**RECEIVER’S EIGHTEENTH INTERIM APPLICATION AND MOTION
FOR COURT APPROVAL OF PAYMENT OF FEES AND EXPENSES
OF RECEIVER AND RECEIVER’S RETAINED PROFESSIONALS**

Kevin B. Duff, as the receiver (“Receiver”) for the Estate of Defendants EquityBuild, Inc., EquityBuild Finance, LLC, their affiliates, and the affiliate entities of Defendants Jerome Cohen and Shaun Cohen, as defined in the Order Appointing Receiver entered August 17, 2018 (Dkt. 16), as supplemented by Order entered March 14, 2019 (Dkt. 290) and Order entered February 21, 2020 (Dkt. 634) (collectively, the “Receivership Defendants”), and pursuant to the powers vested in him by Order of this Court, respectfully submits this Eighteenth Interim Application (“Application”) for the Fourth Quarter 2022, and moves this Court for an order approving payment of the fees and expenses of the Receiver, the Receiver’s counsel, Rachlis Duff & Peel, LLC (“RDP”), the Receiver’s accountants KMA S.C. f/k/a BrookWeiner, LLC (“KMA”) and Miller Kaplan Arase LLP (“Miller Kaplan”), and the Receiver’s forensic IT consultant, Prometheum. In support of his Application and Motion, the Receiver states as follows:

I. BACKGROUND

On August 15, 2018, the United States Securities and Exchange Commission (“SEC”) filed a civil Complaint against Jerome Cohen, Shaun Cohen, EquityBuild Inc., and EquityBuild Finance LLC (collectively the “Defendants”) alleging violations of federal securities laws, along with a motion for entry of an asset freeze, preliminary injunction, and other ancillary relief. (Dkt. 1 & 3, respectively)

In their Complaint against the Defendants, the SEC alleged violations of Section 10(b) of the Securities Exchange Act of 1934 (the “Exchange Act”), 15 U.S.C. § 78j(b), and Rule 10b-5 promulgated thereunder, 17 C.F.R. § 240.10b-5, Section 20(a) of the Exchange Act, 15 U.S.C. §78t(a), Sections 5(a) and 5(c) of the Securities Act of 1933 (the “Securities Act”), 15 U.S.C. §77e(a) and (c), and Section 17(a) of the Securities Act, 15 U.S.C. §§77q(a). (Dkt. 1)

The Complaint further alleged that the Defendants operated a Ponzi-scheme that raised at least \$135 million from more than 900 investors by, among other things, making untrue statements of material fact in connection with the sale of promissory notes allegedly secured by residential real estate primarily located on the south side of Chicago. (*Id.* ¶¶ 1-7, 17, 20-51)

On August 28, 2018, the Court entered a judgment against defendants Jerome Cohen and Shaun Cohen which, among other things, enjoined future violations of federal securities laws. (Dkt. 40)

In connection with its civil action, the SEC sought and obtained Court approval for the appointment of a Receiver, and on August 17, 2018, this Court entered an Order Appointing Receiver. (Dkt. 16)

Under the Order Appointing Receiver, the Receiver was authorized to engage and employ persons and entities in his discretion to assist him in carrying out the duties and responsibilities set forth in the Order. (*Id.*, Order Appointing Receiver, ¶ 54)

Accordingly, the Receiver retained RDP as special counsel, and, on August 20, 2018, the Court entered an Order approving RDP's rates. (Dkt. 19) On August 23, 2018, the Receiver retained BrookWeiner, which subsequently became KMA, to provide accounting services and to perform tax and related work regarding the assets of the Receivership Defendants, and Miller Kaplan to serve as Tax Administrator of the Settlement Fund. (Dkt. 32) On August 28, 2018, the Court entered an Order approving KMA's and Miller Kaplan's rates. (Dkt. 39 & 45) On August 31, 2018, the Receiver retained Prometheus to access and preserve data within EquityBuild's cloud-based storage systems and provide related IT services, and, on September 6, 2018, the Court entered an order approving Prometheus's rates. (Dkt. 56)

