RECEIVER’S SUBMISSION ON GROUP 5 CLAIMS

Kevin B. Duff, as the receiver (“Receiver”) for the Estate of Defendants EquityBuild, Inc., EquityBuild Finance, LLC, their affiliates, and the affiliate entities of Defendants Jerome Cohen and Shaun Cohen, and pursuant to the powers vested in him by the Order of this Court entered on August 17, 2018, submits the following to assist the Court in regards to the resolution of Group 5 claims asserted against four properties: (i) 7300-04 St. Lawrence Avenue (Property 49); (ii) 310 E 50th Street (Property 52); (iii) 4520-26 S Drexel Boulevard (Property 63)¹; and (iv) 5001 S Drexel Boulevard (Property 3).

There are 83 claimants, in total, who submitted a proof of claim form asserting a claim against one or more of the Group 5 properties.² The Receiver has reviewed each of the claims submitted, various EquityBuild records, and other information, for purposes of providing recommendations. Exhibits 1-8, attached hereto, are spreadsheets for each of the four properties

¹ A number of the claims asserting an interest related to 4520 S Drexel have been assigned “property” number 901, which corresponds to the South Side Development Fund I (*see* Section I(C) below).

² Several individuals or entities submitted claims against more than one property in Group 5. For purposes of this submission, those individuals or entities are considered a separate claimant for each property.

in Group 5, and contain: (i) the Receiver's recommendations in regards to whether each non-institutional lender claim is secured or unsecured and the maximum amount to be distributed to such claimant, if funds are available (Exhibits 1-4); and (ii) similar information regarding the institutional lender claim asserted against each property (Exhibits 5-8).

Section I of this submission sets forth the Receiver's recommendation on the issue of priority between the investor-lender claimants and the institutional lenders as it relates to each of the four properties. Section II addresses certain general principles that support the Receiver's recommendations that are applicable to all claimants in Group 5. Section III addresses the nature of the Ponzi scheme in this matter.

I. Priority and Other Recommendations for Group 5 Properties

Consistent with the instructions of the Court and its February 9, 2021 Order, the Receiver makes the following recommendations regarding the claims submitted to the Receiver. (Dkt. 941)

A. The Receiver Recommends that Claimant Miss Property LLC Has First Priority and that the Institutional Lender Has Second Priority in Regards to 7300-04 St. Lawrence Avenue.

With regard to the priority dispute between Midland Loan Services ("Midland") (the institutional lender) and the investor-lenders with respect to 7300 St. Lawrence, the Receiver recommends that the Court find that a single investor lender's claim has priority over Midland's claim and that Midland's claim is in second position.

On November 17, 2015, EquityBuild recorded a \$618,603 mortgage against 7300 St. Lawrence as document #1532145038. (See Ex. 9) The mortgage instrument was executed on October 9, 2015, and the lenders were identified as "the persons listed on Exhibit A c/o EquityBuild Finance LLC." This mortgage interest was never released. The Receiver recommends, however, that all but one of the investor-lender claimants asserting an interest in

7300 St. Lawrence pursuant to this mortgage be found to have relinquished their secured interest in the property by agreeing to roll their loan to another investment. (*See* Ex. 1) Among the investors listed on Ex. A to the investor lenders' mortgage who submitted a claim, the Receiver recommends the Court find that only SD ROTH IRA Miss Property, LLC ("Miss Property") retained a secured interest in 7300 St. Lawrence.

Miss Property originally held a 1.07% interest in the mortgage, in the amount of \$6,624. However, on July 17, 2017, Miss Property agreed to accept a \$3,627.58 repayment and to roll the remaining \$2,996.42 to an unsecured amortized promissory note. But both claimant's proof of claim and EquityBuild's records indicate this repayment never occurred, and therefore it appears the \$3,627.58 balance remains secured by the property located at 7300 St. Lawrence. The Receiver further recommends that \$1,258,56 interest paid to Miss Property on the 7300 St. Lawrence note be deducted, resulting in a maximum distribution to Miss Property from the property account of \$2,369.02. This claimant also has an unsecured claim of \$1,751.99 for the balance of the unsecured note.

The mortgage pursuant to which Midland asserts a security interest was recorded on June 28, 2017. This \$1,491,000 loan to EquityBuild entity EB South Chicago 3, LLC was secured by a portfolio of seven properties, including 7300 St. Lawrence.³ After making a distribution on the Miss Property claim, the Receiver recommends that the balance of the funds held in the property account for 7300 St. Lawrence be used to repay most of the portion of Midland's mortgage that was allocated to 7300 St. Lawrence. (*See* Ex. 5) The Receiver's decision to not pursue an avoidance claim against Midland on this particular property is based upon review of circumstances

³ The other six properties include: three of the 26 "single claim" properties, for which distributions were made pursuant to the Court's order (Dkt. 1303); 5437 S Laflin, for which distributions were made pursuant to the Court's order (Dkt. 1364); a property that was sold in a tax sale prior to the receivership (8809 S Wood); and a property (7760 S Coles) that is in Group 6.

associated with only this property, and is neither a determination in regards to the remaining property in the portfolio associated with Midland's loan to EB South Chicago 3, LLC, nor a waiver in any regard relative to Midland's other claims.

The City of Chicago also asserted a claim against 7300 St. Lawrence. This claim related to administrative orders that were paid in full when the Receiver sold the property. (*See Ex. 10*) The City's claim should be denied on this basis.

B. The Receiver Recommends that the Institutional Lender Has Priority in Regards to 310 E 50th Street.

With regard to the priority dispute between Midland (the institutional lender) and the other claimants with respect to 310 E 50th, the Receiver recommends that the Court find that Midland's claim has priority over the other claims.

There are two non-institutional lender claims against 310 E 50th, asserted by: investor-lender Kirk Road Investments, LLC; and trade creditor (and former property manager) Paper Street Realty LLC DBA Rent Ready Apartments. The Receiver recommends the Court find (1) that both of these claims are unsecured claims of lesser priority than Midland's claim, and (2) that neither claim is entitled to further recovery from the Estate.

The Kirk Road Investments LLC claim is an atypical situation where the claimant's principal, Martha Johnson, purchased the property from EquityBuild, using funds ostensibly from Hard Money Company LLC, but that Kirk Road Investments LLC had wired to Hard Money. The secured lender on the recorded mortgage was Hard Money and Johnson was the borrower. Accordingly, Johnson was the equity owner of the property and not a secured lender. Further, the secured lender, Hard Money, recorded a release of its mortgage. Moreover, the evidence provided by Kirk Road Investments with its proof of claim shows that it was paid in full on this particular loan. (*See Ex. 2*)

The Paper Street claim relates to an \$49,600.68 invoice for “Roof, tuckpointing and porch system repairs, and rehab of units 1, 2 and 3.” No lien was recorded against the property, and Paper Street submitted a lien waiver at the Receiver’s closing of 310 E 50th, reading:

Paper Street Realty, LLC . . . does waive and release any and all lien or claim or right to a lien under the Statutes [sic] of Illinois relating to Mechanic’s Liens on the above described premises and improvements thereon and on the monies or other considerations due or becoming due from the owner on account of labor or services, materials fixtures, apparatus, or machinery heretofore furnished or which may be furnished at any time hereafter by the undersigned for the above described premises. (Ex. 11)

In recommending that Midland be found to have priority over other claims on 310 E 50th, the Receiver expressly notes that the loan—pursuant to which Midland asserts an interest in 310 E 50th—was a \$2,426,250.00 loan to EquityBuild entity EB South Chicago 4, LLC that was associated with a portfolio of seven properties, including 310 E 50th.⁴ The decision to not pursue an avoidance claim on this particular property is based upon review of circumstances concerning only this property, and is neither a determination in regards to Midland’s claims with respect to the other properties in that portfolio nor a waiver in any regard relative to Midland’s claims against other properties in the portfolio.

C. The Receiver Recommends that the Institutional Lender Has Priority Over Other Claimants in Regards to 4520-26 S Drexel Boulevard.

With regard to the priority dispute between U.S. Bank National Association (“U.S. Bank”) (the institutional lender) and the investor-lenders with respect to 4520 Drexel, the Receiver recommends that the Court find that U.S. Bank has a secured first position priority given the nature of the investor-lenders’ interests.

⁴ The other six properties in the EB South Chicago 4 LLC loan portfolio are in claim Group 6.

Unlike investors in previous claim groups, the investors asserting a claim against 4520 Drexel are not secured lenders. Although EquityBuild routinely identified this investment to the claimants by the property address, the paperwork presented to and executed by the investors was quite different than the promissory notes and mortgages contained in the investment packages for most of the other properties. These investments constituted membership interests in the South Side Development Fund I, LLC (“SSDF1”).⁵ The documentation provided to the investors by EquityBuild expressly informed them that they were acquiring an interest in a limited liability company which would acquire an equity interest in properties. This documentation consisted of a “Confidential Private Offering Memorandum” (a copy of which is attached as Exhibit 12), which contained the following provisions:

South Side Development Fund I, LLC (the “Company”) is offering limited liability company Interests through this Confidential Private Placement Memorandum to investors in order to fund a real estate investment fund for the purposes of purchasing interests in at least two related entities that currently own two multifamily buildings in Chicago’s south side neighborhoods. (*Id.* at 21)

* * *

The Company will make equity investments in buildings that will also have third party debt in order to maximize the returns to the Fund. The Company projects that it will be able to pay an 8% annual dividend to equity investors from available cash in the Fund on a quarterly basis. The Company intends initially to acquire up to an 80% equity interest in a related entity (4520-26 S Drexel, LLC), which entity owns a multi-family building, 4520-26 S Drexel Blvd (the “4520 Drexel Building”). If sufficient funds are received by the Company in this Offering, the Company will then acquire up to an 80% equity interest in another related entity, 4511-15 Drexel, LLC, which owns a building located at 4511-17 Drexel Avenue, on the same street as the 4520 Drexel Building. (*Id.* at 22)

The investors also were informed that “South Shore Property Holdings, LLC has already solicited and received a term sheet from Red Mortgage Capital, to refinance the existing bridge

⁵ Indeed, about half of these 49 claimants characterized their claim as a loan secured by 4520 Drexel, and the other half characterized their claim as an equity investment in SSDF1.

debt on the 4520 Drexel Building through the Freddie Mac small balance loan program” (*id.* at 23) and that “[i]f the Company incurs indebtedness, a portion of its cash flow will have to be dedicated to the payment of principal and interest on such indebtedness” and “[a] default under a loan agreement could result in the loan becoming immediately due and payable and, if unpaid, a judgment in favor of such lender which would be senior to the rights of members of the Company.” (*Id.* at 35-36)

Accordingly, the individual investors asserting an interest in 4520 Drexel or SSDF1 are equity investors whose rights are subordinate to U.S. Bank’s secured mortgage interest. (*See* Exhibit 3 for the Receiver’s recommendations regarding the investor claims against 4520 Drexel and/or SSDF1) Therefore, the Receiver recommends distribution of funds out of the account for 4520 Drexel to U.S. Bank up to the amount of its principal actually invested, which does *not* include the portion of the principal that was held back in reserve by U.S. Bank, after deducting amounts paid by EquityBuild as interest, origination fees, and late charges.⁶ Exhibit 7 attached hereto itemizes U.S. Bank’s proof of claim (showing the amount of its claim as of July 1, 2019, the date the claim was submitted), and further calculates the Receiver’s recommended maximum distribution to U.S. Bank from the proceeds held from the sale of 4520 Drexel. (*See also* Section II, *infra.*)

Because the current balance in the account held for 4520 Drexel is approximately \$6.43 million, if the Court accepts the Receiver’s recommendation to so limit the amount of U.S. Bank’s recovery, then in excess of \$2 million will remain in the property account to be transferred to the Receiver’s account for distribution to eligible unsecured claimants and for administration of the

⁶ The U.S. Bank loan was a refinance of a January 31, 2017 loan extended by BC57, LLC to enable EquityBuild to acquire the 4520 Drexel property. EquityBuild contributed approximately \$1.85 million of investor funds to close the BC57 loan.

Estate. The claims against this property underscore the equity of limiting maximum distribution amounts to claimants' out-of-pocket losses. For this property alone, there are about \$4.7 million of unsecured claims (even after deducting distributions received prior to rollovers into the SSDF1 fund). (Ex. 3) These unsecured claimants will not recover from the liquidation of 4520 Drexel. Thus, the extent to which they and other eligible unsecured claimants will receive any recovery will depend on unencumbered funds in the Receiver's account and the distribution plan proposed by the Receiver.

If the Court were to decide that U.S. Bank does not have a secured claim, then the Receiver recommends that the Court find that there is no secured claimant on the property and all of the funds held in the account for 4520 Drexel should be transferred to the Receiver's account.

D. The Receiver Recommends that the Institutional Lender Has Priority over Other Claimants in Regards to 5001 S Drexel Boulevard.

With regard to the priority dispute between Wilmington Trust, National Association, as Trustee ("Wilmington Trust") (the institutional lender) and other claimants asserting an interest in the property at 5001 Drexel, the Receiver recommends that the Court find that the mortgage recorded by Wilmington Trust has a secured first position priority given the nature of the investor-lenders' interests.

