of" in subsection (e) entitled "Fixtures and Personal Property" of Section 1.01 of this Security Instrument entitled "Property Mortgaged."

Section 16.3 The text of Section 1.03 of this Security Instrument entitled "Security Agreement" is hereby deleted and the following is substituted therefore:

"Security Agreement. Borrower and Lender agree that this Security Instrument shall constitute a Security Agreement within the meaning of the Illinois Uniform Commercial Code (the "Illinois UCC") with respect to (i) all sums at any time on deposit for the benefit of Lender or held by Lender (whether deposited by or on behalf of Borrower or anyone else) pursuant to any of the provisions of the Note, the Loan Agreement, this Security Instrument or the other Loan Documents and (ii) with respect to the Personal Property, which Personal Property may not be deemed to be affixed to the Property or may not constitute a "fixture" (within the meaning of Section 9-313 of the Illinois UCC) and all replacements of, substitutions for, additions to, and the proceeds thereof (all of said Personal Property and the replacements, substitutions and additions thereto and the proceeds thereof being sometimes hereinafter collectively referred to as the "Collateral"), and that a security interest in and to the Collateral is hereby granted to the Lender, and the Collateral and all of Borrower's right, title and interest therein are hereby assigned to Lender, all to secure payment of the Debt. All of the provisions contained in this Security Instrument pertain and apply to the Collateral as fully and to the same extent as to any other property comprising the Property; and the following provisions of this Section shall not limit the applicability of any other provision of this Security Instrument but shall be in addition thereto:

(a) Borrower (being the Debtor as that term is used in the Illinois UCC) is and will be the true and lawful owner of the Collateral, subject to no liens, charges or encumbrances other than the lien hereof, other liens and encumbrances benefitting Lender and no other party, and liens and encumbrances, if any, expressly permitted by the other Loan Documents;

(b) The Collateral is to be used by Borrower solely for business purposes;

(c) The Collateral will be kept at the Property and will not be removed therefrom (except for normal replacement of Personal Property) without the consent of Lender (being the Secured Party as that term is used in the Illinois UCC). The Collateral may be affixed to the Property but will not be affixed to any other real estate;

(d) The only persons having any interest in the Property are Borrower, Lender and holders of interests, if any, expressly permitted hereby;

(e) No financing statement (other than financing statements showing Lender as the sole secured party, or with respect to liens or encumbrances, if any, expressly permitted hereby) covering any of the Collateral or any proceeds thereof is on file in any public office except pursuant hereto; and Borrower at its own cost and expense, upon demand, will furnish to Lender such further information and will execute and deliver to Lender such financing statements and other documents in form satisfactory to Lender and will do all such acts as Lender may request at any time or from time to time or as may be necessary or appropriate to establish and maintain a perfected security interest in the Collateral as security for the Debt,

subject to no other liens or encumbrances, other than liens or encumbrances benefitting Lender and no other party and liens and encumbrances, if any, expressly permitted hereby; and Borrower will pay the cost of filing or recording such financing statements or other documents, and this Security Instrument in all public offices wherever filing or recording is deemed by Lender to be desirable;

(f) Upon an Event of Default, Lender shall have the remedies of a secured party under the Illinois UCC, including, without limitation, the right to take immediate and exclusive possession of the Collateral, or any part thereof, and for that purpose, so far as Borrower can give authority therefor, with or without judicial process, may enter (if this can be done without breach of the peace) upon any place which the Collateral or any part thereof may be situated and remove the same therefrom (provided that if the Collateral is affixed to real estate, such removal shall be subject to the conditions stated in the Illinois UCC); and Lender shall be entitled to hold, maintain, preserve and prepare the Collateral for sale, until disposed of, or may propose to retain the Collateral subject to Borrower's right of redemption in satisfaction of Borrower's obligations, as provided in the Illinois UCC. Lender may render the Collateral unusable without removal and may dispose of the Collateral on the Property. Lender may require Borrower to assemble the Collateral and make it available to Lender for its possession at a place to be designated by Lender which is reasonably convenient to both parties. Lender will give Borrower at least twenty (20) days' notice of the time and place of any public sale of the Collateral or of the time after which any private sale or any other intended disposition thereof is made. The requirements of reasonable notice shall be met if such notice is delivered in accordance with Article 14 of the Loan Agreement at least twenty (20) days before the time of the sale or disposition. Lender may buy at any public sale. Lender may buy at private sale if the Collateral is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations. Any such sale may be held in conjunction with any foreclosure sale of the Property. If Lender so elects, the Property and the Collateral may be sold as one lot. The net proceeds realized upon any such disposition, after deduction for the expenses of retaking, holding, preparing for sale, selling and the reasonable attorneys' fees and legal expenses incurred by Lender, shall be applied against the Debt in such order or manner as Lender shall select. Lender will account to Borrower for any surplus realized on such disposition;

(g) The terms and provisions contained in this Section 1.03, unless the context otherwise requires, shall have the meanings and be construed as provided in the Illinois UCC;

(h) This Security Instrument is intended to be a financing statement within the purview of Section 9-402(6) of the Illinois UCC with respect to the Collateral and the goods described herein, which goods are or may become fixtures relating to the Property. The addresses of Borrower (Debtor) and Lender (Secured Party) are hereinabove set forth. This Security Instrument is to be filed for recording with the recorder of deeds of the county or counties where the Property is located. Borrower is the record owner of the Property;

(i) To the extent permitted by applicable law, the security interest created hereby is specifically intended to cover all Leases between Borrower or its agents as lessor, and various tenants named therein, as lessee, including all extended terms and all extensions and

renewals of the terms thereof, as well as any amendments to or replacement of said Leases, together with all of the right, title and interest of Borrower, as lessor thereunder; and

(j) The address of Borrower, from which information concerning the security interests in the Collateral may be obtained, is set forth on page 1 of this Security Instrument."

Section 16.4 Remedies Upon Default. (a) In Subsection 9.01(h) of this Security Instrument entitled "Remedies", the following parenthetical shall be added following the words "counsel, agents and employees":

"(the provisions for the appointment of a receiver and assignment of rents being an express condition upon which the loan secured hereby is made)"

Section 16.5 Waivers. Section 11.02 of this Security Instrument entitled "Marshalling and Other Matters" is hereby deleted and the following is substituted therefor:

"Waiver of Appraisal, Valuation, Stay, Extension and Redemption Laws. Borrower agrees, to the full extent permitted by law, that at all times following an Event of Default, neither Borrower nor anyone claiming through or under it shall or will set up, claim or seek to take advantage of any appraisal, valuation, stay, or extension laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Security Instrument or the absolute sale of the Property or the final and absolute putting into possession thereof, immediately after such sale, of the purchaser thereat; and Borrower, for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may lawfully so do, the benefit of all such laws and any and all right to have the assets comprising the Property marshalled upon any foreclosure of the lien hereof and agrees that Lender or any court having jurisdiction to foreclosure such lien may sell the Property in part or as an entirety. To the full extent permitted by law, Borrower hereby waives any and all statutory or other rights of redemption from sale under any order or decree of foreclosure of this Security Instrument, on its own behalf and on behalf of each and every person acquiring any interest in or title to the Property subsequent to the date hereof."

Section 16.6 The following section is hereby added at the end of Article XI:

"Waiver of Jury Trial. **BORROWER HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER IN CONTRACT, TORT OR OTHERWISE, RELATING DIRECTLY OR INDIRECTLY TO THE LOAN**

EVIDENCED BY THE NOTE, THE LOAN AGREEMENT, THIS SECURITY INSTRUMENT OR THE OTHER LOAN DOCUMENTS OR ANY ACTS OR OMISSIONS OF LENDER, ITS OFFICERS, EMPLOYEES, DIRECTORS OR AGENTS IN CONNECTION THEREWITH.”

Section 16.7 Use of Proceeds. Borrower hereby represents and agrees that the proceeds of the Note secured by this Security Instrument will be used for the purposes specified in the Illinois Interest Act, 815 ILCS §205/4(I), and the indebtedness secured hereby constitutes a business loan which comes within the purview of said Section 205/4(c).

Section 16.8 Maturity Date. The Stated Maturity Date of the Note is November 6, 2026.

Section 16.9 Illinois Mortgage Foreclosure Law.

(a) In the event any provision in this Security Instrument shall be inconsistent with any provision of the Illinois Mortgage Foreclosure Law (735 ILCS Sections 5/15-1101 et. seq., Illinois Compiled Statutes) (the “**Foreclosure Act**”), the provisions of the Foreclosure Act shall take precedence over the provisions of this Security Instrument, but shall not invalidate or render unenforceable any other provision of this Security Instrument that can be construed in a manner consistent with the Foreclosure Act.

(b) If any provision of this Security Instrument shall grant to Lender any rights or remedies upon default of Borrower which are more limited than the rights that would otherwise be vested in Lender under the Foreclosure Act in the absence of said provision, Lender shall be vested with the rights granted in the Foreclosure Act to the full extent permitted by law.

(c) Without limiting the generality of the foregoing, all expenses incurred by Lender to the extent reimbursable under Sections 15-1510 and 15-1512 of the Foreclosure Act, whether incurred before or after any decree or judgment of foreclosure, and whether enumerated in Article IX of this Security Instrument, shall be added to the indebtedness secured by this Security Instrument or by the judgment of foreclosure.

Section 16.10 Maximum Principal Indebtedness. This Security Instrument is intended to and shall be valid and have priority over all subsequent liens and encumbrances, including statutory liens, excepting solely taxes and assessments levied on the real estate, to the extent of the maximum amount secured hereby; provided, however, that the maximum amount secured by this Security Instrument shall not exceed an amount equal to two times the face amount of the Note plus protective advances and other costs and expenses which the Lender is entitled to add to the Debt pursuant to the terms of this Security Instrument. Notwithstanding any provision contained herein to the contrary, and subject to Section 16.14 below, the maximum principal indebtedness secured by this Security Instrument shall not exceed \$4,000,000.00 plus any accrued and unpaid interest (whether at the Interest Rate or the Default Rate) and protective advances made by Lender (or any Servicer).

Section 16.11 POWER OF SALE. Any references to “power of sale” in this Security Instrument are permitted only to the extent allowed by law.

Section 16.12 Miscellaneous. Borrower acknowledges that the Property does not constitute agricultural real estate as defined in Section 15-1201 of the Foreclosure Act or residential real estate as defined in Section 15-1219 of the Foreclosure Act, and to the fullest extent permitted by law, Borrower hereby voluntarily and knowingly waives its rights to reinstatement and redemption as allowed under Section 15-601(b) of the Act, and to the fullest extent permitted by law, the benefits of all present and future valuation, appraisal, homestead, exemption, stay, redemption and moratorium law, under any state or federal law.

Section 16.13 Future Advances. This Security Instrument is given for the purpose of securing loan advances which Lender may make to or for Borrower pursuant and subject to the terms and provisions of the Loan Agreement. The parties hereto intend that, in addition to any other debt or obligation secured hereby, this Security Instrument shall secure unpaid balances of loan advances made after this Security Instrument is delivered to the Office of the Recorder of the County in which the Property is located, whether made pursuant to an obligation of Lender or otherwise, provided that such advances are within twenty (20) years from the date hereof and in such event, such advances shall be secured to the same extent as if such future advances were made on the date hereof, although there may be no advance made at the time of execution hereof and although there may be no indebtedness outstanding at the time any advance is made. Such loan advances may or may not be evidenced by notes executed pursuant to the Loan Agreement.

Section 16.14 Optional Subordination. At the option of Lender, this Security Instrument shall become subject and subordinate, in whole or in part (but not with respect to priority of entitlement to insurance proceeds or any Condemnation Proceeds), to any and all leases of all or any part of the Property upon the execution by Lender and recording thereof, at any time hereafter in the appropriate official records of the County wherein the Property is situated, of a unilateral declaration to that effect.

Section 16.15 Interest Rate. The Loan bears interest at the rate of 4.9% pursuant to the terms of the Note. The Default Rate shall mean a rate equal to the lesser of (i) the maximum non-usurious interest rate under the laws of the State of Illinois, or (ii) the sum of the interest rate set forth above and five percent (5%).

Section 16.16 ILLINOIS COLLATERAL PROTECTION ACT. If at any time the Borrower fails to provide the Lender with evidence of the insurance coverage required by this Security Instrument and the other Loan Documents, the Lender may purchase insurance at the Borrower's expense to protect the Lender's interest in the Property. This insurance may, but need not, protect the Borrower's interests. The coverage that the Lender purchases may not pay any claim that the Borrower may make or any claim that is made against the Borrower in connection with the Property. The Borrower may later cancel any insurance purchased by the Lender, but only after providing the Lender with evidence that the Borrower has obtained insurance as required by this Security Instrument and the other Loan Documents. If the Lender purchases insurance for the Property, the Borrower will be responsible for the costs of that insurance, including interest and any other charges that the Lender imposes in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the Borrower's total outstanding balance or obligation secured hereby. The costs of the insurance may be more than the costs of insurance that the Borrower may be able to obtain through the Borrower's own efforts. For purposes of the Illinois Collateral

Protection Act, 815 ILCS 180/1 et seq., Borrower hereby acknowledges Lender's right pursuant to this paragraph to obtain collateral protection insurance.

ARTICLE 2 - TERMS OF ASSIGNMENT

Section 2.1 PRESENT ASSIGNMENT AND LICENSE BACK. It is intended by Borrower that this Assignment constitute a present, absolute assignment of the Leases, Rents, Lease Guaranties and Bankruptcy Claims, and not an assignment for additional security only. Nevertheless, subject to the terms of this Section 2.1 and the Cash Management Agreement, Lender grants to Borrower a revocable license to collect, receive, use and enjoy the Rents, as well as other sums due under the Lease Guaranties. Borrower shall hold the Rents, as well as all sums received pursuant to any Lease Guaranty, or a portion thereof sufficient to discharge all current sums due on the Debt, in trust for the benefit of Lender for use in the payment of such sums.

Section 2.2 NOTICE TO LESSEES. Borrower hereby authorizes and directs the lessees named in the Leases or any other future lessees or occupants of the Property and all Lease Guarantors to pay over to Lender or to such other party as Lender directs all Rents and all sums due under any Lease Guaranties upon receipt from Lender of written notice to the effect that Lender is then the holder of this Assignment and that an Event of Default (as defined in the Loan Agreement) exists, and to continue so to do until otherwise notified by Lender.

Section 2.3 INCORPORATION BY REFERENCE. All representations, warranties, covenants, conditions and agreements contained in the Loan Agreement and the other Loan Documents as same may be modified, renewed, substituted or extended are hereby made a part of this Assignment to the same extent and with the same force as if fully set forth herein.

ARTICLE 3- REMEDIES

Section 3.1 REMEDIES OF LENDER. Upon the occurrence of an Event of Default, the license granted to Borrower in Section 2.1 of this Assignment shall automatically be revoked, and Lender shall immediately be entitled to possession of all Rents and sums due under any Lease Guaranties, whether or not Lender enters upon or takes control of the Property. In addition, Lender may, at its option, without waiving such Event of Default, without regard to the adequacy of the security for the Debt, either in person or by agent, nominee or attorney, with or without bringing any action or proceeding, or by a receiver appointed by a court, dispossess Borrower and its agents and servants from the Property, without liability for trespass, damages or

otherwise and exclude Borrower and its agents or servants wholly therefrom, and take possession of the Property and all books, records and accounts relating thereto and have, hold, manage, lease and operate the Property on such terms and for such period of time as Lender may deem proper and either with or without taking possession of the Property in its own name, demand, sue for or otherwise collect and receive all Rents and sums due under all Lease Guaranties, including those past due and unpaid with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as Lender may deem proper and may apply the Rents and sums received pursuant to any Lease Guaranties to the payment of the following in such order and proportion as Lender in its sole discretion may determine, any law, custom or use to the contrary notwithstanding: (a) all expenses of managing and securing the Property, including, without being limited thereto, the salaries, fees and wages of a managing agent and such other employees or agents as Lender may deem necessary or desirable and all expenses of operating and maintaining the Property, including, without being limited thereto, all taxes, charges, claims, assessments, water charges, sewer rents and any other liens, and premiums for all insurance which Lender may deem necessary or desirable, and the cost of all alterations, renovations, repairs or replacements, and all expenses incident to taking and retaining possession of the Property; and (b) the Debt, together with all costs and reasonable attorneys' fees. In addition, upon the occurrence of an Event of Default, Lender, at its option, may (1) at Borrower's expense, complete any construction on the Property in such manner and form as Lender deems advisable, (2) exercise all rights and powers of Borrower, including, without limitation, the right to negotiate, execute, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents from the Property and all sums due under any Lease Guaranties, (3) either require Borrower to pay monthly in advance to Lender, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupancy of such part of the Property as may be in possession of Borrower or (4) require Borrower to vacate and surrender possession of the Property to Lender or to such receiver and, in default thereof, Borrower may be evicted by summary proceedings or otherwise.

Section 3.2 OTHER REMEDIES. Nothing contained in this Assignment and no act done or omitted by Lender pursuant to the power and rights granted to Lender hereunder shall be deemed to be a waiver by Lender of its rights and remedies under the Loan Agreement, the Note, or the other Loan Documents and this Assignment is made and accepted without prejudice to any of the rights and remedies possessed by Lender under the terms thereof. The right of Lender to collect the Debt and to enforce any other security therefor held by it may be exercised by Lender either prior to, simultaneously with, or subsequent to any action taken by it hereunder. Borrower hereby absolutely, unconditionally and irrevocably waives any and all rights to assert any setoff, counterclaim or crossclaim of any nature whatsoever with respect to the obligations of Borrower under this Assignment, the Loan Agreement, the Note, the other Loan Documents or otherwise with respect to the Loan in any action or proceeding brought by Lender to collect same, or any portion thereof, or to enforce and realize upon the lien and security interest created by this Assignment, the Loan Agreement, the Note, or any of the other Loan Documents (provided, however, that the foregoing shall not be deemed a waiver of Borrower's right to assert any compulsory counterclaim if such counterclaim is compelled under local law or rule of procedure).

Section 3.3 OTHER SECURITY. Lender may take or release other security for the payment of the Debt, may release any party primarily or secondarily liable therefor and may

apply any other security held by it to the reduction or satisfaction of the Debt without prejudice to any of its rights under this Assignment.

Section 3.4 NON-WAIVER. The exercise by Lender of the option granted it in Section 3.1 of this Assignment and the collection of the Rents and sums due under the Lease Guaranties and the application thereof as herein provided shall not be considered a waiver of any default by Borrower under the Note, the Loan Agreement, the Leases, this Assignment or the other Loan Documents. The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Assignment. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (a) the failure of Lender to comply with any request of Borrower or any other party to take any action to enforce any of the provisions hereof or of the Loan Agreement, the Note or the other Loan Documents, (b) the release regardless of consideration, of the whole or any part of the Property, or (c) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of this Assignment, the Loan Agreement, the Note, or the other Loan Documents. Lender may resort for the payment of the Debt to any other security held by Lender in such order and manner as Lender, in its discretion, may elect. Lender may take any action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Lender thereafter to enforce its rights under this Assignment. The rights of Lender under this Assignment shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision.

Section 3.5 BANKRUPTCY. (a) Upon or at any time after the occurrence of an Event of Default, Lender shall have the right to proceed in its own name or in the name of Borrower in respect of any claim, suit, action or proceeding relating to the rejection of any Lease, including, without limitation, the right to file and prosecute, to the exclusion of Borrower, any proofs of claim, complaints, motions, applications, notices and other documents, in any case in respect of the lessee under such Lease under the Bankruptcy Code.

(b) If there shall be filed by or against Borrower a petition under the Bankruptcy Code, and Borrower, as lessor under any Lease, shall determine to reject such Lease pursuant to Section 365(a) of the Bankruptcy Code, then Borrower shall give Lender not less than ten (10) days' prior notice of the date on which Borrower shall apply to the bankruptcy court for authority to reject the Lease. Lender shall have the right, but not the obligation, to serve upon Borrower within such ten-day period a notice stating that (i) Lender demands that Borrower assume and assign the Lease to Lender pursuant to Section 365 of the Bankruptcy Code and (ii) Lender covenants to cure or provide adequate assurance of future performance under the Lease. If Lender serves upon Borrower the notice described in the preceding sentence, Borrower shall not seek to reject the Lease and shall comply with the demand provided for in clause (i) of the preceding sentence within thirty (30) days after the notice shall have been given, subject to the performance by Lender of the covenant provided for in clause (ii) of the preceding sentence.

ARTICLE 4 - NO LIABILITY, FURTHER ASSURANCES

Section 4.1 NO LIABILITY OF LENDER. This Assignment shall not be construed to bind Lender to the performance of any of the covenants, conditions or provisions contained in any Lease or Lease Guaranty or otherwise impose any obligation upon Lender. Lender shall not be liable for any loss sustained by Borrower resulting from Lender's failure to let the Property after an Event of Default or from any other act or omission of Lender in managing the Property after an Event of Default. Lender shall not be obligated to perform or discharge any obligation, duty or liability under the Leases or any Lease Guaranties or under or by reason of this Assignment and Borrower shall indemnify Lender for, and hold Lender harmless from, any and all liability, loss or damage which may or might be incurred under the Leases, any Lease Guaranties or under or by reason of this Assignment and from any and all claims and demands whatsoever, including the defense of any such claims or demands which may be asserted against Lender by reason of any alleged obligations and undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases or any Lease Guaranties. Should Lender incur any such liability, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured by this Assignment and by the Security Instrument and the other Loan Documents and Borrower shall reimburse Lender therefor immediately upon demand and upon the failure of Borrower so to do Lender may, at its option, declare all sums secured by this Assignment and by the Security Instrument and the other Loan Documents immediately due and payable. This Assignment shall not operate to place any obligation or liability for the control, care, management or repair of the Property upon Lender, nor for the carrying out of any of the terms and conditions of the Leases or any Lease Guaranties; nor shall it operate to make Lender responsible or liable for any waste committed on the Property by the tenants or any other parties, or for any dangerous or defective condition of the Property including, without limitation, the presence of any Hazardous Substances, or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger.

Section 4.2 NO MORTGAGEE IN POSSESSION. Nothing herein contained shall be construed as constituting Lender a "mortgagee in possession" in the absence of the taking of actual possession of the Property by Lender. In the exercise of the powers herein granted Lender, no liability shall be asserted or enforced against Lender, all such liability being expressly waived and released by Borrower.

Section 4.3 FURTHER ASSURANCES. Borrower will, at the cost of Borrower, and without expense to Lender, do, execute, acknowledge and deliver all and every such further acts, conveyances, assignments, notices of assignments, transfers and assurances as Lender shall, from time to time, require for the better assuring, conveying, assigning, transferring and confirming unto Lender the property and rights hereby assigned or intended now or hereafter so to be, or which Borrower may be or may hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Assignment or for filing, registering or recording this Assignment and, on demand, will execute and deliver and hereby authorizes Lender to execute in the name of Borrower to the extent Lender may lawfully do so, one or more financing statements, chattel mortgages or comparable security instruments, to evidence more effectively the lien and security interest hereof in and upon the Leases.

TERMS AND CONDITIONS

The Seller agrees to sell the Property, and the Buyer agrees to purchase the Property, on the following terms and conditions:

1. **Purchase Price.** The purchase price for the Property shall be \$ 1,480,000.00 (the "Purchase Price"). The Buyer shall pay the Purchase Price as follows:

- a. An earnest money deposit (the "Earnest Money") in an amount equal to ten percent (10%) of the Purchase Price within three (3) business days following the date of acceptance of the Agreement by the Seller (the "Acceptance Date").
- b. The balance of the Purchase Price, subject to any applicable credits and prorations, at Closing.

[Note: If the Buyer desires to enter into this Agreement subject to a financing contingency, then Rider A should be completed. Otherwise, Rider A should be left blank.]

[Note: If the Buyer purports to hold a mortgage interest in the Property and tenders this Agreement in connection with a credit bid, then Rider B should be completed. Otherwise, Rider B should be left blank.]

2. **Earnest Money.** The Earnest Money shall be held by First American Title Company ("First American Title") in a segregated escrow account. In connection with said Earnest Money deposit, the Buyer shall execute and deliver to the Seller a copy of that certain strict joint order escrow agreement in the form attached hereto as Exhibit A.
3. **Court Approval.** As soon as practicable after the Acceptance Date, the Seller shall move before the Honorable John Z. Lee or any Judge sitting in his stead or to whom he has made a referral in the SEC Action (the "Receivership Court") for approval of the sale of the Property pursuant to this Agreement. In the event that the Receivership Court does not issue the requisite approval, then the Agreement shall become null and void and all Earnest Money shall be promptly refunded to the Buyer.
4. **Escrow Closing.** This sale shall be closed through an escrow with First American Title in accordance with the general provisions of the usual form of deed and money escrow agreement then furnished and in use by said title company. Payment of the Purchase Price and delivery of the receiver's deed shall be made through the escrow. The cost of the escrow shall be divided equally between the Buyer and the Seller unless the Buyer acquires the Property with financing, in which event that portion of the cost of the escrow relating to the financing shall be borne by the Buyer. Unless otherwise specified herein, all other closing costs shall be paid in accordance with custom for apartment investment sales transactions in Cook County, Illinois.
5. **Irrevocable Offer.** This Agreement when executed by the Buyer and delivered to the Seller shall constitute an irrevocable offer to purchase the Property until 10/17/2019 (the "Offer Expiration Date"). In the event that the offer is not accepted by the Seller before the Offer Expiration Date, then the offer shall be deemed withdrawn. A.C.
KD
6. **Personal Property.** At Closing, the Seller shall tender to the Buyer a bill of sale for the personal property appurtenant to the Property (the "Personal Property") warranting only that Seller is the absolute owner of said Personalty, that said Personalty is free and clear of all liens, charges, and encumbrances, and that the Seller has the full right, power, and authority to sell said Personalty and to deliver the bill of sale. The Seller shall neither make nor adopt any warranty whatsoever with respect to the Personal Property and shall specifically disclaim any implied warranty of merchantability or fitness for a particular purpose. The price of the Personal Property shall be included in the Purchase Price, and the Buyer agrees to accept all such Personal Property in "as is" condition.
7. **The Closing Date.** The closing shall be held on a date (the "Closing Date") to be designated by the Seller after the Receivership Court approves the sale of the Property pursuant to this Agreement, provided, however, that the Buyer shall be entitled to five business days' advance Notice of the Closing Date.
8. **Conveyance of Title.** At Closing, the Seller shall convey title to the Property by a recordable form receiver's deed subject only to (a) general real estate taxes not yet due and payable at the time of Closing; (b) covenants, conditions, restrictions, or building lines and

easements of record, if any; (c) public and utility easements; (d) applicable zoning and building laws and ordinances; (f) acts done by or suffered through Buyer or anyone claiming by, through, or under Buyer; (g) governmental actions or proceedings concerning or affecting the Property; and (h) encroachments of a minor nature, if any, that can be insured over at closing (the "Permitted Exceptions"). The Seller agrees to surrender possession of the Property at the time of Closing.

9. **Commitment For Title Insurance.** Within ten (10) business days after the Acceptance Date, the Seller shall deliver to the Buyer evidence of merchantable title by delivering a commitment for title insurance with extended coverage from First American Title in the amount of the Purchase Price with a commitment date not earlier than July 1, 2019, subject only to general exceptions, the Permitted Exceptions, and exceptions pertaining to liens or encumbrances of a definite and ascertainable amount which may be removed by the payment of money by Seller, endorsed over by First American Title at the Seller's sole expense, or which will be extinguished by order of the Receivership Court. Such title commitment shall be conclusive evidence of good and merchantable title, subject only to the foregoing exceptions. If the commitment for title insurance discloses title exceptions other than the general exceptions, Permitted Exceptions, exceptions waivable through the payment of money or the issuance of an endorsement, or exceptions to be extinguished by Receivership Court order, the Seller shall have thirty (30) calendar days from the Closing Date to cure, or insure over, the unpermitted exceptions and the Closing shall be postponed until said unpermitted exceptions are cured or insured over. If the Seller fails to timely secure the removal of the unpermitted exceptions or obtain an endorsement insuring over the unpermitted exceptions, the Purchaser may terminate this Contract with a full refund of Earnest Money upon Notice to the Seller within ten (10) business days after the expiration of the thirty (30) day period. In such event, this Agreement shall become null and void and neither party shall thereafter have any rights against the other, and the Seller may not be held liable for direct, indirect, incidental, or consequential damages.

10. **Survey.** At least five (5) business days prior to the Closing Date, the Seller shall provide the Buyer with a survey by a licensed land surveyor dated not more than six months prior to the date of Closing, indicating the present location of all improvements. If the Buyer or the Buyer's mortgagee desires a more recent or extensive survey, the survey shall be obtained at the Buyer's expense.

11. **Assignment And Assumption Of Leases.** At Closing, the Seller shall deliver to the Buyer, and the Seller and Buyer shall execute, an assignment and assumption of leases (in the form attached hereto as Exhibit B) pursuant to which the Seller shall convey all right, title, and interest in and to any leases in effect at the Property to the Buyer, and the Buyer shall agree to assume all of the Seller's obligations under said leases.

12. **Prorations.** Prepaid service contracts and other similar items shall be credited ratably at Closing. Any and all rents collected from or on behalf of tenants until the date of the Closing shall be applied by the Seller first to past due balances and then to currently scheduled monthly rent. Each tenant's scheduled monthly rent shall then be prorated for the month of Closing. To

the extent that any tenant has paid all rent through and including the month prior to the Closing, then all additional rent received from such tenant shall be applied by the Seller first to rent for the period between the first day of the month in which the Closing occurs and the date of the Closing, and the balance of said rent, if any, shall be paid to the Buyer. Any and all rents that remain delinquent as of the Closing Date shall belong to the Buyer upon collection. Notwithstanding the foregoing, real estate taxes associated with the ownership of the Property shall be prorated as of the Closing Date based on 105% of the most recently ascertainable tax bill.

13. Inspection Period. The Buyer acknowledges that it was afforded the opportunity to conduct a limited tour of the Property prior to submitting its offer. Within three (3) calendar days following the Acceptance Date, the Seller shall produce the following documents to the Buyer (the "Due Diligence Materials"):

- a. Current Rent Roll. A current rent roll for the Property generated by the management company.
- b. Utility Bills. Copies of all utility bills relating to the Property, to the extent available, for the twelve calendar months preceding the month of the Acceptance Date.
- c. Leases. Copies of all existing leases affecting the Property.
- d. Profit & Loss Statement. A current trailing twelve-month profit and loss statement reflecting all categories of operating income and expenses associated with the Property, as generated by the management company.
- e. Litigation Documents. Copies of documents, including notices of violation, orders, judgments, and other pleadings, pertaining to any known litigation or proceedings currently affecting the Property.

In addition, the Seller shall allow the Buyer reasonable access to the Property for twenty days from and after the Acceptance Date (the "Inspection Period") for the purpose of conducting an inspection of the major structural and mechanical components of the Property. A major structural or mechanical component shall be deemed to be in acceptable operating condition if it substantially performs the function for which it is intended, regardless of age, and does not pose a threat to health or safety. In the event that the Buyer possesses sound evidence that any major structural or mechanical component of the Property does not substantially perform the function for which it is intended, then the Buyer shall have the right to terminate this Agreement upon the delivery of Notice to the Seller on or before the conclusion of the Inspection Period, such notice to be accompanied by the relevant pages of an inspection report prepared by a licensed or certified inspector and identifying the defect justifying the termination. Upon receipt by the Seller of the notice of termination, this Agreement shall be considered null and void and the parties shall be discharged of any and all obligations hereunder (except those obligations which survive termination) and First American Title shall

release the Earnest Money to the Buyer. In the event that the Buyer does not terminate the Agreement on or prior to the conclusion of the Inspection Period, the Property shall be considered accepted by the Buyer and the Earnest Money shall thereafter be non-refundable. In connection with its inspection of the Property, the Buyer shall keep the Property free and clear of liens, shall indemnify and hold Seller harmless from any and all liability, loss, cost, damage, or expense relating to its inspection of the Property, and shall repair any and all damage arising from the inspection. These obligations shall survive termination of the Agreement.

14. **Entry Into Or Renewal Of Contracts & Material Changes.** Following the expiration of the Inspection Period, the Seller shall not without the prior written consent of the Buyer, said consent not to be unreasonably withheld, conditioned, or delayed, enter into or renew any service contract or lease affecting or concerning the Property. In addition, the Seller shall not make any material changes to the Property, perform or engage in any act, or enter into any agreement that materially changes the value of the Property or the rights of the Buyer relating to the Property.

15. **Material Destruction.** Risk of loss to the Property shall be borne by the Seller until title has been conveyed to Buyer. If, prior to Closing, a material portion of the Property shall be destroyed or materially damaged by fire or other casualty, then the Seller shall provide prompt notice of said fire or other casualty to the Buyer and this Agreement shall thereafter, at the option of the Buyer, exercised by Notice to the Seller within five (5) business days after receipt of notice of such material damage, be null and void, and all Earnest Money shall be refunded to the Buyer. Failure of the Buyer to provide timely notice shall constitute a waiver of the right to terminate.

16. **Condition Of Property.** The Buyer understands and agrees that the Property is being sold "as is" and "with all faults" and that neither the Seller nor any agent or attorney of the Seller, makes, or has made, any representation or warranty as to the physical condition or value of the Property or its suitability for the Buyer's intended use. The Seller has no obligation to repair or correct any alleged patent or latent defect at the Property, or to compensate the Buyer for any such defect, and, upon closing, the Buyer waives, releases, acquits, and forever discharges the Seller, and all of the Seller's agents and attorneys, to the maximum extent permitted by law, from any and all claims, actions, causes or action, demands, rights, liabilities, losses, damages, costs, or expenses, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or which may arise in the future on account of or in any way arising from or relating to any alleged patent or latent defect at the Property.

17. **Buyer Default.** The Buyer and Seller agree that it would be difficult to ascertain the actual damages to be suffered by the Seller in the event of a default by the Buyer and that the amount of the Earnest Money deposited by the Buyer hereunder constitutes the parties' reasonable estimate of the Seller's damages in the event of the Buyer's default, and that upon any such default not caused by the Seller, the Seller shall be entitled to retain the Earnest

Money as liquidated damages, which shall constitute the Seller's sole and exclusive remedy in law or at equity in connection with said default.

18. **Seller Default.** In the event that the Seller shall fail to sell, transfer, and assign the Property to Purchaser in violation of the terms of this Agreement and/or fail to perform any other material obligation of Seller hereunder, then the Buyer may give Notice to the Seller specifying the nature of the default. The Seller shall thereafter have five (5) business days from receipt of said Notice, but in no event beyond the Closing Date, within which to cure the alleged default. If the Seller fails to cure the default within the cure period, then the Buyer shall be entitled to the return of all Earnest Money and (a) to declare the Agreement null and void and sue for reasonable out-of-pocket expenses incurred in connection with this Agreement prior to the alleged default or (b) to sue for specific performance, the parties recognizing that the Property is unique and that the Buyer otherwise lacks an adequate remedy at law. In the latter event, the Buyer is advised that Section VIII of the Order Appointing Receiver entered in the SEC Action enjoins the filing or prosecution of all civil proceedings against the Receiver, in his capacity as Receiver, until further order of the court.

19. **Representations and Warranties.** As a material inducement to the Buyer to enter into this Agreement, the Seller hereby makes the following representations and warranties, each of which shall remain true and correct as of the Closing Date:

- a. The Seller has the full right, power, and authority to convey the Property to the Buyer as provided in this Agreement and to carry out its obligations hereunder. In addition, the individual executing this Agreement on behalf of the Seller has the legal right, power, and authority to bind the Seller to the terms hereof.
- b. The Seller will not take any action affecting title to the Property following the Acceptance Date.
- c. To the best of the Seller's knowledge, there are no actions, investigations, suits, or proceedings, pending or threatened, that affect the Property, or the ownership or operation thereof, other than the SEC Action and the following:
City of Chicago v. TR# 800236385, Circuit Court of Cook County, Municipal Division, Case No. 17-M1-401223.
- d. To the best of the Seller's knowledge, the Property is not in violation, nor has been under investigation for violation, of any federal, state, or local law, ordinance, or regulation regulating environmental conditions in, at, on, under, or about the Property, including but not limited to, soil and groundwater conditions.

20. **Notices.** All notices required or permitted under this Agreement shall be in writing and served by registered or certified United States mail, return receipt requested; nationally recognized overnight mail courier (signature required); or electronic mail (evidenced by

competent and authentic proof of transmission). Any notices given to the Seller shall be delivered to the Seller's counsel, at the following physical or e-mail addresses:

21. Like-Kind Exchange. The Seller agrees to cooperate if the Buyer elects to acquire the Property as part of a like-kind exchange under Section 1031 of the Internal Revenue Code. The Buyer's contemplated exchange shall not impose upon the Seller any additional liability or financial obligation, and the Buyer agrees to hold the Seller harmless from any liability that might arise from such exchange. This Agreement is neither subject to nor contingent upon the Buyer's ability to dispose of its exchange property or to effectuate an exchange. In the event any exchange contemplated by the Buyer should fail to occur, for whatever reason, the sale of the Property shall nonetheless be consummated as provided herein.

22. Real Estate Agents. Purchaser represents and warrants that, other than Seller's Agent and Buyer's Agent, if any, no other putative real estate agent or broker was involved in submitting, showing, marketing, or selling the Property to the Buyer, and the Buyer agrees to indemnify and hold Seller, and its successors and assigns, harmless from and against any and all liability, loss, damages, cost, or expense, including reasonable attorneys' fees, arising from or relating to any claim for a commission, fee, or other form of payment or compensation asserted by a putative real estate agent or broker purporting to have procured the Buyer in connection with this Agreement.

23. **Foreign Investor Disclosure.** The Seller and the Buyer agree to execute and deliver any instrument, affidavit, or statement, and to perform any act reasonably necessary to carry out the provisions of the Foreign Investment in Real Property Tax Act and regulations promulgated thereunder. The Seller represents that the Seller is not a foreign person as defined in Section 1445 of the Internal Revenue Code.

24. **Merger.** This Agreement expresses the entire agreement of the parties and supersedes any and all previous agreements or understandings between them with regard to the Property. There are no other understandings, oral or written, which in any way alter or enlarge the terms of this Agreement, and there are no warranties or representations of any nature whatsoever, either express or implied, except as set forth herein. This Agreement may be modified only by a written instrument signed by the party to be charged.

25. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

“UCC” means the Uniform Commercial Code as promulgated in the applicable jurisdiction.

2. Uniform Commercial Code Security Agreement.

- (a) This Instrument is also a security agreement under the UCC for any of the Mortgaged Property which, under applicable law, may be subjected to a security interest under the UCC, for the purpose of securing Borrower’s obligations under

this Instrument and to further secure Borrower's obligations under the Note, this Instrument and other Loan Documents, whether such Mortgaged Property is owned now or acquired in the future, and all products and cash and non-cash proceeds thereof (collectively, "UCC Collateral"), and by this Instrument, Borrower grants to Lender a security interest under the UCC in the UCC Collateral. To the extent necessary under applicable law, Borrower hereby authorizes Lender to prepare and file financing statements, continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest.

- (b) Unless Borrower gives Notice to Lender within 30 days after the occurrence of any of the following, and executes and delivers to Lender modifications or supplements of this Instrument (and any financing statement which may be filed in connection with this Instrument) as Lender may require, Borrower will not (i) change its name, identity, structure or jurisdiction of organization; (ii) change the location of its place of business (or chief executive office if more than one place of business), or (iii) add to or change any location at which any of the Mortgaged Property is stored, held or located.
- (c) If an Event of Default has occurred and is continuing, Lender will have the remedies of a secured party under the UCC, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Lender's other remedies.
- (d) This Instrument also constitutes a financing statement with respect to any part of the Mortgaged Property that is or may become a Fixture, if permitted by applicable law.

3. Assignment of Rents; Appointment of Receiver; Lender in Possession.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Rents.
- (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower.
- (ii) Promptly upon request by Lender, Borrower agrees to execute and deliver such further assignments as Lender may from time to time require. Borrower and Lender intend this assignment of Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.

(iii) For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, Rents will not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on Rents in favor of Lender, which Lien will be effective as of the date of this Instrument.

(b) (i) Until the occurrence of an Event of Default, Lender hereby grants to Borrower a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender and to apply all Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including Imposition Reserve Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities, Taxes and insurance premiums (to the extent not included in deposits to Reserve Funds), tenant improvements and other capital expenditures.

(ii) So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be retained by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Instrument.

(iii) After the occurrence of an Event of Default, and during the continuance of such Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender from and after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower's license to collect Rents will automatically terminate and Lender will without Notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Borrower will pay to Lender upon demand all Rents to which Lender is entitled.

(iv) At any time on or after the date of Lender's demand for Rents, Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender. No tenant will be obligated to inquire further as to the occurrence or continuance of an Event of Default. No tenant will be obligated to pay to Borrower any amounts which are actually paid to Lender in response to such a notice. Any such notice by Lender will be

delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Borrower will not interfere with and will cooperate with Lender's collection of such Rents.

- (c) If an Event of Default has occurred and is continuing, then Lender will have each of the following rights and may take any of the following actions:
- (i) Lender may, regardless of the adequacy of Lender's security or the solvency of Borrower and even in the absence of waste, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of Repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing the assignment of Rents pursuant to Section 3(a), protecting the Mortgaged Property or the security of this Instrument, or for such other purposes as Lender in its discretion may deem necessary or desirable.
 - (ii) Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender's security, without regard to Borrower's solvency and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte* if permitted by applicable law.
 - (iii) If Borrower is a housing cooperative corporation or association, Borrower hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including deposits to Reserve Funds, it being acknowledged and agreed that the Indebtedness is an obligation of Borrower and must be paid out of maintenance charges payable by Borrower's tenant shareholders under their proprietary leases or occupancy agreements.
 - (iv) Lender or the receiver, as the case may be, will be entitled to receive a reasonable fee for managing the Mortgaged Property.

- (v) Immediately upon appointment of a receiver or immediately upon Lender's entering upon and taking possession and control of the Mortgaged Property, Borrower will surrender possession of the Mortgaged Property to Lender or the receiver, as the case may be, and will deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property and all security deposits and prepaid Rents.
- (vi) If Lender takes possession and control of the Mortgaged Property, then Lender may exclude Borrower and its representatives from the Mortgaged Property.

Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 3 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

- (d) If Lender enters the Mortgaged Property, Lender will be liable to account only to Borrower and only for those Rents actually received. Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property, by reason of any act or omission of Lender under Section 3(e), and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law.
- (e) If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes will become an additional part of the Indebtedness as provided in Section 7.
- (f) Any entering upon and taking of control of the Mortgaged Property by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument will not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

4. Assignment of Leases; Leases Affecting the Mortgaged Property.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower's right, title and interest in, to and under the Leases, including Borrower's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.

- (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower's right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.
- (ii) For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases will not be deemed to be a part of the Mortgaged Property.
- (iii) However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property Jurisdiction, then the Leases will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on the Leases in favor of Lender, which Lien will be effective as of the date of this Instrument.
- (b) Until Lender gives Notice to Borrower of Lender's exercise of its rights under this Section 4, Borrower will have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this Section or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, and during the continuance of such Event of Default, the permission given to Borrower pursuant to the preceding sentence to exercise all rights, power and authority under Leases will automatically terminate. Borrower will comply with and observe Borrower's obligations under all Leases, including Borrower's obligations pertaining to the maintenance and disposition of tenant security deposits.
- (c) (i) Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this Section 4 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements.
- (ii) The acceptance by Lender of the assignment of the Leases pursuant to Section 4(a) will not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses.
- (iii) Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable in any way for any injury or damage to person or property sustained by any Person in or about the Mortgaged Property.

- (iv) Prior to Lender's actual entry into and taking possession of the Mortgaged Property, Lender will not be obligated for any of the following:
- (A) Lender will not be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease).
 - (B) Lender will not be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property.
 - (C) Lender will not be responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property. The execution of this Instrument by Borrower will constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and will be that of Borrower, prior to such actual entry and taking of possession.
- (d) Upon delivery of Notice by Lender to Borrower of Lender's exercise of Lender's rights under this Section 4 at any time after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately will have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.
- (e) Borrower will, promptly upon Lender's request, deliver to Lender an executed copy of each residential Lease then in effect.
- (f) If Borrower is a cooperative housing corporation or association, notwithstanding anything to the contrary contained in this Instrument, so long as Borrower remains a cooperative housing corporation or association and is not in breach of any covenant of this Instrument, Lender consents to the following:
- (i) Borrower may execute leases of apartments for a term in excess of 2 years to a tenant shareholder of Borrower, so long as such leases, including proprietary leases, are and will remain subordinate to the Lien of this Instrument.
 - (ii) Borrower may surrender or terminate such leases of apartments where the surrendered or terminated lease is immediately replaced or where Borrower makes its best efforts to secure such immediate replacement by a newly-executed lease of the same apartment to a tenant shareholder of

Borrower. However, no consent is given by Lender to any excution, surrender, termination or assignment of a lease under terms that would waive or reduce the obligation of the resulting tenant shareholder under such lease to pay cooperative assessments in full when due or the obligation of the former tenant shareholder to pay any unpaid portion of such assessments.

5. **Prepayment Charge.** Borrower will be required to pay a Prepayment charge in connection with certain prepayments of the Indebtedness, including a payment made after Lender's exercise of any right of acceleration of the Indebtedness, as provided in the Note.
6. **Application of Payments.** If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount that is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized will constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower's obligations under this Instrument, the Note and all other Loan Documents will remain unchanged.
7. **Protection of Lender's Security; Instrument Secures Future Advances.**
- (a) If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including all of the following:
- (i) Lender may pay Attorneys' Fees and Costs.
 - (ii) Lender may pay fees and out-of-pocket expenses of accountants, inspectors and consultants.
 - (iii) Lender may enter upon the Mortgaged Property to make Repairs or secure the Mortgaged Property.
 - (iv) Lender may procure the Insurance required by the Loan Agreement.

- (v) Lender may pay any amounts which Borrower has failed to pay under the Loan Agreement.
 - (vi) Lender may perform any of Borrower's obligations under the Loan Agreement.
 - (vii) Lender may make advances to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a Prior Lien.
- (b) Any amounts disbursed by Lender under this Section 7, or under any other provision of this Instrument that treats such disbursement as being made under this Section 7, will be secured by this Instrument, will be added to, and become part of, the principal component of the Indebtedness, will be immediately due and payable and will bear interest from the date of disbursement until paid at the Default Annual Interest Rate.
- (c) Nothing in this Section 7 will require Lender to incur any expense or take any action.

8. **Events of Default.** An Event of Default under the Loan Agreement will constitute an Event of Default under this Instrument.
9. **Remedies Cumulative.** Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument, the Loan Agreement or any other Loan Document or afforded by applicable law or equity, and each will be cumulative and may be exercised concurrently, independently or successively, in any order. Lender's exercise of any particular right or remedy will not in any way prevent Lender from exercising any other right or remedy available to Lender. Lender may exercise any such remedies from time to time and as often as Lender chooses.
10. **Waiver of Statute of Limitations, Offsets and Counterclaims.** Borrower waives the right to assert any statute of limitations as a bar to the enforcement of the Lien of this Instrument or to any action brought to enforce any Loan Document. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations under this Instrument will be a valid defense to, or result in any offset against, any payments that Borrower is obligated to make under any of the Loan Documents.
11. **Waiver of Marshalling.**
- (a) Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender will have the right to

determine the order in which any or all of the Mortgaged Property will be subjected to the remedies provided in this Instrument, the Note, the Loan Agreement or any other Loan Document or under applicable law. Lender will have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies.

(b) Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

12. **Reserved.**

13. **Governing Law; Consent to Jurisdiction and Venue.** This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, will be governed by the laws of the Property Jurisdiction. Borrower agrees that any controversy arising under or in relation to the Note, this Instrument or any other Loan Document may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction will have jurisdiction over all controversies that may arise under or in relation to the Note, any security for the Indebtedness or any other Loan Document. Borrower irrevocably consents to service, jurisdiction and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Section 13 is intended to limit Lender's right to bring any suit, action or proceeding relating to matters under this Instrument in any court of any other jurisdiction.

14. **Notice.** All Notices, demands and other communications under or concerning this Instrument will be governed by the terms set forth in the Loan Agreement.

15. **Successors and Assigns Bound.** This Instrument will bind the respective successors and assigns of Borrower and Lender, and the rights granted by this Instrument will inure to Lender's successors and assigns.

16. **Joint and Several Liability.** If more than one Person signs this Instrument as Borrower, the obligations of such Persons will be joint and several.

17. **Relationship of Parties; No Third Party Beneficiary.**

(a) The relationship between Lender and Borrower will be solely that of creditor and debtor, respectively, and nothing contained in this Instrument will create any other relationship between Lender and Borrower. Nothing contained in this

Instrument will constitute Lender as a joint venturer, partner or agent of Borrower, or render Lender liable for any debts, obligations, acts, omissions, representations or contracts of Borrower.

- (b) No creditor of any party to this Instrument and no other Person will be a third party beneficiary of this Instrument or any other Loan Document. Without limiting the generality of the preceding sentence, (i) any arrangement (“**Servicing Arrangement**”) between Lender and any Loan Servicer for loss sharing or interim advancement of funds will constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (ii) Borrower will not be a third party beneficiary of any Servicing Arrangement, and (iii) no payment by the Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

18. Severability; Amendments.

- (a) The invalidity or unenforceability of any provision of this Instrument will not affect the validity or enforceability of any other provision, and all other provisions will remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument.
- (b) This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought.

19. Construction.

- (a) The captions and headings of the Sections of this Instrument are for convenience only and will be disregarded in construing this Instrument. Any reference in this Instrument to a “Section” will, unless otherwise explicitly provided, be construed as referring to a Section of this Instrument.
- (b) Any reference in this Instrument to a statute or regulation will be construed as referring to that statute or regulation as amended from time to time.
- (c) Use of the singular in this Instrument includes the plural and use of the plural includes the singular. The use of one gender includes the other gender, as the context may require.
- (d) As used in this Instrument, the term “including” means “including, but not limited to” and the term “includes” means “includes without limitation.”
- (e) Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument or other document in this Instrument will be construed as referring to such agreement, instrument or other document as from time to time

amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in this Instrument), and (ii) any reference in this Instrument to any Person will be construed to include such Person's successors and assigns.

- (f) Any reference in this Instrument to "Lender's requirements," "as required by Lender," or similar references will be construed, after Securitization, to mean Lender's requirements or standards as determined in accordance with Lender's and Loan Servicer's obligations under the terms of the Securitization documents.

20. Subrogation. If, and to the extent that, the proceeds of the Loan evidenced by the Note, or subsequent advances under Section 7, are used to pay, satisfy or discharge a Prior Lien, such loan proceeds or advances will be deemed to have been advanced by Lender at Borrower's request, and Lender will automatically, and without further action on its part, be subrogated to the rights, including Lien priority, of the owner or holder of the obligation secured by the Prior Lien, whether or not the Prior Lien is released.

21-30. Reserved.

- 31. Acceleration; Remedies.** At any time during the existence of an Event of Default, Lender, at Lender's option, may declare all of the Indebtedness to be immediately due and payable without further demand, and may foreclose this Instrument by judicial proceeding and may invoke any other remedies permitted by Illinois law or provided in this Instrument, the Loan Agreement or in any other Loan Document. The Indebtedness will include, Lender will be entitled to collect, and any decree which adjudicates the amount secured by this Instrument will include all costs and expenses incurred in pursuing such remedies, including Attorneys' Fees and Costs, costs of documentary evidence, abstracts and title reports, any of which may be estimated to reflect the costs and expenses to be incurred after the entry of such a decree.
- 32. Release.** Upon payment of the Indebtedness, Lender will release this Instrument. Borrower will pay Lender's reasonable costs incurred in releasing this Instrument.
- 33. Waiver of Homestead and Redemption.** Borrower releases and waives all rights under the homestead and exemption laws of the State of Illinois. Borrower acknowledges that the Mortgaged Property does not include "agricultural real estate" or "residential real estate" as those terms are defined in 735 ILCS 5/15-1201 and 5/15-1219. Pursuant to 735 ILCS 5/15-1601(b), Borrower waives any and all rights of redemption from sale under any order of foreclosure of this Instrument, or other rights of redemption, which may run to Borrower or any other Owner of Redemption, as that term is defined in 735 ILCS 5/15-1212. Borrower waives all rights of reinstatement under 735 ILCS 5/15-1602 to the fullest extent permitted by Illinois law.
- 34. Maximum Amount of Indebtedness.** Notwithstanding any provision to the contrary in this Instrument, the Note or any other Loan Document which permits any additional sums

to be advanced on or after the date of this Instrument, whether as additional loans or for any payments authorized by this Instrument, the total amount of the principal component of the Indebtedness will not at any time exceed 300% of the original principal amount of the Note set forth on the first page of this Instrument.

35. **Illinois Collateral Protection Act.** Unless Borrower provides Lender with evidence of the insurance coverage required by the Loan Documents, Lender may purchase insurance at Borrower's expense to protect Lender's interest in the Mortgaged Property. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower may make or any claim that is made against Borrower in connection with the Mortgaged Property. Borrower may cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by the Loan Documents. If Lender purchases insurance for the Mortgaged Property, Borrower will be responsible for the costs of that insurance, including interest and any other charges that Lender may impose in connection with the placement of such insurance, until the effective date of the cancellation or expiration of such insurance. Without limitation of any other provision of this Instrument, the cost of such insurance will be added to the cost of the Indebtedness secured hereby. The cost of such insurance may be more than the cost of insurance Borrower may be able to obtain on its own.

36. **Applicability of Illinois Mortgage Foreclosure Law.** To ensure the maximum degree of flexibility of the Loan Documents under the Illinois Mortgage Foreclosure Law, if any provision of this Instrument is inconsistent with any applicable provision of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-101, *et seq.*, as amended from time to time ("Act"), the provisions of the Act will take precedence over the provisions of this Instrument, but the Act will not invalidate or render unenforceable any other provision of this Instrument that can be fairly construed in a manner consistent with the Act. Without in any way limiting any of the Lender's rights, remedies, powers and authorities provided in this Instrument or otherwise, and in addition to all of such rights, remedies, powers and authorities, Lender will also have all rights, remedies, powers and authorities permitted to the holder of a mortgage under the Act. If any provision of this Instrument will grant to Lender any rights, remedies, powers or authorities upon default of the Borrower which are more limited than what would be vested in Lender under the Act in the absence of such provision, Lender will have such rights, remedies, powers and authorities that would be otherwise vested in it under the Act. Without limitation, all expenses (including Attorneys' Fees and Costs) incurred by Lender to the extent reimbursable under 735 ILCS 5/15-1510, 5/15-1512 or any other provision of the Act, whether incurred before or after any judgment of foreclosure, will be added to the Indebtedness and included in the judgment of foreclosure.

37. **WAIVER OF TRIAL BY JURY.**

(a) **BORROWER AND LENDER EACH COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE**

ARISING OUT OF THIS INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY.

(b) BORROWER AND LENDER EACH WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

38. This Instrument Secures Future Advances. If and to the extent that any portion of the Indebtedness is to be advanced from and after the date of the making of the Loan, Lender agrees to make such advances in accordance with the terms and conditions of the Loan Agreement, which has been executed contemporaneously with this Instrument, and such amounts will be a Lien from the date of recordation of this Instrument as provided in 5/15-1302(b)(1) of the Act.

39. Attached Riders. The following Riders are attached to this Instrument: None.

The Seller agrees to sell the Property, and the Buyer agrees to purchase the Property, on the following terms and conditions:

1. **Purchase Price**. The purchase price for the Property shall be \$ 1,240,000 (the "Purchase Price"). The Buyer shall pay the Purchase Price as follows:
 - a. An earnest money deposit (the "Earnest Money") in an amount equal to ten percent (10%) of the Purchase Price within three (3) business days following the date of acceptance of the Agreement by the Seller (the "Acceptance Date").
 - b. The balance of the Purchase Price, subject to any applicable credits and prorations, at Closing.

[Note: If the Buyer desires to enter into this Agreement subject to a financing contingency, then Rider A should be completed. Otherwise, Rider A should be left blank.]

[Note: If the Buyer purports to hold a mortgage interest in the Property and tenders this Agreement in connection with a credit bid, then Rider B should be completed. Otherwise, Rider B should be left blank.]

2. **Earnest Money.** The Earnest Money shall be held by First American Title Company ("First American Title") in a segregated escrow account. In connection with said Earnest Money deposit, the Buyer shall execute and deliver to the Seller a copy of that certain strict joint order escrow agreement in the form attached hereto as Exhibit A.

3. **Court Approval.** As soon as practicable after the Acceptance Date, the Seller shall move before the Honorable John Z. Lee or any judge sitting in his stead or to whom he has made a referral in the SEC Action (the "Receivership Court") for approval of the sale of the Property pursuant to this Agreement. In the event that the Receivership Court does not issue the requisite approval, then the Agreement shall become null and void and all Earnest Money shall be promptly refunded to the Buyer.

4. **Escrow Closing.** This sale shall be closed through an escrow with First American Title in accordance with the general provisions of the usual form of deed and money escrow agreement then furnished and in use by said title company. Payment of the Purchase Price and delivery of the receiver's deed shall be made through the escrow. Unless otherwise specified herein, all other closing costs shall be paid in accordance with custom for apartment investment sales transactions in Cook County, Illinois.

5. **Irrevocable Offer.** ~~This Agreement when executed by the Buyer and delivered to the Seller shall constitute an irrevocable offer to purchase the Property until~~ August 28, 2019 (the "Offer Expiration Date"). ~~In the event that the offer is not accepted by the Seller before the Offer Expiration Date, then the offer shall be deemed withdrawn.~~

6. **Personal Property.** At Closing, the Seller shall tender to the Buyer a bill of sale for the personal property appurtenant to the Property (the "Personal Property") warranting only that Seller is the absolute owner of said Personalty, that said Personalty is free and clear of all liens, charges, and encumbrances, and that the Seller has the full right, power, and authority to sell said Personalty and to deliver the bill of sale. The Seller shall neither make nor adopt any warranty whatsoever with respect to the Personal Property and shall specifically disclaim any implied warranty of merchantability or fitness for a particular purpose. The price of the Personal Property shall be included in the Purchase Price, and the Buyer agrees to accept all such Personal Property in "as is" condition.

7. **The Closing Date.** The closing shall be held on a date (the "Closing Date") to be designated by the Seller after the Receivership Court approves the sale of the Property pursuant to this Agreement, provided, however, that the Buyer shall be entitled to five business days' advance Notice of the Closing Date.

8. **Conveyance of Title.** At Closing, the Seller shall convey title to the Property by a recordable form receiver's deed subject only to (a) general real estate taxes not yet due and payable at the time of Closing; (b) covenants, conditions, restrictions, or building lines and

easements of record, if any; (c) public and utility easements; (d) applicable zoning and building laws and ordinances; (f) acts done by or suffered through Buyer or anyone claiming by, through, or under Buyer; (g) governmental actions or proceedings concerning or affecting the Property; and (h) encroachments of a minor nature, if any, that can be insured over at closing (the "Permitted Exceptions"). The Seller agrees to surrender possession of the Property at the time of Closing.

9. **Commitment For Title Insurance.** Within ten (10) business days after the Acceptance Date, the Seller shall deliver to the Buyer evidence of merchantable title by delivering a commitment for title insurance with extended coverage from First American Title in the amount of the Purchase Price with a commitment date not earlier than July 1, 2019, subject only to general exceptions, the Permitted Exceptions, and exceptions pertaining to liens or encumbrances of a definite and ascertainable amount which may be removed by the payment of money by Seller, endorsed over by First American Title at the Seller's sole expense, or which will be extinguished by order of the Receivership Court. Such title commitment shall be conclusive evidence of good and merchantable title, subject only to the foregoing exceptions. If the commitment for title insurance discloses title exceptions other than the general exceptions, Permitted Exceptions, exceptions waivable through the payment of money or the issuance of an endorsement, or exceptions to be extinguished by Receivership Court order, the Seller shall have thirty (30) calendar days from the Closing Date to cure, or insure over, the unpermitted exceptions and the Closing shall be postponed until said unpermitted exceptions are cured or insured over. If the Seller fails to timely secure the removal of the unpermitted exceptions or obtain an endorsement insuring over the unpermitted exceptions, the Purchaser may terminate this Contract with a full refund of Earnest Money upon Notice to the Seller within ten (10) business days after the expiration of the thirty (30) day period. In such event, this Agreement shall become null and void and neither party shall thereafter have any rights against the other, and the Seller may not be held liable for direct, indirect, incidental, or consequential damages.

10. **Survey.** At least five (5) business days prior to the Closing Date, the Seller shall provide the Buyer with a survey by a licensed land surveyor dated not more than six months prior to the date of Closing, indicating the present location of all improvements. If the Buyer or the Buyer's mortgagee desires a more recent or extensive survey, the survey shall be obtained at the Buyer's expense.

11. **Assignment And Assumption Of Leases.** At Closing, the Seller shall deliver to the Buyer, and the Seller and Buyer shall execute, an assignment and assumption of leases (in the form attached hereto as Exhibit B) pursuant to which the Seller shall convey all right, title, and interest in and to any leases in effect at the Property to the Buyer, and the Buyer shall agree to assume all of the Seller's obligations under said leases.

12. **Prorations.** Prepaid service contracts and other similar items shall be credited ratably at Closing. Any and all rents collected from or on behalf of tenants until the date of the Closing shall be applied by the Seller first to past due balances and then to currently scheduled monthly rent. Each tenant's scheduled monthly rent shall then be prorated for the month of Closing. To

the extent that any tenant has paid all rent through and including the month prior to the Closing, then all additional rent received from such tenant shall be applied by the Seller first to rent for the period between the first day of the month in which the Closing occurs and the date of the Closing, and the balance of said rent, if any, shall be paid to the Buyer. Any and all rents that remain delinquent as of the Closing Date shall belong to the Buyer upon collection. Notwithstanding the foregoing, real estate taxes associated with the ownership of the Property shall be prorated as of the Closing Date based on 105% of the most recently ascertainable tax bill.

13. **Inspection Period.** The Buyer acknowledges that it was afforded the opportunity to conduct a limited tour of the Property prior to submitting its offer. Within three (3) calendar days following the Acceptance Date, the Seller shall produce the following documents to the Buyer (the "Due Diligence Materials"):

- a. **Current Rent Roll.** A current rent roll for the Property generated by the management company.
- b. **Utility Bills.** Copies of all utility bills relating to the Property, to the extent available, for the twelve calendar months preceding the month of the Acceptance Date.
- c. **Leases.** Copies of all existing leases affecting the Property.
- d. **Profit & Loss Statement.** A current trailing twelve-month profit and loss statement reflecting all categories of operating income and expenses associated with the Property, as generated by the management company.
- e. **Litigation Documents.** Copies of documents, including notices of violation, orders, judgments, and other pleadings, pertaining to any known litigation or proceedings currently affecting the Property.

In addition, the Seller shall allow the Buyer reasonable access to the Property for twenty days from and after the Acceptance Date (the "Inspection Period") for the purpose of conducting an inspection of the major structural and mechanical components of the Property. A major structural or mechanical component shall be deemed to be in acceptable operating condition if it substantially performs the function for which it is intended, regardless of age, and does not pose a threat to health or safety. In the event that the Buyer possesses sound evidence that any major structural or mechanical component of the Property does not substantially perform the function for which it is intended, then the Buyer shall have the right to terminate this Agreement upon the delivery of Notice to the Seller on or before the conclusion of the Inspection Period, such notice to be accompanied by the relevant pages of an inspection report prepared by a licensed or certified inspector and identifying the defect justifying the termination. Upon receipt by the Seller of the notice of termination, this Agreement shall be considered null and void and the parties shall be discharged of any and all obligations hereunder (except those obligations which survive termination) and First American Title shall

release the Earnest Money to the Buyer. In the event that the Buyer does not terminate the Agreement on or prior to the conclusion of the Inspection Period, the Property shall be considered accepted by the Buyer and the Earnest Money shall thereafter be non-refundable. In connection with its inspection of the Property, the Buyer shall keep the Property free and clear of liens, shall indemnify and hold Seller harmless from any and all liability, loss, cost, damage, or expense relating to its inspection of the Property, and shall repair any and all damage arising from the inspection. These obligations shall survive termination of the Agreement.

14. **Entry Into Or Renewal Of Contracts & Material Changes.** Following the expiration of the Inspection Period, the Seller shall not without the prior written consent of the Buyer, said consent not to be unreasonably withheld, conditioned, or delayed, enter into or renew any service contract or lease affecting or concerning the Property. In addition, the Seller shall not make any material changes to the Property, perform or engage in any act, or enter into any agreement that materially changes the value of the Property or the rights of the Buyer relating to the Property.

15. **Material Destruction.** Risk of loss to the Property shall be borne by the Seller until title has been conveyed to Buyer. If, prior to Closing, a material portion of the Property shall be destroyed or materially damaged by fire or other casualty, then the Seller shall provide prompt notice of said fire or other casualty to the Buyer and this Agreement shall thereafter, at the option of the Buyer, exercised by Notice to the Seller within five (5) business days after receipt of notice of such material damage, be null and void, and all Earnest Money shall be refunded to the Buyer. Failure of the Buyer to provide timely notice shall constitute a waiver of the right to terminate.

16. **Condition Of Property.** The Buyer understands and agrees that the Property is being sold "as is" and "with all faults" and that neither the Seller nor any agent or attorney of the Seller, makes, or has made, any representation or warranty as to the physical condition or value of the Property or its suitability for the Buyer's intended use. The Seller has no obligation to repair or correct any alleged patent or latent defect at the Property, or to compensate the Buyer for any such defect, and, upon closing, the Buyer waives, releases, acquits, and forever discharges the Seller, and all of the Seller's agents and attorneys, to the maximum extent permitted by law, from any and all claims, actions, causes or action, demands, rights, liabilities, losses, damages, costs, or expenses, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or which may arise in the future on account of or in any way arising from or relating to any alleged patent or latent defect at the Property.

17. **Buyer Default.** The Buyer and Seller agree that it would be difficult to ascertain the actual damages to be suffered by the Seller in the event of a default by the Buyer and that the amount of the Earnest Money deposited by the Buyer hereunder constitutes the parties' reasonable estimate of the Seller's damages in the event of the Buyer's default, and that upon any such default not caused by the Seller, the Seller shall be entitled to retain the Earnest

Money as liquidated damages, which shall constitute the Seller's sole and exclusive remedy in law or at equity in connection with said default.

18. **Seller Default.** In the event that the Seller shall fail to sell, transfer, and assign the Property to Purchaser in violation of the terms of this Agreement and/or fail to perform any other material obligation of Seller hereunder, then the Buyer may give Notice to the Seller specifying the nature of the default. The Seller shall thereafter have five (5) business days from receipt of said Notice, but in no event beyond the Closing Date, within which to cure the alleged default. If the Seller fails to cure the default within the cure period, then the Buyer shall be entitled to the return of all Earnest Money and (a) to declare the Agreement null and void and sue for reasonable out-of-pocket expenses incurred in connection with this Agreement prior to the alleged default or (b) to sue for specific performance, the parties recognizing that the Property is unique and that the Buyer otherwise lacks an adequate remedy at law. In the latter event, the Buyer is advised that Section VIII of the Order Appointing Receiver entered in the SEC Action enjoins the filing or prosecution of all civil proceedings against the Receiver, in his capacity as Receiver, until further order of the court.

19. **Representations and Warranties.** As a material inducement to the Buyer to enter into this Agreement, the Seller hereby makes the following representations and warranties, each of which shall remain true and correct as of the Closing Date:

- a. The Seller has the full right, power, and authority to convey the Property to the Buyer as provided in this Agreement and to carry out its obligations hereunder. In addition, the individual executing this Agreement on behalf of the Seller has the legal right, power, and authority to bind the Seller to the terms hereof.
- b. The Seller will not take any action affecting title to the Property following the Acceptance Date.

TERMS AND CONDITIONS

The Seller agrees to sell the Property, and the Buyer agrees to purchase the Property, on the following terms and conditions:

1. **Purchase Price.** The purchase price for the Property shall be \$1,122,000.00 (the "Purchase Price"), subject to Rider B. The Buyer shall pay the Purchase Price as follows:
 - a. An earnest money deposit (the "Earnest Money") in an amount equal to ten percent (10%) of the Purchase Price within three (3) business days following the date of acceptance of the Agreement by the Seller (the "Acceptance Date").
 - b. The balance of the Purchase Price, subject to any applicable credits and prorations, at Closing.

[Note: If the Buyer desires to enter into this Agreement subject to a financing contingency, then Rider A should be completed. Otherwise, Rider A should be left blank.]

[Note: If the Buyer purports to hold a mortgage interest in the Property and tenders this Agreement in connection with a credit bid, then Rider B should be completed. Otherwise, Rider B should be left blank.]