Pursuant to the Order Appointing Receiver, the Receiver and his retained personnel are entitled to "reasonable compensation and expense reimbursement" from the Receivership Estate, as described in the "Billing Instructions for Receivers in Civil Actions Commenced by the U.S. Securities and Exchange Commission" (the "Billing Instructions") agreed to by the Receiver. (Dkt. 16, ¶ 69)

II. EIGHTEENTH INTERIM APPLICATION

Pursuant to the Billing Instructions, the Receiver provides the following information regarding this Application:

- a. The Application covers the period from October 1, 2022, through December 31, 2022.
- b. The names or job titles and hourly rates of all professionals for RDP, KMA, and Miller Kaplan, as well as Prometheus's hourly rates, are attached as **Exhibit A**.

- c. This is the Receiver's Eighteenth Interim Application. The dates and amounts of the Receiver's prior interim fee applications, the orders and amounts allowed, and the amounts paid and unpaid, are attached hereto as **Exhibit B**.

III. CASE STATUS

Pursuant to the Billing Instructions, the Receiver provides the following information regarding the status of the case, and activities performed specifically for the period covered by this Application. *See also* Receiver's Eighteenth Status Report (Fourth Quarter 2022) for additional information. (Dkt. 1379)

- a. **Cash on Hand and Funds Received and Disbursed During the Quarter**

The Receiver's Standardized Fund Accounting Report ("SFAR") for the Fourth Quarter 2022 is attached as **Exhibit C**. The SFAR sets forth the funds received and disbursed from the Receivership estate during this reporting period. As reported in the SFAR, the amount of cash on hand as of December 31, 2022 was \$1,117,018.45. The information reflected in the SFAR was based on records and information currently available to the Receiver. The Receiver and his advisors are continuing with their evaluation and analysis.

- b. **Receiver's Administration of the Case**

Upon his appointment, the Receiver began making efforts to determine the nature, location, and value of all property interests of the Receivership Defendants, including monies, funds, securities, credits, effects, goods, chattels, lands, premises, leases, claims, choses in action, rights and other assets, together with all profits, interest, or other income attributable thereto, which the Receivership Defendants owned, possessed, retained a beneficial interest in, or controlled directly or indirectly, and to preserve and maintain those assets. In furtherance of such, the Receiver took, *inter alia*, the following actions:

i. Identification and Preservation of Assets

There was no material work done in this category during the quarter, although certain work regarding restoration of expenses associated with various assets was performed, as discussed in the next section.

ii. Financial Reporting and Funds Restoration

During the quarter, the Receiver's counsel has continued working with third parties to obtain the complete information needed to allocate property expenses paid by the Receiver, including insurance expenses and refunds, to the individual properties and to prepare final accounting reports for the Court and the claimants. This process has been completed, and during the first quarter of 2023 the Receiver will seek the Court's approval to reimburse the Receiver's Account for any funds that the Receiver expended on the properties and/or credit the separate property accounts for their pro-rata share of any net refunds.

iii. Open Litigation

During the Fourth Quarter 2022, the Receiver and his retained counsel devoted efforts to two lawsuits prosecuting claims asserted against former EquityBuild professionals including, *inter alia*: (1) the law firm Rock Fusco & Connelly LLC ("Rock Fusco"), (2) Ioana Salajanu, a lawyer formerly at Rock Fusco, (3) the law firm Bregman, Berbert, Schwartz & Gilday, LLC and (4) lawyer Mark L. Rosenberg. These claims are for professional malpractice and aiding and abetting the Cohen's breaches of their fiduciary duties. During the quarter, the Receiver continued to address written and oral discovery issues and continued review and analysis of EquityBuild records and records produced by the defendants in discovery. Additionally, in *Duff v. Rosenberg*, Civil Action No.21-cv-6756 (N D. Ill), the parties completed several joint status reports and continued to address the Receiver's Motion for Rule 11 Sanctions, which argues that Defendants' previously-

filed summary judgment motion was not well-grounded in either fact or law. The Court has taken the motion for sanctions under advisement. In addition, in an effort to preserve the remaining insurance available to defendants in this case, the parties continued to make progress in regards to on-going discussions regarding a possible settlement framework.