Similar to the claims against 4520 Drexel, the individual investors asserting an interest in 5001 Drexel are not secured lenders. Pursuant to the agreements presented to and executed by the 5001 Drexel investors, the investors obtained a membership interest in SSDF2 Holdco 2, LLC ("SSDF2"). The investors signed an Operating Agreement for this LLC in essentially the format

of Ex. 13 attached hereto.⁷ Investors made capital contributions to become Class C members of the LLC, the purpose of which was described as:

2.2 Purpose. Notwithstanding any provision hereof to the contrary, the following shall govern: The nature of the business and of the purposes to be conducted and promoted by the Company, is to engage solely in the following activities: (1) to own one hundred percent of the ownership interests in GLDC 5001 S Drexel LLC, an Illinois limited liability company; and (2) to exercise all powers enumerated in this Agreement and the limited liability company law of the State of Delaware necessary or convenient to the conduct, promotion or attainment of the business or purposes otherwise set forth herein. (*Id.* at 5)

Thus, although EquityBuild identified this opportunity to the investors as an investment in the property located at 5001 Drexel, the investments constituted membership interests in an LLC, whose rights are subordinate to Wilmington Trust's secured mortgage interest. (*See* Exhibit 4 for the Receiver's recommendations regarding the investor claims against 5001 Drexel and/or SSDF2)

Therefore, the Receiver recommends distribution of funds out of the account for 5001 Drexel to Wilmington Trust up to the amount of its principal actually invested, which does *not* include the portion of the principal that was held back in reserve by Wilmington Trust, after deducting amounts paid by EquityBuild as interest, assumption, and processing fees. Exhibit 8, attached hereto, itemizes Wilmington Trust's proof of claim (showing the amount of its claim as of June 28, 2019, the date the claim was submitted), and further reflects the amount the Receiver has calculated as the recommended maximum distribution to Wilmington Trust from the remaining proceeds held from the sale of 5001 Drexel. (*See also* Section II, *infra.*)

Because the current balance in the account held for 5001 Drexel is approximately \$2.8 million, if the Court accepts the Receiver's recommendation to so limit the amount of Wilmington Trust's recovery, then approximately \$1.3 million will remain in the property account to be

⁷ It does not appear that EquityBuild provided the 5001 Drexel claimants with a Confidential Private Offering Memorandum such as was provided to the 4520 Drexel investors. Instead, the investors appear to have been provided only the LLC Operating Agreement.

transferred to the Receiver's account for distribution to eligible unsecured claimants and for administration of the Estate. The claims against this property similarly underscore the equity of limiting maximum distribution amounts to claimants' out-of-pocket losses. For 5001 Drexel, there are about \$1.75 million of unsecured claims (after deducting distributions received prior to rollovers into SSDF2 Holdco 2 LLC). (Ex. 4) These unsecured claimants will not recover from the liquidation of 5001 Drexel. Thus, the extent to which they and other eligible unsecured claimants will receive any recovery will depend on unencumbered funds in the Receiver's account and the distribution plan proposed by the Receiver.

If the Court were to decide that Wilmington Trust does not have a secured claim, then the Receiver recommends that the Court find that there is no secured claimant on the property and all of the funds held in the account for 5001 Drexel should be transferred to the Receiver's account.

II. The Court Has Broad Discretion to Fashion a Just and Reasonable Distribution Plan for Group 5 Properties which Should Exclude from Consideration All Amounts in Excess of Principal.

Most claimants in Group 5 are seeking amounts in addition to the return of the principal amounts that they lent to EquityBuild. For example, many claimants seek anticipated interest payments and/or default interest. Other claimants seek to recover various types of penalties, attorneys' fees, and other additional amounts. The Receiver recommends that none of those categories—beyond return of principal outlay—be allowed, consistent with the position the Receiver has taken with respect to the recommendations made for earlier claims groups. This position is consistent with this Court's equitable powers and mandate to enter a fair and reasonable distribution plan, as further discussed below.

A. This Court Has the Equitable Authority to Enter a Just and Reasonable Distribution Plan.

The Seventh Circuit has repeatedly held that a district court overseeing a federal equity receivership has broad discretion to fashion a just and equitable distribution plan.⁸ *See, e.g., Duff v. Central Sleep Diagnostics, LLC*, 801 F.3d 833, 844 (7th Cir. 2015) (affirming distribution plan and broad discretion of the district court in such matters, and stating: “A federal receivership is not governed by the Bankruptcy Code.”).

In *SEC v. Wealth Management LLC*, 628 F.3d 323, 332 (7th Cir. 2010), the Seventh Circuit described the Court’s role as follows:

In supervising an equitable receivership, the primary job of the district court is to ensure that the proposed plan of distribution is fair and reasonable. *See Official Comm. of Unsecured Creditors of WorldCom, Inc. v. SEC*, 467 F.3d 73, 84 (2d Cir. 2006). The district court has broad equitable power in this area

See also, e.g., Broadbent v. Advantage Software, Inc., 415 Fed. Appx. 73, 78-79 (10th Cir. 2011) (affirming distribution plan which included offsets for monies previously received: “In this case, it was proper for the district court to summarily reject appellants’ statute of limitations and various contract law arguments in favor of treating appellants like all other similarly situated claimants. Indeed, the district court is authorized and expected to determine claims in an equity receivership based on equitable, rather than formalistic, principles.”); *SEC v. Credit Bancorp, Ltd.*, No. 99 CIV. 11395 RWS, 2000 WL 1752979 *19 (S.D.N.Y. Nov. 29, 2000) (“Rather, this is a case in which numerous victims of a fraud have competing claims to a limited receivership res. The relief sought

⁸ The Receiver acknowledges that some claimants have previously argued that they have a right to post-receivership interest under Section 506 of the Bankruptcy Code. However, this Court’s discretion in this regard is not impinged by bankruptcy statutes or bankruptcy court decisions. This matter is not in bankruptcy and those rules simply do not apply or supersede the discretion of the Court to do equity in this receivership. Indeed, as discussed *infra*, even if creditors in a bankruptcy may recover post-petition interest when the value of the collateral exceeds the sum of the principal and all interest due, that too is subject to equitable considerations that would militate against such payments.

by the SECO Intervenors would come at the direct expense of the other Credit Bancorp victims. As this Court noted in *Credit Bancorp I*, under these circumstances, “[t]he Receiver at once represents the interests of all and none of Credit Bancorp’s customers.... To the extent that the Receiver the interests of all in mind, he is the adversary of the individual customer—whose concern is only for the return of his deposits.” *SEC v. Credit Bancorp, Ltd.*, 194 F.R.D. 457, 461 (S.D.N.Y. 2000) (citing *SEC v. Elliott*, 953 F.2d 1560, 1577 (11th Cir. 1992)); cf. *In re Teltronics, Ltd.*, 649 F.2d 1236, 1239 (7th Cir. 1981) (rejecting, under Illinois receivership law, argument that receiver takes no better title to property than person subject to receivership, since receiver is empowered “to manage the claims of defrauded rightful owners.”)).

The distribution plan fashioned and approved by this Court therefore must be guided by these principles.

B. Disallowance of Post-Receivership Interest, Penalties, Fees, and Other Such Amounts Is Appropriate.

As a general rule, in equity receiverships, interest on a debtor’s obligations ceases to accrue at the inception of the proceeding. *See, e.g., Vanston Bondholders Protective Committee v. Green*, 329 U.S. 156, 163 (1946); *see also Matter of Fesco Plastics Corp.*, 996 F.2d 152, 155 (7th Cir. 1993) (referring to bankruptcy cases; “The age-old rule in bankruptcy, adopted from the English system, is that interest on claims stops accruing when the bankruptcy petition is filed.”). One of the many purposes of the rule is that the courts are charged with preserving and protecting the estate for the benefit of *all* interests involved. *Vanston*, 329 U.S. at 163. To that point, the *Vanston* Court made clear that interest may be disallowed in a federal equity receivership – whether to a secured or unsecured creditor, a decision reached in the effort to balance equities between creditors. *Vanston*, 329 U.S. at 165 (“the touchstone of each decision on allowance of interest in

... receivership ... has been a balance of equities between creditor and creditor or between creditors and the debtor”).

For example, in *SEC v. Capital Cove Bancorp LLC*, No. SACV 15-980-JLS (JCx), 2015 WL 9701154 (C.D. Cal. Oct. 13, 2015), the district court disallowed the accrual of post-receivership interest, noting how allowing such interest would harm junior and unsecured creditors, and that staying interest payments satisfied the “‘primary purpose’ of receiverships, which is ‘to promote orderly and efficient administration of the estate’ for the benefit of all creditors.” *Id.* at *11-12 & n.10 (citing *SEC v. Hardy*, 803 F.2d 1034, 1038 (9th Cir. 1986) (granting motion to stay interest, and citing *Vanston* and other authorities)); *see also, e.g., SEC v. Capital Consultants, LLC*, No. Civ. 00-1290-KI, 2002 WL 32502451 (D. Or. May 24, 2002) (granting receiver’s motion to exclude post-petition interest that was not received as of the date of the receivership).

And other courts facing the issue of interest have used equitable authority to preclude application of a default rate of interest, focusing instead on concepts of simple interest. *See, e.g., In re Real Prop. Located at Redacted Jupiter Drive, Salt Lake City, Utah*, 2:05-CV-1013, 2007 WL 7652297 (D. Utah Sept. 4, 2007); *see also In re Hollstrom*, 133 B.R. 535, 539 (Bankr. D. Colo. 1991) (discussing bankruptcy law and stating: “No court which directly addresses the issue appears willing to rule out the possibility that certain circumstances might necessitate an equitable deviation from the stated contractual default rate of interest, and there is no clear, emerging, definite enumeration of these special circumstances or equitable considerations.”). Indeed, courts have recognized that default interest above contract interest acts to penalize an estate such as the one at bar by virtue of circumstances outside of the receiver’s control—that is, the creation of the receivership estate and the schedule by which the court is addressing and resolving the claims in

order to ensure that all claimants receive due process. *See, e.g., Nicholas v. United States*, 384 U.S. 678, 683-84 (1966) (“[C]reditors should not be disadvantaged vis-a-vis one another by legal delays attributable solely to the time-consuming procedures inherent in the administration of the bankruptcy laws. In the context of interest-bearing debts, the equitable principle enunciated in *Sexton and Saper* rests at bottom on an awareness of the inequity that would result if, through the continuing accumulation of interest in the course of subsequent bankruptcy proceedings, obligations bearing relatively high rates of interest were permitted to absorb the assets of a bankrupt estate whose funds were already inadequate to pay the principal of the debts owed by the estate.”). Even in bankruptcy, where Section 506(b) may provide a holder of an oversecured claim with “interest on such claim, and any reasonable fees, costs, or charges provided for under the agreement under which such claim arose,” the right to the contractual default rate is subject to rebuttal based on equitable considerations. *Matter of Terry Limited Partnership*, 27 F.3d 241, 243-244 (7th Cir. 1994) (citing bankruptcy court decisions finding presumption of contract rate was rebutted where default interest rates were between 25% and 36% higher than the pre-default rates). It is worth noting that, in the matter at bar, the default interest rates claimed by US Bank and Wilmington Trust in this case are 91% and 94% higher than the pre-default interest rates provided in those loan agreements.⁹

Moreover, the Order Appointing Receiver in this case prohibits lenders from taking any action which would affect a receivership asset, including using self-help for the purpose of enforcing any lien upon a Receivership Asset (Dkt. 16 ¶ 29(A)), modifying any mortgage agreement executed by a Receivership Defendant (*id.* ¶ 29(C)), or instituting default proceedings (*id.* ¶ 32). The loans at issue were not in default prior to the institution of the receivership—by

⁹ The US Bank loan has a contract rate of 4.380% and a default rate of 8.380%. The Wilmington Trust loan has a contract rate of 5.3% and a default rate of 10.3%.

way of example, according to Section 5D of claimants’ proof of claim submissions, EquityBuild made its last payment to U.S. Bank on August 1, 2018, and to Wilmington Trust on August 14, 2018. Thus, increasing the contract rate of interest “without the express written agreement of the Receiver” (*id.* ¶ 29)—which was not given—would run afoul of the proscriptions in the Order Appointing Receiver at the expense of other claimants.

Consistent with these principles of law and equity, and under the circumstances described above in Section I, the Receiver recommends that all post-receivership interest be disallowed for every claim against any of the properties. For Group 5, this is an issue in regards to the properties at 4520 Drexel, 5001 Drexel, 7300 St. Lawrence (as it relates to the individual lender who is in a first secured position) where the amounts in the property accounts exceed the amounts of principal owed. Given the nature of the fraud – which included pressure exerted on claimants to rollover secured investments into funds, multiple sales of interests in the same properties, manipulations of mortgage recording dates and the like – and the commingling that occurred in running the EquityBuild portfolio, such a result is equitable and justified. For example, EquityBuild contributed approximately \$1.87 million of investor funds to purchase 4520 Drexel and approximately \$1.5 million of investor funds to purchase 5001 Drexel. (*See* Exs. 14-15 (settlement statements)) By proceeding in such a fashion, this Court would act to treat similarly situated claimants—here, secured creditors holding interests throughout the EquityBuild portfolio—as all would be limited to recovery of principal. As the Seventh Circuit has emphasized, “equality is equity”:

We start with the principle that where investors’ assets are commingled and the recoverable assets in a receivership are insufficient to fully repay the investors, “equality is equity.” *Cunningham v. Brown*, 265 U.S. 1, 13, 44 S.Ct. 424, 68 L.Ed. 873 (1924). Distribution of assets on a pro rata basis ensures that investors with substantively similar claims to repayment receive proportionately equal distributions. Courts have routinely endorsed pro rata distribution plans as an

equitable way to distribute assets held in receivership in this situation. *See, e.g., Forex Asset Mgmt.*, 242 F.3d at 331–32 (affirming pro rata distribution even where objecting investors’ funds were segregated in a separate account and never commingled, noting that whether funds are commingled or traceable is “a distinction without a difference”)

Wealth Management, 628 F.3d at 333.