2. **Earnest Money.** The Earnest Money shall be held by First American Title Company ("First American Title") in a segregated escrow account. In connection with said Earnest Money deposit, the Buyer shall execute and deliver to the Seller a copy of that certain strict joint order escrow agreement in the form attached hereto as Exhibit A.
3. **Court Approval.** As soon as practicable after the Acceptance Date, the Seller shall move before the Honorable John Z. Lee or any judge sitting in his stead or to whom he has made a referral in the SEC Action (the "Receivership Court") for approval of the sale of the Property pursuant to this Agreement. In the event that the Receivership Court does not issue the requisite approval, then the Agreement shall become null and void and all Earnest Money shall be promptly refunded to the Buyer.
4. **Escrow Closing.** This sale shall be closed through an escrow with First American Title in accordance with the general provisions of the usual form of deed and money escrow agreement then furnished and in use by said title company. Payment of the Purchase Price and delivery of the receiver's deed shall be made through the escrow. The cost of the escrow shall be divided equally between the Buyer and the Seller unless the Buyer acquires the Property with financing, in which event that portion of the cost of the escrow relating to the financing shall be borne by the Buyer. Unless otherwise specified herein, all other closing costs shall be paid in accordance with custom for apartment investment sales transactions in Cook County, Illinois.
5. **Irrevocable Offer.** This Agreement when executed by the Buyer and delivered to the Seller shall constitute an irrevocable offer to purchase the Property until October 31, 2019 (the "Offer Expiration Date"). In the event that the offer is not accepted by the Seller before the Offer Expiration Date, then the offer shall be deemed withdrawn.

6. **Personal Property.** At Closing, the Seller shall tender to the Buyer a bill of sale for the personal property appurtenant to the Property (the "Personal Property") warranting only that Seller is the absolute owner of said Personal Property, that said Personal Property is free and clear of all liens, charges, and encumbrances, and that the Seller has the full right, power, and authority to sell said Personal Property and to deliver the bill of sale. The Seller shall neither make nor adopt any warranty whatsoever with respect to the Personal Property and shall specifically disclaim any implied warranty of merchantability or fitness for a particular purpose. The price of the Personal Property shall be included in the Purchase Price, and the Buyer agrees to accept all such Personal Property in "as is" condition.

7. **The Closing Date.** The closing shall be held on a date (the "Closing Date") to be designated by the Seller after the Receivership Court approves the sale of the Property pursuant to this Agreement, provided, however, that the Buyer shall be entitled to five business days' advance Notice of the Closing Date.

8. **Conveyance of Title.** At Closing, the Seller shall convey title to the Property by a recordable form receiver's deed subject only to (a) general real estate taxes not yet due and payable at the time of Closing; (b) covenants, conditions, restrictions, or building lines and easements of record, if any; (c) public and utility easements; (d) applicable zoning and building laws and ordinances; (f) acts done by or suffered through Buyer or anyone claiming by, through, or under Buyer; and (g) encroachments of a minor nature, if any, that can be insured over at closing (the "Permitted Exceptions"). The Seller agrees to surrender possession of the Property at the time of Closing.

9. **Commitment For Title Insurance.** Within ten (10) business days after the Acceptance Date, the Seller shall deliver to the Buyer evidence of merchantable title by delivering a commitment for title insurance with extended coverage from First American Title in the amount of the Purchase Price with a commitment date not earlier than October 5, 2019, subject only to general exceptions, the Permitted Exceptions, and exceptions pertaining to liens or encumbrances of a definite and ascertainable amount which may be removed by the payment of money by Seller, endorsed over by First American Title at the Seller's sole expense, or which will be extinguished by order of the Receivership Court. Such title commitment shall be conclusive evidence of good and merchantable title, subject only to the foregoing exceptions. If the commitment for title insurance discloses title exceptions other than the general exceptions, Permitted Exceptions, exceptions waivable through the payment of money or the issuance of an endorsement, or exceptions to be extinguished by Receivership Court order, the Seller shall have thirty (30) calendar days from the Closing Date to cure, or insure over, the unpermitted exceptions and the Closing shall be postponed until said unpermitted exceptions are cured or insured over. If the Seller fails to timely secure the removal of the unpermitted exceptions or obtain an endorsement insuring over the unpermitted exceptions in a manner reasonably satisfactory to Buyer, the Buyer may terminate this Contract with a full refund of Earnest Money upon Notice to the Seller within ten (10) business days after the expiration of the thirty (30) day period. In such event, this Agreement shall become null and void and neither party shall thereafter

have any rights against the other, and the Seller may not be held liable for direct, indirect, incidental, or consequential damages.

10. **Survey.** At least five (5) business days prior to the Closing Date, the Seller shall provide the Buyer with a survey by a licensed land surveyor dated not more than six months prior to the date of Closing, indicating the present location of all improvements. If the Buyer or the Buyer's mortgagee desires a more recent or extensive survey, the survey shall be obtained at the Buyer's expense.

11. **Assignment And Assumption Of Leases.** At Closing, the Seller shall deliver to the Buyer, and the Seller and Buyer shall execute, an assignment and assumption of leases (in the form attached hereto as Exhibit B) pursuant to which the Seller shall convey all right, title, and interest in and to any leases in effect at the Property to the Buyer, and the Buyer shall agree to assume all of the Seller's obligations under said leases.

12. **Prorations.** Prepaid service contracts and other similar items shall be credited ratably at Closing. Any and all rents collected from or on behalf of tenants until the date of the Closing shall be applied by the Seller first to past due balances and then to currently scheduled monthly rent. Each tenant's scheduled monthly rent shall then be prorated for the month of Closing. To the extent that any tenant has paid all rent through and including the month prior to the Closing, then all additional rent received from such tenant shall be applied by the Seller first to rent for the period between the first day of the month in which the Closing occurs and the date of the Closing, and the balance of said rent, if any, shall be paid to the Buyer. Any and all rents that remain delinquent as of the Closing Date shall belong to the Buyer upon collection. Notwithstanding the foregoing, real estate taxes associated with the ownership of the Property shall be prorated as of the Closing Date based on 105% of the most recently ascertainable tax bill.

13. **Inspection Period.** The Buyer acknowledges that it was afforded the opportunity to conduct a limited tour of the Property prior to submitting its offer. Within three (3) calendar days following the Acceptance Date, the Seller shall produce the following documents to the Buyer (the "Due Diligence Materials"):

- a. **Current Rent Roll.** A current rent roll for the Property generated by the management company.
- b. **Utility Bills.** Copies of all utility bills relating to the Property, to the extent available, for the twelve calendar months preceding the month of the Acceptance Date.
- c. **Leases.** Copies of all existing leases affecting the Property.
- d. **Profit & Loss Statement.** A current trailing twelve-month profit and loss statement reflecting all categories of operating income and expenses associated with the Property, as generated by the management company.

- e. Litigation Documents. Copies of documents, including notices of violation, orders, judgments, and other pleadings, pertaining to any known litigation or proceedings currently affecting the Property.

In addition, the Seller shall allow the Buyer reasonable access to the Property for twenty days from and after the Acceptance Date (the "Inspection Period") for the purpose of conducting an inspection of the major structural and mechanical components of the Property. A major structural or mechanical component shall be deemed to be in acceptable operating condition if it substantially performs the function for which it is intended, regardless of age, and does not pose a threat to health or safety. In the event that the Buyer possesses sound evidence that any major structural or mechanical component of the Property does not substantially perform the function for which it is intended, then the Buyer shall have the right to terminate this Agreement upon the delivery of Notice to the Seller on or before the conclusion of the Inspection Period, such notice to be accompanied by the relevant pages of an inspection report prepared by a licensed or certified inspector and identifying the defect justifying the termination. Upon receipt by the Seller of the notice of termination, this Agreement shall be considered null and void and the parties shall be discharged of any and all obligations hereunder (except those obligations which survive termination) and First American Title shall release the Earnest Money to the Buyer. In the event that the Buyer does not terminate the Agreement on or prior to the conclusion of the Inspection Period, the Property shall be considered accepted by the Buyer and the Earnest Money shall thereafter be non-refundable, except as provided in Section 18. In connection with its inspection of the Property, the Buyer shall keep the Property free and clear of liens, shall indemnify and hold Seller harmless from any and all liability, loss, cost, damage, or expense relating to its inspection of the Property, and shall repair any and all damage arising from the inspection. These obligations shall survive termination of the Agreement.

14. Entry Into Or Renewal Of Contracts & Material Changes. Following the expiration of the Inspection Period, the Seller shall not without the prior written consent of the Buyer, said consent not to be unreasonably withheld, conditioned, or delayed, enter into or renew any service contract or lease affecting or concerning the Property. In addition, the Seller shall not make any material changes to the Property, perform or engage in any act, or enter into any agreement that materially changes the value of the Property or the rights of the Buyer relating to the Property.

15. Material Destruction. Risk of loss to the Property shall be borne by the Seller until title has been conveyed to Buyer. If, prior to Closing, a material portion of the Property shall be destroyed or materially damaged by fire or other casualty, then the Seller shall provide prompt notice of said fire or other casualty to the Buyer and this Agreement shall thereafter, at the option of the Buyer, exercised by Notice to the Seller within five (5) business days after receipt of notice of such material damage, be null and void, and all Earnest Money shall be refunded to the Buyer. Failure of the Buyer to provide timely notice shall constitute a waiver of the right to terminate.

16. **Condition Of Property.** The Buyer understands and agrees that the Property is being sold "as is" and "with all faults" and that neither the Seller nor any agent or attorney of the Seller, makes, or has made, any representation or warranty as to the physical condition or value of the Property or its suitability for the Buyer's intended use. The Seller has no obligation to repair or correct any alleged patent or latent defect at the Property, or to compensate the Buyer for any such defect, and, upon closing, the Buyer waives, releases, acquits, and forever discharges the Seller, and all of the Seller's agents and attorneys, to the maximum extent permitted by law, from any and all claims, actions, causes or action, demands, rights, liabilities, losses, damages, costs, or expenses, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or which may arise in the future on account of or in any way arising from or relating to any alleged patent or latent defect at the Property.

17. **Buyer Default.** The Buyer and Seller agree that it would be difficult to ascertain the actual damages to be suffered by the Seller in the event of a default by the Buyer and that the amount of the Earnest Money deposited by the Buyer hereunder constitutes the parties' reasonable estimate of the Seller's damages in the event of the Buyer's default, and that upon any such default not caused by the Seller, the Seller shall be entitled to retain the Earnest Money as liquidated damages, which shall constitute the Seller's sole and exclusive remedy in law or at equity in connection with said default.

18. **Seller Default.** In the event that the Seller shall fail to sell, transfer, and assign the Property to Buyer in violation of the terms of this Agreement and/or fail to perform any other material obligation of Seller hereunder, then the Buyer may give Notice to the Seller specifying the nature of the default. The Seller shall thereafter have five (5) business days from receipt of said Notice, but in no event beyond the Closing Date, within which to cure the alleged default. If the Seller fails to cure the default within the cure period, then the Buyer shall be entitled to the return of all Earnest Money and (a) to declare the Agreement null and void and sue for reasonable out-of-pocket expenses incurred in connection with this Agreement prior to the alleged default or (b) to sue for specific performance, the parties recognizing that the Property is unique and that the Buyer otherwise lacks an adequate remedy at law. In the latter event, the Buyer is advised that Section VIII of the Order Appointing Receiver entered in the SEC Action enjoins the filing or prosecution of all civil proceedings against the Receiver, in his capacity as Receiver, until further order of the court. Notwithstanding the foregoing, the Receiver does hereby consent to suit by the Buyer for specific performance of this Agreement.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on September 5th, 2014. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O Hard Money Company, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of One Million Eight Hundred Thousand and 00/100 Dollars (U.S. \$1,800,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument ("Note"), which provides for a final payment of the full debt, if not paid earlier, due and payable March 1st, 2016. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-27-105-003-0000

which has the address of 7109-7119 S Calumet Ave. Chicago, IL 60619 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. "UCC" means the Uniform Commercial Code as promulgated in the applicable jurisdiction.

2. **Uniform Commercial Code Security Agreement.**

- (a) This Instrument is also a security agreement under the UCC for any of the Mortgaged Property which, under applicable law, may be subjected to a security

interest under the UCC, for the purpose of securing Borrower's obligations under this Instrument and to further secure Borrower's obligations under the Note, this Instrument and other Loan Documents, whether such Mortgaged Property is owned now or acquired in the future, and all products and cash and non-cash proceeds thereof (collectively, "UCC Collateral"), and by this Instrument, Borrower grants to Lender a security interest under the UCC in the UCC Collateral. To the extent necessary under applicable law, Borrower hereby authorizes Lender to prepare and file financing statements, continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest.

- (b) Unless Borrower gives Notice to Lender within 30 days after the occurrence of any of the following, and executes and delivers to Lender modifications or supplements of this Instrument (and any financing statement which may be filed in connection with this Instrument) as Lender may require, Borrower will not (i) change its name, identity, structure or jurisdiction of organization; (ii) change the location of its place of business (or chief executive office if more than one place of business); or (iii) add to or change any location at which any of the Mortgaged Property is stored, held or located.
- (c) If an Event of Default has occurred and is continuing, Lender will have the remedies of a secured party under the UCC, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Lender's other remedies.
- (d) This Instrument also constitutes a financing statement with respect to any part of the Mortgaged Property that is or may become a Fixture, if permitted by applicable law.

3. Assignment of Rents; Appointment of Receiver; Lender in Possession.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Rents.
 - (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower.
 - (ii) Promptly upon request by Lender, Borrower agrees to execute and deliver such further assignments as Lender may from time to time require. Borrower and Lender intend this assignment of Rents to be immediately

effective and to constitute an absolute present assignment and not an assignment for additional security only.

- (iii) For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, Rents will not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on Rents in favor of Lender, which Lien will be effective as of the date of this Instrument.
- (b)
 - (i) Until the occurrence of an Event of Default, Lender hereby grants to Borrower a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender and to apply all Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including Imposition Reserve Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities, Taxes and insurance premiums (to the extent not included in deposits to Reserve Funds), tenant improvements and other capital expenditures.
 - (ii) So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be retained by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Instrument.
 - (iii) After the occurrence of an Event of Default, and during the continuance of such Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender. From and after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower's license to collect Rents will automatically terminate and Lender will without Notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Borrower will pay to Lender upon demand all Rents to which Lender is entitled.
 - (iv) At any time on or after the date of Lender's demand for Rents, Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender. No tenant will be obligated to inquire further as to the occurrence or continuance of an Event of Default. No tenant will be

obligated to pay to Borrower any amounts which are actually paid to Lender in response to such a notice. Any such notice by Lender will be delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Borrower will not interfere with and will cooperate with Lender's collection of such Rents.

(c) If an Event of Default has occurred and is continuing, then Lender will have each of the following rights and may take any of the following actions:

(i) Lender may, regardless of the adequacy of Lender's security or the solvency of Borrower and even in the absence of waste, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of Repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing the assignment of Rents pursuant to Section 3(a), protecting the Mortgaged Property or the security of this Instrument, or for such other purposes as Lender in its discretion may deem necessary or desirable.

(ii) Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender's security, without regard to Borrower's solvency and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte* if permitted by applicable law.

(iii) If Borrower is a housing cooperative corporation or association, Borrower hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including deposits to Reserve Funds, it being acknowledged and agreed that the Indebtedness is an obligation of Borrower and must be paid out of maintenance charges payable by Borrower's tenant shareholders under their proprietary leases or occupancy agreements.

- (iv) Lender or the receiver, as the case may be, will be entitled to receive a reasonable fee for managing the Mortgaged Property.
- (v) Immediately upon appointment of a receiver or immediately upon Lender's entering upon and taking possession and control of the Mortgaged Property, Borrower will surrender possession of the Mortgaged Property to Lender or the receiver, as the case may be, and will deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property and all security deposits and prepaid Rents.
- (vi) If Lender takes possession and control of the Mortgaged Property, then Lender may exclude Borrower and its representatives from the Mortgaged Property.

Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 3 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

- (d) If Lender enters the Mortgaged Property, Lender will be liable to account only to Borrower and only for those Rents actually received. Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property, by reason of any act or omission of Lender under Section 3(c), and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law.
- (e) If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes will become an additional part of the Indebtedness as provided in Section 7.
- (f) Any entering upon and taking of control of the Mortgaged Property by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument will not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

4. Assignment of Leases; Leases Affecting the Mortgaged Property.

- (a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower's right, title and interest in, to and under the Leases, including Borrower's right, power and

authority to modify the terms of any such Lease, or extend or terminate any such Lease.

- (i) It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower's right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only.
 - (ii) For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases will not be deemed to be a part of the Mortgaged Property.
 - (iii) However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property Jurisdiction, then the Leases will be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a Lien on the Leases in favor of Lender, which Lien will be effective as of the date of this Instrument.
- (b) Until Lender gives Notice to Borrower of Lender's exercise of its rights under this Section 4, Borrower will have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this Section or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, and during the continuance of such Event of Default, the permission given to Borrower pursuant to the preceding sentence to exercise all rights, power and authority under Leases will automatically terminate. Borrower will comply with and observe Borrower's obligations under all Leases, including Borrower's obligations pertaining to the maintenance and disposition of tenant security deposits.
- (c) (i) Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this Section 4 will not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements.
 - (ii) The acceptance by Lender of the assignment of the Leases pursuant to Section 4(a) will not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses.

- (iii) Except to the extent of Lender's gross negligence or willful misconduct, Lender will not be liable in any way for any injury or damage to person or property sustained by any Person in or about the Mortgaged Property.
- (iv) Prior to Lender's actual entry into and taking possession of the Mortgaged Property, Lender will not be obligated for any of the following:
 - (A) Lender will not be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease).
 - (B) Lender will not be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property.
 - (C) Lender will not be responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property. The execution of this Instrument by Borrower will constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and will be that of Borrower, prior to such actual entry and taking of possession.
- (d) Upon delivery of Notice by Lender to Borrower of Lender's exercise of Lender's rights under this Section 4 at any time after the occurrence of an Event of Default, and during the continuance of such Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately will have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.
- (e) Borrower will, promptly upon Lender's request, deliver to Lender an executed copy of each residential Lease then in effect.
- (f) If Borrower is a cooperative housing corporation or association, notwithstanding anything to the contrary contained in this Instrument, so long as Borrower remains a cooperative housing corporation or association and is not in breach of any covenant of this Instrument, Lender consents to the following:
 - (i) Borrower may execute leases of apartments for a term in excess of 2 years to a tenant shareholder of Borrower, so long as such leases, including proprietary leases, are and will remain subordinate to the Lien of this Instrument.

(ii) Borrower may surrender or terminate such leases of apartments where the surrendered or terminated lease is immediately replaced or where Borrower makes its best efforts to secure such immediate replacement by a newly-executed lease of the same apartment to a tenant shareholder of Borrower. However, no consent is given by Lender to any execution, surrender, termination or assignment of a lease under terms that would waive or reduce the obligation of the resulting tenant shareholder under such lease to pay cooperative assessments in full when due or the obligation of the former tenant shareholder to pay any unpaid portion of such assessments.

5. **Prepayment Charge.** Borrower will be required to pay a Prepayment charge in connection with certain prepayments of the Indebtedness, including a payment made after Lender's exercise of any right of acceleration of the Indebtedness, as provided in the Note.

6. **Application of Payments.** If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount that is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized will constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower's obligations under this Instrument, the Note and all other Loan Documents will remain unchanged.

7. **Protection of Lender's Security; Instrument Secures Future Advances.**

(a) If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including all of the following:

(i) Lender may pay Attorneys' Fees and Costs.

(ii) Lender may pay fees and out-of-pocket expenses of accountants, inspectors and consultants.

- (iii) Lender may enter upon the Mortgaged Property to make Repairs or secure the Mortgaged Property.
 - (iv) Lender may procure the Insurance required by the Loan Agreement.
 - (v) Lender may pay any amounts which Borrower has failed to pay under the Loan Agreement.
 - (vi) Lender may perform any of Borrower's obligations under the Loan Agreement.
 - (vii) Lender may make advances to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a Prior Lien.
- (b) Any amounts disbursed by Lender under this Section 7, or under any other provision of this Instrument that treats such disbursement as being made under this Section 7, will be secured by this Instrument, will be added to, and become part of, the principal component of the Indebtedness, will be immediately due and payable and will bear interest from the date of disbursement until paid at the Default Annual Interest Rate.
- (c) Nothing in this Section 7 will require Lender to incur any expense or take any action.

8. Events of Default. An Event of Default under the Loan Agreement will constitute an Event of Default under this Instrument.

9. Remedies Cumulative. Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument, the Loan Agreement or any other Loan Document or afforded by applicable law or equity, and each will be cumulative and may be exercised concurrently, independently or successively, in any order. Lender's exercise of any particular right or remedy will not in any way prevent Lender from exercising any other right or remedy available to Lender. Lender may exercise any such remedies from time to time and as often as Lender chooses.

10. Waiver of Statute of Limitations, Offsets and Counterclaims. Borrower waives the right to assert any statute of limitations as a bar to the enforcement of the Lien of this Instrument or to any action brought to enforce any Loan Document. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or otherwise to offset any obligations to make the payments required by the Loan Documents. No failure by Lender to perform any of its obligations under this Instrument will be a valid defense to, or result in any offset against, any payments that Borrower is obligated to make under any of the Loan Documents.

11. Waiver of Marshalling.

- (a) Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender will have the right to determine the order in which any or all of the Mortgaged Property will be subjected to the remedies provided in this Instrument, the Note, the Loan Agreement or any other Loan Document or under applicable law. Lender will have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies.
- (b) Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

12. Reserved.

13. Governing Law; Consent to Jurisdiction and Venue. This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, will be governed by the laws of the Property Jurisdiction. Borrower agrees that any controversy arising under or in relation to the Note, this Instrument or any other Loan Document may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction will have jurisdiction over all controversies that may arise under or in relation to the Note, any security for the Indebtedness or any other Loan Document. Borrower irrevocably consents to service, jurisdiction and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Section 13 is intended to limit Lender's right to bring any suit, action or proceeding relating to matters under this Instrument in any court of any other jurisdiction.

14. Notice. All Notices, demands and other communications under or concerning this Instrument will be governed by the terms set forth in the Loan Agreement.

15. Successors and Assigns Bound. This Instrument will bind the respective successors and assigns of Borrower and Lender, and the rights granted by this Instrument will inure to Lender's successors and assigns.

16. Joint and Several Liability. If more than one Person signs this Instrument as Borrower, the obligations of such Persons will be joint and several.

17. Relationship of Parties; No Third Party Beneficiary.

- (a) The relationship between Lender and Borrower will be solely that of creditor and debtor, respectively, and nothing contained in this Instrument will create any other relationship between Lender and Borrower. Nothing contained in this Instrument will constitute Lender as a joint venturer, partner or agent of Borrower, or render Lender liable for any debts, obligations, acts, omissions, representations or contracts of Borrower.
- (b) No creditor of any party to this Instrument and no other Person will be a third party beneficiary of this Instrument or any other Loan Document. Without limiting the generality of the preceding sentence, (i) any arrangement (“**Servicing Arrangement**”) between Lender and any Loan Servicer for loss sharing or interim advancement of funds will constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (ii) Borrower will not be a third party beneficiary of any Servicing Arrangement, and (iii) no payment by the Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

18. Severability; Amendments.

- (a) The invalidity or unenforceability of any provision of this Instrument will not affect the validity or enforceability of any other provision, and all other provisions will remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument.
- (b) This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought.

19. Construction.

- (a) The captions and headings of the Sections of this Instrument are for convenience only and will be disregarded in construing this Instrument. Any reference in this Instrument to a “Section” will, unless otherwise explicitly provided, be construed as referring to a Section of this Instrument.
- (b) Any reference in this Instrument to a statute or regulation will be construed as referring to that statute or regulation as amended from time to time.
- (c) Use of the singular in this Instrument includes the plural and use of the plural includes the singular. The use of one gender includes the other gender, as the context may require.

- (d) As used in this Instrument, the term “including” means “including, but not limited to” and the term “includes” means “includes without limitation.”
- (e) Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument or other document in this Instrument will be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in this Instrument), and (ii) any reference in this Instrument to any Person will be construed to include such Person’s successors and assigns.
- (f) Any reference in this Instrument to “Lender’s requirements,” “as required by Lender,” or similar references will be construed, after Securitization, to mean Lender’s requirements or standards as determined in accordance with Lender’s and Loan Servicer’s obligations under the terms of the Securitization documents.

20. **Subrogation.** If, and to the extent that, the proceeds of the Loan evidenced by the Note, or subsequent advances under Section 7, are used to pay, satisfy or discharge a Prior Lien, such loan proceeds or advances will be deemed to have been advanced by Lender at Borrower’s request, and Lender will automatically, and without further action on its part, be subrogated to the rights, including Lien priority, of the owner or holder of the obligation secured by the Prior Lien, whether or not the Prior Lien is released.

END OF UNIFORM COVENANTS; STATE-SPECIFIC PROVISIONS FOLLOW

21-30. Reserved.

31. **Acceleration; Remedies.** At any time during the existence of an Event of Default, Lender, at Lender’s option, may declare all of the Indebtedness to be immediately due and payable without further demand, and may foreclose this Instrument by judicial proceeding and may invoke any other remedies permitted by Illinois law or provided in this Instrument, the Loan Agreement or in any other Loan Document. The Indebtedness will include, Lender will be entitled to collect, and any decree which adjudicates the amount secured by this Instrument will include, all costs and expenses incurred in pursuing such remedies, including Attorneys’ Fees and Costs, costs of documentary evidence, abstracts and title reports, any of which may be estimated to reflect the costs and expenses to be incurred after the entry of such a decree.
32. **Release.** Upon payment of the Indebtedness, Lender will release this Instrument. Borrower will pay Lender’s reasonable costs incurred in releasing this Instrument.
33. **Waiver of Homestead and Redemption.** Borrower releases and waives all rights under the homestead and exemption laws of the State of Illinois. Borrower acknowledges that the Mortgaged Property does not include “agricultural real estate” or “residential real estate” as those terms are defined in 735 ILCS 5/15-1201 and 5/15-1219. Pursuant to 735

ILCS 5/15-1601(b), Borrower waives any and all rights of redemption from sale under any order of foreclosure of this Instrument, or other rights of redemption, which may run to Borrower or any other Owner of Redemption, as that term is defined in 735 ILCS 5/15-1212. Borrower waives all rights of reinstatement under 735 ILCS 5/15-1602 to the fullest extent permitted by Illinois law.

34. **Maximum Amount of Indebtedness.** Notwithstanding any provision to the contrary in this Instrument, the Note or any other Loan Document which permits any additional sums to be advanced on or after the date of this Instrument, whether as additional loans or for any payments authorized by this Instrument, the total amount of the principal component of the Indebtedness will not at any time exceed 300% of the original principal amount of the Note set forth on the first page of this Instrument.
35. **Illinois Collateral Protection Act.** Unless Borrower provides Lender with evidence of the insurance coverage required by the Loan Documents, Lender may purchase insurance at Borrower's expense to protect Lender's interest in the Mortgaged Property. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower may make or any claim that is made against Borrower in connection with the Mortgaged Property. Borrower may cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by the Loan Documents. If Lender purchases insurance for the Mortgaged Property, Borrower will be responsible for the costs of that insurance, including interest and any other charges that Lender may impose in connection with the placement of such insurance, until the effective date of the cancellation or expiration of such insurance. Without limitation of any other provision of this Instrument, the cost of such insurance will be added to the cost of the Indebtedness secured hereby. The cost of such insurance may be more than the cost of insurance Borrower may be able to obtain on its own.
36. **Applicability of Illinois Mortgage Foreclosure Law.** To ensure the maximum degree of flexibility of the Loan Documents under the Illinois Mortgage Foreclosure Law, if any provision of this Instrument is inconsistent with any applicable provision of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-101, *et seq.*, as amended from time to time ("Act"), the provisions of the Act will take precedence over the provisions of this Instrument, but the Act will not invalidate or render unenforceable any other provision of this Instrument that can be fairly construed in a manner consistent with the Act. Without in any way limiting any of the Lender's rights, remedies, powers and authorities provided in this Instrument or otherwise, and in addition to all of such rights, remedies, powers and authorities, Lender will also have all rights, remedies, powers and authorities permitted to the holder of a mortgage under the Act. If any provision of this Instrument will grant to Lender any rights, remedies, powers or authorities upon default of the Borrower which are more limited than what would be vested in Lender under the Act in the absence of such provision, Lender will have such rights, remedies, powers and authorities that would be otherwise vested in it under the Act. Without limitation, all expenses (including Attorneys' Fees and Costs) incurred by Lender to the extent reimbursable under 735

ILCS 5/15-1510, 5/15-1512 or any other provision of the Act, whether incurred before or after any judgment of foreclosure, will be added to the Indebtedness and included in the judgment of foreclosure.

37. WAIVER OF TRIAL BY JURY.

(a) **BORROWER AND LENDER EACH COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY.**

(b) **BORROWER AND LENDER EACH WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.**

38. This Instrument Secures Future Advances. If and to the extent that any portion of the Indebtedness is to be advanced from and after the date of the making of the Loan, Lender agrees to make such advances in accordance with the terms and conditions of the Loan Agreement, which has been executed contemporaneously with this Instrument, and such amounts will be a Lien from the date of recordation of this Instrument as provided in 5/15-1302(b)(1) of the Act.

TERMS AND CONDITIONS

The Seller agrees to sell the Property, and the Buyer agrees to purchase the Property, on the following terms and conditions:

1. Purchase Price. The purchase price for the Property shall be \$ 1,125,000.00 (the "Purchase Price"). The Buyer shall pay the Purchase Price as follows:

- a. An earnest money deposit (the "Earnest Money") in an amount equal to ten percent (10%) of the Purchase Price within three (3) business days following the date of acceptance of the Agreement by the Seller (the "Acceptance Date").
- b. The balance of the Purchase Price, subject to any applicable credits and prorations, at Closing.

[Note: If the Buyer desires to enter into this Agreement subject to a financing contingency, then Rider A should be completed. Otherwise, Rider A should be left blank.]

[Note: If the Buyer purports to hold a mortgage interest in the Property and tenders this Agreement in connection with a credit bid, then Rider B should be completed. Otherwise, Rider B should be left blank.]

2 Earnest Money. The Earnest Money shall be held by First American Title Company ("First American Title") in a segregated escrow account. In connection with said Earnest Money deposit, the Buyer shall execute and deliver to the Seller a copy of that certain strict joint order escrow agreement in the form attached hereto as Exhibit A.

3 Court Approval. As soon as practicable after the Acceptance Date, the Seller shall move before the Honorable John Z. 5 Irrevocable Offer. This Agreement when executed by the Buyer and delivered to the Seller shall constitute an irrevocable offer to purchase the Property until October 21, 2019 (the "Offer Expiration Date"). 6. Personal Property. At Closing, the Seller shall tender to the Buyer a bill of sale for the personal property appurtenant to the Property (the "Personal Property") warranting only that Seller is the absolute owner of said Personal Property, that said Personal Property is free and clear of all liens, charges, and encumbrances, and that the Seller has the full right, power, and authority to sell said Personal Property and to deliver the bill of sale. The Seller shall neither make nor adopt any warranty whatsoever with respect to the Personal Property and shall specifically disclaim any implied warranty of merchantability or fitness for a particular purpose. The price of the Personal Property shall be included in the Purchase Price, and the Buyer agrees to accept all such Personal Property in "as is" condition.

7 The Closing Date. The closing shall be held on a date (the "Closing Date") to be designated by the Seller after the Receivership Court approves the sale of the Property pursuant to this Agreement, provided, however, that the Buyer shall be entitled to five business days' advance Notice of the Closing Date.

8 Conveyance of Title. At Closing, the Seller shall convey title to the Property by a recordable form receiver's deed subject only to (a) general real estate taxes not yet due and payable at the time of Closing, (b) covenants, conditions, restrictions, or building lines and

easements of record, if any; (c) public and utility easements; (d) applicable zoning and building laws and ordinances; (f) acts done by or suffered through Buyer or anyone claiming by, through, or under Buyer; (g) governmental actions or proceedings concerning or affecting the Property; and (h) encroachments of a minor nature, if any, that can be insured over at closing (the "Permitted Exceptions"). The Seller agrees to surrender possession of the Property at the time of Closing.

9. **Commitment For Title Insurance.** Within ten (10) business days after the Acceptance Date, the Seller shall deliver to the Buyer evidence of merchantable title by delivering a commitment for title insurance with extended coverage from First American Title in the amount of the Purchase Price with a commitment date not earlier than July 1, 2019, subject only to general exceptions, the Permitted Exceptions, and exceptions pertaining to liens or encumbrances of a definite and ascertainable amount which may be removed by the payment of money by Seller, endorsed over by First American Title at the Seller's sole expense, or which will be extinguished by order of the Receivership Court. Such title commitment shall be conclusive evidence of good and merchantable title, subject only to the foregoing exceptions. If the commitment for title insurance discloses title exceptions other than the general exceptions, Permitted Exceptions, exceptions waivable through the payment of money or the issuance of an endorsement, or exceptions to be extinguished by Receivership Court order, the Seller shall have thirty (30) calendar days from the Closing Date to cure, or insure over, the unpermitted exceptions and the Closing shall be postponed until said unpermitted exceptions are cured or insured over. If the Seller fails to timely secure the removal of the unpermitted exceptions or obtain an endorsement insuring over the unpermitted exceptions, the Purchaser may terminate this Contract with a full refund of Earnest Money upon Notice to the Seller within ten (10) business days after the expiration of the thirty (30) day period. In such event, this Agreement shall become null and void and neither party shall thereafter have any rights against the other, and the Seller may not be held liable for direct, indirect, incidental, or consequential damages.

10. **Survey.** At least five (5) business days prior to the Closing Date, the Seller shall provide the Buyer with a survey by a licensed land surveyor dated not more than six months prior to the date of Closing, indicating the present location of all improvements. If the Buyer or the Buyer's mortgagee desires a more recent or extensive survey, the survey shall be obtained at the Buyer's expense.

11. **Assignment And Assumption Of Leases** At Closing, the Seller shall deliver to the Buyer, and the Seller and Buyer shall execute, an assignment and assumption of leases (in the form attached hereto as Exhibit B) pursuant to which the Seller shall convey all right, title, and interest in and to any leases in effect at the Property to the Buyer, and the Buyer shall agree to assume all of the Seller's obligations under said leases.

12. **Prorations.** Prepaid service contracts and other similar items shall be credited ratably at Closing. Any and all rents collected from or on behalf of tenants until the date of the Closing shall be applied by the Seller first to past due balances and then to currently scheduled monthly rent. Each tenant's scheduled monthly rent shall then be prorated for the month of Closing. To

the extent that any tenant has paid all rent through and including the month prior to the Closing, then all additional rent received from such tenant shall be applied by the Seller first to rent for the period between the first day of the month in which the Closing occurs and the date of the Closing, and the balance of said rent, if any, shall be paid to the Buyer. Any and all rents that remain delinquent as of the Closing Date shall belong to the Buyer upon collection. Notwithstanding the foregoing, real estate taxes associated with the ownership of the Property shall be prorated as of the Closing Date based on 105% of the most recently ascertainable tax bill

13 Inspection Period. The Buyer acknowledges that it was afforded the opportunity to conduct a limited tour of the Property prior to submitting its offer. Within three (3) calendar days following the Acceptance Date, the Seller shall produce the following documents to the Buyer (the "Due Diligence Materials"):

- a. Current Rent Roll. A current rent roll for the Property generated by the management company
- b. Utility Bills. Copies of all utility bills relating to the Property, to the extent available, for the twelve calendar months preceding the month of the Acceptance Date
- c. Leases. Copies of all existing leases affecting the Property
- d. Profit & Loss Statement. A current trailing twelve-month profit and loss statement reflecting all categories of operating income and expenses associated with the Property, as generated by the management company
- e. Litigation Documents. Copies of documents, including notices of violation, orders, judgments, and other pleadings, pertaining to any known litigation or proceedings currently affecting the Property.

In addition, the Seller shall allow the Buyer reasonable access to the Property for twenty days from and after the Acceptance Date (the "Inspection Period") for the purpose of conducting an inspection of the major structural and mechanical components of the Property. A major structural or mechanical component shall be deemed to be in acceptable operating condition if it substantially performs the function for which it is intended, regardless of age, and does not pose a threat to health or safety. In the event that the Buyer possesses sound evidence that any major structural or mechanical component of the Property does not substantially perform the function for which it is intended, then the Buyer shall have the right to terminate this Agreement upon the delivery of Notice to the Seller on or before the conclusion of the Inspection Period, such notice to be accompanied by the relevant pages of an inspection report prepared by a licensed or certified inspector and identifying the defect justifying the termination. Upon receipt by the Seller of the notice of termination, this Agreement shall be considered null and void and the parties shall be discharged of any and all obligations hereunder (except those obligations which survive termination) and First American Title shall

release the Earnest Money to the Buyer. In the event that the Buyer does not terminate the Agreement on or prior to the conclusion of the Inspection Period, the Property shall be considered accepted by the Buyer and the Earnest Money shall thereafter be non-refundable. In connection with its inspection of the Property, the Buyer shall keep the Property free and clear of liens, shall indemnify and hold Seller harmless from any and all liability, loss, cost, damage, or expense relating to its inspection of the Property, and shall repair any and all damage arising from the inspection. These obligations shall survive termination of the Agreement.

14. **Entry Into Or Renewal Of Contracts & Material Changes.** Following the expiration of the Inspection Period, the Seller shall not without the prior written consent of the Buyer, said consent not to be unreasonably withheld, conditioned, or delayed, enter into or renew any service contract or lease affecting or concerning the Property. In addition, the Seller shall not make any material changes to the Property, perform or engage in any act, or enter into any agreement that materially changes the value of the Property or the rights of the Buyer relating to the Property.

15. **Material Destruction.** Risk of loss to the Property shall be borne by the Seller until title has been conveyed to Buyer. If, prior to Closing, a material portion of the Property shall be destroyed or materially damaged by fire or other casualty, then the Seller shall provide prompt notice of said fire or other casualty to the Buyer and this Agreement shall thereafter, at the option of the Buyer, exercised by Notice to the Seller within five (5) business days after receipt of notice of such material damage, be null and void, and all Earnest Money shall be refunded to the Buyer. Failure of the Buyer to provide timely notice shall constitute a waiver of the right to terminate.

16. **Condition Of Property.** The Buyer understands and agrees that the Property is being sold "as is" and "with all faults" and that neither the Seller nor any agent or attorney of the Seller, makes, or has made, any representation or warranty as to the physical condition or value of the Property or its suitability for the Buyer's intended use. The Seller has no obligation to repair or correct any alleged patent or latent defect at the Property, or to compensate the Buyer for any such defect, and, upon closing, the Buyer waives, releases, acquits, and forever discharges the Seller, and all of the Seller's agents and attorneys, to the maximum extent permitted by law, from any and all claims, actions, causes or action, demands, rights, liabilities, losses, damages, costs, or expenses, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or which may arise in the future on account of or in any way arising from or relating to any alleged patent or latent defect at the Property.

17. **Buyer Default.** The Buyer and Seller agree that it would be difficult to ascertain the actual damages to be suffered by the Seller in the event of a default by the Buyer and that the amount of the Earnest Money deposited by the Buyer hereunder constitutes the parties' reasonable estimate of the Seller's damages in the event of the Buyer's default, and that upon any such default not caused by the Seller, the Seller shall be entitled to retain the Earnest

Money as liquidated damages, which shall constitute the Seller's sole and exclusive remedy in law or at equity in connection with said default.

18. **Seller Default.** In the event that the Seller shall fail to sell, transfer, and assign the Property to Purchaser in violation of the terms of this Agreement and/or fail to perform any other material obligation of Seller hereunder, then the Buyer may give Notice to the Seller specifying the nature of the default. The Seller shall thereafter have five (5) business days from receipt of said Notice, but in no event beyond the Closing Date, within which to cure the alleged default. If the Seller fails to cure the default within the cure period, then the Buyer shall be entitled to the return of all Earnest Money and (a) to declare the Agreement null and void and sue for reasonable out-of-pocket expenses incurred in connection with this Agreement prior to the alleged default or (b) to sue for specific performance, the parties recognizing that the Property is unique and that the Buyer otherwise lacks an adequate remedy at law. In the latter event, the Buyer is advised that Section VIII of the Order Appointing Receiver entered in the SEC Action enjoins the filing or prosecution of all civil proceedings against the Receiver, in his capacity as Receiver, until further order of the court.

19. **Representations and Warranties.** As a material inducement to the Buyer to enter into this Agreement, the Seller hereby makes the following representations and warranties, each of which shall remain true and correct as of the Closing Date:

- a. The Seller has the full right, power, and authority to convey the Property to the Buyer as provided in this Agreement and to carry out its obligations hereunder. In addition, the individual executing this Agreement on behalf of the Seller has the legal right, power, and authority to bind the Seller to the terms hereof.
- b. The Seller will not take any action affecting title to the Property following the Acceptance Date.
- c. To the best of the Seller's knowledge, there are no actions, investigations, suits, or proceedings, pending or threatened, that affect the Property, or the ownership or operation thereof, other than the SEC Action and the following:
(None)
- d. To the best of the Seller's knowledge, the Property is not in violation, nor has been under investigation for violation, of any federal, state, or local law, ordinance, or regulation regulating environmental conditions in, at, or under or about the Property, including but not limited to, soil and groundwater conditions.

20. **Notices.** All notices required or permitted under this Agreement shall be in writing and served by registered or certified United States mail, return receipt requested, nationally recognized overnight mail courier (signature required), or electronic mail (evidenced by

competent and authentic proof of transmission). Any notices given to the Seller shall be delivered to the Seller's counsel, at the following physical or e-mail addresses.

The Buyer's contemplated exchange shall not impose upon the Seller any additional liability or financial obligation, and the Buyer agrees to hold the Seller harmless from any liability that might arise from such exchange. This Agreement is neither subject to nor contingent upon the Buyer's ability to dispose of its exchange property or to effectuate an exchange. In the event any exchange contemplated by the Buyer should fail to occur, for whatever reason, the sale of the Property shall nonetheless be consummated as provided herein.

22 **Real Estate Agents.** Purchaser represents and warrants that, other than Seller's Agent and Buyer's Agent, if any, no other putative real estate agent or broker was involved in submitting, showing, marketing, or selling the Property to the Buyer, and the Buyer agrees to indemnify and hold Seller, and its successors and assigns, harmless from and against any and all liability, loss, damages, cost, or expense, including reasonable attorneys' fees, arising from or relating to any claim for a commission, fee, or other form of payment or compensation asserted by a putative real estate agent or broker purporting to have procured the Buyer in connection with this Agreement.

23. Foreign Investor Disclosure The Seller and the Buyer agree to execute and deliver any instrument, affidavit, or statement, and to perform any act reasonably necessary to carry out the provisions of the Foreign Investment in Real Property Tax Act and regulations promulgated thereunder. The Seller represents that the Seller is not a foreign person as defined in Section 1445 of the Internal Revenue Code.

24. Merger This Agreement expresses the entire agreement of the parties and supersedes any and all previous agreements or understandings between them with regard to the Property. There are no other understandings, oral or written, which in any way alter or enlarge the terms of this Agreement, and there are no warranties or representations of any nature whatsoever, either express or implied, except as set forth herein. This Agreement may be modified only by a written instrument signed by the party to be charged.

25. Governing Law This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

MAXIMUM LIEN. At no time shall the principal amount of Indebtedness secured by this Mortgage, not including sums advanced to protect the security of this Mortgage, exceed \$3,600,000.00.

This Mortgage, Assignment³⁰ of Leases and Rents, Fixture Filing, and Security Agreement (the "Mortgage") is made as of March 28, 2017, among 7749-59 S. Yates LLC, an Illinois limited liability company, as mortgagor ("Borrower"), whose address 201 North Westshore, Unit 1501, Chicago, Illinois 60601; and, the lenders in the Exhibit "A" attached hereto and incorporated herein, as mortgagee ("Lender"), whose address is c/o Shatar Capital Partners, 12121 Wilshire Boulevard, Suite 555, Los Angeles, California 90025.

TRANSFER OF RIGHTS IN THE PROPERTY

To secure the full and timely payment of the Indebtedness and the full and timely performance and discharge of the Obligations, Borrower MORTGAGES, WARRANTS, GRANTS, BARGAINS, SELLS, AND CONVEYS to Lender the Mortgaged Property, with power of sale and right of entry, subject only to the Permitted Encumbrances, to have and to hold the Mortgaged Property to Lender, its successors and assigns forever, and Borrower does hereby bind itself, its successors, and its assigns to warrant and forever defend the title to the Mortgaged Property to Lender against anyone lawfully claiming it or any part of it; provided, however, that if the Indebtedness is paid in full as and when it becomes due and payable and the Obligations are performed on or before the date they are to be performed and discharged, then the liens, security interests, estates, and rights granted by the Loan Documents shall terminate; otherwise, they shall

3. **Use of Mortgaged Property.** Unless otherwise required by Governmental Requirements or unless Lender otherwise consents in writing, Borrower shall not allow changes in the use of the Mortgaged Property from that which is contemplated by Borrower and Lender at the time of execution of this Mortgage, as specified in the loan application and the Loan Documents. Borrower shall not initiate or acquiesce in a change in the zoning classification of the Mortgaged Property without Lender's prior written consent.

4. **Insurance.**

4.1. **Casualty Insurance.** Borrower shall at all times keep the Mortgaged Property insured for the benefit of Lender as follows, despite Governmental Requirements that may detrimentally affect Borrower's ability to obtain or may materially increase the cost of such insurance coverage:

4.1.1. Against damage or loss by fire and such other hazards (including lightning, windstorm, hail, explosion, riot, acts of striking employees, civil commotion, vandalism, malicious mischief, aircraft, vehicle, and smoke) as are covered by the broadest form of extended coverage endorsement available from time to time, in an amount not less than the full insurable value (as defined in paragraph 4.9) of the Mortgaged Property, with a deductible amount not to exceed an amount satisfactory to Lender. Windstorm coverage is included under the extended coverage endorsement of most hazard policies, but in some states it may be excluded. If the hazard policy excludes the windstorm/hail endorsement a separate windstorm policy must be provided. The coverage amounts must equal that of the hazard policy;

4.1.2. Rent loss or business interruption or use and occupancy insurance on such basis and in such amounts and with such deductibles as are satisfactory to Lender;

4.1.3. Against damage or loss by flood if the Land is located in an area identified by the Secretary of Housing and Urban Development or any successor or other appropriate authority (governmental or private) as an area having special flood hazards and in which flood insurance is available under the National Flood Insurance Act of 1968 or the Flood Disaster Protection Act of 1973, as amended, modified, supplemented, or replaced from time to time, on such basis and in the maximum amount of NFIP flood insurance coverage available, or the Note amount;

4.1.4. Against damage or loss from (a) sprinkler system leakage and (b) boilers, boiler tanks, heating and air conditioning equipment, pressure vessels, auxiliary piping, and similar apparatus, on such basis and in such amounts as Lender may require;

4.1.5. During any alteration, construction, or replacement of the Improvements, or any substantial portion of it, a Builder's All Risk policy with extended coverage with course of construction and completed value endorsements, for an amount at least equal to the full insurable value of the Improvements, and workers' compensation, in statutory amounts, with provision for replacement with the coverage described in paragraph 4.1, without gaps or lapsed coverage, for any completed portion of the Improvements;

4.1.6. Against damage or loss by earthquake, in an amount and with a deductible satisfactory to Lender, if such insurance is required by Lender in the exercise of its business judgment in light of the commercial real estate practices existing at the time the insurance is issued and in the County where the Land is located; and

4.1.7. For Attached Condominiums, the master hazard or blanket insurance policy must cover fixtures, equipment, and other personal property inside individual units. Otherwise, evidence of "walls-in" coverage (HO-6 hazard insurance policy) sufficient to repair the condo unit to its condition prior to a loss claim event is required. For properties in a designated flood area, and the flood insurance policies are paid by the HOA, the dwelling coverage must be equal to the building replacement cost on the master hazard insurance policy.

4.2. **Liability Insurance.** Borrower must obtain a policy of commercial general liability insurance, including a broad form comprehensive general liability endorsement on an occurrence basis against claims for personal injury, bodily injury, death and/or property damage. Policy must cover the following; (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; (4) blanket contractual liability for all legal contracts. The minimum limits of liability applying exclusively to the property shall be a combined limit of not less than \$5,000,000.00 in the aggregate and \$1,000,000.00 per occurrence, with a maximum deductible of \$50,000.

4.3. **Other Insurance.** Borrower shall procure and maintain such other insurance or such additional amounts of insurance, covering Borrower or the Mortgaged Property, as (a) may be required by the terms of any construction contract for the Improvements or by any Governmental Authority, (b) may be specified in any other Loan Documents, or (c) may be required by Lender from time to time.

4.4. **Form of Policies.** All insurance required under this paragraph 3 shall be fully paid through the earlier of (i) the Maturity Date, or (ii) one year from the date of this security instrument. Existing policies (refinance transactions only) must have at least six months remaining with the premium paid. The policies shall contain such provisions, endorsements, and expiration dates as Lender from time to time reasonably requests and shall be in such form and amounts, and be issued by such insurance companies doing business in the state where the Mortgaged Property is situated, as Lender shall approve in Lender's sole and absolute discretion. Unless otherwise expressly approved in writing by Lender, each insurer shall have a Best Rating of Class A, Category VIII, or better. All policies shall (a) contain a waiver of subrogation endorsement; (b) provide that the policy will not lapse or be canceled, amended, or materially altered (including by reduction in the scope or limits of coverage) without at least 30 days prior written notice to Lender; (c) with the exception of the comprehensive general liability policy, contain a mortgagee's endorsement (438 BFU Endorsement or equivalent), and name Lender as insured; and (d) include such deductibles as Lender may approve, which shall not exceed five percent (5%) of the face value of the policy. If a policy required under this paragraph contains a co-insurance or overage clause, the policy shall include a stipulated value or agreed amount endorsement acceptable to Lender. The annual premium amount must be disclosed as well as any remaining balance. If the policy is paid in full, the remaining balance should state "\$0" or "paid in full". Existing policies (refinance transactions only) must have at least six months remaining with the premium paid. Quotes and applications are not acceptable. The insurance agent's name, address and phone number must be reflected on the evidence of insurance.

4.5. **Duplicate Originals or Certificates.** Duplicate original policies evidencing the insurance required under this paragraph 4 and any additional insurance that may be purchased on the Mortgaged Property by or on behalf of Borrower shall be deposited with and held by Lender and, in addition, Borrower shall deliver to Lender (a) receipts evidencing payment of all premiums on the policies and (b) duplicate original renewal policies or a binder with evidence satisfactory to Lender of payment of all premiums at least 30 days before the policy expires. In lieu of the duplicate original policies to be delivered to Lender under this paragraph 4.5, Borrower may deliver an underlier of any blanket policy, and Borrower may also deliver original certificates from the issuing insurance company, evidencing that such policies are in full force and effect and containing information that, in Lender's reasonable judgment, is sufficient to allow Lender to ascertain whether such policies comply with the requirements of this paragraph.

4.6. **Increased Coverage.** If Lender determines that the limits of any insurance carried by Borrower are inadequate or that additional coverage is required, Borrower shall, within 10 days after written notice from Lender, procure such additional coverage as Lender may require in Lender's sole and absolute discretion.

4.7. **No Separate Insurance.** Borrower shall not carry separate or additional insurance concurrent in form or contributing in the event of loss with that required under this paragraph 4 unless endorsed in favor of Lender as required by this paragraph and otherwise approved by Lender in all respects.

4.8. **Transfer of Title.** In the event of foreclosure of this Mortgage or other transfer of title or assignment of the Mortgaged Property in extinguishment, in whole or in part, of the Obligations and the Indebtedness, all right, title, and interest of Borrower in and to all insurance policies required under this

paragraph 4 or otherwise then in force with respect to the Mortgaged Property and all proceeds payable under, and unearned premiums on, such policies shall immediately vest in the purchaser or other transferee of the Mortgaged Property.

4.9. Replacement Cost. For purposes of this paragraph 3, the term "full insurable value" means the lesser of (a) 100% of the full replacement cost for building and improvements as defined by Marshall & Swift "Good" or nationally recognized equivalent or (b) the Indebtedness, with a replacement cost endorsement to compensate for the full amount of the damage or loss to improvements. Policy shall include Building Ordinance coverage, Sections A,B,C. In the event that the replacement cost of a building(s) and improvements are less than the value of the loan per Marshall & Swift "GOOD," a waiver from the Lender shall be required.

4.10. Approval Not Warranty. No approval by Lender of any insurer may be construed to be a representation, certification, or warranty of its solvency and no approval by Lender as to the amount, type, or form of any insurance may be construed to be a representation, certification, or warranty of its sufficiency.

4.11. Lender's Right to Obtain. Borrower shall deliver to Lender original policies or certificates evidencing such insurance at least 30 days before the existing policies expire. If any such policy is not so delivered to Lender or if any such policy is canceled, whether or not Lender has the policy in its possession, and no reinstatement or replacement policy is received before termination of insurance, Lender, without notice to or demand on Borrower, may (but is not obligated to) obtain such insurance insuring only Lender with such company as Lender may deem satisfactory, and pay the premium for such policies, and the amount of any premium so paid shall be charged to and promptly paid by Borrower or, at Lender's option, may be added to the Indebtedness. Borrower acknowledges that, if Lender obtains insurance, it is for the sole benefit of Lender, and Borrower shall not rely on any insurance obtained by Lender to protect Borrower in any way.

4.12. Duty to Restore After Casualty. If any act or occurrence of any kind or nature (including any casualty for which insurance was not obtained or obtainable) results in damage to or loss or destruction of the Mortgaged Property, Borrower shall immediately give notice of such loss or damage to Lender and, if Lender so instructs, shall promptly, at Borrower's sole cost and expense, regardless of whether any insurance proceeds will be sufficient for the purpose, commence and continue diligently to completion to restore, repair, replace, and rebuild the Mortgaged Property as nearly as possible to its value, condition, and character immediately before the damage, loss, or destruction.

5. Condemnation and Insurance Proceeds.

5.1. Assignment to Lender. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of or damage or injury to the Mortgaged Property, or any part of it, or for conveyance in lieu of condemnation, are assigned to and shall be paid to Lender, regardless of whether Lender's security is impaired. All causes of action, whether accrued before or after the date of this Mortgage, of all types for damages or injury to the Mortgaged Property or any part of it, or in connection with any transaction financed by funds lent to Borrower by Lender and secured by this Mortgage, or in connection with or affecting the Mortgaged Property or any part of it, including, without limitation, causes of action arising in tort or contract or in equity, are assigned to Lender as additional security, and the proceeds shall be paid to Lender. Lender, at its option, may appear in and prosecute in its own name any action or proceeding to enforce any such cause of action and may make any compromise or settlement of such action. Borrower shall notify Lender in writing immediately on obtaining knowledge of any casualty damage to the Mortgaged Property or damage in any other manner in excess of \$5,000.00 or knowledge of the institution of any proceeding relating to condemnation or other taking of or damage or injury to all or any portion of the Mortgaged Property. Lender, in its sole and absolute discretion, may participate in any such proceedings and may join Borrower in adjusting any loss covered by insurance. Borrower covenants and agrees with Lender, at Lender's request, to make, execute, and deliver, at Borrower's expense, any and all assignments and other instruments sufficient for the purpose of

assigning the aforesaid award or awards, causes of action, or claims of damages or proceeds to Lender free, clear, and discharged of any and all encumbrances of any kind or nature.

5.2. Insurance Payments. All compensation, awards, proceeds, damages, claims, insurance recoveries, rights of action, and payments that Borrower may receive or to which Lender may become entitled with respect to the Mortgaged Property if any damage or injury occurs to the Mortgaged Property, other than by a partial condemnation or other partial taking of the Mortgaged Property, shall be paid over to Lender and shall be applied first toward reimbursement of all costs and expenses of Lender in connection with their recovery and disbursement, and shall then be applied as follows:

5.2.1. Lender shall consent to the application of such payments to the restoration of the Mortgaged Property so damaged only if Borrower has met all the following conditions (a breach of one of which shall constitute a default under this Mortgage, the Note, and any Loan Documents): (a) Borrower is not in default under any of the terms, covenants, and conditions of the Loan Documents; (b) all then-existing Leases affected in any way by such damage will continue in full force and effect; (c) Lender is satisfied that the insurance or award proceeds, plus any sums added by Borrower, shall be sufficient to fully restore and rebuild the Mortgaged Property under then current Governmental Requirements; (d) within 60 days after the damage to the Mortgaged Property, Borrower presents to Lender a restoration plan satisfactory to Lender and any local planning department, which includes cost estimates and schedules; (e) construction and completion of restoration and rebuilding of the Mortgaged Property shall be completed in accordance with plans and specifications and drawings submitted to Lender within 30 days after receipt by Lender of the restoration plan and thereafter approved by Lender, which plans, specifications, and drawings shall not be substantially modified, changed, or revised without Lender's prior written consent; (f) within 3 months after such damage, Borrower and a licensed contractor satisfactory to Lender enter into a fixed price or guaranteed maximum price contract satisfactory to Lender, providing for complete restoration in accordance with such restoration plan for an amount not to exceed the amount of funds held or to be held by Lender; (g) all restoration of the Improvements so damaged or destroyed shall be made with reasonable promptness and shall be of a value at least equal to the value of the Improvements so damaged or destroyed before such damage or destruction; (h) Lender reasonably determines that there is an identified source (whether from income from the Mortgaged Property, rental loss insurance, or another source) sufficient to pay all debt service and operating expenses of the Mortgaged Property during its restoration as required above; and (i) any and all funds that are made available for restoration and rebuilding under this paragraph 5 shall be disbursed, at Lender's sole and absolute discretion to Lender, through Lender or a title insurance or trust company satisfactory to Lender, in accordance with standard construction lending practices, including a reasonable fee payable to Lender from such funds and, if Lender requests, mechanics' lien waivers and title insurance date-downs, and the provision of payment and performance bonds by Borrower, or in any other manner approved by Lender in Lender's sole and absolute discretion; or

5.2.2. If fewer than all conditions (a) through (i) in paragraph 5.2.1 are satisfied, then such payments shall be applied in the sole and absolute discretion of Lender (a) to the payment or prepayment, with any applicable prepayment premium, of any Indebtedness secured by this Mortgage in such order as Lender may determine, or (b) to the reimbursement of Borrower's expenses incurred in the rebuilding and restoration of the Mortgaged Property. If Lender elects under this paragraph 5.2.2 to make any funds available to restore the Mortgaged Property, then all of conditions (a) through (i) in paragraph 5.2.1 shall apply, except for such conditions that Lender, in its sole and absolute discretion, may waive.

5.3. Material Loss Not Covered. If any material part of the Mortgaged Property is damaged or destroyed and the loss, measured by the replacement cost of the Improvements according to then current Governmental Requirements, is not adequately covered by insurance proceeds collected or in the process of collection, Borrower shall deposit with Lender, within 30 days after Lender's request, the amount of the loss not so covered.

5.4. Total Condemnation Payments. All compensation, awards, proceeds, damages, claims, insurance recoveries, rights of action, and payments that Borrower may receive or to which Borrower may become entitled with respect to the Mortgaged Property in the event of a total condemnation or other total

taking of the Mortgaged Property shall be paid over to Lender and shall be applied first to reimbursement of all Lender's costs and expenses in connection with their recovery, and shall then be applied to the payment of any Indebtedness secured by this Mortgage in such order as Lender may determine, until the Indebtedness secured by this Mortgage has been paid and satisfied in full. Any surplus remaining after payment and satisfaction of the Indebtedness secured by this Mortgage shall be paid to Borrower as its interest may then appear.

5.5. Partial Condemnation Payments. All compensation, awards, proceeds, damages, claims, insurance recoveries, rights of action, and payments ("funds") that Borrower may receive or to which Borrower may become entitled with respect to the Mortgaged Property in the event of a partial condemnation or other partial taking of the Mortgaged Property, unless Borrower and Lender otherwise agree in writing, shall be divided into two portions, one equal to the principal balance of the Note at the time of receipt of such funds and the other equal to the amount by which such funds exceed the principal balance of the Note at the time of receipt of such funds. The first such portion shall be applied to the sums secured by this Mortgage, whether or not then due, including but not limited to principal, accrued interest, and advances, and in such order or combination as Lender may determine, with the balance of the funds paid to Borrower. Any dispute as to the fair market value of the Mortgaged Property shall be settled by arbitration in accordance with the Real Estate Valuation Arbitration Rules of the American Arbitration Association.

5.6. No Cure of Waiver of Default. Any application of such amounts or any portion of it to any Indebtedness secured by this Mortgage shall not be construed to cure or waive any default or notice of default under this Mortgage or invalidate any act done under any such default or notice.

6. Taxes and Other Sums Due. Borrower shall promptly pay, satisfy, and discharge: (a) all Impositions affecting the Mortgaged Property before they become delinquent; (b) such other amounts, chargeable against Borrower or the Mortgaged Property, as Lender reasonably deems necessary to protect and preserve the Mortgaged Property, this Mortgage, or Lender's security for the performance of the Obligations; (c) all encumbrances, charges, and liens on the Mortgaged Property, with interest, which in Lender's judgment are, or appear to be, prior or superior to the lien of this Mortgage or all costs necessary to obtain protection against such lien or charge by title insurance endorsement or surety company bond; (d) such other charges as Lender deems reasonable for services rendered by Lender at Borrower's request; and (e) all costs, fees, and expenses incurred by Lender in connection with this Mortgage, whether or not specified in this Mortgage.

On Lender's request, Borrower shall promptly furnish Lender with all notices of sums due for any amounts specified in the preceding clauses 6(a) through (e), and, on payment, with written evidence of such payment. If Borrower fails to promptly make any payment required under this paragraph 6, Lender may (but is not obligated to) make such payment. Borrower shall notify Lender immediately on receipt by Borrower of notice of any increase in the assessed value of the Mortgaged Property and agrees that Lender, in Borrower's name, may (but is not obligated to) contest by appropriate proceedings such increase in assessment. Without Lender's prior written consent, Borrower shall not allow any lien inferior to the lien of this Mortgage to be perfected against the Mortgaged Property and shall not permit any improvement bond for any unpaid special assessment to issue.

7. Leases of Mortgaged Property by Borrower. At Lender's request, Borrower shall furnish Lender with executed copies of all Leases of the Mortgaged Property or any portion of it then in force. If Lender so requires, all Leases later entered into by Borrower are subject to Lender's prior review and approval and must be acceptable to Lender in form and content. Each Lease must specifically provide, inter alia, that (a) it is subordinate to the lien of this Mortgage; (b) the tenant attorns to Lender (and Borrower consents to any such attornment), such attornment to be effective on Lender's acquisition of title to the Mortgaged Property; (c) the tenant agrees to execute such further evidence of attornment as Lender may from time to time request; (d) the tenant's attornment shall not be terminated by foreclosure; and (e) Lender, at Lender's option, may accept or reject such attornment. If Borrower learns that any tenant proposes to do, or is doing, any act that may give rise to any right of setoff against rent, Borrower shall immediately (i) take measures

reasonably calculated to prevent the accrual of any such right of setoff; (ii) notify Lender of all measures so taken and of the amount of any setoff claimed by any such tenant; and (iii) within 10 days after the accrual of any right of setoff against rent, reimburse any tenant who has acquired such right, in full, or take other measures that will effectively discharge such setoff and ensure that rents subsequently due shall continue to be payable without claim of setoff or deduction.

At Lender's request, Borrower shall assign to Lender, by written instrument satisfactory to Lender, all Leases of the Mortgaged Property, and all security deposits made by tenants in connection with such Leases. On assignment to Lender of any such Lease, Lender shall succeed to all rights and powers of Borrower with respect to such Lease, and Lender, in Lender's sole and absolute discretion, shall have the right to modify, extend, or terminate such Lease and to execute other further leases with respect to the Mortgaged Property that is the subject of such assigned Lease.

8. Right to Collect and Receive Rents. Despite any other provision of this Mortgage, Lender grants permission to Borrower to collect and retain the Rents of the Mortgaged Property as they become due and payable; however, such permission to Borrower shall be automatically revoked on default by Borrower in payment of any Indebtedness secured by this Mortgage or in the performance of any of the Obligations, and Lender shall have the rights set forth in 765 ILCS 5/31.5 without regard to the adequacy of the security for the Indebtedness secured by this Mortgage. Failure of or discontinuance by Lender at any time, or from time to time, to collect any such Rents shall not in any manner affect the subsequent enforcement by Lender at any time, or from time to time, of the right, power, and authority to collect these Rents. The receipt and application by Lender of all such Rents under this Mortgage, after execution and delivery of declaration of default and demand for sale as provided in this Mortgage or during the pendency of judicial sale proceedings under this Mortgage, shall neither cure such breach or default nor affect such sale proceedings, or any sale made under them, but such Rents, less all costs of operation, maintenance, collection, and Attorney Fees, when received by Lender, may be applied in reduction of the entire Indebtedness from time to time secured by this Mortgage, in such order as Lender may decide. Nothing in this Mortgage, nor the exercise of Lender's right to collect, nor an assumption by Lender of any tenancy, lease, or option, nor an assumption of liability under, nor a subordination of the lien or charge of this Mortgage to, any such tenancy, lease, or option, shall be, or be construed to be, an affirmation by Lender of any tenancy, lease, or option.

If the Rents of the Mortgaged Property are not sufficient to meet the costs, if any, of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes shall become an Indebtedness of Borrower to Lender secured by this Mortgage. Unless Lender and Borrower agree in writing to other terms of payment, such amounts shall be payable on notice from Lender to Borrower requesting such payment and shall bear interest from the date of disbursement at the rate stated in the Note unless payment of interest at such rate would be contrary to Governmental Requirements, in which event the amounts shall bear interest at the highest rate that may be collected from Borrower under Governmental Requirements.

Borrower expressly understands and agrees that Lender will have no liability to Borrower or any other person for Lender's failure or inability to collect Rents from the Mortgaged Property or for failing to collect such Rents in an amount that is equal to the fair market rental value of the Mortgaged Property. Borrower understands and agrees that neither the assignment of Rents to Lender nor the exercise by Lender of any of its rights or remedies under this Mortgage shall be deemed to make Lender a "mortgagee-in-possession" or otherwise responsible or liable in any manner with respect to the Mortgaged Property or the use, occupancy, enjoyment, or operation of all or any portion of it, unless and until Lender, in person or by agent, assumes actual possession of it. Nor shall appointment of a receiver for the Mortgaged Property by any court at the request of Lender or by agreement with Borrower, or the entering into possession of the Mortgaged Property or any part of it by such receiver be deemed to make Lender a mortgagee-in-possession or otherwise responsible or liable in any manner with respect to the Mortgaged Property or the use, occupancy, enjoyment, or operation of all or any portion of it.

During an Event of Default, any and all Rents collected or received by Borrower shall be accepted and held for Lender in trust and shall not be commingled with Borrower's funds and property, but shall be promptly paid over to Lender.

9. Funds for Taxes and Insurance. If Borrower is in default under this Mortgage or any of the Loan Documents, regardless of whether the default has been cured, then Lender may at any subsequent time, at its option to be exercised on 30 days written notice to Borrower, require Borrower to deposit with Lender or its designee, at the time of each payment of an installment of interest or principal under the Note, an additional amount sufficient to discharge the obligations of Borrower under the Note and this Mortgage as they become due. The calculation of the amount payable and of the fractional part of it to be deposited with Lender shall be made by Lender in its sole and absolute discretion. These amounts shall be held by Lender or its designee not in trust and not as agent of Borrower and shall not bear interest, and shall be applied to the payment of any of the Obligations under the Loan Documents in such order or priority as Lender shall determine. If at any time within 30 days before the due date of these obligations the amounts then on deposit shall be insufficient to pay the obligations under the Note and this Mortgage in full, Borrower shall deposit the amount of the deficiency with Lender within 10 days after Lender's demand. If the amounts deposited are in excess of the actual obligations for which they were deposited, Lender may refund any such excess, or, at its option, may hold the excess in a reserve account, not in trust and not bearing interest, and reduce proportionately the required monthly deposits for the ensuing year. Nothing in this paragraph shall be deemed to affect any right or remedy of Lender under any other provision of this Mortgage or under any statute or rule of law to pay any such amount and to add the amount so paid to the Indebtedness secured by this Mortgage. Lender shall have no obligation to pay insurance premiums or taxes except to the extent the fund established under this paragraph is sufficient to pay such premiums or taxes, to obtain insurance, or to notify Borrower of any matters relative to the insurance or taxes for which the fund is established under this paragraph.

Lender or its designee shall hold all amounts so deposited as additional security for the sums secured by this Mortgage. Lender may, in its sole and absolute discretion and without regard to the adequacy of its security under this Mortgage, apply such amounts or any portion of it to any Indebtedness secured by this Mortgage, and such application shall not be construed to cure or waive any default or notice of default under this Mortgage.

If Lender requires deposits to be made under this paragraph 9, Borrower shall deliver to Lender all tax bills, bond and assessment statements, statements for insurance premiums, and statements for any other obligations referred to above as soon as Borrower receives such documents.

If Lender sells or assigns this Mortgage, Lender shall have the right to transfer all amounts deposited under this paragraph 9 to the purchaser or assignee. After such a transfer, Lender shall be relieved and have no further liability under this Mortgage for the application of such deposits, and Borrower shall look solely to such purchaser or assignee for such application and for all responsibility relating to such deposits.

10. Assignment of Causes of Action, Awards, and Damages. All causes of action, and all sums due or payable to Borrower for injury or damage to the Mortgaged Property, or as damages incurred in connection with the transactions in which the Loan secured by this Mortgage was made, including, without limitation, causes of action and damages for breach of contract, fraud, concealment, construction defects, or other torts, or compensation for any conveyance in lieu of condemnation, are assigned to Lender, and all proceeds from such causes of action and all such sums shall be paid to Lender for credit against the Indebtedness secured by this Mortgage. Borrower shall notify Lender immediately on receipt by Borrower of notice that any such sums have become due or payable and, immediately on receipt of any such sums, shall promptly remit such sums to Lender.