Also during the quarter, the Receiver and his retained counsel devoted efforts to two additional actions recently filed against (1) Chief Management LLC and Ezri Namvar in *Duff v. Chief Management LLC, et al.*, Case No. 1:22-cv-4335, and (2) Tyler DeRoo, Ronald Bol, and Trinity Inspection & Restoration, Inc. in *Duff v. DeRoo, et al.*, Case No. 1:22-cv-4336. All defendants have been served in these actions. In the first action, the Receiver will be seeking a default as to Chief Management, LLC, which has neither appeared nor responded to the complaint, and the Receiver is exploring the possibility of settlement with defendant Namvar. The second action has been referred to mediation before the Magistrate Judge, and confidential mediation statements have been submitted.

The Receiver does not seek compensation for fees or services relating to these four lawsuits as part of this fee application.

Additionally, during the quarter, the Receiver moved for the Court to approve the \$3 million settlement with Whitley Penn (an accounting firm that worked with EquityBuild), and to authorize payment of contingency fees and costs to the Receiver and his counsel. (Dkt. 1343) The Court granted the Receiver's motion (Dkt. 1374), and net settlement proceeds of \$1,942,020.72 were added to the Receiver's account in January 2023.

iv. Notice of Appointment of Receiver

During the Fourth Quarter 2022, the Receiver provided notice of the appointment of the Receiver to certain third parties attempting to collect debts of the EquityBuild entities or from whom the Receiver subpoenaed documents.

v. Control of Receivership Property and Records

During the Fourth Quarter 2022, the Receiver continued efforts to locate and preserve all EquityBuild property and records. The Receiver continues to undertake efforts to maintain, preserve, and utilize EquityBuild's internal documents during the pendency of this matter, as well as used for document productions and investigations in the matters brought by the Receiver against the former EquityBuild professionals.

vi. Factual Investigation

During the Fourth Quarter 2022, the Receiver and his retained professionals continued to review and analyze the following: (i) documents and correspondence sent to or received from the EquityBuild principals, to whose email accounts the Receiver has access; (ii) bank records from EquityBuild and its affiliate entities; (iii) other EquityBuild documents that were stored on various platforms; (iv) available underlying transaction documents received to date from former Chicago-based EquityBuild counsel; (v) files produced by former EquityBuild counsel, accountants, and employees, and (vi) documents obtained pursuant to various subpoenas.

vii. Tax Issues

KMA f/k/a BrookWeiner was retained to perform accounting, tax, and related work in connection with winding down the business operations of the Receivership Defendants. During the quarter, KMA worked on property statements and property spreadsheets, and assisted with the accounting and reconciliation of property expenses.

Miller Kaplan was retained to serve as the Tax Administrator to take all necessary steps to enable the Settlement Fund to obtain and maintain the status of a taxable Qualified Settlement Fund (“QSF”), including the filing of all required elections and statements contemplated by those provisions, and to pay taxes in a manner consistent with treatment of the Settlement Fund as a QSF. During the quarter, Miller Kaplan prepared 2021 tax returns, and worked with Receiver to conduct an analysis of gains and losses on property sales to calculate any potential tax liabilities.¹

viii. Accounts Established by Receiver for the Benefit of the Receivership Estate

The Receiver established custodial accounts at a federally insured financial institution to hold all cash equivalent Receivership property. The interest-bearing checking accounts are used by the Receiver to collect liquid assets of the estate and to pay the portfolio-related and administrative expenses.