Additionally, as the Court also is aware, substantial delays in these proceedings—including in respect to liquidation of the properties, processing claims against them, and the expeditious distribution of receivership funds—have been caused by factors outside of the Receiver’s control (*e.g.*, litigious institutional lender claimants, government shutdown, the pandemic, and the like). Such delays provide additional grounds to reject the efforts to recover amounts above principal through interest payments. *See, e.g., Fesco Plastics*, 996 F.2d at 155 (justification for the bankruptcy rule that “interest on claims stops accruing when the bankruptcy petition is filed . . . [includes:] . . . sav[ing] the estate from having to pay extra for the delay in payment when that delay is necessary if the courts are to preserve and protect the estate for the benefit of all creditors . . .[,] allow[ing] the trustee to fulfill the duty of objecting to questionable claims, . . . without worrying that an unsuccessful objection will lead to claims for interest and increased administrative expense . . .[, and] prevent[ing] any unmerited gain or loss by creditors whose claims have different interest rates or who are paid at different times by the . . . court; all are treated equally”) (citing *Vanston*, 329 U.S. at 164; *In re Goldblatt Bros., Inc.*, 61 B.R. 459, 463 (Bankr. N.D. Ill.1986)) (internal citation omitted)).¹⁰

¹⁰ In the alternative only, were this Court to believe that interest is to be considered, for the reasons discussed, *supra*, default interest should not be awarded. Not only do the facts and law support firmly rejecting such an award, the fact that the institutional lenders contributed significantly to delay in this proceeding (*see, e.g.*, Dkt. 1031 at n.32), further demonstrates why charging of default interest under these circumstances is even more inappropriate and inequitable.

Separately, and consistent with the authorities discussed above and their logical underpinnings, the Receiver recommends that requests for late fees, penalties (pre-payment or otherwise), attorneys fees, and all such other costs also be denied for all claimants. To allow such amounts, like interest, would be antithetical to the goal of preserving and protecting the estate for the benefit of *all* interests involved. *See Vanston*, 329 U.S. at 163. Moreover, awarding late fees, penalties, attorneys fees and the like (as with amounts for interest) to a secured creditor in these circumstances—following the liquidation of an asset that was acquired with commingled funds from investors whose security interest would not have existed but for the contribution of stolen and commingled investor funds—would serve to further victimize those investors and other unsecured creditors. Such protection is consistent with and supports the primary purpose of receiverships which is “to promote orderly and efficient administration of the estate’ for the benefit of all creditors.” *Capital Cove Bancorp LLC*, 2015 WL 9701154 at *12 (citing *SEC v. Hardy*, 803 F.2d at 1038).

Moreover, and as this Court is aware, the Receivership was put in place involuntarily, over the objections of the Defendants, which also renders the various penalty clauses unenforceable. *See also, e.g., Village of Rosemont v. Maywood-Proviso State Bank*, 149 Ill. App. 3d 1087, 1091-92 (1st Dist. 1986) (finding prepayment clause unenforceable in the event of condemnation which is involuntary). And, as a matter of equity, the rejection of such claims is particularly appropriate here where the EquityBuild companies and portfolio operated as a Ponzi scheme where new investor monies were commingled and used to continue operations. *See* Section III, *infra*.

In sum, penalties and fees that are the product of delays or litigation tactics should not serve to penalize the Estate, nor inure to the benefit of any claimants who contributed to the delay, nor

come at the expense of the interest of other similarly situated or unsecured claimants to potential recovery of any amounts that might otherwise remain available for distribution.

C. The Receiver Recommends that the Court Account for Distributions Previously Received from EquityBuild.

With the Cohens having implemented a Ponzi scheme in which they commingled funds and used new funds from investor and institutional lenders to pay principal and exorbitant profits in the form of interest to prior and existing lenders and investors which were not tied directly and exclusively to income generated by the real estate assets associated with their loans and/or investments, the Receiver recommends that all claimants' claims, whether institutional lender or investor-lender, be set-off by all pre-receivership distributions (whether characterized as payments of principal, interest, bonuses, or other types of returns) that they received from EquityBuild, as well as any amounts held in reserve, in order to achieve a ratable distribution of remaining assets among all of the defrauded investors. *See Donell v. Kowell*, 533 F.3d 762, 770 (9th Cir. 2008) (“The ‘winners’ in the Ponzi scheme, even if innocent of any fraud themselves, should not be permitted to ‘enjoy an advantage over later investors sucked into the Ponzi scheme who were not so lucky.’”) (citation omitted). Under the “netting rule,” amounts transferred by the Ponzi scheme perpetrator to the investor are netted against the initial amounts invested by that individual. *Id.* at 771. And the fact that the claimants may be innocent victims does not change the analysis, as described by the Seventh Circuit in another Ponzi scheme:

The money used for the trades came from investors gulled by fraudulent representations. Phillips was one of those investors, and it may seem “only fair” that he should be entitled to the profits on trades made with his money. That would be true as between him and [the Ponzi scheme operator]. It is not true as between him and either the creditors of or the other investors in the corporations. He should not be permitted to benefit from a fraud at their expense merely because he was not himself to blame for the fraud. All he is being asked to do is to return the net profits of his investment—the difference between what he put in at the beginning and what he had at the end.

Scholes v. Lehmann, 56 F.3d 750, 757-58 (7th Cir. 1995).

Consistent with the logic of these cases, and the authorities discussed above, the Receiver recommends that the distributions already received by the claimants on their loans, as well as any amounts held in reserve by the lenders, be taken into consideration when determining the maximum amount that claimant ultimately should recover, whether from secured funds held in the property account or from unencumbered funds of the Estate. These amounts are material: for instance, in regards to the 4520 Drexel, U.S. Bank received \$223,631.08 in payments and is holding \$156,220.59 in reserves; at 5001 Drexel, Wilmington received \$102,433.63 in payments and is holding \$598,839.11 in reserves. (Exs. 7-8)

Accordingly, Exhibits 1-8, hereto, set forth the reserves and distributions made to the Group 5 claimants in the form of interest, principal, or “other” distributions (*e.g.*, origination fees or credits for incentive “coupons” or bonuses). The amounts reflected in Exhibits 1-8 are taken from the claimants’ sworn proofs of claim or EquityBuild records. These distributions are then used to reflect the net difference between “money in” and “money out” for each Group 5 claimant. These recommended amounts represent a ceiling – *i.e.*, the amount the Receiver would recommend for distribution if there were sufficient funds available. If available funds from the property liquidation exceed these net amounts, any excess would be distributed to subordinate secured creditors and/or transferred to the Receiver’s account along with all other unencumbered funds.

Additional equitable considerations are present here given the fact that there are numerous unsophisticated individual lenders who were left with unsecured claims despite having investments that had the patina of a secured investment, who will not recover the amounts owed. In this way, the Receiver’s recommendations represent a factual, legal, and equitable balance of those interests.

III. This Court Has Repeatedly Found that the Cohens Perpetrated a Ponzi Scheme.

This Court has repeatedly found that the Cohens engaged in Ponzi scheme. For the Court's convenience, the Receiver summarizes the evidence so that it is included in the record in relation to Group 5.

The Ponzi scheme created and implemented by the Cohens and EquityBuild was first described with particularity by the SEC in its Complaint (*e.g.*, Dkt. 1, ¶ 45); the Cohens did not deny the Ponzi scheme and entered into a Consent Judgment. (Dkt. 40) Testimony provided to the District Court in support of both the motion for appointment of the Receiver and, later, turnover of Jerry Cohen's Naples, Florida home, established through a forensic accounting analysis that the Cohens had perpetrated a Ponzi scheme; and this Court agreed. (*See, e.g.*, Dkt. 492 at 3-7 (Magistrate Judge Kim ruling discussing Tushaus testimony describing the forensic accounting work proving the existence of a Ponzi scheme); Dkt. 603 at 6 (the District Court affirmed the magistrate judge ruling, stating "the [District] Court agrees with the magistrate judge's assessment of the hearing evidence, which 'show[s] that the funds used [to purchase the Naples Property] came from [i]nvestor [m]onies tied to Cohen's Ponzi scheme'" (*citing* Dkt. 492 at 3-7, 10-14))) The District Court's later entry of a monetary judgment found that the Cohens had been operating a Ponzi scheme. (*See*, Dkt. 533 at 2 ("Accordingly, the Cohens began running a Ponzi scheme, using new investors' funds to pay earlier investors' interest payments."))

Additionally, facts that have come to light in submissions in the claims process provide additional evidence of a Ponzi scheme, including the evidence presented in the Group 1 claims proceedings. (*See, e.g.*, Dkt. 1227 at 2-3, explaining that EquityBuild used most of the proceeds of the BC57 loan, which were intended to pay off the existing investor mortgages in Group 1, to

instead purchase a property at 11117 S Longwood, for which 61 investors in Group 4 were brought into the scheme.)

By proceeding as the Receiver recommends in respect to amounts claimed in excess of principal, the Court also properly takes into account the other creditors impacted by the Ponzi scheme. In that regard, it is important to recognize that the victims of the Cohens' fraud will not be made whole. Indeed, while final figures will not be available until a final distribution plan of remaining unsecured funds is prepared and approved (after disputes between allegedly secured claimants have been resolved), it appears likely that unsecured creditors' losses will exceed \$40 million, including among them: (i) numerous claimants who were defrauded by EquityBuild, who as a result of such activities do not have secured interests despite believing they did; and/or (ii) many secured creditors on properties who were unable to recover anything on the properties for which they were promised first secured priority interests, but whose claims turn out to be unsecured. With the number of unsecured lenders being large (several hundreds), and the pool of remaining unsecured funds likely to be relatively small (*i.e.*, a fraction of the amounts claimed), it is particularly important to take into account such equitable considerations.

Limiting distributions on Group 5 to the return of principal less any amounts already recovered from EquityBuild (*see* Section II(C), above), as the Receiver recommends, allows the institutional lenders to be made whole in regards to their cash outlay (which also allows such secured creditors to be treated equally, and therefore equitably, across the Receivership), but also allows the Court to undertake a balancing of interests in regard to other claimants. Given the Court's broad discretion in a federal equity receivership, it is appropriate to consider and give weight to the facts and circumstances discussed above and the totality of the impact on the victims

of the Cohens' fraudulent activities in determining how funds held by the Receiver ought to be distributed in relation to the Group 5 properties and claims.

IV. Conclusion

Following the Court's rulings regarding priority and in regards to the Receiver's recommendations on Group 5 as set forth in the attached Exhibits and the foregoing discussion, the Receiver will distribute funds as ordered by the Court or recommend a distribution plan and methodology, including the amount to be distributed to each eligible claimant.

MORTGAGE

THIS MORTGAGE ("Security Instrument") is given on October 9th, 2015. The mortgagor is EquityBuild, Inc. ("Borrower").

This Security Instrument is given to The Persons Listed on Exhibit A to the Mortgage C/O EquityBuild Finance, LLC whose address is 5068 West Plano Pkwy. #300 Plano, TX 75093 ("Lender").

Borrower owes Lender the principal sum of Six Hundred Eighteen Thousand Six Hundred Three and 00/100 Dollars (U.S. \$618,603.00). This debt is evidenced by Borrower's note dated the same date as this Security Instrument (Mortgage), which provides for a final payment of the full debt, if not paid earlier, due and payable October 1st, 2016. This Security Instrument secures to Lender:

(a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extension and modifications; (b) the payment of all other sums, with interest advanced under paragraph 7 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in COOK County, Illinois:

PIN: 20-27-219-018-0000

which has the address of 7304 S St. Lawrence Ave., Chicago, IL 60619 ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANT. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration and repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the property is acquired by Lender, Borrower's rights to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of sums secured by this Security Instrument immediately prior to the acquisition.

3. **Preservation and Maintenance of Property; Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.

4. **Protection of Lender's Rights in the Property; Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this paragraph 4, Lender does not have to do so.

5. **Successor and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Interest shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

6. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

7. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

8. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

9. **Transfer of the Property or a beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

10. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

11. Assignment of Rents and Leases. As additional security for the payment of the Indebtedness, Mortgagor assigns and transfers to Mortgagee, pursuant to 1953 PA 210, as amended by 1966 PA 151 (MCLA 554.231 et seq., MSA 26.1137(1) et seq.), all the rents, profits, and income under all leases, occupancy agreements, or arrangements upon or affecting the Premises (including any extensions or amendments) now in existence or coming into existence during the period this Mortgage is in effect. This assignment shall run with the land and be good and valid as against Mortgagor and those claiming under or through Mortgagor. This assignment shall continue to be operative during foreclosure or any other proceedings to enforce this Mortgage. If a foreclosure sale results in a deficiency, this assignment shall stand as security during the redemption period for the payment of the deficiency. This assignment is given only as collateral security and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor in any leases. In the event of default in any of the terms or covenants of this Mortgage, Mortgagee shall be entitled to all of the rights and benefits of MCLA 554.231-233, MSA 26.1137(1)-(3), and 1966 PA 151, and Mortgagee shall be entitled to collect the rents and income from the Premises, to rent or lease the Premises on the terms that it may deem best, and to maintain proceedings to recover rents or possession of the Premises from any tenant or trespasser. Mortgagee shall be entitled to enter the Premises for the purpose of delivering notices or other communications to the tenants and occupants. Mortgagee shall have no liability to Mortgagor as a result of those acts. Mortgagee may deliver all of the notices and communications by ordinary first-class U.S. mail. If Mortgagor obstructs Mortgagee in its efforts to collect the rents and income from the Premises or unreasonably refuses or neglects to assist Mortgagee in collecting the rent and income, Mortgagee shall be entitled to appoint a receiver for the Premises and the income, rents, and profits, with powers that the court making the appointment may confer. Mortgagor shall at no time collect advance rent in excess of one month under any lease pertaining to the Premises, and Mortgagee shall not be bound by any rent prepayment made or received in violation of this paragraph. Mortgagee shall not have any obligation to collect rent or to enforce any other obligations of any tenant or occupant of the Premises to Mortgagor. No action taken by Mortgagee under this paragraph shall cause Mortgagee to become a "mortgagee in possession."