After deducting all expenses, including Attorney Fees, incurred by Lender in recovering or collecting any sums under this paragraph 10, Lender may apply or release the balance of any funds received by it under this paragraph, or any part of such balance, as it elects. Lender, at its option, may appear in and prosecute in its own name any action or proceeding to enforce any cause of action assigned to it under this

paragraph and may make any compromise or settlement in such action whatsoever. Borrower covenants that it shall execute and deliver to Lender such further assignments of any such compensation awards, damages, or causes of action as Lender may request from time to time. If Lender fails or does not elect to prosecute any such action or proceeding and Borrower elects to do so, Borrower may conduct the action or proceeding at its own expense and risk.

11. Defense of Mortgage; Litigation. Borrower shall give Lender immediate written notice of any action or proceeding (including, without limitation, any judicial, whether civil, criminal, or probate, or nonjudicial proceeding to foreclose the lien of a junior or senior mortgage or deed of trust) affecting or purporting to affect the Mortgaged Property, this Mortgage, Lender's security for the performance of the Obligations and payment of the Indebtedness, or the rights or powers of Lender under the Loan Documents. Despite any other provision of this Mortgage, Borrower agrees that Lender may (but is not obligated to) commence, appear in, prosecute, defend, compromise, and settle, in Lender's or Borrower's name, and as attorney-in-fact for Borrower, and incur necessary costs and expenses, including Attorney Fees in so doing, any action or proceeding, whether a civil, criminal, or probate judicial matter, nonjudicial proceeding, arbitration, or other alternative dispute resolution procedure, reasonably necessary to preserve or protect, or affecting or purporting to affect, the Mortgaged Property, this Mortgage, Lender's security for performance of the Obligations and payment of the Indebtedness, or the rights or powers of Lender under the Loan Documents, and that if Lender elects not to do so, Borrower shall commence, appear in, prosecute, and defend any such action or proceeding. Borrower shall pay all costs and expenses of Lender, including costs of evidence of title and Attorney Fees, in any such action or proceeding in which Lender may appear or for which legal counsel is sought, whether by virtue of being made a party defendant or otherwise, and whether or not the interest of Lender in the Mortgaged Property is directly questioned in such action or proceeding, including, without limitation, any action for the condemnation or partition of all or any portion of the Mortgaged Property and any action brought by Lender to foreclose this Mortgage or to enforce any of its terms or provisions.

12. Borrower's Failure to Comply With Mortgage. If Borrower fails to make any payment or do any act required by this Mortgage, or if there is any action or proceeding (including, without limitation, any judicial or nonjudicial proceeding to foreclose the lien of a junior or senior mortgage or deed of trust) affecting or purporting to affect the Mortgaged Property, this Mortgage, Lender's security for the performance of the Obligations and payment of the Indebtedness, or the rights or powers of Lender under the Note or this Mortgage, Lender may (but is not obligated to) (a) make any such payment or do any such act in such manner and to such extent as either deems necessary to preserve or protect the Mortgaged Property, this Mortgage, or Lender's security for the performance of Borrower's Obligations and payment of the Indebtedness, or the rights or powers of Lender under the Loan Documents, Lender being authorized to enter on the Mortgaged Property for any such purpose; and (b) in exercising any such power, pay necessary expenses, retain attorneys, and pay Attorney Fees incurred in connection with such action, without notice to or demand on Borrower and without releasing Borrower from any Obligations or Indebtedness.

13. Sums Advanced to Bear Interest and to Be Secured by Mortgage. At Lender's request, Borrower shall immediately pay any sums advanced or paid by Lender under any provision of this Mortgage or the other Loan Documents. Until so repaid, all such sums and all other sums payable to Lender shall be added to, and become a part of, the Indebtedness secured by this Mortgage and bear interest from the date of advancement or payment by Lender at the same rate as provided in the Note, unless payment of interest at such rate would be contrary to Governmental Requirements. All sums advanced by Lender under this Mortgage or the other Loan Documents, whether or not required to be advanced by Lender under the terms of this Mortgage or the other Loan Documents, shall conclusively be deemed to be mandatory advances required to preserve and protect this Mortgage and Lender's security for the performance of the Obligations and payment of the Indebtedness, and shall be secured by this Mortgage to the same extent and with the same priority as the principal and interest payable under the Note.

14. **Inspection of Mortgaged Property.** Lender may, or authorize other persons, including, but not limited to, appraisers and prospective purchasers at any foreclosure sale commenced by Lender, to enter on or inspect the Mortgaged Property at reasonable times and for reasonable durations. Borrower shall permit all such entries and inspections to be made as long as Lender has given Borrower written notice of such inspection at least 24 hours before the entry and inspection.

15. **Financial Statements; Estoppel Certificates.**

15.1. **Borrower's Financial Statements.** On receipt of Lender's written request and without expense to Lender, Borrower shall furnish to Lender (a) an annual statement of the operation of the Mortgaged Property prepared and certified by Borrower, showing in reasonable detail satisfactory to Lender total Rents received and total expenses together with an annual balance sheet and profit and loss statement, within 90 days after the close of each fiscal year of Borrower, beginning with the fiscal year first ending after the date of recordation of this Mortgage; (b) within 30 days after the end of each calendar quarter (March 31, June 30, September 30, December 31) interim statements of the operation of the Mortgaged Property showing in reasonable detail satisfactory to Lender total Rents and other income and receipts received and total expenses for the previous quarter, certified by Borrower; and (c) copies of Borrower's annual state and federal income tax returns within 30 days after filing them. Borrower shall keep accurate books and records, and allow Lender, its representatives and agents, on notice, at any time during normal business hours, access to such books and records regarding acquisition, construction, and development of the Mortgaged Property, including any supporting or related vouchers or papers, shall allow Lender to make extracts or copies of any such papers, and shall furnish to Lender and its agents convenient facilities for the audit of any such statements, books, and records.

15.2. **Recordkeeping.** Borrower shall keep adequate records and books of account in accordance with generally accepted accounting principles and practices and shall permit Lender, by its agents, accountants, and attorneys, to examine Borrower's records and books of account and to discuss the affairs, finances, and accounts of Borrower with the officers of Borrower, at such reasonable times as Lender may request.

15.3. **Guarantors' Financial Statements.** Except to the extent already required by paragraph 15.1, Borrower, its controlling shareholders, and all guarantors of the Indebtedness, if any, shall deliver to Lender with reasonable promptness after the close of their respective fiscal years a balance sheet and profit and loss statement, prepared by an independent certified public accountant satisfactory to Lender, setting forth in each case, in comparative form, figures for the preceding year, which statements shall be accompanied by the unqualified opinion of such accountant as to their accuracy. Throughout the term of this Mortgage, Borrower and any guarantor shall deliver, with reasonable promptness, to Lender such other information with respect to Borrower or guarantor as Lender may from time to time request. All financial statements of Borrower or guarantor shall be prepared in accordance with generally accepted accounting principles and practices applied on a consistent basis and shall be delivered in duplicate. Documents and information submitted by Borrower to Lender are submitted confidentially, and Lender shall not disclose them to third parties and shall limit access to them to what is necessary to service the loan, accomplish the normal administrative, accounting, tax-reporting, and other necessary functions, to sell all or any part of the loan and to report such information as required to the Comptroller of the Currency, the Federal Deposit Insurance Corporation, the Internal Revenue Service, and similar entities.

15.4. **Estoppel Certificates.** Within 10 days after Lender's request for such information, Borrower shall execute and deliver to Lender, and to any third party designated by Lender, in recordable form, a certificate of the principal financial or accounting officer of Borrower, dated within 3 days after delivery of such statements, or the date of such request, as the case may be, reciting that the Loan Documents are unmodified and in full force and effect, or that the Loan Documents are in full force and effect as modified and specifying all modifications asserted by Borrower. Such certificate shall also recite the amount of the Indebtedness and cover other matters with respect to the Indebtedness or Obligations as Lender may reasonably require, the date(s) through which payments due on the Indebtedness have been paid and the amount(s) of any payments previously made on the Indebtedness. The certificate shall include

a detailed statement of any right of setoff, counterclaim, or other defense that Borrower contends exists against the Indebtedness or the Obligations; a statement that such person knows of no Event of Default or prospective Event of Default that has occurred and is continuing, or, if any Event of Default or prospective Event of Default has occurred and is continuing, a statement specifying the nature and period of its existence and what action Borrower has taken or proposes to take with respect to such matter; and, except as otherwise specified, a statement that Borrower has fulfilled all Obligations that are required to be fulfilled on or before the date of such certificate.

15.5. Failure to Deliver Estoppel Certificate. If Borrower fails to execute and deliver the certificate required by paragraph 15.4 within such 10-day period, (a) the Loan Documents shall, as to Borrower, conclusively be deemed to be either in full force and effect, without modification, or in full force and effect, modified in the manner and to the extent specified by Lender, whichever Lender reasonably and in good faith may represent; (b) the Indebtedness shall, as to Borrower, conclusively be deemed to be in the amount specified by Lender and no setoffs, counterclaims, or other defenses exist against the Indebtedness; and (c) Borrower shall conclusively be deemed to have irrevocably constituted and appointed Lender as Borrower's special attorney-in-fact to execute and deliver such certificate to any third party.

15.6. Reliance on Estoppel Certificate. Borrower and Lender expressly agree that any certificate executed and delivered by Borrower, or any representation in lieu of a certificate made by Lender under paragraph 15.5, may be relied on by any prospective purchaser or any prospective assignee of any interest of Lender in the Note and other Indebtedness secured by this Mortgage or in the Mortgaged Property, and by any other person, without independent investigation or examination, to verify the accuracy, reasonableness, or good faith of the recitals in the certificate or representation.

15.7. No Waiver of Default or Rights. Lender's exercise of any right or remedy provided by this paragraph 15 shall not constitute a waiver of, or operate to cure, any default by Borrower under this Mortgage, or preclude any other right or remedy that is otherwise available to Lender under this Mortgage or Governmental Requirements.

16. Uniform Commercial Code Security Agreement. This Mortgage is intended to be and shall constitute a security agreement under the Illinois Uniform Commercial Code for any of the Personalty specified as part of the Mortgaged Property that, under Governmental Requirements, may be subject to a security interest under the Illinois Uniform Commercial Code, and Borrower grants to Lender a security interest in those items. Borrower authorizes Lender to file financing statements in all states, counties, and other jurisdictions as Lender may elect, without Borrower's signature if permitted by law. Borrower agrees that Lender may file this Mortgage, or a copy of it, in the real estate records or other appropriate index or in the Office of the Secretary of State of the State of Illinois and such other states as the Lender may elect, as a financing statement for any of the items specified above as part of the Mortgaged Property. Any reproduction of this Mortgage or executed duplicate original of this Mortgage, or a copy certified by a County Recorder in the State of Illinois, or of any other security agreement or financing statement, shall be sufficient as a financing statement. In addition, Borrower agrees to execute and deliver to Lender, at Lender's request, any UCC financing statements, as well as any extensions, renewals, and amendments, and copies of this Mortgage in such form as Lender may require to perfect a security interest with respect to the Personalty. Borrower shall pay all costs of filing such financing statements and any extensions, renewals, amendments, and releases of such statements, and shall pay all reasonable costs and expenses of any record searches for financing statements that Lender may reasonably require. Without the prior written consent of Lender, Borrower shall not create or suffer to be created any other security interest in the items, including any replacements and additions.

On any Event of Default, Lender shall have the remedies of a secured party under the Illinois Uniform Commercial Code and, at Lender's option, may also invoke the remedies in paragraph 21 of this Mortgage as to such items. In exercising any of these remedies, Lender may proceed against the items of Mortgaged Property and any items of Personalty separately or together and in any order whatsoever, without in any way affecting the availability of Lender's remedies under the Illinois Uniform Commercial Code or of the remedies in paragraph 21 of this Mortgage.

17. **Fixture Filing.** This Mortgage constitutes a financing statement filed as a fixture filing under the Illinois Uniform Commercial Code, as amended or recodified from time to time, covering any portion of the Mortgaged Property that now is or later may become a fixture attached to the Mortgaged Property or to any Improvement.

18. **Waiver of Statute of Limitations.** Borrower waives the right to assert any statute of limitations as a defense to the Loan Documents and the Obligations secured by this Mortgage, to the fullest extent permitted by Governmental Requirements.

19. **Events of Default.** The term Event of Default as used in this Mortgage means the occurrence or happening, at any time and from time to time, of any one or more of the following:

19.1. **Payment of Indebtedness.** Borrower fails to pay any installment of interest and/or principal under the Note or any other Indebtedness when due and such failure continues for more than 5 days after the date such payment was due and payable whether on maturity, the date stipulated in any Loan Document, by acceleration, or otherwise.

19.2. **Performance of Obligations.** The failure, refusal, or neglect to perform and discharge fully and timely any of the Obligations as and when required, and the continuance of such failure for 30 days after Lender gives written notice of such failure to Borrower.

19.3. **Judgment.** If any final judgment, order, or decree is rendered against Borrower or a guarantor and is not paid or executed on, or is not stayed by perfection of an appeal or other appropriate action, such as being bonded, or is not otherwise satisfied or disposed of to Lender's satisfaction within 30 days after entry of the judgment, order, or decree.

19.4. **Voluntary Bankruptcy.** If Borrower or any guarantor (a) seeks entry of an order for relief as a debtor in a proceeding under the Bankruptcy Code; (b) seeks, consents to, or does not contest the appointment of a receiver for itself or for all or any part of its property; (c) files a petition seeking relief under the bankruptcy, arrangement, reorganization, or other debtor relief laws of the United States or any state or any other competent jurisdiction; (d) makes a general assignment for the benefit of its creditors; or (e) states in writing its inability to pay its debts as they mature.

19.5. **Involuntary Bankruptcy.** If (a) a petition is filed against Borrower or any guarantor seeking relief under any bankruptcy, arrangement, reorganization, or other debtor relief laws of the United States or any state or other competent jurisdiction; or (b) a court of competent jurisdiction enters an order, judgment, or decree appointing, without the consent of Borrower or any guarantor, a receiver for it, or for all or any part of its property; and (c) such petition, order, judgment, or decree is not discharged or stayed within 90 days after its entry.

19.6. **Foreclosure of Other Liens.** If the holder of any lien or security interest on the Mortgaged Property (without implying Lender's consent to the existence, placing, creating, or permitting of any lien or security interest) institutes foreclosure or other proceedings to enforce its remedies thereunder and any such proceedings are not stayed or discharged within 30 days after institution of such foreclosure proceedings.

19.7. **Sale, Lease, Encumbrance, or Other Transfer.** Any sale, lease, exchange, assignment, conveyance, encumbrance (other than a Permitted Encumbrance), transfer of possession, or other disposition of all or any portion of the Land or Improvements or any of Borrower's interest in the Land or Improvement without Lender's prior written consent, or any sale, lease, exchange, assignment, conveyance, encumbrance (other than a Permitted Encumbrance), or other disposition of any portion of the Personality, without Lender's prior written consent, or if there is a sale or transfer of beneficial interests in Borrower equal to 25 percent or more of the beneficial ownership interests of Borrower outstanding at the date of this Mortgage, without Lender's prior written consent.

19.8. **Title and Lien Priority.** If Borrower's title to any or all of the Mortgaged Property or the status of this Mortgage as a first and prior lien and security interest on the Mortgaged Property is endangered in any manner, and Borrower fails to cure the same on Lender's demand; provided, however, that Borrower shall not be in default under this paragraph if Borrower is diligently pursuing a contest or cure of such title

or lien issue and Borrower has posted adequate security to protect Lender's rights, interest, and priority under this Mortgage, as determined by Lender.

19.9. Other Defaults. The occurrence of an Event of Default or any default, as defined or described in the other Loan Documents, or the occurrence of a default on any Indebtedness or Obligations.

19.10. Levy on Assets. A levy on any of the assets of Borrower or any guarantor, and such levy is not stayed or abated within 60 days after such levy.

19.11. Breach of Representations. The breach of any representation, warranty, or covenant in this Mortgage or other Loan Documents.

19.12. Default Under Prior Mortgage, Mortgage, or Lien. The failure to pay on a timely basis, or the occurrence of any other default under any note, deed of trust, mortgage, contract of sale, lien, charge, encumbrance, or security interest encumbering or affecting the Mortgaged Property and having priority over the lien of this Mortgage.

20. Acceleration on Transfer or Encumbrance.

20.1. Acceleration on Transfer or Encumbrance of Mortgaged Property. If Borrower sells, contracts to sell, gives an option to purchase, conveys, leases with an option to purchase, encumbers, or alienates the Mortgaged Property, or any interest in it, or suffers its title to, or any interest in, the Mortgaged Property to be divested, whether voluntarily or involuntarily; or if there is a sale or transfer of beneficial interests in Borrower equal to 25 percent or more of the beneficial ownership interests of Borrower outstanding at the date of this Mortgage; or if Borrower changes or permits to be changed the character or use of the Mortgaged Property, or drills or extracts or enters into any lease for the drilling or extracting of oil, gas, or other hydrocarbon substances or any mineral of any kind or character on the Mortgaged Property; or if title to such Mortgaged Property becomes subject to any lien or charge, voluntary or involuntary, contractual or statutory, without Lender's prior written consent, then Lender, at Lender's option, may, without prior notice, declare all sums secured by this Mortgage, regardless of their stated due date(s), immediately due and payable and may exercise all rights and remedies in this Mortgage, including those in paragraph 21.

20.2. Replacement Personalty. Despite the provisions of paragraph 20.1, Borrower may from time to time replace Personalty constituting a part of the Mortgaged Property, as long as (a) the replacements for such Personalty are of equivalent value and quality; (b) Borrower has good and clear title to such replacement Personalty free and clear of any and all liens, encumbrances, security interests, ownership interests, claims of title (contingent or otherwise), or charges of any kind, or the rights of any conditional sellers, vendors, or any other third parties in or to such replacement Personalty have been expressly subordinated to the lien of the Mortgage in a manner satisfactory to Lender and at no cost to Lender; and (c) at Lender's option, Borrower provides at no cost to Lender satisfactory evidence that the Mortgage constitutes a valid and subsisting lien on and security interest in such replacement Personalty of the same priority as this Mortgage has on the Mortgaged Property and is not subject to being subordinated or its priority affected under any Governmental Requirements.

20.3. Permitted Encumbrances. If Lender consents in writing, which consent may not be unreasonably withheld, the due-on-encumbrance provision set forth in paragraph 20.1 shall not apply to a junior voluntary deed of trust or mortgage lien in favor of another lender encumbering the Mortgaged Property (the principal balance of any such junior encumbrance shall be added to the principal balance of the Indebtedness for purposes of determining compliance with the financial covenants of the Note); as long as Borrower gives Lender at least 30 days written notice of the further encumbrance and reimburses Lender for all out-of-pocket costs and expenses incurred in connection with such encumbrance.

21. Rights and Remedies on Default. Upon the occurrence of an Event of Default and at any time thereafter, Lender, at Lender's option may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

Accelerate Indebtedness. Lender shall have the right at its option without notice to Borrower to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Borrower would be required to pay.

UCC Remedies. With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

Collect Rents. Lender shall have the right, without notice to Borrower, to take possession of the Mortgaged Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Mortgaged Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Borrower irrevocably designates Lender as Borrower's attorney-in-fact to endorse instruments received in payment thereof in the name of Borrower and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Mortgagee in Possession. Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Mortgaged Property, with the power to protect and preserve the Mortgaged Property, to operate the Mortgaged Property preceding foreclosure or sale, and to collect the Rents from the Mortgaged Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Mortgaged Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Judicial Foreclosure. Lender may obtain a judicial decree foreclosing Borrower's interest in all or any part of the Mortgaged Property.

Deficiency Judgment. If permitted by applicable law, Lender may obtain a judgment for any deficiency remaining in the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this section.

Other Remedies. Lender shall have all other rights and remedies provided in this Mortgage or the Note or available at law or in equity.

Sale of the Property. To the extent permitted by applicable law, Borrower hereby waives any and all right to have the Mortgaged Property marshaled. In exercising its rights and remedies, Lender shall be free to sell all or any part of the Mortgaged Property together or separately, in one sale or by separate sales. Lender shall be entitled to bid at any public sale on all or any portion of the Mortgaged Property.

Notice of Sale. Lender shall give Borrower reasonable notice of the time and place of any public sale of the Personalty or of the time after which any private sale or other intended disposition of the Personalty is to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition. Any sale of the Personalty may be made in conjunction with any sale of the Land.

Election of Remedies. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Borrower under this Mortgage, after Borrower's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies. Nothing under this Mortgage or otherwise shall be construed so as to limit or restrict the rights and remedies available to Lender following an Event of Default, or in any way to limit or restrict the rights and ability of Lender to proceed directly against Borrower and/or against any other co-maker, guarantor, surety or endorser and/or to proceed against any other collateral directly or indirectly securing the Indebtedness.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Mortgage, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Note rate from the date of the expenditure until repaid. Expenses covered by this paragraph include without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees and title insurance, to the extent permitted by applicable law. Borrower also will pay any court costs, in addition to all other sums provided by Governmental Requirements.

22. Obligation to Notify Lender of Bankruptcy, Insolvency, Transfer, or Encumbrance.

Borrower shall notify Lender in writing, at or before the time of the occurrence of any event described in paragraphs 19 and 20 of this Mortgage, of such event and shall promptly furnish Lender with any and all information on such event that Lender may request.

23. Waiver of Marshaling. Despite the existence of interests in the Mortgaged Property other than that created by this Mortgage, and despite any other provision of this Mortgage, if Borrower defaults in paying the Indebtedness or in performing any Obligations, Lender shall have the right, in Lender's sole and absolute discretion, to establish the order in which the Mortgaged Property will be subjected to the remedies provided in this Mortgage and to establish the order in which all or any part of the Indebtedness secured by this Mortgage is satisfied from the proceeds realized on the exercise of the remedies provided in this Mortgage. Borrower and any person who now has or later acquires any interest in the Mortgaged Property with actual or constructive notice of this Mortgage waives any and all rights to require a marshaling of assets in connection with the exercise of any of the remedies provided in this Mortgage or otherwise provided by Governmental Requirements.

24. Environmental Matters.

24.1. Borrower's Representations and Warranties. Borrower represents and warrants to Lender that:

24.1.1. The Mortgaged Property and Borrower are not in violation of any Environmental Laws or subject to any existing, pending, or threatened investigation by any Governmental Authority under any Environmental Laws.

24.1.2. Borrower has not obtained and is not required by any Environmental Laws to obtain any permits or licenses to construct or use the Mortgaged Property or the Improvements.

24.1.3. Borrower has conducted an appropriate inquiry into previous uses and ownership of the Mortgaged Property, and after such inquiry determined that no Hazardous Substance has been disposed of, transported, or released on or at the Mortgaged Property.

24.1.4. No part of the Mortgaged Property is being used or, to the knowledge of Borrower, has been used at any previous time, for the disposal, storage, treatment, processing, transporting, or other handling of Hazardous Substances, nor is any part of the Mortgaged Property affected by any Hazardous Substance contamination.

24.1.5. To the best of Borrower's knowledge and belief, no real property adjoining the Mortgaged Property is being used, or has ever been used at any previous time, for the disposal, storage, treatment, processing, or other handling of Hazardous Substances, nor is any other real property adjoining the Mortgaged Property affected by Hazardous Substances contamination.

24.1.6. No investigation, administrative order, consent order or agreement, litigation, or settlement with respect to Hazardous Substances or Hazardous Substances contamination is proposed, threatened, anticipated, or in existence regarding the Mortgaged Property. The Mortgaged Property is not currently on, and to Borrower's knowledge, after diligent investigation and inquiry, has never been on, any federal or state "Superfund" or "Superlien" list.

24.1.7. Neither Borrower nor, to the best of Borrower's knowledge and belief, any tenant of any portion of the Mortgaged Property has received any notice from any Governmental Authority regarding any violation of any Environmental Laws.

24.1.8. The use that Borrower makes and intends to make of the Mortgaged Property shall not result in the disposal or release of any Hazardous Substances on, in, or to the Mortgaged Property.

24.1.9. Borrower shall not cause any violation of any Environmental Laws, nor permit any tenant of any portion of the Mortgaged Property to cause such a violation, nor permit any environmental liens to be placed on any portion of the Mortgaged Property.

24.1.10. Neither Borrower nor any third party shall use, generate, manufacture, store, release, discharge, or dispose of any Hazardous Substance on, under, or about the Mortgaged Property, or transport any Hazardous Substance to or from the Mortgaged Property.

24.2. Survival of Representations and Warranties. The foregoing representations and warranties shall be continuing and shall be true and correct for the period from the date of this instrument to the release of this Mortgage (whether by payment of the Indebtedness secured by this Mortgage or foreclosure or action in lieu of foreclosure), and these representations and warranties shall survive such release.

24.3. Notice to Lender. Borrower shall give prompt written notice to Lender of:

24.3.1. Any proceeding or inquiry by any Governmental Authority (including, without limitation, the Illinois State Department of Public Health or the Illinois Environmental Protection Agency) regarding the presence or threatened presence of any Hazardous Substance on the Mortgaged Property;

24.3.2. All claims made or threatened by any third party against Borrower or the Mortgaged Property relating to any loss or injury resulting from any Hazardous Substance;

24.3.3. Borrower's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Mortgaged Property that could cause it or any part of it to be subject to any restrictions on the ownership, occupancy, transferability, or use of the Mortgaged Property under any Environmental Laws.

24.4. Lender's Right to Join Legal Actions. Lender shall have the right, at its option, but at Borrower's sole cost and expense, to join and participate in, as a party if it so elects, any legal proceedings or actions initiated by or against Borrower or the Mortgaged Property in connection with any Environmental Laws.

24.5. Borrower's Indemnity. Borrower shall indemnify, defend, and hold harmless Lender, its directors, officers, employees, agents, successors, and assigns from and against any loss, damage, cost, expense, or liability directly or indirectly arising from or attributable to the use, generation, manufacture, production, storage, release, threatened release, discharge, disposal, or presence of a Hazardous Substance on, under, or about the Mortgaged Property, or any order, consent decree, or settlement relating to the cleanup of a Hazardous Substance, or any claims of loss, damage, liability, expense, or injury relating to or arising from, directly or indirectly, any disclosure by Lender to anyone of information, whether true or not,

relative to a Hazardous Substance or Environmental Law violation, including, without limitation, Attorney Fees. This indemnity shall survive the release of this Mortgage (whether by payment of the Indebtedness secured by this Mortgage or foreclosure or action in lieu of foreclosure).

25. Reserved.

26. Reserved.

27. Release. Upon payment of all sums secured by this Mortgage, Lender shall release this Mortgage. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Mortgage, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

28. Reserved.

29. No Waiver by Lender. No waiver by Lender of any right or remedy provided by the Loan Documents or Governmental Requirements shall be effective unless such waiver is in writing and signed by two authorized officers of Lender. Waiver by Lender of any right or remedy granted to Lender under the Loan Documents or Governmental Requirements as to any transaction or occurrence shall not be deemed a waiver of any future transaction or occurrence. The acceptance of payment of any sum secured by this Mortgage after its due date, or the payment by Lender of any Indebtedness or the performance by Lender of any Obligations of Borrower under the Loan Documents, on Borrower's failure to do so, or the addition of any payment so made by Lender to the Indebtedness secured by this Mortgage, or the exercise of Lender's right to enter the Mortgaged Property and receive and collect the Rents from it, or the assertion by Lender of any other right or remedy under the Loan Documents, shall not constitute a waiver of Lender's right to require prompt performance of all other Obligations of Borrower under the Loan Documents and payment of the Indebtedness, or to exercise any other right or remedy under the Loan Documents for any failure by Borrower to timely and fully pay the Indebtedness and perform its Obligations under the Loan Documents. Lender may waive any right or remedy under the Loan Documents or Governmental Requirements without notice to or consent from Borrower, any guarantor of the Indebtedness and of Borrower's Obligations under the Loan Documents, or any holder or claimant of a lien or other interest in the Mortgaged Property that is junior to the lien of this Mortgage, and without incurring liability to Borrower or any other person by so doing.

30. Consents and Modifications; Borrower and Lien Not Released. Despite Borrower's default in the payment of any Indebtedness secured by this Mortgage or in the performance of any Obligations under this Mortgage or Borrower's breach of any obligation, covenant, or agreement in the Loan Documents, Lender, at Lender's option, without notice to or consent from Borrower, any guarantor of the Indebtedness and of Borrower's Obligations under the Loan Documents, or any holder or claimant of a lien or interest in the Mortgaged Property that is junior to the lien of this Mortgage, and without incurring liability to Borrower or any other person by so doing, may from time to time (a) extend the time for payment of all or any portion of Borrower's Indebtedness under the Loan Documents; (b) accept a renewal note or notes, or release any person from liability, for all or any portion of such Indebtedness; (c) agree with Borrower to modify the terms and conditions of payment under the Loan Documents; (d) reduce the amount of the monthly installments due under paragraph 9 of this Mortgage; (e) reconvey or release other or additional security for the repayment of Borrower's Indebtedness under the Loan Documents; (f) approve the preparation or filing of any map or plat with respect to the Mortgaged Property; (g) enter into any extension or subordination agreement affecting the Mortgaged Property or the lien of this Mortgage; and (h) agree with Borrower to modify the term, the rate of interest, or the period of amortization of the Note or alter the amount of the monthly installments payable under the Note. No action taken by Lender under this paragraph shall be effective unless it is in writing, subscribed by Lender, and, except as expressly stated in such writing, no such action will impair or affect (i) Borrower's obligation to pay the Indebtedness secured by this Mortgage and to observe all Obligations of Borrower contained in the Loan Documents; (ii) the guaranty of any Person of the payment of the Indebtedness secured by this Mortgage; or (iii) the lien or priority of the lien of this Mortgage. At Lender's request, Borrower shall promptly pay Lender a reasonable

service charge, together with all insurance premiums and Attorney Fees as Lender may have advanced, for any action taken by Lender under this paragraph.

Whenever Lender's consent or approval is specified as a condition of any provision of this Mortgage, such consent or approval shall not be effective unless such consent or approval is in writing, signed by two authorized officers of Lender.

31. Waiver of Right of Offset. No portion of the Indebtedness secured by this Mortgage shall be or be deemed to be offset or compensated by all or any part of any claim, cause of action, counterclaim, or cross-claim, whether liquidated or unliquidated, that Borrower may have or claim to have against Lender.

32. Future Advances. On request by Borrower, Lender, at Lender's option, may make future advances to Borrower. All such future advances, with interest, shall be added to and become a part of the Indebtedness secured by this Mortgage when evidenced by promissory notes reciting that such note(s) are secured by this Mortgage.

33. Prepayment. If the Note secured by this Mortgage provides for a fee or charge as consideration for the acceptance of prepayment of principal, Borrower agrees to pay said fee or charge if the Indebtedness or any part of it shall be paid, whether voluntarily or involuntarily, before the due date stated in the Note, even if Borrower has defaulted in payment or in the performance of any agreement under this Mortgage and Lender, for that reason or by reason of paragraphs 20 and 21 of this Mortgage, shall have declared all sums secured by this Mortgage immediately due and payable.

34. Additional Borrower Representations. To induce Lender to enter into this Mortgage, the Note, and the other Loan Documents and to make the Loan, Borrower makes the following representations and warranties, which are deemed made as of both the date and the recordation of this Mortgage:

34.1. Capacity. Borrower and the individuals executing Loan Documents on Borrower's behalf have the full power, authority, and legal right to execute and deliver, and to perform and observe the provisions of this Mortgage, the Note, the other Loan Documents, and any other document, agreement, certificate, or instrument executed in connection with the Loan, and to carry out the contemplated transactions.

34.2. Authority and Enforceability. Borrower's execution, delivery, and performance of this Mortgage, the Note, the other Loan Documents, and any other document, agreement, certificate, or instrument executed in connection with the Loan have been duly authorized by all necessary corporate or other business entity action and do not and shall not require any registration with, consent, or approval of, notice to, or any action by any Person or Governmental Authority. Borrower has obtained or will obtain on or before the recordation of this Mortgage all necessary Governmental Authority and other approvals necessary for Borrower to comply with the Loan Documents. This Mortgage, the Note, and the other Loan Documents executed in connection with the Loan, when executed and delivered by Borrower, shall constitute the legal, valid, binding, and joint and several obligations of Borrower enforceable in accordance with their respective terms.

34.3. Compliance With Other Instruments. The execution and delivery of this Mortgage and the other Loan Documents, and compliance with their respective terms, and the issuance of the Note and other Loan Documents as contemplated in this Mortgage, shall not result in a breach of any of the terms or conditions of, or result in the imposition of, any lien, charge, or encumbrance (except as created by this Mortgage and the other Loan Documents) on any properties of Borrower, or constitute a default (with due notice or lapse of time or both) or result in an occurrence of an event for which any holder or holders of indebtedness may declare the same due and payable under, any indenture, agreement, order, judgment, or instrument to which Borrower is a party or by which Borrower or its properties may be bound or affected.

34.4. Compliance With Law. The execution and delivery of this Mortgage, the Note, and the other Loan Documents, or any other document, agreement, certificate, or instrument to which Borrower is bound in connection with the Loan, do not conflict with, result in a breach or default under, or create any lien or charge under any provision of any Governmental Requirements to which it is subject and shall not violate any of the Governmental Requirements.

34.5. Material Adverse Events. Since the date of the financial statements delivered to Lender before recordation of this Mortgage, neither the condition (financial or otherwise) nor the business of Borrower and the Mortgaged Property have been materially adversely affected in any way.

34.6. Litigation. There are no actions, suits, investigations, or proceedings pending or, to Borrower's knowledge after due inquiry and investigation, threatened against or affecting Borrower at law or in equity, before or by any Person or Governmental Authority, that, if adversely determined, would have a material adverse effect on the business, properties, or condition (financial or otherwise) of Borrower or on the validity or enforceability of this Mortgage, any of the other Loan Documents, or the ability of Borrower to perform under any of the Loan Documents.

34.7. No Untrue Statements. All statements, representations, and warranties made by Borrower in this Mortgage or any other Loan Document and any other agreement, document, certificate, or instrument previously furnished or to be furnished by Borrower to Lender under the Loan Documents (a) are and shall be true, correct, and complete in all material respects at the time they were made and on and as of the recordation of this Mortgage, (b) do not and shall not contain any untrue statement of a material fact, and (c) do not and shall not omit to state a material fact necessary to make the information in them neither misleading nor incomplete. Borrower understands that all such statements, representations, and warranties shall be deemed to have been relied on by Lender as a material inducement to make the Loan.

34.8. Policies of Insurance. Each copy of the insurance policies relating to the Mortgaged Property delivered to Lender by Borrower (a) is a true, correct, and complete copy of the respective original policy in effect on the date of this Mortgage, and no amendments or modifications of said documents or instruments not included in such copies have been made, except as stated in this paragraph 34.8 and (b) has not been terminated and is in full force and effect. Borrower is not in default in the observance or performance of its material obligations under said documents or instruments and Borrower has done all things required to be done as of the date of this Mortgage to keep unimpaired its rights thereunder.

34.9. Financial Statements. All financial statements furnished to Lender are true and correct in all material respects, are prepared in accordance with generally accepted accounting principles, and do not omit any material fact the omission of which makes such statement or statements misleading. There are no facts that have not been disclosed to Lender by Borrower in writing that materially or adversely affect or could potentially in the future affect the Mortgaged Property or the business prospects, profits, or condition (financial or otherwise) of Borrower or any guarantor or Borrower's abilities to perform the Obligations and pay the Indebtedness.

34.10. Water Rights. (a) Borrower is the sole owner of record of the Water Rights; (b) the Water Rights are appurtenant to the Mortgaged Property and are free and clear of all liens and encumbrances except as set forth in the title report described in paragraph 1.22; (c) the Water Rights are sufficient to satisfy all water requirements of the development of the Mortgaged Property as presently contemplated; (d) the Water Rights include all water rights appurtenant to the Mortgaged Property; (e) Borrower has received a water service commitment from the applicable local water district, guaranteeing water service for the Mortgaged Property in an amount necessary to satisfy the requirements for such property in its currently contemplated final state of development; and (f) on recordation of this Mortgage with the county recorder, Lender shall have a valid, first priority, perfected security interest in the Water Rights.

34.11. Taxes. Borrower has filed or caused to be filed all tax returns that are required to be filed by Borrower under the Governmental Requirements of each Governmental Authority with taxing power over Borrower, and Borrower has paid, or made provision for the payment of, all taxes, assessments, fees, and other governmental charges that have or may have become due under said returns, or otherwise, or under any assessment received by Borrower except that such taxes, if any, as are being contested in good faith and as to which adequate reserves (determined in accordance with generally accepted accounting principles) have been provided.

34.12. Leases. If the Mortgaged Property includes a leasehold estate, Borrower has not and shall not surrender, terminate, cancel, waive, accept waiver, change, supplement, grant subleases of, alter, surrender, or amend, and shall comply with all terms, covenants, and conditions in the Leasehold.

34.13. Further Acts. Borrower shall, at its sole cost and expense, and without expense to Lender, do, execute, acknowledge, and deliver all and every such further acts, deeds, conveyances, deeds of trust, mortgages, assignments, notices of assignments, transfers, and assurances as Lender shall from time to time require, for the purpose of better assuring, conveying, assigning, transferring, pledging, mortgaging, warranting, and confirming to Lender the Mortgaged Property and rights, and as to Lender the security interest as to the Personalty, conveyed or assigned by this Mortgage or intended now or later so to be, or for carrying out the intention or facilitating the performance of the terms of this Mortgage, or for filing, registering, or recording this Mortgage and, on demand, shall execute and deliver, and authorizes Lender to execute in the name of Borrower, to the extent it may lawfully do so, one or more financing statements, chattel mortgages, or comparable Mortgages, to evidence more effectively the lien of this Mortgage on the Mortgaged Property.

34.14. Filing Fees. Borrower shall pay all filing, registration, or recording fees, all Governmental Authority stamp taxes and other fees, taxes, duties, imposts, assessments, and all other charges incident to, arising from, or in connection with the preparation, execution, delivery, and enforcement of the Note, this Mortgage, the other Loan Documents, any supplemental deed of trust or mortgage, or any instrument of further assurance.

34.15. Entity Compliance. As long as it is the owner of the Mortgaged Property, Borrower, if a corporation, limited liability company, or partnership, shall do all things necessary to preserve and keep in full force and effect its existence, franchises, rights, and privileges as such entity under the laws of the state of its incorporation or formation, and shall comply with all Governmental Requirements of any Governmental Authority applicable to Borrower or to the Mortgaged Property or any part of it.

35. Governing Law; Consent to Jurisdiction and Venue. The validity of this Mortgage and its construction, interpretation, and enforcement, and the parties' rights under such documents and concerning the Mortgaged Property, shall be decided under, governed by, and construed in accordance with the laws of the State of Illinois. The Parties agree that all actions or proceedings arising in connection with this Mortgage shall be tried and litigated only in the state courts located in the county in which the property is located, or the applicable federal district court that covers said county. Borrower waives any right Borrower may have to assert the doctrine of forum non conveniens or to object to such venue.

Notwithstanding the foregoing, the Promissory Note and all other documents related to the transaction are, by agreement of the Parties, subject to the laws of the State of California. The Parties agree that jurisdiction and venue for any dispute, claim or controversy arising out of or relating to the Promissory Note and loan documents (other than with respect to the enforcement or foreclosure of this Mortgage) shall be Los Angeles County, California, and Borrower submits to personal jurisdiction in that forum for any and all purposes. Borrower waives any right Borrower may have to assert the doctrine of forum non conveniens or to object to such venue.

36. Taxation of Mortgage. In the event of the enactment of any law deducting from the value of the Mortgaged Property any mortgage lien on it, or imposing on Lender the payment of all or part of the taxes, charges, or assessments previously paid by Borrower under this Mortgage, or changing the law relating to the taxation of mortgages, debts secured by mortgages, or Lender's interest in the Mortgaged Property so as to impose new incidents of tax on Lender, then Borrower shall pay such taxes or assessments or shall reimburse Lender for them; provided, however, that if in the opinion of Lender's counsel such payment cannot lawfully be made by Borrower, then Lender may, at Lender's option, declare all sums secured by this Mortgage to be immediately due and payable without notice to Borrower. Lender may invoke any remedies permitted by this Mortgage.

37. Mechanics' Liens. Borrower shall pay from time to time when due, all lawful claims and demands of mechanics, materialmen, laborers, and others that, if unpaid, might result in, or permit the creation of, a lien on the Mortgaged Property or any part of it, or on the Rents arising therefrom, and in general shall do or cause to be done everything necessary so that the lien and security interest of this Mortgage shall be fully preserved, at Borrower's expense, without expense to Lender; provided, however, that if Governmental Requirements empower Borrower to discharge of record any mechanics', laborer's, materialman's, or other

lien against the Mortgaged Property by the posting of a bond or other security, Borrower shall not have to make such payment if Borrower posts such bond or other security on the earlier of (a) 10 days after the filing or recording of same or (b) within the time prescribed by law, so as not to place the Mortgaged Property in jeopardy of a lien or forfeiture.

38. **Brokerage.** Borrower represents and warrants to Lender that Borrower has not dealt with any Person, other than parties identified in the final settlement statement approved by Lender and Borrower, who is or may be entitled to any finder's fee, brokerage commission, loan commission, or other sum in connection with the execution of this Mortgage, the consummation of the transactions contemplated by this Mortgage, or the making of the Loan secured by this Mortgage by Lender to Borrower, and Borrower indemnifies and agrees to hold Lender harmless from and against any and all loss, liability, or expense, including court costs and Attorney Fees, that Lender may suffer or sustain if such warranty or representation proves inaccurate in whole or in part.

39. **Liability for Acts or Omissions.** Lender shall not be liable or responsible for its acts or omissions under this Mortgage, except for Lender's own gross negligence or willful misconduct, or be liable or responsible for any acts or omissions of any agent, attorney, or employee of Lender, if selected with reasonable care.

40. **Notices.** Except for any notice required by Governmental Requirements to be given in another manner, (a) all notices required or permitted by the Loan Documents shall be in writing; (b) each notice shall be sent (i) for personal delivery by a delivery service that provides a record of the date of delivery, the individual to whom delivery was made, and the address where delivery was made; (ii) by certified United States mail, postage prepaid, return receipt requested; or (iii) by nationally recognized overnight delivery service, marked for next-business-day delivery; and (c) all notices shall be addressed to the appropriate party at its address as follows or such other addresses as may be designated by notice given in compliance with this provision:

Lender:	See Exhibit "A" At the address provided above
Borrower:	7749-59 S. Yates LLC At the address provided above

Notices will be deemed effective on the earliest of (a) actual receipt; (b) rejection of delivery; or (c) if sent by certified mail, the third day on which regular United States mail delivery service is provided after the day of mailing or, if sent by overnight delivery service, on the next day on which such service makes next-business-day deliveries after the day of sending.

To the extent permitted by Governmental Requirements, if there is more than one Borrower, notice to any Borrower shall constitute notice to all Borrowers. For notice purposes, Borrower agrees to keep Lender informed at all times of Borrower's current address(es).

41. **Statement of Obligations.** Except as otherwise provided by Governmental Requirements, at Lender's request, Borrower shall promptly pay to Lender such fee as may then be provided by law as the maximum charge for each statement of obligations, Lender's statement, Lender's demand, payoff statement, or other statement on the condition of, or balance owed, under the Note or secured by this Mortgage.

42. **Application of Payments.** Except as otherwise expressly provided by Governmental Requirements or any other provision of this Mortgage, all payments received by Lender from Borrower under the Loan Documents shall be applied by Lender in the following order: (a) costs, fees, charges, and advances paid or incurred by Lender or payable to Lender and interest under any provision of this Note or the Mortgage, in such order as Lender, in its sole and absolute discretion, elects, (b) interest payable under the Note, and (c) principal under the Note.

43. **Remedies Are Cumulative.** Each remedy in this Mortgage is separate and distinct and is cumulative to all other rights and remedies provided by this Mortgage or by Governmental Requirements, and each may be exercised concurrently, independently, or successively, in any order whatsoever.

44. **Obligations of Borrower Joint and Several.** If more than one Person is named as Borrower, each obligation of Borrower under this Mortgage shall be the joint and several obligations of each such Person.

45. **Severability.** If any provision of the Loan Documents, or the application of them to the circumstances, is held void, invalid, or unenforceable by a court of competent jurisdiction, the Loan Documents, and the applications of such provision to other parties or circumstances, shall not be affected thereby, the provisions of the Loan Documents being severable in any such instance.

46. **Delegation of Authority.** Whenever this Mortgage provides that Borrower authorizes and appoints Lender as Borrower's attorney-in-fact to perform any act for or on behalf of Borrower or in the name, place, and stead of Borrower, Borrower expressly understands and agrees that this authority shall be deemed a power coupled with an interest and such power shall be irrevocable.

47. **General Provisions.**

47.1. **Successors and Assigns.** Subject to paragraphs 19 and 20 of this Mortgage, this Mortgage applies to, inures to the benefit of, and binds, the respective heirs, legatees, devisees, administrators, executors, successors, and assigns of each party to this Mortgage.

47.2. **Meaning of Certain Terms.** As used in this Mortgage and unless the context otherwise provides, the words "herein," "hereunder" and "hereof" mean and include this Mortgage as a whole, rather than any particular provision of it.

47.3. **Authorized Agents.** In exercising any right or remedy, or taking any action provided in this Mortgage, Lender may act through its employees, agents, or independent contractors, as Lender expressly authorizes.

47.4. **Gender and Number.** Wherever the context so requires in this Mortgage, the masculine gender includes the feminine and neuter, the singular number includes the plural, and vice versa.

47.5. **Captions.** Captions and paragraph headings used in this Mortgage are for convenience of reference only, are not a part of this Mortgage, and shall not be used in construing it.

47.6. **Time Is of the Essence.** As a material inducement and consideration to the parties entering into this Mortgage, and but for this provision the parties would not enter into this Mortgage, the parties agree that the performance in a timely manner of each deadline set forth in this Mortgage before its expiration is of crucial importance to the parties. Failure by a party to timely perform an obligation before the deadline set forth in this Mortgage (no matter for what reason, nor how soon thereafter it may have been performed, nor the lack of prejudice to the other party as the result of such nonperformance) shall result in a default by the nonperforming party or the failure of a condition, as appropriate. The parties expressly waive any equitable relief with respect to a missed deadline.

48. **Leasehold Provisions.**

48.1. **Leasehold Estate.** If the security for this Mortgage is a leasehold estate demised by a lease (the "Leasehold"), this Mortgage shall be a lien on all present and future right, title, estate, and interest of Borrower in the Mortgaged Property and Improvements covered by the Leasehold and on all Mortgaged Property interests acquired by Borrower as a result of the exercise of any option in the Leasehold or as amended, in the same manner and to the same extent as if the Mortgaged Property encompassed in the Leasehold and option agreements had been held in fee by Borrower at the time of the execution of this Mortgage, and Borrower agrees not to amend, change, or modify its leasehold interest, or any of its terms, or to exercise any option to purchase, or agree to do so, without having obtained Lender's prior written consent. In a violation of this provision, Lender may, at its option, declare all sums secured by this Mortgage immediately due and payable. Consent to any amendment, change, or modification, or a waiver of the right to require such consent in one instance, shall not be a waiver of the right to require such consent at a subsequent time. The term "Mortgaged Property" as used in this Mortgage means such leasehold estate or any other present or future interest of Borrower in the Mortgaged Property whenever the context requires.

48.2. Compliance With Leasehold. In the event that the security for this Mortgage is a leasehold estate, Borrower covenants and agrees as follows: (a) to promptly and faithfully observe, perform, and comply with all Leasehold terms, covenants, and provisions on its part to be observed, performed, and complied with, at the times set forth in the Leasehold; (b) not to do, permit, suffer, or refrain from doing anything, as a result of which, there would be a default under or breach of any of the terms of the Leasehold; (c) not to cancel, surrender, modify, amend, or in any way alter or permit the alteration of any of the terms of the Leasehold; (d) to give Lender immediate notice of any default by anyone under the Leasehold and to promptly deliver to Lender copies of each notice of default and all other notices, communications, plans, specifications, and other similar instruments received or delivered by Borrower in this connection; (e) to furnish to Lender such information and evidence as Lender may reasonably require for Borrower's due observance, performance, and compliance with the Leasehold terms, covenants, and provisions; (f) that any default of the tenant under the Leasehold shall constitute an Event of Default under this Mortgage; and (g) to give immediate written notice to Lender of the commencement of any remedial proceedings under the Leasehold by any party to it and, if required by Lender, to permit Lender as Borrower's attorney-in-fact to control and act for Borrower in any such remedial proceedings. Borrower expressly transfers and assigns to Lender the benefit of all covenants in the Leasehold, whether or not such covenants run with the land, but Lender shall have no liability with respect to such covenants or any other covenants in the Leasehold.

48.3. Borrower's Warranties and Representations. With respect to the Leasehold, Borrower warrants and represents as follows: (a) the Leasehold is in full force and effect, unmodified by any writing or otherwise, except as specifically set forth in Exhibit B; (b) all rent, additional rent, and other charges reserved in the Leasehold have been paid to the extent they are payable to the date of this Mortgage; (c) Borrower enjoys the quiet and peaceful possession of the Mortgaged Property demised by the Leasehold; (d) Borrower is not in default under any Leasehold term and, to the best of its knowledge, there are no circumstances that, with the passage of time or the giving of notice or both, would constitute an Event of Default under the Leasehold; (e) to the best of Borrower's knowledge, the landlord under the Leasehold is not in default under any Leasehold term or provision the landlord is required to observe or perform.

48.4. Assignments to Lender. If Borrower files any petition or action for relief under any bankruptcy, reorganization, insolvency, moratorium law, or any other law or laws for the relief of or relating to debtors, on demand by Lender, Borrower covenants to transfer and assign to Lender its leasehold estate and the Leasehold in lieu of rejection of the Leasehold by Borrower and covenants to assign to Lender its right to accept or reject the Leasehold and to apply for any extension of time within which to accept or reject the Leasehold. These assignments to Lender shall be automatic on Lender's demand. If Lender demands the assignment of the Leasehold under this Mortgage, Lender covenants to cure any defaults outstanding under the Leasehold after the Leasehold is assigned to Lender.

48.5. Default Under Leasehold. If Borrower defaults in performing any of its obligations under the Leasehold, including, without limitation, any default in the payment of rent and other charges and impositions made payable by the tenant under the Leasehold, then, in each and every case, Lender may, at its option and without notice, cause the default or defaults to be remedied and otherwise exercise any and all of the rights of Borrower under the Leasehold in the name of and on behalf of Borrower. Borrower shall, on demand, reimburse Lender for all advances made and expenses incurred by Lender in curing any such default (including, without limitation, reasonable Attorney Fees), together with interest computed at the rate provided for in the Note from the date that an advance is made or expense is incurred, to and including the date the same is paid. Lender shall have no duty to prevent the termination of the leasehold estate by the landlord. If the landlord terminates the leasehold estate, Lender shall have the right, at its option, to declare all sums secured by this Mortgage immediately due and payable and immediately bring an action on the Note, provided there is no other real property security for the Note.

48.6. Options. Borrower shall give Lender notice of its intention to exercise each and every option to extend the term of the Leasehold at least 20 days but not more than 60 days before expiration of the time to exercise such option under the Leasehold. If Borrower intends to extend the term of the Leasehold, it shall deliver to Lender, with the notice of such decision, a copy of the notice of extension

delivered to the landlord under the Leasehold. If Borrower does not intend to extend the term of the Leasehold, Lender may, at its option, exercise the option to extend in the name and on behalf of Borrower.

48.7. No Merger/Attorney-in-Fact. It is hereby agreed that the fee title, the leasehold estate, and the subleasehold estate in the Mortgaged Property demised by the Leasehold shall not merge but shall be kept separate and distinct, despite the union of these estates in either the landlord under the Leasehold, Borrower, or a third party, whether by purchase or otherwise. If Borrower acquires the fee title or any other estate, title, or interest in the Mortgaged Property demised by the Leasehold or any part of it, the lien of this Mortgage shall attach to, cover, and be a lien on such acquired estate, title, or interest and it shall simultaneously be and become a part of the Mortgaged Property with the same force and effect as if specifically encumbered in this Mortgage. Borrower agrees to execute all instruments and documents that Lender may reasonably require to ratify, confirm, and further evidence Lender's lien on the acquired estate, title, or interest. Furthermore, Borrower appoints Lender as its true and lawful attorney-in-fact to execute and deliver all such instruments and documents in the name and on behalf of Borrower. This power, being coupled with an interest, shall be irrevocable as long as any amounts secured by this Mortgage remain unpaid.

48.8. Interests in Successor Leasehold. If the Leasehold is canceled or terminated, and if Lender or its nominee shall acquire an interest in any new lease of the Mortgaged Property demised by the Leasehold, Borrower shall have no right, title, or interest in or to the new lease or the leasehold estate created by such new lease.

48.9. Estoppel Certificate. Borrower shall use its best efforts to obtain and deliver to Lender, within 20 days after written demand by Lender, an estoppel certificate from the landlord under the Leasehold setting forth (a) the name of the tenant under the Leasehold, (b) that the Leasehold has not been modified or, if it has been modified, the date of each modification (together with copies of each such modification), (c) the basic rent payable under the Leasehold, (d) the date to which the tenant paid all rental charges under the Leasehold, and (e) whether there are any alleged defaults of the tenant under the Leasehold and, if there are, setting forth their nature in reasonable detail.

48.10. Limitations on Lender's Liability Under Leasehold. Despite anything to the contrary in this Mortgage, this Mortgage shall not constitute an assignment of the Leasehold within the meaning of any provision of the Leasehold prohibiting its assignment, and Lender shall have no liability or obligation under the Leasehold because of its acceptance of this Mortgage. Lender shall be liable for the tenant's obligations arising under the Leasehold for only that period of time that Lender is in possession of the Mortgaged Property covered by the Leasehold or has acquired, by foreclosure or otherwise, and is holding all of Borrower's right, title, and interest in the Mortgaged Property covered by the Leasehold.

49. Contractual Right to Appoint a Receiver Upon Default. Upon an Event of Default under this Mortgage or a breach of any clause of any agreement signed in connection with the loan to Trustor, Trustor agrees that Lender may appoint a receiver to control the Mortgaged Property within seven (7) days of any default. Trustor agrees to cooperate with the receiver and turn over all control to said receiver and otherwise cooperate with the receiver appointed by Lender.

50. Dispute Resolution: Waiver of Right to Jury Trial

50.1 WAIVER OF RIGHT TO JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, BORROWER AND LENDER AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED ON OR ARISING FROM THIS MORTGAGE. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. BORROWER AND, BY ITS ACCEPTANCE OF THE BENEFITS OF THIS MORTGAGE, LENDER EACH (A) ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT FOR BORROWER AND LENDER TO ENTER INTO A BUSINESS RELATIONSHIP, THAT BORROWER AND LENDER HAVE ALREADY RELIED ON

THIS WAIVER BY ENTERING INTO THIS MORTGAGE OR ACCEPTING ITS BENEFITS, AS THE CASE MAY BE, AND THAT EACH SHALL CONTINUE TO RELY ON THIS WAIVER IN THEIR RELATED FUTURE DEALINGS, AND (B) FURTHER WARRANTS AND REPRESENTS THAT EACH HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS, OR MODIFICATIONS TO THIS MORTGAGE.

BORROWER'S INITIALS: 

50.2 ARBITRATION. TO THE EXTENT A PREDISPUTE WAIVER OF THE RIGHT TO TRIAL BY JURY IS NOT ENFORCEABLE UNDER APPLICABLE LAW, ANY AND ALL DISPUTES, CONTROVERSIES OR CLAIMS ARISING OUT OF OR RELATING TO THIS MORTGAGE AND OTHER LOAN DOCUMENTS OR TRANSACTIONS CONTEMPLATED THEREBY, INCLUDING, WITHOUT LIMITATION, THE MAKING, PERFORMANCE, OR INTERPRETATION OF THIS MORTGAGE OR OTHER LOAN DOCUMENTS, SHALL BE RESOLVED BY BINDING ARBITRATION. UNLESS OTHERWISE AGREED ON, THE ARBITRATION SHALL BE CONDUCTED IN ACCORDANCE WITH THE THEN-CURRENT ARBITRATION PROCEDURES SET FORTH IN THE ILLINOIS RULES OF CIVIL PROCEDURE AND LOCAL SUPPLEMENTARY RULES THEN IN EFFECT. JUDGMENT ON THE ARBITRATION AWARD MAY BE ENTERED IN ANY COURT HAVING JURISDICTION. UNLESS OTHERWISE AGREED BY THE PARTIES, THE ARBITRATION SHALL BE HELD BEFORE A SINGLE ARBITRATOR SELECTED AS FOLLOWS: THE DISPUTING PARTIES SHALL, WITHIN TEN (10) BUSINESS DAYS FROM THE DATE ARBITRATION IS REQUESTED BY EITHER PARTY, AGREE UPON AN ARBITRATOR. IF THE PARTIES CANNOT SO AGREE, THEN EACH PARTY, WITHIN FIVE (5) BUSINESS DAYS THEREAFTER, SHALL NAME AN ARBITRATOR WHO SHALL BE AN ATTORNEY LICENSED TO PRACTICE IN ILLINOIS AND EXPERIENCED AND QUALIFIED IN REAL ESTATE MATTERS OF THE TYPE CONTEMPLATED BY THIS MORTGAGE AND OTHER LOAN DOCUMENTS OR A RETIRED ILLINOIS SUPERIOR OR APPELLATE COURT JUDGE. THOSE TWO NAMED ARBITRATORS SHALL THEN, WITHIN FIVE (5) BUSINESS DAYS, SELECT A THIRD ARBITRATOR WHO SHALL BE QUALIFIED AS DEFINED ABOVE, AND SUCH THIRD ARBITRATOR SHALL BE THE SOLE ARBITRATOR TO HEAR AND DETERMINE THE DISPUTE. IF ANY PARTY HERETO FAILS TO NAME AN ARBITRATOR WITHIN THE TIME LIMIT PROVIDED IN THIS PARAGRAPH, THEN THE ARBITRATOR TIMELY NAMED BY THE OTHER PARTY SHALL HEAR AND DECIDE THE DISPUTE. IF THE ARBITRATION IS COMMENCED, THE PARTIES AGREE TO PERMIT DISCOVERY PROCEEDINGS OF THE TYPE PROVIDED BY THE ILLINOIS CODE OF CIVIL PROCEDURE BOTH IN ADVANCE OF, AND DURING RECESSES OF, THE ARBITRATION HEARINGS. ALL FACTS AND OTHER INFORMATION RELATING TO ANY ARBITRATION ARISING UNDER THIS DECLARATION SHALL BE KEPT CONFIDENTIAL TO THE FULLEST EXTENT PERMITTED BY LAW. THE DECISION OR THE ARBITRATOR(S) SHALL FOLLOW THE LAW, SHALL BE RENDERED WITHIN TEN (10) BUSINESS DAYS FOLLOWING THE CONCLUSION OF THE ARBITRATION, AND SHALL BE SET FORTH IN A WRITTEN OPINION STATING THE FINDINGS OF FACT OR THE ARBITRATOR(S) AND LEGAL AUTHORITIES THAT ARE THE BASIS OF THE DECISION. THE VENUE FOR ANY SUCH ARBITRATION SHALL BE THE COUNTY IN WHICH BENEFICIARY'S OFFICE AT THE ADDRESS SET FORTH HEREIN IS SITUATED. THE COSTS OF THE ARBITRATOR(S) SHALL BE SPLIT EQUALLY BY THE PARTIES BUT SHALL BE A RECOVERABLE COST FOR THE PARTY PREVAILING IN THE ARBITRATION.

50.3 PROVISIONAL REMEDIES; FORECLOSURE AND INJUNCTIVE RELIEF.

Nothing in Section 50.2, above, shall be deemed to apply to or limit the right of Lender to: (a) exercise self help remedies, (b) foreclose judicially or nonjudicially against any real or personal property collateral, or to exercise judicial or nonjudicial power of sale rights, (c) obtain from a court provisional or ancillary remedies (including, but not limited to, injunctive relief, a writ of possession, prejudgment attachment, a protective order or the appointment of a receiver) or (d) pursue rights against Borrower or any other party in a third party proceeding in any action brought against Lender (including, but not limited to, actions in bankruptcy court). Lender may exercise the rights set forth in the foregoing clauses (a) through (d), inclusive, before, during, or after the pendency of any proceeding referred to in Section 50.2, above. Neither the exercise of self help remedies nor the institution or maintenance of an action for foreclosure or provisional or ancillary remedies or the opposition to any such provisional remedies shall constitute a waiver of the right of any Borrower, Lender or any other party, including, but not limited to, the claimant in any such action, to require submission the dispute, claim or controversy occasioning resort to such remedies to any proceeding referred to in Section 50.2, above.

51. Illinois Collateral Protection Act Disclosure.

"Unless you provide us with evidence of the insurance coverage required by your agreement with us, we may purchase insurance at your expense to protect our interests in your collateral. This insurance may, but need not, protect your interests. The coverage that we purchase may not pay any claim that you make or any claim that is made against you in connection with the collateral. You may later cancel any insurance purchased by us, but only after providing us with evidence that you have obtained insurance as required by our agreement. If we purchase insurance for the collateral, you will be responsible for the costs of that insurance, including interest and any other charges we may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to your total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance you may be able to obtain on your own."

52. Waiver of Homestead Exemption. Borrower hereby releases and waives all rights and benefits of the homestead exemption laws of the State of Illinois as to all Indebtedness secured by this Mortgage.

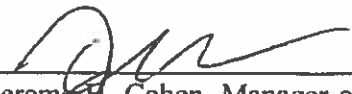

53. Waiver of Right of Redemption. NOTWITHSTANDING ANY OF THE PROVISIONS TO THE CONTRARY CONTAINED IN THIS MORTGAGE, BORROWER HEREBY WAIVES, TO THE EXTENT PERMITTED UNDER 735 ILCS 5/15-1601(b) OR ANY SIMILAR LAW EXISTING AFTER THE DATE OF THIS MORTGAGE, ANY AND ALL RIGHTS OF REDEMPTION ON BORROWER'S BEHALF AND ON BEHALF OF ANY OTHER PERSONS PERMITTED TO REDEEM THE MORTGAGED PROPERTY.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on March 14th, 2017. The mortgagor is 7749-59 S. Yates, LLC ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Two Million Eight Hundred Sixty and 00/100 Dollars (U.S. \$2,860,000.00). This debt is evidenced by Borrower's notes as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable September 1st, 2018 unless otherwise specified on the notes. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 21-30-318-013-0000

which has the address of 7749-59 S Yates Ave. Chicago, IL 60649 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. TERMS AND CONDITIONS

The Seller agrees to sell the Property, and the Buyer agrees to purchase the Property, on the following terms and conditions:

1. **Purchase Price.** The purchase price for the Property shall be \$ 1,870,000(the "Purchase Price"). The Buyer shall pay the Purchase Price as follows:
 - a. An earnest money deposit (the "Earnest Money") in an amount equal to ten percent (10%) of the Purchase Price within three (3) business days following the date of acceptance of the Agreement by the Seller (the "Acceptance Date").
 - b. The balance of the Purchase Price, subject to any applicable credits and prorations, at Closing.

[Note: If the Buyer desires to enter into this Agreement subject to a financing contingency, then Rider A should be completed. Otherwise, Rider A should be left blank.]

[Note: If the Buyer purports to hold a mortgage interest in the Property and tenders this Agreement in connection with a credit bid, then Rider B should be completed. Otherwise, Rider B should be left blank.]

2. **Earnest Money.** The Earnest Money shall be held by First American Title Company ("First American Title") in a segregated escrow account. In connection with said Earnest Money deposit, the Buyer shall execute and deliver to the Seller a copy of that certain strict joint order escrow agreement in the form attached hereto as Exhibit A.

3. **Court Approval.** As soon as practicable after the Acceptance Date, the Seller shall move before the Honorable John Z. Lee or any judge sitting in his stead or to whom he has made a referral in the SEC Action (the "Receivership Court") for approval of the sale of the Property pursuant to this Agreement. In the event that the Receivership Court does not issue the requisite approval, then the Agreement shall become null and void and all Earnest Money shall be promptly refunded to the Buyer.

4. **Escrow Closing.** This sale shall be closed through an escrow with First American Title in accordance with the general provisions of the usual form of deed and money escrow agreement then furnished and in use by said title company. Payment of the Purchase Price and delivery of the receiver's deed shall be made through the escrow. The cost of the escrow shall be divided equally between the Buyer and the Seller unless the Buyer acquires the Property with financing, in which event that portion of the cost of the escrow relating to the financing shall be borne by the Buyer. Unless otherwise specified herein, all other closing costs shall be paid in accordance with custom for apartment investment sales transactions in Cook County, Illinois.

5. **Irrevocable Offer.** This Agreement when executed by the Buyer and delivered to the Seller shall constitute an irrevocable offer to purchase the Property until ~~August 28, 2019~~ ^{10/17/2019} (the "Offer Expiration Date"). In the event that the offer is not accepted by the Seller before the Offer Expiration Date, then the offer shall be deemed withdrawn.
KD
7/10/19

6. **Personal Property.** At Closing, the Seller shall tender to the Buyer a bill of sale for the personal property appurtenant to the Property (the "Personal Property") warranting only that Seller is the absolute owner of said Personal Property, that said Personal Property is free and clear of all liens, charges, and encumbrances, and that the Seller has the full right, power, and authority to sell said Personal Property and to deliver the bill of sale. The Seller shall neither make nor adopt any warranty whatsoever with respect to the Personal Property and shall specifically disclaim any implied warranty of merchantability or fitness for a particular purpose. The price of the Personal Property shall be included in the Purchase Price, and the Buyer agrees to accept all such Personal Property in "as is" condition.

7. **The Closing Date.** The closing shall be held on a date (the "Closing Date") to be designated by the Seller after the Receivership Court approves the sale of the Property pursuant to this Agreement, provided, however, that the Buyer shall be entitled to five business days' advance Notice of the Closing Date.

8. **Conveyance of Title.** At Closing, the Seller shall convey title to the Property by a recordable form receiver's deed subject only to (a) general real estate taxes not yet due and payable at the time of Closing; (b) covenants, conditions, restrictions, or building lines and

easements of record, if any; (c) public and utility easements; (d) applicable zoning and building laws and ordinances; (f) acts done by or suffered through Buyer or anyone claiming by, through, or under Buyer; (g) governmental actions or proceedings concerning or affecting the Property; and (h) encroachments of a minor nature, if any, that can be insured over at closing (the "Permitted Exceptions"). The Seller agrees to surrender possession of the Property at the time of Closing.

9. **Commitment For Title Insurance.** Within ten (10) business days after the Acceptance Date, the Seller shall deliver to the Buyer evidence of merchantable title by delivering a commitment for title insurance with extended coverage from First American Title in the amount of the Purchase Price with a commitment date not earlier than July 1, 2019, subject only to general exceptions, the Permitted Exceptions, and exceptions pertaining to liens or encumbrances of a definite and ascertainable amount which may be removed by the payment of money by Seller, endorsed over by First American Title at the Seller's sole expense, or which will be extinguished by order of the Receivership Court. Such title commitment shall be conclusive evidence of good and merchantable title, subject only to the foregoing exceptions. If the commitment for title insurance discloses title exceptions other than the general exceptions, Permitted Exceptions, exceptions waivable through the payment of money or the issuance of an endorsement, or exceptions to be extinguished by Receivership Court order, the Seller shall have thirty (30) calendar days from the Closing Date to cure, or insure over, the unpermitted exceptions and the Closing shall be postponed until said unpermitted exceptions are cured or insured over. If the Seller fails to timely secure the removal of the unpermitted exceptions or obtain an endorsement insuring over the unpermitted exceptions, the Purchaser may terminate this Contract with a full refund of Earnest Money upon Notice to the Seller within ten (10) business days after the expiration of the thirty (30) day period. In such event, this Agreement shall become null and void and neither party shall thereafter have any rights against the other, and the Seller may not be held liable for direct, indirect, incidental, or consequential damages.

10. **Survey.** At least five (5) business days prior to the Closing Date, the Seller shall provide the Buyer with a survey by a licensed land surveyor dated not more than six months prior to the date of Closing, indicating the present location of all improvements. If the Buyer or the Buyer's mortgagee desires a more recent or extensive survey, the survey shall be obtained at the Buyer's expense.

11. **Assignment And Assumption Of Leases.** At Closing, the Seller shall deliver to the Buyer, and the Seller and Buyer shall execute, an assignment and assumption of leases (in the form attached hereto as Exhibit B) pursuant to which the Seller shall convey all right, title, and interest in and to any leases in effect at the Property to the Buyer, and the Buyer shall agree to assume all of the Seller's obligations under said leases.

12. **Prorations.** Prepaid service contracts and other similar items shall be credited ratably at Closing. Any and all rents collected from or on behalf of tenants until the date of the Closing shall be applied by the Seller first to past due balances and then to currently scheduled monthly rent. Each tenant's scheduled monthly rent shall then be prorated for the month of Closing. To

the extent that any tenant has paid all rent through and including the month prior to the Closing, then all additional rent received from such tenant shall be applied by the Seller first to rent for the period between the first day of the month in which the Closing occurs and the date of the Closing, and the balance of said rent, if any, shall be paid to the Buyer. Any and all rents that remain delinquent as of the Closing Date shall belong to the Buyer upon collection. Notwithstanding the foregoing, real estate taxes associated with the ownership of the Property shall be prorated as of the Closing Date based on 105% of the most recently ascertainable tax bill.