For each property encumbered by secured debt that was sold, the Receiver also established a separate interest-bearing account for the purpose of depositing and holding funds until such time as the Court orders otherwise and for ultimate distribution, following a claims process and upon Court approval, to the creditors of the Estate, including the defrauded investors. (Dkt. 230, 311, 344 & 346) During the quarter, the Receiver distributed the funds from the account established for 5437 S Laflin (property 47) pursuant to the Court’s order granting the Motion filed by Midland Loan Services for Adjudication of Single Claim Status and Distribution, which was filed at the

¹ The Receiver submitted Miller Kaplan’s November 4, 2022 invoice, which included compensation for services provided in October 2022, with his last fee application (Dkt. 1332). The Receiver does not seek approval in this fee application of any further compensation to Miller Kaplan for services provided during the fourth quarter of 2022.

direction of Magistrate Judge Kim following settlement discussions concerning that property. (Dkt. 1364)²

c. Creditors and Claims Against the Receivership Estate

During the Fourth Quarter 2022, the Receiver and his retained professionals continued to improve the accuracy and completeness of the “Master Claims Exhibit,” preliminarily identifying on a property-by-property basis for each of the nearly 2400 claims the following: (i) claimant name, (ii) total amount claimed, (iii) claimant category, and (iv) the amount loaned or invested in the particular property (where it could be determined from the face of the claim form). The Receiver has encouraged claimants to review this exhibit and bring any discrepancies to the attention of the Receiver, and the Receiver and his retained professionals have updated the exhibit where appropriate. The most recent version of the Master Claims Exhibit, which removes the claims against the 32 properties for which distributions have been made, was submitted with the Fourth Quarter 2022 Status Report filed on January 30, 2023. (Dkt. 1379 at Ex. 5) This work was reasonable, necessary, and beneficial to the Receivership estate, and has allowed the Receiver’s claims vendors (1) to organize, on a property-by-property basis, the claim forms and supporting documentation that claimants have submitted to the Receiver, and (2) to provide each claimant who did not opt out of the Confidentiality Order with digital links for the transfer of the claim forms and supporting documentation of other claimants asserting claims against the same property or properties in the receivership estate, consistent with Court orders. The Receiver also worked to

² Distributions of proceeds from three other property accounts for 7933 S Kingston (property 22), 8405 S Marquette (property 26) and 8800 S Ada (property 28) were made in January, 2023, pursuant to agreements achieved with claimants and in accordance with the Court’s Order. (Dkt. 1373) Accordingly, the allocations to properties 22, 26, 28 and 47 are not included in the fee allocation summary (Exhibit J) or the individual property reports (Group Exhibit M) submitted with this Application.

update and confirm the accuracy of claimants' email, address, and counsel records, both for the preparation of framing reports, and for use in the creation of email distribution lists for claimants to use in discovery and the claims process.

During the quarter, the Receiver and his counsel and staff continued to devote substantial time to the review and analysis of claimants' proof of claim forms the supporting documents submitted with those claims, as well as EquityBuild records related to the claims against the properties in upcoming claims groups. This is an ongoing process with much remaining to be completed, and the Receiver is working toward being in a position to make timely recommendations on upcoming groups of claims.

At the direction of and together with Magistrate Judge Kim and other claimants, the Receiver worked during the quarter to attempt to facilitate resolution of claims with respect to 16 disputed properties, which the Court selected for settlement discussion based on the limited number of claimants competing for the account balances. (Dkt. 1310) During the quarter, the Receiver and claimants were able to reach agreement on three of those properties, 7933 S Kingston (property 22), 8405 S Marquette (property 26) and 8800 S Ada (property 28), and the Court granted a motion to adjudicate the single claim status and distribution on a fourth property, 5437 S Laflin (property 47). The Receiver engaged in motion practice and prepared proposed orders approving the distributions of these property accounts during the quarter (Dkt. 1344, 1364, 1368, 1373) and distributions on these four properties have been made. Discussions with respect to the other 11 properties and potential distribution of funds are ongoing.

Additionally, during the Fourth Quarter 2022, the Receiver and his professionals drafted communications to all claimants regarding the court proceedings and responded to approximately 73 claimant inquiries, in addition to numerous oral and other written communications with

claimants and certain claimants' counsel regarding the claims process and the receivership; and engaged in various other activities relating to the claims process as reflected in the submitted invoices.