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any rider(s) executed by Borrower and recorded with it.

Signed, sealed and delivered in the presence of:

II. SUMMARY OF THE OFFERING

The following material is intended to summarize information contained elsewhere in this Limited Offering Memorandum (the “Memorandum”). This summary is qualified in its entirety by express reference to this Memorandum and the materials referred to and contained herein. Each prospective subscriber should carefully review the entire Memorandum and all materials referred to herein and conduct his or her own due diligence before subscribing for Membership Units.

A. The Company

SOUTH SIDE DEVELOPMENT FUND I, LLC (“the Fund” or the “Company”), began operations in May, 2017, with the purpose of acquiring an interest in related entities that will renovate, refinance or sell at least two (2) multi-family apartment buildings on the South Side of Chicago. The Company was formed as a limited liability company (LLC) under the laws of the State of Delaware on May 12, 2017. Its principal offices are presently located at 180 North Stetson St, Suite 3500, Chicago, Illinois 60601. The Company’s telephone number is (877) 978-1916

B. The Benefits of LLC Membership

The limited liability company (LLC) is a relatively new form of doing business in the United States. An LLC is not a corporation, a partnership nor is it a sole proprietorship. The LLC is a new hybrid that combines the characteristics of a corporate structure and a partnership structure. It is a separate legal entity like a corporation but it has entitlement to be treated as a partnership for tax purposes and therefore carries with it certain tax benefits for the investors.

The owners and investors are called *members* and can be virtually any entity including individuals (domestic or foreign), corporations, other LLCs, trusts, pension plans etc. Unlike corporate stocks and shares, members purchase membership units. *Members* who hold the majority of the membership units maintain controlling management of the LLC as specified in the LLC operating agreement.

The primary advantage of an LLC is limiting the liability of its members. Unless personally guaranteed, members are not personally liable for the debts and obligations of the LLC. Additionally, “pass-through” or “flow-through” taxation is available, meaning that (generally speaking) the earnings of an LLC are not subject to double taxation unlike that of a “standard” corporation. However, they are treated like the earnings from partnerships, sole proprietorships and S corporations with an added benefit for all of its members. There is greater flexibility in structuring the LLC than is

ordinarily the case with a corporation, including the ability to divide ownership and voting rights in unconventional ways while still enjoying the benefits of “pass-through” taxation. The limited liability company is becoming the entity of choice for business in every realm. Due to its flexibility and tax advantages for all of its members, it will continue to gain momentum as more and more people learn of its existence.

C. **Operations**

South Side Development Fund I, LLC (the “Company”) is offering limited liability company Interests through this Confidential Private Placement Memorandum to investors in order to fund a real estate investment fund for the purposes of purchasing interests in at least two related entities that currently own two multifamily buildings in Chicago's south side neighborhoods. Those related entities will renovate and refinance those buildings. If additional capital is available through such refinancing or sales of those two buildings, the Company may invest in other related entities that own other multi-family buildings that are similar to the two identified building. The Company will make equity investments in buildings that will also have third party debt in order to maximize the returns to the Fund. The Company projects that it will be able to pay an 8% annual dividend to equity investors from available cash in the Fund on a quarterly basis. The Company intends initially to acquire up to an 80% equity interest in a related entity (4520-26 S Drexel, LLC), which entity owns a multi-family building, 4520-26 S Drexel Blvd (the “4520 Drexel Building”). If sufficient funds are received by the Company in this Offering, the Company will then acquire up to an 80% equity interest in another related entity, 4511-15 Drexel, LLC, which owns a building located at 4511-17 Drexel Avenue, on the same street as the 4520 Drexel Building.

Both related entities plan to renovate and refinance the building that they own. If they are able to refinance those buildings successfully, the Company will receive its share of funds from those two related entities, and then will utilize the cash from the refinance to acquire equity interests in related entities, each of which will own a third (or fourth) similar multi-family building. Using funds from each successive refinance, the Company intends to acquire other similar buildings during the five year time frame from the end of this offering and may acquire and refinance up to six (6) buildings, all on the south side of Chicago.

At the end of the fourth year, the Company intends to begin the disposition process of all its assets at which time investor capital will be returned along with any accrued and/or unpaid dividends, with the

fund earning 80% of any remaining profits. **THERE IS NO GUARANTEE THAT ANY OR ALL OF THESE REFINANCING WILL OCCUR OR THAT THERE WILL BE SUFFICIENT AVAILABLE CASH TO PAY THESE PROJECTED DIVIDENDS.**

At the end of the fifth year, it is anticipated by the Company that the limited liability companies that own the buildings will have sold those buildings, distributed the share of those LLCs to the Company, and that the Company will at that point purchase all of the Interests from Investors in this Offering. If that has not occurred by the end of the fifth year, the Company will continue its operations until the end of the sixth year. If that has not occurred by the end of the sixth year, the Company will continue its operation until the end of the seventh year, when it will fully liquidate and distribute all remaining cash and other assets to its Members.

D. Business Plan

Executive Summary:

South Side Development Fund 1, LLC (the “Company”) is offering limited liability company Interests through a Confidential Private Placement Memorandum to investors in order to fund a real estate investment fund for the purposes of purchasing, renovating, and stabilizing two multifamily buildings in Chicago's south side neighborhoods. The Company will make equity investments in single purpose entities that will own multifamily assets leveraged with third party debt in order to maximize the returns to the Fund. The Company projects that it will be able to pay an 8% annual dividend to equity investors from available cash in the Fund on a quarterly basis. Upon acquisition the 4520 Drexel Building, the company will acquire a second multi-family building, 4611-17 S Drexel Blvd, (the “4611 Drexel Building”). The Company will renovate and refinance these buildings, and then utilize the cash from the refinance to acquire and stabilize additional similar multi-family assets. At the end of the fifth year, the Company intends to begin the disposition process of all its assets at which time investor capital will be returned along with any accrued and/or unpaid dividends, with the fund earning 80% of any remaining profits. **THERE IS NO GUARANTEE THAT THERE WILL BE SUFFICIENT AVAILABLE CASH TO PAY THESE PROJECTED DIVIDENDS.**

Business Plan:

The Company, **South Side Development Fund I, LLC**, is a real estate equity investment entity for the sole objective of purchasing, stabilizing, and disposing of the multi-family buildings. The initial investment will be made into several related entities that own buildings at 4520-26 Drexel Avenue and 4611-15 Drexel Avenue. Subsequent investments may be made into entities that own similar buildings yet to be identified. A related entity, South Shore Property Holdings, LLC, acquired the 4520 Drexel Building on January 31, 2017 for \$5,700,000 plus closing costs, utilizing \$4,275,000 in bridge financing from Bloomfield Capital, and \$1,865,868.24 from the funds of South Shore Property Holdings, LLC, of which \$370,000 was reserved as a construction escrow and another \$330,000 being paid in over 10 months to fund the full construction escrow of \$700,000. South Shore Property Holdings, LLC, also acquired the 4611 Drexel Building on December 15, 2016 for \$3,500,000 plus closing costs utilizing \$2,625,000 in bridge financing from Bloomfield Capital and \$972,694 from the funds of South Shore Property Holdings, LLC, of which \$150,000 was reserved as a construction escrow and another \$350,000 being paid in over 10 months to fund the full construction escrow of \$500,000.

An unrelated local management company (the “Property Manager”), has taken over day-to-day property management responsibilities. EquityBuild, Inc. an affiliate of the Company, is the developer of the building (“Developer”) and has begun a competitive bidding process to select the most cost-effective competent bid from a pool of third party unrelated general contractors per the scope of work as determined by the Property Manager. Renovation work on eight of the apartment units has already been contracted by the Property Manager and is being performed. Within thirty (30) days, the Developer will award the remaining work and bid to the selected general contractor and renovation work will commence.

The Company anticipates the work on the core building systems and initial vacant units to be completed within ninety (90) days of the awarded bid. Concurrently, the Company will continue to co-ordinate with the Property Manager a lease up process whereby the Property Manager will systematically issue notices of rental increases to the tenants commensurate with the rental targets as determined by the Developer. Tenants who do not accept the rental increases will re-locate and renovation work will begin in that unit based on the scope as determined by the developer subject to the unit updates budget constraints. Tenants who do accept the rental increases will remain in their units and no substantial renovation will occur within that unit.

The Company anticipates that the total unit turnover and lease up process will take approximately fifteen (15) months. South Shore Property Holdings, LLC has already solicited and received a term sheet from Red Mortgage Capital, to refinance the existing bridge debt on the 4520 Drexel Building through the Freddie Mac small balance loan program. The Company anticipates that the

refinancing of the building will be completed within ninety (90) days, at which time the building is anticipated to have positive cash flow, after which the company will refinance the 4611 Drexel Building through the same program. The Company intends to structure the refinance loan such that the loan carries no pre-payment penalty after twenty –four (24) months. It is also anticipated that the first twelve (12) months of the loan will be interest only payments, and that this will allow a “cash out” refinance at a higher market value base on the stabilized physical and income improvements. The Company will then utilize the net cash available from the refinance to acquire a similar asset to add to the Company’s holdings. The stabilization and refinance process will repeat as many times as financially beneficial to the Fund over a four year period at which time acquisitions will cease, remaining assets will be stabilized. At that point, the Company anticipated that all buildings will be sold within twenty-four (24) months of the completion of the acquisition phase. **THERE IS NO GUARANTEE THAT THE COMPANY WILL BE ABLE TO REFINANCE THESE BUILDINGS OR TO DISPOSE OF THESE BUILDINGS AS PLANNED.**

Requirements for Purchasers

Prospective purchasers of the Units offered by this Memorandum should give careful consideration to certain risk factors described under “RISK AND OTHER IMPORTANT FACTORS” section and especially to the speculative nature of this investment and the limitations described under that caption with respect to the lack of a readily available market for the Units and the resulting long term nature of any investment in the Company. This Offering is available only to suitable Accredited Investors, having adequate means to assume such risks and of otherwise providing for their current needs and contingencies should consider purchasing Units.

- c) The prospective purchaser is an “Accredited Investor” (as defined below) suitable for purchase in the Units.
- d) Each person acquiring Units will be required to represent that he, she, or it is purchasing the Units for his, her, or its own account for investment purposes and not with a view to resale or distribution. See “SUBSCRIPTION FOR UNITS” section.

Such potential Subscriber may invest all or part of the debt held currently, including principal and/or accrued debt by contacting EquityBuild, Inc. to get a current statement of what is owed to that potential Subscriber and then filling in and sending the Reinvestment Request Form located at Exhibit F of this Confidential Private Placement Memorandum, along with all other required forms to subscribe. If such potential Subscriber's subscription agreement is accepted, EquityBuild, Inc. will require that the existing Promissory Note be marked "Paid in Full" and will admit the potential Subscriber as a Member of the Company, with the number of Units equivalent to the debt held by the potential Subscriber. **THE COMPANY RESERVES THE RIGHT TO ACCEPT LESS THAN THE MINIMUM NUMBER OF UNITS.**

IV. Forward Looking Information

Some of the statements contained in this Memorandum, including information incorporated by reference, discuss future expectations, or state other forward looking information. Those statements are subject to known and unknown risks, uncertainties and other factors, several of which are beyond the Company's control, which could cause the actual results to differ materially from those contemplated by the statements. The forward looking information is based on various factors and was derived using numerous assumptions. In light of the risks, assumptions, and uncertainties involved, there can be no assurance that the forward looking information contained in this Memorandum will in fact transpire or prove to be accurate.

Important factors that may cause the actual results to differ from those expressed within may include, but are not limited to:

- The success or failure of the Company's efforts to successfully renovate the Buildings, raise the rental rates at the Buildings and refinance or sell the Buildings.
- The effect of changing economic conditions;
- The ability of the Company to obtain adequate debt financing if only a fraction of this Offering is sold;

These along with other risks, which are described under “RISK FACTORS” may be described in future communications to members. The Company makes no representation and undertakes no obligation to update the forward looking information to reflect actual results or changes in assumptions or other factors that could affect those statements.

V. RISK FACTORS

Investing in the Company’s Units is very risky. You should be able to bear a complete loss of your investment. You should carefully consider the following factors, including those listed in the accompanying business plan.

A. Development Stage Business

South Side Development Fund I, LLC commenced operations on May 16th, 2017 and is organized as a limited liability company under the laws of the State of Delaware. Accordingly, the Company has only a limited history upon which an evaluation of its prospects and future performance can be made. The Company’s proposed operations are subject to all business risks associated with new enterprises. The likelihood of the Company’s success must be considered in light of the problems, expenses, difficulties, complications, and delays frequently encountered in connection with the expansion of a business, operation in a competitive industry, and the continued development of advertising, promotions and a corresponding customer base. There is a possibility that the Company could sustain losses in the future. There can be no assurances that South Side Development Fund I will even operate profitably.

B. Inadequacy of Funds

Gross offering proceeds of a minimum of \$500,000 and a maximum of \$5,950,000 may be realized. Management believes that such proceeds will capitalize and sustain South Side Development Fund I, LLC sufficiently to allow for the implementation of the Company’s Business Plans. If only a fraction of this Offering is sold, or if certain assumptions contained in Management’s business plans prove to be incorrect, the Company may have inadequate funds to fully develop its business and may need debt financing or other capital investment to fully implement the Company’s business plans.