13. Inspection Period. The Buyer acknowledges that it was afforded the opportunity to conduct a limited tour of the Property prior to submitting its offer. Within three (3) calendar days following the Acceptance Date, the Seller shall produce the following documents to the Buyer (the "Due Diligence Materials"):

- a. Current Rent Roll. A current rent roll for the Property generated by the management company.
- b. Utility Bills. Copies of all utility bills relating to the Property, to the extent available, for the twelve calendar months preceding the month of the Acceptance Date.
- c. Leases. Copies of all existing leases affecting the Property.
- d. Profit & Loss Statement. A current trailing twelve-month profit and loss statement reflecting all categories of operating income and expenses associated with the Property, as generated by the management company.
- e. Litigation Documents. Copies of documents, including notices of violation, orders, judgments, and other pleadings, pertaining to any known litigation or proceedings currently affecting the Property.

In addition, the Seller shall allow the Buyer reasonable access to the Property for twenty days from and after the Acceptance Date (the "Inspection Period") for the purpose of conducting an inspection of the major structural and mechanical components of the Property. A major structural or mechanical component shall be deemed to be in acceptable operating condition if it substantially performs the function for which it is intended, regardless of age, and does not pose a threat to health or safety. In the event that the Buyer possesses sound evidence that any major structural or mechanical component of the Property does not substantially perform the function for which it is intended, then the Buyer shall have the right to terminate this Agreement upon the delivery of Notice to the Seller on or before the conclusion of the Inspection Period, such notice to be accompanied by the relevant pages of an inspection report prepared by a licensed or certified inspector and identifying the defect justifying the termination. Upon receipt by the Seller of the notice of termination, this Agreement shall be considered null and void and the parties shall be discharged of any and all obligations hereunder (except those obligations which survive termination) and First American Title shall

release the Earnest Money to the Buyer. In the event that the Buyer does not terminate the Agreement on or prior to the conclusion of the Inspection Period, the Property shall be considered accepted by the Buyer and the Earnest Money shall thereafter be non-refundable. In connection with its inspection of the Property, the Buyer shall keep the Property free and clear of liens, shall indemnify and hold Seller harmless from any and all liability, loss, cost, damage, or expense relating to its inspection of the Property, and shall repair any and all damage arising from the inspection. These obligations shall survive termination of the Agreement.

14. **Entry Into Or Renewal Of Contracts & Material Changes.** Following the expiration of the Inspection Period, the Seller shall not without the prior written consent of the Buyer, said consent not to be unreasonably withheld, conditioned, or delayed, enter into or renew any service contract or lease affecting or concerning the Property. In addition, the Seller shall not make any material changes to the Property, perform or engage in any act, or enter into any agreement that materially changes the value of the Property or the rights of the Buyer relating to the Property.

15. **Material Destruction.** Risk of loss to the Property shall be borne by the Seller until title has been conveyed to Buyer. If, prior to Closing, a material portion of the Property shall be destroyed or materially damaged by fire or other casualty, then the Seller shall provide prompt notice of said fire or other casualty to the Buyer and this Agreement shall thereafter, at the option of the Buyer, exercised by Notice to the Seller within five (5) business days after receipt of notice of such material damage, be null and void, and all Earnest Money shall be refunded to the Buyer. Failure of the Buyer to provide timely notice shall constitute a waiver of the right to terminate.

16. **Condition Of Property.** The Buyer understands and agrees that the Property is being sold "as is" and "with all faults" and that neither the Seller nor any agent or attorney of the Seller, makes, or has made, any representation or warranty as to the physical condition or value of the Property or its suitability for the Buyer's intended use. The Seller has no obligation to repair or correct any alleged patent or latent defect at the Property, or to compensate the Buyer for any such defect, and, upon closing, the Buyer waives, releases, acquits, and forever discharges the Seller, and all of the Seller's agents and attorneys, to the maximum extent permitted by law, from any and all claims, actions, causes or action, demands, rights, liabilities, losses, damages, costs, or expenses, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or which may arise in the future on account of or in any way arising from or relating to any alleged patent or latent defect at the Property.

17. **Buyer Default.** The Buyer and Seller agree that it would be difficult to ascertain the actual damages to be suffered by the Seller in the event of a default by the Buyer and that the amount of the Earnest Money deposited by the Buyer hereunder constitutes the parties' reasonable estimate of the Seller's damages in the event of the Buyer's default, and that upon any such default not caused by the Seller, the Seller shall be entitled to retain the Earnest

Money as liquidated damages, which shall constitute the Seller's sole and exclusive remedy in law or at equity in connection with said default.

18. **Seller Default.** In the event that the Seller shall fail to sell, transfer, and assign the Property to Purchaser in violation of the terms of this Agreement and/or fail to perform any other material obligation of Seller hereunder, then the Buyer may give Notice to the Seller specifying the nature of the default. The Seller shall thereafter have five (5) business days from receipt of said Notice, but in no event beyond the Closing Date, within which to cure the alleged default. If the Seller fails to cure the default within the cure period, then the Buyer shall be entitled to the return of all Earnest Money and (a) to declare the Agreement null and void and sue for reasonable out-of-pocket expenses incurred in connection with this Agreement prior to the alleged default or (b) to sue for specific performance, the parties recognizing that the Property is unique and that the Buyer otherwise lacks an adequate remedy at law. In the latter event, the Buyer is advised that Section VIII of the Order Appointing Receiver entered in the SEC Action enjoins the filing or prosecution of all civil proceedings against the Receiver, in his capacity as Receiver, until further order of the court.

19. **Representations and Warranties.** As a material inducement to the Buyer to enter into this Agreement, the Seller hereby makes the following representations and warranties, each of which shall remain true and correct as of the Closing Date:

- a. The Seller has the full right, power, and authority to convey the Property to the Buyer as provided in this Agreement and to carry out its obligations hereunder. In addition, the individual executing this Agreement on behalf of the Seller has the legal right, power, and authority to bind the Seller to the terms hereof.
- b. The Seller will not take any action affecting title to the Property following the Acceptance Date.
- c. To the best of the Seller's knowledge, there are no actions, investigations, suits, or proceedings, pending or threatened, that affect the Property, or the ownership or operation thereof, other than the SEC Action and the following:

[None.]
- d. To the best of the Seller's knowledge, the Property is not in violation, nor has been under investigation for violation, of any federal, state, or local law, ordinance, or regulation regulating environmental conditions in, at, on, under, or about the Property, including but not limited to, soil and groundwater conditions.

20. **Notices.** All notices required or permitted under this Agreement shall be in writing and served by registered or certified United States mail, return receipt requested; nationally recognized overnight mail courier (signature required); or electronic mail (evidenced by

competent and authentic proof of transmission). Any notices given to the Seller shall be delivered to the Seller's counsel, at the following physical or e-mail addresses:

21. **Like-Kind Exchange.** The Seller agrees to cooperate if the Buyer elects to acquire the Property as part of a like-kind exchange under Section 1031 of the Internal Revenue Code. The Buyer's contemplated exchange shall not impose upon the Seller any additional liability or financial obligation, and the Buyer agrees to hold the Seller harmless from any liability that might arise from such exchange. This Agreement is neither subject to nor contingent upon the Buyer's ability to dispose of its exchange property or to effectuate an exchange. In the event any exchange contemplated by the Buyer should fail to occur, for whatever reason, the sale of the Property shall nonetheless be consummated as provided herein.

22. **Real Estate Agents.** Purchaser represents and warrants that, other than Seller's Agent and Buyer's Agent, if any, no other putative real estate agent or broker was involved in submitting, showing, marketing, or selling the Property to the Buyer, and the Buyer agrees to indemnify and hold Seller, and its successors and assigns, harmless from and against any and all liability, loss, damages, cost, or expense, including reasonable attorneys' fees, arising from or relating to any claim for a commission, fee, or other form of payment or compensation asserted by a putative real estate agent or broker purporting to have procured the Buyer in connection with this Agreement.

23. Foreign Investor Disclosure. The Seller and the Buyer agree to execute and deliver any instrument, affidavit, or statement, and to perform any act reasonably necessary to carry out the provisions of the Foreign Investment in Real Property Tax Act and regulations promulgated thereunder. The Seller represents that the Seller is not a foreign person as defined in Section 1445 of the Internal Revenue Code.

24. Merger. This Agreement expresses the entire agreement of the parties and supersedes any and all previous agreements or understandings between them with regard to the Property. There are no other understandings, oral or written, which in any way alter or enlarge the terms of this Agreement, and there are no warranties or representations of any nature whatsoever, either express or implied, except as set forth herein. This Agreement may be modified only by a written instrument signed by the party to be charged.

Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

Assignor shall hold the Rents, as well as all sums received pursuant to any Lease Guaranty, or a portion thereof sufficient to discharge all current sums due on the Obligations, in trust for the benefit of Assignee for use in the payment of such sums.

Section 2.2 NOTICE TO LESSEES. Assignor hereby authorizes and directs the lessees named in the Leases or any other future lessees or occupants of the Property and all Lease Guarantors to pay over to Assignee or to such other party as Assignee directs all Rents and all sums due under any Lease Guaranties upon receipt from Assignee of written notice to the effect that Assignee is then the holder of this Assignment and that an Event of Default (as defined in the Loan Agreement) exists, and to continue so to do until otherwise notified by Assignee.

Section 2.3 INCORPORATION BY REFERENCE. All representations, warranties, covenants, conditions and agreements contained in the Loan Agreement and the other Loan Documents as same may be modified, renewed, substituted or extended are hereby made a part of this Assignment to the same extent and with the same force as if fully set forth herein.

ARTICLE 3 - REMEDIES

Section 3.1 REMEDIES OF ASSIGNEE. Upon the occurrence of an Event of Default, the license granted to Assignor in Section 2.1 of this Assignment shall automatically be revoked, and Assignee shall immediately be entitled to possession of all Rents and sums due under any Lease Guaranties, whether or not Assignee enters upon or takes control of the Property. In addition, Assignee may, at its option, without waiving such Event of Default, without regard to the adequacy of the security for the Obligations, either in person or by agent, nominee or attorney, with or without bringing any action or proceeding, or by a receiver appointed by a court, dispossess Assignor and its agents and servants from the Property, without liability for trespass, damages or otherwise and exclude Assignor and its agents or servants wholly therefrom, and take possession of the Property and all books, records and accounts relating thereto and have, hold, manage, lease and operate the Property on such terms and for such period of time as Assignee may deem proper and either with or without taking possession of the Property in its own name, demand, sue for or otherwise collect and receive all Rents and sums due under all Lease Guaranties, including those

past due and unpaid with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as Assignee may deem proper and may apply the Rents and sums received pursuant to any Lease Guaranties to the payment of the following in such order and proportion as Assignee in its sole discretion may determine, any law, custom or use to the contrary notwithstanding: (a) all expenses of managing and securing the Property, including, without being limited thereto, the salaries, fees and wages of a managing agent and such other employees or agents as Assignee may deem necessary or desirable and all expenses of operating and maintaining the Property, including, without being limited thereto, all taxes, charges, claims, assessments, water charges, sewer rents and any other liens, and premiums for all insurance which Assignee may deem necessary or desirable, and the cost of all alterations, renovations, repairs or replacements, and all expenses incident to taking and retaining possession of the Property; and (b) the Obligations, together with all costs and attorneys' fees. In addition, upon the occurrence of an Event of Default, Assignee, at its option, may (1) complete any construction on the Property in such manner and form as Assignee deems advisable, (2) exercise all rights and powers of Assignor, including, without limitation, the right to negotiate, execute, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents from the Property and all sums due under any Lease Guaranties, (3) either require Assignor to pay monthly in advance to Assignee, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupancy of such part of the Property as may be in possession of Assignor, or (4) require Assignor to vacate and surrender possession of the Property to Assignee or to such receiver and, in default thereof, Assignor may be evicted by summary proceedings or otherwise.

Section 3.2 OTHER REMEDIES. Nothing contained in this Assignment and no act done or omitted by Assignee pursuant to the power and rights granted to Assignee hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under the Loan Agreement, the Note, or the other Loan Documents and this Assignment is made and accepted without prejudice to any of the rights and remedies possessed by Assignee under the terms thereof. The right of Assignee to collect the Obligations and to enforce any other security therefor held by it may be exercised by Assignee either prior to, simultaneously with, or subsequent to any action taken by it hereunder. Assignor hereby absolutely, unconditionally and irrevocably waives any and all rights to assert any setoff, counterclaim or crossclaim of any nature whatsoever with respect to the obligations of Assignor under this Assignment, the Loan Agreement, the Note, the other Loan Documents or otherwise with respect to the Loan in any action or proceeding brought by Assignee to collect same, or any portion thereof, or to enforce and realize upon the lien and security interest created by this Assignment, the Loan Agreement, the Note, or any of the other Loan Documents (provided, however, that the foregoing shall not be deemed a waiver of Assignor's right to assert any compulsory counterclaim if such counterclaim is compelled under local law or rule of procedure, nor shall the foregoing be deemed a waiver of Assignor's right to assert any claim which would constitute a defense, setoff, counterclaim or crossclaim of any nature whatsoever against Assignee in any separate action or proceeding).

Section 3.3 OTHER SECURITY. Assignee may take or release other security for the payment of the Obligations, may release any party primarily or secondarily liable therefor and may apply any other security held by it to the reduction or satisfaction of the Obligations without prejudice to any of its rights under this Assignment.

Section 3.4 NON-WAIVER. The exercise by Assignee of the option granted it in Section 3.1 of this Assignment and the collection of the Rents and sums due under the Lease Guaranties and the application thereof as herein provided shall not be considered a waiver of any default by Assignor under the Note, the Loan Agreement, the Leases, this Assignment or the other Loan Documents. The failure of Assignee to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Assignment. Assignor shall not be relieved of Assignor's obligations hereunder by reason of (a) the failure of Assignee to comply with any request of Assignor or any other party to take any action to

enforce any of the provisions hereof or of the Loan Agreement, the Note or the other Loan Documents, (b) the release regardless of consideration, of the whole or any part of the Property, or (c) any agreement or stipulation by Assignee extending the time of payment or otherwise modifying or supplementing the terms of this Assignment, the Loan Agreement, the Note, or the other Loan Documents. Assignee may resort for the payment of the Obligations to any other security held by Assignee in such order and manner as Assignee, in its discretion, may elect. Assignee may take any action to recover the Obligations, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Assignee thereafter to enforce its rights under this Assignment. The rights of Assignee under this Assignment shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Assignee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision.

Section 3.5 Bankruptcy.

(a) Upon or at any time after the occurrence of an Event of Default, Assignee shall have the right to proceed in its own name or in the name of Assignor in respect of any claim, suit, action or proceeding relating to the rejection of any Lease, including, without limitation, the right to file and prosecute, to the exclusion of Assignor, any proofs of claim, complaints, motions, applications, notices and other documents, in any case in respect of the Lessee under such Lease under the Bankruptcy Code.

(b) If there shall be filed by or against Assignor a petition under the Bankruptcy Code, and Assignor, as lessor under any Lease, shall determine to reject such Lease pursuant to Section 365(a) of the Bankruptcy Code, then Assignor shall give Assignee not less than ten (10) days' prior notice of the date on which Assignor shall apply to the bankruptcy court for authority to reject the Lease. Assignee shall have the right, but not the obligation, to serve upon Assignor within such ten-day period a notice stating that (i) Assignee demands that Assignor assume and assign the Lease to Assignee pursuant to Section 365 of the Bankruptcy Code and (ii) Assignee covenants to cure or provide adequate assurance of future performance under the Lease. If Assignee serves upon Assignor the notice described in the preceding sentence, Assignor shall not seek to reject the Lease and shall comply with the demand provided for in clause (i) of the preceding sentence within thirty (30) days after the notice shall have been given, subject to the performance by Assignee of the covenant provided for in clause (ii) of the preceding sentence.

ARTICLE 4 - NO LIABILITY, FURTHER ASSURANCES

Section 4.1 NO LIABILITY OF ASSIGNEE. This Assignment shall not be construed to bind Assignee to the performance of any of the covenants, conditions or provisions contained in any Lease or Lease Guaranty or otherwise impose any obligation upon Assignee. Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Property after an Event of Default or from any other act or omission of Assignee in managing the Property after an Event of Default unless such loss is caused by the willful misconduct or gross negligence of Assignee as determined by a final non-appealable court of competent jurisdiction. TERMS AND CONDITIONS

The Seller agrees to sell the Property, and the Buyer agrees to purchase the Property, on the following terms and conditions:

1. **Purchase Price.** The purchase price for the Property shall be \$ 400,000 (the "Purchase Price"). The Buyer shall pay the Purchase Price as follows:
 - a. An earnest money deposit (the "Earnest Money") in an amount equal to ten percent (10%) of the Purchase Price within three (3) business days following the date of acceptance of the Agreement by the Seller (the "Acceptance Date").
 - b. The balance of the Purchase Price, subject to any applicable credits and proration, at Closing.

[Note: If the Buyer desires to enter into this Agreement subject to a financing contingency, then Rider A should be completed. Otherwise, Rider A should be left blank.]

[Note: If the Buyer purports to hold a mortgage interest in the Property and tenders this Agreement in connection with a credit bid, then Rider B should be completed. Otherwise, Rider B should be left blank.]

2. **Earnest Money.** The Earnest Money shall be held by First American Title Company ("First American Title") in a segregated escrow account. In connection with said Earnest Money deposit, the Buyer shall execute and deliver to the Seller a copy of that certain strict joint order escrow agreement in the form attached hereto as Exhibit A.

3. **Court Approval.** As soon as practicable after the Acceptance Date, the Seller shall move before the Honorable John Z. Lee or any judge sitting in his stead or to whom he has made a referral in the SEC Action (the "Receivership Court") for approval of the sale of the Property pursuant to this Agreement. In the event that the Receivership Court does not issue the requisite approval, then the Agreement shall become null and void and all Earnest Money shall be promptly refunded to the Buyer.

4. **Escrow Closing.** This sale shall be closed through an escrow with First American Title in accordance with the general provisions of the usual form of deed and money escrow agreement then furnished and in use by said title company. 6. **Personal Property.** At Closing, the Seller shall tender to the Buyer a bill of sale for the personal property appurtenant to the Property (the "Personal Property") warranting only that Seller is the absolute owner of said Personalty, that said Personalty is free and clear of all liens, charges, and encumbrances, and that the Seller has the full right, power, and authority to sell said Personalty and to deliver the bill of sale. The Seller shall neither make nor adopt any warranty whatsoever with respect to the Personal Property and shall specifically disclaim any implied warranty of merchantability or fitness for a particular purpose. The price of the Personal Property shall be included in the Purchase Price, and the Buyer agrees to accept all such Personal Property in "as is" condition.

7. **The Closing Date.** The closing shall be held on a date (the "Closing Date") to be designated by the Seller after the Receivership Court approves the sale of the Property pursuant to this Agreement, provided, however, that the Buyer shall be entitled to five business days' advance Notice of the Closing Date.

8. **Conveyance of Title.** At Closing, the Seller shall convey title to the Property by a recordable form receiver's deed subject only to (a) general real estate taxes not yet due and payable at the time of Closing; (b) covenants, conditions, restrictions, or building lines and easements of record, if any; (c) public and utility easements; (d) applicable zoning and building laws and ordinances; (e) acts done by or suffered through Buyer or anyone claiming by, through, or under Buyer; (f) governmental actions or proceedings concerning or affecting the Property; and (h) encroachments of a minor nature, if any, that can be insured over at closing (the "Permitted Exceptions"). 9. **Commitment For Title Insurance.** Within ten (10) business days after the Acceptance Date, the Seller shall deliver to the Buyer evidence of merchantable title by delivering a commitment for title insurance with extended coverage from First American Title in the amount of the Purchase Price with a commitment date not earlier than July 1, 2019, subject only to general exceptions, the Permitted Exceptions, and exceptions pertaining to liens or encumbrances of a definite and ascertainable amount which may be removed by the payment of money by Seller, endorsed over by First American Title at the Seller's sole expense, or which will be extinguished by order of the Receivership Court. Such title commitment shall be conclusive evidence of good and merchantable title, subject only to the foregoing exceptions. If the commitment for title insurance discloses title exceptions other than the general exceptions, Permitted Exceptions, exceptions waivable through the payment of money or the issuance of an endorsement, or exceptions to be extinguished by Receivership Court order, the Seller shall have thirty (30) calendar days from the Closing Date to cure, or insure over, the unpermitted exceptions and the Closing shall be postponed until said unpermitted exceptions are cured or insured over. If the Seller fails to timely secure the removal of the unpermitted exceptions or obtain an endorsement insuring over the unpermitted exceptions, the Purchaser may terminate this Contract with a full refund of Earnest Money upon Notice to the Seller within ten (10) business days after the expiration of the thirty (30) day period. In such event, this Agreement shall become null and void and neither party shall thereafter have any rights against the other, and the Seller may not be held liable for direct, indirect, incidental, or consequential damages.

12. Prorations. Prepaid service contracts and other similar items shall be credited ratably at Closing. Any and all rents collected from or on behalf of tenants until the date of the Closing shall be applied by the Seller first to past due balances and then to currently scheduled monthly rent. Each tenant's scheduled monthly rent shall then be prorated for the month of Closing. To the extent that any tenant has paid all rent through and including the month prior to the Closing, then all additional rent received from such tenant shall be applied by the Seller first to rent for the period between the first day of the month in which the Closing occurs and the date of the Closing, and the balance of said rent, if any, shall be paid to the Buyer. Any and all rents that remain delinquent as of the Closing Date shall belong to the Buyer upon collection. Notwithstanding the foregoing, real estate taxes associated with the ownership of the Property shall be prorated as of the Closing Date based on 105% of the most recently ascertainable tax bill.

13. Inspection Period. The Buyer acknowledges that it was afforded the opportunity to conduct a limited tour of the Property prior to submitting its offer. Within three (3) calendar days following the Acceptance Date, the Seller shall produce the following documents to the Buyer (the "Due Diligence Materials"):

In addition, the Seller shall allow the Buyer reasonable access to the Property for twenty days from and after the Acceptance Date (the "Inspection Period") for the purpose of conducting an inspection of the major structural and mechanical components of the Property. A major structural or mechanical component shall be deemed to be in acceptable operating condition if it substantially performs the function for which it is intended, regardless of age, and does not pose a threat to health or safety. In the event that the Buyer possesses sound evidence that any major structural or mechanical component of the Property does not substantially perform the function for which it is intended, then the Buyer shall have the right to terminate this Agreement upon the delivery of Notice to the Seller on or before the conclusion of the Inspection Period, such notice to be accompanied by the relevant pages of an inspection report

prepared by a licensed or certified inspector and identifying the defect justifying the termination. Upon receipt by the Seller of the notice of termination, this Agreement shall be considered null and void and the parties shall be discharged of any and all obligations hereunder (except those obligations which survive termination) and First American Title shall release the Earnest Money to the Buyer. In the event that the Buyer does not terminate the Agreement on or prior to the conclusion of the Inspection Period, the Property shall be considered accepted by the Buyer and the Earnest Money shall thereafter be non-refundable. In connection with its inspection of the Property, the Buyer shall keep the Property free and clear of liens, shall indemnify and hold Seller harmless from any and all liability, loss, cost, damage, or expense relating to its inspection of the Property, and shall repair any and all damage arising from the inspection. These obligations shall survive termination of the Agreement.

14. **Entry Into Or Renewal Of Contracts & Material Changes.** Following the expiration of the Inspection Period, the Seller shall not without the prior written consent of the Buyer, said consent not to be unreasonably withheld, conditioned, or delayed, enter into or renew any service contract or lease affecting or concerning the Property. In addition, the Seller shall not make any material changes to the Property, perform or engage in any act, or enter into any agreement that materially changes the value of the Property or the rights of the Buyer relating to the Property.

15. **Material Destruction.** Risk of loss to the Property shall be borne by the Seller until title has been conveyed to Buyer. If, prior to Closing, a material portion of the Property shall be destroyed or materially damaged by fire or other casualty, then the Seller shall provide prompt notice of said fire or other casualty to the Buyer and this Agreement shall thereafter, at the option of the Buyer, exercised by Notice to the Seller within five (5) business days after receipt of notice of such material damage, be null and void, and all Earnest Money shall be refunded to the Buyer. Failure of the Buyer to provide timely notice shall constitute a waiver of the right to terminate.

16. **Condition Of Property.** The Buyer understands and agrees that the Property is being sold "as is" and "with all faults" and that neither the Seller nor any agent or attorney of the Seller, makes, or has made, any representation or warranty as to the physical condition or value of the Property or its suitability for the Buyer's intended use. The Seller has no obligation to repair or correct any alleged patent or latent defect at the Property, or to compensate the Buyer for any such defect, and, upon closing, the Buyer waives, releases, acquits, and forever discharges the Seller, and all of the Seller's agents and attorneys, to the maximum extent permitted by law, from any and all claims, actions, causes or action, demands, rights, liabilities, losses, damages, costs, or expenses, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or which may arise in the future on account of or in any way arising from or relating to any alleged patent or latent defect at the Property.

17. **Buyer Default.** The Buyer and Seller agree that it would be difficult to ascertain the actual damages to be suffered by the Seller in the event of a default by the Buyer and that the

amount of the Earnest Money deposited by the Buyer hereunder constitutes the parties' reasonable estimate of the Seller's damages in the event of the Buyer's default, and that upon any such default not caused by the Seller, the Seller shall be entitled to retain the Earnest Money as liquidated damages, which shall constitute the Seller's sole and exclusive remedy in law or at equity in connection with said default.

18. **Seller Default.** In the event that the Seller shall fail to sell, transfer, and assign the Property to Purchaser in violation of the terms of this Agreement and/or fail to perform any other material obligation of Seller hereunder, then the Buyer may give Notice to the Seller specifying the nature of the default. The Seller shall thereafter have five (5) business days from receipt of said Notice, but in no event beyond the Closing Date, within which to cure the alleged default. If the Seller fails to cure the default within the cure period, then the Buyer shall be entitled to the return of all Earnest Money and (a) to declare the Agreement null and void and sue for reasonable out-of-pocket expenses incurred in connection with this Agreement prior to the alleged default or (b) to sue for specific performance, the parties recognizing that the Property is unique and that the Buyer otherwise lacks an adequate remedy at law. In the latter event, the Buyer is advised that Section VIII of the Order Appointing Receiver entered in the SEC Action enjoins the filing or prosecution of all civil proceedings against the Receiver, in his capacity as Receiver, until further order of the court.

19. **Representations and Warranties.** As a material inducement to the Buyer to enter into this Agreement, the Seller hereby makes the following representations and warranties, each of which shall remain true and correct as of the Closing Date:

- a. The Seller has the full right, power, and authority to convey the Property to the Buyer as provided in this Agreement and to carry out its obligations hereunder. In addition, the individual executing this Agreement on behalf of the Seller has the legal right, power, and authority to bind the Seller to the terms hereof.
- b. The Seller will not take any action affecting title to the Property following the Acceptance Date.
- c. To the best of the Seller's knowledge, there are no actions, investigations, suits, or proceedings, pending or threatened, that affect the Property, or the ownership or operation thereof, other than the SEC Action and the following:
[None.]
- d. To the best of the Seller's knowledge, the Property is not in violation, nor has been under investigation for violation, of any federal, state, or local law, ordinance, or regulation regulating environmental conditions in, at, on, under, or about the Property, including but not limited to, soil and groundwater conditions.

20. **Notices.** All notices required or permitted under this Agreement shall be in writing and served by registered or certified United States mail, return receipt requested; nationally recognized overnight mail courier (signature required); or electronic mail (evidenced by competent and authentic proof of transmission). Any notices given to the Seller shall be delivered to the Seller's counsel, at the following physical or e-mail addresses:

21. **Like-Kind Exchange.** The Seller agrees to cooperate if the Buyer elects to acquire the Property as part of a like-kind exchange under Section 1031 of the Internal Revenue Code. The Buyer's contemplated exchange shall not impose upon the Seller any additional liability or financial obligation, and the Buyer agrees to hold the Seller harmless from any liability that might arise from such exchange. This Agreement is neither subject to nor contingent upon the Buyer's ability to dispose of its exchange property or to effectuate an exchange. In the event any exchange contemplated by the Buyer should fail to occur, for whatever reason, the sale of the Property shall nonetheless be consummated as provided herein.

22. **Real Estate Agents.** Purchaser represents and warrants that, other than Seller's Agent and Buyer's Agent, if any, no other putative real estate agent or broker was involved in submitting, showing, marketing, or selling the Property to the Buyer, and the Buyer agrees to indemnify and hold Seller, and its successors and assigns, harmless from and against any and all liability, loss, damages, cost, or expense, including reasonable attorneys' fees, arising from or relating to any claim for a commission, fee, or other form of payment or compensation asserted

by a putative real estate agent or broker purporting to have procured the Buyer in connection with this Agreement.

23. **Foreign Investor Disclosure.** The Seller and the Buyer agree to execute and deliver any instrument, affidavit, or statement, and to perform any act reasonably necessary to carry out the provisions of the Foreign Investment in Real Property Tax Act and regulations promulgated thereunder. The Seller represents that the Seller is not a foreign person as defined in Section 1445 of the Internal Revenue Code.

24. **Merger.** This Agreement expresses the entire agreement of the parties and supersedes any and all previous agreements or understandings between them with regard to the Property. There are no other understandings, oral or written, which in any way alter or enlarge the terms of this Agreement, and there are no warranties or representations of any nature whatsoever, either express or implied, except as set forth herein. This Agreement may be modified only by a written instrument signed by the party to be charged.

25. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on September 9th, 2016. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Eight Hundred Twenty-Five Thousand and 00/100 Dollars (U.S. \$825,000.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable February 1st, 2018. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 21-31-126-001-0000

which has the address of 8201 S Kingston Ave., Chicago, IL 60617 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

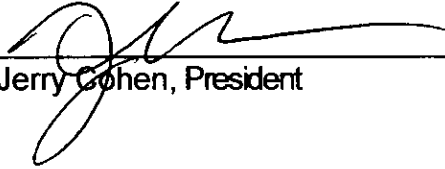

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

TERMS AND CONDITIONS

The Seller agrees to sell the Property, and the Buyer agrees to purchase the Property, on the following terms and conditions:

1. **Purchase Price.** The purchase price for the Property shall be \$ 510,000 (the "Purchase Price"). The Buyer shall pay the Purchase Price as follows:
 - a. An earnest money deposit (the "Earnest Money") in an amount equal to ten percent (10%) of the Purchase Price within three (3) business days following the date of acceptance of the Agreement by the Seller (the "Acceptance Date").
 - b. The balance of the Purchase Price, subject to any applicable credits and prorations, at Closing.

[Note: If the Buyer desires to enter into this Agreement subject to a financing contingency, then Rider A should be completed. Otherwise, Rider A should be left blank.]

[Note: If the Buyer purports to hold a mortgage interest in the Property and tenders this Agreement in connection with a credit bid, then Rider B should be completed. Otherwise, Rider B should be left blank.]

2. Earnest Money. The Earnest Money shall be held by First American Title Company ("First American Title") in a segregated escrow account. In connection with said Earnest Money deposit, the Buyer shall execute and deliver to the Seller a copy of that certain strict joint order escrow agreement in the form attached hereto as Exhibit A.

3. Court Approval. As soon as practicable after the Acceptance Date, the Seller shall move before the Honorable John Z. Lee or any judge sitting in his stead or to whom he has made a referral in the SEC Action (the "Receivership Court") for approval of the sale of the Property pursuant to this Agreement. In the event that the Receivership Court does not issue the requisite approval, then the Agreement shall become null and void and all Earnest Money shall be promptly refunded to the Buyer.

4. Escrow Closing. This sale shall be closed through an escrow with First American Title in accordance with the general provisions of the usual form of deed and money escrow agreement then furnished and in use by said title company. Payment of the Purchase Price and delivery of the receiver's deed shall be made through the escrow. The cost of the escrow shall be divided equally between the Buyer and the Seller unless the Buyer acquires the Property with financing, in which event that portion of the cost of the escrow relating to the financing shall be borne by the Buyer. Unless otherwise specified herein, all other closing costs shall be paid in accordance with custom for apartment investment sales transactions in Cook County, Illinois.

5. Irrevocable Offer. This Agreement when executed by the Buyer and delivered to the Seller shall constitute an irrevocable offer to purchase the Property until ~~August 28, 2019~~ ^{10/17/2019} (the "Offer Expiration Date"). In the event that the offer is not accepted by the Seller before the Offer Expiration Date, then the offer shall be deemed withdrawn. ^{KD}
^{28 10/17/19}

6. Personal Property. At Closing, the Seller shall tender to the Buyer a bill of sale for the personal property appurtenant to the Property (the "Personal Property") warranting only that Seller is the absolute owner of said Personalty, that said Personalty is free and clear of all liens, charges, and encumbrances, and that the Seller has the full right, power, and authority to sell said Personalty and to deliver the bill of sale. The Seller shall neither make nor adopt any warranty whatsoever with respect to the Personal Property and shall specifically disclaim any implied warranty of merchantability or fitness for a particular purpose. The price of the Personal Property shall be included in the Purchase Price, and the Buyer agrees to accept all such Personal Property in "as is" condition.

7. The Closing Date. The closing shall be held on a date (the "Closing Date") to be designated by the Seller after the Receivership Court approves the sale of the Property pursuant to this Agreement, provided, however, that the Buyer shall be entitled to five business days' advance Notice of the Closing Date.

8. Conveyance of Title. At Closing, the Seller shall convey title to the Property by a recordable form receiver's deed subject only to (a) general real estate taxes not yet due and payable at the time of Closing; (b) covenants, conditions, restrictions, or building lines and

easements of record, if any; (c) public and utility easements; (d) applicable zoning and building laws and ordinances; (f) acts done by or suffered through Buyer or anyone claiming by, through, or under Buyer; (g) governmental actions or proceedings concerning or affecting the Property; and (h) encroachments of a minor nature, if any, that can be insured over at closing (the "Permitted Exceptions"). The Seller agrees to surrender possession of the Property at the time of Closing.

9. **Commitment For Title Insurance.** Within ten (10) business days after the Acceptance Date, the Seller shall deliver to the Buyer evidence of merchantable title by delivering a commitment for title insurance with extended coverage from First American Title in the amount of the Purchase Price with a commitment date not earlier than July 1, 2019, subject only to general exceptions, the Permitted Exceptions, and exceptions pertaining to liens or encumbrances of a definite and ascertainable amount which may be removed by the payment of money by Seller, endorsed over by First American Title at the Seller's sole expense, or which will be extinguished by order of the Receivership Court. Such title commitment shall be conclusive evidence of good and merchantable title, subject only to the foregoing exceptions. If the commitment for title insurance discloses title exceptions other than the general exceptions, Permitted Exceptions, exceptions waivable through the payment of money or the issuance of an endorsement, or exceptions to be extinguished by Receivership Court order, the Seller shall have thirty (30) calendar days from the Closing Date to cure, or insure over, the unpermitted exceptions and the Closing shall be postponed until said unpermitted exceptions are cured or insured over. If the Seller fails to timely secure the removal of the unpermitted exceptions or obtain an endorsement insuring over the unpermitted exceptions, the Purchaser may terminate this Contract with a full refund of Earnest Money upon Notice to the Seller within ten (10) business days after the expiration of the thirty (30) day period. In such event, this Agreement shall become null and void and neither party shall thereafter have any rights against the other, and the Seller may not be held liable for direct, indirect, incidental, or consequential damages.

10. **Survey.** At least five (5) business days prior to the Closing Date, the Seller shall provide the Buyer with a survey by a licensed land surveyor dated not more than six months prior to the date of Closing, indicating the present location of all improvements. If the Buyer or the Buyer's mortgagee desires a more recent or extensive survey, the survey shall be obtained at the Buyer's expense.

11. **Assignment And Assumption Of Leases.** At Closing, the Seller shall deliver to the Buyer, and the Seller and Buyer shall execute, an assignment and assumption of leases (in the form attached hereto as Exhibit B) pursuant to which the Seller shall convey all right, title, and interest in and to any leases in effect at the Property to the Buyer, and the Buyer shall agree to assume all of the Seller's obligations under said leases.

12. **Prorations.** Prepaid service contracts and other similar items shall be credited ratably at Closing. Any and all rents collected from or on behalf of tenants until the date of the Closing shall be applied by the Seller first to past due balances and then to currently scheduled monthly rent. Each tenant's scheduled monthly rent shall then be prorated for the month of Closing. To

the extent that any tenant has paid all rent through and including the month prior to the Closing, then all additional rent received from such tenant shall be applied by the Seller first to rent for the period between the first day of the month in which the Closing occurs and the date of the Closing, and the balance of said rent, if any, shall be paid to the Buyer. Any and all rents that remain delinquent as of the Closing Date shall belong to the Buyer upon collection. Notwithstanding the foregoing, real estate taxes associated with the ownership of the Property shall be prorated as of the Closing Date based on 105% of the most recently ascertainable tax bill.

13. Inspection Period. The Buyer acknowledges that it was afforded the opportunity to conduct a limited tour of the Property prior to submitting its offer. Within three (3) calendar days following the Acceptance Date, the Seller shall produce the following documents to the Buyer (the "Due Diligence Materials"):

- a. Current Rent Roll. A current rent roll for the Property generated by the management company.
- b. Utility Bills. Copies of all utility bills relating to the Property, to the extent available, for the twelve calendar months preceding the month of the Acceptance Date.
- c. Leases. Copies of all existing leases affecting the Property.
- d. Profit & Loss Statement. A current trailing twelve-month profit and loss statement reflecting all categories of operating income and expenses associated with the Property, as generated by the management company.
- e. Litigation Documents. Copies of documents, including notices of violation, orders, judgments, and other pleadings, pertaining to any known litigation or proceedings currently affecting the Property.

In addition, the Seller shall allow the Buyer reasonable access to the Property for twenty days from and after the Acceptance Date (the "Inspection Period") for the purpose of conducting an inspection of the major structural and mechanical components of the Property. A major structural or mechanical component shall be deemed to be in acceptable operating condition if it substantially performs the function for which it is intended, regardless of age, and does not pose a threat to health or safety. In the event that the Buyer possesses sound evidence that any major structural or mechanical component of the Property does not substantially perform the function for which it is intended, then the Buyer shall have the right to terminate this Agreement upon the delivery of Notice to the Seller on or before the conclusion of the Inspection Period, such notice to be accompanied by the relevant pages of an inspection report prepared by a licensed or certified inspector and identifying the defect justifying the termination. Upon receipt by the Seller of the notice of termination, this Agreement shall be considered null and void and the parties shall be discharged of any and all obligations hereunder (except those obligations which survive termination) and First American Title shall

release the Earnest Money to the Buyer. In the event that the Buyer does not terminate the Agreement on or prior to the conclusion of the Inspection Period, the Property shall be considered accepted by the Buyer and the Earnest Money shall thereafter be non-refundable. In connection with its inspection of the Property, the Buyer shall keep the Property free and clear of liens, shall indemnify and hold Seller harmless from any and all liability, loss, cost, damage, or expense relating to its inspection of the Property, and shall repair any and all damage arising from the inspection. These obligations shall survive termination of the Agreement.

14. **Entry Into Or Renewal Of Contracts & Material Changes**. Following the expiration of the Inspection Period, the Seller shall not without the prior written consent of the Buyer, said consent not to be unreasonably withheld, conditioned, or delayed, enter into or renew any service contract or lease affecting or concerning the Property. In addition, the Seller shall not make any material changes to the Property, perform or engage in any act, or enter into any agreement that materially changes the value of the Property or the rights of the Buyer relating to the Property.

15. **Material Destruction**. Risk of loss to the Property shall be borne by the Seller until title has been conveyed to Buyer. If, prior to Closing, a material portion of the Property shall be destroyed or materially damaged by fire or other casualty, then the Seller shall provide prompt notice of said fire or other casualty to the Buyer and this Agreement shall thereafter, at the option of the Buyer, exercised by Notice to the Seller within five (5) business days after receipt of notice of such material damage, be null and void, and all Earnest Money shall be refunded to the Buyer. Failure of the Buyer to provide timely notice shall constitute a waiver of the right to terminate.

16. **Condition Of Property**. The Buyer understands and agrees that the Property is being sold "as is" and "with all faults" and that neither the Seller nor any agent or attorney of the Seller, makes, or has made, any representation or warranty as to the physical condition or value of the Property or its suitability for the Buyer's intended use. The Seller has no obligation to repair or correct any alleged patent or latent defect at the Property, or to compensate the Buyer for any such defect, and, upon closing, the Buyer waives, releases, acquits, and forever discharges the Seller, and all of the Seller's agents and attorneys, to the maximum extent permitted by law, from any and all claims, actions, causes or action, demands, rights, liabilities, losses, damages, costs, or expenses, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or which may arise in the future on account of or in any way arising from or relating to any alleged patent or latent defect at the Property.

17. **Buyer Default**. The Buyer and Seller agree that it would be difficult to ascertain the actual damages to be suffered by the Seller in the event of a default by the Buyer and that the amount of the Earnest Money deposited by the Buyer hereunder constitutes the parties' reasonable estimate of the Seller's damages in the event of the Buyer's default, and that upon any such default not caused by the Seller, the Seller shall be entitled to retain the Earnest

Money as liquidated damages, which shall constitute the Seller's sole and exclusive remedy in law or at equity in connection with said default.

18. **Seller Default.** In the event that the Seller shall fail to sell, transfer, and assign the Property to Purchaser in violation of the terms of this Agreement and/or fail to perform any other material obligation of Seller hereunder, then the Buyer may give Notice to the Seller specifying the nature of the default. The Seller shall thereafter have five (5) business days from receipt of said Notice, but in no event beyond the Closing Date, within which to cure the alleged default. If the Seller fails to cure the default within the cure period, then the Buyer shall be entitled to the return of all Earnest Money and (a) to declare the Agreement null and void and sue for reasonable out-of-pocket expenses incurred in connection with this Agreement prior to the alleged default or (b) to sue for specific performance, the parties recognizing that the Property is unique and that the Buyer otherwise lacks an adequate remedy at law. In the latter event, the Buyer is advised that Section VIII of the Order Appointing Receiver entered in the SEC Action enjoins the filing or prosecution of all civil proceedings against the Receiver, in his capacity as Receiver, until further order of the court.

19. **Representations and Warranties.** As a material inducement to the Buyer to enter into this Agreement, the Seller hereby makes the following representations and warranties, each of which shall remain true and correct as of the Closing Date:

- a. The Seller has the full right, power, and authority to convey the Property to the Buyer as provided in this Agreement and to carry out its obligations hereunder. In addition, the individual executing this Agreement on behalf of the Seller has the legal right, power, and authority to bind the Seller to the terms hereof.
- b. The Seller will not take any action affecting title to the Property following the Acceptance Date.
- c. To the best of the Seller's knowledge, there are no actions, investigations, suits, or proceedings, pending or threatened, that affect the Property, or the ownership or operation thereof, other than the SEC Action and the following:

[None.]
- d. To the best of the Seller's knowledge, the Property is not in violation, nor has been under investigation for violation, of any federal, state, or local law, ordinance, or regulation regulating environmental conditions in, at, on, under, or about the Property, including but not limited to, soil and groundwater conditions.

20. **Notices.** All notices required or permitted under this Agreement shall be in writing and served by registered or certified United States mail, return receipt requested; nationally recognized overnight mail courier (signature required); or electronic mail (evidenced by

competent and authentic proof of transmission). Any notices given to the Seller shall be delivered to the Seller's counsel, at the following physical or e-mail addresses:

21. **Like-Kind Exchange.** The Seller agrees to cooperate if the Buyer elects to acquire the Property as part of a like-kind exchange under Section 1031 of the Internal Revenue Code. The Buyer's contemplated exchange shall not impose upon the Seller any additional liability or financial obligation, and the Buyer agrees to hold the Seller harmless from any liability that might arise from such exchange. This Agreement is neither subject to nor contingent upon the Buyer's ability to dispose of its exchange property or to effectuate an exchange. In the event any exchange contemplated by the Buyer should fail to occur, for whatever reason, the sale of the Property shall nonetheless be consummated as provided herein.

22. **Real Estate Agents.** Purchaser represents and warrants that, other than Seller's Agent and Buyer's Agent, if any, no other putative real estate agent or broker was involved in submitting, showing, marketing, or selling the Property to the Buyer, and the Buyer agrees to indemnify and hold Seller, and its successors and assigns, harmless from and against any and all liability, loss, damages, cost, or expense, including reasonable attorneys' fees, arising from or relating to any claim for a commission, fee, or other form of payment or compensation asserted by a putative real estate agent or broker purporting to have procured the Buyer in connection with this Agreement.

23. **Foreign Investor Disclosure.** The Seller and the Buyer agree to execute and deliver any instrument, affidavit, or statement, and to perform any act reasonably necessary to carry out the provisions of the Foreign Investment in Real Property Tax Act and regulations promulgated thereunder. The Seller represents that the Seller is not a foreign person as defined in Section 1445 of the Internal Revenue Code.

24. **Merger.** This Agreement expresses the entire agreement of the parties and supersedes any and all previous agreements or understandings between them with regard to the Property. There are no other understandings, oral or written, which in any way alter or enlarge the terms of this Agreement, and there are no warranties or representations of any nature whatsoever, either express or implied, except as set forth herein. This Agreement may be modified only by a written instrument signed by the party to be charged.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on December 3, 2014. The mortgagor is John Gorske. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O Hard Money Company, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Seven Hundred Forty-One Thousand Forty and 00/100 Dollars (U.S. \$741,040.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument, which provides for a final payment of the full debt, if not paid earlier, due and payable December 1st, 2016. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Notes, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Notes. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 21-30-309-026-0000

which has the address of 7656 S Kingston Ave. Chicago, IL 60649 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Notes and any prepayment and late charges due under the Notes.

2. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. Preservation and Maintenance of Property; Leaseholds. Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Notes: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Notes without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Notes conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Notes which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Notes are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Notes and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

 - a. An earnest money deposit (the "Earnest Money") in an amount equal to ten percent (10%) of the Purchase Price within three (3) business days following the date of acceptance of the Agreement by the Seller (the "Acceptance Date").
 - b. The balance of the Purchase Price, subject to any applicable credits and prorations, at Closing.

[Note: If the Buyer desires to enter into this Agreement subject to a financing contingency, then Rider A should be completed. Otherwise, Rider A should be left blank.]

In the event that the Receivership Court does not issue the requisite approval, then the Agreement shall become null and void and all Earnest Money shall be promptly refunded to the Buyer.

encumbrances of a definite and ascertainable amount which may be removed by the payment of money by Seller, endorsed over by First American Title at the Seller's sole expense, or which will be extinguished by order of the Receivership Court. Such title commitment shall be conclusive evidence of good and merchantable title, subject only to the foregoing exceptions. If the commitment for title insurance discloses title exceptions other than the general exceptions, Permitted Exceptions, exceptions waivable through the payment of money or the issuance of an endorsement, or exceptions to be extinguished by Receivership Court order, the Seller shall have thirty (30) calendar days from the Closing Date to cure, or insure over, the unpermitted exceptions and the Closing shall be postponed until said unpermitted exceptions are cured or insured over. If the Seller fails to timely secure the removal of the unpermitted exceptions or obtain an endorsement insuring over the unpermitted exceptions, the Purchaser may terminate this Contract with a full refund of Earnest Money upon Notice to the Seller within ten (10) business days after the expiration of the thirty (30) day period. In such event, this Agreement shall become null and void and neither party shall thereafter have any rights against the other, and the Seller may not be held liable for direct, indirect, incidental, or consequential damages.

10. **Survey.** At least five (5) business days prior to the Closing Date, the Seller shall provide the Buyer with a survey by a licensed land surveyor dated not more than six months prior to the date of Closing, indicating the present location of all improvements. If the Buyer or the Buyer's mortgagee desires a more recent or extensive survey, the survey shall be obtained at the Buyer's expense.

11. **Assignment And Assumption Of Leases.** At Closing, the Seller shall deliver to the Buyer, and the Seller and Buyer shall execute, an assignment and assumption of leases (in the form attached hereto as Exhibit B) pursuant to which the Seller shall convey all right, title, and interest in and to any leases in effect at the Property to the Buyer, and the Buyer shall agree to assume all of the Seller's obligations under said leases.

12. **Prorations.** Prepaid service contracts and other similar items shall be credited ratably at Closing. Any and all rents collected from or on behalf of tenants until the date of the Closing shall be applied by the Seller first to past due balances and then to currently scheduled monthly rent. Each tenant's scheduled monthly rent shall then be prorated for the month of Closing. To the extent that any tenant has paid all rent through and including the month prior to the Closing, then all additional rent received from such tenant shall be applied by the Seller first to rent for the period between the first day of the month in which the Closing occurs and the date of the Closing, and the balance of said rent, if any, shall be paid to the Buyer. Any and all rents that remain delinquent as of the Closing Date shall belong to the Buyer upon collection. Notwithstanding the foregoing, real estate taxes associated with the ownership of the Property shall be prorated as of the Closing Date based on 105% of the most recently ascertainable tax bill.

13. **Inspection Period.** The Buyer acknowledges that it was afforded the opportunity to conduct a limited tour of the Property prior to submitting its offer. Within three (3) calendar

days following the Acceptance Date, the Seller shall produce the following documents to the Buyer (the "Due Diligence Materials"):

- a. Current Rent Roll. A current rent roll for the Property generated by the management company.
- b. Utility Bills. Copies of all utility bills relating to the Property, to the extent available, for the twelve calendar months preceding the month of the Acceptance Date.
- c. Leases. Copies of all existing leases affecting the Property.
- d. Profit & Loss Statement. A current trailing twelve-month profit and loss statement reflecting all categories of operating income and expenses associated with the Property, as generated by the management company.
- e. Litigation Documents. Copies of documents, including notices of violation, orders, judgments, and other pleadings, pertaining to any known litigation or proceedings currently affecting the Property.

In addition, the Seller shall allow the Buyer reasonable access to the Property for twenty days from and after the Acceptance Date (the "Inspection Period") for the purpose of conducting an inspection of the major structural and mechanical components of the Property. A major structural or mechanical component shall be deemed to be in acceptable operating condition if it substantially performs the function for which it is intended, regardless of age, and does not pose a threat to health or safety. In the event that the Buyer possesses sound evidence that any major structural or mechanical component of the Property does not substantially perform the function for which it is intended, then the Buyer shall have the right to terminate this Agreement upon the delivery of Notice to the Seller on or before the conclusion of the Inspection Period, such notice to be accompanied by the relevant pages of an inspection report prepared by a licensed or certified inspector and identifying the defect justifying the termination. Upon receipt by the Seller of the notice of termination, this Agreement shall be considered null and void and the parties shall be discharged of any and all obligations hereunder (except those obligations which survive termination) and First American Title shall release the Earnest Money to the Buyer. In the event that the Buyer does not terminate the Agreement on or prior to the conclusion of the Inspection Period, the Property shall be considered accepted by the Buyer and the Earnest Money shall thereafter be non-refundable. In connection with its inspection of the Property, the Buyer shall keep the Property free and clear of liens, shall indemnify and hold Seller harmless from any and all liability, loss, cost, damage, or expense relating to its inspection of the Property, and shall repair any and all damage arising from the inspection. These obligations shall survive termination of the Agreement.

14. Entry Into Or Renewal Of Contracts & Material Changes. Following the expiration of the Inspection Period, the Seller shall not without the prior written consent of the Buyer, said

consent not to be unreasonably withheld, conditioned, or delayed, enter into or renew any service contract or lease affecting or concerning the Property. In addition, the Seller shall not make any material changes to the Property, perform or engage in any act, or enter into any agreement that materially changes the value of the Property or the rights of the Buyer relating to the Property.

15. **Material Destruction.** Risk of loss to the Property shall be borne by the Seller until title has been conveyed to Buyer. If, prior to Closing, a material portion of the Property shall be destroyed or materially damaged by fire or other casualty, then the Seller shall provide prompt notice of said fire or other casualty to the Buyer and this Agreement shall thereafter, at the option of the Buyer, exercised by Notice to the Seller within five (5) business days after receipt of notice of such material damage, be null and void, and all Earnest Money shall be refunded to the Buyer. Failure of the Buyer to provide timely notice shall constitute a waiver of the right to terminate.

16. **Condition Of Property.** The Buyer understands and agrees that the Property is being sold "as is" and "with all faults" and that neither the Seller nor any agent or attorney of the Seller, makes, or has made, any representation or warranty as to the physical condition or value of the Property or its suitability for the Buyer's intended use. The Seller has no obligation to repair or correct any alleged patent or latent defect at the Property, or to compensate the Buyer for any such defect, and, upon closing, the Buyer waives, releases, acquits, and forever discharges the Seller, and all of the Seller's agents and attorneys, to the maximum extent permitted by law, from any and all claims, actions, causes or action, demands, rights, liabilities, losses, damages, costs, or expenses, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or which may arise in the future on account of or in any way arising from or relating to any alleged patent or latent defect at the Property.

17. **Buyer Default.** The Buyer and Seller agree that it would be difficult to ascertain the actual damages to be suffered by the Seller in the event of a default by the Buyer and that the amount of the Earnest Money deposited by the Buyer hereunder constitutes the parties' reasonable estimate of the Seller's damages in the event of the Buyer's default, and that upon any such default not caused by the Seller, the Seller shall be entitled to retain the Earnest Money as liquidated damages, which shall constitute the Seller's sole and exclusive remedy in law or at equity in connection with said default.

18. **Seller Default.** In the event that the Seller shall fail to sell, transfer, and assign the Property to Purchaser in violation of the terms of this Agreement and/or fail to perform any other material obligation of Seller hereunder, then the Buyer may give Notice to the Seller specifying the nature of the default. The Seller shall thereafter have five (5) business days from receipt of said Notice, but in no event beyond the Closing Date, within which to cure the alleged default. If the Seller fails to cure the default within the cure period, then the Buyer shall be entitled to the return of all Earnest Money and (a) to declare the Agreement null and void and sue for reasonable out-of-pocket expenses incurred in connection with this Agreement prior to the alleged default or (b) to sue for specific performance, the parties recognizing that the

Property is unique and that the Buyer otherwise lacks an adequate remedy at law. In the latter event, the Buyer is advised that Section VIII of the Order Appointing Receiver entered in the SEC Action enjoins the filing or prosecution of all civil proceedings against the Receiver, in his capacity as Receiver, until further order of the court.

19. **Representations and Warranties.** As a material inducement to the Buyer to enter into this Agreement, the Seller hereby makes the following representations and warranties, each of which shall remain true and correct as of the Closing Date:

- a. The Seller has the full right, power, and authority to convey the Property to the Buyer as provided in this Agreement and to carry out its obligations hereunder. In addition, the individual executing this Agreement on behalf of the Seller has the legal right, power, and authority to bind the Seller to the terms hereof.
- b. The Seller will not take any action affecting title to the Property following the Acceptance Date.
- c. To the best of the Seller's knowledge, there are no actions, investigations, suits, or proceedings, pending or threatened, that affect the Property, or the ownership or operation thereof, other than the SEC Action and the following:

[None.]
- d. To the best of the Seller's knowledge, the Property is not in violation, nor has been under investigation for violation, of any federal, state, or local law, ordinance, or regulation regulating environmental conditions in, at, on, under, or about the Property, including but not limited to, soil and groundwater conditions.

21. **Like-Kind Exchange.** The Seller agrees to cooperate if the Buyer elects to acquire the Property as part of a like-kind exchange under Section 1031 of the Internal Revenue Code. The Buyer's contemplated exchange shall not impose upon the Seller any additional liability or financial obligation, and the Buyer agrees to hold the Seller harmless from any liability that might arise from such exchange. This Agreement is neither subject to nor contingent upon the Buyer's ability to dispose of its exchange property or to effectuate an exchange. In the event any exchange contemplated by the Buyer should fail to occur, for whatever reason, the sale of the Property shall nonetheless be consummated as provided herein.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on February 6th, 2017. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Four Million and 00/100 Dollars (U.S. \$4,000,000.00). This debt is evidenced by Borrower's notes dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable August 1st, 2018. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-35-303-096-0000
 20-35-303-097-0000
 20-35-303-098-0000
 20-35-303-099-0000

which has the address of 8326-54 S Ellis Ave. Chicago, IL 60619 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

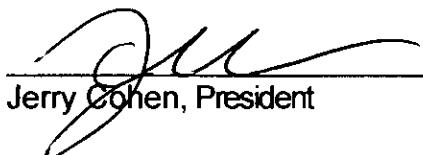

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

All existing and future "leases" and "lease provisions" (as described in Exhibit B annexed hereto and made a part hereof) affecting the use, enjoyment, or occupancy of all or any part of those certain lots or pieces of land, more particularly described in Exhibit A annexed hereto and made a part hereof, or all or any part of the buildings, structures, fixtures, additions, enlargements, extensions, modifications, repairs, replacements and improvements now or hereafter located thereon (collectively, the "Property") and the right, title and interest of Assignor, its successors and assigns, therein and thereunder.

ARTICLE 2 - TERMS OF ASSIGNMENT

Section 2.1 PRESENT ASSIGNMENT AND LICENSE BACK. It is intended by Assignor that this Assignment constitute a present, absolute assignment of the Leases, Rents, Lease Guaranties and Bankruptcy Claims, and not an assignment for additional security only. Nevertheless, subject to the terms of this Section 2.1, Assignee grants to Assignor a revocable license to collect, receive, use and enjoy the Rents, as well as other sums due under the Lease Guaranties. Assignor shall hold the Rents, as well as all sums received pursuant to any Lease Guaranty, or a portion thereof sufficient to discharge all current sums due on the Obligations, in trust for the benefit of Assignee for use in the payment of such sums.

Section 2.2 NOTICE TO LESSEES. Assignor hereby authorizes and directs the lessees named in the Leases or any other future lessees or occupants of the Property and all Lease Guarantors to pay over to Assignee or to such other party as Assignee directs all Rents and all sums due under any Lease Guaranties upon receipt from Assignee of written notice to the effect that Assignee is then the holder of this Assignment and that an Event of Default (as defined in the Loan Agreement) exists, and to continue so to do until otherwise notified by Assignee.

Section 2.3 INCORPORATION BY REFERENCE. All representations, warranties, covenants, conditions and agreements contained in the Loan Agreement and the other Loan Documents as same may be modified, renewed, substituted or extended are hereby made a part of this Assignment to the same extent and with the same force as if fully set forth herein.

ARTICLE 3 - REMEDIES

Section 3.1 REMEDIES OF ASSIGNEE. Upon the occurrence of an Event of Default, the license granted to Assignor in Section 2.1 of this Assignment shall automatically be revoked, and Assignee shall immediately be entitled to possession of all Rents and sums due under any Lease Guaranties, whether or not Assignee enters upon or takes control of the Property. In addition, Assignee may, at its option, without waiving such Event of Default, without regard to the adequacy of the security for the Obligations, either in person or by agent, nominee or attorney, with or without bringing any action or proceeding, or by a receiver appointed by a court, dispossess Assignor and its agents and servants from the Property, without liability for trespass, damages or otherwise and exclude Assignor and its agents or servants wholly therefrom, and take possession of the Property and all books, records and accounts relating thereto and have, hold, manage, lease and operate the Property on such terms and for such period of time as Assignee may deem proper and either with or without taking possession of the Property in its own name, demand, sue for or otherwise collect and receive all Rents and sums due under all Lease Guaranties, including those

past due and unpaid with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as Assignee may deem proper and may apply the Rents and sums received pursuant to any Lease Guaranties to the payment of the following in such order and proportion as Assignee in its sole discretion may determine, any law, custom or use to the contrary notwithstanding: (a) all expenses of managing and securing the Property, including, without being limited thereto, the salaries, fees and wages of a managing agent and such other employees or agents as Assignee may deem necessary or desirable and all expenses of operating and maintaining the Property, including, without being limited thereto, all taxes, charges, claims, assessments, water charges, sewer rents and any other liens, and premiums for all insurance which Assignee may deem necessary or desirable, and the cost of all alterations, renovations, repairs or replacements, and all expenses incident to taking and retaining possession of the Property; and (b) the Obligations, together with all costs and attorneys' fees. In addition, upon the occurrence of an Event of Default, Assignee, at its option, may (1) complete any construction on the Property in such manner and form as Assignee deems advisable, (2) exercise all rights and powers of Assignor, including, without limitation, the right to negotiate, execute, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents from the Property and all sums due under any Lease Guaranties, (3) either require Assignor to pay monthly in advance to Assignee, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupancy of such part of the Property as may be in possession of Assignor, or (4) require Assignor to vacate and surrender possession of the Property to Assignee or to such receiver and, in default thereof, Assignor may be evicted by summary proceedings or otherwise.

Section 3.2 OTHER REMEDIES. Nothing contained in this Assignment and no act done or omitted by Assignee pursuant to the power and rights granted to Assignee hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under the Loan Agreement, the Note, or the other Loan Documents and this Assignment is made and accepted without prejudice to any of the rights and remedies possessed by Assignee under the terms thereof. The right of Assignee to collect the Obligations and to enforce any other security therefor held by it may be exercised by Assignee either prior to, simultaneously with, or subsequent to any action taken by it hereunder. Assignor hereby absolutely, unconditionally and irrevocably waives any and all rights to assert any setoff, counterclaim or crossclaim of any nature whatsoever with respect to the obligations of Assignor under this Assignment, the Loan Agreement, the Note, the other Loan Documents or otherwise with respect to the Loan in any action or proceeding brought by Assignee to collect same, or any portion thereof, or to enforce and realize upon the lien and security interest created by this Assignment, the Loan Agreement, the Note, or any of the other Loan Documents (provided, however, that the foregoing shall not be deemed a waiver of Assignor's right to assert any compulsory counterclaim if such counterclaim is compelled under local law or rule of procedure, nor shall the foregoing be deemed a waiver of Assignor's right to assert any claim which would constitute a defense, setoff, counterclaim or crossclaim of any nature whatsoever against Assignee in any separate action or proceeding).

Section 3.3 OTHER SECURITY. Assignee may take or release other security for the payment of the Obligations, may release any party primarily or secondarily liable therefor and may apply any other security held by it to the reduction or satisfaction of the Obligations without prejudice to any of its rights under this Assignment.

Section 3.4 NON-WAIVER. The exercise by Assignee of the option granted it in Section 3.1 of this Assignment and the collection of the Rents and sums due under the Lease Guaranties and the application thereof as herein provided shall not be considered a waiver of any default by Assignor under the Note, the Loan Agreement, the Leases, this Assignment or the other Loan Documents. The failure of Assignee to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Assignment. Assignor shall not be relieved of Assignor's obligations hereunder by reason of (a) the failure of Assignee to comply with any request of Assignor or any other party to take any action to

enforce any of the provisions hereof or of the Loan Agreement, the Note or the other Loan Documents, (b) the release regardless of consideration, of the whole or any part of the Property, or (c) any agreement or stipulation by Assignee extending the time of payment or otherwise modifying or supplementing the terms of this Assignment, the Loan Agreement, the Note, or the other Loan Documents. Assignee may resort for the payment of the Obligations to any other security held by Assignee in such order and manner as Assignee, in its discretion, may elect. Assignee may take any action to recover the Obligations, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Assignee thereafter to enforce its rights under this Assignment. The rights of Assignee under this Assignment shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Assignee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision.

Section 3.5 Bankruptcy.

(a) Upon or at any time after the occurrence of an Event of Default, Assignee shall have the right to proceed in its own name or in the name of Assignor in respect of any claim, suit, action or proceeding relating to the rejection of any Lease, including, without limitation, the right to file and prosecute, to the exclusion of Assignor, any proofs of claim, complaints, motions, applications, notices and other documents, in any case in respect of the lessee under such Lease under the Bankruptcy Code.

(b) If there shall be filed by or against Assignor a petition under the Bankruptcy Code, and Assignor, as lessor under any Lease, shall determine to reject such Lease pursuant to Section 365(a) of the Bankruptcy Code, then Assignor shall give Assignee not less than ten (10) days' prior notice of the date on which Assignor shall apply to the bankruptcy court for authority to reject the Lease. Assignee shall have the right, but not the obligation, to serve upon Assignor within such ten-day period a notice stating that (i) Assignee demands that Assignor assume and assign the Lease to Assignee pursuant to Section 365 of the Bankruptcy Code and (ii) Assignee covenants to cure or provide adequate assurance of future performance under the Lease. If Assignee serves upon Assignor the notice described in the preceding sentence, Assignor shall not seek to reject the Lease and shall comply with the demand provided for in clause (i) of the preceding sentence within thirty (30) days after the notice shall have been given, subject to the performance by Assignee of the covenant provided for in clause (ii) of the preceding sentence.

ARTICLE 4 - NO LIABILITY, FURTHER ASSURANCES

Section 4.1 NO LIABILITY OF ASSIGNEE. This Assignment shall not be construed to bind Assignee to the performance of any of the covenants, conditions or provisions contained in any Lease or Lease Guaranty or otherwise impose any obligation upon Assignee. Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Property after an Event of Default or from any other act or omission of Assignee in managing the Property after an Event of Default unless such loss is caused by the willful misconduct or gross negligence of Assignee as determined by a final non-appealable court of competent jurisdiction. Assignee shall not be obligated to perform or discharge any obligation, duty or liability under the Leases or any Lease Guaranties or under or by reason of this Assignment and Assignor shall indemnify Assignee for, and hold Assignee harmless from, any and all liability, loss or damage which may or might be incurred under the Leases, any Lease Guaranties or under or by reason of this Assignment and from any and all claims and demands whatsoever, including the defense of any such claims or demands which may be asserted against Assignee by reason of any alleged obligations and undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases or any Lease Guaranties. Should Assignee incur any such liability, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured by this Assignment and by the Mortgage and the other Loan Documents and Assignor shall reimburse Assignee therefor immediately upon demand and upon the failure of Assignor so to do Assignee may, at its option, declare all sums secured by this Assignment and by the Mortgage and the other Loan Documents immediately due and payable. This

Assignment shall not operate to place any obligation or liability for the control, care, management or repair of the Property upon Assignee, nor for the carrying out of any of the terms and conditions of the Leases or any Lease Guaranties; nor shall it operate to make Assignee responsible or liable for any waste committed on the Property by the tenants or any other parties, or for any dangerous or defective condition of the Property including, without limitation, the presence of any Hazardous Substances (as defined in the ADA and Environmental Indemnity), or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger.

Section 4.2 NO MORTGAGEE IN POSSESSION. Nothing herein contained shall be construed as constituting Assignee a "mortgagee in possession" in the absence of the taking of actual possession of the Property by Assignee. In the exercise of the powers herein granted Assignee, no liability shall be asserted or enforced against Assignee, all such liability being expressly waived and released by Assignor.

Section 4.3 FURTHER ASSURANCES. Assignor will, at the cost of Assignor, and without expense to Assignee, do, execute, acknowledge and deliver all and every such further acts, conveyances, assignments, notices of assignments, transfers and assurances as Assignee shall, from time to time, require for the better assuring, conveying, assigning, transferring and confirming unto Assignee the property and rights hereby assigned or intended now or hereafter so to be, or which Assignor may be or may hereafter become bound to convey or assign to Assignee, or for carrying out the intention or facilitating the performance of the terms of this Assignment or for filing, registering or recording this Assignment and, on demand, will execute and deliver and hereby authorizes Assignee to execute in the name of Assignor to the extent Assignee may lawfully do so, one or more financing statements, chattel mortgages or comparable security instruments, to evidence more effectively the lien and security interest hereof in and upon the Leases.

TERMS AND CONDITIONS

The Seller agrees to sell the Property, and the Buyer agrees to purchase the Property, on the following terms and conditions:

1. **Purchase Price.** The purchase price for the Property shall be \$625,000 (the "Purchase Price"). The Buyer shall pay the Purchase Price as follows:
 - a. An earnest money deposit (the "Earnest Money") in an amount equal to ten percent (10%) of the Purchase Price within three (3) business days following the date of acceptance of the Agreement by the Seller (the "Acceptance Date").
 - b. The balance of the Purchase Price, subject to any applicable credits and prorations, at Closing.

[Note: If the Buyer desires to enter into this Agreement subject to a financing contingency, then Rider A should be completed. Otherwise, Rider A should be left blank.]

[Note: If the Buyer purports to hold a mortgage interest in the Property and tenders this Agreement in connection with a credit bid, then Rider B should be completed. Otherwise, Rider B should be left blank.]

2. **Earnest Money.** The Earnest Money shall be held by First American Title Company ("First American Title") in a segregated escrow account. In connection with said Earnest Money

deposit, the Buyer shall execute and deliver to the Seller a copy of that certain strict joint order escrow agreement in the form attached hereto as Exhibit A.