The Receiver is continuously updating all claimants on the developments in this matter, and responding in a timely manner to the emails and voicemails from investors and others, many if not most of which related to the claims submitted against the Estate and the status of the Court's process for resolving those claims and distributing the Estate's assets. To ease the burden and provide basic information, the Receiver established a web page (<http://rdaplawn.net/receivership-for-equitybuild>) for claimants and other interested parties to obtain information and certain court filings related to the Receivership estate, which remains in place today and continues to be best and most cost-effective mean of providing information regarding the status of this action.

d. Assets in Receivership Estate

All known Receivership Property is identified and described in the Master Asset List attached hereto as **Exhibit D**. The Master Asset List identifies 56 checking accounts in the names of the affiliates and affiliate entities included as Receivership Defendants, reflecting a combined balance in the Receiver's accounts as of December 31, 2022 of \$1,117,018.45. (*See also* Dkt. 258 at 21, and Dkt. 348 at 23-24, for additional information relating to these funds.) Additionally, the separate interest-bearing accounts established by the Receiver to hold the proceeds from sold real estate that remain following the distributions described herein are identified on **Exhibit E**, which collectively contained \$65,520,411.50 as of December 31, 2022.

The Master Asset List does not include funds received or recovered after December 31, 2022. Nor does it include potentially recoverable assets for which the Receiver is still evaluating

the value, potential value, and/or ownership interests. The Receiver is in the process of evaluating certain other types of assets that may be recoverable by the Receivership Estate.

IV. BILLING ADDRESSED IN THIS APPLICATION

Pursuant to the Billing Instructions, the Receiver provides the following information regarding current billing:

- a. Total Compensation and Expenses Requested.
 - i. In connection with his duties, the Receiver respectfully requests compensation for services rendered, totaling \$25,857.00 for the period of this Application. Copies of the Receiver's invoices for October, November and December, 2022 are attached as **Exhibit F.**
 - ii. In connection with the legal services provided to the Receiver by RDP, the Receiver respectfully requests compensation for services rendered, along with reimbursement of expenses, totaling \$87,759.94 for the period of this Application. Copies of RDP's invoices for October, November and December, 2022 are attached as **Exhibit G.**
 - iii. In connection with the accounting provided to the Receiver by KMA, the Receiver respectfully requests compensation for services rendered, along with reimbursement of expenses, totaling \$2,486.00 for the period of this Application. A copy of KMA's invoice for December, 2022, is attached as **Exhibit H.**
 - iv. In connection with the IT services provided to the Receiver by Prometheus, the Receiver respectfully requests compensation for services rendered,

which is an expense in the amount of \$577.50 for the period of this Application. A copy of Prometheus's invoice is attached as **Exhibit I**.

b. Source of Funds for Requested Compensation and Expenses.

The Receiver requests that the above compensation and expenses be paid pursuant to the receiver's lien that the Court established to the extent that the work performed or expenses incurred benefitted the properties or the claimants asserting an interest in those properties, as set forth in the fee allocation exhibits attached as Exhibits J-M to this Application (see Section V, *infra*). (See Court's 10/26/20 Order granting Receiver's lien (Dkt. 824) and Court's Order Approving Receiver's Lien for Certain Categories of Expenses (Dkt. 1030). *See also discussion* in Section V, *infra*. To the extent the fees or expenses are not property-specific, the Receiver requests that subset of the above compensation and expenses be paid from the Receiver's operating account.

c. Eighteenth Application for Payment of Professional Fees and Expenses.

This is the Receiver's Eighteenth Interim Application.

d. Summary of Activity.

A "Summary of Activity," providing the total hours billed and the amount of billing for each person who billed time during the Application period (October 1, 2022 through December 31, 2022) can be found at the end of the Receiver's invoices (Exhibit F) and RDP's invoices (Exhibit G). The average hourly billing rate reflected by RDP's invoices for the application period was \$221.59.