C. Dependence on Management

In the early stages of development the Company’s business will be significantly dependent on the Company’s management team. The Company’s success will be particularly dependent

upon: Jerome H. Cohen, Shaun D. Cohen and Ronald J. Bol. The loss of any one of these individuals could have a material adverse effect on the Company. See “MANAGEMENT” section.

D. Risks of Rental Properties

The Company is very familiar with the rental rates and occupancy rates of multi-family buildings in this area of Chicago and believes that, with the upgrades to be made to the Drexel Buildings, the Company will be able to rent apartments relatively quickly and increase the occupancy rates and base rents. The Company intends to renovate and upgrade each apartment as it becomes vacant, and believes that it will be able to accomplish such renovation quickly and within its budget. **HOWEVER, THERE ARE MANY RISKS WITH RENTAL PROPERTIES AND INVESTORS SHOULD BE AWARE THAT FAILURE TO ATTAIN THE OCCUPANCY RATES AND/OR RENT LEVELS PROJECTED COULD SUBSTANTIAL AFFECT THE COMPANY’S ABILITY TO PAY DISTRIBUTIONS TO INVESTORS AND/OR TO REFINANCE THE BUILDINGS HELD BY THE COMPANY.**

E. Competition

There are many other multi-family buildings in this area of Chicago and rents for apartments are competitive. The Company believes that, with the upgrades that it will accomplish whenever an apartment becomes vacant, and with proper marketing, it will be able to rent such upgraded apartments quickly at acceptable base rent levels. **HOWEVER, THE COMPANY DOES NOT GUARANTEE THAT OCCUPANCY RATES WILL BE HIGHER IN THE FUTURE, AND FAILURE TO MAINTAIN PROPER OCCUPANCY RATES MAY HAVE AN IMPACT UPON THE VALUE OF THE DREXEL BUILDINGS.**

F. Risks of Borrowing

If the Company incurs indebtedness, a portion of its cash flow will have to be dedicated to the payment of principal and interest on such indebtedness. Typical loan agreements also might contain restrictive covenants, which may impair the Company’s operating flexibility. Such loan agreements would also provide for default under certain circumstances, such as failure to meet certain financial covenants. A default under a loan agreement could result in the loan becoming immediately due

and payable and, if unpaid, a judgment in favor of such lender which would be senior to the rights of members of the Company. A judgment creditor would have the right to foreclose on any of the Company's assets resulting in a material adverse effect on the Company's business, operating results or financial condition.

G. Management Discretion as to Use of Proceeds

The net proceeds from this Offering will be used for the purposes described under "Use of Proceeds." The Company reserves the right to use the funds obtained from this Offering for other similar purposes not presently contemplated which it deems to be in the best interests of the Company and its members in order to address changed circumstances or opportunities. As a result of the foregoing, the success of the Company will be substantially dependent upon the discretion and judgment of Management with respect to application and allocation of the net proceeds of this Offering. Investors for the Units offered hereby will be entrusting their funds to the Company's Management, upon whose judgment and discretion the investors must depend.

H. Control By Management

As of May 16, 2017, the Company's Manager (Eretz Private Capital, LLC) owns 100% of the Company's outstanding units. Upon completion of this Offering, the Company's Manager will own 0.1% of the Units, and will be able to continue to control because they will own the only Interests with voting rights. Investor members will own only Interests without voting rights. **Investor members will not have the ability to control either a vote of the Company's Manager or any appointed officers. See "MANAGER" section.**

I. Return of Profits

The Company intends to retain any initial future earnings to fund operations and expand the Company's business. A member will be entitled to receive revenue profits proportionate to the amount of units held by that member. The Company's Managing Members will determine a profit distribution plan based upon the Company's results of operations, financial condition, capital requirements, and other circumstances. **See "DESCRIPTION OF SECURITIES" section.**

J. Limited Transferability and Liquidity

To satisfy the requirements of certain exemptions from registration under the Securities Act, and to conform with applicable state securities laws, each investor must acquire his Units for investment purposes only and not with a view towards distribution. Consequently, certain conditions of

the Securities Act may need to be satisfied prior to any sale, transfer, or other disposition of the Units. Some of these conditions may include a minimum holding period, availability of certain reports, including financial statements from South Side Development Fund I, LLC, limitations on the percentage of Units sold and the manner in which they are sold. South Side Development Fund I, LLC can prohibit any sale, transfer or disposition unless it receives an opinion of counsel provided at the holder's expense, in a form satisfactory to the Company, stating that the proposed sale, transfer or other disposition will not result in a violation of applicable federal or state securities laws and regulations. No public market exists for the Units and no market is expected to develop. Consequently, owners of the Units may have to hold their investment indefinitely and may not be able to liquidate their investments in the Company or pledge them as collateral for a loan in the event of an emergency.

K. Broker - Dealer Sales of Units

The Company's Membership Units are not presently included for trading on any exchange, and there can be no assurances that the Company will ultimately be registered on any exchange due to the fact that it is a limited liability company and not a corporation. The NASDAQ Stock Market, Inc. has recently enacted certain changes to the entry and maintenance criteria for listing eligibility on the NASDAQ SmallCap Market. The entry standards require at least \$4 million in net tangible assets or \$750,000 net income in two of the last three years. The proposed entry standards would also require a public float of at least \$1 million shares, \$5 million value of public float, a minimum bid price of \$2.00 per share, at least three market makers, and at least 300 shareholders. The maintenance standards (as opposed to entry standards) require at least \$2 million in net tangible assets or \$500,000 in net income in two of the last three years, a public float of at least 500,000 shares, a \$1 million market value of public float, a minimum bid price of \$1.00 per share, at least two market makers, and at least 300 shareholders. No assurance can be given that the Membership Unit of the Company will ever qualify for inclusion on the NASDAQ System or any other trading market until such time as the Managing Members deem it necessary and the limited liability company is converted to a corporation. As a result, the Company's Membership Units are covered by a Securities and Exchange Commission rule that opposes additional sales practice requirements on broker-dealers who sell such securities to persons other than established customers and accredited investors. For transactions covered by the rule, the broker-dealer must make a special suitability determination for the purchaser and receive the purchaser's written agreement to the transaction prior to the sale. Consequently, the rule may affect the ability of broker-dealers to sell the Company's securities and will also affect the ability of members to sell their units in the secondary market.

L. Long Term Nature of Investment

An investment in the Units may be long term and illiquid. As discussed above, the offer and sale of the Units will not be registered under the Securities Act or any foreign or state securities laws by reason of exemptions from such registration, which depends in part on the investment intent of the investors. Prospective investors will be required to represent in writing that they are purchasing the Units for their own account for long-term investment and not with a view towards resale or distribution. Accordingly, purchasers of Units must be willing and able to bear the economic risk of their investment for an indefinite period of time. It is likely that investors will not be able to liquidate their investment in the event of an emergency.

M.No Current Market For Units

There is no current market for the Units offered in this private Offering and no market is expected to develop in the near future.

N. Compliance with Securities Laws

The Units are being offered for sale in reliance upon certain exemptions from the registration requirements of the Securities Act, applicable Illinois Securities Laws, and other applicable state securities laws. If the sale of Units were to fail to qualify for these exemptions, purchasers may seek rescission of their purchases of Units. If a number of purchasers were to obtain rescission, South Side Development Fund I, LLC would face significant financial demands, which could adversely affect the Company as a whole, as well as any non-rescinding purchasers.

O. Offering Price

The price of the Units offered has been arbitrarily established by South Side Development Fund I, considering such matters as the state of the Company's business development and the general condition of the industry in which it operates. The Offering price bears little relationship to the assets, net worth, or any other objective criteria of value applicable to South Side Development Fund I, LLC.

P. Lack of Firm Underwriter

The Units are offered on a "best efforts" basis by the Managing Members of South Side Development Fund I, LLC without compensation.

Q. Projections: Forward Looking Information

Management has prepared projections regarding the Company's anticipated financial performance. The Company's projections are hypothetical and based upon a presumed financial performance of the Company, the addition of a sophisticated and well funded marketing plan, and other factors influencing the business of South Side Development Fund I. The projections are based on Management's best estimate of the probable results of operations of the Company, based on present circumstances, and have not been reviewed by any independent accountants. These projections are based on several assumptions, set forth therein, which Management believes are reasonable. Some assumptions upon which the projections are based, however, invariably will not materialize due the inevitable occurrence of unanticipated events and circumstances beyond Management's control. Therefore, actual results of operations will vary from the projections, and such variances may be material. **Assumptions regarding future changes in sales and revenues are necessarily speculative in nature. In addition, projections do not and cannot take into account such factors as general economic conditions, unforeseen regulatory changes, the entry into the market of South Side Development Fund I of additional competitors, the terms and conditions of future capitalization, and other risks inherent to the Company's business. While Management believes that the projections accurately reflect possible future results of the Company's operations, those results cannot be guaranteed.**

However, if at the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Manager of record entitled to vote at the meeting. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally noticed. The Managers present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal during such meeting of that number of Ownership Percentages whose absence would cause less than a quorum to be present.

Section 7.7 Manner of Acting. The Majority Vote of the Managers shall be the act of the Managers.

Section 7.8 Proxies. A Manager may vote in person or by proxy executed in writing by the Manager or by a duly authorized attorney-in-fact. Such written proxy shall be delivered to the Company.

Section 7.9 Action by Managers Without a Meeting. Action required or permitted to be taken by the Managers at a meeting may be taken without a meeting if the action is evidenced by one or more written consents describing the action taken, signed by the Managers entitled to vote. Action taken under this Section is effective when the Managers required to approve such action have signed the consent, unless the consent specifies a different effective date. The record date for determining Managers entitled to take action without a meeting shall be the date the first Manager signs a written consent. Any signature delivered by facsimile is acceptable.

Section 7.10 Waiver of Notice. When any notice is required to be given to any Manager, a waiver thereof in writing signed by the person entitled to such notice, whether before, at, or after the time stated therein, shall be equivalent to the giving of such notice.

Section 7.11 Meeting by Telephone. Managers may also meet by conference telephone call if all Managers can hear one another on such call and the requisite notice is given or waived.

ARTICLE 8. CONTRIBUTIONS TO THE COMPANY AND CAPITAL LOANS

Section 8.1 Members' Capital Contributions. Each Member shall contribute the amount set forth next to such Member's name on Exhibit "A" hereto as the Member's Initial Capital Contribution. No Member shall hold more than twenty percent (20%) of the then outstanding Interests of the Company, unless that Member has been designated as a Manager.

Section 8.2 Loans to Company. The Company may borrow funds from Members on terms and conditions as determined by the Managers. Repayment of such loans shall be on the terms and conditions determined by the Managers.

Section 8.3 Option to Purchase Members' Interests. At the end of the fifth year after the Effective Date of this LLC Operating Agreement, and at any time thereafter, the Company shall have the right, but not the obligation to purchase any or all of the Interests owned by the Members. Said right may be exercised by the Manager by sending a written notice of its intention to said Member or Members. After the sending of said notice, Manager may purchase said Interests by tendering to each Member the amount of that Member's Interests as calculated by multiplying the book value of all of the assets of the Company by the percentage owned by that Member, and by either tendering that amount to each said Member or tendering a promissory note from the Company to said member. The Manager may purchase any portion (or all) of any Interests owned by any Member.

Section 8.3 Additional Capital Contributions. Except as otherwise may be expressly provided herein, the Members shall not be required to make additional capital contributions. The Manager shall have the discretion to request, in writing, additional Capital Contributions from each Member in proportion to their Membership Percentage ("Capital Call") in the event that the Company has insufficient funds to operate the Business of the Company or to make required payments on any debt of the Company (collectively "Operating Expenses"); provided, however, the timing and amount of a Capital Call must be reasonable.

Section 8.4 Failure to Pay Capital. Should any Member fail to pay the amount of any Capital Call requested by Manager pursuant to Section 8.4 hereinabove (the "Defaulting Member"), any other Member may, at his election, make the required payment on behalf of the Defaulting Member; provided however, that any Member which intends to make such a payment shall first provide written notice of that intention to all other Members (including the Defaulting Member); and the Defaulting Member shall have five (5) days to cure its failure to pay by making payment of the required Capital Call, plus interest on such amount from the date it was due until the date paid, at the Applicable Rate. If the Defaulting Member has so affected its cure, no Member will have any further rights under this Section with respect to the failure which has been cured. Any Member which makes a payment to the Company on behalf of a Defaulting Member pursuant to this Section 8.4 (a "Contributing Member") shall treat the payment as an additional capital contribution to the capital of the Company for the Contributing Member's own Capital Account, and in such case, the Contributing Member's and Defaulting Member's Ownership Percentage in the Company shall be adjusted in accordance with the formula set forth herein. If more than one Member elects to be a Contributing Member, then all contributing Members shall contribute on a pro rata basis determined by the ratio of the respective

Membership Interest of the Contributing Members. The respective Ownership Percentage of each Contributing Member and the Defaulting Member shall be adjusted and recalculated in accordance with the following formula and Exhibit "A" shall be revised accordingly:

Contributing Member:

The Membership Percentage of Contributing Member shall be multiplied by total invested Capital of Company plus (Amount of Additional Capital Contributed by Contributing Member on behalf of himself/herself/itself and the Defaulting Member) divided by the Total invested Capital of the Company) plus the total Additional Capital Contributions contributed to the Company pursuant to Section.

Defaulting Member:

The Membership Percentage of Defaulting Member shall be multiplied by total invested Capital of the Company)] divided by the Total invested Capital of the Company plus the total Additional Capital Contributions contributed to the Company pursuant to Section 8.4.