3. **Court Approval.** As soon as practicable after the Acceptance Date, the Seller shall move before the Honorable John Z. Lee or any judge sitting in his stead or to whom he has made a referral in the SEC Action (the "Receivership Court") for approval of the sale of the Property pursuant to this Agreement. In the event that the Receivership Court does not issue the requisite approval, then the Agreement shall become null and void and all Earnest Money shall be promptly refunded to the Buyer.
4. **Escrow Closing.** This sale shall be closed through an escrow with First American Title in accordance with the general provisions of the usual form of deed and money escrow agreement then furnished and in use by said title company. Payment of the Purchase Price and delivery of the receiver's deed shall be made through the escrow. The cost of the escrow shall be divided equally between the Buyer and the Seller unless the Buyer acquires the Property with financing, in which event that portion of the cost of the escrow relating to the financing shall be borne by the Buyer. Unless otherwise specified herein, all other closing costs shall be paid in accordance with custom for apartment investment sales transactions in Cook County, Illinois.
5. **Irrevocable Offer.** This Agreement when executed by the Buyer and delivered to the Seller shall constitute an irrevocable offer to purchase the Property until October 17, 2019 (the "Offer Expiration Date"). In the event that the offer is not accepted by the Seller before the Offer Expiration Date, then the offer shall be deemed withdrawn.
6. **Personal Property.** At Closing, the Seller shall tender to the Buyer a bill of sale for the personal property appurtenant to the Property (the "Personal Property") warranting only that Seller is the absolute owner of said Personalty, that said Personalty is free and clear of all liens, charges, and encumbrances, and that the Seller has the full right, power, and authority to sell said Personalty and to deliver the bill of sale. The Seller shall neither make nor adopt any warranty whatsoever with respect to the Personal Property and shall specifically disclaim any implied warranty of merchantability or fitness for a particular purpose. The price of the Personal Property shall be included in the Purchase Price, and the Buyer agrees to accept all such Personal Property in "as is" condition.
7. **The Closing Date.** The closing shall be held on a date (the "Closing Date") to be designated by the Seller after the Receivership Court approves the sale of the Property pursuant to this Agreement, provided, however, that the Buyer shall be entitled to five business days' advance Notice of the Closing Date.
8. **Conveyance of Title.** At Closing, the Seller shall convey title to the Property by a recordable form receiver's deed subject only to (a) general real estate taxes not yet due and payable at the time of Closing; (b) covenants, conditions, restrictions, or building lines and easements of record, if any; (c) public and utility easements; (d) applicable zoning and building laws and ordinances; (f) acts done by or suffered through Buyer or anyone claiming by, through,

or under Buyer; (g) governmental actions or proceedings concerning or affecting the Property; and (h) encroachments of a minor nature, if any, that can be insured over at closing (the "Permitted Exceptions"). The Seller agrees to surrender possession of the Property at the time of Closing.

9. **Commitment For Title Insurance.** Within ten (10) business days after the Acceptance Date, the Seller shall deliver to the Buyer evidence of merchantable title by delivering a commitment for title insurance with extended coverage from First American Title in the amount of the Purchase Price with a commitment date not earlier than July 1, 2019, subject only to general exceptions, the Permitted Exceptions, and exceptions pertaining to liens or encumbrances of a definite and ascertainable amount which may be removed by the payment of money by Seller, endorsed over by First American Title at the Seller's sole expense, or which will be extinguished by order of the Receivership Court. Such title commitment shall be conclusive evidence of good and merchantable title, subject only to the foregoing exceptions. If the commitment for title insurance discloses title exceptions other than the general exceptions, Permitted Exceptions, exceptions waivable through the payment of money or the issuance of an endorsement, or exceptions to be extinguished by Receivership Court order, the Seller shall have thirty (30) calendar days from the Closing Date to cure, or insure over, the unpermitted exceptions and the Closing shall be postponed until said unpermitted exceptions are cured or insured over. If the Seller fails to timely secure the removal of the unpermitted exceptions or obtain an endorsement insuring over the unpermitted exceptions, the Purchaser may terminate this Contract with a full refund of Earnest Money upon Notice to the Seller within ten (10) business days after the expiration of the thirty (30) day period. In such event, this Agreement shall become null and void and neither party shall thereafter have any rights against the other, and the Seller may not be held liable for direct, indirect, incidental, or consequential damages.

10. **Survey.** At least five (5) business days prior to the Closing Date, the Seller shall provide the Buyer with a survey by a licensed land surveyor dated not more than six months prior to the date of Closing, indicating the present location of all improvements. If the Buyer or the Buyer's mortgagee desires a more recent or extensive survey, the survey shall be obtained at the Buyer's expense.

11. **Assignment And Assumption Of Leases.** At Closing, the Seller shall deliver to the Buyer, and the Seller and Buyer shall execute, an assignment and assumption of leases (in the form attached hereto as Exhibit B) pursuant to which the Seller shall convey all right, title, and interest in and to any leases in effect at the Property to the Buyer, and the Buyer shall agree to assume all of the Seller's obligations under said leases.

12. **Prorations.** Prepaid service contracts and other similar items shall be credited ratably at Closing. Any and all rents collected from or on behalf of tenants until the date of the Closing shall be applied by the Seller first to past due balances and then to currently scheduled monthly rent. Each tenant's scheduled monthly rent shall then be prorated for the month of Closing. To the extent that any tenant has paid all rent through and including the month prior to the Closing, then all additional rent received from such tenant shall be applied by the Seller first to

rent for the period between the first day of the month in which the Closing occurs and the date of the Closing, and the balance of said rent, if any, shall be paid to the Buyer. Any and all rents that remain delinquent as of the Closing Date shall belong to the Buyer upon collection. Notwithstanding the foregoing, real estate taxes associated with the ownership of the Property shall be prorated as of the Closing Date based on 105% of the most recently ascertainable tax bill.

13. **Inspection Period.** The Buyer acknowledges that it was afforded the opportunity to conduct a limited tour of the Property prior to submitting its offer. Within three (3) calendar days following the Acceptance Date, the Seller shall produce the following documents to the Buyer (the "Due Diligence Materials"):

- a. **Current Rent Roll.** A current rent roll for the Property generated by the management company.
- b. **Utility Bills.** Copies of all utility bills relating to the Property, to the extent available, for the twelve calendar months preceding the month of the Acceptance Date.
- c. **Leases.** Copies of all existing leases affecting the Property.
- d. **Profit & Loss Statement.** A current trailing twelve-month profit and loss statement reflecting all categories of operating income and expenses associated with the Property, as generated by the management company.
- e. **Litigation Documents.** Copies of documents, including notices of violation, orders, judgments, and other pleadings, pertaining to any known litigation or proceedings currently affecting the Property.

In addition, the Seller shall allow the Buyer reasonable access to the Property for twenty days from and after the Acceptance Date (the "Inspection Period") for the purpose of conducting an inspection of the major structural and mechanical components of the Property. A major structural or mechanical component shall be deemed to be in acceptable operating condition if it substantially performs the function for which it is intended, regardless of age, and does not pose a threat to health or safety. In the event that the Buyer possesses sound evidence that any major structural or mechanical component of the Property does not substantially perform the function for which it is intended, then the Buyer shall have the right to terminate this Agreement upon the delivery of Notice to the Seller on or before the conclusion of the Inspection Period, such notice to be accompanied by the relevant pages of an inspection report prepared by a licensed or certified inspector and identifying the defect justifying the termination. Upon receipt by the Seller of the notice of termination, this Agreement shall be considered null and void and the parties shall be discharged of any and all obligations hereunder (except those obligations which survive termination) and First American Title shall release the Earnest Money to the Buyer. In the event that the Buyer does not terminate the Agreement on or prior to the conclusion of the Inspection Period, the Property shall be

considered accepted by the Buyer and the Earnest Money shall thereafter be non-refundable. In connection with its inspection of the Property, the Buyer shall keep the Property free and clear of liens, shall indemnify and hold Seller harmless from any and all liability, loss, cost, damage, or expense relating to its inspection of the Property, and shall repair any and all damage arising from the inspection. These obligations shall survive termination of the Agreement.

14. **Entry Into Or Renewal Of Contracts & Material Changes.** Following the expiration of the Inspection Period, the Seller shall not without the prior written consent of the Buyer, said consent not to be unreasonably withheld, conditioned, or delayed, enter into or renew any service contract or lease affecting or concerning the Property. In addition, the Seller shall not make any material changes to the Property, perform or engage in any act, or enter into any agreement that materially changes the value of the Property or the rights of the Buyer relating to the Property.

15. **Material Destruction.** Risk of loss to the Property shall be borne by the Seller until title has been conveyed to Buyer. If, prior to Closing, a material portion of the Property shall be destroyed or materially damaged by fire or other casualty, then the Seller shall provide prompt notice of said fire or other casualty to the Buyer and this Agreement shall thereafter, at the option of the Buyer, exercised by Notice to the Seller within five (5) business days after receipt of notice of such material damage, be null and void, and all Earnest Money shall be refunded to the Buyer. Failure of the Buyer to provide timely notice shall constitute a waiver of the right to terminate.

16. **Condition Of Property.** The Buyer understands and agrees that the Property is being sold "as is" and "with all faults" and that neither the Seller nor any agent or attorney of the Seller, makes, or has made, any representation or warranty as to the physical condition or value of the Property or its suitability for the Buyer's intended use. The Seller has no obligation to repair or correct any alleged patent or latent defect at the Property, or to compensate the Buyer for any such defect, and, upon closing, the Buyer waives, releases, acquits, and forever discharges the Seller, and all of the Seller's agents and attorneys, to the maximum extent permitted by law, from any and all claims, actions, causes or action, demands, rights, liabilities, losses, damages, costs, or expenses, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or which may arise in the future on account of or in any way arising from or relating to any alleged patent or latent defect at the Property.

17. **Buyer Default.** The Buyer and Seller agree that it would be difficult to ascertain the actual damages to be suffered by the Seller in the event of a default by the Buyer and that the amount of the Earnest Money deposited by the Buyer hereunder constitutes the parties' reasonable estimate of the Seller's damages in the event of the Buyer's default, and that upon any such default not caused by the Seller, the Seller shall be entitled to retain the Earnest Money as liquidated damages, which shall constitute the Seller's sole and exclusive remedy in law or at equity in connection with said default.

18. **Seller Default.** In the event that the Seller shall fail to sell, transfer, and assign the Property to Purchaser in violation of the terms of this Agreement and/or fail to perform any other material obligation of Seller hereunder, then the Buyer may give Notice to the Seller specifying the nature of the default. The Seller shall thereafter have five (5) business days from receipt of said Notice, but in no event beyond the Closing Date, within which to cure the alleged default. If the Seller fails to cure the default within the cure period, then the Buyer shall be entitled to the return of all Earnest Money and (a) to declare the Agreement null and void and sue for reasonable out-of-pocket expenses incurred in connection with this Agreement prior to the alleged default or (b) to sue for specific performance, the parties recognizing that the Property is unique and that the Buyer otherwise lacks an adequate remedy at law. In the latter event, the Buyer is advised that Section VIII of the Order Appointing Receiver entered in the SEC Action enjoins the filing or prosecution of all civil proceedings against the Receiver, in his capacity as Receiver, until further order of the court.

19. **Representations and Warranties.** As a material inducement to the Buyer to enter into this Agreement, the Seller hereby makes the following representations and warranties, each of which shall remain true and correct as of the Closing Date:

- a. The Seller has the full right, power, and authority to convey the Property to the Buyer as provided in this Agreement and to carry out its obligations hereunder. In addition, the individual executing this Agreement on behalf of the Seller has the legal right, power, and authority to bind the Seller to the terms hereof.
- b. The Seller will not take any action affecting title to the Property following the Acceptance Date.
- c. To the best of the Seller's knowledge, there are no actions, investigations, suits, or proceedings, pending or threatened, that affect the Property, or the ownership or operation thereof, other than the SEC Action and the following:

[None.]
- d. To the best of the Seller's knowledge, the Property is not in violation, nor has been under investigation for violation, of any federal, state, or local law, ordinance, or regulation regulating environmental conditions in, at, on, under, or about the Property, including but not limited to, soil and groundwater conditions.

20. **Notices.** All notices required or permitted under this Agreement shall be in writing and served by registered or certified United States mail, return receipt requested; nationally recognized overnight mail courier (signature required); or electronic mail (evidenced by competent and authentic proof of transmission). 21. **Like-Kind Exchange.** The Seller agrees to cooperate if the Buyer elects to acquire the Property as part of a like-kind exchange under Section 1031 of the Internal Revenue Code. The Buyer's contemplated exchange shall not impose upon the Seller any additional liability or financial obligation, and the Buyer agrees to hold the Seller harmless from any liability that might arise from such exchange. This Agreement is neither subject to nor contingent upon the Buyer's ability to dispose of its exchange property or to effectuate an exchange. In the event any exchange contemplated by the Buyer should fail to occur, for whatever reason, the sale of the Property shall nonetheless be consummated as provided herein.

22. **Real Estate Agents.** Purchaser represents and warrants that, other than Seller's Agent and Buyer's Agent, if any, no other putative real estate agent or broker was involved in submitting, showing, marketing, or selling the Property to the Buyer, and the Buyer agrees to indemnify and hold Seller, and its successors and assigns, harmless from and against any and all liability, loss, damages, cost, or expense, including reasonable attorneys' fees, arising from or relating to any claim for a commission, fee, or other form of payment or compensation asserted by a putative real estate agent or broker purporting to have procured the Buyer in connection with this Agreement.

23. **Foreign Investor Disclosure.** The Seller and the Buyer agree to execute and deliver any instrument, affidavit, or statement, and to perform any act reasonably necessary to carry out the provisions of the Foreign Investment in Real Property Tax Act and regulations promulgated thereunder. The Seller represents that the Seller is not a foreign person as defined in Section 1445 of the Internal Revenue Code.

There are no other understandings, oral or written, which in any way alter or enlarge the terms of this Agreement, and there are no warranties or representations of any nature whatsoever, either express or implied, except as set forth herein. This Agreement may be modified only by a written instrument signed by the party to be charged.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on December 29th, 2015. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of One Million Three Hundred Seventy-Five Thousand and 00/100 Dollars (U.S. \$1,375,000.00). This debt is evidenced by the Borrower's two notes dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable July 1st, 2017 unless otherwise specified on the respective note. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 21-30-304-020-0000

which has the address of 7546 S Saginaw Ave., Chicago, IL 60649 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

TERMS AND CONDITIONS

The Seller agrees to sell the Property, and the Buyer agrees to purchase the Property, on the following terms and conditions:

1. **Purchase Price.** The purchase price for the Property shall be \$ 1,935,200 (the "Purchase Price"). The Buyer shall pay the Purchase Price as follows:
 - a. An earnest money deposit (the "Earnest Money") in an amount equal to ten percent (10%) of the Purchase Price within three (3) business days following the date of acceptance of the Agreement by the Seller (the "Acceptance Date").
 - b. The balance of the Purchase Price, subject to any applicable credits and prorations, at Closing.

[Note: If the Buyer desires to enter into this Agreement subject to a financing contingency, then Rider A should be completed. Otherwise, Rider A should be left blank.]

[Note: If the Buyer purports to hold a mortgage interest in the Property and tenders this Agreement in connection with a credit bid, then Rider B should be completed. Otherwise, Rider B should be left blank.]

2. **Earnest Money.** The Earnest Money shall be held by First American Title Company ("First American Title") in a segregated escrow account. In connection with said Earnest Money deposit, the Buyer shall execute and deliver to the Seller a copy of that certain strict joint order escrow agreement in the form attached hereto as Exhibit A.

3. **Court Approval.** As soon as practicable after the Acceptance Date, the Seller shall move before the Honorable John Z. Lee or any judge sitting in his stead or to whom he has made a referral in the SEC Action (the "Receivership Court") for approval of the sale of the Property pursuant to this Agreement. In the event that the Receivership Court does not issue the requisite approval, then the Agreement shall become null and void and all Earnest Money shall be promptly refunded to the Buyer.

4. **Escrow Closing.** This sale shall be closed through an escrow with First American Title in accordance with the general provisions of the usual form of deed and money escrow agreement then furnished and in use by said title company. Payment of the Purchase Price and delivery of the receiver's deed shall be made through the escrow. The cost of the escrow shall be divided equally between the Buyer and the Seller unless the Buyer acquires the Property with financing, in which event that portion of the cost of the escrow relating to the financing shall be borne by the Buyer. Unless otherwise specified herein, all other closing costs shall be paid in accordance with custom for apartment investment sales transactions in Cook County, Illinois.

5. **Irrevocable Offer.** This Agreement when executed by the Buyer and delivered to the Seller shall constitute an irrevocable offer to purchase the Property until January 10, 2020 (the "Offer Expiration Date"). In the event that the offer is not accepted by the Seller before the Offer Expiration Date, then the offer shall be deemed withdrawn.

6. **Personal Property.** At Closing, the Seller shall tender to the Buyer a bill of sale for the personal property appurtenant to the Property (the "Personal Property") warranting only that Seller is the absolute owner of said Personalty, that said Personalty is free and clear of all liens, charges, and encumbrances, and that the Seller has the full right, power, and authority to sell said Personalty and to deliver the bill of sale. The Seller shall neither make nor adopt any warranty whatsoever with respect to the Personal Property and shall specifically disclaim any implied warranty of merchantability or fitness for a particular purpose. The price of the Personal Property shall be included in the Purchase Price, and the Buyer agrees to accept all such Personal Property in "as is" condition.

7. **The Closing Date.** The closing shall be held on a date (the "Closing Date") to be designated by the Seller after the Receivership Court approves the sale of the Property pursuant to this Agreement, provided, however, that the Buyer shall be entitled to five business days' advance Notice of the Closing Date.

8. **Conveyance of Title.** At Closing, the Seller shall convey title to the Property by a recordable form receiver's deed subject only to (a) general real estate taxes not yet due and payable at the time of Closing; (b) covenants, conditions, restrictions, or building lines and

easements of record, if any; (c) public and utility easements; (d) applicable zoning and building laws and ordinances; (f) acts done by or suffered through Buyer or anyone claiming by, through, or under Buyer; (g) governmental actions or proceedings concerning or affecting the Property; and (h) encroachments of a minor nature, if any, that can be insured over at closing (the "Permitted Exceptions"). The Seller agrees to surrender possession of the Property at the time of Closing.

9. Commitment For Title Insurance. Within ten (10) business days after the Acceptance Date, the Seller shall deliver to the Buyer evidence of merchantable title by delivering a commitment for title insurance with extended coverage from First American Title in the amount of the Purchase Price with a commitment date not earlier than July 1, 2019, subject only to general exceptions, the Permitted Exceptions, and exceptions pertaining to liens or encumbrances of a definite and ascertainable amount which may be removed by the payment of money by Seller, endorsed over by First American Title at the Seller's sole expense, or which will be extinguished by order of the Receivership Court. Such title commitment shall be conclusive evidence of good and merchantable title, subject only to the foregoing exceptions. If the commitment for title insurance discloses title exceptions other than the general exceptions, Permitted Exceptions, exceptions waivable through the payment of money or the issuance of an endorsement, or exceptions to be extinguished by Receivership Court order, the Seller shall have thirty (30) calendar days from the Closing Date to cure, or insure over, the unpermitted exceptions and the Closing shall be postponed until said unpermitted exceptions are cured or insured over. If the Seller fails to timely secure the removal of the unpermitted exceptions or obtain an endorsement insuring over the unpermitted exceptions, the Purchaser may terminate this Contract with a full refund of Earnest Money upon Notice to the Seller within ten (10) business days after the expiration of the thirty (30) day period. In such event, this Agreement shall become null and void and neither party shall thereafter have any rights against the other, and the Seller may not be held liable for direct, indirect, incidental, or consequential damages.

10. Survey. At least five (5) business days prior to the Closing Date, the Seller shall provide the Buyer with a survey by a licensed land surveyor dated not more than six months prior to the date of Closing, indicating the present location of all improvements. If the Buyer or the Buyer's mortgagee desires a more recent or extensive survey, the survey shall be obtained at the Buyer's expense.

11. Assignment And Assumption Of Leases. At Closing, the Seller shall deliver to the Buyer, and the Seller and Buyer shall execute, an assignment and assumption of leases (in the form attached hereto as Exhibit B) pursuant to which the Seller shall convey all right, title, and interest in and to any leases in effect at the Property to the Buyer, and the Buyer shall agree to assume all of the Seller's obligations under said leases.

12. Prorations. Prepaid service contracts and other similar items shall be credited ratably at Closing. Any and all rents collected from or on behalf of tenants until the date of the Closing shall be applied by the Seller first to past due balances and then to currently scheduled monthly rent. Each tenant's scheduled monthly rent shall then be prorated for the month of Closing. To

the extent that any tenant has paid all rent through and including the month prior to the Closing, then all additional rent received from such tenant shall be applied by the Seller first to rent for the period between the first day of the month in which the Closing occurs and the date of the Closing, and the balance of said rent, if any, shall be paid to the Buyer. Any and all rents that remain delinquent as of the Closing Date shall belong to the Buyer upon collection. Notwithstanding the foregoing, real estate taxes associated with the ownership of the Property shall be prorated as of the Closing Date based on 105% of the most recently ascertainable tax bill.

13. Inspection Period. The Buyer acknowledges that it was afforded the opportunity to conduct a limited tour of the Property prior to submitting its offer. Within three (3) calendar days following the Acceptance Date, the Seller shall produce the following documents to the Buyer (the "Due Diligence Materials"):

- a. Current Rent Roll. A current rent roll for the Property generated by the management company.
- b. Utility Bills. Copies of all utility bills relating to the Property, to the extent available, for the twelve calendar months preceding the month of the Acceptance Date.
- c. Leases. Copies of all existing leases affecting the Property.
- d. Profit & Loss Statement. A current trailing twelve-month profit and loss statement reflecting all categories of operating income and expenses associated with the Property, as generated by the management company.
- e. Litigation Documents. Copies of documents, including notices of violation, orders, judgments, and other pleadings, pertaining to any known litigation or proceedings currently affecting the Property.

In addition, the Seller shall allow the Buyer reasonable access to the Property for twenty days from and after the Acceptance Date (the "Inspection Period") for the purpose of conducting an inspection of the major structural and mechanical components of the Property. A major structural or mechanical component shall be deemed to be in acceptable operating condition if it substantially performs the function for which it is intended, regardless of age, and does not pose a threat to health or safety. In the event that the Buyer possesses sound evidence that any major structural or mechanical component of the Property does not substantially perform the function for which it is intended, then the Buyer shall have the right to terminate this Agreement upon the delivery of Notice to the Seller on or before the conclusion of the Inspection Period, such notice to be accompanied by the relevant pages of an inspection report prepared by a licensed or certified inspector and identifying the defect justifying the termination. Upon receipt by the Seller of the notice of termination, this Agreement shall be considered null and void and the parties shall be discharged of any and all obligations hereunder (except those obligations which survive termination) and First American Title shall

release the Earnest Money to the Buyer. In the event that the Buyer does not terminate the Agreement on or prior to the conclusion of the Inspection Period, the Property shall be considered accepted by the Buyer and the Earnest Money shall thereafter be non-refundable. In connection with its inspection of the Property, the Buyer shall keep the Property free and clear of liens, shall indemnify and hold Seller harmless from any and all liability, loss, cost, damage, or expense relating to its inspection of the Property, and shall repair any and all damage arising from the inspection. These obligations shall survive termination of the Agreement.

14. Entry Into Or Renewal Of Contracts & Material Changes. Following the expiration of the Inspection Period, the Seller shall not without the prior written consent of the Buyer, said consent not to be unreasonably withheld, conditioned, or delayed, enter into or renew any service contract or lease affecting or concerning the Property. In addition, the Seller shall not make any material changes to the Property, perform or engage in any act, or enter into any agreement that materially changes the value of the Property or the rights of the Buyer relating to the Property.

15. Material Destruction. Risk of loss to the Property shall be borne by the Seller until title has been conveyed to Buyer. If, prior to Closing, a material portion of the Property shall be destroyed or materially damaged by fire or other casualty, then the Seller shall provide prompt notice of said fire or other casualty to the Buyer and this Agreement shall thereafter, at the option of the Buyer, exercised by Notice to the Seller within five (5) business days after receipt of notice of such material damage, be null and void, and all Earnest Money shall be refunded to the Buyer. Failure of the Buyer to provide timely notice shall constitute a waiver of the right to terminate.

16. Condition Of Property. The Buyer understands and agrees that the Property is being sold "as is" and "with all faults" and that neither the Seller nor any agent or attorney of the Seller, makes, or has made, any representation or warranty as to the physical condition or value of the Property or its suitability for the Buyer's intended use. The Seller has no obligation to repair or correct any alleged patent or latent defect at the Property, or to compensate the Buyer for any such defect, and, upon closing, the Buyer waives, releases, acquits, and forever discharges the Seller, and all of the Seller's agents and attorneys, to the maximum extent permitted by law, from any and all claims, actions, causes or action, demands, rights, liabilities, losses, damages, costs, or expenses, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or which may arise in the future on account of or in any way arising from or relating to any alleged patent or latent defect at the Property.

17. Buyer Default. The Buyer and Seller agree that it would be difficult to ascertain the actual damages to be suffered by the Seller in the event of a default by the Buyer and that the amount of the Earnest Money deposited by the Buyer hereunder constitutes the parties' reasonable estimate of the Seller's damages in the event of the Buyer's default, and that upon any such default not caused by the Seller, the Seller shall be entitled to retain the Earnest

Money as liquidated damages, which shall constitute the Seller's sole and exclusive remedy in law or at equity in connection with said default.

18. **Seller Default.** In the event that the Seller shall fail to sell, transfer, and assign the Property to Purchaser in violation of the terms of this Agreement and/or fail to perform any other material obligation of Seller hereunder, then the Buyer may give Notice to the Seller specifying the nature of the default. The Seller shall thereafter have five (5) business days from receipt of said Notice, but in no event beyond the Closing Date, within which to cure the alleged default. If the Seller fails to cure the default within the cure period, then the Buyer shall be entitled to the return of all Earnest Money and (a) to declare the Agreement null and void and sue for reasonable out-of-pocket expenses incurred in connection with this Agreement prior to the alleged default or (b) to sue for specific performance, the parties recognizing that the Property is unique and that the Buyer otherwise lacks an adequate remedy at law. In the latter event, the Buyer is advised that Section VIII of the Order Appointing Receiver entered in the SEC Action enjoins the filing or prosecution of all civil proceedings against the Receiver, in his capacity as Receiver, until further order of the court.

19. **Representations and Warranties.** As a material inducement to the Buyer to enter into this Agreement, the Seller hereby makes the following representations and warranties, each of which shall remain true and correct as of the Closing Date:

- a. The Seller has the full right, power, and authority to convey the Property to the Buyer as provided in this Agreement and to carry out its obligations hereunder. In addition, the individual executing this Agreement on behalf of the Seller has the legal right, power, and authority to bind the Seller to the terms hereof.
- b. The Seller will not take any action affecting title to the Property following the Acceptance Date.
- c. To the best of the Seller's knowledge, there are no actions, investigations, suits, or proceedings, pending or threatened, that affect the Property, or the ownership or operation thereof, other than the SEC Action and the following:

[None.]
- d. To the best of the Seller's knowledge, the Property is not in violation, nor has been under investigation for violation, of any federal, state, or local law, ordinance, or regulation regulating environmental conditions in, at, on, under, or about the Property, including but not limited to, soil and groundwater conditions.

20. **Notices.** All notices required or permitted under this Agreement shall be in writing and served by registered or certified United States mail, return receipt requested; nationally recognized overnight mail courier (signature required); or electronic mail (evidenced by

competent and authentic proof of transmission). Any notices given to the Seller shall be delivered to the Seller's counsel, at the following physical or e-mail addresses:

21. **Like-Kind Exchange.** The Seller agrees to cooperate if the Buyer elects to acquire the Property as part of a like-kind exchange under Section 1031 of the Internal Revenue Code. The Buyer's contemplated exchange shall not impose upon the Seller any additional liability or financial obligation, and the Buyer agrees to hold the Seller harmless from any liability that might arise from such exchange. This Agreement is neither subject to nor contingent upon the Buyer's ability to dispose of its exchange property or to effectuate an exchange. In the event any exchange contemplated by the Buyer should fail to occur, for whatever reason, the sale of the Property shall nonetheless be consummated as provided herein.

22. **Real Estate Agents.** Purchaser represents and warrants that, other than Seller's Agent and Buyer's Agent, if any, no other putative real estate agent or broker was involved in submitting, showing, marketing, or selling the Property to the Buyer, and the Buyer agrees to indemnify and hold Seller, and its successors and assigns, harmless from and against any and all liability, loss, damages, cost, or expense, including reasonable attorneys' fees, arising from or relating to any claim for a commission, fee, or other form of payment or compensation asserted by a putative real estate agent or broker purporting to have procured the Buyer in connection with this Agreement.

23. Foreign Investor Disclosure. The Seller and the Buyer agree to execute and deliver any instrument, affidavit, or statement, and to perform any act reasonably necessary to carry out the provisions of the Foreign Investment in Real Property Tax Act and regulations promulgated thereunder. The Seller represents that the Seller is not a foreign person as defined in Section 1445 of the Internal Revenue Code.

24. Merger. This Agreement expresses the entire agreement of the parties and supersedes any and all previous agreements or understandings between them with regard to the Property. There are no other understandings, oral or written, which in any way alter or enlarge the terms of this Agreement, and there are no warranties or representations of any nature whatsoever, either express or implied, except as set forth herein. This Agreement may be modified only by a written instrument signed by the party to be charged.

AND Mortgagor represents and warrants to and covenants and agrees with Mortgagee as follows:

PART I - GENERAL PROVISIONS

1. Payment of Indebtedness and Incorporation of Covenants, Conditions and Agreements. Mortgagor shall pay the Indebtedness at the time and in the manner provided in the Note, this Mortgage and the other Loan Documents. All the covenants, conditions and agreements contained in the Note and the other Loan Documents are hereby made a part of this Mortgage to the same extent and with the same force as if fully set forth herein.

2. **Warranty of Title.** Mortgagor has good and marketable title to the Property; Mortgagor has the right to mortgage, encumber, hypothecate, pledge, deed, give, grant, bargain, sell, alienate, convey, confirm, lease, assign, and grant a security interest in the Property; Mortgagor possesses an indefeasible fee estate in the Real Property; and Mortgagor owns the Property free and clear of all liens, encumbrances and charges whatsoever except those exceptions shown in the title insurance policy insuring the lien of this Mortgage (this Mortgage and the liens, encumbrances and charges shown as exceptions in such title policy, hereinafter collectively referred to as the “**Permitted Encumbrances**”). In addition, Mortgagor may, at its option, retain the services of a firm to monitor the policies of insurance for conformance with this Mortgage, the cost of which shall be borne by Mortgagor provided that such cost shall not exceed \$100.00 per annum.

(a) Mortgagor, at its sole cost and expense, for the mutual benefit of each Mortgagor and Mortgagee, shall also obtain and maintain during the term of this Mortgage the following policies of insurance:

(i) Flood insurance if any part of the Real Property is located in an area identified by the Secretary of Housing and Urban Development as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968 (and any successor act thereto) in an amount at least equal to the outstanding principal amount of the Note or the maximum limit of coverage available with respect to the Improvements and Equipment under said Act, whichever is less, and/or excess flood coverage, inclusive of rental income coverage due to peril of flood;

(ii) commercial general liability insurance, including a broad form comprehensive general liability endorsement and coverage against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Property, such insurance (A) to be on the so-called “occurrence” form with a combined limit of not less than Two Million and No/100 Dollars (\$2,000,000.00) in the aggregate and One Million and No/100 Dollars (\$1,000,000.00) per occurrence (and, if on a blanket policy, containing an “Aggregate Per Location” endorsement);

(iii) umbrella or excess liability insurance in an amount not less than Five Million and No/100 Dollars (\$5,000,000.00) per occurrence on terms consistent with the commercial general liability insurance policy required under subsection (ii) above;

(iv) Business interruption insurance in an amount equal to at least one hundred percent (100%) of the aggregate annual amount of all revenues generated from the Property, such business interruption insurance to cover losses of revenue for a period of at least one (1) year after the date of the fire or casualty in question and six (6) months of Extended Period of Indemnity coverage covering the shortfall in rental income after the Improvements are restored. The amount of such business interruption insurance shall be determined prior to the date hereof and at least once each year thereafter based on Mortgagee's reasonable estimate of revenues from the operation of the Property for the succeeding twelve (12) month period;

(v) Insurance against loss or damage from explosion of steam boilers, air conditioning equipment, high pressure piping, machinery and equipment, pressure vessels or similar apparatus now or hereafter installed in the Improvements; and

(vi) Such other insurance (including, without limitation, earthquake insurance) as may from time to time be reasonably required by Mortgagee in order to protect its interests.

(b) All policies of insurance (the "Policies") required pursuant to Section 3(a)(i) shall be issued by an insurer satisfactory to Mortgagee with at least an A/VIII rating by A.M. Best Company, (ii) without limiting the required endorsements to the Policies, shall contain a standard non-contributory mortgagee clause naming Mortgagee as the person to which all payments made by such insurance company shall be paid, and specifically referencing Mortgagee under such clause as Thorofare Asset Based Lending REIT Fund IV, LLC, 633 W. Fifth Street, Suite 2200, Los Angeles, California 90071, Attention: Mr. Kevin Miller, as Mortgagee, its successor and assigns, as their interests may appear, (x) as an additional insured under all liability insurance policies excluding worker's compensation policies, (y) as the first Mortgagee on all property insurance policies, and (z) as the loss payee on all loss of rents or loss of business income insurance policies and, if applicable, flood insurance policies, (iii) shall be maintained throughout the term of this Mortgage at the sole cost and expense of Mortgagor without cost or expense to Mortgagee, (iv) shall be delivered to Mortgagee, (v) shall contain an endorsement or agreement by the insurer that any loss shall be payable to Mortgagee in accordance with the terms of such policy notwithstanding any act or negligence of Mortgagor which might otherwise result in forfeiture of such insurance; (vi) shall waive all rights of subrogation against Mortgagee; (vii) shall contain such provisions as Mortgagee deems reasonably necessary or desirable to protect its interest including, without limitation, endorsements providing that neither Mortgagor nor Mortgagee nor any other party shall be a co-insurer under such Policies and that Mortgagee shall receive at least thirty (30) days prior written notice of any modification or cancellation and (viii) shall be satisfactory in form and substance to Mortgagee and shall be approved by Mortgagee as to amounts, form, risk coverage, deductibles, loss payees and insureds. All amounts recoverable thereunder are hereby assigned to Mortgagee. Not later than thirty (30) days prior to the expiration date of each of the Policies, Mortgagor will deliver to Mortgagee satisfactory evidence of the renewal of each of the Policies.

(c) If the Improvements shall be damaged or destroyed, in whole or in part, by fire or other casualty, Mortgagor shall give prompt notice thereof to Mortgagee and prior to the making of any repairs thereto. Following the occurrence of fire or other casualty, Mortgagor, regardless of whether insurance proceeds are payable under the Policies or, if paid, are made available to Mortgagor by Mortgagee, shall promptly proceed with the repair, alteration, restoration, replacement or rebuilding of the Improvements as near as possible to their value, utility, condition and character prior to such damage or destruction. Such repairs, alterations, restoration, replacement and rebuilding are herein collectively referred to as the “**Restoration**”. The Restoration shall be performed in accordance with the following provisions:

(i) Mortgagor shall procure, pay for and furnish to Mortgagee true copies of all required governmental permits, certificates and approvals with respect to the Restoration.

(ii) Mortgagor shall furnish Mortgagee, within thirty (30) days of the casualty, evidence reasonably satisfactory to Mortgagee of the cost to complete the Restoration.

(iii) If the Restoration involves structural work or the estimated cost to complete the Restoration exceeds five percent (5%) of the original principal amount of the Loan, if requested by Mortgagee, the Restoration shall be conducted under the supervision of an architect (the “**Architect**”) selected by Mortgagor and approved by Mortgagee (which approval shall not be unreasonably withheld), and no such Restoration shall be made except in accordance with detailed plans and specifications, detailed cost estimates and detailed work schedules approved by Mortgagee (which approval shall not be unreasonably withheld).

(iv) If the estimated cost of the Restoration shall exceed ten percent (10%) of the original principal amount of the Loan in the aggregate, at the request of Mortgagee, Mortgagor, before commencing any work, shall cause to be furnished to Mortgagee a surety bond or bonds, in form and substance reasonably satisfactory to Mortgagee, naming Mortgagor and Mortgagee as co-obligees, in an amount that is not less than the estimated cost of the Restoration, issued by a surety company or companies reasonably satisfactory to Mortgagee.

(v) The Restoration shall be prosecuted to completion with all due diligence and in an expeditious and first class workmanlike manner and in compliance with all laws and other governmental requirements, all permits, certificates and approvals, all requirements of fire underwriters and all insurance policies then in force with respect to the Real Property.

(vi) At all times when any work is in progress, Mortgagor shall maintain all insurance then required by law or customary with respect to such work, and, prior to the commencement of any work, shall furnish to Mortgagee duplicate originals or certificates of the policies therefor.

(vii) Upon completion of the Restoration, Mortgagor shall obtain (A) any occupancy permit which may be required for the Improvements and (B) all other governmental permits, certificates and approvals and all permits, certificates and approvals of

fire underwriters which are required for or with respect to the Restoration, and shall furnish true copies thereof to Mortgagee.

(viii) An Event of Default (as hereinafter defined) shall be deemed to have occurred under this Mortgage if Mortgagor, after having commenced demolition or construction of any Improvements, shall abandon such demolition or the construction work or shall fail to complete such demolition and construction within a reasonable time after the commencement thereof.

(d) If the insurance proceeds payable under the Policies or the costs of completing the Restoration are more than \$250,000, Mortgagor and Mortgagee shall jointly adjust and settle all insurance claims, provided, however, if an Event of Default shall have occurred and be continuing, Mortgagee shall have the right to adjust and settle such claims without the prior consent of Mortgagor. In the event of any insured loss, the payment for such loss shall be made directly to Mortgagor unless the insurance proceeds payable under the Policies for such loss are more than \$250,000 in which case the payment for such loss shall be made directly to Mortgagee. Any insurance proceeds under any of the Policies paid directly to Mortgagee in accordance with the terms hereof may, at the option of Mortgagee, be used in one or more of the following ways: (w) applied to the Indebtedness, whether such Indebtedness then be matured or unmatured (such application to be without prepayment fee or premium, except that if an Event of Default has occurred and remains uncured, then such application shall be subject to the applicable premium computed in accordance with the Note), (x) used to fulfill any of the covenants contained herein as Mortgagee may determine, (y) used to replace or restore the property to a condition satisfactory to Mortgagee, or (z) released to Mortgagor. Notwithstanding the foregoing, provided (1) not more than thirty percent (30%) of the gross area of the Improvements is directly affected by such damage, destruction or loss and the amount of the loss does not exceed ten percent (10%) of the original principal amount of the Loan, (2) no Event of Default has occurred hereunder, under the Note or under any of the other Loan Documents and remains uncured at the time of such application, (3) the insurer does not deny liability to any named insured, (4) intentionally deleted, (5) rental loss insurance is available and in force and effect to offset in full any abatement of rent to which any tenant may be entitled as a result of such damage, destruction or loss, (6) the remaining Improvements continue at all times to comply with all applicable building, zoning and other land use laws and regulations, (7) in Mortgagee's judgment, the Restoration is practicable and can be completed within six (6) months after the damage, destruction or loss and at least six (6) months prior to the Maturity Date (as such term is defined in the Note) and (8) rebuilding of the Improvements to substantially identical size, condition and use as existed prior to the casualty is permitted by all applicable laws and ordinances, then all of such proceeds shall be used for Restoration, any application of insurance proceeds to the Indebtedness shall be to the unpaid installments of principal due under the Note in the inverse order of their maturity, such that the regular payments under the Note shall not be reduced or altered in any manner. In the event (A) the above criteria are satisfied (including that no Event of Default has occurred and remains uncured hereunder, under the Note or other Loan Documents) or Mortgagee otherwise elects to allow the use of such proceeds for the Restoration and (B) the insurance proceeds under any of the Policies are paid directly to Mortgagee in accordance with the terms hereof, such proceeds shall be disbursed in accordance with the following provisions:

(i) Each request for an advance of insurance proceeds shall be made on seven (7) days prior notice to Mortgagee and shall be accompanied by a certificate of the Architect, if one be required under Section 3(d)(iii) above, otherwise by an executive officer or managing general partner or managing member of Mortgagor, stating (1) that all work completed to date has been performed in compliance with the approved plans and specifications and in accordance with all provisions of law, (2) the sum requested is properly required to reimburse Mortgagor for payments by Mortgagor to, or is properly due to, the contractor, subcontractors, materialmen, laborers, engineers, architects or other persons rendering services or materials for the Restoration (giving a brief description of such services and materials), and that when added to all sums, if any, previously disbursed by Mortgagee, does not exceed the value of the work done to the date of such certificate and (3) that the amount of such proceeds remaining in the hands of Mortgagee will be sufficient on completion of the work to pay the same in full (giving, in such reasonable detail as Mortgagee may require, an estimate of the cost of such completion).

(ii) Each request for an advance of insurance proceeds shall, to the extent permitted under applicable law, be accompanied by waivers of liens satisfactory to Mortgagee covering that part of the Restoration previously paid for, if any, and by a search prepared by a title company or by other evidence reasonably satisfactory to Mortgagee including without limitation a title endorsement satisfactory to Mortgagee if available in the state where the Real Property is located, that there has not been filed with respect to the Real Property any mechanic's lien or other lien or instrument and that there exist no encumbrances on or affecting the Real Property other than the Permitted Encumbrances or otherwise approved by Mortgagee. In addition to the foregoing, the request for the final advance shall be accompanied by (1) any final occupancy permit which may be required for the Improvements, (2) all other governmental permits, certificates and approvals and all other permits necessary for the occupancy and operation of the Real Property, (3) Tenant estoppels from tenants whose space was affected and (4) final lien waivers from all contractors, subcontractors and materialmen.

(iii) No advance of insurance proceeds shall be made if there exists an Event of Default under this Mortgage, the Note or any other Loan Document.

(iv) If the cost of the Restoration (as reasonably estimated by Mortgagee) at any time shall exceed the amount of the insurance proceeds available therefor, Mortgagee shall provide Mortgagor written notification thereof together with supporting documentation and insurance proceeds shall not be advanced until Mortgagor, before commencing the Restoration or continuing the Restoration, as the case may be, shall deposit the full amount of the deficiency (or other assurances reasonably satisfactory to Mortgagee) with Mortgagee and the amount so deposited shall first be applied toward the cost of the Restoration before any portion of the insurance proceeds is disbursed for such purpose.

Upon completion of the Restoration and payment in full therefor, or upon failure on the part of Mortgagor promptly to commence or diligently to continue the Restoration, or at any time upon request by Mortgagor, Mortgagee may apply the amount of any such proceeds then or thereafter in the hands of Mortgagee to the payment of the Indebtedness; provided, however, that nothing herein contained shall prevent Mortgagee from applying at any time the whole or any part of such proceeds to the curing of any default that has not been cured within the applicable cure period under this Mortgage, the Note or any other Loan Document.

(e) Insurance proceeds and any additional funds deposited by Mortgagor with Mortgagee shall constitute additional security for the Indebtedness. Mortgagor shall execute, deliver, file and/or record, at its expense, such documents and instruments as Mortgagee deems necessary or advisable to grant to Mortgagee a perfected, first priority security interest in the insurance proceeds and such additional funds. If Mortgagee elects to have the insurance proceeds applied to Restoration, (i) the insurance proceeds shall be, at Mortgagee's election, disbursed in installments by Mortgagee and (ii) all costs and expenses incurred by Mortgagee in connection with the Restoration, including, without limitation, reasonable counsel fees and costs, shall be paid by Mortgagor.

4. Payment of Taxes, Etc.

(a) Mortgagor shall pay all taxes, assessments, water rates and sewer rents, now or hereafter levied or assessed or imposed against the Property or any part thereof (the "Taxes") and all ground rents, maintenance charges, other governmental impositions, and other charges, including, without limitation, vault charges and license fees (collectively, "Other Charges") for the use of vaults, chutes and similar areas adjoining the Real Property, as the same become due and payable. Mortgagor will deliver to Mortgagee, promptly upon Mortgagee's request, evidence satisfactory to Mortgagee that the Taxes and Other Charges have been so paid and are not then delinquent. Mortgagor shall not suffer or permit any lien or charge (including, without limitation, any mechanic's lien) against all or any part of the Property and Mortgagor shall promptly cause to be paid and discharged any lien or charge whatsoever which may be or become a lien or charge against the Property. Mortgagor shall promptly pay for all utility services provided to the Property. In addition, Mortgagee may, at its option, retain the services of a firm to monitor the payment of Taxes, the cost of which shall be borne by Mortgagor.

(b) Notwithstanding the provisions of subsection (a) of this Section 4, Mortgagor shall have the right to contest in good faith the amount or validity of any such Taxes, liens or Other Charges (including, without limitation, tax liens and mechanics' liens) referred to in subsection (a) above by appropriate legal proceedings and in accordance with all applicable law, after notice to, but without cost or expense to, Mortgagee, provided that (i) no Event of Default under the Note or other Loan Documents has occurred and is continuing, (ii) Mortgagor pays such Taxes, liens or Other Charges as same become due and payable, unless Mortgagor delivers evidence satisfactory to Mortgagee that, as a result of Mortgagor's contest, Mortgagor's obligation to pay such Taxes, liens or Other Charges has been deferred by the appropriate governmental authority, in which event, Mortgagor may defer such payment of such Taxes, liens or Other Charges until the date specified by such governmental authority, (iii) such contest shall be promptly and diligently prosecuted by and at the expense of Mortgagor, (iv) Mortgagee shall not thereby suffer any civil penalty, or be subjected to any criminal penalties or sanctions, (v) such contest shall be discontinued and such Taxes, liens or Other Charges promptly paid if at any time all or any part of the Property shall be in imminent danger of being foreclosed, sold, forfeited or otherwise lost or if the title, lien and security interest created by this Mortgage or the priority thereof shall be in imminent danger of being impaired, (vi) Mortgagor shall have set aside adequate reserves (in Mortgagee's judgment) for the payment of such Taxes, liens or Other Charges, together with all interest and penalties thereon and (vii) Mortgagor shall have furnished such security as may be required in the proceeding or as may be requested by Mortgagee, to

insure the payment of any such Taxes, liens or Other Charges, together with all interest and penalties thereon.

(c) **Tax and Insurance Reserve.**

(i) **Tax and Insurance Escrow Account.** On the date hereof, from the proceeds of Loan, Mortgagor shall deposit with Mortgagee an amount equal to \$11,300.00.00 (the “**Initial Tax Deposit**”) on account of the Taxes (as hereinafter defined) next coming due and \$1,200.00 (the “**Initial Insurance Premiums Deposit**”) on account of the premiums for the Policies (“**Insurance Premiums**”) next coming due. Additionally, Mortgagor shall pay to Mortgagee on the date each regularly scheduled payment of interest is due (a) one-twelfth of the Taxes that Mortgagee reasonably estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Mortgagee sufficient funds to pay all such Taxes at least thirty (30) days prior to their respective due dates, and (b) one-twelfth of the Insurance Premiums that Mortgagee estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Mortgagee sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (the foregoing amounts so deposited with Mortgagee are hereinafter called the “**Tax and Insurance Escrow Funds**” and the account in which such amounts are held shall hereinafter be referred to as the “**Tax and Insurance Escrow Account**”).

(ii) **Disbursements from Tax and Insurance Escrow Funds.** Provided no Event of Default has occurred and is continuing, Mortgagee will apply the Tax and Insurance Escrow Funds to payments of Taxes and Insurance Premiums required to be made by Mortgagor pursuant to Sections 3 and 4 hereof. In making any payment relating to the Tax and Insurance Escrow Funds, Mortgagee may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Funds shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 3 and/or 4 hereof, Mortgagee shall, in its sole discretion, return any excess to Mortgagor or credit such excess against future payments to be made to the Tax and Insurance Escrow Funds. Any amount remaining in the Tax and Insurance Escrow Funds after the Indebtedness has been paid in full shall be returned to Mortgagor or credited against the aggregate payoff amount, as determined by Mortgagee. In allocating such excess, Mortgagee may deal with the Person shown on the records of Mortgagee to be the owner of the Property. If at any time Mortgagee reasonably determines that the Tax and Insurance Escrow Funds are not or will not be sufficient to pay Taxes and Insurance Premiums by the due dates thereof, Mortgagee shall notify Mortgagor of such determination and Mortgagor shall increase its monthly payments to Mortgagee by the amount that Mortgagee estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and/or thirty (30) days prior to expiration of the Policies, as the case may be.

(d) **Balance in the Tax and Insurance Escrow Account.** The insufficiency of any funds on deposit in the Tax and Insurance Escrow Account shall not relieve Mortgagor from the obligation to make any payments of Taxes of Insurance Premiums as and when due pursuant to the terms of this Agreement and the other Loan Documents, provided that Mortgagor receives

notice from Mortgagee of the amount of any deficiency in the Tax and Insurance Escrow Account.

5. Additional Reserves.

(a) Delta Interest Reserve.

(i) Sixty Thousand and 00/100 Dollars (\$60,000.00) of the Loan shall be funded on the date hereof to a reserve account controlled by Mortgagee (the "**Delta Interest Reserve**"), which funds shall be utilized by Mortgagee for application to monthly installments of Debt Service pursuant to the terms of this Agreement and for application to the monthly servicing fees payable pursuant to Section 66 of this Mortgage. On each Monthly Payment Date during the initial term of the Loan, Mortgagee shall disburse and apply (i) Five Thousand and 00/100 Dollars (\$5,000.00) from the Delta Interest Reserve to the monthly installment of Debt Service payable pursuant to the Note on such Monthly Payment Date (each such Installment, the "**Delta Interest Reserve Monthly Application Amount**") and (ii) One Thousand and 00/100 Dollars (\$1,000.00) from the Delta Interest Reserve in payment of the monthly servicing fee payable; for the avoidance of doubt, Mortgagor shall be responsible for the payment to Mortgagee of the amount by which the monthly debt service on the Loan exceeds the Delta Interest Reserve Monthly Application Amount. In the event that the Maturity Date is extended in accordance with Section 2.1.(c), then Mortgagor shall replenish the Delta Interest Reserve if required by Section 2.1.(c)(iv) of the Note from which Six Thousand and 0/100 Dollars (\$6,000.00) shall be utilized to pay the One Thousand and 00/100 Dollar (\$1,000.00) monthly servicing fee and the balance of the Delta Interest Reserve shall be divided in six (6) equal monthly installments and become the Delta Interest Reserve Monthly Application Amount during the Extension Term (as defined in the Note).

(ii) Mortgagor hereby pledges to Mortgagee, and grants a security interest in, any and all monies now or hereafter deposited in the Delta Interest Reserve as additional security for the payment of the Loan. The Delta Interest Reserve shall be held in Mortgagee's name and may be commingled with Mortgagee's own funds at financial institutions selected by Mortgagee in its reasonable discretion. During the continuance of an Event of Default, Mortgagee may apply any sums then present in the Delta Interest Reserve to the payment of the Indebtedness in any order in its sole discretion. Until expended or applied as above provided, the Delta Interest Reserve shall constitute additional security for the Loan. Mortgagee shall have no obligation to release any of the Delta Interest Reserve during the continuance of an Event of Default. In connection with a repayment of the Loan in full, the monies then remaining on deposit with Mortgagee under this Section 5(a) shall be applied as a credit against the outstanding principal balance of the Loan at the time of such repayment.

(iii) For the avoidance of doubt, from and after the date hereof, interest shall accrue on the entire amount of the Delta Interest Reserve at the Interest Rate (as defined in the Note) or Default Rate (as defined in the Note), as applicable, pursuant to the Note.

(b) Outstanding Property Taxes and Fees Reserve.

(i) Attached hereto as **Exhibit C** and incorporated herein is a schedule of outstanding real property taxes and fees pertaining to certain real property more particularly described on **Exhibit C** (collectively, the "**Outstanding Property Taxes and Fees**"). On the date hereof, Mortgagor shall deposit with Mortgagee the sum of One Hundred Twenty-Five

Thousand and No/100 Dollars (\$125,000.00), which sum shall be held by Mortgagee in a reserve account controlled by Mortgagee (the “**Outstanding Property Taxes and Fees Reserve**”), which funds shall be disbursed by Mortgagee to Mortgagor to pay the Outstanding Property Taxes and Fees in the manner provided in this Section 5(b). Funds in the Outstanding Property Taxes and Fees Reserve shall not bear or accrue interest in favor of Mortgagor.

(ii) Subject to the terms and conditions of this Agreement, the Outstanding Property Taxes and Fees Reserve shall be disbursed directly by Mortgagor to the party owed such monies to pay for the Outstanding Property Taxes and Fees listed on **Exhibit C** within ten (10) business days after Mortgagor provides written notice to Mortgagee requesting payment. Each request for payment shall at the minimum include the name, address, telephone number and claim number of the payee and be accompanied by such documentation evidencing the payment as may be required by Mortgagee in the exercise of its absolute discretion. All costs, fees and expenses incurred by Mortgagee in connection with setting up and administering the Outstanding Property Taxes and Fees Reserve together with all costs, fees and expenses incurred by Mortgagee in connection with any such disbursement made by Mortgagee shall be the sole responsibility of Mortgagor and shall be paid promptly upon receipt of an invoice from Mortgagee.

(iii) Mortgagor hereby pledges to Mortgagee, and grants a security interest in, any and all monies now or hereafter deposited in the Outstanding Property Taxes and Fees Reserve as additional security for the payment of the Loan subject to the limitations on application set forth in this Section 5(b)(iii). The Outstanding Property Taxes and Fees Reserve shall be held in a separate reserve account maintained and controlled by Mortgagee at financial institutions selected by Mortgagee in its reasonable discretion. The monies in the Outstanding Property Taxes and Fees Reserve shall not be commingled with Mortgagee’s own funds. Solely in the event that Mortgagor files bankruptcy or an involuntary bankruptcy action is filed against Mortgagor, Mortgagee shall have the right to apply any sums then present in the Outstanding Property Taxes and Fees Reserve to the Indebtedness in any order in its sole discretion. Except as provided in the immediately preceding sentence, Mortgagee shall not apply any sums present in the Outstanding Property Taxes and Fees Reserve to the Indebtedness in the case an Event of Default occurs under any of the Loan Documents. Unless expended or applied as above provided, the Outstanding Property Taxes and Fees Reserve shall constitute additional security for the Loan subject to the limitation on application set forth in this Section 5(b)(iii). Mortgagee shall have no obligation to release any of the Outstanding Property Taxes and Fees Reserve during the continuance of an Event of Default. In the event that during the term of the Loan (but prior to the repayment of the Loan in full by Mortgagor) Mortgagor pays in full, settles or otherwise causes the full, complete and permanent release of record, as confirmed by Mortgagee in the exercise of its absolute discretion, of all claims, taxes and liens (including all applicable costs, fees and expenses) applicable to the Outstanding Property Taxes and Fees, upon written request from Mortgagor to Mortgagee, Mortgagee shall disburse to Mortgagor the then remaining balance, if any, in the Outstanding Property Taxes and Fees Reserve. In addition, in connection with a repayment of the Loan in full by the Mortgagor, the monies then remaining on deposit with Mortgagee under this Section 5(b), if any, shall be, at Mortgagor's option, either applied as a credit against the outstanding principal balance of the Loan at the time of such repayment or disbursed to Mortgagor.

6. Condemnation. Mortgagor shall promptly give Mortgagee written notice of the actual or threatened commencement of any condemnation or eminent domain proceeding and shall deliver to Mortgagee copies of any and all papers served in connection with such proceedings. Following the occurrence of a condemnation, Mortgagor, regardless of whether an award is available, shall promptly proceed to restore, repair, replace or rebuild the Improvements to the extent practicable to be of at least equal value and of substantially the same character as prior to such condemnation, all to be effected in accordance with applicable law. Notwithstanding any taking by any public or quasi-public authority through eminent domain or otherwise (including but not limited to any transfer made in lieu of or in anticipation of the exercise of such taking), Mortgagor shall continue to pay the Indebtedness at the time and in the manner provided for its payment in the Note, in this Mortgage and the other Loan Documents and the Indebtedness shall not be reduced until any award or payment therefor shall have been actually received after expenses of collection and applied by Mortgagee to the discharge of the Indebtedness. Mortgagor shall cause the award or payment made in any condemnation or eminent domain proceeding, which is payable to Mortgagor, to be paid directly to Mortgagee. Mortgagee may, at Mortgagee's election, use the award in any one or more of the following ways: (a) apply any such award or payment (for purposes of this Section 6, the award or payment that may be made in any condemnation or eminent domain proceeding shall mean the entire award allocated to Mortgagor in any capacity) to the discharge of the Indebtedness whether or not then due and payable (such application to be without prepayment fee or premium, except that if an Event of Default, or an event which with notice and/or the passage of time, or both, would constitute an Event of Default, has occurred, then such application shall be subject to the applicable premium computed in accordance with the Note), (b) use the same or any part thereof to fulfill any of the covenants contained herein as Mortgagee may determine, (c) use the same or any part thereof to replace or restore the Property to a condition satisfactory to Mortgagee, or (d) release the same to Mortgagor. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Mortgagee of such award or payment, Mortgagee shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive said award or payment or a portion thereof sufficient to pay the Indebtedness.

Mortgagor hereby specifically, unconditionally and irrevocably waives all rights of a property owner granted under Illinois law which provides for allocation of condemnation proceeds between a property owner and a lienholder, and any other law, including case law, or successor statute of similar import.

7. Leases and Rents.

(a) Upon the occurrence and during the continuance of an Event of Default, Mortgagor does hereby absolutely and unconditionally assign to Mortgagee its right, title and interest in all current and future Leases and Rents and all proceeds from the sale, cancellation, surrender or other disposition of the Leases. Such assignment to Mortgagee shall not be construed to bind Mortgagee to the performance of any of the covenants, conditions or provisions contained in any such Lease or otherwise to impose any obligation upon Mortgagee. Mortgagor agrees to execute and deliver to Mortgagee such additional instruments in form and substance satisfactory to Mortgagee, as may hereafter be requested by Mortgagee to further evidence and confirm such assignment. Mortgagor shall hold the Rents, or a portion thereof sufficient to discharge all current sums due on the Indebtedness, in trust for the benefit of

Mortgagee for use in the payment of such sums. Upon and during the occurrence of an Event of Default, Mortgagee shall immediately be entitled to possession of all Rents, whether or not Mortgagee enters upon or takes control of the Property, provided that any such entry shall be made by Mortgagee in compliance with all applicable laws. Upon the occurrence and during the continuance of an Event of Default, Mortgagee is hereby granted and assigned by Mortgagor the right, at its option, to enter upon the Property in person, by agent or by court-appointed receiver to collect the Rents (provided that such entry shall be made in compliance with all applicable laws). Any Rents collected by or on behalf of Mortgagee during the continuance of an Event of Default may be applied toward payment of the Indebtedness in such priority and proportion as Mortgagee in its discretion shall deem proper.

(b) All Leases executed after the date of this Mortgage shall provide that they are subordinate to this Mortgage and that the lessee agrees to attorn to Mortgagee; provided, however, that nothing herein shall affect Mortgagee's right to designate from time to time any one or more Leases as being superior to this Mortgage and Mortgagor shall execute and deliver to Mortgagee and shall cause to be executed and delivered to Mortgagee from each tenant under such Lease any instrument or agreement as Mortgagee may deem necessary to make such Lease superior to this Mortgage. Upon request, Mortgagor shall promptly furnish Mortgagee with executed copies of all Leases.

(c) So long as there shall exist no Event of Default which shall be continuing under the Loan, Mortgagor may (i) enter into individual apartment leases in the ordinary course of business and without the prior consent of Mortgagee, provided (aa) such lease is on a form approved by Mortgagee in writing, (bb) the rental rate and other concessions, if any, are at or above market rates, (cc) the term of such lease is not more than twelve (12) months, (dd) not more than one (1) apartment unit is rented to the same occupant, and (ee) the tenant is not an affiliate of Mortgagor, (ii) terminate any individual apartment lease in the ordinary course of business after the default of the tenant thereunder, and (ii) amend any individual apartment lease provided that conditions (bb), (cc) and (ee) in clause (i) above are satisfied. Except as otherwise expressly provided in the previous sentence, Mortgagor shall not, without the prior consent of Mortgagee, (I) lease all or any part of the Property, (II) alter or change the terms of any Lease or cancel or terminate, abridge or otherwise modify the terms of any Lease, (III) consent to any assignment of or subletting under any Lease not in accordance with its terms, (IV) cancel, terminate, abridge or otherwise modify any guaranty of any Lease or the terms thereof, (V) collect or accept prepayments of installments of Rents for a period of more than one (1) month in advance or (VI) further assign the whole or any part of the Leases or the Rents.

(d) With respect to each Lease, Mortgagor shall (i) observe and perform each and every provision thereof on the lessor's part to be fulfilled or performed under each Lease and not do or permit to be done anything to impair the value of the Lease as security for the Loan, including surrender or voluntary termination of any Lease, (ii) promptly send to Mortgagee copies of all notices of default which Mortgagor shall send or receive thereunder, (iii) enforce all of the terms, covenants and conditions contained in such Lease upon the lessee's part to be performed, short of termination thereof, (iv) execute and deliver, at the request of Mortgagee, all such further assurances, confirmations and assignments in connection with the Property as Mortgagee shall, from time to time, require and (v) upon request, furnish Mortgagee with executed copies of all Leases. Upon the occurrence of any Event of Default under this

Mortgage, Mortgagor shall pay monthly in advance to Mortgagee, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of the Property or part of the Property as may be occupied by Mortgagor or any one Mortgagee and upon default in any such payment Mortgagor shall vacate and surrender possession of the Property to Mortgagee or to such receiver and, in default thereof, Mortgagor may be evicted by summary proceedings or otherwise.

(e) All security deposits of tenants, whether held in cash or any other form, shall not be commingled with any other funds of Mortgagor and, if cash, shall (i) be deposited by Mortgagor at such commercial or savings bank or banks as may be reasonably satisfactory to Mortgagee. Any bond or other instrument which Mortgagor is permitted to hold in lieu of cash security deposits under any applicable legal requirements shall be maintained in full force and effect in the full amount of such deposits unless replaced by cash deposits as hereinabove described, shall be issued by an institution reasonably satisfactory to Mortgagee, (ii) if permitted pursuant to any legal requirements, name Mortgagee as payee or Mortgagee thereunder (or at Mortgagee's option, be fully assignable to Mortgagee) and (iii) in all respects, comply with any applicable legal requirements and otherwise be reasonably satisfactory to Mortgagee. Mortgagor shall, upon request, provide Mortgagee with evidence reasonably satisfactory to Mortgagee of Mortgagor's compliance with the foregoing. Following the occurrence and during the continuance of any Event of Default, Mortgagor shall, upon Mortgagee's request, if permitted by any applicable legal requirements, turn over to Mortgagee the security deposits (and any interest theretofore earned thereon) with respect to all or any portion of the Property, to be held by Mortgagee subject to the terms of the Leases.

8. Maintenance and Use of Property. Mortgagor shall, at its sole cost and expense, keep and maintain the Property, including, without limitation, parking lots and recreational and landscaped portions thereof, if any, in good order and condition. The Improvements and the Equipment shall not be diminished, removed, demolished or materially altered (except for normal replacement of Equipment) and Mortgagor shall not erect any new buildings, structures or building additions on the Property without the prior consent of Mortgagee. So long as no Event of Default shall have occurred and be continuing, Mortgagor shall have the right at any time and from time to time after providing Mortgagee with written notice to make or cause to be made reasonable alterations of and additions to the Property or any part thereof, provided that any alteration or addition (a) shall not change the general character of the Property or reduce the fair market value thereof below its value immediately before such alteration or addition, or impair the usefulness of the Property, (b) is effected with due diligence, in a good and workmanlike manner and in compliance with all applicable laws and with all provisions of any insurance policy covering or applicable to the Property and all requirements of the issuers thereof, (c) is promptly and fully paid for, or caused to be paid for, by Mortgagor, (d) the estimated cost of such alteration or addition does not exceed five percent (5%) of the original principal amount of the Loan, (e) is made under the supervision of a qualified architect or engineer, (f) shall not violate the terms of any Leases, and (g) upon completion, Mortgagor shall provide Mortgagee with (aa) a satisfactory final improvement survey if the footprint of the building has been altered, (bb) any final occupancy permit which may be required for the Improvements, (cc) all other governmental permits, certificates and approvals and all other permits, certificates and approvals of fire underwriters which are required with respect to the alterations and additions and the use and occupancy thereof, and shall furnish true copies thereof

to Mortgagee, and (dd) final lien waivers from all contractors, subcontractors and materialmen. Mortgagor shall promptly comply with all laws, orders and ordinances affecting the Property, or the use thereof, provided, however, that nothing in the foregoing clause shall require Mortgagor to comply with any such law, order or ordinance so long as Mortgagor shall in good faith, after notice to, but without cost or expense to, Mortgagee, contest the validity of such law, order or ordinance by appropriate legal proceedings and in accordance with all applicable law, which proceedings must operate to prevent (i) the enforcement thereof, (ii) the payment of any fine, charge or penalty, (iii) the sale or forfeiture of the Property or any part thereof, (iv) the lien of this Mortgage and the priority thereof from being impaired, (v) the imposition of criminal liability on Mortgagee and (vi) the imposition, unless stayed, of civil liability on Mortgagee; provided that during such contest Mortgagor shall, at the option of Mortgagee, provide cash, bonds or other security satisfactory to Mortgagee, indemnifying and protecting Mortgagee against any liability, loss or injury by reason of such non-compliance or contest, and provided further, that such contest shall be promptly and diligently prosecuted by and at the expense of Mortgagor. Mortgagor shall promptly, at its sole cost and expense, repair, replace or rebuild any part of the Property which may be destroyed by any casualty, or become damaged, worn or dilapidated. Mortgagor shall not commit any waste at the Property. Mortgagor shall not initiate, join in, acquiesce in or consent to any change in any private restrictive covenant, zoning law or other public or private restriction, limiting or defining the uses which may be made of the Property or any part thereof. If under applicable zoning provisions the use of all or any portion of the Property is or shall become a nonconforming use, Mortgagor will not cause or permit such nonconforming use to be discontinued or abandoned without the express consent of Mortgagee. Mortgagor covenants and agrees that it shall operate the Property as a multi-family apartment property.

9. Transfer or Encumbrance of the Property or Interests in Mortgagor; Other Indebtedness.

(a) Mortgagor acknowledges that Mortgagee has examined and relied on the creditworthiness and experience of Mortgagor in owning and operating properties such as the Property in agreeing to make the Loan, and that Mortgagee will continue to rely on Mortgagor's ownership of the Property as a means of maintaining the value of the Property as security for repayment of the Indebtedness. Mortgagor acknowledges that Mortgagee has a valid interest in maintaining the value of the Property so as to ensure that, should Mortgagor default in the repayment of the Indebtedness, Mortgagee can recover the Indebtedness by a sale of the Property. Mortgagor shall not, without the prior written consent of Mortgagee, sell, convey, alienate, mortgage, encumber, pledge or otherwise transfer in trust or otherwise the Property or any part thereof or interest therein or in Mortgagor, or permit the Property or any part thereof or any interest in Mortgagor to be sold, conveyed, alienated, deeded, encumbered, pledged or otherwise transferred.

(b) A sale, conveyance, alienation, deed, encumbrance, pledge or transfer within the meaning of this Section 9 shall be deemed to include (i) an installment sales agreement wherein Mortgagor agrees to sell the Property or any part thereof for a price to be paid in installments, (ii) an agreement by Mortgagor leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Mortgagor's right, title and interest in and

to any Leases or any Rents, (iii) if Mortgagor, any guarantor, any indemnitor of environmental liabilities or any general partner or managing member of Mortgagor or of any such guarantor or indemnitor is a corporation, the voluntary or involuntary sale, assignment, conveyance or transfer of such corporation's stock (or the stock of any corporation directly or indirectly controlling such corporation by operation of law or otherwise) or the creation or issuance of new stock in one or a series of transactions by which an aggregate of more than ten percent (10%) of such corporation's stock shall be vested in a party or parties who are not now stockholders or any change in the control of such corporation, (iv) if Mortgagor, any guarantor, any indemnitor of environmental liabilities or any general partner or managing member of Mortgagor or any such guarantor or indemnitor is a limited or general partnership, joint venture or limited liability company, the change, removal, resignation or addition of a general partner, managing partner, manager, limited partner, joint venturer or member or the transfer of the partnership interest of any general partner, managing partner or limited partner or the transfer of the interest of any joint venturer or member, and (v) if Mortgagor, any guarantor or any indemnitor of environmental liabilities is an entity, whether one of the above-mentioned entities or not, any change in the ownership or control of such entity, any merger, consolidation or dissolution or syndication affecting such entity, or the transfer, sale, assignment or pledge of any interest in such entity or in any person, directory or indirectly, controlling such entity or in any general partner or managing member thereof, whether at one time or in a series of related transactions.

(c) Notwithstanding anything to the contrary contained in this Section 9 or any other Section of this Mortgage, the following transfers shall be deemed to be permitted hereunder without the consent of Mortgagee: One or more transfers of interests in Mortgagor by the holder of an interest in Mortgagor to a trust or other estate planning vehicle established for the benefit of an Immediate Family Member of such holder; provided, however, that (i) no such transfer shall result in a change of control of Mortgagor, (ii) Mortgagor shall give Mortgagee written notice of such transfer promptly following the consummation of such transfer, together with copies of the relevant transfer documentation, and (iii) the single purpose nature and bankruptcy remoteness of Mortgagor after such Transfer shall remain in accordance with the requirements of this Mortgage, and (D) nothing contained in the foregoing provisions of this Section 9(c) shall limit or negate the provisions of Section 20(I) of this Deed of Trust. As used herein, "**Immediate Family Member**" shall mean a sibling, spouse, child, step-child, grandchild and great-grandchild of an interest holder in Mortgagor.

(d) Mortgagee shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Indebtedness immediately due and payable upon Mortgagor's sale, conveyance, alienation, deed, encumbrance, pledge or transfer of the Property without Mortgagee's consent. This provision shall apply to every sale, conveyance, alienation, deed, encumbrance, pledge or transfer in trust or otherwise of the Property regardless of whether voluntary or not, or whether or not Mortgagee has consented to any previous sale, conveyance, alienation, deed, encumbrance, pledge or transfer of the Property.

(e) Mortgagee's consent to a sale, conveyance, alienation, deed, encumbrance, pledge or transfer in trust or otherwise of the Property shall not be deemed to be a waiver of Mortgagee's right to require such consent to any future occurrence of same. Any sale, conveyance, alienation, deed, encumbrance, pledge or transfer in trust or otherwise of the

Property made in contravention of this Section 9 shall be null and void and of no force and effect.