V. REQUEST FOR RECEIVER'S LIEN

The Receiver again requests that the Court authorize the interim payment of certain of the amounts set forth in this fee petition pursuant to the Receiver's first-priority lien previously ordered and affirmed by the Court. (See Dkt. 824, 1031) Specifically, the Receiver requests

authorization for the interim payment of fees for the following categories of activity: (1) the preservation, management, and liquidation of certain real estate belonging to the Receivership Estate; (2) the implementation and management of an orderly summary claim-priority adjudication process, as previously ordered with respect to the Receiver's prior fee applications; and (3) efforts to distribute funds to claimants. (Dkt. 1030)

Notably, the Receiver's efforts to preserve, manage, and liquidate the real estate properties within the Estate are largely concluded at this point. With respect to allocations pursuant to the Receiver's lien, the primary billing categories in this application period and moving forward are expected to be in the Claims and Distribution categories. The Receiver's activities in those areas will largely be dictated by the Receiver's claims analysis, the claims process, settlement efforts, and further directions provided to the Receiver by the Court.

In its March 14, 2022 Order granting the Receiver's 12th fee application, the Court directed that: "To the extent the Receiver requests that the Court authorize payments of his fees and expenses pursuant to the first-priority receiver's lien in the future, he should include details in each fee application concerning which line items he believes should be covered by the first-priority lien, and the Court will consider them together with the fee applications." (Dkt. 1213 at 8, n.3) This Court did precisely that in ruling on the Receiver's Seventeenth Fee Application. (Dkt. 1366) Accordingly, the Receiver submits as **Exhibit J-M**³ to this fee application his proposed allocations to properties in the Estate of fees incurred during the Fourth Quarter 2022 in the Asset Disposition,

³ **Exhibit J** contains a summary by property of the specific and general allocations to each property during the quarter. **Exhibit K** contains the general allocations which are allocated to the properties pro rata based on their gross sales prices. **Exhibits L** and **M** both contain the specific allocations, grouped together in Exhibit L to show the property or properties to which each task has been allocated and a count of those properties, and individually by property in Exhibit M.

Business Operations, Claims, and Distributions billing categories, which have been made in accordance with the methodology approved by the Court, and requests approval of an interim payment of the approved amount from the accounts established from the sale of the property, subject to any holdback ordered by the Court.

The Receiver's proposed allocations apply the methodology previously authorized by the Court to the invoices comprising the Receiver's and his special counsel's invoices comprising this Eighteenth Fee Application. *See* Dkt. 824 at 5 (finding that "the Receiver's proposed methodology to allocate fees and expenses to individual properties is reasonable"). In summary, this methodology, which the Receiver first submitted with his 7th fee application, provides: (i) first, allocate by property; (ii) second, do not allocate certain billing categories; (iii) third, do not allocate third-party claims by the Receiver; and (iv) fourth, allocate all remaining fees and expenses to the properties as a percentage of their gross sales prices. (Dkt. 755 at 23-24) The institutional lenders have acknowledged that this methodology has been approved by the Court. (Dkt. 1188 at 2) ("On October 26, 2020, the Court awarded the Receiver a receiver's lien and approved the Receiver's methodology of allocating that lien among the Properties.")

In support of this fee application, the Receiver further incorporates by reference the arguments and legal authority offered in support of his pending Motions for Approval of Allocations of Fees to Properties for Payment Pursuant to Receiver's Lien. (Dkt. 1107, 1321)

VI. CONCLUSION

WHEREFORE, the Receiver respectfully requests that the Court approve the Receiver's Eighteenth Interim Fee Application and enter an Order as follows:

a. finding the fees and expenses of the Receiver and Receiver's retained professionals, Rachlis Duff & Peel, LLC, KMA S.C., and Prometheus, as described in Exhibits F-I, respectively, to be reasonable and necessary to the Receivership;

b. granting the Receiver and his retained professional a first priority administrative lien against each of the real estate properties in the Receivership Estate and their sales proceeds for payment of fees and costs;

c. approve the proposed allocation and payment methodology with respect to a Receiver's lien for all fees and expenses of the Receivership Estate as described and recommended in this fee application;

d. approving the Receiver's payment of such fees and expenses to the Receiver and to Receiver's retained professionals from sales proceeds for each of the properties in the Receivership Estate as described and recommended in this fee application; and

e. granting the Receiver all other relief which this Court deems just and proper.