Section 8.5 Capital Accounts. A Capital Account shall be established and maintained for each Member in accordance with the following provisions:

a) To each Member's Capital Account there shall be credited such Member's Capital Contributions, such Member's distributive share of Profits and any items in the nature of income or gain that are specially allocated pursuant to this Agreement, and the amount of any liabilities of the Company that are assumed by such Member, or which are secured by any assets of the Company distributed to such Member.

b) To each Member's Capital Account there shall be debited the amount of cash and the Gross Asset Value of any Company assets distributed to such Member pursuant to any provision of this Agreement, such Member's distributive share of Net Losses and any items in the nature of expenses or losses that are specially allocated pursuant to this Agreement, and the amount of any liabilities of such Member assumed by the Company or which are secured by any property contributed by such Member to the Company.

c) If ownership of any Membership Interest in the Company is assigned in accordance with the terms of this Agreement, the assignee shall succeed to the Capital Account of the assignor to the extent it relates to the assigned Membership Interest.

d) In determining the amount of any liability for purposes of Subsections 3.04(a) and (b) above, there shall be taken into account Code Section 752(c) and any other applicable provisions of the Code and Regulations.

e) To each Member's Capital Account, there shall be debited or credited, as the case may be, adjustments which are necessary to reflect a revaluation of Company assets to reflect the Gross Asset Value of all Company assets, as required by Regulations Section 1.704-1(b)(2)(iv)(f) and Section 3.08.

The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Section 704 of the Code and Regulations Section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such Regulations. The Company shall make any adjustments that are necessary or appropriate to maintain equality between the Capital

Accounts of the Members and the amount of Company capital reflected on the Company's balance sheet as computed for book purposes in accordance with Section 1.704-1(b)(2) (iv)(q) of the Regulations.

Section 8.6 Gross Asset Value. The Gross Asset Value of any asset of the Company shall be equal to the asset's adjusted basis for Federal income tax purposes, except as follows:

a) The initial Gross Asset Value of any asset contributed by a Member to the Company shall be the gross fair market value of such asset, as determined by the contributing Member and the Company.

b) The Gross Asset Values of all Company assets, excluding goodwill, going concern value and similar intangible assets except to the extent purchased by the Company, shall be adjusted to equal their respective gross fair market values in connection with (and to be effective immediately prior to) the following events: (1) the acquisition of an additional Membership Interest in the Company by any new or existing Member in exchange for more than a de minimis Capital Contribution; (2) the distribution by the Company to a Member of more than a de minimis amount of property (including cash) as consideration for an interest in the Company; and (3) the Liquidation of the Company within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g); provided, however, that an adjustment pursuant to clauses (1) and (2) above shall be made only if such adjustment is necessary or appropriate to reflect the relative economic interests of the Members in the Company.

c) The Gross Asset Value of any Company asset distributed to any Member shall be the gross fair market value of such asset on the date of distribution.

d) The Gross Asset Values of Company assets shall be increased (or decreased) to reflect any adjustments to the adjusted basis of such assets pursuant to Code Section 734(b) or Code Section 743(b), but only to the extent that such adjustments are taken into account in determining Capital Accounts pursuant to Regulations Section 1.704-1(b)(2)(iv)(m) and Section 10.01 hereof; provided, however, that Gross Asset Values shall not be adjusted pursuant to this Subsection to the extent that an adjustment pursuant to Subsection (b) above is made in connection with a transaction that would otherwise result in an adjustment pursuant to this Subsection.

e) If the Gross Asset Value of an asset has been determined or adjusted pursuant to this Section 3.08, such Gross Asset Value shall thereafter be adjusted by the Depreciation taken into account with respect to such asset for purposes of computing Profits and Losses.

ARTICLE 9. DISTRIBUTIONS TO MEMBERS

Section 9.1 Distributions. All distributions shall be made to the Members as the Managers may determine, as cash flow allows, in proportion to their respective Ownership Percentages at the time of distribution; provided, that following the dissolution of the Company, distributions shall be made in accordance with Section 14.3 hereof.

Section 9.2 Limitation Upon Distributions. No distribution shall be made to Members if prohibited by the Delaware Act.

Section 9.3 Preferred Return and Return of Capital Contributions. Member's Capital Contribution will determine the return of its Capital Contribution and/or interest, and shall be paid at the rate of 01667% monthly, and/or 8.00% annually.

Section 9.4 Priority and Return of Capital. No Member shall have priority over any other Member, either as to the return of Capital Contributions or as to Net Profits, Net Losses or distributions. This Section shall not apply to loans (as distinguished from Capital Contributions) which a Member has made to the Company.

ARTICLE 10. ALLOCATIONS OF NET PROFITS AND NET LOSSES

Except as otherwise set forth herein, Net Profits and Net Losses shall be allocated for each Fiscal Year to the Members in proportion to their respective Ownership Percentages.

ARTICLE 11. BOOKS AND RECORDS

Section 11.1 Accounting Period. The Company's accounting period shall be the Fiscal Year.

Section 11.2 Records and Reports. At the expense of the Company, the Managers shall maintain records and accounts of all operations and expenditures of the Company. The Company shall keep at its principal place of business the following records:

- (a) A current list of the full name and last known address of each Member and Manager;
- (b) Copies of records to enable a Member to determine the relative voting rights, if any, of the Members;
- (c) A copy of the Articles of Organization of the Company and all amendments thereto;
- (d) Copies of the Company's federal, state, and local income tax returns and reports, if any, for the three most recent years;

The books and records shall at all times be maintained at the principal office of the Company and shall be open to the reasonable inspection and examination of the Members, or their duly authorized representatives during reasonable business hours.

Section 11.3 Tax Returns. The Managers shall cause the preparation and timely filing of all tax returns required to be filed by the Company pursuant to the Code and all other tax returns deemed necessary and required in each jurisdiction in which the Company does business. Copies of such returns, or pertinent information therefrom, shall be furnished to the Members within a reasonable time after the end of the Company's fiscal year.

ARTICLE 12. TRANSFERABILITY

Section 12.1 General Prohibition. Except as otherwise permitted by this Agreement, no Member may assign, convey, sell, transfer, liquidate, encumber, or in any way alienate by operation of law or otherwise (collectively a "Transfer"), all or any part of his Interest unless otherwise specifically permitted by this Agreement or unless approved by a Majority Vote of the Members, which consent may be given or withheld in the sole discretion of each Member. Any attempted Transfer of all or any portion of an Interest without the necessary consent or as otherwise permitted hereunder, shall be null and void and shall have no effect whatsoever.

Q. **Section 12.2 Permitted Transfers.** A Member shall be free at any time to Transfer up to ten percent (10%) of his Membership Interest to any one or more of that Member's Family Members. For purposes of this Article, a Member's "Family Members" shall mean the Member's spouse, children, and trusts for the primary benefit of the Member himself or such spouse or children. For purposes of this Agreement, a Transfer permitted under this Section 12.2 shall be referred to as a "Permitted Transfer." A Member may transfer greater than ten percent (10%) of his Membership Interest for estate planning purposes if he first obtains the unanimous written consent of the other Members.

Section 12.3 Conditions of Transfer and Assignment. A transferee of an Interest shall become a Member only if approved by a Majority Vote of the Members and if the following conditions have been satisfied:

(a) the transferor, his legal representative or authorized agent must have executed a written instrument of transfer of such Interest in the form and substance satisfactory to the Members approving the transaction;

(b) the transferee must have executed a written agreement, in form and substance satisfactory to the Members approving the transaction, to assume all of the duties and obligations of the transferor under this Operating Agreement with respect to the transferred Interest and to be bound by and subject to all of the terms and conditions of this Operating Agreement;

(c) the transferor, his legal representative or authorized agent, and the transferee must have executed a written agreement, in form and substance satisfactory to the Members approving

this transaction to indemnify and hold the Company, the Managers and the other Members harmless from and against any loss or liability arising out of the transfer;

(d) the transferee must have executed such other documents and instruments as the Members approving the transaction may deem necessary to effect the admission of the transferee as a Member; and

(e) unless waived by the Members approving the transaction, the transferee or the transferor must have paid the expenses incurred by the Company in connection with the admission of the transferee to the Company.

Section 12.4 Option Rights.

(a) Option Events. Upon the occurrence of any one of the following situations (hereinafter individually referred to as an “Option Event”), the Interest of the Member who suffers or causes an Option Event (“Leaving Member”) shall be subject to the option to purchase set forth in this Section.

(i) Death. Upon the death of a Member.

(ii) Disability. Upon the Disability of a Member. As used herein, “disability” shall mean any illness or condition which causes a Member to be unable to perform his duties in the manner in which such duties were previously performed by such Member for a continuous period of ninety (90) days or more, the same being determined by a doctor licensed to practice medicine in the state of such Member’s residence.

(iii) Insolvency. Upon the Insolvency of a Member. As used herein, “Insolvency of a Member” shall mean that the Member filed a voluntary petition or had an involuntary petition filed against him under any federal or state bankruptcy or insolvency act or law, or in the event a receiver or trustee is appointed as custodian of such Member’s property, or such Member has failed to pay any judgment against him at least ten (10) days prior to the date on which any of his assets may be lawfully sold to satisfy such judgment, or such Member shall suffer an attachment, sequestration or garnishment to be levied against or the assets of such Member.

(iv) Divorce. If in connection with the dissolution of the marriage of any married Member, the Member enters into a property settlement agreement or any court issues an interlocutory decree or other order, the terms of which transfer or award all or part of the Interest of the Member in the Company to the Member’s spouse, whether as a confirmation or a disposition of the spouse’s property rights or otherwise.

(v) Voluntary Withdrawal as Member/Manager. Upon a Member’s voluntary withdrawal as a Member or Manger of the Company.

(vi) **Failure to Perform Obligations.** Upon a Member's failure to perform any of its obligations under this Agreement, either as a Member or Manager, and the same has not been cured or cure has not been commenced within ten (10) days from date of notice of such breach has been delivered to the Member by the other Member.

(vii) **Failure to Pay Additional Capital Contributions.** Upon the second instance of a Member failing to pay the amount of additional capital contributions required to be contributed pursuant to Section 8.4 and Section 8.5.

(viii) **Attempted Transfer of Interest.** If any Member attempts to transfer his Interest in the Company not in accordance with the terms of this Article.

(b) **Exercise of Option.** Upon occurrence of an Option Event or the receipt of written notice from the Leaving Member of the occurrence of an Option Event, the Company shall have the irrevocable option exercisable for thirty (30) days after the receipt of notice of the Option Event and the determination of the Purchase Price pursuant to Section 12.5 below to purchase the Leaving Member's Membership Interest affected by the Option Event for the Purchase Price determined pursuant to **Section 12.5** below. In the event the Company does not exercise its option to purchase, the other Members ("Other Members") each shall have the right to purchase a pro rata share of the Leaving Member's Membership Interest exercisable for thirty (30) days after the date the Company elects (affirmatively or otherwise) not to purchase such Interest. If neither the Company nor the Other Members elect to purchase the entire Interest of the Leaving Member, the remaining Leaving Member's Interest ("Remaining Interest") shall be transferred to the Leaving Member's heirs, administrators, estate, representatives, custodians, trustees, or assigns.

Section 12.5 Purchase Price/Company Valuation. Within twenty (20) days after notice is received of the occurrence of the Option Event, the Leaving Member (or his heirs or personal representatives) and the other Members shall meet to unanimously establish the fair market value of the Company. If the Members cannot agree upon the fair market value of the Company, the Members shall select an independent appraiser who shall establish the fair market value of the Company within sixty (60) days after his selection. If the Members are unable to unanimously select an independent appraiser, then the Leaving Member shall select one independent appraiser and the Other Members select one independent appraiser and the two independent appraisers shall have sixty (60) days after their selection to determine the fair market value of the Company. The Leaving Member and the Other Members shall pay all costs charged by their respective appraiser. If there is less than a ten percent (10%) difference between the values established by each such appraiser, the average of such values shall be the fair market value of the Company. If the difference between the values established by the appraisers is greater than ten percent (10%), then the two appraisers shall, within twenty (20) days after establishing their values, appoint a third independent appraiser who shall determine the fair market value of the Company, and the fair market value established by this third independent appraiser shall be final and binding upon the Company and its Members. The cost of the third independent appraiser shall be borne by the Leaving Member or the Other Members, as the case may be, whose appraiser established a fair market value farthest away from the fair market value established by the third independent appraiser. The Purchase Price shall be established by multiplying the fair market value of the Company by the Ownership Percentage represented by the Membership Interest of the Leaving Member.

Section 12.6 Payment of Purchase Price. The Purchase Price shall be paid to the Leaving Member by delivering ten percent (10%) of the Purchase Price in cash at the consummation of the transfer of the

Leaving Member's Interest. The balance of the Purchase Price shall be paid by delivering a promissory note, signed by the Company or, as the case may be, the Other Members which shall be due and payable in sixty (60) equal monthly installments of principal and interest, with interest to accrue on the unpaid principal balance of the note at the rate of six percent (6%) per annum. The closing of the purchase of the Leaving Member's Interest shall take place within sixty (60) days after the Purchase Price has been established in accordance with this Agreement.

Section 12.7 Failure to deliver Voting Rights/Membership Interest. If a Member or other Person, including but not limited to the heir, administrator, estate, representative, custodian, trustee, or spouse of Leaving Member, becomes obligated to sell, transfer or assign any Membership Interest to the Company or the Other Members under this Operating Agreement (the "Obligated Person") and fails to deliver such Membership Interest in accordance with the terms of this Operating Agreement, the Company or such Other Members may, in addition to all other remedies it or they may have, tender to the Obligated Person, at the address set forth herein or such place as Obligated Person may be located, the Purchase Price for such Membership Interest as is herein specified and then transfer such Membership Interest on the books and records of the Company to the person entitled hereunder to receive the Membership Interest.