(f) Mortgagor agrees to bear and shall pay or reimburse Mortgagee on demand for all reasonable expenses (including, without limitation, reasonable attorneys' fees and disbursements, title search costs and title insurance endorsement premiums) incurred by Mortgagee in connection with the review, approval and documentation of any such sale, conveyance, alienation, deed, encumbrance, pledge or transfer in trust or otherwise.

(g) Notwithstanding anything to the contrary contained in this Section 9 or any other Section of this Mortgage, transfers of passive, non-managing membership interests in SSPH HOLDCO 1 LLC, a Delaware limited liability company ("**Sole Member**"), shall be permitted without the consent of Lender, provided that (i) in no event shall such transfers exceed eighty (80%) of the total membership interests in Sole Member, (ii) Jerome H. Cohen ("**Cohen**") shall remain the Managing Member of Sole Member, and by virtue of such position, shall continue to control the business and affairs of Sole Member and Borrower, (iii) Cohen shall at all times continue to own at least twenty percent (20%) of the total membership interests in Sole Member, (iv) Lender shall be given notice of any such transfer at least ten (10) days prior to the date of such transfer, and, if requested by Lender, Borrower shall promptly provide an updated organizational chart of Borrower reflecting such transfer, and (v) if, as a result of any such transfers (considered both individually and in aggregate with all other transfers), any transferee's direct or indirect ownership interest in Borrower equals or exceeds 20%, the transferee shall be subject to Lender's customary AML/KYC searches and verifications.

10. Estoppel Certificates; Subordination.

(a) Estoppel Certificates. Mortgagor, within ten (10) business days after request by Mortgagee, shall furnish Mortgagee from time to time with a statement, duly acknowledged and certified, setting forth (i) the amount of the original principal amount of the Note, (ii) the unpaid principal amount of the Note, (iii) the rate of interest in the Note, (iv) the date through which all installments of interest, commitment fees and/or principal have been paid, (v) any offsets or defenses to the payment of the Indebtedness, if any, (vi) that the Note and this Mortgage have not been modified or if modified giving particulars of such modification and (vii) such other information as shall be requested by Mortgagee. Within thirty (30) days following Mortgagee's request for the same, Mortgagor shall use commercially reasonable efforts to provide Mortgagee with estoppel certificates from any tenants under then existing Leases, which certificates shall be in form and substance as required by such Leases, or if no particular form or substance is specified, then in form and substance reasonably satisfactory to Mortgagee.

(b) Intentionally Omitted.

11. No Cooperative or Condominium. Mortgagor represents and warrants that the Property has not been subjected to a cooperative or condominium form of ownership. Mortgagor hereby covenants and agrees that it will not file a declaration of condominium, map or any other document having the effect of subjecting the Property to a condominium or cooperative form of ownership. To the extent that the Declaration (as defined below) could be construed as creating

a cooperative or condominium form of ownership, the foregoing representations and warranties shall be deemed to reference the Declaration as an exception to such representations and warranties.

12. Changes in the Laws Regarding Taxation. If any law is enacted or adopted or amended after the date of this Mortgage which deducts the Indebtedness or any portion thereof from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the principal amount of the Note or Mortgagee's interest in the Property, Mortgagor will pay such tax, with interest and penalties thereon, if any. In the event Mortgagee is advised by counsel chosen by it that the payment of such tax or interest and penalties by Mortgagor would be unlawful or taxable to Mortgagee or unenforceable or provide the basis for a defense of usury, then in any such event, Mortgagee shall have the option, by notice of not less than sixty (60) days, to declare the Indebtedness immediately due and payable without prepayment fee or premium, except that if an Event of Default, or an event which with notice and/or the passage of time, or both, would constitute an Event of Default, has occurred, the applicable premium computed in accordance with the Note shall apply.

13. No Credits on Account of the Indebtedness. Mortgagor will not claim or demand or be entitled to any credit or credits on account of the Indebtedness for any part of the Taxes assessed against the Property or any part thereof and no deduction shall otherwise be made or claimed from the taxable value of the Property, or any part thereof, by reason of this Mortgage or the Indebtedness. In the event such claim, credit or deduction shall be required by law, Mortgagee shall have the option, by notice of not less than sixty (60) days, to declare the Indebtedness immediately due and payable without prepayment fee or premium, except that if an Event of Default, or an event which with notice and/or the passage of time, or both, would constitute an Event of Default, has occurred, the applicable premium computed in accordance with the Note shall apply.

14. Documentary Stamps. If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note or this Mortgage, or impose any other tax or charge on the same, Mortgagor will pay for the same, with interest and penalties thereon, if any.

15. Right of Entry. Mortgagee and its agents shall have the right to enter and inspect the Property at any time during reasonable business hours upon forty-eight (48) hour notice to Mortgagor, except in the case of an emergency, in which event Mortgagee and its agents may enter and inspect the Property at any time. Any such entry and inspection shall be made by Mortgagee and its agents in compliance with applicable laws and in such manner as to minimize disruption of the ordinary operations of the businesses of tenants of the Property.

16. Books and Records.

(a) Mortgagor will maintain full, accurate, separate and complete books of accounts and other records reflecting the results of the operations of the Property as well as its other operations and will furnish, or cause to be furnished, to Mortgagee the following:

(i) within forty-five (45) days after the end of each fiscal year, Mortgagor will furnish to Mortgagee, a statement of Mortgagor's financial condition, including a balance sheet and profit and loss statement for the Property, and a statement of annual income and expenses for the Property reasonably satisfactory in form and substance to Mortgagee with respect to the operation of the Property, in detail reasonably satisfactory to Mortgagee, prepared and certified as true and correct in all material respects by the financial officer of Mortgagor who is responsible for the preparation of such annual financial statements (which certification shall be on behalf of Mortgagor and not such financial officer individually), and, in addition, within fifteen (15) days after the end of each calendar month, Mortgagor shall provide the above information and statements for the Property prepared and certified as true and correct in all material respects by the financial officer of Mortgagor who is responsible for the preparation of such annual financial statements.

(ii) within fifteen (15) days after the end of each calendar month, Mortgagor will furnish to Mortgagee, (i) a certified current rent roll for the Property, which shall include, among other things, tenant names, lease commencement and expiration dates, monthly rent, and any and all other fees paid by tenants and security deposits currently held, (ii) an aged schedule of delinquent accounts receivable by tenant and type of charge for the Property, (iii) a copy of the general ledger maintained by Mortgagor's property manager and (iv) bank statements for the operating account for the Property showing all deposits and disbursements (which operating account shall be a separate account solely for Property operations which is maintained by Mortgagor or Mortgagor's property manager for the benefit of Mortgagor).

(iii) within forty-five (45) days after each calendar quarter, a balance sheet and contingent liabilities report for Guarantor dated as of the end of such quarter, certified as true and correct in all material respects by Guarantor.

(b) In the event that Mortgagor delivers an Extension Notice pursuant to the Note, then promptly thereafter, Mortgagor shall submit to Mortgagee for its approval an operating budget, including all planned capital expenditures, for the Property prepared by Mortgagor for the twelve (12) month period commencing on the initial Maturity Date, which approval shall not be unreasonably withheld, conditioned or delayed.

(c) Mortgagor shall deliver to Mortgagee such additional information regarding Mortgagor, its business, and the Property as Mortgagee may reasonably request within ten (10) business days after Mortgagee's request therefor. Mortgagor shall permit Mortgagee to examine such records, books and papers of Mortgagor which reflect upon its financial condition and the income and expenses of the Property.

(d) If Mortgagor fails to provide to Mortgagee or its designee any of the financial statements, certificates, reports or information (the "**Required Records**") required by this Section 16 within the applicable time periods set forth in this Section 16, Mortgagor shall pay to Mortgagee, at Mortgagee's option and in its discretion, an amount equal to Two Thousand Five Hundred Dollars (\$2,500) for each Required Record that is not delivered within twenty (20) days after written notice thereof. In addition, if Mortgagor fails to deliver any Required Records to Mortgagee within the applicable time periods set forth in this Section 16, Mortgagee shall

have the option, upon fifteen (15) days' notice to Mortgagor, to gain access to Mortgagor's books and records and prepare or have prepared at Mortgagor's expense, any Required Records not delivered by Mortgagor. In addition, it shall be an Event of Default if any of the following shall occur: (i) any failure of Mortgagor to provide to Mortgagee any of the Required Records within the applicable time periods set forth in this Section 16, if such failure continues for twenty (20) days after written notice thereof, or (ii) in the event any Required Records shall be materially inaccurate or materially false, or (iii) in the event of the failure of Mortgagor to permit Mortgagee or its representatives to inspect said books, records and accounts upon request of Mortgagee as required by this Section 16.

17. Performance of Other Agreements. Mortgagor shall observe and perform each and every term to be observed or performed by Mortgagor pursuant to the terms of any agreement or recorded instrument affecting or pertaining to the Property.

18. Representations and Covenants Concerning Loan. Mortgagor represents, warrants and covenants as follows:

(a) The Note, this Mortgage and the other Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense, including the defense of usury, nor would the operation of any of the terms of the Note, this Mortgage and the other Loan Documents, or the exercise of any right thereunder, render this Mortgage unenforceable, in whole or in part, or subject to any right of rescission, set-off, counterclaim or defense, including the defense of usury.

(b) All certifications, permits, licenses and approvals, including, without limitation, certificates of completion and occupancy permits required for the legal use, occupancy of the Property, have been obtained and are in full force and effect. The Property is free of material damage and is in good repair, and there is no proceeding pending for the total or partial condemnation of, or affecting, the Property.

(c) All of the Improvements which were included in determining the appraised value of the Property lie wholly within the boundaries and building restriction lines of the Property, and no improvements on adjoining properties encroach upon the Property, and no easements or other encumbrances upon the Land encroach upon any of the Improvements, so as to affect the value or marketability of the Property except those which are insured against by title insurance. All of the Improvements comply with all requirements of applicable zoning and subdivision laws and ordinances in all material respects.

(d) The Property is not subject to any Leases other than the Leases described in the rent roll delivered to Mortgagee in connection with this Mortgage. No person has any possessory interest in the Property or right to occupy the same except under and pursuant to the provisions of the Leases. Except as otherwise disclosed in writing to Mortgagee, the current Leases are in full force and effect and there are no defaults thereunder by either party and there are no conditions that, with the passage of time or the giving of notice, or both, would constitute defaults thereunder. Except as otherwise disclosed in writing to Mortgagee, all presently existing Leases are subordinate to the Mortgage.

(e) The Property and the Leases are in compliance with all statutes, ordinances, regulations and other governmental or quasi-governmental requirements and private covenants now or hereafter relating to the ownership, construction, use or operation of the Property.

(f) There has not been and shall never be committed by Mortgagor or any other person in occupancy of or involved with the operation or use of the Property any act or omission affording the federal government or any state or local government the right of forfeiture as against the Property or any part thereof or any monies paid in performance of Mortgagor's obligations under any of the Loan Documents. Mortgagor hereby covenants and agrees not to commit, permit or suffer to exist any act or omission affording such right of forfeiture.

(g) All information submitted by Mortgagor to Mortgagee including, but not limited to, all financial statements, rent rolls, reports, certificates and other documents submitted in connection with the Loan or in satisfaction of the terms thereof and all statements of fact made by Mortgagor in this Mortgage or in any other Loan Document, are accurate, complete and correct in all material respects. There has been no material adverse change in any condition, fact, circumstance or event that would make any such information inaccurate, incomplete or otherwise misleading in any material respect or that otherwise materially and adversely affects or might materially and adversely affect the use, operation or value of the Property or the business operations and/or the financial condition of Mortgagor or Guarantor. Mortgagor and Guarantor have disclosed to Mortgagee all material facts and have not failed to disclose any material fact that could cause any information provided by or on behalf of Mortgagor to Mortgagee or representation or warranty made herein or in the other Loan Documents to be materially misleading.

(h) Improper Financial Transactions.

(i) Mortgagor is, and shall remain at all times, in full compliance with all applicable laws and regulations of the United States of America that prohibit, regulate or restrict financial transactions, and any amendments or successors thereto and any applicable regulations promulgated thereunder (collectively, the "**Financial Control Laws**"), including but not limited to those related to money laundering offenses and related compliance and reporting requirements (including any money laundering offenses prohibited under the Money Laundering Control Act, 18 U.S.C. Sections 1956 and 1957 and the Bank Secrecy Act, 31 U.S.C. Sections 5311 et seq.) and the Foreign Assets Control Regulations, 31 C.F.R. Section 500 et seq.

including without limitation any (A) sale, transfer, assignment of the Property or of any direct or indirect ownership interest in Mortgagor, (B) leasing of the Property, or any portion thereof, or (C) incurring of additional financing secured by Property, or any portion thereof, or by any direct or indirect ownership interest in Mortgagor, Mortgagee shall have the right to withhold such approval or consent, in its sole discretion, if the granting of such approval or consent could be construed as a violation of any of the Financial Control Laws.

(v) Mortgagor covenants and agrees that it will upon request provide Mortgagee with (or cooperate with Mortgagee in obtaining) information required by Mortgagee for purposes of complying with any Financial Control Laws.

As used in this Mortgage, the term “**Barred Person**” shall mean (A) any person, group or entity named as a “Specially Designated National and Blocked Person” or as a person who commits, threatens to commit, supports, or is associated with terrorism as designated by the United States Department of the Treasury’s Office of Foreign Assets Control (“**OFAC**”), (B) any person, group or entity named in the lists maintained by the United States Department of Commerce (Denied Persons and Entities), (C) any government or citizen of any country that is subject to a United States Embargo identified in regulations promulgated by OFAC and (D) any person, group or entity named as a denied or blocked person or terrorist in any other list maintained by any agency of the United States government.

(v) Mortgagor has not incurred and will not incur any indebtedness, secured or unsecured, other than (a) the Loan and incidental costs and expenses associated therewith, (b) indebtedness incurred in the ordinary course of business to vendors and suppliers of services to the Property (not more than thirty (30) days past due), and (c) non-delinquent property taxes and assessments.

(vi) Mortgagor has not made and will not make any loans or advances to any person or entity and shall not acquire obligations or securities of an affiliate.

(vii) Mortgagor intends to remain solvent and Mortgagor will pay its debts and liabilities (including, as applicable, shared personnel and overhead expenses) from its assets as the same shall become due, provided that this covenant shall not require any capital contribution obligation by any direct or indirect partner, member or shareholder of Mortgagor.

(viii) Mortgagor has done or caused to be done and will do all things necessary to observe organizational formalities and preserve its existence, and Mortgagor will not amend, modify or otherwise change the partnership certificate, partnership agreement, articles of incorporation and bylaws, operating agreement, trust or other organizational documents of Mortgagor without the written consent of Mortgagee.

Mortgagor shall maintain its books, records, resolutions and agreements as official records.

(x) Mortgagor will be, and at all times will hold itself out to the public as, a legal entity separate and distinct from any other person or entity, shall correct any known misunderstanding regarding its status as a separate entity, shall conduct business in its own name and shall not identify itself or any of its affiliates as a division or part of the other.

(xi) Mortgagor will maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations, provided that this covenant shall not require any capital contribution obligation by any direct or indirect partner, member or shareholder of Mortgagor.

(xii) Neither Mortgagor nor any direct or indirect partner, member or shareholder of Mortgagor will seek the dissolution, winding up, liquidation, consolidation or merger, in whole or in part, or the sale of material assets of Mortgagor.

(xiii) Mortgagor will not participate in a cash management system with any person other than Mortgagee pursuant to the cash management system for the extension term of the Loan as set forth in the Loan Documents.

(xiv) Mortgagor will not commingle its assets with those of any other person and will hold all of its assets in its own name.

(xv) Mortgagor will not guarantee or become obligated for the debts of any other person and does not and will not hold itself out as being responsible for the debts or obligations of any other person.

(xvi) Mortgagor shall not pledge its assets for the benefit of any other person, other than with respect to the Loan.

(xvii) Without the unanimous consent of each of Mortgagor's members, partners or shareholders, as applicable, Mortgagor shall not file a petition for relief under the Bankruptcy Code, or under any other present or future state of federal law regarding bankruptcy, reorganization or other debtor relief law.

19. Intentionally Omitted.

20. Events of Default; Remedies. Each of the following events shall constitute an "Event of Default" hereunder:

(a) In the event of the occurrence of any of the Events of Default described in Section 5.1 of the Note;

(b) if any Taxes payable directly to the billing authority by Mortgagor are not paid before interest becomes payable on the amount due or a penalty is assessed (provided that the foregoing provisions of this clause (b) shall be subject to the right to contest Taxes granted to Mortgagor in Section 4(b) of this Mortgage, but only for so long as the conditions in Section 4(b) of this Mortgage remain satisfied);

(c) if the Policies are not kept in full force and effect and are not delivered to Mortgagee when required hereunder, or if the Policies are not delivered to Mortgagee within ten (10) days after request by Mortgagee;

(d) if any of the provisions of Sections 7, 9, 16 or 39 herein are violated or not complied with in any material respect;

(e) if any of the events described in Section 41 shall occur;

(f) if any mortgagee (or beneficiary) under a mortgage (or deed of trust) on the Property, whether superior or subordinate to this Mortgage (i) demands payment in full or otherwise accelerates any indebtedness of Mortgagor or (ii) otherwise commences the exercise of any remedy available to such party under any such mortgage (or deed of trust) or other loan document related to such mortgage (or deed of trust);

(g) if Mortgagor fails to cure any violation of any law or ordinance affecting the Property within thirty (30) days following the date that Mortgagor first becomes aware of such violation, subject to such additional reasonable period of time as is necessary to effectuate such cure (provided that the foregoing provisions of this clause (g) shall be subject to any right to contest such violation specifically granted to Mortgagor in Section 8 of this Mortgage);

(h) if any guaranty of the Indebtedness or any portion thereof (herein called a "Guaranty") is terminated or any event or condition occurs which, in the sole judgment of Mortgagee, may impair the ability of any Guarantor to perform its obligations under any Guaranty or any Guarantor attempts to withdraw, cancel or disclaim any Guaranty;

(i) if there shall be any breach or default by Mortgagor of the terms of that certain Cash Management Agreement to be entered into during the extension term of the Loan (the "Cash Management Agreement");

(k) if Mortgagor votes to change, changes, permits a vote to change or permits a change of the property manager of the Property without the prior written consent of Mortgagee, which shall not be unreasonably withheld, in accordance with the terms of the Loan Documents (hereafter defined) or if a default or Event of Default occurs under the property management agreement, if any;

(l) if Guarantor is a natural person, the death of such Guarantor shall occur (provided, however, that such death shall not result in an Event of Default hereunder provided that, within thirty (30) days following such death, a reputable individual who satisfies the net worth and liquidity requirements in the Guaranty executed by Guarantor and who is otherwise reasonably satisfactory to Mortgagee, executes and delivers to Mortgagee a replacement Guaranty in form and substance identical to the Guaranty executed by such deceased Guarantor and executes and delivers to Mortgagee any other indemnity documents executed by such deceased Guarantor in form and substance identical to such indemnity documents);

(m) if there shall be an "Event of Default" under any other deed of trust, mortgage or security instrument given by Mortgagor or any affiliate of Mortgagor to Mortgagee as security for the Loan; or

Upon the occurrence of any Event of Default, the Indebtedness shall immediately become due at the option of Mortgagee.

Upon the occurrence of any Event of Default, Mortgagor shall pay interest on the entire unpaid principal balance of the Note, as defined in and provided for in the Note.

Upon the occurrence of any Event of Default, Mortgagee may, to the extent permitted under applicable law, elect to treat the fixtures included in the Property either as real property or as personal property, or both, and proceed to exercise such rights as apply thereto. With respect to any sale of real property included in the Property made under the powers of sale herein granted and conferred, Mortgagee may, to the extent permitted by applicable law, include in such sale any fixtures included in the Property and relating to such real property.

21. Additional Remedies.

(a) Upon the occurrence of any Event of Default, Mortgagee may take such action, without notice or demand, as it shall deem advisable to protect and enforce its rights against Mortgagor and in and to the Property or any part thereof or interest therein, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Mortgagee (i) enter into or

upon the Real Property, either personally or by its agents, nominees or attorneys and dispossess Mortgagor and its agents and servants therefrom, and thereupon Mortgagee may (A) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat, (B) complete any construction on the Property in such manner and form as Mortgagee deems advisable, (C) make alterations, additions, renewals, replacements and improvements to or on the Property, (D) exercise all rights and powers of Mortgagor with respect to the Property, whether in the name of Mortgagor or otherwise, including, without limitation, the right to make, cancel, enforce or modify leases, obtain and evict tenants and demand, sue for, collect and receive all earnings, revenues, rents, issues, profits and other income of the Property and every part thereof and (E) apply the receipts from the Property to the payment of the Indebtedness, after deducting therefrom all expenses (including reasonable attorneys' fees and expenses) incurred in connection with the aforesaid operations and all amounts necessary to pay the taxes, assessments, insurance and other charges in connection with the Property, as well as just and reasonable compensation for the services of Mortgagee and its counsel, agents and employees, or (ii) institute proceedings for the complete foreclosure of this Mortgage in which case the Property may be sold for cash or upon credit in one or more parcels, or (iii) with or without entry, to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Mortgage for the portion of the Indebtedness then due and payable, subject to the continuing lien of this Mortgage for the balance of the Indebtedness not then due, or (iv) sell for cash or upon credit the Property or any part thereof and all or any part of any estate, claim, demand, right, title and interest of Mortgagor therein and rights of redemption thereof, at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law, and in the event of a sale, by foreclosure or otherwise, of less than all of the Property, this Mortgage shall continue as a lien on the remaining portion of or estate in the Property, or (v) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein or in the Note or any other Loan Document, or (vi) recover judgment on the Note or any Guaranty either before, during or after any proceedings for the enforcement of this Mortgage, or (vii) pursue such other remedies as Mortgagee may have under applicable law. Any entry by Mortgagee or its agents pursuant to this Section 21 shall be made by Mortgagee or its agents in accordance with applicable law.

(b) The purchase money proceeds or avails of any sale made under or by virtue of this Section 21, together with any other sums which then may be held by Mortgagee under this Mortgage, whether under the provisions of this Section 21 or otherwise, shall be applied as follows:

First: To the payment of the costs and expenses of any such sale, including reasonable compensation to Mortgagee, their agents and counsel, and of any judicial proceedings wherein the same may be made, and of all expenses, liabilities and advances made or incurred by Mortgagee under this Mortgage, together with interest as provided herein on all advances made by Mortgagee and all taxes or assessments, except any taxes, assessments or other charges subject to which the Property shall have been sold.

Second: To the payment of the whole amount then due, owing or unpaid upon the Note for principal, together with any and all applicable interest, fees and late charges.

Third: To the payment of any other sums required to be paid by Mortgagor pursuant to any provision of this Mortgage or of the Note or of the Guaranty.

Fourth: To the payment of the surplus, if any, to whomsoever may be lawfully entitled to receive the same.

Mortgagee and any receiver of the Property, or any part thereof, shall be liable to account for only those rents, issues and profits actually received by it.

(c) Mortgagee may adjourn from time to time any sale to be made under or by virtue of this Mortgage by announcement at the time and place appointed for such sale or for such adjourned sale or sales; and, except as otherwise provided by any applicable provision of law, Mortgagee, without further notice or publication, may make such sale at the time and place to which the same shall be so adjourned.

(d) Upon the completion of any sale or sales made by Mortgagee under or by virtue of this Section 21, Mortgagee or an officer of any court empowered to do so, as the case may be, shall execute and deliver to the accepted purchaser or purchasers a good and sufficient instrument, or good and sufficient instruments, conveying, assigning and transferring all estate, right, title and interest in and to the property and rights sold. Mortgagee is hereby irrevocably appointed the true and lawful attorney of Mortgagor, in its name and stead, to make all necessary conveyances, assignments, transfers and deliveries of the Property and rights so sold and for that purpose Mortgagee may execute all necessary instruments of conveyance, assignment and transfer, and may substitute one or more persons with like power, Mortgagor hereby ratifying and confirming all that its said attorney or such substitute or substitutes shall lawfully do by virtue hereof. Any such sale or sales made under or by virtue of this Section 21, whether made under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale, shall operate to divest all the estate, right, title, interest, claim and demand whatsoever, whether at law or in equity, of Mortgagor in and to the properties and rights so sold, and shall be a perpetual bar both at law and in equity against Mortgagor and against any and all persons claiming or who may claim the same, or any part thereof from, through or under Mortgagor.

(e) In the event of any sale made under or by virtue of this Section 21 (whether made under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale) the entire Indebtedness, if not previously due and payable, immediately thereupon shall, anything in the Note, this Mortgage, any Guaranty or any other Loan Document to the contrary notwithstanding, become due and payable.

(f) Upon any sale made under or by virtue of this Section 21 (whether made under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale), Mortgagee may bid for and acquire the Property or any part thereof and in lieu of paying cash therefor may make settlement for the purchase price by crediting upon the Indebtedness (including any prepayment premium due thereof) the net sales price after deducting therefrom the expenses of the sale and the costs of the action and any other sums which Mortgagee is authorized to deduct or receive under this Mortgage.

(g) No recovery of any judgment by Mortgagee and no levy of an execution under any judgment upon the Property or upon any other property of Mortgagor shall affect in any manner or to any extent, the lien of this Mortgage upon the Property or any part thereof, or any liens, rights, powers or remedies of Mortgagee hereunder, but such liens, rights, powers and remedies of Mortgagee shall continue unimpaired as before.

22. Right to Cure Defaults. Upon the occurrence of any Event of Default or if Mortgagor fails to make any payment or to do any act as herein provided, Mortgagee may, but without any obligation to do so and without notice to or demand on Mortgagor and without releasing Mortgagor from any obligation hereunder, make or do the same in such manner and to such extent as Mortgagee may deem necessary to protect the security hereof. Without limiting the foregoing, Mortgagee may enter upon the Property for such purposes or appear in, defend, or bring any action or proceeding to protect its interest in the Property, and the cost and expense thereof (including, without limitation, attorneys' fees and disbursements to the extent permitted by law), with interest as provided in this Section 22, shall be immediately due and payable to Mortgagee upon demand by Mortgagee therefor. All such costs and expenses incurred by Mortgagee in remedying such Event of Default or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate (as such term is defined in the Note), for the period from the date that such cost or expense was incurred to the date of payment to Mortgagee. All such costs and expenses, together with interest thereon at the Default Rate, shall be added to the Indebtedness and shall be secured by this Mortgage. If the principal sum of the Note or any other amount required to be paid on the Maturity Date under the Note shall not be paid on the Maturity Date, interest shall thereafter be computed and paid at the Default Rate.

23. Late Payment Charge. If any interest or principal payment is not paid in accordance with the Note, a late charge (the "**Late Charge**") shall be due as provided in the Note.

24. Prepayment. The Indebtedness may be prepaid only in accordance with the terms of the Note.

25. Prepayment After Event of Default. A tender of the amount necessary to satisfy the entire indebtedness, paid at any time following an Event of Default or acceleration (which acceleration shall be at Mortgagee's sole option), including at a foreclosure sale or during any subsequent redemption period, if any, shall be deemed a voluntary prepayment, which payment shall include a premium, the calculation of which shall be in accordance with the terms of the Note and shall depend upon whether the Event of Default or acceleration first occurred (i) prior to the time, if any, the prepayment of the principal balance is not permitted pursuant to the terms of the Note and prior to the date on which the full amount of the balance of principal and interest then remaining unpaid shall be due or (ii) on or after the date on which prepayment of the principal balance is permitted pursuant to the terms of the Note.

26. Appointment of Receiver. Subject to compliance with applicable law, Mortgagee, upon the occurrence of an Event of Default or in any action to foreclose this Mortgage or upon the actual or threatened waste to any part of the Property, shall be entitled to the appointment of a receiver without notice and without regard to the value or condition of the

Property as security for the Indebtedness or the solvency or insolvency of any person liable for the payment of the Indebtedness.

Mortgagor hereby irrevocably consents to such appointment and waives notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases and all the powers and duties of Mortgagee in case of entry as provided herein and shall continue as such and exercise all such powers until the date of confirmation of sale of the Property, unless such receivership is sooner terminated.

27. Security Agreement.

(a) This Mortgage is both a real property mortgage and a “security agreement” within the meaning of the Uniform Commercial Code. The Property includes both real and personal property (to the extent attached to or used exclusively in anyway in connection with the Property or its operations) and all other rights and interests, whether tangible or intangible in nature, of Mortgagor in the Property. Mortgagor, by executing and delivering this Mortgage grants to Mortgagee (to the extent provided herein), as security for the Indebtedness, a security interest in the Property to the full extent that the Property may be subject to the Uniform Commercial Code (such portion of the Property so subject to the Uniform Commercial Code being called in this Section 27 the “Collateral”). Mortgagor hereby authorizes Mortgagee to file financing statements in order to create, perfect, preserve and continue the security interest(s) herein granted. This Mortgage shall also constitute a “fixture filing” for the purposes of the Uniform Commercial Code and shall cover all items of the Collateral that are or are to become fixtures. Information concerning the security interest(s) herein granted may be obtained from Mortgagee upon request.

If an Event of Default shall occur, Mortgagee, in addition to any other rights and remedies which it may have, shall have and may exercise immediately and without demand, any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing, the right to take possession of the Collateral or any part thereof, and to take such other measures as Mortgagee may deem necessary for the care, protection and preservation of the Collateral. Upon request or demand of Mortgagee, Mortgagor shall at its expense assemble the Collateral and make it available to Mortgagee at a convenient place acceptable to Mortgagee. Mortgagor shall pay to Mortgagee on demand any and all expenses, including legal expenses and attorneys’ fees and disbursements, incurred or paid by Mortgagee in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Collateral sent to Mortgagor in accordance with the provisions hereof at least five (5) days prior to such sale, disposition or action shall constitute reasonable notice to Mortgagor. The proceeds of any disposition of the Collateral, or any part thereof, may be applied by Mortgagee to the payment of the Indebtedness in such priority and proportions as Mortgagee in its discretion shall deem proper.

Mortgagor shall notify Mortgagee of any change in name, identity or structure of Mortgagor and shall promptly execute, file and record, at its sole cost and expense, such Uniform Commercial Code forms as are necessary to maintain the priority of the lien of Mortgagee upon and security interest in the Collateral. In addition, Mortgagor shall promptly execute, file and

record such additional Uniform Commercial Code forms or continuation statements as Mortgagee shall deem necessary and shall pay all expenses and fees in connection with the filing and recording thereof, provided that no such additional documents shall increase the obligations of Mortgagor under the Note, this Mortgage or the other Loan Documents. Mortgagor hereby grants to Mortgagee an irrevocable power of attorney, coupled with an interest, to file with the appropriate public office on its behalf any financing or other statements signed only by Mortgagee, as secured party, in connection with the Collateral covered by this Mortgage.

(b) That portion of the Property consisting of personal property and equipment, shall be owned by Mortgagor and shall not be the subject matter of any lease or other transaction whereby the ownership or any beneficial interest in any of such property is held by any person or entity other than Mortgagor nor shall Mortgagor create or suffer to be created any security interest covering any such property as it may from time to time be replaced, other than the security interest created herein.

28. Authority.

(a) Mortgagor has full power, authority and legal right to execute this Mortgage, and to deed, give, grant, bargain, sell, alienate, convey, confirm, pledge, hypothecate and assign and grant a security interest in the Property pursuant to the terms hereof and to keep and observe all of the terms of this Mortgage on Mortgagor's part to be performed.

(b) Mortgagor represents and warrants to Mortgagee that Mortgagor is not a "foreign person" and covenants with Mortgagee that Mortgagor will not, throughout the term of the Note, become a "foreign person" within the meaning of §1445 and §7701 of the Internal Revenue Code of 1986 (26 USC §§1445, 7701) and the related Treasury Department regulations, including, without limitation, temporary regulations (hereinafter collectively the "Code"); that is, Mortgagor is not a non-resident alien, foreign corporation, foreign partnership, foreign trust or foreign estate as those terms are defined in the Code.

(c) Mortgagor represents and warrants to Mortgagee that it is a corporation, duly organized and in good standing under the laws of the State of Illinois.

29. Actions and Proceedings. Mortgagee shall have the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Mortgagor, which Mortgagee, in its discretion, shall decide should be brought to protect their respective interests in the Property.

30. Further Acts, Etc. Mortgagor will, at the sole cost of Mortgagor, and without expense to Mortgagee, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, deeds of trust, assignments, notices of assignments, transfers and assurances as Mortgagee shall, from time to time, require, for the better assuring, conveying, assigning, transferring and confirming unto Mortgagee the property and rights hereby given, granted, bargained, sold, aliened, conveyed, confirmed, pledged, assigned and hypothecated or intended now or hereafter so to be, or which Mortgagor may be or may hereafter become bound to convey or assign to Mortgagee, or for carrying out the intention or facilitating the performance of the terms of this Mortgage or for filing, registering or recording this Mortgage and, on demand, will

execute and deliver within five (5) business days after request of Mortgagee, and if Mortgagor fails to so deliver, hereby authorizes Mortgagee thereafter to execute in the name of Mortgagor without the signature of Mortgagor to the extent Mortgagee may lawfully do so, one or more financing statements, chattel mortgages or comparable security instruments, to evidence more effectively the lien hereof upon the Property. Mortgagor grants to Mortgagee an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Mortgagee at law and in equity, including without limitation such rights and remedies available to Mortgagee pursuant to this Section 30.

31. Recording of Mortgage, Etc. Mortgagor forthwith upon the execution and delivery of this Mortgage, will cause this Mortgage, and any security instrument creating a lien or security interest or evidencing the lien hereof upon the Property, to be filed, registered or recorded and, thereafter, from time to time, each such other instrument of further assurance to be filed, registered or recorded, all in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect the lien or security interest hereof upon, and the interests of Mortgagee in, the Property. Mortgagor will pay all filing, registration or recording fees, and all expenses incident to the preparation, execution and acknowledgment of this Mortgage, any mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and all federal, state, county and municipal, taxes, duties, imposts, assessments and charges arising out of or in connection with the making, execution, delivery and/or recording of this Mortgage, any mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, except where prohibited by law so to do. Mortgagor shall hold harmless and indemnify Mortgagee, its successors and assigns, against any liability incurred by reason of the imposition of any tax on the making, execution, delivery and/or recording of this Mortgage, any mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance.

32. Usury Laws. This Mortgage and the Note are subject to the express condition that at no time shall Mortgagor be obligated or required to pay interest on the principal balance due under the Note at a rate which could subject the holder of the Note to either civil or criminal liability as a result of being in excess of the maximum interest rate which Mortgagor is permitted by law to contract or agree to pay. If by the terms of this Mortgage or the Note, Mortgagor is at any time required or obligated to pay interest on the principal balance due under the Note at a rate in excess of such maximum rate, the rate of interest under the Note shall be deemed to be immediately reduced to such maximum rate and the interest payable shall be computed at such maximum rate and all prior interest payments in excess of such maximum rate shall be applied and shall be deemed to have been payments in reduction of the principal balance of the Note and the principal balance of the Note shall be reduced by such amount in the inverse order of maturity.

33. Sole Discretion of Mortgagee. Wherever pursuant to this Mortgage, Mortgagee exercises any right given to it to approve or disapprove, or any arrangement or term is to be satisfactory to Mortgagee, the decision of Mortgagee to approve or disapprove or to decide that arrangements or terms are satisfactory or not satisfactory shall be in the sole discretion of Mortgagee and shall be final and conclusive, except as may be otherwise specifically provided herein.

34. **Recovery of Sums Required To Be Paid.** Mortgagee shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Indebtedness as the same become due, without regard to whether or not the balance of the Indebtedness shall be due, and without prejudice to the right of Mortgagee thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Mortgagor existing at the time such earlier action was commenced.

35. **Marshalling and Other Matters.** Mortgagor waives, to the extent permitted by law, the benefit of all appraisal, valuation, stay, extension, reinstatement and redemption laws now or hereafter in force and all rights of marshalling in the event of any sale hereunder of the Property or any part thereof or any interest therein. Further, Mortgagor expressly waives any and all rights of redemption from sale under any order or decree of foreclosure of this Mortgage on behalf of Mortgagor, and on behalf of each and every person acquiring any interest in or title to the Property subsequent to the date of this Mortgage and on behalf of all persons to the extent permitted by applicable law.

36. **Waiver of Notice.** Mortgagor shall not be entitled to any notices of any nature whatsoever from Mortgagee except with respect to matters for which this Mortgage specifically and expressly provides for the giving of notice by Mortgagee to Mortgagor and except with respect to matters for which Mortgagee is required by applicable law to give notice, and Mortgagor hereby expressly waives the right to receive any notice from Mortgagee with respect to any matter for which this Mortgage does not specifically and expressly provide for the giving of notice by Mortgagee to Mortgagor.

37. **Remedies of Mortgagor.** In the event that a claim or adjudication is made that Mortgagee has acted unreasonably or unreasonably delayed acting in any case where by law or under the Note, this Mortgage or the other Loan Documents, it has an obligation to act reasonably or promptly, Mortgagee shall not be liable for any monetary damages, and Mortgagor's remedies shall be limited to injunctive relief or declaratory judgment.

38. **Reporting Requirements.** At the request of Mortgagee, Mortgagor shall supply or cause to be supplied to Mortgagee either (a) a copy of a completed Form 1099-B, Statement for Recipients of Proceeds from Real Estate, Broker and Barter Exchange Proceeds prepared by Mortgagor's attorney or other person responsible for the preparation of such form, together with a certificate from the person who prepared such form to the effect that such form has, to the best of such person's knowledge, been accurately prepared and that such person will timely file such form or (b) a certification from Mortgagor that the Loan is a refinancing of the Property or is otherwise not required to be reported to the Internal Revenue Service pursuant to Section 6045(e) of the Code. Mortgagor hereby indemnifies, defends and holds Mortgagee harmless from and against all loss, cost, damage and expense (including without limitation, attorneys' fees and disbursements and costs incurred in the investigation, defense and settlement of claims) that Mortgagee may incur, directly or indirectly, as a result of or in connection with the assertion against Mortgagee of any claim relating to the failure of Mortgagee to comply with this Section 38.

39. **Hazardous Materials.**

(a) Mortgagor represents and warrants that (i) the Property is now and at all times during Mortgagor's ownership thereof has been free of contamination from any petroleum product and all hazardous or toxic substances, wastes or substances, any substances which because of their quantitative concentration, chemical, radioactive, flammable, explosive, infectious or other characteristics, constitute or may reasonably be expected to constitute or contribute to a danger or hazard to public health, safety or welfare or to the environment, including, without limitation, any asbestos (whether or not friable) and any asbestos-containing materials, Mold (defined as the presence of any form of (a) multicellular fungi that live on plant or animal matter and an indoor environment (including without limitation Cladosporium, Penicillium, Alternaria, Aspergillus, Fusarium, Trichoderma, Memnoniella, Mucor, and Stachybotrys chartarum (SC) often found in water damaged building materials), (b) spores, scents or byproducts produced or released by fungi, including mycotoxins and (c) microbial matter which reproduces through mold, mildew and viruses, whether or not such microbial matter is living (collectively "**Mold**")), waste oils, solvents and chlorinated oils, polychlorinated biphenyls (PCBs), toxic metals, etchants, pickling and plating wastes, explosives, reactive metals and compounds, pesticides, herbicides, radon gas, urea formaldehyde foam insulation and chemical, biological and radioactive wastes, or any other similar materials or any hazardous or toxic wastes or substances which are included under or regulated by any federal, state or local law, rule or regulation (whether now existing or hereafter enacted or promulgated, as they may be amended from time to time) pertaining to environmental regulations, contamination, clean-up or disclosures, and any judicial or administrative interpretation thereof, including any judicial or administrative orders or judgments ("**Hazardous Materials**"), including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. section 9601 *et seq.* ("**CERCLA**"); The Federal Resource Conservation and Recovery Act, 42 U.S.C. section 6901 *et seq.* ("**RCRA**"); Superfund Amendments and Reauthorization Act of 1986, Public Law No. 99-499 ("**SARA**"); Toxic Substances Control Act, 15 U.S.C. section 2601 *et seq.* ("**TSCA**"); the Hazardous Materials Transportation Act, 49 U.S.C. section 1801 *et seq.*; and any other state superlien or environmental clean-up or disclosure statutes (all such laws, rules and regulations being referred to collectively as "**Environmental Laws**"), (ii) Mortgagor has not caused or suffered to occur any discharge, spill, uncontrolled loss or seepage of any Hazardous Materials onto any property adjoining the Property, (iii) Mortgagor has not received any complaint, notice, letter, or other communication from occupants, tenants, guests, employees, licensees or any other person regarding odors, poor indoor air quality, Mold, or any activity, condition, event or omission that causes or facilitates the growth of Mold and Mortgagor further represents to the best of its knowledge that no Mold or any activity, condition, event or omission that causes or facilitates the growth of Mold exists at the Property, and (iv) neither Mortgagor nor any tenant or occupant of all or part of the Property is now or has been involved in operations at the Property which could lead to liability for Mortgagor or any other owner of the Property or the imposition of a lien on the Property under any Environmental Law.

56. **Right to Release Any Portion of the Property.** Mortgagee may release or reconvey any portion of the Property for such consideration as Mortgagee may require without, as to the remainder of the Property, in any way impairing or affecting the lien or priority of this Mortgage, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Mortgagee for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Mortgagee may require without being accountable for so doing to any other lienholder. This Mortgage shall continue as a lien and security interest in the remaining portion of the Property.

57. **Subrogation.** Mortgagee shall be subrogated for further security to the lien, although released of record, of any and all encumbrances paid out of the proceeds of the Loan secured by this Mortgage.

58. **Administrative Fees.** Mortgagee may charge administrative fees and be reimbursed for all reasonable costs and expenses, including reasonable attorneys' fees and disbursements, associated with reviewing and processing post-closing requests of Mortgagor.

59. **Headings, Etc.** The headings and captions of various paragraphs of this Mortgage are for convenience of reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.

60. **Address of Real Property.** The street address of the Real Property is 6949-59 South Merrill, Chicago, Illinois 60649.

61. **Method of Payment.** All payments of principal and interest and other amounts due under this Mortgage shall be paid to Mortgagee by Automated Clearing House debit against Mortgagor's account. Mortgagor agrees to provide Mortgagee with all necessary authorizations.

62. **Publicity.** Mortgagor agrees that Mortgagee, at its expense, may publicize the financing of the Property in trade and similar publications.

63. **Relationship.** The relationship of Mortgagee to Mortgagor under this Mortgage is strictly and solely that of Mortgagee and Mortgagor and nothing contained in this Mortgage or any other Loan Document is intended to create, or shall in any event or under any circumstance be construed to create, a partnership, joint venture, tenancy-in-common, joint tenancy or other relationship of any nature whatsoever between Mortgagee and Mortgagor other than that of Mortgagee and Mortgagor.

64. **No Third Party Beneficiaries.** Nothing contained herein is intended or shall be deemed to create or confer any rights upon any third person not a party hereto, whether as a third-party Mortgagee or otherwise, except as expressly provided herein.

65. **Entire Agreement.** This Mortgage, the Note and the other Loan Documents constitute the entire agreement among Mortgagor and Mortgagee with respect to the subject matter hereof and all understandings, oral representations and agreements heretofore or simultaneously had among the parties are merged in, and are contained in, such documents and instruments.

66. **Servicer.** Mortgagee may from time to time appoint a servicer (the "Servicer") to administer the Loan, which Servicer shall have the power and authority to exercise all of the rights and remedies of Mortgagee and to act as agent of Mortgagee hereunder. With respect to such Servicer, Mortgagor shall be responsible for (a) payment on first (1st) day of each month during the term of the Loan of a servicing fee in the amount of one thousand and 00/100 dollars (\$1,000.00), (b) payment of the servicing costs identified on **Exhibit B** attached hereto for the items specified therein, and (c) to the extent not specified in **Exhibit B**, other customary servicing costs and expenses incurred by Mortgagee.

67. **Governing Law; Consent to Jurisdiction.** IN ALL RESPECTS, INCLUDING, WITHOUT LIMITATION, MATTERS OF CONSTRUCTION, PERFORMANCE AND ENFORCEMENT OF THIS MORTGAGE AND THE OBLIGATIONS ARISING HEREUNDER, THIS MORTGAGE SHALL BE GOVERNED

BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF ILLINOIS. INTERPRETATION AND CONSTRUCTION OF THIS MORTGAGE SHALL BE ACCORDING TO THE CONTENTS HEREOF AND WITHOUT PRESUMPTION OR STANDARD OF CONSTRUCTION IN FAVOR OF OR AGAINST MORTGAGOR OR MORTGAGEE. MORTGAGOR AGREES THAT ANY ACTION, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS MORTGAGE MAY BE INITIATED AND PROSECUTED IN THE STATE OR FEDERAL COURTS, AS THE CASE MAY BE, LOCATED IN COOK COUNTY, STATE OF ILLINOIS TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, MORTGAGOR CONSENTS TO AND SUBMIT TO THE EXERCISE OF JURISDICTION OVER THE SUBJECT MATTER, WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS UPON IT AND CONSENTS THAT ALL SUCH SERVICE OF PROCESS BE MADE BY REGISTERED MAIL DIRECTED TO MORTGAGOR AT ITS ADDRESS SET FORTH ABOVE OR TO ANY OTHER ADDRESS AS MAY APPEAR IN THE MORTGAGEE'S RECORDS AS THE ADDRESS OF MORTGAGOR (BUT NOTHING HEREIN SHALL AFFECT THE VALIDITY OR EFFECTIVENESS OF PROCESS SERVED IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW). TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN ANY ACTION, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS MORTGAGE, MORTGAGOR WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER IN CONTRACT, TORT OR OTHERWISE, RELATING DIRECTLY OR INDIRECTLY TO THE LOAN SECURED BY THIS MORTGAGE, THE APPLICATION FOR THE LOAN SECURED BY THIS MORTGAGE, THE LOAN DOCUMENTS, OR ANY ACTS OR OMISSIONS OF MORTGAGEE, ITS OFFICERS, EMPLOYEES, DIRECTORS OR AGENTS IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY, INTENTIONALLY AND VOLUNTARILY BY MORTGAGOR AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. MORTGAGOR ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH OF THEM HAS RELIED ON THIS WAIVER IN ENTERING INTO THIS NOTE AND THE OTHER LOAN DOCUMENTS AND THAT EACH OF THEM WILL CONTINUE TO RELY ON THIS WAIVER IN THEIR RELATED FUTURE DEALINGS. MORTGAGOR WARRANTS AND REPRESENTS THAT IT HAS HAD THE OPPORTUNITY OF REVIEWING THIS JURY WAIVER WITH LEGAL COUNSEL, AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, MORTGAGOR ALSO WAIVES (I) THE RIGHT TO INTERPOSE ANY SET-OFF OR COUNTERCLAIM OF ANY NATURE OR DESCRIPTION, (II) ANY OBJECTION BASED ON FORUM NON CONVENIENS OR VENUE, AND (III) ANY CLAIM FOR CONSEQUENTIAL, PUNITIVE OR SPECIAL DAMAGES.

68. Intentionally Omitted.

69. Waiver of Homestead and Redemption. Mortgagor hereby expressly waives any and all rights of redemption and reinstatement in connection with foreclosure of this

Mortgage, it being the intent hereof that any and all such rights of redemption and reinstatement of the Mortgagor and of all other persons, are and shall be deemed to be hereby waived to the full extent permitted by the provisions of the Act (as defined in Section 70 below) or other applicable law or replacement statutes.

70. Principles of Construction. In the event of any inconsistencies between the terms and conditions of this Section 70 and the terms and conditions of this Mortgage, the terms and conditions of this Section 70 shall control and be binding.

(a) **Illinois Mortgage Foreclosure Law** It is the intention of Mortgagor and Mortgagee that the enforcement of the terms and provisions of this Mortgage shall be accomplished in accordance with the Illinois Mortgage Foreclosure Law (the “Act”), 735 ILCS 5/15-1101 et seq., and with respect to such Act, Mortgagor agrees and covenants that:

(i) Mortgagee shall have the benefit of all of the provisions of the Act, including all amendments thereto which may become effective from time to time after the date hereof. In the event any provision of the Act which is specifically referred to herein may be repealed, Mortgagee shall have the benefit of such provision as most recently existing prior to such repeal, as though the same were incorporated herein by express reference. If any provision in this Mortgage shall be inconsistent with any provision of the Act, the provisions of the Act shall take precedence over the provisions of this Mortgage, but shall not invalidate or render unenforceable any other provision of this Mortgage that can be construed in a manner consistent with the Act. If any provision of this Mortgage shall grant to Mortgagee (including Mortgagee acting as a mortgagee-in-possession) or a receiver appointed pursuant to the provisions of this Mortgage any powers, rights or remedies prior to, upon or following the occurrence of a Default which are more limited than the powers, rights or remedies that would otherwise be vested in Mortgagee or in such receiver under the Act in the absence of said provision, Mortgagee and such receiver shall be vested with the powers, rights and remedies granted in the Act to the full extent permitted by law. Without limiting the generality of the foregoing, all expenses incurred by Mortgagee which are of the type referred to in Section 5/15-1510 or 5/15-1512 of the Act, whether incurred before or after any decree or judgment of foreclosure, and whether or not enumerated specifically in this Mortgage, shall be added to the indebtedness secured hereby and/or by the judgment of foreclosure.

(ii) Wherever provision is made in this Mortgage for insurance policies to bear mortgage clauses or other loss payable clauses or endorsements in favor of Mortgagee, or to confer authority upon Mortgagee to settle or participate in the settlement of losses under policies of insurance or to hold and disburse or otherwise control the use of insurance proceeds, from and after the entry of judgment of foreclosure, all such rights and powers of Mortgagee shall continue in Mortgagee as judgment creditor or mortgagee until confirmation of sale.

(iii) In addition to any provision of this Mortgage authorizing Mortgagee to take or be placed in possession of the Property, or for the appointment of a receiver, Mortgagee shall have the right, in accordance with Sections 15-1701 and 15-1702 of the Act, to be placed in the possession of the Property or at its request to have a receiver appointed, and such receiver, or Mortgagee, if and when placed in possession, shall have, in

addition to any other powers provided in this Mortgage, all rights, powers, immunities, and duties and provisions for in Sections 15-1701 and 15-1703 of the Act.

(iv) Mortgagor acknowledges that the Property does not constitute agricultural real estate, as said term is defined in Section 15-1201 of the Act or residential real estate as defined in Section 15-1219 of the Act.

(v) Mortgagor hereby expressly waives any and all rights of reinstatement and redemption, if any, under any order or decree of foreclosure of this Mortgage, on its own behalf and on behalf of each and every person, it being the intent hereof that any and all such rights of reinstatement and redemption of Mortgagor and of all other persons are and shall be deemed to be hereby waived to the full extent permitted by the provisions of Section 5/15-1601 of the Act or other applicable law or replacement statutes.

(vi) As provided for in the Note, the interest rate payable in respect of the obligations secured by this Mortgage is (a) for the period commencing on the Effective Date and ending on the initial Maturity Date, an interest rate equal to ten percent (10%) per annum, and (b) if the term of the Loan is extended pursuant to Section 2.1(c) of the Note, then, for the entire extended term, an interest rate equal to eleven percent (11%) per annum. Interest for any month or fractional part thereof shall be calculated on the basis of a 360-day year and the daily amount so determined shall be multiplied by the actual number of days for which interest is being paid.

(vii) The following notice is provided pursuant to paragraph (3) of 815 ILCS 180/10: Unless Mortgagor provides evidence of the insurance coverage required by the Loan Documents, Mortgagee may purchase insurance at Mortgagor's expense to protect Mortgagee's interests in Mortgagor's Property. This insurance may, but need not, protect Mortgagor's interests. The coverage that Mortgagee purchases may not pay any claim that Mortgagor may make or any claim that is made against Mortgagor in connection with the Property. Mortgagor may later cancel any insurance purchased by Mortgagee, but only after providing evidence that Mortgagor has obtained insurance as required by the parties' agreement. If Mortgagee purchases insurance for the Property, Mortgagor will be responsible for the costs of that insurance, including the insurance premium, interest and any other charges that Mortgagee may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the obligations secured hereby. The costs of the insurance may be more than the cost of insurance that Mortgagor may be able to obtain on Mortgagor's own.

(viii) If certain conditions are satisfied, Mortgagee is obligated under the terms of the Loan Documents to make advances as provided therein, and Mortgagor acknowledges and intends that all such advances, including future advances whenever hereafter made, shall be secured by the lien of this Mortgage, as provided in Section 15-1302(b)(1) of the Act. Mortgagor covenants and agrees that this Mortgage shall secure the payment of all loans and advances made as of the date hereof or at any time in the future, and whether such future advances are obligatory or are to be made at the option of Mortgagee or otherwise (but not advances or loans made more than 20 years after the date hereof), to the same extent as if such future advances were made on the date of the execution of this Mortgage and although there may

be no advances made at the time of the execution of this Mortgage and although there may be no other indebtedness outstanding under the Loan Documents at the time any advance is made. The lien of this Mortgage shall be valid as to all such obligations, including future advances, from the time of its filing of record in the office of the Recorder of Deeds of the County in which the Property is located. The total amount of the obligations secured hereby may increase or decrease from time to time. This Mortgage shall be valid and shall have priority over all subsequent liens and encumbrances, including any statutory liens except taxes and assessments levied on the Property or such other liens that shall have priority by operation of law, to the extent of the maximum amount secured hereby.

(ix) All advances, disbursements and expenditures made by Mortgagee in accordance with the terms of this Mortgage and the other Loan Documents, whether before and during a foreclosure of this Mortgage, and before and after judgment of foreclosure therein, and at any time prior to sale of the Property, and, where applicable, after sale of the Property, and during the pendency of any related proceedings, in addition to those otherwise authorized by the Act, shall have the benefit of all applicable provisions of the Act, including without limitation advances, disbursements and expenditures for the following purposes:

(A) all advances by Mortgagee in accordance with the terms of the Mortgage or the other Loan Documents to: (i) preserve, maintain, repair, restore or rebuild the improvements upon the Property; (ii) preserve the lien of the Mortgage or the priority thereof; or (iii) enforce the Mortgage, as referred to in Section 15-1302(b)(5) of the Act;

(B) payments by Mortgagee of (i) principal, interest or other obligations in accordance with the terms of any senior mortgage or other prior lien or encumbrance, (ii) real estate taxes and assessments, general and special, and all other taxes and assessments of any kind or nature whatsoever which are assessed or imposed upon the Property or any part thereof, (iii) other obligations authorized by the Mortgage, or (iv) with court approval, any other amounts in connection with other liens, encumbrances or interests reasonably necessary to preserve the status of title, as referred to in Section 15-1505 of the Act;

(C) advances by Mortgagee in settlement or compromise of any claims asserted by claimants under senior mortgages or any other prior liens;

(D) attorneys' fees and other costs incurred: (i) in connection with the foreclosure of the Mortgage as referred to in Sections 15-1504(d)(2) and 15-1510 of the Act; (ii) in connection with any action, suit or proceeding brought by or against Mortgagee for the enforcement of the Mortgage or arising from the interest of Mortgagee hereunder; or (iii) in preparation for or in connection with the commencement, prosecution or defense of any other action related to the Mortgage or the Property;

(E) Mortgagee's fees and costs, including attorneys' fees, arising between the entry of judgment of foreclosure and the confirmation hearing as referred to in Section 15-1508(b)(1) of the Act;

(F) expenses deductible from proceeds of sale as referred to in Sections 15-1512(a) and (b) of the Act; and

(G) expenses incurred and expenditures made by Mortgagee for any one or more of the following: (i) if the Property or any portion thereof constitutes one or more units under a condominium declaration, assessments imposed upon the unit owner thereof; (ii) if Mortgagor's interest in the Property is a leasehold estate under a lease or sublease, rentals or other payments required to be made by the lessee under the terms of the lease or sublease; (iii) premiums for casualty and liability insurance paid by Mortgagee whether or not Mortgagee or a receiver is in possession, if reasonably required in reasonable amounts, and all renewals thereof, without regard to the limitation to maintaining of existing insurance in effect at the time any receiver or Mortgagee takes possession of the Property imposed by Section 15-1704(c)(1) of the Act; (iv) repair or restoration of damage or destruction in excess of available insurance proceeds or condemnation awards; (v) payments deemed by Mortgagee to be required for the benefit of the Property or required to be made by the owner of the Property under any grant or declaration of easement, easement agreement, agreement with any adjoining land owners or instruments creating covenants or restrictions for the benefit of or affecting the Property; (vi) shared or common expense assessments payable to any association or corporation in which the owner of the Property is a member in any way affecting the Property; (vii) if any portion of the credit facilities secured hereby is a construction loan, costs incurred by Mortgagee for demolition, preparation for and completion of construction, as may be authorized by the applicable Loan Documents; (viii) payments required to be paid by Mortgagor or Mortgagee pursuant to any lease or other agreement for occupancy of the Property; and (ix) if the Mortgage is insured, payment of FHA or private mortgage insurance required to keep such insurance in force.

(x) Notwithstanding anything contained in the Mortgage to the contrary, the proceeds of any foreclosure sale of the Property shall be distributed and applied in accordance with Section 15-1512 of the Act in the following order of priority: first, on account of all reasonable costs and expenses incident to the foreclosure proceedings or such other remedy, including all such items as are mentioned in subsection (i) above; second, on account of all reasonable costs and expenses in connection with securing possession of the Property prior to such foreclosure sale, and the reasonable costs and expenses incurred by or on behalf of Mortgagee in connection with holding, maintaining and preparing the Property for sale, including all such items as are mentioned in subsection (i) above; third, in satisfaction of all claims in the order of priority adjudicated in the foreclosure judgment or order confirming sale; and fourth, any remainder in accordance with the order of court adjudicating the foreclosure proceeding.

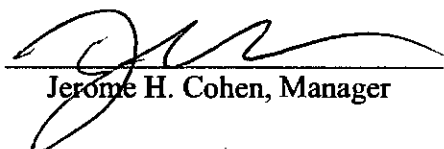

IN WITNESS WHEREOF, Mortgagor has duly executed and delivered this Mortgage as of the day and year first above written.

CIVIL ACTION NO. H-18-1274

ORDER TO REMAND

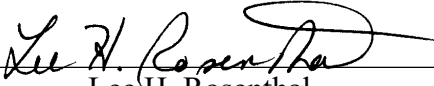

This removed case arises from an investment dispute. At a July 19, 2018 hearing, the court ordered Equitybuild to file a verified affidavit setting out the relevant jurisdictional facts, including its principal place of business, where its officers live, and where it conducts most of its business. (Docket Entry No. 38). Jerry Cohen, Equitybuild’s president, filed an affidavit setting out those facts. (Docket Entry No. 41). Several of the defendants are limited liability companies and Cohen’s affidavit lists the members of those LLCs.¹

Federal courts are “courts of limited jurisdiction, having ‘only the authority endowed by the Constitution and that conferred by Congress.’” *Halmekangas v. State Farm Fire and Cas. Co.*, 603 F.3d 290, 292 (5th Cir. 2010) (citations omitted). Federal diversity jurisdiction requires an amount in controversy over \$75,000 and complete diversity between the parties. 28 U.S.C. § 1332. For diversity-jurisdiction purposes, “the citizenship of a LLC is determined by the citizenship of all of its members.” *Harvey v. Grey Wolf Drilling Co.*, 542 F.3d 1077, 1080 (5th Cir. 2008).

¹ Jerry Cohen’s affidavit did not include jurisdictional information for Shaun Cohen, Equitybuild’s vice president and a defendant in this case. Shaun Cohen’s biography on the Equitybuild website states that “Shaun Cohen, the president of EquityBuild Finance and vice president of EquityBuild, resides in Texas with his wife and three children.” <https://equitybuild.com/about-us>.

Anson Markwell, the plaintiff, is a Texas citizen. (Docket Entry No. 1). Defendants SSDF4 6250 S. Mozart, LLC; SSDF 701 5th, LLC; SSDF4 7024 S. Paxton, LLC; and SSDF4 7255 S. Euclid, LLC, are limited liability companies with the same members, which are set out in a spreadsheet attached as Exhibit A to Cohen’s affidavit. Many of the listed members are Texas citizens. (Docket Entry No. 41, Ex. A). Cohen’s affidavit also states that SSPH Portfolio 1, LLC’s “members are Jerry Cohen, Ran Barth, and Kendall Chenier. Mr. Barth resides in Plano, Texas.” (Docket Entry No. 41 at 3). For diversity-jurisdiction purposes, these limited liability company defendants are Texas citizens because they have members who are Texas citizens. Markwell, the plaintiff, and the limited liability company defendants are Texas citizens. Complete diversity is absent, the court lacks jurisdiction, and the case is remanded to the 165th District Court.

SIGNED on July 27, 2018, at Houston, Texas.

II. JURISDICTION AND VENUE

7. Jurisdiction is proper in this Court, in that the amount in controversy is within the jurisdictional limits of this Court and Defendants have minimum contacts with the State of Texas, due to their conducting of business within the State and involvement with Texas entities.

8. Venue is mandatory in Harris County pursuant to TEX. CIV. PROC. & REM. CODE § 15.011 because this suit is an action or the recovery of an interest in real property that is located in Harris County, Texas.

9. Venue is also proper in Harris County because the transactions that form the basis of this lawsuit surround real property situated in Harris County, Texas and a substantial portion of the acts or omissions that gave rise to Plaintiff's claims occurred in Harris County, Texas.

III. FACTS

10. This lawsuit surrounds the misappropriation of invested funds by a father (Jerry H. Cohen) and son (Shaun D. Cohen), who together devised and wholly own a scheme of companies that operated in conjunction with each other to pool investors together, use the pool's invested funds to finance the purchase and renovation of real property, and sell the property for a profit.

11. AMark was an investor in this scheme, and this lawsuit surrounds two separate, but related transactions.

1102 BINGHAM STREET, HOUSTON, TEXAS 77007 (THE "HOUSTON PROPERTY")

12. In this transaction, Hard Money pooled money together from investors, then acted as servicer and agent of a loan from the investors to EB Capital. EB Capital used the loan proceeds to acquire the Houston Property, and in exchange, executed a promissory note to Hard Money, as servicer and agent for the investors, which was secured by a Deed of Trust to the Houston Property.

13. On March 20, 2014, AMark and Hard Money mutually executed a Collateral Agency and Servicing Agreement (the “Houston Servicing Agreement”), a true and correct copy of which is attached hereto as Exhibit “A.”

14. Pursuant to the terms of the Houston Servicing Agreement, AMark invested the sum of \$125,000.00 to be used as part of the funds that would finance the purchase of the Houston Property.

15. On April 1, 2014, EB Capital and Hard Money executed a promissory note (the “Houston Promissory Note”) in the amount of \$1,663,053.00, a true and correct copy of which is attached hereto as Exhibit “B.”

16. Pursuant to the terms of the Houston Promissory Note, Hard Money pooled AMark’s investment with \$1,538,053.00 in additional funds from other investors and loaned EB Capital the amount of \$1,663,053.00, which EB Capital used to purchase the Houston Property.

17. The same day, April 1, 2014, EB Capital executed a deed of trust covering the Houston Property (the “Houston Deed of Trust”) in favor of Hard Money, as servicer and agent for the investors, securing repayment of the Houston Promissory Notice. A true and correct copy of the Houston Deed of Trust is attached hereto and incorporated herein as Exhibit “C.”

18. The Houston Deed of Trust also included the following cross-collateralization provision:

This Deed of Trust shall secure, in addition to the [Houston Promissory] Note, all funds hereafter advanced by Beneficiary to or for the benefit of Grantor, as contemplated by any covenant or provision contained or for any other purpose, and all other indebtedness, of whatever kind or character, owing or which may hereafter become owing by Grantor to Beneficiary, whether such indebtedness is evidenced by note, open account, overdraft, endorsement, surety agreement, guaranty or otherwise, it being contemplated that Grantor may hereafter become indebted to Beneficiary in further sum or sums.

19. The Houston Note's original maturity date was November 21, 2014.

5201-5207 W. WASHINGTON BLVD. CHICAGO, ILLINOIS 60644 (THE "CHICAGO PROPERTY")

20. In this transaction, EB Finance pooled money together from investors, then acted as servicer of a loan from the investors to EB Capital. EB Capital used the loan proceeds to acquire the Chicago Property, and in exchange, executed a promissory note to EB Finance, as servicer and agent for the investors, which was secured by a Deed of Trust to the Chicago Property.

21. On January 27, 2015, AMark and EB Finance mutually executed a Collateral Agency and Servicing Agreement (the "Chicago Servicing Agreement"), a true and correct copy of which is attached hereto as Exhibit "D."

22. Pursuant to the terms of the Chicago Servicing Agreement, AMark invested the sum of \$367,500.00, alongside a 2-point incentive in the amount of \$7,500.00, for a total investment of \$375,000.00 to be used as part of the funds that would finance the purchase of the Chicago Property.

23. On January 30, 2015, EB Capital and EB Finance executed a promissory note (the "Chicago Promissory Note") in the amount of \$2,200,000.00, a true and correct copy of which is attached hereto as Exhibit "E."

24. Pursuant to the terms of the Chicago Promissory Note, EB Finance pooled AMark's investment with \$1,825,000.00 in additional funds from other investors and loaned EB Capital the amount of \$2,200,000.00, which EB Capital used to purchase the Chicago Property.

25. The same day, January 30, 2015, EB Capital executed a mortgage security instrument for the Chicago Property (the "Chicago Security Instrument") in favor of EB Finance, as servicer and agent for the investors, securing repayment of the Chicago Promissory Notice. A

true and correct copy of the Chicago Security Instrument is attached hereto and incorporated herein as Exhibit “F.”

26. The Chicago Note’s original maturity date was February 1, 2017.

DEFENDANTS’ DEFAULT AND FRAUDULENT CONDUCT

27. Based on information and belief, EB Capital, Hard Money, and EB Finance are jointly owned, in whole or in part, by Jerry H. Cohen and Shaun D. Cohen.

28. In operating EB Capital, Hard Money, and EB Finance, Jerry H. Cohen and Shaun D. Cohen engaged in a substantial amount of self-dealing.

29. Specifically, Shaun D. Cohen, on behalf of Hard Money and EB Finance, has repeatedly extended the maturity date of both the Houston Promissory Note and the Chicago Promissory Note without Plaintiff’s approval, and in fact against Plaintiff’s express direction, which violates both the terms of the Houston Servicing Agreement and the terms of the Chicago Servicing Agreement.¹

30. Furthermore, EB Capital recently sold the Chicago Property without paying off the Chicago Promissory Note. To aid and abet this transaction, Shaun D. Cohen, on behalf of EB Finance, released the Chicago Security Instrument securing repayment of the Chicago Promissory Note.

31. Shaun D. Cohen’s release of Chicago Security Instrument was conducted without any prior knowledge or approval by Plaintiff, which is required pursuant to the terms of the Chicago Servicing Agreement. Moreover, his actions allowed him and his father to abscond with no less than AMark’s portion of the purchase price without repaying the underlying debts owed.

¹ It is worth noting that, in addition to being the President of Hard Money and EB Finance, Shaun D. Cohen is also the Vice President of EB Capital—further evidencing fraudulent conduct in this matter.

32. Likewise, the terms of the sale itself evidence breaches of fiduciary duty. EB Capital sold the property, without notice to Plaintiff, as part of a bulk sale with several other properties owned by EB Capital. Shaun D. Cohen contends that the price was negotiated as a whole and that he is plainly unaware of what portion of the sale price was allotted for the Chicago Property.² Plaintiff asserts that Shaun D. Cohen's contention, if true, in itself constitutes a breach of fiduciary duty. In essence, Shaun D. Cohen contends that, as servicer, he executed a release of the Chicago Security Instrument, without paying the lenders or providing them notice, and allowed the property to be sold by the borrower, of which he is the Vice President, without any knowledge of the price for which the Chicago Property sold.

33. Finally, based on information and belief, Defendants have not been timely paying the property taxes for either the Houston Property or the Chicago Property, causing penalties and interest to accrue in violation of the terms of the Houston Deed of Trust and the Chicago Security Instrument.

34. Based upon these facts, Plaintiff has reason to believe that his investment has been misappropriated and fraudulently diverted for the personal benefit of Shaun D. Cohen and Jerry H. Cohen.

35. To date, AMark's investment has not been repaid and the vast majority of the investment returns have not been forthcoming.³

36. After all lawful offsets and credits to Defendants' account, the amount of \$631,855.64 remained due and owing as of March 1, 2018.

² Shaun D. Cohen's various statements regarding the sale price of the Chicago Property have been inconsistent with each other and with public records reflecting the transaction.

³ As this matter escalated to the point necessitating the filing of this lawsuit, Defendants returned \$75,000.00 of the funds invested but have failed and refused to repay any further funds.

37. All conditions precedent to Plaintiffs' recovery of judgment against Defendants have occurred, been performed or been waived.

IV. CAUSES OF ACTION

COUNT 1: COMMON-LAW & STATUTORY FRAUD – ALL DEFENDANTS

38. Plaintiff incorporates herein all prior and subsequent allegations in this pleading as though fully set forth herein.

39. Defendants committed common-law and statutory fraud by making material misrepresentations to Plaintiff regarding, among other things, the use of the invested funds and underlying security interests in the Houston Property and the Chicago Property. These misrepresentations were made with the intent to cause Plaintiff to entrust each of the Defendants with a substantial financial investment, which has been misused, diverted, or has otherwise disappeared. Plaintiff relied on Defendants' representations to his detriment and has suffered actual damages as a proximate result in the amount of \$631,855.64 as of March 1, 2018, for which Plaintiff now seeks recovery from Defendants.