ARTICLE 13. ISSUANCE OF ADDITIONAL MEMBERSHIP INTERESTS

Any Person approved by all of the Managers may become a Member in the Company by the issuance by the Company of Membership Interests for such consideration as the Managers shall unanimously determine. The Managers shall determine at the time of such issuance of Membership Interests the Ownership Percentage of such newly admitted Member (with the Ownership Percentages of the then-existing Members being decreased respectively.)

ARTICLE 14. DISSOLUTION AND TERMINATION

Section 14.1 Dissolution.

(a) The Company shall be dissolved upon the occurrence of any of the following events:

(i) by the Majority Vote of the Members and the Managers; or

(ii) the sale of all or substantially all of the Company's assets and the collection of all proceeds therefrom; or

(iii) the ninetieth (90th) day following the occurrence of an event specified in Section 14-11-601(a)(1) (relating to voluntary withdrawal of a Member), Section 14-11-601(a)(2) (relating to cessation of Member status in certain circumstances), Section 14-11-601(a)(3) (relating to removal of a Member), Section 14-11-601(a)(4) (relating to redemption of a Member's interest), Section 14-11-601(a)(5) (relating to various voluntary insolvency and bankruptcy proceedings or dissolution), Section 14-11-601(a)(6) (relating to various involuntary insolvency and bankruptcy proceedings or

dissolution), or Section 14-011-601(a)(7) (relating to death or incompetence of a Member) of the Delaware Act (collectively an "Event of Dissociation"), as to any Member who is a Manager or the ninetieth (90th) day after there is no Member who is a Manager, unless within such 90-day period the Company is continued by the affirmative Majority Vote of the Members other than the Member as to whom the Event of Dissociation occurred and a Majority Vote of the Managers. The occurrence of an Event of Dissociation as to a Member who is not a Manager will not cause the Company to be dissolved.

(b) A Member shall not voluntarily withdraw from the Company or take any other voluntary action which causes an Event of Dissociation.

(c) Unless otherwise approved by a Majority Vote of the Managers, a Member who suffers or incurs an Event of Dissociation or whose status as a Member is otherwise terminated (a "Withdrawing Member"), regardless of whether such termination was the result of a voluntary act by such Withdrawing Member, shall not be entitled to receive the fair value of his Membership Interest, and such Withdrawing Member shall lose all of his right to vote on any of the matters designated to the Members herein, and such Withdrawing Member shall also lose any and all rights to participate in the business and affairs of the Company (for which Members have been designated pursuant hereto). The Withdrawing Member in this case shall own only an Economic Interest in the Company.

(d) Damages for breach of Section 14.1(b) shall be monetary damages only (and not specific performance), and such damages may be offset against distributions by the Company to which the Withdrawing Member would otherwise be entitled.

Section 14.2 Effect of Dissolution. Upon dissolution, the Company shall cease to carry on its business, except as permitted by the Delaware Act. Upon dissolution, the Managers shall file a statement of commencement of winding up and publish the notice permitted by the Delaware Act.

Section 14.3 Winding-Up, Liquidation and Distribution of Assets.

(a) Upon dissolution, an accounting shall be made by the Company's accountants of the accounts of the Company and of the Company's assets, liabilities and operations, from the date of the last previous accounting until the date of dissolution. The Manager(s), or if none, the Persons or Persons selected by Majority Vote of the Members (the "Liquidators") shall immediately proceed to wind up the affairs of the Company.

(b) If the Company is dissolved and its affairs are to be wound up, the Liquidators shall:

(i) Sell or otherwise liquidate all of the Company's assets as promptly as practicable (except to the extent the Liquidators may determine to distribute any assets to the Members in kind);

(ii) Allocate any profit or loss resulting from such sales to the Members in accordance with the terms herein;

(iii) Discharge all liabilities of the Company, including liabilities to Members and Managers who are creditors, to the extent otherwise permitted by law, other than liabilities to Members for distributions, and establish such Reserves as may be reasonably necessary to provide for contingencies or liabilities of the Company;

(iv) Distribute the remaining assets to the Members, either in cash or in kind, in accordance with the positive balance (if any) in each Member's Capital Account (as determined after taking into account all Capital Account adjustments for the Company's Fiscal Year during which the liquidation occurs), with any balance in excess thereof being distributed in proportion to the Members' respective Ownership Percentages. Any such distributions in respect to Capital Accounts shall, to the extent practicable, be made in accordance with the time requirements set forth in Section 1.704-1(b)(2)(ii)(b)(2) of the Treasury Regulations; and

(v) If any assets of the Company are to be distributed in kind, the net fair market value of such assets shall be determined by independent appraisal or by agreement of the Members. Such assets shall be deemed to have been sold as of the date of dissolution for their fair market value, and the Capital Accounts of the Members shall be adjusted pursuant to the provisions of this Operating Agreement to reflect such deemed sale.

(c) Notwithstanding anything to the contrary in this Operating Agreement, upon a liquidation within the meaning of Section 1.704-1(b)(2)(ii)(g) of the Treasury Regulations, if any Member has a deficit Capital Account (after giving effect to all contributions, distributions, allocations and other Capital Account adjustments for all taxable years, including the year during which such liquidation occurs), such Member shall have no obligation to make any Capital Contribution to reduce or eliminate the negative balance of such Member's Capital Account.

(d) Upon completion of the winding-up, liquidation and distribution of the assets, the Company shall be deemed terminated.

Section 14.4 Certificate of Termination. When all debts, liabilities and obligations have been paid and discharged or adequate provisions have been made therefore and all of the remaining property and assets have been distributed to the Members, a certificate evidencing such termination may be executed and filed with the Secretary of State of Delaware in accordance with the Delaware Act.

Section 14.5 Return of Contribution Nonrecourse to Other Members. Except as provided by law or as expressly provided in this Operating Agreement, upon dissolution, each Member shall look solely to the assets of the Company for the return of the Member's Capital Account. If the Company property remaining after the payment or discharge of the debts and liabilities of the Company is insufficient to return the Capital Account of one or more Members, including, without limitation, all or any part of that Capital Account attributable to Capital Contributions, then such Member or Members shall have no recourse against any other Member.

ARTICLE 15. MISCELLANEOUS PROVISIONS

Section 15.1 Compliance with Regulations. The provisions of this Agreement are intended to comply with, and in some cases are required by, Code Section 704(b) and 704(c) and the regulations thereunder. Some of the language in this Agreement is taken directly from or is based on such Regulations. These provisions are intended to be interpreted in such a manner as to comply with such Regulations. The Managers may make any modification to the manner in which the Capital Accounts are computed that the Managers determine is appropriate in order to comply with such Regulations, provided that such modification is not likely to have a material effect on the amount intended to be distributable to any Member upon the dissolution of the Company. The Managers may also make any modification the Managers deem appropriate to comply with such Regulations if unanticipated events might otherwise cause this Agreement to not comply with such Regulations.

Section 15.2 Application of Delaware Law. This Operating Agreement, and the application or interpretation hereof, shall be governed exclusively by its terms and by the Delaware Act.

Section 15.3 No Action for Partition. No Member has any right to maintain any action for partition with respect to the property of the Company.

Section 15.4 Execution of Additional Instruments. Each Member hereby agrees to execute such other and further statements of interest and holdings, designations, powers of attorney and other instruments necessary to comply with any laws, rules or regulations.

Section 15.5 Construction. Whenever the singular number is used in this Operating Agreement and when required by the context, the same shall include the plural and vice versa, and the masculine gender shall include the feminine and neuter genders and vice versa.

Section 15.6 Headings. The headings in this Operating Agreement are inserted for convenience only and are in no way intended to describe, interpret, define, or limit the scope, extent or intent of this Operating Agreement or any provision hereof.

Section 15.7 Waivers. The failure of any party to seek redress for violation of or to insist upon the strict performance of any covenant or condition of this Operating Agreement shall not prevent a subsequent act, which would have originally constituted a violation, from having the effect of an original violation.

Section 15.8 Rights and Remedies Cumulative. The rights and remedies provided by this Operating Agreement are cumulative and the use of any one right or remedy by any party shall not preclude or waive the right to use any or all other remedies. Such rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance or otherwise.

Section 15.9 Exhibits. All exhibits referred to in this Operating Agreement and attached hereto are incorporated herein by this reference.

Section 15.11 Creditors. None of the provisions of this Operating Agreement shall be for the benefit of or enforceable by any creditors of the Company or by any Person not a party hereto.

Section 15.12 Counterparts. This Operating Agreement may be executed in counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument.

Section 15.13 Federal Income Tax Elections; Tax Matters Partner. All elections required or permitted to be made by the Company under the Code shall be made by Managers. For all purposes permitted or required by the Code, the Members constitute and appoint Jerome H. Cohen as Tax Matters Partner. The provisions on limitations of liability of the Managers and Members and indemnification set forth herein shall be fully applicable to the Tax Matters Partner in his capacity as such. The Tax Matters Partner may resign at any time by giving written notice to the Company and each of the other Members. Upon the resignation of the Tax Matters Partner, a new Tax Matters Partner may be elected by Majority Vote of the Managers.

Section 15.14 Notices. Any and all notices, offers, demands or elections required or permitted to be made under this Operating Agreement ("Notices") shall be in writing, signed by the party giving such Notice, and shall be deemed given and effective (i) when hand-delivered (either in person or by commercial courier), or (ii) on the third (3rd) business day (which term means a day when the United States Postal Service, or its legal successor ("Postal Service") is making regular deliveries of mail on all of its regularly appointed week-day rounds in Chicago, Illinois) following the day (as evidenced by proof of mailing) upon which such notice is deposited, postage pre-paid, certified mail, return receipt requested, with the Postal Service, and addressed to the other party at such party's respective address as set forth on Exhibit "A," or at such other address as the other party may hereafter designate by Notice.

Section 15.15 Certificate of Non-Foreign Status. In order to comply with § 1445 of the Code and the applicable Treasury Regulations thereunder, in the event of the disposition by the Company of a United States real property interest as defined in the Code and Treasury Regulations, each Member shall provide to the Company an affidavit stating, under penalties of perjury, (i) the Member's address, (ii) United States taxpayer identification number, and (iii) that the Member is not a foreign person as that term is defined in the Code and Treasury Regulations. Section 15.17 Invalidity. The invalidity or unenforceability of any particular provision of this Operating Agreement shall not affect the other provisions hereof, and the Operating Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted. If any particular provision herein is construed to be in conflict with the provisions of the Delaware Act, the provisions of this Operating Agreement shall control to the fullest extent permitted by applicable law. Any provision found to be invalid or unenforceable shall not affect or invalidate the other provisions hereof, and this Operating Agreement shall be construed in all respects as if such conflicting provision were omitted.

Section 15.18 Arbitration. The expenses of the arbitration shall be borne equally by the parties to the arbitration, provided that each party shall pay for and bear the cost of its own experts, evidence and counsel's fees, except that in the discretion of the arbitrator, any award may include the cost of a party's counsel if the arbitrator expressly determines that the party against whom such award is entered has caused the dispute, controversy or claim to be submitted to arbitration as a dilatory tactic.

Section 15.19 Determination of Matters Not Provided for in This Operating Agreement. The Members shall decide any and all questions arising with respect to the Company and this Operating Agreement which are not specifically or expressly provided for in this Operating Agreement.

Section 15.20 Further Assurances. The Members each agree to cooperate, and to execute and deliver in a timely fashion any and all additional documents necessary to effectuate the purposes of the Company and this Operating Agreement.

To the extent any Member, by word or action, represents to another person that any other Member is a partner or that the Company is a partnership, the Member making such wrongful representation shall be liable to any other Member who incurs personal liability by reason of such wrongful representation.

Section 15.22 Time. Time is of the essence of this Operating Agreement, and to any payments, allocations and distributions provided for under this Operating Agreement.

IN WITNESS WHEREOF, the undersigned have set their hands and seals as of the date and year set forth on the first page herein.

Ladies and Gentlemen:

You have informed the undersigned (the “Purchaser”) that South Side Development Fund I, an Illinois limited liability company, (the “Company”) wishes to raise a minimum of Three Million Two Hundred and Fifty Thousand (\$500,000) Dollars and a maximum of Five Million Nine Hundred Thousand (\$5,950,000) Dollars from various persons by selling up to 5,950,000 Membership Units of ownership, \$0.001 par value (the “Units”), at a price of One (\$1.00) Dollar per Unit.

I have received, read, and understand the Confidential Private Offering Memorandum dated May 16th, 2017 (the “Memorandum”). I understand that you will rely on the following information to confirm that I am either an “Accredited Investor”, as defined in Regulation D promulgated under the Securities Act of 1933, as amended (the “Securities Act”), or that I am a qualified investor as determined by the standards listed in the Confidential Private Offering Memorandum, and that I am qualified to be a Purchaser.

This Subscription Agreement is one of a number of such subscriptions for Units. By signing this Subscription Agreement, I offer to purchase and subscribe from the Company the number of Units set forth below on the terms specified herein. The Company reserves the right, in its complete discretion, to reject any subscription offer or to reduce the number of Units allotted to me. If this offer is accepted, the Company will execute a copy of this Subscription Agreement and return it to me. I understand that commencing on the date of this Memorandum all funds received by the Company in full payment of subscriptions for Units will be deposited in a separate bank account. The Company has established an Investment Holding Account with Wells Fargo Bank, into which the minimum offering proceeds will be placed. At least 500,000 Units must be sold for \$500,000 before such proceeds will be released from the holding account and utilized by the Company. After the minimum number of Units are sold,

Upon acquisition the 4520 Drexel Building, the company will acquire a second multi-family building, 4611-15 S Drexel Blvd, (the “4615 Drexel Building”). The Company will renovate and refinance these buildings, and then utilize the cash from the refinance to acquire and stabilize additional similar multi-family assets. At the end of the fifth year, the Company intends to begin the disposition process of all its assets at which time investor capital will be returned along with any accrued and/or unpaid dividends, with the fund earning 80% of any remaining profits. Business Plan

BUSINESS PLAN

The Company, South Side Development Fund 1, is real estate equity investment entity for the sole objective of purchasing, stabilizing, and disposing of the multi-family buildings. The initial assets will be the 4520 Drexel Building and the 4615 Drexel Building, and similar buildings yet to be identified. A related entity, South Shore Property Holdings, LLC, acquired the 4520 Drexel Building on January 31, 2017 for \$5,700,000 plus closing costs, utilizing \$4,275,000 in bridge financing from Bloomfield Capital, and \$1,865,868.24 from the funds of South Shore Property Holdings, LLC, of which \$370,000 was reserved as a construction escrow and another \$330,000 being paid in over 10 months to fund the full construction escrow of \$700,000. South Shore Property Holdings, LLC, also acquired the 4615 Drexel Building on December 15, 2016 for \$3,500,000 plus closing costs utilizing \$2,625,000 in bridge financing from Bloomfield Capital and \$972,694 from the funds of South Shore Property Holdings, LLC, of which \$150,000 was reserved as a construction escrow and another \$350,000 being paid in over 10 months to fund the full construction escrow of \$500,000. WPD Management, an unrelated third party (the "Property Manager"), has taken over day-to-day property management responsibilities. EquityBuild, Inc. an affiliate of the Company, is the developer of the building ("Developer") and has begun a competitive bidding process to select the most cost-effective competent bid from a pool of third party unrelated general contractors per the scope of work as determined by the Property Manager. Renovation work on eight of the apartment units has already been contracted to the WPD Management. Within thirty (30) days, the Developer will award the remaining work and bid to the selected general contractor and renovation work will commence. The Company anticipates the work on the core building systems and initial vacant units to be completed within ninety (90) days of the awarded bid. Concurrently, the Company will continue to co-ordinate with the Property Manager a lease up process whereby the Property Manager will systematically issue notices of rental increases to the tenants commensurate with the rental targets as determined by the Developer. Tenants who do not accept the rental increases will re-locate and renovation work will begin in that unit based on the scope as determined by the developer subject to the unit updates budget constraints. Tenants who do accept the rental increases will remain in their units and no substantial renovation will occur within that unit. The Company anticipates that the total unit turnover and lease up process will take approximately fifteen (15) months. South Shore Property Holdings, LLC has already solicited and received a term sheet from Red Mortgage Capital, to refinance the existing bridge debt on the 4520 Drexel Building through the Freddie Mac small balance loan program. The Company anticipates that the refinancing of the building will be completed within ninety (90) days, at which time the building is anticipated to have positive cash flow, after which the company will refinance the 4611 Drexel Building through the same program. The Company intends to structure the refinance loan such that the loan carries no pre-payment penalty after twenty-four (24) months. It is also anticipated that the first twelve (12) months of the loan will be interest only payments, and that this will allow a cash out refinance at a higher market value base on the stabilized physical and income improvements. The Company will then utilize the net cash available from the refinance to acquire a similar asset to add to the Company's holdings. The stabilization and refinance process will repeat as many times as financially beneficial to the Fund over a four year period at which time acquisitions will cease, remaining assets will be stabilized. At that point, the Company anticipated that all buildings will be sold within twenty-four (24) months of the completion of the acquisition phase. THERE IS NO GUARANTEE THAT THE COMPANY WILL BE ABLE TO REFINANCE THESE BUILDINGS OR TO DISPOSE OF THESE BUILDINGS AS PLANNED.

Location Description

LOCATION OVERVIEW

Located on beautiful, tree-lined stretch of Drexel Boulevard that stretches down to Washington Park, the property is also easy walking distance to Jackson Park – recently announced as the future home of the Obama Presidential Library (regardless of where you stand politically, presidential libraries have a record of raising area property values) -- and Burnham Park, Chicago's six-mile long park that stretches down the shore of Lake Michigan. The building is near churches, restaurants, shops and schools. The campus of the University of Chicago lies just to the south. It is convenient to public transportation, with the 47th Street stations for both the Green Line L Train and the Metrail nearby, along with multiple bus stops. Our analysis indicates that the property will generate more than enough revenue to cover mortgage payments on the building as well as all of the property's operating expenses, and still return positive cash flow. This is why we consider this multi-unit building to be an excellent investment opportunity.

- 3) If the Account is a 100% owner of the entity, the entity must apply for its own EIN. It is not permitted under Next Generation Trust Services Policy to use the EIN shown above for any other purpose than the issuance of a K-1 or similar tax document to the Account as investor in the entity.

- 7) In the event that future capital contributions to the entity are required or desired (and provided the Account Owner determines that the capital call is not a prohibited transaction under Internal Revenue Code §4975 and there are sufficient funds in the Account), all funds must come from the Account. The Account Owner may not advance funds on behalf of the Account.
- 8) The Account Owner may not personally guarantee on behalf of the Account any indebtedness of the entity to a third party nor may the Account Owner guarantee any indebtedness of the Account to the entity.
- 9) You understand and agree that the Custodian and/or the Administrator for your Account (including, but not limited to Next Generation Trust Services or any agent, affiliate or designee of Next Generation Trust Services) have given you no tax advice regarding the possibility that your Account may be subject to Unrelated Business Income Tax (UBIT) as a result of its investment in the identified entity. If your Account owes UBIT on its profits from the entity, you agree to prepare or cause to be prepared and filed a IRS Form 990T, and any similar filing required under applicable state laws, for each year with respect to which any such form is required, and to cause your Account to pay any UBIT that is reported in such forms. You understand and agree that any UBIT owed must come from funds belonging to the Account. Your agreement to indemnify and hold harmless includes liability of the parties named therein with respect to UBIT and the preparation and filing of IRS Form 990T and similar state tax filings.
- 10) You understand and agree that the Custodian and/or Administrator for your Account (including, but not limited to Next Generation Trust Services or any agent, affiliate or designee of Next Generation Trust Services) do not approve investments or actions you personally make or direct the Custodian and/or Administrator to take on behalf of your Account. It is the responsibility of the Account Owner to review and approve all documentation pertaining to the investment.

PRIVATE PLACEMENT LETTER FOR ACCOUNT OWNER

- 12) You understand and agree that the Custodian and/or the Administrator for your Account (including, but not limited to Next Generation Trust Services or any agent, affiliate or designee of Next Generation Trust Services) do not make any attempt to evaluate the entity you want your Account to invest in. For example, they make no attempt to check the financial strength of the entity, nor do they check with the Secretary of State to see if the entity is in good standing, nor do they check with the Securities and Exchange Commission, the Better Business Bureau or any other governmental or non-governmental agency to see if any complaints have been filed against the entity. You, as the owner of the Account, are 100% responsible for evaluating the entity, its operations and the investment potential of the entity, including taking the steps described in the preceding sentence.
- 13) You understand and agree that you are also responsible for confirming that none of the "disqualified persons" with respect to your Account (including Next Generation Trust Services, its affiliates and designees, and every other entity that is the Custodian and/or Administrator and/or Record-keeper with respect to your Account, their officers, directors, shareholders or employees) are associated in a way which could result in a prohibited transaction with the entity you in which you are investing.
- 14) You understand and agree that you are solely responsible for making sure that the entity was not formed and will not operate in a way that does or may lead to a prohibited transaction under IRC §4975.
- 15) You understand and agree that if the entity your Account is investing in becomes a "disqualified person" (as that term is defined in IRC §4975) upon funding (this may occur, for example, if your IRA and other disqualified persons, including you personally, own more than 50% of the entity), then any future mandatory capital calls may be considered to be a prohibited transaction under IRC §4975.
- 16) You understand and agree that if the Plan Asset Regulations issued by the U.S. Department of Labor apply, the entity is disregarded for purposes of the prohibited transaction rules of IRC §4975. In that case, the underlying assets of the entity are considered to be the assets in which your Account is investing, and each of the statements above regarding the entity must be true with regard to each of the assets that the entity invests in. You represent that you either understand the Plan Asset Regulations and Interpretive Bulletin 75-2 or that you have sought competent legal counsel regarding the Plan Asset Regulations and Interpretive Bulletin 75-2 and their potential application to the entity that you want your Account to invest in, prior to making your investment decision.
- 17) You agree and understand that Next Generation Trust Services is required to report the fair market value of the Account to the Internal Revenue Service and/or to the Plan each year. You agree to obtain a fair market value for the Account's investment in the entity as of December 31 each year and report this information to Next Generation Trust Services on a form approved by Next Generation Trust Services no later than December 31. You understand and agree that Next Generation Trust Services is entitled to rely on the valuation provided by you for reporting purposes and shall bear no responsibility as to the accuracy of the information provided. You understand and agree that until a different valuation is reported to Next Generation Trust Services, the value of the investment in the entity will be reported based on the Account's total investment in the entity. You understand and agree that if you fail to provide a fair market value to Next Generation Trust Services as required, Next Generation Trust Services may withdraw as administrator of your account and distribute the asset to you or to a successor custodian.
- 18) You understand that with some types of accounts there are rules for required minimum distributions from the account. If you are now subject to the required minimum distribution rules for your Account, or if you will become subject to those rules during the term of the investment, you represent that you have verified either that the entity that your Account is investing in provides distributions that will be sufficient to cover each required minimum distribution, or that there are other assets in your Account, or in other accounts that you may access for this purpose, that are sufficiently liquid (including cash) from which you will be able to withdraw your required minimum distributions as they become required.
- 19) By signing this agreement, you agree to indemnify and hold harmless the Custodian and/or Administrator for your Account (including, but not limited to Next Generation Trust Services or any agent, affiliate or designee of Next Generation Trust Services), and their respective officers, directors, shareholders and employees against any liability associated with investing in the identified entity, including funding a capital call, and including any liability that arises because the investment is or may be a prohibited transaction under IRC §4975.

The NGTS account owner has agreed to obtain a fair market value for the NGTS account's investment in the entity as of December 31st each year and report this information to Next Generation Trust Services on a form approved by Next Generation Trust Services no later than January 15th of the following calendar year. It is understood and agreed that Next Generation Trust Services is entitled to rely on the valuation provided by the NGTS account holder or by the investment entity for reporting purposes and shall bear no responsibility as to the accuracy of the information provided. It is understood and agreed that until a different valuation is reported to Next Generation Trust Services, the value of the investment in the entity will be reported based on the Account's total investment in the entity. It is strongly advised that any reported values or statements should be delivered to Next Generation Trust Services as an original, copy or duplicate statement to avoid any discrepancy in reported values by the asset and the value of the asset reported in the NGTS account. It is understood and agreed that if the client and/or the investment entity fails to provide a fair market value to Next Generation Trust Services as required, Next Generation Trust Services may withdraw as administrator of the account and distribute the assets to the NGTS account holder personally or to a successor custodian.
- 9) Next Generation TS, LLC ("Administrator") is a self-directed retirement custodial account administrator to the custodian. The NGTS IRA beneficial owner whose name appears on the Retirement Plan Application Form(s) (hereinafter called "account owner") has established a Retirement Custodial Account (an "account") within Kingdom Trust Company or its successor (hereinafter referred to as "Custodian"). This NGTS account is established for the exclusive benefit of the individual (account owner, or his/her beneficiaries) within the meaning of §408A of the Internal Revenue Code and the related Treasury regulations. The Custodian has delegated certain account record keeping and administrative functions ("Administrative Services") to NGTS, as the administrator. Neither NGTS nor any of its officers, directors, shareholders or employees is associated in any way with any company that may instruct the administrator to invest on behalf of the NGTS account. Neither the administrator nor any of its officers, directors, shareholders or employees provide any investment, legal or tax advice pertaining to any investments, holdings, or filings of the NGTS account or account owner. The account owner understands and agrees that the administrator makes no attempt to evaluate any entity, company, agreements, contracts or other investment entities or investment structures the account owner instructs the administrator to invest in, on behalf of the NGTS account. For example, NGTS makes no attempt to check the financial strength of the company, nor does NGTS check with the Secretary of State to see if the company is in good standing, nor check with the Securities and Exchange Commission, the Better Business Bureau or any other governmental or non-governmental agency to see if any complaints have been filed against the entities. All representations and undertakings are of NGTS as agent for the Custodian and not individually; no liability is assumed by and/or shall be asserted against NGTS as a result of the signing of any instrument(s) on behalf of the account and/or account holder. The grantor, or account owner as account controller, has made all representations and warranties contained within any and all documentation, contracts, agreements and subscriptions and NGTS, as agent for the Custodian and authorized signatory to the account, is signing (the) document(s) along with and/or for the grantor merely to assist the grantor, the NGTS account owner, in this purchase as prescribed by the Internal Revenue procedures requiring the purchase to be made by an IRA Custodian on behalf of the NGTS retirement account. NGTS is not a fiduciary to the account and hereby disclaims all fiduciary responsibility for the investment choice and its inherent risks. The retirement account beneficial owner has indemnified and hereby agrees to hold NGTS harmless in following any and all instructions and provisions.