40. Defendants' conduct as set forth herein was committed with fraud, actual malice and specific intent to harm Plaintiff. Defendants' conduct was unjustified, likely to cause serious harm to Plaintiffs, and involved an extreme degree of risk considering the probability and magnitude of potential harm to Plaintiff. Defendants had actual subjective awareness of the risk involved, but nevertheless proceeded in conscious indifference to the rights and welfare of Plaintiff. As such, Plaintiff seeks recovery of punitive damages from Defendants.

COUNT 2: BREACH OF CONTRACT – HARD MONEY AND EB FINANCE

41. Plaintiff incorporates herein all prior and subsequent allegations in this pleading as though fully set forth herein.

42. Plaintiff is entitled to recover damages for a cause of action for breach of contract. Plaintiff had a valid and enforceable agreement with each Hard Money and EB Finance, whereby Plaintiff provided financing for the purchase of the Houston Property and the Chicago Property, and Hard Money and EB Finance agreed to provide servicer and agent services. These funds were to be used for the furtherance of that venture, and the resulting ownership interest in each property was to secure Plaintiff's repayment of his investment. Despite Plaintiff's complete performance, Hard Money and EB Finance breached their contracts by failing to ensure that the funds were used for their intended purpose and were adequately protected by a security interest in each the Houston Property and the Chicago Property. As a proximate result of Hard Money and EB Finance's false promises and failure to fulfill the same, Plaintiff has suffered damages in the form of economic loss in the amount of \$631,855.64 as of March 1, 2018, for which Plaintiff now seeks recovery from Defendants.

COUNT 3: MONEY HAD AND RECEIVED – ALL DEFENDANTS

43. Plaintiff incorporates herein all prior and subsequent allegations in this pleading as though fully set forth herein.

44. Plaintiff is entitled to recover damages under the equitable theory of money had and received. Defendants hold money that was tendered to them for business purposes. This money was not used for its intended purposes and was procured through fraud. Accordingly, the money, in equity and good conscience, belongs to Plaintiff. Plaintiff has suffered damages in the form of economic loss in the amount of \$631,855.64 as of March 1, 2018, for which Plaintiff now seeks recovery from Hard Money and EB Finance.

COUNT 4: BREACH OF FIDUCIARY DUTY – HARD MONEY AND EB FINANCE

45. Plaintiff incorporates herein all prior and subsequent allegations in this pleading as though fully set forth herein.

46. Plaintiff is entitled to recover judgment from Hard Money and EB Finance under a cause of action for breach of fiduciary duty. Specifically, Hard Money and EB Finance owed fiduciary duties to Plaintiff. Based upon information and belief, Hard Money and EB Finance breached the following duties with respect to Plaintiff: the duty of loyalty and utmost good faith, the duty of candor, the duty to refrain from self-dealing, the duty to act with integrity, and the duty of full disclosure. The breach of these duties caused damages to Plaintiff, compromising substantial sums of money entrusted to Hard Money and EB Finance, and resulted in significant benefit to Hard Money and EB Finance and their businesses. Plaintiff relied on Hard Money and EB Finance's positions as fiduciaries to his detriment and has suffered actual damages as a proximate result in the amount of \$631,855.64 as of March 1, 2018, for which Plaintiff now seeks recovery from Hard Money and EB Finance.

47. Hard Money and EB Finance's conduct as set forth herein was committed with actual malice and specific intent to harm Plaintiff. Hard Money and EB Finance's conduct was unjustified, likely to cause serious harm to Plaintiff, and involved an extreme degree of risk considering the probability and magnitude of potential harm to Plaintiff. Hard Money and EB Finance sought to gain an additional, unwarranted benefit at Plaintiff's expense. As such, Plaintiff seeks recovery of exemplary damages from Hard Money and EB Finance.

COUNT 5: CONSPIRACY – ALL DEFENDANTS

48. Plaintiff incorporates herein all prior and subsequent allegations in this pleading as though fully set forth herein.

49. Plaintiff is entitled to recover damages from each Defendant for the actions of each other Defendant because Defendants acted in conspiracy to defraud and damage Plaintiff. Defendants are a combination of two or more persons and entities, the object of the combination was the carrying out of the unlawful actions described above, Defendants had a meeting of the minds on the course of action, and each of Defendants committed unlawful acts described above. As a result of these unlawful acts, Plaintiff has suffered damages in the form of economic loss in the amount of \$631,855.64 as of March 1, 2018, for which Plaintiff now seeks recovery from all Defendants.

COUNT 6: CONSTRUCTIVE TRUST – ALL DEFENDANTS

50. Plaintiff incorporates herein all prior and subsequent allegations in this pleading as though fully set forth herein.

51. Due to Jerry H. Cohen and Shaun D. Cohen's, and by effect, their co-conspirators' fraud and breaches of fiduciary duty, Plaintiff is entitled to the imposition of a constructive trust on the proceeds, funds and property obtained by Defendants as a result of that fraud and breaches of fiduciary duty. This constructive trust should include, at a minimum, all monies held by any of the Defendants, as well as the proceeds therefrom, as may be uncovered through the course of this suit. Said constructive trust shall be for the benefit of Plaintiff and the contents thereof liquidated and paid over to Plaintiffs in an amount equal to Plaintiff's damages of \$631,855.64 as of March 1, 2018.

COUNT 7: FORECLOSURE OF INTEREST IN REAL PROPERTY

52. Plaintiff incorporates herein all prior and subsequent allegations in this pleading as though fully set forth herein.

53. Based upon EB Capital's default under the terms of the Houston Promissory Note

and the Chicago Promissory Note, Plaintiff's interest in the Houston Property has become a present and enforceable interest subject to foreclosure. Plaintiff accordingly seeks to foreclose upon his interest, take ownership of the Houston Property, and sell the Houston Property to satisfy the Houston Promissory Note and the Chicago Promissory Note.

COUNT 8: ATTORNEY'S FEES

54. Plaintiff incorporates herein all prior and subsequent allegations in this pleading as though fully set forth herein.

55. Due to Defendants' actions, Plaintiff has been forced to retain the undersigned attorney to represent him in this action and has agreed to pay reasonable and necessary attorneys' fees. An award of reasonable and necessary attorneys' fees to Plaintiff would be equitable and just, and is authorized by TEX. CIV. PRAC. & REM. CODE § 38.001 *et. seq.*

V. PRAYER

WHEREFORE, PREMISES CONSIDERED, Plaintiff prays that Defendants be cited to appear and answer herein; that upon final hearing hereof, Plaintiff have judgment against Defendants in the amount of \$631,855.64, as well as exemplary judgment as provided by law, pre-judgment interest per annum from March 1, 2018 until date of judgment; that a constructive trust be imposed as requested herein; for costs of Court, post-judgment interest as provided by law, attorney's fees; and such other relief, special or general, at law or in equity to which Plaintiff may show himself justly entitled.

Respectfully submitted,

**VERIFIED COMPLAINT TO SET ASIDE FRAUDULENT TRANSFERS & FOR
INJUNCTIVE RELIEF**

Plaintiff, MICHIGAN SHORE APARTMENTS LLC (hereinafter “MSA”) by its undersigned counsel, CARY G. SCHIFF & ASSOCIATES, hereby files the following Verified Complaint to Set Aside Fraudulent Transfers & For Injunctive Relief against Defendants EQUITYBUILD, INC., SSDF7 PORTFOLIO 1 LLC, and LIBERTY EBCP LLC, and pleads as follows:

NATURE OF THE CASE

On March 20, 2018, MSA filed a Complaint against EquityBuild, Inc., and other defendants, based upon fraud, breach of fiduciary duty, breach of contract, legal malpractice, and declaratory judgment relating to MSA’s July 2015 purchase of an apartment building located at 7616-7624 S. Phillips Avenue, Chicago, Illinois. (Case No. 2018-CH-03665, Circuit Court of Cook County, Chancery Division). Approximately six weeks after MSA filed its suit, on May 7, 2018, EquityBuild transferred fourteen real estate properties to a newly formed entity, SSDF7 Portfolio 1 LLC, in transactions exempted from real estate transfer taxes. The SSDF7 entity is also under the control of EquityBuild’s President, Jerry Cohen, a named defendant in Case No.

FILED DATE: 7/19/2018 4:32 PM 2018CH09098

2018-CH-03665. This suit asks the Court to set aside EquityBuild's May 7, 2018 transfers and to enter injunctive relief pursuant to the Illinois Uniform Fraudulent Transfer Act, 740 ILCS 160/1, *et seq.*

THE PARTIES & JURISDICTION

1. MICHIGAN SHORE APARTMENTS LLC ("MSA") is an Illinois limited liability company. Marlen Junck was a founding member and manager of MSA, who died on February 1, 2018.

2. EQUITYBUILD, INC., ("EB") is a Florida corporation. Its president is Jerry Cohen, of Marco Island, Florida. EB engages in continuous and substantial business in Illinois, including numerous real estate transactions in Chicago, Illinois, and Cook County, Illinois, during the time period of this Complaint.

3. SSDF7 PORTFOLIO 1 LLC, ("SSDF7") is an Illinois limited liability company, with its principal place of business located at 1414 E. 62nd Place, Chicago, Illinois 60637. SSDF7's manager is SSDF7 Holdco 1 LLC, a Delaware limited liability company, with its principal place of business also located at 1414 E. 62nd Place, Chicago, Illinois. SSDF7 Holdco 1 LLC's manager is South Shore Property Holdings LLC, a Delaware limited liability company. South Shore Property Holdings LLC's managing member is Jerry Cohen, of Marco Island, Florida. SSDF7 Portfolio 1 LLC is authorized to do business or acquire and hold title to real estate in Illinois and has been a party to numerous real estate transactions in Chicago, Illinois, and Cook County, Illinois, during the time period of the Complaint.

4. LIBERTY EBCP LLC ("Liberty") is a Delaware limited liability company, with its address located at 1500 JFK Boulevard, Suite 250, Philadelphia, Pennsylvania.

FACTS

5. EB is a limited liability company that offers a proprietary system (the “EquityBuild System”) for investing in real estate.

6. On March 20, 2018, MSA filed suit against EB, its President, Jerry Cohen, and other defendants, based upon fraud, breach of contract, breach of fiduciary duties, civil conspiracy, and other related claims, in the Circuit Court of Cook County, Chancery Division, Case No. 2018-CH-03665. (Copy of March 20, 2018 Complaint attached hereto as Exhibit A).

7. On April 4, 2018, the Sheriff of Cook County served EB with the Summons and Complaint in Case No. 2018-CH-03665. Pursuant to the Summons and Illinois Supreme Court Rule 181(a), EB had thirty days after the date of service, until May 4, 2018, to respond to the Complaint.

8. EB failed to file a timely response to the Complaint, and MSA moved for default in Case No. 2018-CH-03665, on May 14, 2018. Following the Motion for Default, EB filed its Appearance on May 23, 2018.

9. On May 7, 2018, while in default of its obligation to respond to the Complaint in Case No. 2018-CH-03665, EB transferred fourteen (14) real estate properties all located in Chicago, via warranty deed, to SSDF7. All of the transfers were purportedly exempt from real estate transfer taxes. State and local laws require real estate transfer taxes to be paid where properties are transferred pursuant to an arm’s length transaction for consideration in excess of \$100.00. EB did not receive reasonably equivalent value in exchange for the transfers to SSDF7.

10. The properties transferred by EB to SSDF7 on May 7, 2018, are the following:

(Copies of May 7, 2018 Warranty Deeds attached hereto as Group Exhibit B).

COUNT I – ACTION TO SET ASIDE FRAUDULENT TRANSFERS – FRAUD IN FACT

(740 ILCS 160/5) (Against All Defendants)

14. Plaintiff hereby incorporates by reference the allegations contained in the Paragraphs above.

15. 740 ILCS 160/5(a), of the Illinois Uniform Fraudulent Transfer Act (“IUFTA,”) provides, “[A] transfer made or obligation incurred by a debtor is fraudulent as to a creditor, whether the creditor’s claim arose before or after the transfer was made or the obligation was incurred, if the debtor made the transfer or incurred the obligation: (1) with actual intent to hinder, delay, or defraud any creditor of the debtor...”

16. Pursuant to 740 ILCS 160/5(b), in determining whether a debtor acted with “actual intent” as described in section 5(a), a court may give consideration, among others, to eleven enumerated factors, including whether:

- (1) The transfer or obligation was to an insider;
- (2) The debtor retained possession or control of the property transferred after the transfer;
- (4) Before the transfer was made or obligation was incurred, the debtor had been sued or threatened with suit;
- (8) The value of the consideration received by the debtor was reasonably equivalent to the value of the asset transferred or the amount of the obligation incurred;
- (9) The debtor was insolvent or became insolvent shortly after a the transfer was made or the obligation incurred.

740 ILCS 160/5(b).

17. MSA is considered a creditor for purposes of the Illinois Uniform Fraudulent Transfer Act. 740 ILCS 160/2(d) defines a “creditor” as any “person who has a claim, including a claim for past-due child support.”

18. MSA’s pending lawsuit against EB constitutes a “claim” pursuant to 740 ILCS 160/2(c). A “claim” means a right to payment, whether or not the right is reduced to judgment.

19. EB is a “debtor” pursuant to the Illinois Uniform Fraudulent Transfer Act. 740 ILCS 160/2(f) defines a “debtor” as “a person who is liable on a claim.”

20. The transfers of assets made by EB to SSDF7 on May 7, 2018 were made with actual intent to hinder, delay, or defraud MSA:

- a. The transfers were made to an insider of EB. Jerry Cohen is the President of EB, and he is a managing member of a manager of a manager of SSDF7. Jerry Cohen holds decision-making authority over both EB and SSDF7;
- b. EB and/or Jerry Cohen, President of EB, retained control over the properties it transferred to SSDF7. EB advertises and solicits “investments” in the properties transferred to SSDF7 on EB’s website;
- c. Before the transfer was made, EB had been sued and served with summons and complaint, in Case No. 2018-CH-03665. Jerry Cohen had been personally served and was aware of the pending suit;
- d. EB did not receive reasonably equivalent value in exchange for the transfers of the fourteen properties. EB did not receive consideration in excess of \$100.00 for the properties it transferred. The transactions did not take place at arm’s length, and SSDF7 did not act in good faith.

21. EB's May 7, 2018 transfers to SSDF7 therefore constitute fraudulent conveyances under the IUFTA.

22. On information and belief, EB was insolvent as of May 7, 2018, for purposes of the IUFTA. On information and belief, the sum of EB's debts as of May 7, 2018 is greater than its assets at a fair valuation. On information and belief, EB is generally not paying its debts as they become due.

23. The IUFTA, in 740 ILCS 160/8(a), provides that in an action for relief against a transfer under the IUFTA, a creditor may obtain:

- (1) Avoidance of the transfer or obligation to the extent necessary to satisfy the creditor's claim;
- (2) An attachment or other provisional remedy against the asset transferred or other property of the transferee in accordance with the procedure prescribed by the Code of Civil Procedure;
- (3) Subject to applicable principles of equity and in accordance with applicable rules of civil procedure,
 - (A) An injunction against further disposition by the debtor or a transferee, or both, of the asset transferred or of other property;
 - (B) Appointment of a receiver to take charge of the asset transferred or of other property of the transferee; or
 - (C) Any other relief the circumstances may require.

WHEREFORE, pursuant to Count I of its Complaint, Plaintiff prays that this Court enter an order avoiding the May 7, 2018 transfers of EQUITYBUILD, INC., to SSDF7 PORTFOLIO 1

LLC, to the extent necessary to satisfy Plaintiff MICHIGAN SHORE APARTMENTS LLC's claim against EQUITYBUILD, INC.; in the alternative, permitting an attachment or other provisional remedy against the assets transferred by EQUITYBUILD, INC., on May 7, 2018, in accordance with the procedure prescribed by the Code of Civil Procedure; granting Plaintiff interests and rights in the assets transferred on May 7, 2018, that are superior to those of LIBERTY EBCP LLC; for an injunction against further disposition by SSDF7 PORTFOLIO 1 LLC and/or LIBERTY EBCP LLC, of any of the assets transferred by EQUITYBUILD, INC., on May 7, 2018; appointing a receiver to take charge of the assets transferred by EQUITYBUILD, INC., on May 7, 2018; awarding Plaintiff its attorney's fees and costs; and for other and further relief as the Court shall deem just and proper.

COUNT II – ACTION TO SET ASIDE FRAUDULENT TRANSFERS – FRAUD IN LAW

(740 ILCS 160/6(a)) (Against All Defendants)

24. Plaintiff hereby incorporates by reference the allegations contained in the Paragraphs above.

25. Pursuant to 740 ILCS 160/6(a), a transfer made by a debtor is fraudulent as to a creditor whose claim arose before the transfer was made if the debtor made the transfer without receiving a reasonably equivalent value in exchange for the transfer and the debtor was insolvent at that time or became insolvent as a result of the transfer.

26. MSA's claim against EB arose before EB made the May 7, 2018 transfers to SSDF7.

27. EB did not receive a reasonably equivalent value in exchange for its May 7, 2018 property transfers to SSDF7.

28. On information and belief, EB was insolvent and/or became insolvent as a result of the May 7, 2018 transfers to SSDF7.

29. The IUFTA, in 740 ILCS 160/8(a), provides that in an action for relief against a transfer under the IUFTA, a creditor may obtain:

- (1) Avoidance of the transfer or obligation to the extent necessary to satisfy the creditor's claim;
- (2) An attachment or other provisional remedy against the asset transferred or other property of the transferee in accordance with the procedure prescribed by the Code of Civil Procedure;
- (3) Subject to applicable principles of equity and in accordance with applicable rules of civil procedure,
 - (A) An injunction against further disposition by the debtor or a transferee, or both, of the asset transferred or of other property;
 - (B) Appointment of a receiver to take charge of the asset transferred or of other property of the transferee; or
 - (C) Any other relief the circumstances may require.

WHEREFORE, pursuant to Count II of its Complaint, Plaintiff prays that this Court enter an order avoiding the May 7, 2018 transfers of EQUITYBUILD, INC., to SSDF7 PORTFOLIO 1 LLC, to the extent necessary to satisfy Plaintiff MICHIGAN SHORE APARTMENTS LLC's claim against EQUITYBUILD, INC.; in the alternative, permitting an attachment or other provisional remedy against the assets transferred by EQUITYBUILD, INC., on May 7, 2018, in accordance with the procedure prescribed by the Code of Civil Procedure; granting Plaintiff

interests and rights in the assets transferred on May 7, 2018, that are superior to those of LIBERTY EBCP LLC; for an injunction against further disposition by SSDF7 PORTFOLIO 1 LLC and/or LIBERTY EBCP LLC, of any of the assets transferred by EQUITYBUILD, INC., on May 7, 2018; appointing a receiver to take charge of the assets transferred by EQUITYBUILD, INC., on May 7, 2018; awarding Plaintiff its attorney's fees and costs; and for other and further relief as the Court shall deem just and proper.

FACTS

7. EB is a limited liability company that offers a proprietary system (the “EquityBuild System”) for investing in real estate. 8. According to EB's marketing materials, Jerry Cohen operates EB, and his son, Shaun Cohen, operates EB Finance. EB claims to be a real estate investment company, while EB Finance claims to be a "real estate note investment company."

9. From 2013 through 2015, EB solicited Marlen Junck with investment offers.

10. In its written representations to Marlen Junck, in an effort to induce him to transact business with EB, EB made the following guarantees, representations, and promises, among others:

- a. "Net Operating Income" – EB guarantees that its investors will be compensated for any deficiency between the represented net operating income for the real estate purchased by the investor and the actual net operating income for the property;
- b. "Major Systems" – EB guarantees that it will repair or replace plumbing, electrical, roofing, and HVAC systems during the first two years of the investor's ownership of the property;
- c. "Property Value" – EB guarantees that the value of the real estate purchased will not drop below the cost of purchasing and renovating the property. In the event of any loss, EB guarantees to reimburse the difference.
- d. "No Losses Guarantee" – EB guaranteed that the value of the real estate purchased by Junck would not "go lower than the amount of the mortgage on the property for a full year from the date of purchase";
- e. "Rent Guarantee" – EB guaranteed that if, in the first year of Junck's ownership of the property, Section 8 qualification ceased for any reason other than

ownership failure, EB will pay Section 8 rents for the property until Section 8 qualification is reestablished and payments resumed;

- f. "No Maintenance Guarantee" – EB guaranteed that during the first 12 months of rental activity, EB will pay for any and all maintenance required for the property.

11. In May 2015, EB sent Marlen Junck several solicitations seeking his investment in "turnkey" real estate projects. In its written representations to Junck, EB told him that it would handle all aspects of the rehab, leasing and property management in its "turnkey" model. EB claimed that it "finds the properties, arranges financing, renovates the properties as necessary, finds tenants, and manages the property." EB promised Junck that no prior experience in real estate was necessary.

12. To prospective investors, including Junck, EB states that its "100% turnkey" method of real estate investing "means all you need to do is decide whether or not to invest. We [EB] identify the properties, fully vet them, perform multiple inspections, rehabilitate as needed, market the property, find quality tenants, and manage the property." EB claimed that its owner had been in real estate since 1984 and had completed "over 1,000 deals." EB advertised that its investors required "no specialized knowledge" and instead would receive "the benefit of [EB's] expertise and [EB's] experience."

13. Junck initially, and on numerous occasions, refused EB's solicitations to purchase real estate based on EB's "turnkey" model. Following Junck's refusals, EB persisted further in its attempts to solicit Junck's investment.

14. In May 2015, EB sent Junck a *pro forma* containing fourteen pages of details regarding the Premises, a property located at 7616 S. Phillips Avenue, Chicago, Illinois. The *pro*

forma included a "Financial Analysis" of the costs and net income to the prospective investor. According to the "Financial Analysis," in the seventh month after the investment, the investor would be receiving \$19,032 in net operating income from the Premises.

15. After reviewing the *pro forma*, Junck spoke with Adam P. Gordon, EB's National Sales Manager, regarding the "Financial Analysis" included in the *pro forma*. Junck asked Gordon what could alter or change the financial analysis. Gordon assured Junck that with EB's "vast experience," including over a thousand transactions of a similar type, nothing would alter the analysis. Gordon assured Junck of the results described in the "Financial Analysis."

16. Based on the guarantees, representations, and promises of EB, Junck moved forward with the proposed investment.

17. On June 3, 2015, Junck, his spouse Arlene Junck, and Junck's business partners, George Cherian and Reena George, together formed an Illinois limited liability company, Michigan Shore Apartments, LLC ("MSA"), for the purpose of proceeding with the investment with EB.

18. On June 8, 2015, the members of MSA adopted a resolution to proceed with the purchase of the Premises at 7616 S. Phillips Avenue from EB.

19. On June 10, 2015, MSA entered into a purchase contract for the Premises with EB. (Copy of real estate purchase contract attached hereto as Exhibit P-1). The purchase contract stated that MSA would pay a purchase price of \$1,514,650.00, for the Premises.

20. In the June 10, 2015 Contract, EB made an express representation that it had not received written notice of any building code violations at the Premises that had not been corrected. In fact, as of June 10, 2015, EB had received written notices of multiple building code violations at the Premises that had not been corrected. Additionally, EB was aware of pending litigation filed

by the City of Chicago regarding municipal code violations at the Premises (Cook County Circuit Court Case No. 14-M1-403019), at the time it signed the June 10, 2015 Contract.

21. EB told Junck that most investors purchasing property from EB completed the purchase by sending a power of attorney form to Illinois attorney MARK BROSIUS, who was purportedly familiar with EB's procedures and transaction documents. EB recommended that Junck retain Brosius to complete the transaction on behalf of MSA.

22. On June 23, 2015, Junck signed a document labeled "Illinois Statutory Power of Attorney" in which he, in his capacity as a member of MSA, appointed MARK BROSIUS, as the attorney-in-fact with respect to MSA's purchase of the Premises. (Copy of Illinois Statutory Power of Attorney attached hereto as Exhibit P-2).

23. On June 25, 2015, EB signed a Warranty Deed conveying the Premises at 7616-7624 S. Phillips Avenue, Chicago, Illinois, to MSA. (Copy of Warranty Deed attached hereto as Exhibit P-3). Jerry Cohen, EB's President, signed the Warranty Deed.

24. Acting pursuant to the "Illinois Statutory Power of Attorney," Brosius executed numerous documents on June 29, 2015, including:

- Commercial Flat Rate Promissory Note (attached hereto as Exhibit P-4);
- Mortgage for the Premises (attached hereto as Exhibit P-5);
- Construction Loan & Escrow Agreement (attached hereto as Exhibit P-6);
- Personal Guaranty (purportedly on behalf of Junck, individually) (attached hereto as Exhibit P-7);
- HUD-1 Settlement Statement (attached hereto as Exhibit P-8).

25. In conjunction with the transaction for the Premises, EB and EB Finance together acted in numerous different capacities, on all sides of the same transaction, including as seller, buyer's investment advisor, lender, buyer's renovation and construction manager, and the party with unilateral control over the construction escrow account described below. EB also proposed, directed, and/or controlled the general contractor and property management company used in

conjunction with the renovation plan for the Premises that EB prepared and marketed to potential investors.

26. Pursuant to the terms of the June 29, 2015 Commercial Flat Rate Promissory Note ("Note,"), MSA borrowed the principal amount of \$1,950,000.00 from fourteen persons listed on an exhibit attached to the Promissory Note, "c/o EquityBuild Finance, LLC." The interest rate on the Note was 15 percent, *per annum*.

27. Pursuant to the terms of the Note, MSA was obligated to make monthly interest-only payments, care of EB Finance, in the amount of \$24,375.00 per month.

28. Under the terms of the Note, on or before July 1, 2017, the entire principal balance, together with any unpaid interest, was due and payable in full from MSA to EB Finance.

29. Pursuant to the guarantees, representations, and promises made by EB, and the terms of the Construction Loan & Escrow Agreement, the renovations at the Premises were to be completed within 120 days of June 29, 2015 (on or before October 27, 2015).

30. Pursuant to the Construction Loan & Escrow Agreement, EB Finance unilaterally controlled \$435,350.00 of the amount from the Note in a separate "Construction Escrow" account.

31. In conjunction with the purchase of the Premises, EB Finance charged a \$97,500.00 "Origination Fee."

32. On June 29, 2015, solely on the basis of his purported authority under the "Illinois Statutory Power of Attorney," Brosius signed a Personal Guaranty, as attorney-in-fact for Junck. The terms of the Personal Guaranty purport that Junck will promptly pay the full amount of principal and interest of the \$1,950,000.00 "Demand Note" signed by MSA, in the event of a default by MSA.

33. Following the purchase of the Premises, EB failed to commence the renovations at the Premises in a timely fashion. EB's actions were in violation of its written representations and its promises to handle "all aspects" of the rehabilitation of the Premises.

34. During the months following the purchase of the Premises, Junck contacted EB repeatedly regarding the commencement of the renovation work at the Premises.

35. On August 24, 2015, EB's Asset Manager admitted to Junck that no work had been completed at the Premises and EB had still not yet signed a contractor agreement to commence the renovation work at the Premises.

36. On or about October 6, 2015, more than three months after EB was supposed to commence renovations, Junck received a Notice of Violation and Summons from the City of Chicago regarding municipal code violations at the Premises. Junck contacted a representative of the City of Chicago about the violations and informed the representative that EB was renovating the Premises. The City of Chicago representative informed Junck that no work had been completed at the Premises and that EB had not submitted any plans to the City to begin work.

37. On October 6, 2015, after learning from the City of Chicago that EB had failed even to submit plans to begin renovations at the Premises, Junck contacted EB's asset manager, Dishan Newton. Newton told Junck that she would "look into it."

38. EB failed to retain a contractor for the renovation of the Premises during October 2015 or to obtain any permits to begin renovation work during 2015.

39. On November 3, 2015, in response to further demands from Junck that EB commence renovations at the Premises, Newton told Junck that she had "received word that a contract will be awarded this week" regarding the renovations.

40. EB did not enter any contract to begin renovations at the Premises during November 2015.

41. On December 16, 2015, EB finally signed an agreement hiring a contractor to begin renovations at the Premises. EB signed an AIA Document A101-2007 Standard Form of Agreement Between Owner and Contractor, in which Lifetime Remodelers, Inc., (hereinafter "Lifetime,") an Illinois corporation, agreed to complete the renovations at the Premises. (Copy of AIA Agreement attached hereto as Exhibit P-9);

42. Pursuant to the AIA Contract between EB and Lifetime, renovations were supposed to be completed by March 29, 2016. The building code violations at the Premises were to be cured by Lifetime no later than January 21, 2016, under the AIA Contract.

43. Following the signing of the December 16, 2015 AIA Contract, EB and its contractor failed to commence the renovations and cure building code violations in a timely fashion, in accordance with their duties and representations.

44. EB and Lifetime failed to complete renovations at the Premises by March 29, 2016, and they failed to cure the building code violations at the Premises by January 21, 2016.

45. In January 2016, Junck contacted EB's Asset Manager regarding the pending court case for building code violations and asked when the necessary work would be completed. EB's Asset Manager responded and assured Junck that EB's attorneys were working on the matter and that "all" would be repaired.

46. In fact, EB and its agents, including Lifetime, failed to correct the building code violations at the Premises in a timely fashion, and some remain uncorrected, even as of the date of the filing of this Complaint.

47. The Circuit Court of Cook County held hearings on the uncorrected building code violations at the Premises, in Case No. 14-M1-403019, on the following dates: March 29, 2016; April 26, 2016; August 2, 2016; August 23, 2016; October 4, 2016; November 22, 2016; January 10, 2017; March 7, 2017; May 16, 2017; July 25, 2017; August 17, 2017; September 8, 2017; September 28, 2017; January 11, 2018. As of the date of this Complaint, the next hearing in Case No. 14-M1-403019 is scheduled for March 22, 2018.

48. Each passing month, EB failed to complete construction at the Premises. As of the date of this Complaint, the renovation of the Premises remains unfinished, and building code violations remain uncorrected.

49. During 2016, EB and Lifetime failed to obtain certificates of occupancy for all of the units at the Premises.

50. Each month of delay in the renovation of the Premises caused MSA to suffer damages in the amount of more than \$25,000.00 in interest payments, plus lost rental income at the Premises. EB's actions also prevented MSA from refinancing the loan on the Premises.

51. EB's actions benefitted EB Finance, at the expense of MSA. EB Finance received additional months of interest due to EB's failure to commence and perform renovations at the Premises in a timely fashion.

53. EB, in conjunction with EB Finance, through Jerry Cohen and Shaun Cohen, made numerous false statements of material fact to MSA and Junck, including, but not limited to:

- a. "Net Operating Income" – EB guarantees that its investors will be compensated for any deficiency between the represented net operating income for the real estate purchased by the investor and the actual net operating income for the property;
- b. "Major Systems" – EB guarantees that it will repair or replace plumbing, electrical, roofing, and HVAC systems during the first two years of the investor's ownership of the property;
- c. "Property Value" – EB guarantees that the value of the real estate purchased will not drop below the cost of purchasing and renovating the property. In the event of any loss, EB guarantees to reimburse the difference.
- d. "No Losses Guarantee" – EB guaranteed that the value of the real estate purchased by Junck would not "go lower than the amount of the mortgage on the property for a full year from the date of purchase";
- e. "Rent Guarantee" – EB guaranteed that if, in the first year of Junck's ownership of the property, Section 8 qualification ceased for any reason other than ownership failure, EB will pay Section 8 rents for the property until Section 8 qualification is reestablished and payments resumed;
- f. "No Maintenance Guarantee" – EB guaranteed that during the first 12 months of rental activity, EB will pay for any and all maintenance required for the property.

- g. EB told Marlen Junck that it would handle all aspects of the rehab, leasing and property management in its "turnkey" model.
- h. In the June 10, 2015 Contract, EB made an express representation that it had not received written notice of any building code violations at the Premises that had not been corrected. In fact, as of June 10, 2015, EB had received written notice of building code violations at the Premises that had not been corrected. Additionally, EB was aware of pending litigation filed by the City of Chicago regarding municipal code violations at the Premises (Cook County Circuit Court Case No. 14-M1-403019), at the time it signed the June 10, 2015 Contract.

54. EB, in conjunction with EB Finance, and through Jerry Cohen and Shaun Cohen, made these statements to Junck and MSA with the intent to induce MSA into investing with EB and entering the real estate transaction for the Premises.

55. At the time that EB made the above statements, EB knew that the statements were false. EB, EB Finance, Jerry Cohen, and Shaun Cohen knew that they would not abide by the guarantees, representations, and promises made to Junck and MSA at the time they made those guarantees, representations, and promises. These false statements were made with the direct intent to enrich EB, EB Finance, Jerry Cohen, and Shaun Cohen, to the detriment of MSA.

56. MSA reasonably relied upon these guarantees, representations, and promises of EB in investing with EB and entering the real estate transaction for the Premises.

57. MSA has suffered damages in excess of \$500,000.00 as a result of reliance upon the false statements of EB, which include, but are not limited to, payments made to EB and EB

Finance pursuant to the real estate transaction for the Premises, lost rents and income relating to the Premises, and attorney’s fees.

58. The fraudulent actions of EB, EB Finance, Jerry Cohen, and Shaun Cohen, as described above, constitute willful, wanton, and malicious conduct. The Defendants’ fraudulent actions were made knowingly and with the intent to obtain financial benefits for EB, EB Finance, Jerry Cohen, and Shaun Cohen. Under the guise of a “no-risk” and “guaranteed” investment, EB, EB Finance, Jerry Cohen, and Shaun Cohen sought to deprive Junck and the members of MSA of their retirement savings, in an effort to enrich EB, EB Finance, Jerry Cohen, and Shaun Cohen.

WHEREFORE, pursuant to Count I, Plaintiff prays that this Court enter a money judgment in their favor against Defendants EQUITYBUILD, INC., EQUITYBUILD FINANCE, INC., JERRY COHEN, and SHAUN COHEN, in an amount in excess of \$500,000.00, to be determined at trial; award Plaintiff punitive damages and attorney’s fees against Defendants; and for other and further relief as the Court shall deem just and proper.

COUNT II – BREACH OF FIDUCIARY DUTY (Against EquityBuild, Inc.)

59. Plaintiff hereby incorporates by reference the allegations contained in the Paragraphs above.

60. EB solicited MSA to invest with EB and its “100% turnkey” system of real estate investing, in an area in which EB purported to have expertise and significant, specialized experience.

61. MSA invested with EB based upon the representations, purported expertise, and promises of EB.

62. In conjunction with the investment it solicited from MSA, EB exercised control of dominance and influence over Plaintiff. EB and EB Finance together acted in numerous different capacities, on all sides of the same transaction, including as seller, buyer's investment advisor, lender, buyer's renovation and construction manager, and the party with unilateral control over the construction escrow account described in this Complaint. EB also proposed, directed, and/or controlled the general contractor and property management company used in conjunction with the renovation plan for the Premises that EB prepared and marketed to potential investors.

63. In its solicitations to MSA, EB advertised a gross disparity in experience and expertise between EB and its investors. EB claimed that its owner had been in real estate since 1984 and had completed "over 1,000 deals." EB advertised that its investors required "no specialized knowledge" and instead would receive "the benefit of [EB's] expertise and [EB's] experience."

64. Accordingly, EB owed fiduciary duties to Plaintiff, in conjunction with Plaintiff's investment and the transactions relating to the Premises.

65. EB breached its fiduciary duties to Plaintiff in conjunction with Plaintiff's investment with EB and the transactions relating to the Premises. EB failed to make a free and frank disclosure of all information it had relating to the transactions and the Premises; EB made knowingly false misrepresentations and promises to induce Plaintiff into entering the transactions; EB knew that Plaintiff had not received any competent, independent advice prior to entering into the transactions; and EB directly benefitted from the transactions, at Plaintiff's expense.

66. EB's breaches of its fiduciary duties to Plaintiff have caused damages to Plaintiff, including damages in excess of \$500,000.00, which include, but are not limited to, payments made

to EB and EB Finance pursuant to the real estate transaction for the Premises, lost rents and income relating to the Premises, and attorney's fees.

67. The actions of EB, as described above, constitute willful, wanton, and malicious conduct. EB's actions, in violation of its fiduciary duties to Plaintiff, were made knowingly and with the intent to obtain financial benefits for EB and its "umbrella" of companies. Under the guise of a "no-risk" and "guaranteed" investment, EB sought to deprive Junck and the members of MSA of their retirement savings, in an effort to enrich EB.

WHEREFORE, pursuant to Count II, Plaintiff prays that this Court enter a money judgment in their favor against Defendant EQUITYBUILD, INC., in an amount in excess of \$500,000.00, to be determined at trial; award Plaintiff punitive damages and attorney's fees against Defendant; and for other and further relief as the Court shall deem just and proper.

COUNT III - NEGLIGENT MISREPRESENTATION (Against EquityBuild, Inc.)

68. Plaintiff hereby incorporates by reference the allegations contained in the Paragraphs above.

73. The actions of EB, as described above, constitute willful, wanton, and malicious conduct. EB's actions, in violation of its duties to Plaintiff, were made knowingly and with the intent to obtain financial benefits for EB and its "umbrella" of companies. Under the guise of a "no-risk" and "guaranteed" investment, EB sought to deprive Junck and the members of MSA of their retirement savings, in an effort to enrich EB.

 - d. "No Losses Guarantee" – EB guaranteed that the value of the real estate purchased by Plaintiff would not "go lower than the amount of the mortgage on the property for a full year from the date of purchase";
 - e. "Rent Guarantee" – EB guaranteed that if, in the first year of Plaintiff's ownership of the property, Section 8 qualification ceased for any reason other than ownership failure, EB will pay Section 8 rents for the property until Section 8 qualification is reestablished and payments resumed;
 - f. "No Maintenance Guarantee" – EB guaranteed that during the first 12 months of rental activity, EB will pay for any and all maintenance required for the property.
 - g. EB told Plaintiff that it would handle all aspects of the rehab, leasing and property management in its "turnkey" model.

notices of numerous building code violations at the Premises that had not been corrected. Additionally, EB was aware of pending litigation filed by the City of Chicago regarding municipal code violations at the Premises (Cook County Circuit Court Case No. 14-M1-403019), at the time it signed the June 10, 2015 Contract.

76. MSA performed its obligations pursuant to the transaction.

77. EB breached its obligations to MSA by failing to abide by the guarantees, representations, and promises it made, as described above. EB breached the representations and promises it made to induce MSA into entering the contract, including its guarantees to compensate MSA for any deficiency between the represented net operating income for the real estate purchased by the investor and the actual net operating income for the property; to reimburse MSA the difference between the value of the Premises and the cost of purchasing and renovating the Premises; and to repair or replace plumbing, electrical, roofing, and HVAC systems during the first two years of the investor's ownership of the property. EB did not pay the Section 8 rents for the property as it guaranteed, and EB did not "handle all aspects of the rehab, leasing and property management in its 'turnkey' model."

78. EB breached the covenant of good faith and fair dealing included in every contract.

79. MSA has suffered damages in excess of \$500,000.00 as a result of EB's breaches, which include, but are not limited to, payments made to EB and EB Finance pursuant to the real estate transaction for the Premises, lost rents and income relating to the Premises, and attorney's fees.

COUNT V – UNJUST ENRICHMENT (Against EquityBuild, Inc. & EquityBuild Finance, Inc.)

80. Plaintiff hereby incorporates by reference the allegations contained in the Paragraphs above.

81. Defendants EB and EB Finance have retained the financial benefits of the real estate transactions relating to the Premises, to the detriment of MSA.

82. Defendants' retention of these financial benefits would violate fundamental principles of justice, equity, and good conscience, due to their fraudulent actions and misrepresentations, as described above.

WHEREFORE, pursuant to Count V, Plaintiff prays that this Court enter a money judgment in its favor against Defendants EQUITYBUILD, INC., & EQUITYBUILD FINANCE, INC., in an amount in excess of \$500,000.00, to be determined at trial; award Plaintiff its attorney's fees against Defendants; and for other and further relief as the Court shall deem just and proper.

85. Jerry Cohen directed the actions of EB in furtherance of the frauds described in the preceding paragraphs.

86. Shaun Cohen directed the actions of EB Finance in furtherance of the frauds described in the preceding paragraphs.

87. Jerry Cohen and Shaun Cohen authored the fraudulent "guarantees," in addition to other deliberate misrepresentations and promises, meant to induce Plaintiff into entering the real estate transaction relating to the Premises and knew that neither EB nor EB Finance intended to abide by the "guarantees" or other promises.

88. Defendants acted together committed the fraudulent acts described above in furtherance of the real estate transaction for the Premises.

89. The fraudulent actions of EB, EB Finance, Jerry Cohen, and Shaun Cohen, as described above, constitute willful, wanton, and malicious conduct. The Defendants' fraudulent actions were made knowingly and with the intent to obtain financial benefits for EB, EB Finance, Jerry Cohen, and Shaun Cohen. Under the guise of a "no-risk" and "guaranteed" investment, EB, EB Finance, Jerry Cohen, and Shaun Cohen sought to deprive Junck and the members of MSA of their retirement savings, in an effort to enrich EB, EB Finance, Jerry Cohen, and Shaun Cohen.

WHEREFORE, pursuant to Count VI, Plaintiff prays that this Court enter a money judgment in their favor against Defendants EQUITYBUILD, INC., EQUITYBUILD FINANCE, INC., JERRY COHEN, and SHAUN COHEN, in an amount in excess of \$500,000.00, to be

determined at trial; award Plaintiff punitive damages and attorney's fees against Defendants; and for other and further relief as the Court shall deem just and proper.

COUNT VII – BREACH OF FIDUCIARY DUTY (Against EquityBuild Finance, Inc.)

90. Plaintiff hereby incorporates by reference the allegations contained in the Paragraphs above.

91. Pursuant to the transaction to purchase the Premises and the Construction Loan & Escrow Agreement, EB Finance had a fiduciary duty to hold \$435,350.00 in escrow, for the benefit of MSA, and was only entitled to receive those funds upon completion of the renovation work at the Premises. EB Finance was required to verify that the renovation work was completed and in conformity with applicable codes and ordinances prior to receiving such funds.

92. EB Finance breached its fiduciary duties by receiving such funds without verifying that the required renovation work was completed and that any such renovation work was in conformity with applicable codes and ordinances.

93. EB Finance's breaches caused the damages suffered by MSA described in this Complaint, including the loss of such \$435,350.00 in funds.

96. As described above, Defendants failed to properly manage the funds set aside to be used in the renovations.

97. Defendants' actions proximately caused MSA's damages described in this Complaint, including the loss of the \$435,350.00 in funds required to be held in escrow, pending the timely completion of the renovation work.

WHEREFORE, pursuant to Count VIII, Plaintiff prays that this Court enter a money judgment in its favor against Defendant EQUITYBUILD FINANCE, INC., in an amount in excess of \$500,000.00, to be determined at trial; award Plaintiff its attorney's fees against Defendant; and for other and further relief as the Court shall deem just and proper.

COUNT IX – BREACH OF FIDUCIARY DUTY (Against Mark Brosius)

98. Plaintiff hereby incorporates by reference the allegations contained in the Paragraphs above.

99. Pursuant to the real estate transaction for the Premises, Defendant MARK BROSIUS ("Brosius") acted as the power of attorney for Junck.

100. As a power of attorney, Brosius had a fiduciary duty, as a matter of law, to Plaintiff.

101. Brosius breached his fiduciary duty to Plaintiff by entering into the documents relating to the Premises, including the Personal Guaranty signed on behalf of Junck, against the best interests of Plaintiff.

102. Brosius gained personally from his breaches of his fiduciary duties, in that he received attorney's fees from the close of the transaction relating to the Premises and also received regular referrals from EB and EB Finance for numerous other similar transactions.

WHEREFORE, pursuant to Count IX, Plaintiff prays that this Court enter a money judgment in its favor against Defendant MARK BROSIUS, in an amount in excess of \$500,000.00, to be determined at trial; award Plaintiff its attorney's fees against Defendant; and for other and further relief as the Court shall deem just and proper.

COUNT X – LEGAL MALPRACTICE (Against Mark Brosius)

104. Plaintiff hereby incorporates by reference the allegations contained in the Paragraphs above.

105. Defendant Mark Brosius represented MSA in the June 2015 real estate transaction regarding the Premises.

106. In the course of his representation of MSA regarding the Premises, Brosius failed to exercise a reasonable degree of care and skill. Among other actions, Brosius failed to properly advise MSA and its members regarding the documents prior to executing them on behalf of MSA, pursuant to the Power of Attorney form.

107. Brosius also attested to the accuracy of a HUD-1 statement that included a major discrepancy. The HUD-1 Form stated that MSA's loan term was thirty years and that the loan did not have a balloon payment. These representations were directly contrary to the Promissory Note Brosius signed.

108. The actions of Brosius proximately caused the damages of MSA described in this Complaint. An attorney exercising a reasonable degree of care and skill would have provided

MSA with proper advice regarding the transaction and would not have executed documents containing material misstatements of the terms of the transaction.

109. Furthermore, Plaintiff did not know of the damages suffered as a result of Brosius's actions and could not reasonably have known of such damages and injuries at any time prior to March 2016.

WHEREFORE, pursuant to Count X, Plaintiff prays that this Court enter a money judgment in its favor against Defendant MARK BROSIUS, in an amount in excess of \$500,000.00, to be determined at trial; award Plaintiff its attorney's fees against Defendant; and for other and further relief as the Court shall deem just and proper.

COUNT XII – DECLARATORY JUDGMENT (Against EquityBuild, Inc., & EquityBuild Finance, Inc.)

113. Plaintiff hereby incorporates by reference the allegations contained in the Paragraphs above.

114. As described above, an actual and justiciable controversy exists between Plaintiff, EB, and EB Finance.

115. The Personal Guaranty signed by Brosius, purportedly on behalf of Junck, is legally invalid. As a matter of law, under Illinois law, a person acting under a power-of-attorney is not authorized to sign a personal guaranty, unless the terms of the document creating the power-of-attorney expressly and specifically grant the power to sign a personal guaranty. The power-of-attorney under which Brosius signed the Personal Guaranty does not include such an authorization.

WHEREFORE, pursuant to Count XII, Plaintiff prays that this Court enter an Order declaring the Personal Guaranty null and void, as a matter of law, and for other and further relief as the Court shall deem just and proper.

COUNT XIII – DECLARATORY JUDGMENT (Against EquityBuild, Inc., & EquityBuild Finance, Inc.)

116. Plaintiff hereby incorporates by reference the allegations contained in the Paragraphs above.

117. As described above, an actual and justiciable controversy exists between MSA, EB, and EB Finance.

118. As described above, the documents relating to the transaction at issue were obtained by fraud and executed pursuant to breaches of fiduciary duties, in furtherance of Defendants' efforts to deprive the members of MSA of their retirement savings, in an effort to enrich EB and EB Finance.

WHEREFORE, pursuant to Count XIII, Plaintiff prays that this Court enter an Order declaring the documents relating to MSA's real estate transaction to be null and void, as a matter of law, for rescission of the purchase of the Premises, for an Order disgorging Defendants of any and all benefits they received from the transaction, and for other and further relief as the Court shall deem just and proper.

YOU WILL, THEREFORE, BE REQUIRED TO MAKE PAYMENT OUT OF OTHER ASSETS THAT YOU MAY OWN, OR YOU WILL HAVE TO FIND A LENDER (WHICH MAY OR MAY NOT BE THE LENDER YOU HAVE THIS LOAN WITH), WILLING TO LEND YOU THE MONEY. IF YOU REFINANCE THIS LOAN AT MATURITY, YOU MAY HAVE TO PAY SOME OR ALL OF THE CLOSING COSTS NORMALLY ASSOCIATED WITH A NEW LOAN EVEN IF YOU OBTAIN REFINANCING FROM THE SAME LENDER. FOR VALUE RECEIVED, the undersigned Borrower(s), Maker(s) and/or Guarantor(s) (hereinafter the "Borrower") promises to pay The persons listed on Exhibit A to this Note C/O EquityBuild Finance, LLC (hereinafter collectively referred to as the "Holder" or "Lender"), at 5068 West Plano Pkwy. #300 Plano, TX 75093, the principal sum of ONE MILLION NINE HUNDRED FIFTY THOUSAND and 00/100 DOLLARS (\$1,950,000.00), together with interest from the above date at the interest rate of FIFTEEN PERCENT (15.0%) per annum on the unpaid principal balance until paid. The principal of this Note, plus accrued interest at the rate aforesaid, shall be due and payable in TWENTY-FOUR (24) installments as follows:

unpaid interest and the remainder to the reduction of principal. The Borrower shall make all payments when due, without set-offs of any nature.

2. **Late Charge/Dishonored Check.** There shall be a grace period of five (5) days for any payment due under this Note. The Borrower shall pay a late charge of 5% of the monthly payment amount, or \$50.00, whichever is greater, if such payment is received by Lender after the grace period. If the Maturity Date of the Note has expired the late fee will be at the rate of 1.5% per month plus the face amount of the Note. In the event any check given by Borrower to Lender as a payment on this Note is dishonored, or in the event there are insufficient funds in Borrower's designated account to cover any preauthorized monthly debit from Borrower's checking account, then, without limiting any other charges or remedies, Borrower shall pay to Lender a processing fee of \$50.00 (but not more than the maximum amount allowed by law) for each such event.

3. **Security.** To secure the payment and performance of obligations incurred under this Note, this Note shall be secured by and subject to the terms of a Mortgage of even date herewith from the Borrower which encumbers real property and improvements located at

In addition to the property described above, Borrower grants Lender a security interest in all of Borrower's right, title and interest in all monies and instruments of Borrower that are now or in the future in Lender's custody or control.

be computed on the basis of a 360-day year consisting of twelve 30-day months. Borrower shall make all payments of principal and interest under this Note without relief from valuation and appraisal laws.

Lender's remedies in this Section are in addition to any available at common law and nothing in this Section shall impair any right which the Holder has under this Note, or at law or in equity, to accelerate the debt on the occurrence of any other Event of Default, whether or not relating to this Note. Lender's rights or remedies as provided in this Note shall be cumulative and concurrent and may be pursued singly, successively, or together against Borrower or any guarantor or third party (without first having to proceed against Borrower), at Lender's sole and absolute discretion. Borrower shall pay to Lender on Lender's demand the amount of all expenses incurred by Lender (a) in enforcing its rights under this Note, or (b) as the result of a default by Borrower under this Note, including but not limited to the cost of collecting any amount owed hereunder, and any reasonable attorney's fees. The failure by Lender to exercise any of its options contained herein shall not constitute a waiver of the right to exercise such option in the event of any subsequent default.

6. **Costs and Expenses.** To the extent permitted by law, Borrower agrees to pay any and all reasonable fees and costs, including, but not limited to, fees and costs of attorneys and other agents (including without limitation paralegals, clerks and consultants), whether or not such attorney or agent is an employee of Lender, which are incurred by Lender in collecting any amount due or enforcing any right or remedy under this Note, whether or not suit is brought, including, but not limited to, all fees and costs incurred on appeal, in bankruptcy, and for post-judgment collection actions. Said collection fees shall be in the minimum amount of Fifteen Percent (15%) of the amount of the judgment as collected (or, if collected without judgment, a minimum fee of Fifteen Percent (15%) of the amount collected), which attorney's fee shall not be diminished by any other fees, costs or damages, but in no event shall the attorney's fees be less than \$3,000.00.

7. **Extensions.** The Borrower shall remain liable for the payment of this Note, including interest, notwithstanding any extension or extensions of time of payment or any indulgence of any kind or nature that the Lender may grant or permit any subsequent owner of the encumbered property, whether with or without notice to the Borrower and the Borrower hereby expressly waives such notice.

8. **Confessed Judgment.** UPON ANY DEFAULT BY THE BORROWER AS SET FORTH IN THIS NOTE, AND TO THE EXTENT PERMITTED BY LAW, THE BORROWER HEREBY AUTHORIZES ANY ATTORNEY AT LAW TO APPEAR FOR THE BORROWER IN ANY COURT OF COMPETENT JURISDICTION AND WAIVE THE ISSUANCE AND SERVICE OF PROCESS AND CONFESS A JUDGMENT AGAINST THE BORROWER IN FAVOR OF THE LENDER FOR SUCH AMOUNTS AS MAY THEN APPEAR TO BE UNPAID HEREON TOGETHER WITH COSTS, EXPENSES AND ATTORNEY'S FEES IN THE MINIMUM AMOUNT OF FIFTEEN PERCENT (15%) OF THE AMOUNT DUE FOR COLLECTION (BUT IN NO EVENT SHALL SUCH FEES BE LESS THAN \$3000.00), AND TO RELEASE ALL PROCEDURAL ERRORS AND WAIVE ALL RIGHTS OF APPEAL. IF THE CONFESSION OF JUDGMENT ABOVE PROVIDED FOR IS AUTHORIZED OR RECOGNIZED BY THE LAW OF THE JURISDICTION CONTROLLING BUT SUCH LAW REQUIRES SPECIAL FORMALITIES AND PROCEDURE, THEN THE SAID ATTORNEY IS EMPOWERED TO EXECUTE THE NECESSARY FORM AND COMPLY WITH SUCH SPECIAL PROCEDURES. THIS POWER OF CONFESSION OF JUDGMENT SHALL NOT BE EXHAUSTED BY ANY ONE OR MORE EXERCISES, AND THE POWER SHALL CONTINUE UNDIMINISHED AND MAY BE EXERCISED FROM TIME TO TIME AS OFTEN AS LENDER SHALL ELECT UNTIL ALL AMOUNTS PAYABLE TO LENDER UNDER THIS NOTE SHALL HAVE BEEN PAID IN FULL.

9. **Forbearance.** The Lender shall not by any act or omission to act be deemed to waive any of its rights or remedies hereunder unless such waiver is in writing and signed by the Lender and then only to the extent specifically set forth therein. A waiver on one occasion shall not be construed as continuing or as a bar to or waiver of such right or remedy on any other occasion. All remedies conferred upon the Lender by this Note or any other instrument or agreement connected herewith or related hereto shall be cumulative and none is exclusive, and such remedies may be exercised concurrently or consecutively at the Lender's option.

10. **Modification and Waiver.** Borrower and/or every person at any time liable for the payment of the debt evidenced hereby, waives the exercise of all exemption rights which it holds at law or in equity concerning to the debt evidenced by this Note whether under state constitution, homestead laws or otherwise. Borrower and any endorsers or guarantors hereof severally waive valuation and appraisal, presentment and demand for payment, notice of intent

to accelerate maturity, notice of acceleration of maturity, protest or notice of protest and nonpayment, bringing of suit and diligence in taking any action to collect any sums owing hereunder or in proceeding against any of the rights and properties securing payment hereof, and trial by jury in any litigation arising out of, relating to, or connected with this Note or any instrument given as security hereof.

From time to time, without affecting Borrower's obligation to pay any sums due under this Note and perform Borrower's covenants herein, without affecting the obligations of any endorser hereto or guarantor hereof, without giving notice to or obtaining the consent of Borrower or any endorser hereto or guarantor hereof, and without liability on the part of the Holder, Holder may, acting in its sole and absolute discretion, extend the Maturity Date or any other time for payment of interest hereon and/or principal hereof, reduce the payments hereunder, release anyone liable under this Note except a renewal of this Note, modify the terms and time of payment of this Note, join in any extension or subordination or exercise any option or election hereunder, modify the rate of interest or period of amortization or principal due date of this Note, or exercise any option or election hereunder. No one or more such actions shall constitute a novation.

11. Voluntary and Involuntary Prepayments.

(a) A prepayment premium shall be payable in connection with any prepayment made under this Note as provided below:

(i) Borrower may voluntarily prepay all of the unpaid principal balance of this Note on a Business Day designated as the date for such prepayment in a Notice from Borrower to Lender given at least 30 days prior to the date of such prepayment. Such prepayment shall be made by paying (A) the amount of principal being prepaid, (B) all accrued interest, (C) all other sums due Lender at the time of such prepayment, and (D) the prepayment premium calculated pursuant to Section 11(f) of this Note. For purposes of this Note, a "Business Day" means any day other than a Saturday, Sunday or any other day on which Lender is not open for business. For all purposes including the accrual of interest, but excluding the determination of the prepayment date under Section 11(f) of this Note, any prepayment received by Lender on any day other than the last calendar day of the month shall be deemed to have been received on the last calendar day of such month.

(ii) Borrower may voluntarily prepay less than all of the unpaid principal balance of this Note (a "Partial Prepayment") at any time. Upon delivery of the Partial Prepayment, a prepayment premium calculated pursuant to Section 11(f) of this Note, based on the amount being prepaid, shall be due and payable to Lender upon demand.

(iii) Upon Lender's exercise of any right of acceleration under this Note, Borrower shall pay to Lender, in addition to the entire unpaid principal balance of this Note outstanding at the time of the acceleration, (A) all accrued interest, (B) and all other sums due Lender, and (C) the prepayment premium calculated pursuant to Section 11(f) of this Note, to the extent such prepayment premium does not exceed the maximum rate permitted by applicable law.

(iv) Any application by Lender of any proceeds of collateral or other security to the repayment of any portion of the unpaid principal balance of this Note prior to the Maturity Date and in the absence of acceleration shall be deemed to be a partial prepayment by Borrower, requiring the payment to Lender by Borrower of a prepayment premium. The amount of any such partial prepayment shall be computed so as to provide to Lender a prepayment premium computed pursuant to Section 11(f) of this Note without Borrower having to pay out-of-pocket any additional amounts.

(b) Notwithstanding the provisions of Section 11(a), no prepayment premium shall be payable with respect to (A) any prepayment made after the expiration of the Prepayment Premium Period (as defined in Section 11(f) of this Note), or (B) any prepayment occurring as a result of the application of any insurance proceeds or condemnation award under the Security Instrument.

(c) Any permitted or required prepayment of less than the unpaid principal balance of this Note shall not extend or postpone the due date of any subsequent monthly installments or change the amount of such installments, unless Lender agrees otherwise in writing.

(d) Borrower recognizes that any prepayment of the unpaid principal balance of this Note, whether voluntary or involuntary or resulting from a default by Borrower, will result in Lender's incurring loss, including reinvestment loss, additional expense and frustration or impairment of Lender's ability to meet its commitments to third parties. Borrower agrees to pay to Lender upon demand damages for the detriment caused by any prepayment, and agrees that it is extremely difficult and impractical to ascertain the extent of such damages. Borrower therefore acknowledges and agrees that the formula for calculating prepayment premiums set forth in Section 11(f) represents a reasonable estimate of the damages Lender will incur because of a prepayment.

(e) Borrower further acknowledges that the prepayment premium provisions of this Note are a material part of the consideration for the Loan, and acknowledges that the terms of this Note are in other respects more favorable to Borrower as a result of the Borrower's voluntary agreement to the prepayment premium provisions.

(f) Any prepayment premium payable under this Section 11 shall be computed as follows:

(i) If the prepayment is made between the date of the initial funding of the loan evidenced by this Note and the last day of JULY, 2015, the prepayment premium shall be the interest at the Note rate herein that would be earned on full loan amount for the balance of the Prepayment Premium Period.

(ii) If the prepayment is made after the expiration of the Prepayment Premium Period, there shall be no prepayment premium due.

12. **Default Rate.** So long as (a) any monthly installment under this Note remains past due for thirty (30) days or more or (b) any other Event of Default has occurred and is continuing, interest under this Note shall accrue on the unpaid principal balance from the earlier of the due date of the first unpaid monthly installment or the occurrence of such other Event of Default, as applicable, at a rate (the "Default Rate") equal to the lesser of seven (7) percentage points above the rate stated in the first paragraph of this Note or the maximum interest rate which may be collected from Borrower under applicable law. If the unpaid principal balance and all accrued interest are not paid in full on the Maturity Date, the unpaid principal balance and all accrued interest shall bear interest from the Maturity Date at the Default Rate. Borrower acknowledges that (a) its failure to make timely payments will cause Lender to incur additional expenses in servicing and processing the Loan, (b) during the time that any monthly installment under this Note is delinquent for thirty (30) days or more, Lender will incur additional costs and expenses arising from its loss of the use of the money due and from the adverse impact on Lender's ability to meet its other obligations and to take advantage of other investment opportunities; and (c) it is extremely difficult and impractical to determine those additional costs and expenses. Borrower also acknowledges that, during the time that any monthly installment under this Note is delinquent for thirty (30) days or more or any other Event of Default has occurred and is continuing, Lender's risk of nonpayment of this Note will be materially increased and Lender is entitled to be compensated for such increased risk. Borrower agrees that the increase in the rate of interest payable under this Note to the Default Rate represents a fair and reasonable estimate, taking into account all circumstances existing on the date of this Note, of the additional costs and expenses Lender will incur by reason of the Borrower's delinquent payment and the additional compensation Lender is entitled to receive for the increased risks of nonpayment associated with a delinquent loan. During any period that the Default Rate is in effect the additional interest accruing over and above the rate stated in the first paragraph of this Note shall be immediately due and payable in addition to the regularly scheduled principal and interest payments. Lender shall impose the Default Rate without any notice requirement to Borrower, guarantor or any third party pledging collateral as security for this Note.

13. **Loan Charges/Maximum Rate Permitted By Law.** Neither this Note nor any of the other Loan Documents shall be construed to create a contract for the use, forbearance or detention of money requiring payment of interest at a rate greater than the maximum interest rate permitted to be charged under applicable law. If any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower in connection with the Loan is interpreted so that any interest or other charge provided for in any Loan Document, whether considered separately or together with other charges provided for in any other Loan Document, violates that law, and Borrower is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Lender in excess of the permitted amounts shall be applied by Lender to reduce the unpaid principal balance of this Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all indebtedness that constitutes interest, as well as all other charges made in connection with the indebtedness that constitute interest, shall be deemed to be allocated and spread ratably over the stated term of the Note. Unless otherwise required by applicable law, such allocation and spreading shall be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of the Note. If Lender reasonably determines that the interest rate (together with all other charges or payments that may be deemed interest) stipulated under this Note is or may be usurious or otherwise limited by law, the unpaid balance of this Note, with accrued interest at the highest rate permitted to be charged by stipulation in writing between Lender and Borrower, at the option of Lender, shall immediately become due and payable.

14. **Waiver of Jury Trial.** THE BORROWER WAIVES TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF, OR IN ANY WAY PERTAINING TO, THIS NOTE OR ANY DEED OF TRUST/MORTGAGE ARISING FROM THIS NOTE. THIS WAIVER CONSTITUTES A WAIVER OF TRIAL BY JURY

OF ALL CLAIMS AGAINST ALL PARTIES TO SUCH ACTIONS OR PROCEEDINGS. BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Notes and any prepayment and late charges due under the Notes.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. Protection of Lender's Rights in the Property; Mortgage Insurance. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. Successor and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Notes: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forebear or make any accommodations with regard to the terms of this Security Instrument or the Notes without the Borrower's consent.

6. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Notes conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Notes which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Notes are declared to be severable.

8. Borrower's Copy. Borrower shall be given one conformed copy of the Notes and of this Security Instrument.

9. Transfer of the Property or a beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-.233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

Borrower, having applied to Lender for a loan of ONE MILLION NINE HUNDRED FIFTY THOUSAND and 00/100 DOLLARS (\$1,950,000.00) (the "Loan"), to be used as herein agreed, has executed and delivered to the Lender its Promissory Note of even date herewith in that amount, with interest, (the "Promissory Note"), and, to secure the Promissory Note, has executed and delivered a Mortgage of even date herewith (the "Mortgage") securing the indebtedness evidenced by the Promissory Note to the property described in the Mortgage (the "Property").

IT IS MUTUALLY AGREED:

1. Lender agrees to make the Loan and Borrower agrees to accept the Loan in accordance with the terms and conditions set forth herein and in the Promissory Note and Mortgage.
2. The Property conveyed by the Mortgage consists of the land located commonly known as 7616-24 S Phillips Ave, Chicago, IL 60649, and the improvements erected and to be erected thereon. Borrower agrees to make improvements on the Property in strict accordance with plans and specifications heretofore furnished to and approved by Lender, a list of which is annexed hereto as EXHIBIT A, with only such material changes as Lender or Lender's Inspector shall approve in writing; to proceed diligently with such construction and to cause the improvements to be completed not later than ONE HUNDRED TWENTY (120) days from the date hereof, including grading, seeding and other landscaping, streets, sidewalks, curbs, gutters and driveways.
3. Lender will advance a total of ONE MILLION FIVE HUNDRED FOURTEEN THOUSAND SIX HUNDRED FIFTY and 00/100 DOLLARS (\$1,514,650.00) of the total available loan amount at the time of settlement, the remaining funds to be held by Lender and/or its authorized agent in a non-interest bearing account as a Construction Loan Holdback Escrow (hereinafter "Construction Escrow" or "Escrowed Funds"). Thereafter, lender will make separate advances from the Construction Escrow towards the cost of items enumerated on the list which is annexed hereto as EXHIBIT A. The total amount of Loan proceeds available for the items enumerated on EXHIBIT A is FOUR HUNDRED THIRTY-FIVE THOUSAND THIRTY-FIVE HUNDRED and 00/100 DOLLARS (\$435,350.00).

Form #702 and #703; and, if requested by Lender, shall be accompanied by supporting bills and requisitions from subcontractors, materialmen and suppliers evidencing the obligations for which advances are sought. The proceeds of each advance shall be used by Borrower to pay the obligations for which the advance is sought.

5. Notwithstanding anything else to the contrary contained herein, the Lender is under no obligation to honor an request for an advance unless such advance is made in writing to Lender at least thirty (30) days prior to the maturity date of the Promissory Note.

6. Lender shall have the right to approve Borrower's contractor, the form of the contract, and the contract price. The contract shall not be amended without Lender's prior consent.

7. The making of each advance shall be subject to the following conditions. A waiver of any condition to any advance shall not constitute a waiver as to any subsequent advance.

a. There shall be no breach by Borrower of any of its obligations under this Agreement or under the Mortgage or the Promissory Note or any other Loan Documents.

b. There shall remain sufficient time for completion of the improvements within the time required by this Agreement.

c. Other than the initial advance at settlement, proceeds will only be advanced for after work has commenced and shall be made for work done preceding the date of the request.

d. The binder or policy shall show the lien on the Property in favor of Lender to be (i) a valid, first and prior lien free and clear of all defects and encumbrances except such as Lender shall approve, (ii) shall contain no survey exceptions not theretofore approved by Lender and (iii) the status of title to the Property shown therein shall otherwise be satisfactory to Lender.

g. The improvements shall be constructed in a good and workmanlike manner and comply with all laws and ordinances relating thereto. All necessary permits and approvals required in the future shall be obtainable and there shall be no actions of governmental authorities (whether actual or threatened) which could delay completion and occupancy of the improvements. Borrower shall perform and observe all public works agreements to which it is a party.

h. The Borrower shall provide satisfactory proof that any and all taxes that come due on payable on the Property have been paid.

8. Borrower shall supply to Lender performance bonds and labor and material bonds of the general contractor for the improvements, naming Lender as Obligor, in amounts and by companies acceptable to Lender.

9. The following insurance shall be maintained on and for the improvements at all times: workmen's compensation, public liability, and builder's risk (with vandalism and malicious mischief coverage). 10. Lender may pay over all or any part of any loan advance directly to the contractor, subcontractors, laborers, and materialmen ultimately due the same.

11. If the Borrower, prior to the completion of the improvement, shall abandon the same or cease work thereon for a period of more than fourteen (14) days, or fail to complete the same strictly in accordance with the plans and specifications (except as for changes approved as herein provided), or changes the plans and specifications without first securing written approval of the Lender, or fail to comply with the terms, conditions and covenants of this Agreement, the Promissory Note or the Mortgage, then any such failure shall be a default hereunder, at the option of the Lender, and the Lender may terminate this Agreement, or the Lender at its option, at any time thereafter, may enter into possession of the premises and perform any and all work and labor necessary to complete the improvements, either in accordance with the plans and specifications or otherwise, in the discretion of the Lender. All sums so expended by the Lender shall be deemed paid to Borrower and secured by the Mortgage. The Borrower hereby constitutes and appoints the Lender its true and lawful attorney-in-fact, with full power of substitution in the premises, to complete the improvements in the name of the Borrower, and hereby empowers said attorney: (a) to use any funds of the Borrower, including any balance which may be held in escrow and any funds which may remain unadvanced under the Promissory Note, for the purpose of completing the improvements; (b) to employ such contractors, subcontractors, and agents, architects and inspectors as shall be required for such purposes; (c) to pay, settle or compromise all existing bills and claims which may be liens against the improvements, or as may be necessary or desirable for the completion of the improvements, or for clearing title; (d) to apply any funds of the Borrower to the unpaid principal balance of the Loan, or unpaid interest thereon, or to other sums due in connection therewith; and (e) to execute all applications and certificates in the name of the Borrower which may be required by any of the contract documents, and to do any and every act which the Borrower might do in its own behalf. This power of attorney shall be deemed to be a power coupled with an interest and cannot be revoked. The attorney shall also have the power, but not the duty, to prosecute and defend all actions or proceedings in connection with the construction of the improvements and to take such action and require such performance as it deems necessary to complete the same.

12. The Borrower shall pay all charges for procuring and making the Loan, examination of the title, surveys and drawing of papers, stamp and transfer taxes, and recording fees.

13. The Borrower agrees to execute and to deliver to the Lender, at Lender's request, security agreements, financing statements, chattel mortgages or other similar instruments covering all property of any kind whatsoever purchased with the loan proceeds and concerning which there may be any doubt as to their being subject to the Mortgage.

14. Notwithstanding anything to the contrary herein, Borrower may borrow less than the entire amount of the loan provided that the Borrower does not borrow any other funds, the purpose or effect of which is to reduce the amount to be borrowed hereunder.

15. Borrower understands and agrees that any Construction Escrow will be held in an account chosen by the Lender in the Lender's absolute discretion; that these funds will not accrue any interest on behalf of the Borrower; that the Lender may intermingle these funds with any other accounts or monies without violating any provisions herein; and that the refusal to release any amounts in the Construction Escrow shall be in the Lender's sole and absolute discretion. Borrower further understands that there will be an inspection fee for each inspection done by the Lender and/or the Lender's Inspector and that the Borrower is fully responsible for the payment of said inspection fees whether or not sufficient funds were collected at settlement for said fees. Additionally, in the event of any default under this Agreement, Lender may be required to take measures to inspect or secure the Property and/or its contents and to further protect the Property from damage or waste. Borrower shall be fully responsible for any costs related to such inspections or securitization of the Property.

IN WITNESS WHEREOF, the parties have executed this Agreement the day and year first above written.

PERSONAL GUARANTY

WHEREAS, **EQUITYBUILD FINANCE, LLC** (hereinafter sometimes referred to as "Lender"), has loaned the sum of **\$1,950,000.00** to **MICHIGAN SHORE APARTMENTS, LLC** (hereinafter sometimes referred to as "Debtor"); and

WHEREAS, on the **29th** day of **JUNE, 2015**, Debtor executed and delivered to Lender its principal Demand Note in the above amount, payable, together with interest as shown in said note, a copy of which note is attached hereto and made a part hereof as Exhibit "A"; and

WHEREAS, the loan of the Lender to Debtor is conditioned upon said indebtedness being personally guaranteed as to the payment thereof by **MARLEN JUNCK** (hereinafter referred to as "Guarantor");

1. NOW, THEREFORE, the Guarantor guarantees that Debtor will promptly pay the full amount of principal and interest of said note as and when the same shall in any manner be or become due, either according to the terms and conditions provided in said note or upon acceleration of the payment thereof by reason of a default, as a primary not a secondary liability of Guarantor.

2. Without limiting the generality of the foregoing, the Guarantor agrees that he will pay the full amount of principal and interest of said note now or hereafter due as, and when the same shall in any manner be or become due, either according to the terms and conditions provided in said note or upon acceleration of the payment thereof by reason of a default, as primary and not a secondary liability of Guarantor.

3. The Guarantor further agrees that he will not pledge, hypothecate, mortgage, sell or give any of his assets.

4. The Guarantor hereby waives demand, notice of dishonor, presentment for payment, protest and notice of protest and of non-performance on all of said indebtedness; and if said indebtedness is renewed, or if the time for payment thereof be extended (to which Guarantor consents) either with or without notice to Guarantor, Guarantor unconditionally guarantee the payment of such indebtedness at the time fixed for the payment thereof in and by any such renewal or extension. Guarantor further waives all rights, by statute or otherwise, to require the holder of the note to institute suit against the original maker of said note; also to exercise diligence in enforcing this or any other instrument.

To the extent permitted by law, Guarantor waives all defenses legally available to Guarantor, Guarantor being bound to the payment of said indebtedness of the original maker of said note. The holder of the note may take any new or additional or substituted security from time to time without in any way impairing the obligation of the undersigned; and the impairment of the security, which said holder may from time to time hold as security for said loan, shall in no way operate to discharge the undersigned in whole or in part, it being specifically agreed that the holder

is not required to exercise diligence to enforce its rights against the original maker of said note. The holder is hereby authorized at any time, in its sole discretion and without notice, to take, change, release or in any way deal with the security herein; but the holder of the note shall be under no obligation to collect or to protect any of such security or said indebtedness, and its neglect or failure to collect or protect the same is excused. Acceptance of the Guarantee is waived.

5. Forbearance on the part of the holder of the note to take steps to enforce payment of said indebtedness arising from Guarantor default in any respect whatever, or the giving of further time to the original maker of said note, shall in no way release the undersigned, but the undersigned shall remain liable hereunder for the prompt payment of said indebtedness.

6. This Guarantee is for the use and benefit of the holder of said note, who in the first instance will be the Lender. This Guarantee shall also be for the use and benefit of any subsequent owner of said note, and each owner of said note may assign this Guarantee to his successor owner of said note.

7. All reasonable costs and expenses, including attorney's fees, incurred by the holder of said note to enforce this Guarantee, shall be paid by the undersigned.

8. The liability of the Guarantor shall continue until payment is made of every obligation of the Debtor now or hereafter incurred in connection with said loan, and until payment is made of any loss or damage incurred by the Lender with respect to any matter covered by this Guarantee or any of the loan documents whatever.

9. Guarantor consents that, without affecting the Guarantor's liability, the Lender may, without notice to or consent of Guarantor on such terms as Lender may deem advisable, extend in whole or in part, by renewal or otherwise, the time of payment of the debt now or hereafter owing by the Debtor to the Lender or held by the Lender as security for any obligation herein described, or may do or refrain from doing any act whatever. Guarantor also consents that Lender may release, surrender, exchange, modify, impair or extend the periods of duration or the time for performance or payment of any collateral securing the obligations of Debtor to Lender, and may also settle or compromise any claim of Lender against Debtor or against any other person or corporation whose obligation is held by Lender as collateral security for any obligation of Debtor or Lender. Guarantor hereby ratifies and affirms any such actions, and all such actions shall be binding on Guarantor, and Guarantor hereby waives all defenses, counterclaims or offsets which Guarantor may have.

10. Guarantor also waives notice of failure of any person to pay to Lender any debt held by Lender as collateral security for the obligations of Debtor, and all defenses, offsets and counterclaims which Guarantor may at any time have to any claim of Lender against Debtor.

11. Guarantor represents that at the time of the execution and delivery of this Guaranty nothing exists to impair the effectiveness of this Guarantee.

12. Lender may, at its option, proceed in the first instance against the Guarantor to collect the obligations covered by this Guarantee without first proceeding against any other person, firm or corporation, and without resorting to any property held by Lender as collateral security.

In the case of plural Guarantors, all undertakings, covenants, promises and waivers herein are joint and several. All pronouns shall include masculine, feminine and/or neuter gender, single or plural number, as the context of this instrument may require.

14. Words of "Guarantee" contained herein in no way diminish or impair the absolute liability hereby created.

by such data to substantiate its accuracy as the Owner may require. This schedule, unless objected to by the Owner, shall be used as a basis for reviewing the Contractor's Applications for Payment.

§ 5.1.5 Applications for Payment shall show the percentage of completion of each portion of the Work as of the end of the period covered by the Application for Payment.

§ 5.1.6 Subject to other provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:

§ 5.1.7 The progress payment amount determined in accordance with Section 5.1.6 shall be further modified under the following circumstances:

(Section 9.8.5 of AIA Document A201 2007 requires release of applicable retainage upon Substantial Completion of Work with consent of surety, if any.)
- .2 Add, if final completion of the Work is thereafter materially delayed through no fault of the Contractor, any additional amounts payable in accordance with Section 9.10.3 of AIA Document A201-2007.

§ 5.1.8 Reduction or limitation of retainage, if any, shall be as follows:

(If it is intended, prior to Substantial Completion of the entire Work, to reduce or limit the retainage resulting from the percentages inserted in Sections 5.1.6.1 and 5.1.6.2 above, and this is not explained elsewhere in the Contract Documents, insert here provisions for such reduction or limitation.)

§ 5.1.9 Except with the Owner's prior approval, the Contractor shall not make advance payments to suppliers for materials or equipment which have not been delivered and stored at the site.

- .2 a final Certificate for Payment has been issued by the Architect.

Mortgagor shall pay to Mortgagee on demand any and all expenses, including reasonable legal expenses and attorneys' fees, incurred or paid by Mortgagee in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral after the occurrence and during the continuance of an Event of Default. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Collateral sent to Mortgagor in accordance with the provisions hereof at least ten (10) days prior to such action, shall, except as otherwise provided by applicable law, constitute reasonable notice to Mortgagor. The proceeds of any disposition of the Collateral, or any part thereof, may, except as otherwise required by applicable law, be applied by Mortgagee to the payment of the Debt in such priority and proportions as Mortgagee in its discretion shall deem proper. The principal place of business of Mortgagor (Debtor) is as set forth on page one hereof and the address of Mortgagee (Secured Party) is as set forth on page one hereof.

ARTICLE 4

OBLIGATIONS AND RELIANCES

Section 4.1 Relationship of Mortgagor and Mortgagee. The relationship between Mortgagor, on the one hand, and Mortgagee, on the other, is solely that of debtor and creditor, and Mortgagee has no fiduciary or other special relationship with Mortgagor, and no term or condition of any of the Loan Agreement, the Note, this Mortgage and the other Loan Documents shall be construed so as to deem the relationship between Mortgagor, on the one hand, and Mortgagee, on the other, to be other than that of debtor and creditor.

Section 4.2 No Reliance on Mortgagee. The general partners, members, principals and (if Mortgageor is a trust) beneficial owners of Mortgageor, as applicable, are experienced in the ownership and operation of properties similar to the Property, and Mortgageor and Mortgagee are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Mortgageor is not relying on Mortgagee's expertise, business acumen or advice in connection with the Property.

Section 4.3 No Mortgage Obligations.

(a) Notwithstanding the provisions of Subsections 1.1(h) and (m) or Section 1.2, Mortgagee is not undertaking the performance of (i) any obligations under the Leases; or (ii) any obligations with respect to such agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses and other documents.

(b) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Mortgagee pursuant to this Mortgage, the Loan Agreement, the Note or the other Loan Documents, including, without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or insurance policy, Mortgagee shall not be deemed to have warranted, consented to, or affirmed the sufficiency, the legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Mortgagee.

Section 4.4 Reliance. Mortgageor recognizes and acknowledges that in accepting the Loan Agreement, the Note, this Mortgage and the other Loan Documents, Mortgagee is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Section 8 of the Loan Agreement without any obligation to investigate the Property and notwithstanding any investigation of the Property by Mortgagee; that such reliance existed on the part of Mortgagee prior to the date hereof, that the warranties and representations are a material inducement to Mortgagee in making the Loan; and that Mortgagee would not be willing to make the Loan and accept this Mortgage in the absence of the warranties and representations as set forth in Section 8 of the Loan Agreement.

ARTICLE 5

FURTHER ASSURANCES

Section 5.1 Recording of Mortgage, etc. Mortgageor forthwith upon the execution and delivery of this Mortgage and thereafter, from time to time, will cause this Mortgage and any of the other Loan Documents creating a lien or security interest or evidencing the lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the lien or security interest hereof upon, and the interest of Mortgagee in, the Property. Mortgageor will pay all taxes, filing, registration or recording fees, and all expenses incident to the preparation, execution, acknowledgment and/or recording of the Note, this Mortgage, the other Loan Documents, any note or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Mortgage, any deed of trust or mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law so to do.

Section 5.2 Further Acts, etc. Mortgagor will, at the cost of Mortgagor, and without expense to Mortgagee, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, deeds of trust, mortgages, assignments, notices of assignments, transfers and assurances as Mortgagee shall, from time to time, reasonably require, for the better conveying, assigning or transferring unto Mortgagee the property and rights hereby mortgaged, deeded, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred or intended now or hereafter so to be, or which Mortgagor may be or may hereafter become bound to convey or assign to Mortgagee, or for carrying out the intention or facilitating the performance of the terms of this Mortgage or for filing, registering or recording this Mortgage, or for complying with all Legal Requirements relating to Mortgagor's grant of this Mortgage to Mortgagee. Mortgagor, on demand, will execute and deliver, and in the event it shall fail to so execute and deliver, hereby authorizes Mortgagee to execute in the name of Mortgagor or without the signature of Mortgagor to the extent Mortgagee may lawfully do so, one or more financing statements (including, without limitation, initial financing statements and amendments thereto and continuation statements) with or without the signature of Mortgagor as authorized by applicable law, to evidence more effectively the security interest of Mortgagee in the Property. Mortgagor also ratifies its authorization for Mortgagee to have filed any like initial financing statements, amendments thereto and continuation statements, if filed prior to the date of this Mortgage. Mortgagor grants to Mortgagee an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Mortgagee at law and in equity, including without limitation such rights and remedies available to Mortgagee pursuant to this Section 5.2. To the extent not prohibited by applicable law, Mortgagor hereby ratifies all acts Mortgagee has lawfully done in the past or shall lawfully do or cause to be done in the future by virtue of such power of attorney.

Section 5.3 Changes in Tax, Debt, Credit and Documentary Stamp Laws.

(a) If any law is enacted or adopted or amended after the date of this Mortgage which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Mortgagee's interest in the Property, Mortgagor will pay the tax, with interest and penalties thereon, if any. If Mortgagee is advised by counsel chosen by it that the payment of tax by Mortgagor would be unlawful or taxable to Mortgagee or unenforceable or provide the basis for a defense of usury then Mortgagee shall have the option by written notice of not less than one hundred twenty (120) days to declare the Debt immediately due and payable.

(b) Mortgagor will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Mortgage or the Debt. If such claim, credit or deduction shall be required by law, Mortgagee shall have the option by written notice of not less than one hundred twenty (120) days to declare the Debt immediately due and payable.

(c) If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, this Mortgage, or any of the other Loan Documents or impose any other tax or charge on the same, Mortgagor will pay for the same, with interest and penalties thereon, if any.

Section 5.4 Splitting of Mortgage This Mortgage and the Note shall, at any time until the same shall be fully paid and satisfied, at the sole election of Mortgagee, be split or divided into two or more Notes and two or more security instruments, each of which shall cover all or a portion of the Property to be more particularly described therein. To that end, Mortgagor, upon written request of Mortgagee, shall execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered by the then owner of the Property, to Mortgagee and/or its designee or designees substitute Notes and security instruments in

such principal amounts, aggregating not more than the then unpaid principal amount of the Note, and containing terms, provisions and clauses similar to those contained herein and in the Note, and such other documents and instruments as may be required by Mortgagee.

Section 5.5 Replacement Documents. Upon receipt of an affidavit of an officer of Mortgagee as to the loss, theft, destruction or mutilation of the Note or any other Loan Document which is not of public record, and, in the case of any such mutilation, upon surrender and cancellation of such Note or other Loan Document, Mortgagor will issue, in lieu thereof, a replacement Note or other Loan Document, dated the date of such lost, stolen, destroyed or mutilated Note or other Loan Document in the same principal amount thereof and otherwise of like tenor.

ARTICLE 6

DUE ON SALE/ENCUMBRANCE

Section 6.1 Mortgagee Reliance. Mortgagor acknowledges that Mortgagee has examined and relied on the experience of Mortgagor and its general partners, members, principals and (if Mortgagor is a trust) beneficial owners, as applicable, in owning and operating properties such as the Property in agreeing to make the Loan, and will continue to rely on Mortgagor's ownership of the Property as a means of maintaining the value of the Property as security for repayment of the Debt and the performance of the Other Obligations. Mortgagor acknowledges that Mortgagee has a valid interest in maintaining the value of the Property so as to ensure that, should Mortgagor default in the repayment of the Debt or the performance of the Other Obligations, Mortgagee can recover the Debt by a sale of the Property.

Section 6.2 No Transfer. Mortgagor shall not permit or suffer any Transfer to occur, unless permitted by the Loan Agreement or unless Mortgagee shall consent thereto in writing.

Section 6.3 Mortgagee's Rights. Without obligating Mortgagee to grant any consent under Section 6.2 hereof which Mortgagee may grant or withhold in its sole discretion, Mortgagee reserves the right to condition the consent required hereunder upon: (a) a modification of the terms hereof and of the Loan Agreement, the Note or the other Loan Documents; (b) an assumption of the Loan Agreement, the Note, this Mortgage and the other Loan Documents as so modified by the proposed transferee; (c) payment of all of Mortgagee's expenses incurred in connection with such transfer; (d) Reserved; (e) Reserved; (f) Reserved; (g) the delivery of evidence satisfactory to Mortgagee that the single purpose nature and bankruptcy remoteness of Mortgagor, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the Loan Documents; (h) the proposed transferee's ability to satisfy Mortgagee's then-current underwriting standards; or (i) such other conditions as Mortgagee shall determine in its reasonable discretion to be in the interest of Mortgagee, including, without limitation, the creditworthiness, reputation and qualifications of the transferee with respect to the Loan and the Property. - (h) the license granted to Mortgagor under Section 1.2 hereof shall automatically be revoked and Mortgagee may enter into or upon the Property, either personally or by its agents, nominees or attorneys and dispossess Mortgagor and its agents and servants therefrom, without liability for trespass, damages or otherwise and exclude Mortgagor and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Mortgagor agrees to surrender possession of the Property and of such books, records and accounts to Mortgagee upon demand, and thereupon Mortgagee may: (i) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat; (ii) complete any construction on the Property in such manner and form as Mortgagee deems advisable; (iii) make alterations, additions, renewals, replacements and improvements to or on the Property; (iv) exercise all rights and powers of Mortgagor with respect to the Property, whether in the name of Mortgagor or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents of the Property and every part thereof; (v) require Mortgagor to pay monthly in advance to Mortgagee, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be occupied by Mortgagor;

(i) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing: (i) the right to take possession of the Fixtures, the Equipment and the Personal Property, or any part thereof, and to take such other measures as Mortgagee may deem necessary for the care, protection and preservation of the Fixtures, the Equipment and the Personal Property, and (ii) request Mortgagor at its expense to assemble the Fixtures, the Equipment and the Personal Property and make it available to Mortgagee at a convenient place acceptable to Mortgagee. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Fixtures, the Equipment and/or the Personal Property sent to Mortgagor in accordance with the provisions hereof at least ten (10) days prior to such action, shall constitute commercially reasonable notice to Mortgagor;

(j) apply any sums then deposited or held in escrow or otherwise by or on behalf of Mortgagee in accordance with the terms of the Loan Agreement, this Mortgage or any other Loan Document to the payment of the following items in any order in its uncontrolled discretion:

(k) pursue such other remedies as Mortgagee may have under applicable law;

(l) apply the undisbursed balance of any Net Proceeds Deficiency deposit, together with interest thereon, to the payment of the Debt in such order, priority and proportions as Mortgagee shall deem to be appropriate in its discretion; and/or

(m) Intentionally omitted.

In the event of a sale, by foreclosure or otherwise, of less than all of Property, this Mortgage shall continue as a lien and security interest on the remaining portion of the Property unimpaired and without loss of priority.

Section 7.2 Application of Proceeds. The purchase money, proceeds and avails of any disposition of the Property, and or any part thereof, or any other sums collected by Mortgagee pursuant to the Note, this Mortgage or the other Loan Documents may be applied by Mortgagee to the payment of the Debt in such priority and proportions as Mortgagee in its discretion shall deem proper.

Section 7.3 Right to Cure Defaults. Upon the occurrence and during the continuance of any Event of Default or if Mortgagor fails to make any payment or to do any act as herein provided, Mortgagee may, but without any obligation to do so and without notice to or demand on Mortgagor and without releasing Mortgagor from any obligation hereunder, make or do the same in such manner and to such extent as Mortgagee may deem necessary to protect the security hereof. Mortgagee is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Mortgage or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 7.3, shall constitute a portion of the Debt and shall be due and payable to Mortgagee upon demand. All such costs and expenses incurred by Mortgagee in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate, for the period after notice from Mortgagee that such cost or expense was incurred to the date of payment to Mortgagee. All such costs and expenses incurred by Mortgagee together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by this Mortgage and the other Loan Documents and shall be immediately due and payable upon demand by Mortgagee therefor.

Section 7.4 Actions and Proceedings. Mortgagee has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Mortgagor, which Mortgagee, in its discretion, decides should be brought to protect its interest in the Property.

Section 7.5 Recovery of Sums Required to Be Paid. Mortgagee shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Mortgagee thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Mortgagor existing at the time such earlier action was commenced.

Section 7.6 Examination of Books and Records. At reasonable times and upon reasonable notice, Mortgagee, its agents, accountants and attorneys shall have the right to examine the records, books, management and other papers of Mortgagor which reflect upon its financial condition, at the Property or at any office regularly maintained by Mortgagor where the books and records are located. Mortgagee and its agents shall have the right to make copies and extracts from the foregoing records and other papers. In addition, at reasonable times and upon reasonable notice, Mortgagee, its agents, accountants and attorneys shall have the right to examine and audit the books and records of Mortgagor pertaining to the income, expenses and operation of the Property during reasonable business hours at any office of Mortgagor where the books and records are located. This Section 7.6 shall apply throughout the term of the Note and without regard to whether an Event of Default has occurred or is continuing.

Section 7.7 Other Rights, etc.

(a) The failure of Mortgagee to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Mortgage. Mortgagor shall not be relieved of Mortgagor's obligations hereunder by reason of (i) the failure of Mortgagee to comply with any request of Mortgagor or any guarantor or indemnitor with respect to the Loan to take any action to foreclose this Mortgage or otherwise enforce any of the provisions hereof or of the Note or the other Loan Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any Person liable for the Debt or any portion thereof, or (iii) any agreement or stipulation by Mortgagee extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Mortgage or the other Loan Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Mortgagor, and Mortgagee shall have no liability whatsoever for decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Mortgagee shall not be deemed an election of judicial relief, if any such possession is requested or obtained, with respect to any Property or collateral not in Mortgagee's possession.

(c) Mortgagee may resort for the payment of the Debt to any other security held by Mortgagee in such order and manner as Mortgagee, in its discretion, may elect. Mortgagee may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Mortgagee thereafter to foreclose this Mortgage. The rights of Mortgagee under this Mortgage shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Mortgagee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Mortgagee shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 7.8 Right to Release Any Portion of the Property. Mortgagee may release any portion of the Property for such consideration as Mortgagee may require without, as to the remainder of the Property, in any way impairing or affecting the lien or priority of this Mortgage, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Mortgagee for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Mortgagee may require without being accountable for so doing to any other lienholder. This Mortgage shall continue as a lien and security interest in the remaining portion of the Property.

Section 7.9 Violation of Laws. If the Property is not in material compliance with Legal Requirements, Mortgagee may impose additional requirements upon Mortgagor in connection herewith including, without limitation, monetary reserves or financial equivalents.

Section 7.10 Recourse and Choice of Remedies. Notwithstanding any other provision of this Mortgage or the Loan Agreement, Mortgagee is entitled to enforce the obligations of Mortgagor contained in Sections 9.2 and 9.3 herein without first resorting to or exhausting any security or collateral and without first having recourse to the Note or any of the Property, through foreclosure or acceptance of a deed in lieu of foreclosure or otherwise, and in the event Mortgagee commences a foreclosure action against the Property, Mortgagee is entitled to pursue a deficiency judgment with respect to such obligations against Mortgagor with respect to the Loan. The provisions of Sections 9.2 and 9.3 herein and are exceptions to any non-recourse or exculpation provisions in the Loan Agreement, the Note, this Mortgage or the other Loan Documents, and Mortgagor and any guarantor or indemnitor with respect to the Loan are fully and personally liable for the obligations pursuant to Sections 9.2 and 9.3 herein. The liability of Mortgagor with respect to the Loan pursuant to Sections 9.2 and 9.3 herein is not limited to the original principal amount of the Note. Notwithstanding the foregoing, nothing herein shall inhibit or prevent Mortgagee from foreclosing or exercising any other rights and remedies pursuant to the Loan Agreement, the Note, this Mortgage and the other Loan Documents, whether simultaneously with foreclosure proceedings or in any other sequence. A separate action or actions may be brought and prosecuted against Mortgagor pursuant to Sections 9.2 and 9.3 herein, whether or not action is brought against any other Person or whether or not any other Person is joined in the action or actions. In addition, Mortgagee shall have the right but not the obligation to join and participate in, as a party if it so elects, any administrative or judicial proceedings or actions initiated in connection with any matter addressed in the ADA and Environmental Indemnity.

Section 7.11 Right of Entry. Upon reasonable notice to Mortgagor, Mortgagee and its agents shall have the right to enter and inspect the Property at all reasonable times.

information contained in the sections describing Mortgagor, any Guarantor and the Property set forth in such Disclosure Document has carefully been examined, and that, to such indemnitor's knowledge, such sections do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; (ii) indemnifying Mortgagee (and for purposes of this Section 15.3(c), Mortgagee shall include its officers and directors) that (1) has filed the registration statement, if any, relating to the Secondary Market Transaction and/or (2) which is acting as issuer, depositor, sponsor and/or a similar capacity with respect to the Secondary Market Transaction (any person described in (1) or (2), an "Issuer Person"), and each director and officer of any Issuer Person, and each person who controls any Issuer Person with the meaning of Section 15 of the Securities Act or Section 20 of the Securities Exchange Act (collectively, "Issuer Group"), for any losses to which Mortgagee or the Issuer Group may become subject insofar as the losses arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated in such sections necessary in order to make the statements in such sections or in light of the circumstances under which they were made, not misleading (collectively, "Securities Liabilities"); and (iii) agreeing to reimburse Mortgagee and the Issuer Group for any legal or other expenses reasonably incurred by Mortgagee and the Issuer Group in investigating or defending the Securities Liabilities; provided, however, that indemnitor will be liable under clauses (ii) or (iii) above only to the extent that such Securities Liabilities arise out of, or are based upon, any such untrue statement or omission made therein in reliance upon, and in conformity with, information furnished to Mortgagee or any member of the Issuer Group by or on behalf of Mortgagor or a Guarantor in connection with the preparation of the Disclosure Documents or in connection with the underwriting of the Loan, including, without limitation, financial statements of Mortgagor or any Guarantor, and operating statements, rent rolls, environmental site assessment reports and property condition reports with respect to the Property. This indemnity is in addition to any liability which Mortgagor may otherwise have and shall be effective whether or not an indemnification certificate described above is provided and shall be applicable based on information previously provided by or on behalf of Mortgagor or a Guarantor if the indemnification certificate is not provided.

Section 15.4 Inapplicable Provisions. If any term, covenant or condition of the Loan Agreement, the Note or this Mortgage is held to be invalid, illegal or unenforceable in any respect, the Loan Agreement, the Note and this Mortgage shall be construed without such provision.

Section 15.5 Headings, etc. The headings and captions of various Sections of this Mortgage are for convenience of reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.

Section 15.6 Number and Gender/Joint and Several. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns and pronouns shall include the plural and vice versa. If Mortgagor consists of more than one Person, all representations, warranties, covenants, obligations and liabilities of each such Person hereunder shall be joint and several. A default hereunder by any such Person shall be deemed a default by all such Persons and Mortgagor. With respect to the definition of "Mortgagor", except where the context otherwise provides, (i) any representations contained herein of Mortgagor shall be applicable to each Mortgagor, (ii) any affirmative covenants contained herein shall be deemed to be covenants of each Mortgagor and shall require performance by all Mortgagors, (iii) any negative covenants contained herein shall be deemed to be covenants of each Mortgagor, and shall be breached if any Mortgagor fails to comply therewith, (iv) the occurrence of any Event of Default with respect to any Mortgagor shall be deemed to be an Event of Default hereunder, and (v) any Debt and/or Other Obligations of Mortgagor shall be deemed to include any Debt and/or Other Obligations of the Mortgagor, or any Debt and/or Other Obligations of any one of them. The representations, warranties and covenants contained herein shall be read to apply to the individual Persons comprising Mortgagor when the context so requires, but a breach of any such

representation, warranty or covenant or a breach of any obligation under this Mortgage shall be deemed a breach by all such Persons and Mortgagor, entitling Mortgagee to exercise all of their rights and remedies under this Mortgage and under applicable law.

Section 15.7 Subrogation. If any or all of the proceeds of the Note have been used to extinguish, extend or renew any indebtedness heretofore existing against the Property, then, to the extent of the funds so used, Mortgagee shall be subrogated to all of the rights, claims, liens, titles, and interests existing against the Property heretofore held by, or in favor of, the holder of such indebtedness and such former rights, claims, liens, titles, and interests, if any, are not waived but rather are continued in full force and effect in favor of Mortgagee and are merged with the lien and security interest created herein as cumulative security for the repayment of the Debt, the performance and discharge of Mortgagor's obligations hereunder, under the Loan Agreement, the Note and the other Loan Documents and the performance and discharge of the Other Obligations.

Section 15.8 Entire Agreement. The Note, the Loan Agreement, this Mortgage and the other Loan Documents constitute the entire understanding and agreement between Mortgagor and Mortgagee with respect to the transactions arising in connection with the Debt and supersede all prior written or oral understandings and agreements between Mortgagor and Mortgagee with respect thereto. Mortgagor hereby acknowledges that, except as incorporated in writing in the Note, the Loan Agreement, this Mortgage and the other Loan Documents, there are not, and were not, and no Persons are or were authorized by Mortgagee to make, any representations, understandings, stipulations, agreements or promises, oral or written, with respect to the transaction which is the subject of the Note, the Loan Agreement, this Mortgage and the other Loan Documents.

Section 15.9 Limitation on Mortgagee's Responsibility. No provision of this Mortgage shall operate to place any obligation or liability for the control, care, management or repair of the Property upon Mortgagee, nor shall it operate to make Mortgagee responsible or liable for any waste committed on the Property by the tenants or any other Person, or for any dangerous or defective condition of the Property, or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger. Nothing herein contained shall be construed as constituting Mortgagee a "mortgagee in possession."

Section 15.10 Loan Agreement. This Mortgage is made pursuant to the Loan Agreement and is subject to all of the provisions of the Loan Agreement including, without limitation, the provisions thereof entitling Mortgagee to declare the entire indebtedness secured hereby to be immediately due and payable, all of which provisions are incorporated herein with the same force and with like effect as if they were fully set forth herein at length and made a part hereof.

Section 15.11 Intentionally Omitted.

Section 15.12 Receipt of Mortgage.

MORTGAGOR CERTIFIES AND ACKNOWLEDGES THAT IT HAS RECEIVED A TRUE AND CORRECT COPY OF THIS MORTGAGE WITHOUT CHARGE.

ARTICLE 16

STATE-SPECIFIC PROVISIONS

Section 16.1 Inconsistencies. In the event of any inconsistencies between the terms and conditions of this Article 16 and the other provisions of this Mortgage, the terms and conditions of this Article 16 shall control and be binding.

Section 16.2 Compliance with Illinois Mortgage Foreclosure Law.

(a) In the event that any provision in this Mortgage shall be inconsistent with any provisions of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-1101 *et. seq.* (as amended from time to time the "IMF Law"), the provision of the IMF Law shall take precedence over the provisions of this Mortgage, but shall not invalidate or render unenforceable any other provision of this Mortgage that can be construed in a manner consistent with the IMF Law.

(b) Mortgagor and Mortgagee shall have the benefit of all of the provisions of the IMF Law, including all amendments thereto which may become effective from time to time after the date hereof. In the event any provision of the IMF Law which is specifically referred to herein may be repealed, Mortgagee shall have the benefit of such provision as most recently existing prior to such repeal, as though the same were incorporated herein by express reference.

(c) If any provision of this Mortgage shall grant to Mortgagee any rights or remedies upon default of Mortgagor which are more limited than the rights that would otherwise be vested in Mortgagee under the IMF Law in the absence of said provision, Mortgagee shall be vested with the rights granted in the IMF Law to the full extent not prohibited by law.

(d) In addition to any provision of this Mortgage authorizing Mortgagee to take or be placed in possession of the Property, or for the appointment of a receiver, Mortgagee shall have the right, in accordance with Sections 15-1701 and 15-1702 of the IMF Law, to be placed in possession of the Property or at its request to have a receiver appointed, and such receiver, or Mortgagee, if and when placed in possession, shall have, in addition to any other powers provided in this Mortgage, all rights, powers, immunities and duties as provided for in Sections 15-1701, 15-1703 and 15-1704 of the IMF Law.

Section 16.3 Waiver of Right of Redemption and Other Rights. To the full extent permitted by law, Mortgagor agrees that it will not at any time or in any manner whatsoever take any advantage of any stay, exemption or extension law or any so-called "Moratorium Law" now or at any time hereafter in force, nor take any advantage of any law now or hereafter in force providing for the valuation or appraisal of the Property, or any part thereof, prior to any sale thereof to be made pursuant to any provisions herein contained, or to any decree, judgment or order of any court of competent jurisdiction; or after such sale, claim or exercise any rights under any statute now or hereafter in force to redeem the Property so sold, or any part thereof, or relating to the marshalling thereof, upon foreclosure sale or other enforcement hereof. To the full extent permitted by law, Mortgagor hereby expressly waives any and all rights it may have to require that the Property be sold as separate tracts or units in the event of foreclosure. To the full extent permitted by law, Mortgagor hereby expressly waives any and all rights of redemption and reinstatement under the IMF Law, on its own behalf, on behalf of all persons claiming or having an interest (direct or indirect) by, through or under Mortgagor and on behalf of each and every person acquiring any interest in or title to the Property subsequent to the date hereof, it being the intent hereof that any and all such rights of redemption of Mortgagor and such other persons are and shall be deemed to be hereby waived to the full extent permitted by applicable law. To the full extent permitted by law, Mortgagor agrees that it will not, by invoking or utilizing any applicable law or laws or otherwise, hinder, delay or impede

the exercise of any right, power or remedy herein or otherwise granted or delegated to Mortgagee, but will permit the exercise of every such right, power and remedy as though no such law or laws have been or will have been made or enacted. To the full extent permitted by law, Mortgagor hereby agrees that no action for the enforcement of the lien or any provision hereof shall be subject to any defense which would not be good and valid in an action at law upon the Note. Mortgagor acknowledges that the Property does not constitute agricultural real estate as defined in Section 5/15-1201 of the IMF Law or residential real estate as defined in Section 5/15-1219 of the IMF Law.

Section 16.4 Use of Proceeds. Mortgagor represents and warrants to Mortgagee (i) that the proceeds of the Note secured by this Mortgage will be used for the purposes specified in 815 ILCS 205/4(1)(l) (or any substitute, amended or replacement statute), and that the indebtedness secured hereby constitutes a business loan to a business entity which comes within the purview of said 815 ILCS 205/4(1)(l), and (ii) that the Loan evidenced by the Note is an exempted transaction under the Truth In Lending Act, 15 U.S.C. §1601 *et seq.*

Section 16.5 Interest Laws. It being the intention of Mortgagee and Mortgagor to comply with the laws of the State of Illinois, it is agreed that notwithstanding any provision to the contrary in the Note, this Mortgage or any of the other Loan Documents, no such provision shall require the payment or permit the collection of any amount ("Excess Interest") in excess of the maximum amount of interest permitted by law to be charged for the use or detention, or the forbearance in the collection, of all or any portion of the indebtedness evidenced by the Note. If any Excess Interest is provided for, or is adjudicated to be provided for, in the Note, this Mortgage or any of the other Loan Documents, then in such event: (a) the provisions of this Section 16.5 shall govern and control; (b) neither Mortgagor nor any other party obligated under the terms of the Note or any of the other Loan Documents shall be obligated to pay any Excess Interest; (c) any Excess Interest that Mortgagee may have received hereunder shall, at the option of Mortgagee, be (i) applied as a credit against the then unpaid principal balance under the Note, accrued and unpaid interest thereon not to exceed the maximum amount permitted by law, or both, (ii) refunded to the payor thereof, or (iii) any combination of the foregoing; (d) the Interest Rate (as that term is defined in the Note) shall be subject to automatic reduction to the maximum lawful contract rate allowed under the applicable usury laws of the aforesaid State, and the Note, this Mortgage and the other Loan Documents shall be deemed to be automatically reformed and modified to reflect such reduction in the Interest Rate; and (e) neither Mortgagor nor any other party obligated under the terms of the Note or any of the other Loan Documents shall have any action against Mortgagee for any damages whatsoever arising out of the payment or collection of any Excess Interest.

Section 16.6 Other Amounts Secured; Maximum Indebtedness. Mortgagor acknowledges and agrees that this Mortgage secures the entire principal amount of the Note and interest accrued thereon, regardless of whether any or all of the loan proceeds are disbursed on or after the date hereof, and regardless of whether the outstanding principal is repaid in whole or part or are future advances made at a later date, any and all litigation and other expenses and any other amounts as provided herein or in any of the other Loan Documents, including, without limitation, the payment of any and all loan commissions, service charges, liquidated damages, expenses and advances due to or paid or incurred by Mortgagee in connection with the Loan, all in accordance with the loan commitment issued in connection with this transaction and the Loan Documents. Notwithstanding anything in this Mortgage to the contrary, under no circumstances shall the maximum principal indebtedness secured hereby exceed EIGHTEEN MILLION FOUR HUNDRED THOUSAND AND NO/100 DOLLARS (\$18,400,000), plus interest thereon and any disbursements made for the payment of taxes, special assessments, or insurance on the Property, with interest on such disbursements. It is agreed that any future advances made by Mortgagee for the benefit of Mortgagor from time to time under this Mortgage or the other Loan Documents and whether or not such advances are obligatory or are made at the option of Mortgagee, made at any time from and after the date of this Mortgage, and all interest accruing thereon, shall be equally secured by this

Mortgage and shall have the same priority as all amounts, if any, advanced as of the date hereof and shall be subject to all of the terms and provisions of this Mortgage. This Mortgage shall be valid and have priority to the extent of the full amount of the indebtedness secured hereby over all subsequent liens and encumbrances, including statutory liens, excepting solely taxes and assessments levied on the Property given priority by law.

Section 16.7 Adjustable Mortgage Loan Provisions. The Note which this Mortgage secures is an adjustable note on which the interest rate may be adjusted from time to time in accordance with the terms and provisions set forth in the Note.

Section 16.8 Deed of Trust. If title to the Property or any part thereof is now or hereafter becomes vested in a trustee, any prohibition or restriction contained herein against the creation of any lien on the Property shall be construed as a similar prohibition or restriction against the creation of any lien on or security interest in the beneficial interest of such trust.

Section 16.9 Collateral Protection Act. Unless Mortgagor provides Mortgagee with evidence of the insurance required by this Mortgage or any other Loan Document, Mortgagee may purchase insurance at Mortgagor's expense to protect Mortgagee's interest in the Property or any other collateral for the indebtedness secured hereby. This insurance may, but need not, protect Mortgagor's interests. The coverage Mortgagee purchases may not pay any claim that Mortgagor makes or any claim that is made against Mortgagor in connection with the Property or any other collateral for the indebtedness secured hereby. Mortgagor may later cancel any insurance purchased by Mortgagee, but only after providing Mortgagee with evidence that Mortgagor has obtained insurance as required under this Mortgage or any other Loan Document. If Mortgagee purchases insurance for the Property or any other collateral for the indebtedness secured hereby, Mortgagor shall be responsible for the costs of that insurance, including interest in any other charges that Mortgagee may lawfully impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the indebtedness secured hereby. The costs of the insurance may be more than the cost of insurance that Mortgagor may be able to obtain on its own. For purposes of the Illinois Collateral Protection Act, 815 ILCS 180/1 *et. seq.*, Mortgagor hereby acknowledges Mortgagee's right pursuant to this paragraph to obtain collateral protection insurance.

Section 16.10 Rights of Tenants. Mortgagee shall have the right and option to commence a civil action to foreclose this Mortgage and to obtain a decree of foreclosure and sale subject to the rights of any tenant or tenants of the Property having an interest in the Property prior to that of Mortgagee. The failure to join any such tenant or tenants of the Property as party defendant or defendants in any such civil action or the failure of any decree of foreclosure and sale to foreclose their rights shall not be asserted by Mortgagor as a defense in any civil action instituted to collect the Obligations, or any part thereof or any deficiency remaining unpaid after foreclosure and sale of the Property, any statute or rule of law at any time existing to the contrary notwithstanding.

Mortgagor shall pay to Mortgagee on demand any and all expenses, including reasonable legal expenses and attorneys' fees, incurred or paid by Mortgagee in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral after the occurrence and during the continuance of an Event of Default. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Collateral sent to Mortgagor in accordance with the provisions hereof at least ten (10) days prior to such action, shall, except as otherwise provided by applicable law, constitute reasonable notice to Mortgagor. The proceeds of any disposition of the Collateral, or any part thereof, may, except as otherwise required by applicable law, be applied by Mortgagee to the payment of the Debt in such priority and proportions as Mortgagee in its discretion shall deem proper. The principal place of business of Mortgagor (Debtor) is as set forth on page one hereof and the address of Mortgagee (Secured Party) is as set forth on page one hereof.

OBLIGATIONS AND RELIANCES

Section 4.1 Relationship of Mortgagor and Mortgagee. The relationship between Mortgagor, on the one hand, and Mortgagee, on the other, is solely that of debtor and creditor, and Mortgagee has no fiduciary or other special relationship with Mortgagor, and no term or condition of any of the Loan Agreement, the Note, this Mortgage and the other Loan Documents shall be construed so as to deem the relationship between Mortgagor, on the one hand, and Mortgagee, on the other, to be other than that of debtor and creditor.

Section 4.2 No Reliance on Mortgagee. The general partners, members, principals and (if Mortgagor is a trust) beneficial owners of Mortgagor, as applicable, are experienced in the ownership and operation of properties similar to the Property, and Mortgagor and Mortgagee are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Mortgagor is not relying on Mortgagee's expertise, business acumen or advice in connection with the Property.

Section 4.3 No Mortgagee Obligations.

(a) Notwithstanding the provisions of Subsections 1.1(h) and (m) or Section 1.2, Mortgagee is not undertaking the performance of (i) any obligations under the Lcases; or (ii) any obligations with respect to such agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses and other documents.

Section 4.4 Reliance. Mortgagor recognizes and acknowledges that in accepting the Loan Agreement, the Note, this Mortgage and the other Loan Documents, Mortgagee is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Section 8 of the Loan Agreement without any obligation to investigate the Property and notwithstanding any investigation of the Property by Mortgagee; that such reliance existed on the part of Mortgagee prior to the date hereof, that the warranties and representations are a material inducement to Mortgagee in making the Loan; and that Mortgagee would not be willing to make the Loan and accept this Mortgage in the absence of the warranties and representations as set forth in Section 8 of the Loan Agreement.

ARTICLE 5

FURTHER ASSURANCES

Section 5.1 Recording of Mortgage, etc. Mortgagor forthwith upon the execution and delivery of this Mortgage and thereafter, from time to time, will cause this Mortgage and any of the other Loan Documents creating a lien or security interest or evidencing the lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the lien or security interest hereof upon, and the interest of Mortgagee in, the Property. Mortgagor will pay all taxes, filing, registration or recording fees, and all expenses incident to the preparation, execution, acknowledgment and/or recording of the Note, this Mortgage, the other Loan Documents, any note or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Mortgage, any deed of trust or mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law so to do.

Section 5.2 Further Acts, etc. Mortgagor will, at the cost of Mortgagor, and without expense to Mortgagee, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, deeds of trust, mortgages, assignments, notices of assignments, transfers and assurances as Mortgagee shall, from time to time, reasonably require, for the better conveying, assigning or transferring unto Mortgagee the property and rights hereby mortgaged, deeded, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred or intended now or hereafter so to be, or which Mortgagor may be or may hereafter become bound to convey or assign to Mortgagee, or for carrying out the intention or facilitating the performance of the terms of this Mortgage or for filing, registering or recording this Mortgage, or for complying with all Legal Requirements relating to Mortgagor's grant of this Mortgage to Mortgagee. Mortgagor, on demand, will execute and deliver, and in the event it shall fail to so execute and deliver, hereby authorizes Mortgagee to execute in the name of Mortgagor or without the signature of Mortgagor to the extent Mortgagee may lawfully do so, one or more financing statements (including, without limitation, initial financing statements and amendments thereto and continuation statements) with or without the signature of Mortgagor as authorized by applicable law, to evidence more effectively the security interest of Mortgagee in the Property. Mortgagor also ratifies its authorization for Mortgagee to have filed any like initial financing statements, amendments thereto and continuation statements, if filed prior to the date of this Mortgage. Mortgagor grants to Mortgagee an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Mortgagee at law and in equity, including without limitation such rights and remedies available to Mortgagee pursuant to this Section 5.2. To the extent not prohibited by applicable law, Mortgagor hereby ratifies all acts Mortgagee has lawfully done in the past or shall lawfully do or cause to be done in the future by virtue of such power of attorney.

Section 5.3 Changes in Tax, Debt, Credit and Documentary Stamp Laws.

(a) If any law is enacted or adopted or amended after the date of this Mortgage which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Mortgagee's interest in the Property, Mortgagor will pay the tax, with interest and penalties thereon, if any. If Mortgagee is advised by counsel chosen by it that the payment of tax by Mortgagor would be unlawful or taxable to Mortgagee or unenforceable or provide the basis for a defense of usury then Mortgagee shall have the option by written notice of not less than one hundred twenty (120) days to declare the Debt immediately due and payable.

(b) Mortgagor will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Mortgage or the Debt. If such claim, credit or deduction shall be required by law, Mortgagee shall have the option by written notice of not less than one hundred twenty (120) days to declare the Debt immediately due and payable.

(c) If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, this Mortgage, or any of the other Loan Documents or impose any other tax or charge on the same, Mortgagor will pay for the same, with interest and penalties thereon, if any.

Section 5.4 Splitting of Mortgage This Mortgage and the Note shall, at any time until the same shall be fully paid and satisfied, at the sole election of Mortgagee, be split or divided into two or more Notes and two or more security instruments, each of which shall cover all or a portion of the Property to be more particularly described therein. To that end, Mortgagor, upon written request of Mortgagee, shall execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered by the then owner of the Property, to Mortgagee and/or its designee or designees substitute Notes and security instruments in

such principal amounts, aggregating not more than the then unpaid principal amount of the Note, and containing terms, provisions and clauses similar to those contained herein and in the Note, and such other documents and instruments as may be required by Mortgagee.

Section 5.5 Replacement Documents. Upon receipt of an affidavit of an officer of Mortgagee as to the loss, theft, destruction or mutilation of the Note or any other Loan Document which is not of public record, and, in the case of any such mutilation, upon surrender and cancellation of such Note or other Loan Document, Mortgagor will issue, in lieu thereof, a replacement Note or other Loan Document, dated the date of such lost, stolen, destroyed or mutilated Note or other Loan Document in the same principal amount thereof and otherwise of like tenor.

ARTICLE 6

DUE ON SALE/ENCUMBRANCE

Section 6.1 Mortgagee Reliance. Mortgagor acknowledges that Mortgagee has examined and relied on the experience of Mortgagor and its general partners, members, principals and (if Mortgagor is a trust) beneficial owners, as applicable, in owning and operating properties such as the Property in agreeing to make the Loan, and will continue to rely on Mortgagor's ownership of the Property as a means of maintaining the value of the Property as security for repayment of the Debt and the performance of the Other Obligations. Mortgagor acknowledges that Mortgagee has a valid interest in maintaining the value of the Property so as to ensure that, should Mortgagor default in the repayment of the Debt or the performance of the Other Obligations, Mortgagee can recover the Debt by a sale of the Property.

Section 6.2 No Transfer. Mortgagor shall not permit or suffer any Transfer to occur, unless permitted by the Loan Agreement or unless Mortgagee shall consent thereto in writing.

Section 6.3 Mortgagee's Rights. Without obligating Mortgagee to grant any consent under Section 6.2 hereof which Mortgagee may grant or withhold in its sole discretion, Mortgagee reserves the right to condition the consent required hereunder upon: (a) a modification of the terms hereof and of the Loan Agreement, the Note or the other Loan Documents; (b) an assumption of the Loan Agreement, the Note, this Mortgage and the other Loan Documents as so modified by the proposed transferee; (c) payment of all of Mortgagee's expenses incurred in connection with such transfer; (d) Reserved; (e) Reserved; (f) Reserved; (g) the delivery of evidence satisfactory to Mortgagee that the single purpose nature and bankruptcy remoteness of Mortgagor, its shareholders, partners or members, as the case may be, following such transfers are in accordance with the Loan Documents; (h) the proposed transferee's ability to satisfy Mortgagee's then-current underwriting standards; or (i) such other conditions as Mortgagee shall determine in its reasonable discretion to be in the interest of Mortgagee, including, without limitation, the creditworthiness, reputation and qualifications of the transferee with respect to the Loan and the Property. - (h) the license granted to Mortgagor under Section 1.2 hereof shall automatically be revoked and Mortgagee may enter into or upon the Property, either personally or by its agents, nominees or attorneys and dispossess Mortgagor and its agents and servants therefrom, without liability for trespass, damages or otherwise and exclude Mortgagor and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Mortgagor agrees to surrender possession of the Property and of such books, records and accounts to Mortgagee upon demand, and thereupon Mortgagee may: (i) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat; (ii) complete any construction on the Property in such manner and form as Mortgagee deems advisable; (iii) make alterations, additions, renewals, replacements and improvements to or on the Property; (iv) exercise all rights and powers of Mortgagor with respect to the Property, whether in the name of Mortgagor or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents of the Property and every part thereof; (v) require Mortgagor to pay monthly in advance to Mortgagee, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be occupied by Mortgagor;

(i) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing: (i) the right to take possession of the Fixtures, the Equipment and the Personal Property, or any part thereof, and to take such other measures as Mortgagee may deem necessary for the care, protection and preservation of the Fixtures, the Equipment and the Personal Property, and (ii) request Mortgagor at its expense to assemble the Fixtures, the Equipment and the Personal Property and make it available to Mortgagee at a convenient place acceptable to Mortgagee. Any notice of sale, disposition or other intended action by Mortgagee with respect to the Fixtures, the Equipment and/or the Personal Property sent to Mortgagor in accordance with the provisions hereof at least ten (10) days prior to such action, shall constitute commercially reasonable notice to Mortgagor;

(j) apply any sums then deposited or held in escrow or otherwise by or on behalf of Mortgagee in accordance with the terms of the Loan Agreement, this Mortgage or any other Loan Document to the payment of the following items in any order in its uncontrolled discretion:

(k) pursue such other remedies as Mortgagee may have under applicable law;

(l) apply the undisbursed balance of any Net Proceeds Deficiency deposit, together with interest thereon, to the payment of the Debt in such order, priority and proportions as Mortgagee shall deem to be appropriate in its discretion; and/or

(m) Intentionally omitted.

In the event of a sale, by foreclosure or otherwise, of less than all of Property, this Mortgage shall continue as a lien and security interest on the remaining portion of the Property unimpaired and without loss of priority.

Section 7.2 Application of Proceeds. The purchase money, proceeds and avails of any disposition of the Property, and or any part thereof, or any other sums collected by Mortgagee pursuant to the Note, this Mortgage or the other Loan Documents may be applied by Mortgagee to the payment of the Debt in such priority and proportions as Mortgagee in its discretion shall deem proper.

Section 7.3 Right to Cure Defaults. Upon the occurrence and during the continuance of any Event of Default or if Mortgagor fails to make any payment or to do any act as herein provided, Mortgagee may, but without any obligation to do so and without notice to or demand on Mortgagor and without releasing Mortgagor from any obligation hereunder, make or do the same in such manner and to such extent as Mortgagee may deem necessary to protect the security hereof. Mortgagee is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Mortgage or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 7.3, shall constitute a portion of the Debt and shall be due and payable to Mortgagee upon demand. All such costs and expenses incurred by Mortgagee in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate, for the period after notice from Mortgagee that such cost or expense was incurred to the date of payment to Mortgagee. All such costs and expenses incurred by Mortgagee together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by this Mortgage and the other Loan Documents and shall be immediately due and payable upon demand by Mortgagee therefor.

Section 7.4 Actions and Proceedings. Mortgagee has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Mortgagor, which Mortgagee, in its discretion, decides should be brought to protect its interest in the Property.

Section 7.5 Recovery of Sums Required to Be Paid. Mortgagee shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Mortgagee thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Mortgagor existing at the time such earlier action was commenced.

Section 7.6 Examination of Books and Records. At reasonable times and upon reasonable notice, Mortgagee, its agents, accountants and attorneys shall have the right to examine the records, books, management and other papers of Mortgagor which reflect upon its financial condition, at the Property or at any office regularly maintained by Mortgagor where the books and records are located. Mortgagee and its agents shall have the right to make copies and extracts from the foregoing records and other papers. In addition, at reasonable times and upon reasonable notice, Mortgagee, its agents, accountants and attorneys shall have the right to examine and audit the books and records of Mortgagor pertaining to the income, expenses and operation of the Property during reasonable business hours at any office of Mortgagor where the books and records are located. This Section 7.6 shall apply throughout the term of the Note and without regard to whether an Event of Default has occurred or is continuing.

Section 7.7 Other Rights, etc.

(a) The failure of Mortgagee to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Mortgage. Mortgagor shall not be relieved of Mortgagor's obligations hereunder by reason of (i) the failure of Mortgagee to comply with any request of Mortgagor or any guarantor or indemnitor with respect to the Loan to take any action to foreclose this Mortgage or otherwise enforce any of the provisions hereof or of the Note or the other Loan Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any Person liable for the Debt or any portion thereof, or (iii) any agreement or stipulation by Mortgagee extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Mortgage or the other Loan Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Mortgagor, and Mortgagee shall have no liability whatsoever for decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Mortgagee shall not be deemed an election of judicial relief, if any such possession is requested or obtained, with respect to any Property or collateral not in Mortgagee's possession.

(c) Mortgagee may resort for the payment of the Debt to any other security held by Mortgagee in such order and manner as Mortgagee, in its discretion, may elect. Mortgagee may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Mortgagee thereafter to foreclose this Mortgage. The rights of Mortgagee under this Mortgage shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Mortgagee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Mortgagee shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 7.8 Right to Release Any Portion of the Property. Mortgagee may release any portion of the Property for such consideration as Mortgagee may require without, as to the remainder of the Property, in any way impairing or affecting the lien or priority of this Mortgage, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Mortgagee for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Mortgagee may require without being accountable for so doing to any other lienholder. This Mortgage shall continue as a lien and security interest in the remaining portion of the Property.

Section 7.9 Violation of Laws. If the Property is not in material compliance with Legal Requirements, Mortgagee may impose additional requirements upon Mortgagor in connection herewith including, without limitation, monetary reserves or financial equivalents.

Section 7.10 Recourse and Choice of Remedies. Notwithstanding any other provision of this Mortgage or the Loan Agreement, Mortgagee is entitled to enforce the obligations of Mortgagor contained in Sections 9.2 and 9.3 herein without first resorting to or exhausting any security or collateral and without first having recourse to the Note or any of the Property, through foreclosure or acceptance of a deed in lieu of foreclosure or otherwise, and in the event Mortgagee commences a foreclosure action against the Property, Mortgagee is entitled to pursue a deficiency judgment with respect to such obligations against Mortgagor with respect to the Loan. The provisions of Sections 9.2 and 9.3 herein and are exceptions to any non-recourse or exculpation provisions in the Loan Agreement, the Note, this Mortgage or the other Loan Documents, and Mortgagor and any guarantor or indemnitor with respect to the Loan are fully and personally liable for the obligations pursuant to Sections 9.2 and 9.3 herein. The liability of Mortgagor with respect to the Loan pursuant to Sections 9.2 and 9.3 herein is not limited to the original principal amount of the Note. Notwithstanding the foregoing, nothing herein shall inhibit or prevent Mortgagee from foreclosing or exercising any other rights and remedies pursuant to the Loan Agreement, the Note, this Mortgage and the other Loan Documents, whether simultaneously with foreclosure proceedings or in any other sequence. A separate action or actions may be brought and prosecuted against Mortgagor pursuant to Sections 9.2 and 9.3 herein, whether or not action is brought against any other Person or whether or not any other Person is joined in the action or actions. In addition, Mortgagee shall have the right but not the obligation to join and participate in, as a party if it so elects, any administrative or judicial proceedings or actions initiated in connection with any matter addressed in the ADA and Environmental Indemnity.

Section 7.11 Right of Entry. Upon reasonable notice to Mortgagor, Mortgagee and its agents shall have the right to enter and inspect the Property at all reasonable times.

This indemnity is in addition to any liability which Mortgagor may otherwise have and shall be effective whether or not an indemnification certificate described above is provided and shall be applicable based on information previously provided by or on behalf of Mortgagor or a Guarantor if the indemnification certificate is not provided.

Section 15.4 Inapplicable Provisions. If any term, covenant or condition of the Loan Agreement, the Note or this Mortgage is held to be invalid, illegal or unenforceable in any respect, the Loan Agreement, the Note and this Mortgage shall be construed without such provision.

Section 15.5 Headings, etc. The headings and captions of various Sections of this Mortgage are for convenience of reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.

Section 15.6 Number and Gender/Joint and Several. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns and pronouns shall include the plural and vice versa. If Mortgagor consists of more than one Person, all representations, warranties, covenants, obligations and liabilities of each such Person hereunder shall be joint and several. A default hereunder by any such Person shall be deemed a default by all such Persons and Mortgagor. With respect to the definition of "Mortgagor", except where the context otherwise provides, (i) any representations contained herein of Mortgagor shall be applicable to each Mortgagor, (ii) any affirmative covenants contained herein shall be deemed to be covenants of each Mortgagor and shall require performance by all Mortgagors, (iii) any negative covenants contained herein shall be deemed to be covenants of each Mortgagor, and shall be breached if any Mortgagor fails to comply therewith, (iv) the occurrence of any Event of Default with respect to any Mortgagor shall be deemed to be an Event of Default hereunder, and (v) any Debt and/or Other Obligations of Mortgagor shall be deemed to include any Debt and/or Other Obligations of the Mortgagor, or any Debt and/or Other Obligations of any one of them. The representations, warranties and covenants contained herein shall be read to apply to the individual Persons comprising Mortgagor when the context so requires, but a breach of any such

representation, warranty or covenant or a breach of any obligation under this Mortgage shall be deemed a breach by all such Persons and Mortgagor, entitling Mortgagee to exercise all of their rights and remedies under this Mortgage and under applicable law.

Section 15.7 Subrogation. If any or all of the proceeds of the Note have been used to extinguish, extend or renew any indebtedness heretofore existing against the Property, then, to the extent of the funds so used, Mortgagee shall be subrogated to all of the rights, claims, liens, titles, and interests existing against the Property heretofore held by, or in favor of, the holder of such indebtedness and such former rights, claims, liens, titles, and interests, if any, are not waived but rather are continued in full force and effect in favor of Mortgagee and are merged with the lien and security interest created herein as cumulative security for the repayment of the Debt, the performance and discharge of Mortgagor's obligations hereunder, under the Loan Agreement, the Note and the other Loan Documents and the performance and discharge of the Other Obligations.

Section 15.8 Entire Agreement. The Note, the Loan Agreement, this Mortgage and the other Loan Documents constitute the entire understanding and agreement between Mortgagor and Mortgagee with respect to the transactions arising in connection with the Debt and supersede all prior written or oral understandings and agreements between Mortgagor and Mortgagee with respect thereto. Mortgagor hereby acknowledges that, except as incorporated in writing in the Note, the Loan Agreement, this Mortgage and the other Loan Documents, there are not, and were not, and no Persons are or were authorized by Mortgagee to make, any representations, understandings, stipulations, agreements or promises, oral or written, with respect to the transaction which is the subject of the Note, the Loan Agreement, this Mortgage and the other Loan Documents.

Section 15.9 Limitation on Mortgagee's Responsibility. No provision of this Mortgage shall operate to place any obligation or liability for the control, care, management or repair of the Property upon Mortgagee, nor shall it operate to make Mortgagee responsible or liable for any waste committed on the Property by the tenants or any other Person, or for any dangerous or defective condition of the Property, or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger. Nothing herein contained shall be construed as constituting Mortgagee a "mortgagee in possession."

Section 15.10 Loan Agreement. This Mortgage is made pursuant to the Loan Agreement and is subject to all of the provisions of the Loan Agreement including, without limitation, the provisions thereof entitling Mortgagee to declare the entire indebtedness secured hereby to be immediately due and payable, all of which provisions are incorporated herein with the same force and with like effect as if they were fully set forth herein at length and made a part hereof.

Section 15.11 Intentionally Omitted.

Section 15.12 Receipt of Mortgage.

MORTGAGOR CERTIFIES AND ACKNOWLEDGES THAT IT HAS RECEIVED A TRUE AND CORRECT COPY OF THIS MORTGAGE WITHOUT CHARGE.

ARTICLE 16

STATE-SPECIFIC PROVISIONS

Section 16.1 Inconsistencies. In the event of any inconsistencies between the terms and conditions of this Article 16 and the other provisions of this Mortgage, the terms and conditions of this Article 16 shall control and be binding.

Section 16.2 Compliance with Illinois Mortgage Foreclosure Law.

(a) In the event that any provision in this Mortgage shall be inconsistent with any provisions of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-1101 *et. seq.* (as amended from time to time the "IMF Law"), the provision of the IMF Law shall take precedence over the provisions of this Mortgage, but shall not invalidate or render unenforceable any other provision of this Mortgage that can be construed in a manner consistent with the IMF Law.

(b) Mortgagor and Mortgagee shall have the benefit of all of the provisions of the IMF Law, including all amendments thereto which may become effective from time to time after the date hereof. In the event any provision of the IMF Law which is specifically referred to herein may be repealed, Mortgagee shall have the benefit of such provision as most recently existing prior to such repeal, as though the same were incorporated herein by express reference.

(c) If any provision of this Mortgage shall grant to Mortgagee any rights or remedies upon default of Mortgagor which are more limited than the rights that would otherwise be vested in Mortgagee under the IMF Law in the absence of said provision, Mortgagee shall be vested with the rights granted in the IMF Law to the full extent not prohibited by law.

(d) In addition to any provision of this Mortgage authorizing Mortgagee to take or be placed in possession of the Property, or for the appointment of a receiver, Mortgagee shall have the right, in accordance with Sections 15-1701 and 15-1702 of the IMF Law, to be placed in possession of the Property or at its request to have a receiver appointed, and such receiver, or Mortgagee, if and when placed in possession, shall have, in addition to any other powers provided in this Mortgage, all rights, powers, immunities and duties as provided for in Sections 15-1701, 15-1703 and 15-1704 of the IMF Law.

Section 16.3 Waiver of Right of Redemption and Other Rights. To the full extent permitted by law, Mortgagor agrees that it will not at any time or in any manner whatsoever take any advantage of any stay, exemption or extension law or any so-called "Moratorium Law" now or at any time hereafter in force, nor take any advantage of any law now or hereafter in force providing for the valuation or appraisal of the Property, or any part thereof, prior to any sale thereof to be made pursuant to any provisions herein contained, or to any decree, judgment or order of any court of competent jurisdiction; or after such sale, claim or exercise any rights under any statute now or hereafter in force to redeem the Property so sold, or any part thereof, or relating to the marshalling thereof, upon foreclosure sale or other enforcement hereof. To the full extent permitted by law, Mortgagor hereby expressly waives any and all rights it may have to require that the Property be sold as separate tracts or units in the event of foreclosure. To the full extent permitted by law, Mortgagor hereby expressly waives any and all rights of redemption and reinstatement under the IMF Law, on its own behalf, on behalf of all persons claiming or having an interest (direct or indirect) by, through or under Mortgagor and on behalf of each and every person acquiring any interest in or title to the Property subsequent to the date hereof, it being the intent hereof that any and all such rights of redemption of Mortgagor and such other persons are and shall be deemed to be hereby waived to the full extent permitted by applicable law. To the full extent permitted by law, Mortgagor agrees that it will not, by invoking or utilizing any applicable law or laws or otherwise, hinder, delay or impede

the exercise of any right, power or remedy herein or otherwise granted or delegated to Mortgagee, but will permit the exercise of every such right, power and remedy as though no such law or laws have been or will have been made or enacted. To the full extent permitted by law, Mortgagor hereby agrees that no action for the enforcement of the lien or any provision hereof shall be subject to any defense which would not be good and valid in an action at law upon the Note. Mortgagor acknowledges that the Property does not constitute agricultural real estate as defined in Section 5/15-1201 of the IMF Law or residential real estate as defined in Section 5/15-1219 of the IMF Law.

Section 16.4 Use of Proceeds. Mortgagor represents and warrants to Mortgagee (i) that the proceeds of the Note secured by this Mortgage will be used for the purposes specified in 815 ILCS 205/4(1)(I) (or any substitute, amended or replacement statute), and that the indebtedness secured hereby constitutes a business loan to a business entity which comes within the purview of said 815 ILCS 205/4(1)(I), and (ii) that the Loan evidenced by the Note is an exempted transaction under the Truth In Lending Act, 15 U.S.C. §1601 *et seq.*

Section 16.5 Interest Laws. It being the intention of Mortgagee and Mortgagor to comply with the laws of the State of Illinois, it is agreed that notwithstanding any provision to the contrary in the Note, this Mortgage or any of the other Loan Documents, no such provision shall require the payment or permit the collection of any amount ("Excess Interest") in excess of the maximum amount of interest permitted by law to be charged for the use or detention, or the forbearance in the collection, of all or any portion of the indebtedness evidenced by the Note. If any Excess Interest is provided for, or is adjudicated to be provided for, in the Note, this Mortgage or any of the other Loan Documents, then in such event: (a) the provisions of this Section 16.5 shall govern and control; (b) neither Mortgagor nor any other party obligated under the terms of the Note or any of the other Loan Documents shall be obligated to pay any Excess Interest; (c) any Excess Interest that Mortgagee may have received hereunder shall, at the option of Mortgagee, be (i) applied as a credit against the then unpaid principal balance under the Note, accrued and unpaid interest thereon not to exceed the maximum amount permitted by law, or both, (ii) refunded to the payor thereof, or (iii) any combination of the foregoing; (d) the Interest Rate (as that term is defined in the Note) shall be subject to automatic reduction to the maximum lawful contract rate allowed under the applicable usury laws of the aforesaid State, and the Note, this Mortgage and the other Loan Documents shall be deemed to be automatically reformed and modified to reflect such reduction in the Interest Rate; and (e) neither Mortgagor nor any other party obligated under the terms of the Note or any of the other Loan Documents shall have any action against Mortgagee for any damages whatsoever arising out of the payment or collection of any Excess Interest.

Section 16.6 Other Amounts Secured: Maximum Indebtedness. Mortgagor acknowledges and agrees that this Mortgage secures the entire principal amount of the Note and interest accrued thereon, regardless of whether any or all of the loan proceeds are disbursed on or after the date hereof, and regardless of whether the outstanding principal is repaid in whole or part or are future advances made at a later date, any and all litigation and other expenses and any other amounts as provided herein or in any of the other Loan Documents, including, without limitation, the payment of any and all loan commissions, service charges, liquidated damages, expenses and advances due to or paid or incurred by Mortgagee in connection with the Loan, all in accordance with the loan commitment issued in connection with this transaction and the Loan Documents. Notwithstanding anything in this Mortgage to the contrary, under no circumstances shall the maximum principal indebtedness secured hereby exceed EIGHTEEN MILLION FOUR HUNDRED THOUSAND AND NO/100 DOLLARS (\$18,400,000), plus interest thereon and any disbursements made for the payment of taxes, special assessments, or insurance on the Property, with interest on such disbursements. It is agreed that any future advances made by Mortgagee for the benefit of Mortgagor from time to time under this Mortgage or the other Loan Documents and whether or not such advances are obligatory or are made at the option of Mortgagee, made at any time from and after the date of this Mortgage, and all interest accruing thereon, shall be equally secured by this

Mortgage and shall have the same priority as all amounts, if any, advanced as of the date hereof and shall be subject to all of the terms and provisions of this Mortgage. This Mortgage shall be valid and have priority to the extent of the full amount of the indebtedness secured hereby over all subsequent liens and encumbrances, including statutory liens, excepting solely taxes and assessments levied on the Property given priority by law.

Section 16.7 Adjustable Mortgage Loan Provisions. The Note which this Mortgage secures is an adjustable note on which the interest rate may be adjusted from time to time in accordance with the terms and provisions set forth in the Note.

Section 16.8 Deed of Trust. If title to the Property or any part thereof is now or hereafter becomes vested in a trustee, any prohibition or restriction contained herein against the creation of any lien on the Property shall be construed as a similar prohibition or restriction against the creation of any lien on or security interest in the beneficial interest of such trust.

Section 16.9 Collateral Protection Act. Unless Mortgagor provides Mortgagee with evidence of the insurance required by this Mortgage or any other Loan Document, Mortgagee may purchase insurance at Mortgagor's expense to protect Mortgagee's interest in the Property or any other collateral for the indebtedness secured hereby. This insurance may, but need not, protect Mortgagor's interests. The coverage Mortgagee purchases may not pay any claim that Mortgagor makes or any claim that is made against Mortgagor in connection with the Property or any other collateral for the indebtedness secured hereby. Mortgagor may later cancel any insurance purchased by Mortgagee, but only after providing Mortgagee with evidence that Mortgagor has obtained insurance as required under this Mortgage or any other Loan Document. If Mortgagee purchases insurance for the Property or any other collateral for the indebtedness secured hereby, Mortgagor shall be responsible for the costs of that insurance, including interest in any other charges that Mortgagee may lawfully impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the indebtedness secured hereby. The costs of the insurance may be more than the cost of insurance that Mortgagor may be able to obtain on its own. For purposes of the Illinois Collateral Protection Act, 815 ILCS 180/1 *et. seq.*, Mortgagor hereby acknowledges Mortgagee's right pursuant to this paragraph to obtain collateral protection insurance.

Section 16.10 Rights of Tenants. Mortgagee shall have the right and option to commence a civil action to foreclose this Mortgage and to obtain a decree of foreclosure and sale subject to the rights of any tenant or tenants of the Property having an interest in the Property prior to that of Mortgagee. The failure to join any such tenant or tenants of the Property as party defendant or defendants in any such civil action or the failure of any decree of foreclosure and sale to foreclose their rights shall not be asserted by Mortgagor as a defense in any civil action instituted to collect the Obligations, or any part thereof or any deficiency remaining unpaid after foreclosure and sale of the Property, any statute or rule of law at any time existing to the contrary notwithstanding.
